## Rustenburg ruk op vir Jaco

Die afgelope Saterdag (22 Februarie) was die pawiljoene by Bergsig Akademie se sportgronde stampvol. Maar dié keer was dit nie net vir die liefde vir rugby nie; dit was ook 'n getuigskrif vir die welwillendheid van 'n groot klomp mense van die stad. Die geleentheid was 'n rugbywedstryd tussen die 'oumanne' van Hoërskool Rustenburg en dié van Bergsig Akademie. Een van die sterre vir Bergsig tydens dié wedstryd was André Grobler – wat hier deur Mileng Madibeng en Tiaan Prinsloo aan bande gelê word. ## Gender-based violence

**RUSTENBURG HERALD – RUSTENBURG - How do I speak to my children about Gender-Based Violence?**

It is essential from as young as possible to educate the boy child and girl child that either sex shows equal levels of respect to each other respecting their strength and weaknesses.

Keep the channel of communication open by allowing your child the opportunity to confide in you should they feel they are being victimised or being exposed to gender-based violence at school. Equip your child with the confidence to be a Friend should they see a peer in crisis.

What is Gender-Based Violence:

Gender-based violence (GBV) is violence that is directed at an individual based on his or her biological sex or gender identity. It includes physical, sexual, verbal, emotional, and psychological abuse, threats, coercion, and economic or educational deprivation, whether occurring in public or private life.

The stats listed below that appear on the Unicef Website are just a small indication of how serious Gender-Based Violence towards Girls really is:

According to research, up to 120 million girls from every corner of the world will have experienced sexual violence.

On their way to school, in classrooms, at homes, in refugee camps, and on playgrounds – girls experience harassment and violence. Globally, more than 8 out of 10 girls experience street harassment before they turn 17. In the United States, more than one in 10 girls is sexually taunted by the time she is 11. Girls with mental disabilities are especially at risk: in Australia, up to 68% have been the victims of sexual assault.

If you feel your child or someone close to you is at risk, please feel free to contact Grace Help Centre either through their Facebook Page - Grace Help Centre or their crisis line 072 348 6526.

## Pastor prayed before preying on young girls

**RUSTENBURG HERALD - PORT ELIZABETH - Shocking evidence was heard at the resumption of the sexual offences trial of the so-called “man of God” - Nigerian Pastor Timothy Omotoso and his two accomplices in the Port Elizabeth High Court on Monday this week.**

The state’s first witness, Andisiwe Dike gave chilling details of how she was sexually abused by the controversial pastor in his church house in Durban. She is the first witness to take the stand as the trial resumed at the Port Elizabeth High Court on Monday this week.

Omotoso and his two co-accused Lusanda Sulani and Zukiswa Sitho, face 63 main and 34 alternative charges ranging from sexual assault, human trafficking and rape.

The 30-year-old witness detailed three events where she felt unsafe in the hands of what she saw as a ‘man of God’.

Dike has described her first one-on-one encounter with Omotoso as scary, shocking and disgusting. She detailed a number of events, where she was shocked by Omotoso’s behaviour, with the worst being when Omotoso sent for her to be called to his bedroom one evening.

Dike, who was composed throughout her testimony, told the court that when she went into Omotoso’s room, he told her to lock. She says she went inside the semi-dark room and knelt, which was a regular sign of respect in the house.

Dike says this wasn’t long after she had moved into the church house, and was still trying to figure things out. Dike alleges that Omotoso looked at her and pat the spot next to him in his bed. Dike alleges that they exchanged a short conversation before Omotoso pushed her to her back, and climbed on top of her.

Dike told the court that the following day, Omotoso sent for her to be called again, saying he needed a foot massage. Dike alleges that during her second encounter with Omotoso, he asked her when she’d be ready for him, to which she responded “anytime”.

The witness further alleges that after the first few incidents, she stopped counting as it became a regular occurrence. Dike said that out of approximately 28 girls who lived in the house, only two went to school. She says these were very young girls, as she was amongst the oldest. Omotoso and two co-accused are facing a total of 97 charges between them, including trafficking for sexual purposes, rape, and racketeering. The trial continues.

# Bakkie overturns leaving two injured

**RUSTENBURG HERALD – RUSTENBURG – Two men were left injured on Friday morning (21 February) when the bakkie they were travelling in overturned off the R104 near Buffelspoort.**

According to Russel Meiring, ER24 spokesperson, paramedics, along with other services, arrived on the scene to find the bakkie on its roof against several trees.

One man was found walking around on the scene while a second man was found trapped inside the driver's side.

Assessments showed that both men had sustained moderate injuries. Medics carefully extricated the man from the vehicle and treated them both.

Once treated, the men were transported to nearby hospitals for further care.

The details surrounding this incident are not yet known but local authorities were on the scene for further investigations.

# Dubious Spar employer ordered to pay millions of rands to workers for unlawful deductions, non-compliance with National Minimum Wage (NMW) and overtime

**RUSTENBURG HERALD – RUSTENBURG - The Department of Employment and Labour welcomes the outcome of Commission for Conciliation, Mediation and Arbitration (CCMA) to grant eight Arbitration awards in the department's favour against the eight Spar outlets owned by Mr. Giannacoupoulos.**

The awards compel the franchisee to comply with compliance orders issued and pay all complainants an amount of R 11 935 478, 00.

The respondent is further ordered to comply with clauses 3.3 to 3.16 of the same compliance order within 14 days upon receipt of the awards. Failure to comply with the awards will result with the respondent having to pay accrued interest in terms of section 75 of Basic Conditions of Employment Act (BCEA).

The decision follows the inspections conducted in May 2019 after the Department's Inspection and Enforcement Services (IES) received a series of complaints of alleged gross violations of labour laws which were happening at Spar stores across the country.

On investigation, all the stores which happened to be violating the labour laws were found to be owned by Mr Giannacoupoulos.

Ten stores were affected with nine based in Gauteng and one in the North West. Issues raised in terms of labour laws violations included amongst others:

- Failure by the employer to issue employees with contracts;
- Long working hours without overtime compensation;
- Sunday pay, public holidays and leave not granted according to the law
- The complaints also related to the hiring of illegal foreign nationals; and
- Illegal deductions.

The inspections were conducted at Spar Orchards, Dely Road, Doornport Spar, Montana Spar, Wierda Spar, Silverton Spar, Zambezi Super Spar, Rietfontein Spar, Silverplace Spar and Safari Spar in Rustenburg. These outlets employ 565 workers.

The Department of Employment and Labour Inspector General, Aggy Moilola, said the Department is delighted that the NMW, which was promulgated in 2019, is bearing much desired fruits. "The relentless work that is carried out by our inspectors is contributing towards making a difference in the lives of vulnerable workforce.

I exhort employers to make it their business to respect and comply with the labour laws of our country".

# Over half-a-million Rand collected in traffic fines in Rustenburg

RUSTENBURG HERALD- RUSTENBURG- The Rustenburg Local Municipality’s Directorate for Public Safety, has reinforced its zero tolerance stance to motorists in the city, especially those who have been evading the law after being issued with traffic fines.

The fines are for a myriad of offences in accordance the National Road Traffic Act 93 of 1996. More worryingly is the number of drivers who ignore to pay for the traffic fines issues against their names, to the extent that warrants of arrests have been issued. The operation dubbed “Patela Disuga” has taken many by surprise with the operation being set up on the arterial routes in Rustenburg including roads, which are of secondary use by motorists. Interestingly the Directorates’ officials set up camp any time of the day including early hours of the morning as well as into the evening. Motorists were taken aback by the level of preparedness including the spot fines that have been settled where the operation is being conducted, against motorists or

vehicles they are using. Outstanding fines were paid through the use of card machines. In just under two weeks, the operation was able to collect over half-a-million Rand from the numerous fines which had been issued and never paid for vehicles and motorists alike. As the City is preparing for the fast approaching Easter Period, residents and visitors can expect an intensified presence of traffic police and law enforcement officials on the roads. The team which is led by part of the senior personnel from the directorate monitor operations and all transactions on the site, to ensure that the law enforcement and traffic officials do their work unhindered and receive cooperation from motorists. Many of the motorists who had to be processed through the various road blocks, were happy to see the Municipality making an effort that all those who had been issued with traffic fines had to pay them, to ensure that the Municipality is able to function optimally, despite the inconvenience that comes with the delays especially during peak hour traffic in the City. Motorists are advised to visit the Public Safety Office (traffic section) to check if they have outstanding fines to avoid inconvenience on the road or enquire at 014 590 3210.

Operation “Patela Disuga” underway.

Following the article that was published in the Rustenburg Herald of last week about a learner that was assaulted by a teacher at a well-known school in Rustenburg. The Rustenburg police have confirmed that a case of Assault with intent to do Grievous Bodily Harm was registered with the police in Rustenburg. The docket according to the police has been handed in to the National Director for Public Prosecution for further recommendations. Keep an eye on the Rustenburg Herald for an update on this story. To date there hasn’t been a comment from the North West Education Department.

# Marikana turns loss into profit

**RUSTENBURG HERALD -RUSTENBURG - Sibanye-Stillwater last week announced that they can report that they have turned a loss of R2.5 billion into a profit of nearly R500 million.**

This comes after the precious metals producer had a, what can be described as, an eventful 2019 - which included a damaging gold strike and the acquisition of Lonmin. It is, in part due to Lonmin's former Marikana mine - that Sibanye has reason to celebrate now.

The precious metals producer posted a profit of R432-million in 2019, a nice bounce from a loss of R2.5-billion in 2018, the company said on Wednesday (19 February). That bounce would have been higher were it not for a violent strike at its gold operations by members of the Association of Mineworkers and Construction Union (Amcu), which started in November 2018 and ended in April 2019, but overall, the company had a solid performance over the course of an eventful year, with rising prices underpinning the swing back to profit - a trend that has been lifting overall industry earnings. The average rand gold price the company received rose 21%, which helped to offset the impact of the strike, which pushed the company's bullion

production down 21%. Platinum group metal (PGM) prices, notably for palladium and rhodium, have been shooting the lights out on supply concerns. Both metals are key components of the emissions-capping catalysts used in petrol and hybrid engines, and tighter standards are driving demand. Sibanye is well-placed in this regard, with palladium accounting for 42% of its PGM production. "The year in review was a tale of two halves, with the financial performance in H2 2019 in stark contrast to H1 2019, which was significantly impacted by strike action at the SA gold operations and other operational disruptions," the company said in a statement. One surprise was the performance of the Marikana mine - it generated over R1-billion in profit for the last six months of 2019.

"It generated a profit because we are in such a different economic environment," Sibanye CEO Neal Froneman said during the presentation of the results at the JSE.

"The basket price for Marikana when we bought it has gone from R13,000 an

ounce to R30,000 an ounce," he added, referring to the price that the combined basket of PGMs, primarily platinum, palladium and rhodium, fetch per ounce. About 30% of Marikana's production is palladium. Lonmin must be spinning in its grave - it succumbed among other things to depressed prices and was finally pronounced dead just as prices were starting to surge. The pay-dirt can be seen in the payback. Froneman said that Marikana would repay its all-share acquisition price in a year - an astonishing return on investment. "Marikana has one-year payback. It will pay back its purchase price of R4-billion in one year. It's probably the best acquisition we've done in terms of payback period," said Froneman. There was also a restructuring there that saw 1,142 employees retrenched, while 1,700 contractors lost their jobs - fewer cuts than were initially anticipated.

Froneman said during his results presentation that Sibanye are seriously committed to reestablishing their dividend. That could potentially come in August 2020, when the company will report its interim 2020 financials.

## Patients on the floor: JST responds

**NewsRUSTENBURG HERALD - RUSTENBURG - Social media was recently abuzz about allegations that pregnant patients at the Job Shimankana Tabane Hospital had to lay on the floor.**

Rustenburg Herald asked the hospital for an explanation. Tebogo Lekgethwane, departmental spokesperson responded:

"The overcrowding at Job Shimankana Tabane Hospital (JSTH) is as a result of the following issues:

JST Hospital was originally designed for a lesser population hospital and it has over the years evolved into a Regional Hospital and eventually Tertiary Hospital. There is a need for expansion of the Infrastructure to be in line with the population growth and introduction of Tertiary Services. Bojanala population is currently 1 725 000. The hospital has a bed capacity of 396 beds. According to the National norms and standards, a Tertiary Hospital should be between 400-800 beds. There is a need to increase the bed capacity of JST to align it to the National Norms. Although JSTH is gazetted as a Tertiary Hospital, it offers a service package that includes services below its level - like the District and Regional Hospital services which also constrain the ability of JTSH to render optimal tertiary level services. The above prevails due to the lack of a District and Regional Hospital in the area of Rustenburg. The overcrowding is prevalent in the specific disciplines and service areas like Accident and Emergency Unit, Maternity and Critical Care. Although the above prevail, the hospital efficiency indicators are within the norm, for example, Average length of stay of patients is within the normal range of 6-8 days and the bed occupancy rate is 83% for the third quarter of 2019/2020 financial year. The above indicators demonstrate the fact that patients do not sleep on the floor. JSTH collaborates with Fencrest and Peglarae Hospitals to augment services that are constraint for example Critical Care Patients, advanced heart procedures like Cardiac Catheterization Laboratory. The above-mentioned services are rendered at these private facilities at a reduced tariff in accordance with the service Level Agreement between private health care facilities and the State. JSTH also refers to Klerksdorp Tshepong Hospitals Complex and George Mukhari Hospital for tertiary services like Oncology, Ophthalmology, Neurosurgery and MRI. Patients are down referred to District Health Facilities for conditions that require lower level of care. There are future plans to expand and revamp the infrastructure by the construction of 160 bedded Maternity and Obstetric Unit and 22 bedded ICU. These are prioritized and budgeted for and the project is approved for 2020/2021 financial year. There is a current project to refurbish and revamp A&E, Pharmacy and the Theatres to the tune of R30m. The project will be implemented in such a way that will not compromise provision of quality health care and services within the hospital. The contractors are on site. There are also plans to expand services in collaboration with Africa Health at the 80 beds Bleskop Hospital Facility. This will relieve the pressure on availability of beds and improve availability of theatres."

## Recalled pilchards dangerous when consumed

**RUSTENBURG HERALD – RUSTENBURG – Customers who recently bought canned pilchards in tomato sauce or chilli sauce are urged to take it back to the store for a refund. The pilchards in question includes the house brands of Shoprite, Checkers and OK Foods. On Tuesday morning (24 February) it was however announced that the deficient 400g cans may also have been distributed to wholesalers - and thus might be also on sale from informal traders and spaza shops. The manufacturer, West Point, says that a canning deficiency may have left the pilchards unfit for consumption. The 400g Pilchards in Tomato Sauce cans and Pilchards in Chilli Sauce cans which have the specific batch codes starting with ZST2 and ZSC2 must be returned immediately to the stores or wholesalers.**

# Lydia stap ten bate van liefdadigheid

RUSTENBURG HERALD – RUSTENBURG - Die knellende droogte in groot dele van ons land bring uitdagings mee vir elke boer in daardie omgewing.

Vee wat gevoer moet word, gesaaides wat water nodig het, finansiële verpligtinge wat nagekom moet word, 'n gesin wat versorg moet word. As dit nie reën nie is daar geen water en voer vir vee nie, geen gesaaides wat geoes kan word nie, wat beteken geen inkomste vir die boer nie, geen gelde om sy finansiële verpligtinge na te kom nie.

Boere Droogtehulp SA (NPC) was gestig deur Chris van Beljon van Rustenburg om hulp te verleen aan ons boere wat elke dag met hierdie uitdagings moet saamleef. Hulle leuse “vrag vir vrag maak ons 'n verskil”, is inderdaad wat die span vrywilligers in die lewens van ons boere in nood doen. 'n Ander platform wat ook uitdagings bied, is die “Sunrise to Sunset 100km Magalies Biosphere Ladies Walk”. In 2020, die vierde jaar wat hierdie stap plaasvind, sal wees vanaf 18 tot 21 Maart. Die 100km staptog word elke jaar in Maart gedoen oor vier dae, waarin die dames elke dag ±25km stap. Dit beteken elke dag gaan daar berg op gestap word, hopelik êrens 'n plato bereik, en dan natuurlik ook heelwat afdraende. Hierdie inisiatief was die breinkind van Alna van der Walt, om die UNESCO geproklameerde Magaliesberg Biosfeer aan die publiek bekend te stel. Die Sunrise to Sunset 100km Stap bied ook die geleentheid aan die dames om fondse in te samel vir 'n liefdadigheid van hulle keuse.

Een van die dames wat aan hierdie staptog gaan deelneem is Lydia Stander. Sy gaan van hierdie uitdaging gebruik maak om tree vir tree 'n verskil te maak in die lewens van ons boere in die droogtegeteisterde gebiede, deur fondse in te samel vir Boere Droogtehulp SA (NPC) om die boere te help.

Op die foto van links is Anneri Oosthuizen (Boere Droogtehulp SA), Lydia Stander, Alna van der Walt (Sunrise to Sunset 100km Ladies Walk) en Chris van Beljon (Boere Droogtehulp SA).

Soos wat die 100km stap 'n groot uitdaging is, so ook is die insameling van fondse om voer en ander lewensmiddele tot by die boere te kry 'n groot uitdaging vir Chris van Beljon en sy span, en so ook is ons boere in hierdie droogtegeteisterde gebiede se daaglikse bestaan eweneens 'n groot uitdaging.

Finansiële skenkings kan direk in Boere Droogtehulp SA (NPC) se rekening inbetaal word. Skenk 'n eenmalige bedrag, borg 'n opdraende vir R200, borg 'n afdraende vir R250, borg gelykpad vir R300, borg per kilometer. Enige skenkings is welkom en word opreg waardeer.

## 80-year-old in court for rape of minor

RUSTENBURG HERALD - RUSTENBURG - An 80-year-old elderly man appeared before the Brits Magistrates Court on Monday (17 February) for the alleged rape of a 7-year-old girl.

The court appearance stems from his apprehension on Saturday (15 February) at about 15:00 in Geluk farming area, on the outskirts of Brits. According to Captain Sam Tselanyane, provincial police spokesperson it is alleged that the suspect went to the nearby shop accompanied by the victim who is the grandchild of his girlfriend on Saturday (15 February). Furthermore, the mother of the child went looking for them as she felt that they are taking too long to return home.

She saw that they were on their way home and close by, she then went back inside the house. In a dramatic turn of events, it is alleged that while inside the house, she decided to go and check on them again as they were taking longer than expected to enter the house.

It is further alleged that both the suspect and the child were nowhere to be found. She allegedly searched and found both of them under a tree in the bushes, with the child allegedly half naked.

The mother allegedly screamed for community members to come to her rescue and thereafter the police were alerted. The suspect was immediately arrested and charged with rape. He was remanded in custody and was expected to reappear before the same court on Tuesday (25 February) for formal bail application.

# More than 600 girls get sanitary towels

RUSTENBURG HERALD - RUSTENBURG - South Africa is a country where approximately three million teenage girls miss school every month because they cannot afford to buy the necessary feminine hygiene products. This equates to around 25% of their learning missed during a school year, putting them at a serious disadvantage compared to boys.

This fact inspired employees from Impala from Impala's Processing department to collect money to buy sanitary towels for approximately 600 girls from two local schools.

The initiative-championed by Tumelo Masango, Sampling Manager: Processing – received surrounding support from her colleagues when the decision was made to make the donation from the Processing team. The initiative was organised under the banner of Impala's Women-in-processing, a woman's forum whose aim is to help advance issues related to female employees at the mine.

The sanitary towels were handed to girls from Thethe Secondary School and Molotlegi Secondary School, both in Luka Village, by members of Impala's Processing department. Masango said she was proud to be part of an initiative to help girls stay in school as it is critical for young girls, especially in rural areas, to get an education.

“This is a small gesture from Impala Mine's Processing team, one which we hope will go a long way to ensuring you attend school regularly throughout the year, which will make it possible for you to achieve the goals you have set for yourselves,” Masango said.

The Principal of Molotlegi Secondary School, Mr D Dinake thanked the employees of Impala's Processing department for the kind gesture and for caring enough to do something about the plight of girls at local schools. A teacher at Thethe Secondary School, Ms Mekgwe, said the smiles of the girls as they received the donations spoke volumes.

A grade 12 pupil at Molotlegi Secondary School, Tshwarelo Mere, said the donation was important as not all the learners come from families which can afford to buy sanitary towels. Regomoditswe Mputle, a learner from Thethe Secondary School, said she was overwhelmed by this good gesture from Impala and that this was clear proof the mine has their interests at heart and the donation will make a difference in their lives.

**RUSTENBURG HERALD – RUSTENBURG –** The Area Commissioner of Rustenburg Management Area, Ms Mamokete Mogorosi has applauded the cooperation that the community of Ramochana, SAPS, Traffic Department, Royal Bafokeng Protection Services, Emergency Support Team (EST), dog handlers from Losperfontein and officials of Rustenburg Correctional Centres has given during the attempted escape of two offenders from Rustenburg Correctional Centre.

The incident according to communications manager, Mr Advice Ramonnye, happened around 08:00 on 20 February while the offenders were being transported from Medium A to attend classes which are at Rustenburg Centre of Excellence premises.

The officials escorting the offenders raised the alarm and followed processes as outlined in their contingency plan.

A massive hunt was executed and in the nick of time, SAPS, Traffic, Royal

Bafokeng Protection Service and community of Ramochana joined in the search.

Within 15 minutes, one offender was apprehended by community members. The second offender was also re-arrested with the help of the Bafokeng Protection Unit and Rustenburg local airport helicopters. The two offenders are now safely back in custody and a case of attempted escape has been opened with the Boitekong police station.

**RUSTENBURG HERALD – RUSTENBURG -** SA’s minimum wage is increasing on 1 March 2020.

This will be the first increase since 2019. The minimum hourly wage and the special wages for some categories of work, will all increase by just about 3.8%, approximately in line with inflation at the moment counting from when the wages were first introduced.

Unions were outraged at a previous recommendation of 5% increases, pointing out that the minimum wages introduced in 2019 were agreed in 2017 and are now much eroded.

The new prescribed minimum wages for domestic workers and farm workers for 2020 are as follows:

The minimum wage in South Africa will increase by roughly 3.8% from 1 March 2020 – roughly in line with annual inflation, but far below the level unions had wanted. The new national minimum wage will be set at R20.76 per hour, employment and labour minister Thulas Nxesi decreed in a notice published last Monday. That is an increase of exactly 3.8% on the previous R20, which came into effect on 1 January 2019.

As with the original minimum wage, certain categories of workers have lower minimum salaries. Because all of those wages are set to the nearest cent without fractions, the increases for those sectors range between 3.77% and 3.818%. In December, the latest month available, annual consumer inflation was at 4%,

up from the rate of 3.6% in November. Inflation expectations for 2019 are currently at around 4.5%.

Unions had sought an increase of at least 12.5% in the minimum wage this year – on the basis that it has not increased for more than two years. Though the minimum wage was implemented in January 2019, the law that brought it into being was approved in November 2017, the R20-per-hour number was set at the time. The underlying amounts were actually agreed in March 2017, though, three years before the new increases will come into effect. In a joint statement in January, union groups Cosatu, Fedusa, and Nactu described a recommendation of a 5% across-the-board increase by the National Minimum Wage Commission as “shocking and callous”.

**New Wages**

**The new minimum wage that comes into effect on 1 March 2020 are:**

- # For work not covered by a special determination: **R20.76 per hour.**
- # For domestic workers: **R15.57 per hour.**
- # For contract cleaning staff: **between R20.83 and R22.84 per hour, depending on the geographic area.**
- # For farm workers: **R18.68 per hour.**
- # For workers in government’s expanded public works programme: **R11.42 per hour.**

This remarkable woman has just been announced as a finalist for this year's Ms SA Plus Intercontinental 2019/2020. On 4 April she will be on stage in Bloemfontein to strut her stuff in an attempt to secure the crown. The winner will represent SA at the Ms Plus World, which will be held in Texas, USA.

"My platform in the pageant is 'Touching lives'," explains Mammone. She is accomplishing this by doing projects that will benefit people, mainly women, in need. "Throughout my journey, I have realized that for as long as you love something, you can do it - irrespective of your age," she says. She is also encouraging women to stop obsessing over size. "Embrace yourself. Allow others to see that beauty is not a number on a dress label."

Mammone has done numerous projects as part of her campaign like hosting a high tea for a women's event. She has also organised a celebration of welcoming the first baby boy and girl being born on New Year's Day at a provincial hospital in the city, as well as many donations at a number of schools, clubs and organizations. Mammone thanks all her sponsors for making her hands stronger. If you want to be part of her campaign, get in contact with Mammone via email at [ascentiama@gmail.com](mailto:ascentiama@gmail.com)

# Welkom by die G-om projek

**RUSTENBURG HERALD - RUSTENBURG - G-om projek se leuse is as volg: "’n Honderd jaar van nou af sal die bankrekening wat ek gehad het, die soort huis waarin ek gewoon het of die soort klere wat ek gedra het, nie saak maak nie. Maar die wêreld mag baie anders wees omdat ek ’n verskil gemaak het in die lewe van ’n kind."**

Die G-om projek of Wee (Skots vir klein) -care project is ’n projek om minderbevoorregte voorskoolse kinders in Rustenburg en omliggende gebiede te help. Die kinders is van verskillende rasse en kleur is nie ’n oorweging in die projek nie.

Die projek vind plaas vanuit die NG Kerk Rustenburg-Suid se kerksaal (wat hulle gratis beskikbaar gestel het) vanaf Maandag tot Vrydag – 08:00 – 11:00. Die projek bestaan uit twee dele:

’n Voedingskema: Voorskoolse kinders het sedert September 2001 ingeskakel by die projek. Huidiglik is daar 50 kinders betrokke. Hierdie kinders kry van Maandag tot Vrydag ’n voedsame maaltyd en ’n vrug, met vrugtesap of melk. Vir ’n kind se brein om te groei en normaal te funksioneer het dit die regte voedingstowwe nodig. Vrywilligers aanvaar verantwoordelikheid (op eie koste) vir die kos op die dag wat hulle betrokke is.

’n Stimuleringsprogram: Hulle volg ’n goedgekeurde program by die projek. Heelwat opvoedkundige speelgoed is aangekoop deur middel van donasies. Omdat baie van hierdie kinders se ouers nie oor die finansiële middele of die basiese vaardighede beskik om die kinders te stimuleer of te laat stimuleer nie, het hulle ’n geweldige agterstand wanneer hulle in die skool kom. Die stimuleringsprogram se doel is om hierdie kinders uiteindelik skoolgereed te kry en toe te rus met lewensvaardighede.

Addisioneel: Graad 1’s - Hulle is baie trots om te sê dat hulle elke jaar vir elkeen van die kinders wat graad 1 toe gaan ’n stel skoolklere gee en ’n skooltas met al hul skryfbehoeftes en benodighede vir graad 1. Hulle verskaf dit sodat die kinders op gelyke voet met die ander kinders (nuwe klere en skooltas, ens.) in die skool kan ingaan. Hulle laat ook skoolgereedheidstoetse doen.

Kospakkies: Die projek sluit gewoonlik aan die einde van November, wat beteken dat die kinders vir minstens 6 weke geen kos vanaf die projek kry nie. Daarom word ’n basiese kospakkie uitgedeel. Om 50 kospakkies se kos aan te koop, is ’n aansienlike bedrag. Hierdie kospakkies word dan by die kerk gepak en uitgedeel.

Konsert: Die hoogtepunt (of minstens een van die hoogtepunte) van die jaar is altyd die

konsert. Die kinders blom om voor hul ouers op te tree.

Kersboom: Hulle hou elke jaar vir die kinders ’n Kersboom-partytjie. Hulle maak daarvoor self kersgeskenke bymekaar.

Mamma-dag: Die mamma-dag is ’n jaarlikse instelling waartydens die mammas opgelei word in ’n aspek van hul kinders se opvoeding, bv hoe om gewone huishoudelike afval te gebruik vir stimulering of hoe om met hulle te speel.

Vervoer: Sedert Januarie 2016 word die kinders deur Solly Phule vervoer. Die vervoerkoste is altyd die grootste finansiële uitdaging.

Hoe kan jy help? Help kosmaak 1 x in ’n kwartaal, Skenk artikels vir kospakkies, Help met die stimulering, Borg ’n kind se busgeld vir ’n maand @ R350, Gee vir hulle ’n donasie van die bedrag van jou keuse.

Gaan kyk asseblief na die projek op Facebook: G-om projek in Rustenburg. Kom raak betrokke! Jy sal verbaas wees oor hoeveel dit jou verander ..... G-om is ’n geregistreerde NPO en Artikel 18A organisasie, wat jaarliks ge-oudit word.

## Careful who you trust

**RUSTENBURG HERALD - RUSTENBURG - The World Health Organisation (WHO) in collaboration with authoritative health organisations in the USA and South Africa amongst others, have found traditional printed and electronic (radio and TV) media to be much more reliable and informed compared to social media platforms around the globe.**

The WHO used two specific examples to prove its findings. In the first study conducted in the USA on the break-out of the dreaded measles disease in certain areas in the recent past, information circulated by the printed and electronic media was found to be much more reliable than its counterparts on social media platforms. The latter was often found to be unreliable and misleading. In the second instance exactly the same pattern repeated itself with regard to unfounded speculation amongst South African citizens that autism in children was primarily caused by certain vaccinations, as reported by social media platforms.

## Smallholding robber sentenced

Warrant Officer Thembela Molete.

**RUSTENBURG HERALD – RUSTENBURG** – Ishmael Refilwe Seitlamo (26) was sentenced by the Rustenburg Magistrates Court to a three year direct imprisonment on Tuesday (11 February) for robbery.

According to Sergeant Ofentse Mokgadi, police spokesperson in Rustenburg, Seitlamo’s arrest came after he robbed a small holding (Plot 164) in Waterkloof late last year.

Information available at this stage suggests that Seitlamo gained entry to the premises through the roof while it appeared as if no one was there.

He took clothes and an undisclosed amount of cash but while inside the premises one of the residents came back and caught him red handed in the act and handed him to the police.

The case was then assigned to Warrant Officer Thembela Molete who through intensive investigation managed to secure a speedy conviction.

Brigadier Modise and station management applauded Warrant Officer Molete for the sterling work done is securing the sentence. She reiterated that crimes on small holdings will not be tolerated and the police will leave no stone unturned in bringing perpetrators to book.

## Restless Legs - Success stories

**RUSTENBURG HERALD – RUSTENBURG - Restless Legs:**

I noticed an inability to relax my legs from when I was about 11 years old. As the years went by it progressively become more intense. It would feel like my leg muscles were about to spasm coupled with a creeping sensation, horrible.

Quite a few years ago I started taking Instant Calmag C every night as part of my move towards being a healthier me (not as a treatment for RSL). To my utter amazement my RLS completely disappeared. (CB – Benoni)

Since young I suffered from Restless Legs and only recently my mom introduced me to Instant Calmag C. I have been using the Instant Calmag C for 3 months now and I don't know of any sore legs or Restless Legs. (EL – Meyerton)

**Pain Relief:**

I am a 70-year-old lady that is staying in Soweto and still doing my own housework. I couldn't walk properly and couldn't sleep for many years. My daughter introduced me to the Instant Calmag C. Now for the first time I can sleep and walk again and the pain is much less than before!

(EM – Soweto)

I have been taking your Instant Calmag C now for the past 5 months. Boy, does it work! I had aches in my joints, hands and back and couldn't sleep because of that! Thanks very much for your excellent service and product. (OL – Sunninghill)

**Cramps:**

I am a cyclist and started to use the Instant Calmag C now for the past 2 years. Eversince I started to use the Instant Calmag C I don't cramps at all anymore while cycling.(VR)

**Anxiety Attacks:**

I have a problem with anxiety attacks. It comes and goes but when I do get it, it stays for about a week where I cannot breath and therefore cannot sleep even my lips go numb. I started Instant Calmag C and within a few minutes of taking it, you can feel the breathing is calmer and I gasp less and less for air and eventually I am able to sleep. (TG Pretoria)

**Ideal Combination And Great Prices:**

“I find your vitamins and the CalMag-C to be the ideal combination at a fantastic price!

I've experimented with various vitamin ranges, some of which are extremely expensive because of their 'scientific' manufacture. However, none of them do any more than what your vitamins and CalMag-C do for me.Thanks for a great quality product that is well priced!” (BvS Seapoint)

## Rolprentmagnaat tronk toe oor seksdade

**RUSTENBURG HERALD - NEW YORK** - Die Amerikaanse rolprentmagnaat - Harvey Weinstein is Maandag summier gearresteer en direk tronk toe gestuur nadat hy skuldig bevind is op twee aanklagte van onsedelike aanranding en ‘n misdadige seksdaad met minstens twee vroue.

Weinstein het aanvanklik tereggestaan op vier aanklagte maar is op slegs twee aanklagte skuldig bevind.

Hy is onskuldig bevind op twee alternatiewe aanklagtes.

Talle internasionaal-bekende rolprentsterre van Hollywood waaronder verskeie

modelle het in die saak na vore gekom in die sogenaamde “Me Too” skandaal waarin vroue getuig het hoe hulle met verloop van jare seksueel misbruik, afgepers en voorberei is om seksuele gunsies te doen vir die man wat ‘n legende in Hollywood geword het, in ruil vir rolle in

vooraanstaande rolprente. Weinstein was op sy dag (tot relatief onlangs) saam met sy broer Bob Weinstein, ‘n direkteur van sekerlik die wêreld se toonaangewendste “casting agency” (rolvertolkingsagentskap) in Hollywood en het skouer-aan-skouer met die grootste rolprentregisseurs van die internasionale rolprentwêreld gewerk.

Dit is nie bekend vir hoe lank Weinstein in die tronk sal wees en of hy binnekort ‘n “finale” vonnis opgelê sal word nie.

# Die Wildehonde en die Voortrekkerwapen

RUSTENBURG HERALD - RUSTENBURG - "Op Maandag, 24 Februarie het die graad 6-Wildehondspan geleer van die Voortrekkerwapen.

Die brandende fakkel simboliseer die lig wat ons Voortrekkers is vir ander en dit help ons om Koers te hou op 'n donker pad. Ons leuse "Hou Koers" leer ons dat ons rigtingvas volgens vaste beginsels vorentoe beweeg. Die voorwiel bepaal die rigting net soos ons Voortrekkers opstaan en rigting gee aan ander. En die 10 speke is vir ons 10 Voortrekkerkodes. Die kinders het dit vrelik geniet en speel-speel-eet lekker geleer. Dankie Michelle vir foto's en inligting. Kontak Carien vir inligting oor die Voortrekkers by 073 192 8850".

## Magalieskruin Voortrekkers skop hul Bybel90-projek af

RUSTENBURG HERALD - RUSTENBURG - "In 2020 is die Bybel 90 jaar al in Afrikaans beskikbaar en ons sien uit na die nuutste weergawe wat later in die jaar beskikbaar gestel gaan word.

Ons by Magalieskruin, gaan 'n projek loods waar ons R5de bymekaar maak om Bybels aan te koop vir verspreiding. Ons het op Vrydag 21 Februarie by NG Moedergemeente bymekaar gekom en ook na die kleurrike geskiedenis geluister van hierdie oudste kerk in Rustenburg. Ons het ook vir die pret oliebolle ("doughnuts") versier".

# ‘Oumanne’ het toe nog sommer baie skop

deur Christelle van Rooyen-Wessels

**RUSTENBURG HERALD - RUSTENBURG -** Wat sommer net begin het as ‘n doodgewone rugbywedstryd, het eindelijk uitgedraai as ‘n grootse poging van Rustenburgers om Jaco Fourie by te staan.

Die saadjie vir die fondsinsamelingsprojek is deur Reon van der Merwe, ‘n oudleerder van Bergsig en deesdae Kapenaar, geplant en van daar af het dit wortel geskied en toe welig aan die groei gegaan - tot só mate dat verskeie Springbokrugbyspelers hul steun aan die dag verleun het. Selfs Leon Schuster het ‘n video ter ondersteuning van die dag gestuur. Die resultaat was ‘n opkoms Saterdagmiddag (22 Februarie) vir die wedstryd tussen Bergsig Akademie en Rustenburg Hoërskool se Oumanne’ wat die wildste verwagtinge oortref het - meer as 4500 toeskouers het opgedaag. Maar net omdat die wedstryd vir ‘n goeie doel was en in goeie gees gespeel is, het nie beteken dat die twee spanne mekaar gespaar het nie. O nee, dié was klipharde rugby met duikslae wat die grond laat dreun het en breekslae wat asem weggeslaan het. Beide spanne het elk twee drieë aangeteken, maar ongelukkig het donderweer veroorsaak dat die wedstryd kort na die aanvang van die tweede helfte gestop is. Maar, alhoewel die wedstryd dus onbeslis geëindig het, was daar ‘n onbetwisde wenner: Jaco Fourie. Na afloop van die wedstryd, wat op Bergsig se velde gespeel is, kon ‘n bedrag van R132 000 aan Jaco oorhandig word.

Almal wat gehelp het om van dié dag ‘n sukses te maak, word hartlik bedank.

## Fibre:Why the hoo-hah?

Dear Editor  
I read the article regarding all the fuss surrounding the fibre connections in last week's Rustenburg Herald.  
And, honestly, I cannot understand why some puritans are throwing their toys. Is it a case that councillors are perhaps stoking this fire? One should then also wonder why these people are so up in arms? And then one remembers that this is South Africa - so many decision-makers have become accustomed to having their palms greased. I'm not implying that their agitation are due to maybe not 'being taken care of' - I'm just thinking out loud. But, whatever the case, I will just be glad to have fibre. Because I really do not want to live in the Stone Age of Telkom technology; I'm all for moving into the future.  
Fibre Fan, Rustenburg, via email.

## Fibre: Ja, asseblief!

Geagte redakteur  
Ek bly in Safarituine en was verheug toe ek die advertensies sien wat sê dat ons uiteindelik 'Fibre'-tegnologie gaan kry.  
Toe moet ek in verlede week se Herald lees dat die installasie gestop word omdat daar 'n groepie mense is wat kerm oor die pale. Liewe aarde, is dit lekker daar op jul Planeet Terug-op-die-brug? Ek het met baie van my bure en vriende gesels en deur die bank is die gevoel dat enige fibre beter is as geen fibre nie. Hopelik word die kermkouse se klagtes vinnig bygelê sodat hulle kan ophou om remskoene teen vooruitgang te wees.

## Dankie Rustenburg Herald vir hulp

*Die redaksie by Rustenburg Herald kon die versoeking nie weerstaan om ook hierdie briefie in vandeeweek se briewekolom te plaas nie. Dit is geskryf deur Wanja Bezuidenhout - dogter van die Rustenburger Marius Bezuidenhout wat in Desember 2019 'n heupvervanging ondergaan het nadat hy vir maande in pyn geleef het en nie kon werk nie. Talle Samaritane in die Rustenburg-gemeenskap het saamgespan om geld in te samel en Marius se operasie in 'n Rustenburgse hospitaal moontlik te maak... Rustenburg Herald probeer nou help om vir Marius 'n werk te vind. Ons is seker dit sal mense ontroer...*  
Dankie Rustenburg Herald vir hulp  
Waldie - jy is 'n engel. Ek het vanoggend vir my pa gesê ek het gisteraand lank gebid dat die Here aan menses daar buite se harte werk om vir hom 'n werkjie te kry. En ek het vanoggend wakker geword met die warm gevoel in my hart dat hy ietsie gaan kry. Hy sal vir hom 'n werkjie gee - van iemand en wanneer hy dit die minste verwag. Die Here is so goed vir sy kinders. Ek en my pa kan getuig. Kyk wat het hy gedoen vir ons van die operasie se tyd af. My pa-hulle het (as ek so 'n bietjie uit die huis uit kan praat) nie veel op hulle name nie. Nie eers om vir hulle kos te kan koop nie en tog eet hulle elke dag. Al is dit deur mense wat vir hulle kos maak, of mense wat donasies gee, of die kerk wat hulle help. Jy sal nooit kan verstaan hoe baie julle en veral jy ons gehelp het nie. Jy is een van die engele hier tussen ons mense wat die Here gebruik om Sy kinders te help. Ek dank Hom vir mense soos jy. Weer eens baie, baie dankie vir al jou hulp. (Ek het my pa gebel na jou epos vanoggend en hy het so gehuil. Hy net gesê ek moet vir jou ook sê baie dankie uit sy hart uit). Wanja

## Marius wil weer werk

Die Redakteur  
Die gesin van Marius Bezuidenhout, 'n Rustenburgse inwoner wat laat verlede jaar danksy die ondersteuning van die Rustenburg-gemeenskap 'n heupvervanging ondergaan het, is innig dankbaar en erkentlik teenoor almal in die hele Rustenburg-gemeenskap wat Marius deur etlike maande van pyn en lyding ondersteun het. Die meeste mense weet sekerlik teen hierdie tyd dat Marius se operasie 'n groot sukses was en dat hy weer volstoom op die been en aan die gang is. Maar ledigheid is die duivel se oorkussing, nie waar nie?

Die Bezuidenhout-gesin verneem graag of daar nie 'n sake-onderneming, 'n privaat-sakeman of dergliks is wat Marius kan help om 'n werkjie te kry en sy plek in die lewe vol te staan nie. Marius se hande staan werklik vir niks verkeerd nie, benewens die feit dat hy 'n gekwalifiseerde elektriëniër is, kan Marius jou ook help om as plaasvoorman vooruit te boer, of 'n ogie oor jou sakebedrywighede of jou eiendom te hou. Marius is geesdriftig oor die lewe en dankbaar vir die tweede kans wat hy gegun is. As jy op soek is na iemand wat jy kan vertrou, op wie jy kan staatmaak en wat vir jou bedrywighede 'n groot aanwinst kan wees, laat gerus van jou hoor. Jy mag dalk nooit jou geluk glo nie! Skryf asb aan wanjab@bmgworld.net  
Werkesel

Marius kort na sy operasie in Desember verlede jaar. Marius is nou weer volstoom op die "heup"...

Anyway, I trust our Councillor and his colleagues to see to it that we get the kind of service that we deserve. Thank heavens that for once, residents in our town took hands and united on something that was wrong from the outset.

### Hoe lank sal hoop ons dra?

Met 'n demokrasie van nou net meer as 26 jaar waarin dinge grootliks afdraend geloop het, het Suid-Afrikaners die afgelope paar jaar begin gryp na skynbaar enige strooihalp op die horison. Soos die oumense gesê het - die hoop wil maar net nie beskaam nie nê? En dit is 'n goeie ding - as 'n mens eers hoop verloor het, is daar seker nie meer veel wat jou nog kan teleurstel nie... Ons onthou goed - toe Cyril Ramaphosa in Desember 2017 tot president van die ANC en Suid-Afrika verkies is, het Suid-Afrikaners in hul massas gejubel en wyd en syd verkondig dat die gety begin draai het en dat die nuwe president hierdie land van totale ondergang gaan red. Die nuwe woord Ramaforia ("Ramaphoria") het trouens sy ontstaan aan dié nuwe, positiewe gesindheid in die land te danke. Maar helaas, diegene van ons wat gehoop het dat ons land oornag skielik gaan verander en dat alles wat vir so lank verkeerd was nou ewe skielik klopdisselboom gaan wees, het daar weer eens maar net 'n teleurstelling gewag. Feitlik die enigste wesenlike verskil tussen die Zuma-era en die nuwe tyd wat sy opvolger ingelui het, was maar net dat ons president nou 'n ander naam het. Wat betref uiters belangrike kwessies soos werkloosheid, misdad, 'n struikelende ekonomie, 'n sukkelende rand, die agteruitgang van ons infrastruktuur en die kultuur van wetteloos- en straffeloosheid, het net maar niks verander nie! Toe dinge geblyk het maar net voort te strompel, het daar 'n klompie maande later weer nuwe hoop in die vorm van adv Shamila Batohi (nuwe direkteur van die Nasionale Vervolgingsgesag) in die verte begin wink en weer eens het Suid-Afrika se mense gereken hier is 'n omwenteling aan die kom. 'n Klompie koppe het gerol, uiteraard dié van Shawn Abrahams, dié van Tom Mojane, (met of sonder Batohi se "ingryping") en ander soos dié van Des van Rooyen, Lynn Brown en Faith Muthambi in die soveelste kabinetskommeling, maar helaas, hoe meer dinge verander het, hoe meer het dit dieselfde gebly. Net meer as twee maande gelede het Suid-Afrikaners jou werklikwaar begin gryp na 'n wêreldbeker rugby-oorwinning wat kwansuis ons land sou verander. Die meeste van ons weet teen hierdie tyd dat ook dit ydele hoop was. Nou is die vraag: Is daar hoegenaamd enigiets wat ons land kan verander? 'n Mens is geneig om te sê "ja, 'n nuwe regering en 'n nuwe regerende party!" En in hierdie geval is die dilemma selfs nog groter - 'n mens wil nie eers aan die moontlikhede en die gevolge daarvan begin dink nie. Miskien is dit tyd vir 'n nuwe stokperdjie...

### Just how long will hope carry us?

In the history of our democracy of 26 years in which just about everything has gone awry, South Africans have begun to cling to all kinds of things to desperately hang on to hope. Almost anything that will make the ugly truths of present developments disappear, would suffice. At first, in December 2017 there was the election of Cyril Ramaphosa as new President of the ANC and of the country that was hoped to bring about widespread change. Yes, hope was one of the few things we could still afford at the time. The term Ramaphoria incidentally, was a direct result of the excitement following the appointment of the new President and just about everything else that clearly yelled out that change was inevitable. But sadly no, barely anything has changed since the demise of the Zuma era. In fact, as far as unemployment, crime, a struggling economy, a suffering rand, the general decline of our infrastructure and various forms of ill-discipline and lawlessness, things rather seemed to have taken a turn for the worst. Not too long after this, the new hero on the beach and a sparkling beacon of hope turned up in the form of the new Director of the National Prosecuting Authority - Adv Shamila Batohi. Apart from a few heads that were sent rolling, obviously those of Shawn Abrahams, followed by Tom Moyane (with or without the intervention of Batohi) and others such as Des van Rooyen, Lynn Brown, Faith Muthambi and quite a few other Zuma loyalists during the umpteenth shuffling of Cabinet, alas, the more things changed, the more they seemed to remain the same. So desperate was South Africans for hope and change, that the country's brilliant victory in the 2019 World Cup Rugby tournament momentarily sparked new hope that this time the country was about to unite and to change for the better. Indeed, has history taught us nothing?  
Now, in only the second month of the new year the question that remains, is: "Is there anything at all that would bring about change in this country?" One is tempted to say "yes, a new ruling party and a new government of course". Sadly, such a scenerio only calls for even more confusion and distress... Perhaps the best advice would be: Take up a new hobby, live life to the full for as long as possible and don't even think about politics.

# Liefdesuitreik na Skool vir Buitengewone Onderwys

**RUSTENBURG HERALD - RUSTENBURG - Vir Valentynsdag het NG Proteapark hande gevat met Skool vir Buitengewone Onderwys in Rustenburg.**

Lidmate van die kerk en lede van Projek Lea (die kerk se uitreikprogram), het 'n liefdesuitreik by die skool gehou.

Die kinders het mooi in rooi aangetrek vir die dag en opgewonde modeparade gehou.

Die span van NG Proteapark wat by Rustenburg Skool vir Buitengewone Onderwys gaan kuier het, is van links: Elize Bosman, Christel Herbst, Annelie de Kock, Rina van Rensburg, Lola Jansen van Rensburg, ds Willem Pretorius en voor sit Susan Coetzee (Refinement Clinic) saam met klein Renicé de Kock.

Daarna is heerlike kolwyntjies, pakkies skyfies en sap uitgedeel waar die kinders op komberse onder die bome piekniek gehou het. Christel Herbst, bemakingsbeampte van NG Proteapark, sê: "Dit was 'n absolute

voorreg om saam met hierdie kinders te kon kuier, ons het ons harte daar verloor. Die liefde by die skool tussen die personeel en kinders kan dadelik aangevoel word. Dankie aan Hannaliza Swart, 'n personeelid van die skool, wat ons genader het om liefde te kom gee." Na afloop van die piekniek het elke

kind, ouer en personeelid 'n Bybel ontvang. Die dankbaarheid op elke gesig kan mens nie in woorde beskryf nie. Hannaliza vertel: "die kinders was so bly oor hul Bybels, party wou nie neersit nie, hulle het dit vasgeklou en ander na my toe gekom en gesê, juffrou, ek het n Bybel gekry!"

Mnr en Mej Valentyn is in die junior en senior kategorie aangewys. Op die foto van links is: Olesego Jeffreys (snr mnr Valentyn), Lamar Winters (skoolhoof), Susan Coetzee (Refinement Clinic), Christel Herbst (NG Proteapark). Voor op die stoele sit: Kudakwashe Muringwe (Jnr Mnr Valentyn), Monique Botha (jnr Mej Valentyn) en Megan Botha (Snr Mej Valentyn)

Die kinders by die skool was van vroeg af opgewonde oor hul dag wat voorlê.

## Rutanang Primary inaugurates leaders

**RUSTENBURG HERALD - RUSTENBURG – The Principal of Rutanang Primary Enrichment Centre prides himself with his parents for their selfless support to the school business, which includes exposing learners to other developmental activities like leadership.**

The school invited parents of all the leaders to bless and support the most special event held on 24 February, where all the 2020 leaders were inaugurated. The principal expressed his gratitude to his sub-committees for their commitment in their work.

The Leaders sub-committee is under the leadership of Mr Kedige who is a sport fanatic in the school. “Our Deputy Principal

Mr Modisaotsile Melato is thrilled with his sub-committees,” said the school. Mr Pila could not express his ecstatic feeling about his staff members. “The Head girl Mokejane Kitso and Head boy Keabetswe Tau and the rest of the leadership are promised space to advise the principal on the entire school activities in order to improve the conducive environment for effective learning and teaching,” said principal Pila.

RUSTENBURG HERALD – RUSTENBURG - Prince Gopolang Mabetha was born in Phokeng, Masosobane Section. After completing his matric in 2008, he went back to his previous school, Tlhabane Technical and Commercial High School to tutor Mathematics free of charge for a period of one year. He was then recruited by the Bafokeng Mathematics Incurable Virus (MIV) and worked with them for another year teaching in Rustenburg Schools.

“I went to University of Johannesburg to study Accounting for three years and I was placed to work at Lebone College of the Royal Bafokeng teaching Accounting and Mathematics until I decided to start my own business in the education sector,” said Mabetha in a statement.

Matheba opened Kitso Ke Bokamoso in 2016 with about four children enrolled under the program. And now the program has about 80 children registered and employs five student teachers with the office running in Rustenburg and aftercare running in Phokeng and Rustenburg town. ## Bulls still without a win Sharks sparkle Stormers on fire

**RUSTENBURG HERALD – RUSTENBURG - Four of the five South African conference teams were in action the past weekend.**  
The Sharks put on a sparkling display and the Stormers kept steady on the winning trail. But the Bulls suffered yet another defeat while the Jaguares fell prey to the Stormers. The Emirates Lions had the weekend off.  
Springbok wing Makazole Mapimpi gave a dazzling display and scored two tries as he helped the Cell C Sharks to a splendid 36-24 triumph over the Rebels on Saturday in Ballarat.

The Durban side led 22-10 at half-time and despite playing with 13 men at one stage in the second half, they still managed to score a convincing win over the Melbourne outfit for a second success Down Under. Hooker Kerron van Vuuren (dangerous tackle) and wing Madosh Tambwe (repeated team offence) were the visiting players who spent time in the sin bin. The visitors scored through Mapimpi (2), André Esterhuizen, Madosh Tambwe and Curwin Bosch. Bosch also slotted four conversions and a penalty goal. The DHL Stormers clinched their fourth consecutive Vodacom Super Rugby win of the season on Saturday afternoon as they defeated the Jaguares 17-7 at a damp DHL Newlands Stadium. Flyhalf Damian Willemse scored the only points of the first half compliments of a penalty goal which gave the hosts a slender 3-0 lead at the break. The first half saw a huge forward tussle between the two teams, however, the second half erupted into action when the DHL Stormers scored two tries in quick succession. Springbok scrumhalf Herschel Jantjies showed his pace as he raced away for a try under the posts, while midfielder Ruhan Nel – who was last week's try scoring hero in Johannesburg - found a gap in the visitors' defence to dive over for the second try.

A late penalty goal by Blues flyhalf Otere Black secured the Kiwi-side a last-gasp 23-21 victory against the Vodacom Bulls at Loftus Versfeld on Saturday evening, keeping the home side winless in the competition. The men from Pretoria held an 11-8 lead at the break and led by a single point with minutes to go before conceding a costly penalty, which allowed the visitors to snatch victory from their grasp. The defeat marked the Vodacom Bulls' third loss in as many games, and as a result they are rooted at the foot of the South African Conference standings. Log The DHL Stormers increased their league tally to 17 for a five-point lead over the Cell C Sharks (12) on the South African Conference log table. The Jaguares slipped to third place (10) and they are followed by the Emirates Lions (5) and Vodacom Bulls (0).
