# Rusties se koor bring lig

**RUSTENBURG HERALD - RUSTENBURG - “When you try your best but you don’t succeed.**

When you get what you want but not what you need. When you feel so tired but you can’t sleep...”

Voel baie van ons nie na die inperking só nie?

Die koor van Hoërskool Rustenburg se weergawe van Coldplay se “Fix you” sal jou kan oortuig dat daar lig aan die einde van die tunnel is. Verlede jaar het die koor die land aan die gons gehad met hul weergawe van Queen se Bohemian Rhapsody - en dié keer tref hulle weer die kol. Ralf Schmitt, wat die Ndlovu Youth Choir na wêreldbekendheid geneem het, was agter die verwerking, met Madeleen Koch en Lize Meyer wat die koor afgerig en afgerond het. Die twee uitstekende soliste is Rialet Visser en Shakira Peach.

# Wian van Vuuren: Show you care

Wian van Vuuren (Photo: Supplied)

## RUSTENBURG HERALD - RUSTENBURG - Depression, anxiety and suicide are all very real.

For Wian van Vuuren, a seemingly normal teenager, the slow invisible punches to his emotions became too much. The 15-year-

old decided to take off his glasses and then threw himself off the second floor of a school building on 7 September 2020.

Our community is shocked and in distress; everyone wants to know why?

There is no one, simple answer. Depression and anxiety that leads to self-harm and suicide are silent. You need to look hard and deep to try to understand why, very often, teens are unwilling to share due to the stigma around these conditions. Apart from feeling shame because of their emotional state, people suffering from depression and anxiety feel that no one will understand. Their feelings hurt to such an extent that nothing makes sense. And in this state you tend to forget how to make even the most normal decision. After what happened to young Wian, a group of parents from the school he attends reached out to his mother, Marietjie, to help her to get through this. Marietjie spoke to one of the mothers in the group, Christa Göttwaldt, about her son.

"Wian sustained severe internal injuries, as well as a broken pelvis, but more important than anything else is that he survived. Wian

got a second chance. We got to hit the re-set button," she told Christa. Marietjie described her son as a gentleman, but more than that, being a 'gentle man'. "He is sensitive and has a quiet nature. He has a wicked sense of humor, but do not open up to many people. Therefore he has very few friends." Marietjie tells that Wian loves playing the PC game Minecraft and has Legos by the dozens. "As with all teenagers, he has been a bit 'meh' for a while, but nothing that really alarmed me or warned me to what would happen on that dreadful Monday. I'm sure that it was not planned, it just happened." Wian is one of the top academic performers in his class. Marietjie is a single mother and medical incurred costs, as well as the forthcoming rehabilitation will need to be covered. "We urge our community to show they care and to take hands and assist us in raising funds for Wian's rehabilitation," asks Christa. She adds that, when Wian regains consciousness, those around him must band together to make him understand that he is loved dearly and that he has everything to live for. "We must show him that his life has a purpose; that there is a good reason why he survived." His mom says that, according to his doctors, Wian's condition is currently stable. Late on Tuesday afternoon Marietjie said that Wian has gained consciousness and that he was taken off the ventilator. "He is still very confused and remembers nothing. We were able to talk a little bit," she said. A trust account has been created and managed by Claasens de Wet Attorneys in Rustenburg. The details are: Wian van Vuuren Hulpfonds : ABSA BANK : 4051527043 BRANCH CODE 632 005 : REF CW0298 . Learners from his school has started the #bidvirwian tag on Instagram, and he has been receiving messages of well wishes and hope for his full recovery. You can also view the tags by donors to Wian's cause by following the same link.

## Firearm amnesty period extended once again

RUSTENBURG HERALD - RUSTENBURG - South African firearm owners who might find themselves in possession of unwanted, unlicensed or illegal firearms or who might similarly have illegal ammunition of firearm parts in the possession, are once again reminded that the South African Minister of Police, Bheki Chele, has announced yet another extension of the firearm amnesty period from 1 August 2020 to 31 January 2021.

During this time, owners of unwanted firearms such as firearms of which the licences have expired, are invited to hand in these firearms at their nearest police station without any fear of prosecution. The Firearm Licensing unit of the Rustenburg Police, advises the Rustenburg public not to wait until the proverbial no 99 before they bring these firearms in to the police. Anyone in need of clarification or more information, is welcome to contact Capt Joey von Beneke on 014 590 4148/9 or 014 590 4164/24.

## Skelm wat met Rustenburger se identiteit kul, gevang

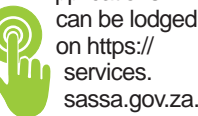

RUSTENBURG HERALD - RUSTENBURG - 'n Raps oor drie jaar gelede het 'n Rustenburgse man sy ID-boekie verloor.

En dit het die deur na baie drama geopen. Want 'n swendelaar het die besonderhede bekom en kort voor lank was Victor Botha se lewe in chaos. Victor kon nie krediet kry nie, en hy is boonop op verskeie plekke as 'n swendelaar gerapporteer. Die man wat vermoedelik Victor se identiteit gesteel het, Marius Smit, is eindelik in Julie vanjaar vasgetrek. Smit het vir baie lank glo mense bewimpel en besteel. Hy het nie net identiteite gesteel nie, hy het ook Facebook-profiel gekloon om goedgelowiges om die bos te lei. Dit word beraam dat Smit (26) etlike miljoene rande met sy slenters gesteel het. Hy was grotendeels bedrywig op webwerwe en sosiale mediagroep waar voertuie te koop aangebied word. Leon Rossouw, wat tans in Rustenburg is om die Edna en Blanche Piercy-sake te ondersoek, was instrumenteel in die proses om Smit vas te trek. Hy verneem toe van Victor se penarie en probeer hom nou help om uit die gemors waarin Smit hom laat beland het, te kom. Smit verskyn weer in Oktober in Bloemfontein in die hof.

## SASSA online grant application portal launched

RUSTENBURG HERALD - RUSTENBURG - Social grant applicants can now skip long queues thanks to the new South African Social Security Agency (SASSA) online portal launched on Monday (14 September).

SASSA said for now, the pilot project will cover Child Support, Older Persons and Foster Child grants. They said the move will provide much-needed relief to grant applicants as it will save them the inconvenience of standing in queues at SASSA offices. "The added advantage is that the convenience of online applications eliminates the risk of being infected with the COVID-19 virus because there will be no need to gather at public places to apply," SASSA added. Applications can be lodged on <https://sassa.gov.za>.

## Cash-in-transit robber caught

RUSTENBURG HERALD - RUSTENBURG - A suspect allegedly involved in an audacious cash-in-transit robbery last year appeared in the Rustenburg Magistrate Court on Monday (14 September).

The suspect was apprehended over the past weekend. In July 2019 heavily armed men forced an armoured vehicle to an halt at the Fatima Bayat and Bosch Streets intersection. The gang used explosives to blow open the safes of the armoured vehicle and then made off with an undisclosed amount of money.

The arrest of the suspect (31) was as a result of a joint operation of the Hawks, National Crime Intelligence, Gauteng Special Law Enforcement, Johannesburg Metro Police, Johannesburg Flying Squad and the National CIT Task Team.

# Level 1: Is it eminent?

**RUSTENBURG HERALD - RUSTENBURG - Watch this space this week.**

Is President Cyril Ramaphosa about to announce a possible move to Level 1?

There is no official word on just what Level 1 will look like, with President Ramaphosa saying the government is considering input from various parts of society, including religious leaders who would like to see worship in groups of more than 50. But widespread and ongoing consultation and lobbying has yielded some hints on what may be in store.

Under the original risk-adjusted strategy proposal, the move from Level 2 to Level 1 would have been significant for the construction industry, which would have been allowed to restart all projects, and for consumers in a number of ways. It would have seen sit-down meals allowed at restaurants for the first time, and would have opened up accommodation for pure leisure. It was also due to allow haircare and other personal services to operate again, and to fully open up retail and e-commerce. Thanks to the gradual relaxation of restrictions during levels 2 and 3, though, not much remains to be unbanned, beyond moving around at night for no good reason and nightclubs.

Both of those are believed to be under discussion, with the likelihood that the national curfew of 22:00 to 04:00 will be dropped – at least on weekdays – and that late-night entertainment will be allowed again, at least on weekdays.

There may be some debate about retaining restrictions on weekends, in line with the policy of banning alcohol sales over weekends, though it is not clear what the justification for such a stance would be. There is likewise rumoured debate around opening South Africa's borders under Level 1, with arguments for doing so centering on the economic benefits, and arguments against including fear of that new strains of Sars-CoV-2 could enter the country along with visitors. More minor changes at Level 1 could include dropping requirement for restaurants to keep records of patrons, which some industry players say are logistically onerous, and allowing spectators at sporting events, as long as they remain distant from one another. Not expected to change are mask rules – or the power of the state to rule by decree. The national state of disaster, which provides the framework within which Coronavirus rules are made, has just been extended to 15 October.

## Boshoek-boer bekommerd oor inbrake, misdaad op “plaasdorpie”

Waldie Volschenk

**RUSTENBURG HERALD - BOSHOEK - Die Boshoek- en Kroondal-omgewings was enkele weke gelede in die nuus toe afsonderlike voorvalle van grondgrype in dié twee landelike omgewings voorgekom het.**

Mnr Jan Hoeksma van Boshoek het aan die Herald vertel dat hy nou al moedeloos is oor die algemene gebrek aan dissipline in die Boshoek-omgewing en hoe wetteloses skynbaar ongestoord toegelaat word om met hul bedrywighede voort te gaan, sonder enige bekommernis oor hoe grondeienaars in die omgewing geraak word.

Sedert die grondgrype-voorval enkele weke gelede op die grond van die voormalige Rustenburgse sakeman, mnr Haroon Waja, het verskeie uiteenlopende voorvalle op sy en op sy bure se eiendom voorgekom waar die eienaars groot skade gely het. Op sy eie grond het mnr Hoeksma in die verlede al telkens vee weens veediefstal verloor en inbrake is 'n gereelde verskynsel.

“Net verlede Dinsdag het ek groot skade gely toe diewe by 'n stoor van my toegeslaan het en gereedskap ter waarde van minstens R30 000 gesteel is”, het mnr Hoeksma gesê. Die ergste van alles is, beweer mnr Hoeksma, dat hy en mede-boere van die omgewing nie op die samewerking van die Phokengse polisie staat kan reken nie.

“Verlede Dinsdag nadat die inbraak by my store ontdek is, het ek verskeie kere met die polisievestiging op Phokeng kontak gemaak om die sake te rapporteer en te vra dat die saak ondersoek word en die skuldiges aan die man gebring word. Ek moet egter telkens hoor daar is nie 'n voertuig of personeel beskikbaar nie, of dat die personeel aan diens my nie kan verstaan nie. Ek sal baie graag met die stasie- of dalk die area-kommissaris in die streek in aanraking wou kom om hierdie en ander sake te bespreek. Tot nou toe het niemand van die Phokengse polisie die moeite gedoen om die toneel te besoek of om met my in verbinding te tree nie”, het mnr Hoeksma aangevoer.

Nog 'n probleem wat elke jaar maar meer onlangs vir die soveelste keer kop uitgesteek het, is dié van veldbrande. Mense in informele nedersettings is geneig om vure te maak en dit kos nie veel van 'n briesie om die vlamme na aangrensende plase te laat verspei nie.

Ek kan persoonlik getuig dat die Noordwes-LUR en 'n Rustenburgse Raadslid op die toneel was en gesien het hoe die veld aan die brand gestee word, maar dat hulle hul onmiddellik uit die voete gemaak het toe hulle opmerk dat ek in hul rigting stap om die voorvalle onder hul aandag te bring.

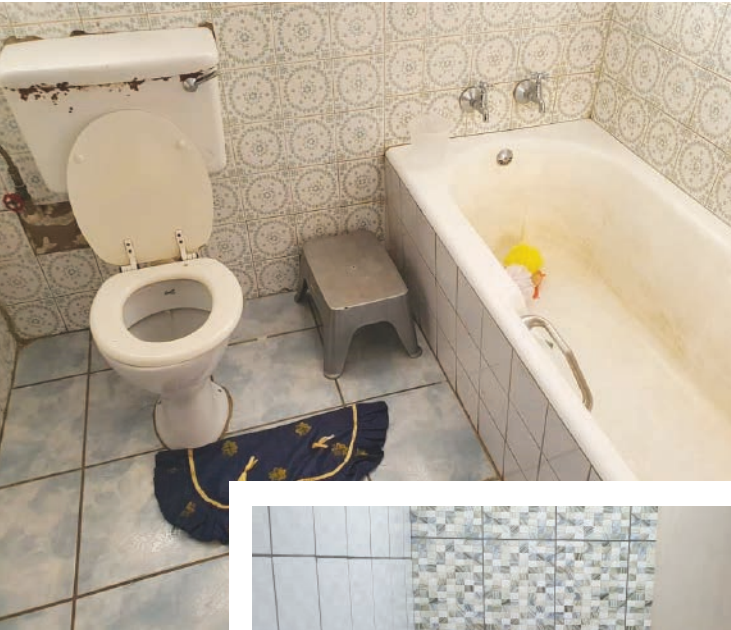

Ons weet nie meer waarheen nie”, het mnr Hoeksma gesê.

**RUSTENBURG HERALD - RUSTENBURG - Die AfriForum-buurtwag in Rustenburg het op 12 September 2020 veiligheidsmonitering by die Departement van Binnelandse Sake gedoen.**

Groot hoeveelhede mense besoek dié Departement op Saterdag en dit het vroeër vanjaar veiligheidsinsidente tot gevolg gehad.

Dié buurtwag het die area van 08:00 tot 14:30 gemoniteer en geen voorval is aangemeld nie.

“Die gemeenskap voel nie veilig wanneer hul dokumente by die Departement gaan afhaal nie. Baie mense beskou die area as uiters onveilig en die groot groepe mense veroorsaak 'n geweldige veiligheidsrisiko.

Dit is veral 'n probleem aangesien baie kinders hul identiteitsdokumente daar moet gaan afhaal.

AfriForum se buurtwag staan egter gereed om mense veilig te hou en is dankbaar dat daar

# Swarm of bees creates havoc

**RUSTENBURG HERALD** - Residents of Rustenburg East, also known as Oos-Einde more especially those living near Dawes and Kobie Avenue were issued a warning this past weekend to take note of a swarm of bees in their area that could have posed a threat to them.

According to Cllr Martha Lerm, residents were asked to stay inside their homes and also keep their pets indoors and out of harm's way. She said this while bee catchers were busy trying to capture the bees. "Please do not spray the bees with anything if you encounter them since they are highly agitated and extremely dangerous," pleaded Lerm. It was reported that at least two people, as well as pets were badly stung at the weekend when the hive was disturbed. Information received is that a woman had been hospitalized while a dog died as a result of being stung by the bees.

# Former K9 building in Coetzer Street looted

A few weeks ago, the Rustenburg Herald published photographs of the former K9 and mounted unit building located in Coetzer Street which was left empty after the unit moved back to Phokeng. The photographs showed the building in the process of being looted and also SAPS as well as the Rustenburg Local Municipality, which apparently owns the building was subsequently contacted and made aware of the activities taking place at the building. This week we went to the building to investigate whether the situation had been taken care of, and to our surprise, everything that had the potential to be looted had been looted. This picture shows what is left after alleged criminals forcefully opened the gate and took everything that they could get their hands on.

# Beware of Nursing Bursary Scam

**RUSTENBURG HERALD - RUSTENBURG** - While the North West Department of Health, through its North West Nursing College has adversed their bursary for a three-year Diploma in Nursing, they would also like to warn applicants to be vigilant of scams doing the rounds here in the North West Province.

They would like to warn communities to avert scamming and fraudulent activities. "Previously, a lot of people have been scammed by fraudsters posing as recruiters of the department. Sadly many aspirant learners have lost money as a result of this. It is therefore important that the community should not accept any information regarding intake of students that requires any payment to be done before the person is considered," the department said. The applicants are advised to personally submit the forms to the college and are advised not to allow anybody to collect forms on their behalf using the name of the college.

The Department does not sell application forms nor does the Department expect learners to pay for the bursary or placement at the college.

# Rustenburg's own Miss Deaf South Africa Finalist 2020

Erika van Wyk.

**RUSTENBURG HERALD - RUSTENBURG - Erika van Wyk (MDS02), 22 years of age and currently living in Rustenburg North West and is a Miss Deaf South Africa 2020 finalist and want to remind everyone that it's Deaf and Hearing Impaired Awareness Month and to support the deaf community and to be considering towards them.**

She was born deaf but her mom only realised it and got it confirmed by the age of three and in that year she got her first hearing aid. A whole new world opened for her as there was suddenly a new world full of sound. She could not speak at all and her grandfather gave her the nickname "Zettie". But the audiologist told her parents she need to learn to speak by undergoing constant speech therapy. Very soon she could talk and she never kept quiet again

and she wants to use her voice to get more people involved and aware. Being deaf has its advantage: Her advantage is that she learned to lip read at a very small age so no one can gossip, not even her mom. A disadvantages is that people intent to judge you when you are different and loud, but she hopes that through her campaign she can make people more aware that she is no different to them. During this month she would like to also give advice on Deaf

Awareness: Covid-19 made it more difficult to cope with being deaf so remember, you can hear with your ears and she can hear with her eyes, speak clearly not too slowly, and use normal lip movements, facial expressions and gestures, don't shout, keep your voice down: It's uncomfortable for a hearing aid user if you shout, please have patience when someone can't hear you.

If you would like to follow her journey please go and like her Facebook Page: Erika van Wyk Miss Deaf South Africa Finalist 2020 or if you would like to vote for her you can sent a SMS with the word MDS02 to 47439, SMS charged at R3.

## Funeral undertakers embark on strike

**RUSTENBURG HERALD - RUSTENBURG - The national department of Health has expressed concern over a planned strike by a group of funeral parlours.**

The funeral undertakers are threatening to stop the collection of human remains from private and public health facilities due to alleged unfair practices.

According to Popo Maja, spokesperson of the national department of

Health, the department arranged several meetings - two virtual meetings in August and one physical at the beginning of September. Maya added that these meetings were as a result of an open letter by the National Funeral Practitioners of Association of South Africa. The spokesperson further added that the Department would like to emphasize that:

\* All funeral undertakers and mortuary premises used in connection with the preparation, storage and preservation of human remains must be in possession of a valid certificate of competence issued by the relevant local authority.

\* Environmental Health Practitioners are and will continue to conduct inspections in all funeral undertakers' premises in the country to check compliance to the Regulations. Legal

action will be taken against owners of premises found to be in contravention.

\* Family members are urged to check the legitimacy of the undertakers and agents being utilized for overall management of the burial of their loved ones to ensure proper tracking and tracing and that the handling of the remains is done with dignity and within the law.

\* Environmental Health Practitioners in District and/or Metropolitan Municipalities can be contacted for assistance on any issues relating to the management of human remains and for advice to ensure compliance to the Regulations.

Maya said the department call upon members of the public to report any illegal operations to ensure the public can be protected from potential risks and the spread of communicable diseases as a result of poor management of human remains. "We will not allow non-compliance to legislation in this sensitive area. The Department of Health is willing to continue with talks with the funeral parlour sector to come to an amicable

## DA heading for court on sewerage spill issue

**RUSTENBURG HERALD - RUSTENBURG - The Democratic Alliance (DA) has laid charges against the Rustenburg Local Municipality for neglecting to fix raw sewage at Savanna Falls Estates sewerage station.**

The sewage is being pumped into an open trench along the main road and the storm water system. Following several complaints from community members, the DA conducted an oversight inspection, upon investigation, the DA found that raw sewage was pumped into an open trench and running into the storm water system and also making its way into dams that are used for irrigation and fishing by the Agricultural Research Council (ARC). Please see photos here, here and here.

"The SAPS in conjunction with the Department of Environmental Affairs will investigate our complaint and after finalising the investigation the Public Prosecuting Authority will pursue criminal charges against individuals who are responsible for the raw sewage that is being pumped", Cllr Gert du Plessis of the DA said.

"The DA has on several occasions reported this sewage disaster to Rustenburg

Local Municipality and despite promises by the Director for Directorate Technical and Infrastructure, the sewage problem is overflowing and polluting the dam water and area.

The lack of urgency from the municipality to deal with this problem shows that they are not concerned with the well-being and health of residents and the environment", Du Plessis said.

The sewage disaster is a health risk to residents and animals residing near the river, while it also causes an unbearable stench making it hard for residents to go about their daily lives. The DA will continue to put pressure on the municipality and relevant departments to resolve the sewage disaster and to initiate the restoration process of the ARC dams before the health and well-being of residents is compromised", Du Plessis concluded.

## Solidariteit dringend hof toe oor Barloworld se afleggings gebaseer op ras

**RUSTENBURG HERALD - JOHANNESBURG -** Solidariteit het vandag aangekondig dat hy 'n dringende aansoek tot die arbeidshof sal bring om onregverdige afleggings deur Barloworld Equipment Suid-Afrika te stuit.

Dit volg nadat Barloworld vanaf 17 Augustus 'n kennis van die beëindiging van indiensnemingskontrakte aan geselekteerde werknemers gestuur het. Volgens die seleksiekriteria van Barloworld se afleggingsproses, speel ras 'n pertinente rol in die oorweging van werknemers vir aflegging en word dit selfs bo die aantal jare diens van 'n werknemer gestel.

Daar is ook geen behoorlike konsultasieproses gevolg oor die seleksiekriteria nie en geen vakbond, werknemer of verteenwoordiger is by die samestelling van dié kriteria betrek nie. Dit het ook aan die lig gekom dat daar voortgegaan is met die proses om werknemers af te lê ten spyte daarvan dat daar tans verskeie poste by die maatskappy vakant is.

"Dit is skokkend dat 'n maatskappy só teen lojale werkers met jarelange diens kan diskrimineer. Swart werkers word ooglopend deur die prosesse bevoordeel ten koste van hul wit, bruin en Indiër kollegas wat langer by die maatskappy werksaam is," sê Willie Venter, adjunkhoofsekretaris van metaal- en ingenieurswese by Solidariteit.

Solidariteit voer aan dat die afleggingsproses, soos gevolg deur Barloworld, onregverdig en diskriminerend van aard is en is van mening dat alle afleggings onmiddellik herroep moet word sodat alle betrokke partye tot 'n behoorlike konsultasieproses kan terugkeer om sodoende 'n billike en regverdige uitkoms te bewerkstellig.

"Hierdie optrede van Barloworld is onaanvaarbaar en kan nie net gelate aanvaar word nie. Solidariteit sal alles in sy vermoë doen om die huidige proses te stuit en sal nie toelaat dat maatskappye onbillik optree en rasgebaseerde afleggings maak ten koste van ander lojale werknemers nie," sluit Venter af.

# GAME VS BEEF

Biltong has long been recognised in South Africa as the perfect accompaniment to arduous hunting trips, mountaineering expeditions and sitting through a rugby game. In terms of a health and convenience for those with an active lifestyle biltong has some considerable advantages. Easy to store, lightweight, packed with nutrition and protein it's perfect for long trips that require energy and stamina. In terms of being a healthy choice, biltong is an excellent low fat snack and is versatile enough to be used as a base for soups and stews. When it comes to the choice between game and beef versions of biltong this is, in many cases, one of taste. Nutritionally both versions are an excellent source of protein. The levels of fat in meat is affected by the cut, although wild game is nearly always lower in fat content than beef. Typical values for protein, fat and calorie content for these competing animals is shown below.

Source: [weightlossforumreview.blogspot.com](http://weightlossforumreview.blogspot.com)

## Beef

Probably the best well known biltong outside South Africa this provides, per 25 gram portion, 60 calories, with 1.3 grams of fat and 11.5 grams protein

## Game

Springbok, less well known to non-South Africans, the Springbok is an extremely successful species of antelope, successful in the sense that it has one of the largest growing populations despite being very tasty indeed. Per 25 grams this variety contains 58.5 calories, with 0.2g of fat and 13.3g or protein.

## Ostrich

Classed as game but most commonly sourced from farmed birds, this variety also offers a healthy option - if not for the farmer trying to catch it. Providing 57.3 calories with only 0.6g fat and 12.2g of protein.

Did you know...

Biltong is also an exceptionally rich source of iron, a nutrient that many people around the world are lacking. Although the exact nutrients depend on the specific brand and ingredients, the nutrition profile of a 28-gram serving of beef biltong is Calories: 80 . Why does your body need iron? Iron is an important component of hemoglobin, the substance in red blood cells that carries oxygen from your lungs to transport it throughout your body. Hemoglobin represents about two-thirds of the body's iron. If you don't have enough iron, your body can't make enough healthy oxygen-carrying red blood cells.

## The perfect cut for biltong?

However, biltong is most commonly made today from beef, primarily because of its widespread availability and lower cost relative to game. For the finest cuts, fillet, sirloin, or steaks cut from the hip such as topside or silverside are used. Other cuts can be used, but are not as high in quality.

## Mini cheese and biltong quiches

### Ingredients:

- 2 rolls ready-made shortcrust pastry, defrosted
- 30 ml butter
- 1 large onion, finely chopped
- 100 g thinly shaved or finely chopped biltong
- 3 large eggs
- 375 ml milk or cream or a mixture

### Method:

Preheat oven to 160°C. Roll the pastry out lightly and use a cookie cutter or something similar to cut circles out of the pastry to fit mini quiche or muffin tins. Line the tins with the pastry. Bake blind for 10 minutes. Heat the butter and sauté the onion until soft. Spoon a little into each pastry case. Top with biltong and cheese. Mix the eggs and milk together in a jug. Pour into the pastry cases until they are almost full. Bake in a preheated oven for 12 to 15 minutes or until set.

## DIE VOEDINGSWAARDE VAN BILTONG

Die voedingswaarde van biltong Biltong is 'n gunsteling, eg Suid-Afrikaanse peuselhappie en gewoonlik deel van elke braai- of rugbywedstryd oor 'n naweek. Het jy geweet dat biltong, behalwe dat dit heerlik is, ook goed is vir jou? Ons gesels met dieetkundige, Anke van Waveren oor dié heerlike happie.

“Wanneer daar gekyk word na die voedingswaarde van verskillende voedselsoorte met die oog om dit met mekaar te vergelyk, is dit die maklikste om soortgelyke porsiegroottes, te vergelyk. Die aanbevole porsiegrootte as versnapering vir biltong is 'n ½ koppie, of ongeveer 45g.” Biltong bevat ongeveer 70% proteïene en baie min koolhidrate. As dit by biltong kom, is vet die groot veranderlike. Dit beteken jy kan biltong met baie vet koop of biltong met min vet. As daar baie vet is, gaan daar minder proteïene wees. Die hoeveelheid koolhidrate sal dieselfde wees, want dit kom van die speserye.

Proteïene word gebruik om jou gesond te hou. Jou liggaam gebruik proteïene om boustene te voorsien vir groei en om selle soos in jou spiere, vel en naels te herstel en dit maak ook ensieme en hormone wat belangrike liggaamsfunksies verrig.

“Kreatien word in die lewer gemaak van aminosure en help om die energie wat jou spiere benodig vir alledaagse aktiwiteite te voorsien en gee jou spierkrag tydens oefening. Daar word daagliks ongeveer twee gram kreatien deur urine verloor en ongeveer een gram per dag word in die lewer bymekaar gebring, terwyl nog 'n gram uit die dieet in die vorm van vleis of vis gekry word. Vleis is een van die primêre bronne van kreatien. Volgens Quinnipiac Universiteit het beesvleis ongeveer een gram kreatien vir elke 30-60g vleis.”

Van Waveren verduidelik, die aanbevole

inname van yster wissel daagliks tussen 8 - 27 mg, afhangend van die persoon se geslag en ouderdom. Dit word egter aanbeveel dat jy nie meer as 45mg yster eet nie. Honderd gram biltong bevat 4,6mg yster, en as jy geen ander kos wat yster bevat eet nie, sal 200-400g biltong jou voorsien van al die yster wat jy benodig.

“Yster is 'n mineraal en vervoer suurstof na die verskillende liggaamsdele. Lae ystervlakke kan jou moeg, bleek en prikkelbaar maak. Sout is die alledaagse term wat ons gebruik vir 'n chemiese verbinding genaamd natriumchloried. Elke gram natrium word na 2,5g sout omgesit. Ons benodig klein hoeveelhede natrium en te veel kan die risiko vir hoë bloeddruk en hartsiektes verhoog. Die meeste volwassenes benodig slegs 1 500mg natrium per dag. Om die risiko van chroniese siektes te verminder, beperk jou inname tot ongeveer een teelepel sout per dag. Dit bevat reeds die sout wat jy aan tafel of tydens die kosmaakproses gebruik. Ongeveer 75% van die sout wat ons eet word reeds bygevoeg by die kos wat ons koop.”

Biltong word met sout bewaar, maar dit is nie die enigste bestanddeel wat by vleis gevoeg word om biltong te maak nie. Daar is verskillende resepte en klaargemaakte speserye beskikbaar met verskillende hoeveelhede suiker, asynsuur, kruie en speserye wat daarby gevoeg is en moontlik 'n preserveermiddel en geurmiddel of twee.

“Met ongeveer 6,3 g koolhidrate per 100g biltong en 'n glukemiese hoeveelheid van vier, kan biltong as versnapering of die proteïene deel van jou maaltyd deel uitmaak van 'n gesonde maaltyd vir iemand met diabetes. Dit is egter belangrik om jou totale soutinname dop te hou en om biltong met minder vet te kies vir algehele gesondheid en welstand.”

## Making an impact beyond earth

Mark Shuttleworth

Staying in space, Mark Shuttleworth, born in Welkom in 1973, became the first South African to visit space when he bought himself a \$20 million ticket on board a Russian spacecraft in 2002.

Shuttleworth had to train in Star City, Russia, and in Kazakhstan for the mission aboard a Soyuz capsule to the International Space Station (ISS).

He spent eight days aboard the space station, where he conducted scientific experiments on behalf of South Africa.

### But how did he get it right?

Shuttleworth was a student at the University of Cape Town in 1995 when he founded Thawte, a consulting firm that became a world leader in internet security for e-commerce. He sold the firm to the U.S. based company VeriSign in 1999 and invested the profits in founding a venture capital firm and a non-profit organisation which funds education initiatives in Africa.

# SA roots that went above the norm

Elon Musk

Musk, born in South Africa in 1971, is best known for his Tesla electric sports cars. However, on 30 May 2020 his company SpaceX launched a Falcon 9 rocket carrying the company's Crew Dragon spacecraft and NASA astronauts Robert Behnken and Douglas Hurley from the Kennedy Space Centre in Florida, USA. It was not only the first time the company had attempted a manned launch, it was also the first time in nearly a decade that astronauts had launched from American soil with American rockets. Musk (48) is known for his "high risk and high rewards" business approach. For him this was just the start as he is believed to be planning to build a habitable city on Mars.

## Country of possibilities: SA INVENTIONS

South Africa has a proud history of great innovations and excellent ambassadors, recognised internationally for their work.

Nelson Mandela said: "Our daily deeds as ordinary South Africans must produce an actual South African reality that will reinforce humanity's belief in justice, strengthen its confidence in the nobility of the human soul, and sustain all our hopes for a glorious life for all."

The Covid-19 pandemic has brought the South African economy to its knees and it will take a combination

of great leadership and deep commitment from each and every citizen to help the country get back on its feet.

As we mark Heritage Day 2020 we reflect on the greatness that has come from our shores in the hope that this will inspire the nation to press on with renewed confidence and enthusiasm:

### Kreepy Krauly

This iconic pool vacuum was the brainchild of Ferdinand Chauvier from Springs. Chauvier tried to figure out a way to take the hassle out of pool cleaning and the result was the invention of the Kreepy Krauly in 1974.

### The dolos tames the ocean

The dolos is a South African invention in which interlocking blocks of concrete are used to protect seawalls and preserve beaches. Due to its three-dimensional shape and the spaces between the solid concrete pods, a dolos dissipates the energy of the waves. They were the invention of East London harbour engineer Eric Merrifield after a storm ripped into the Eastern Cape coast in 1963 and tore off 60% of East London harbour's armour.

### Heart Transplant

In 1967 the head of the Cardiothoracic Surgery Department at Groote Schuur Hospital was Professor Christiaan Barnard. Born and bred in the Karoo, he went on to become a highly skilled and dedicated surgeon, one of the most famous cardiac surgeons of our time.

On 3 December 1967, Barnard transplanted the heart of accident victim, Denise Darvall, into the chest of 54-year-old Louis Washkansky. Washkansky regained full consciousness and was able to talk with his wife before dying of pneumonia 18 days later.

The theatre where this ground-breaking transplant was performed has been

turned into a museum in honour of these pioneers of medicine, and the first donor and recipient.

### CAT Scan

his associate Godfrey Hounsfield. He provided the mathematical technique for the CAT scan, in which an X-ray source and electronic detectors are rotated about the body and the resulting data is analysed by a computer to produce a sharp map of the tissues within a cross-section of the body. This resulted in a Nobel Prize in Physiology and Medicine.

### Q20

Q20 was invented in 1950 in Pinetown, KwaZulu-Natal by a Mr Robertson, as a product to displace water from the distributor caps on the old VW Beetle, which was notorious for stalling in wet weather.

It was an effective water repellent, kept rust at bay, eased squeaky door hinges, and made it easy to release rusted or seized nuts and bolts. Initially he did not know what to call it but he told his neighbour that it certainly had 20 answers to 20 questions and so the miracle fluid was named.

The secret behind Q20 is that it is heavier than water. Since oil floats on water, simply oiling the area will not resolve the problem.

### Oil-Can guitar

OK, this is a fun one. In 2001, engineer and avid guitarist Graeme Wells of Cape Town wanted to make silly tin guitars to sell as cheap souvenirs. Using mostly five-litre oil cans and bottle tops, he created guitars that can actually be played, unlike most other scrap-metal instruments.

Their popularity rose, and they went on to be used by the likes of top South African jazz musician Jimmy Dlodlu and international band, UB40. It has cleverly been dubbed by some as the "Afri-can" guitar!

## World Alzheimer's Month - understand early warning signs and symptoms

**RUSTENBURG HERALD - RUSTENBURG - September is World Alzheimer's Month, aimed at raising awareness and challenging the stigma associated with this common, yet devastating diagnosis.**

Understand the 10 warning signs and symptoms of dementia: Alzheimer's Disease (AD) is the most common form of dementia. Memory loss that disrupts daily life may be a symptom of dementia, a brain disease that causes a slow decline in memory, thinking and reasoning skills. There are 10 warning signs and symptoms – every individual may experience one or more of these signs to a different degree. If you notice any of them, please see your general practitioner who can advise you on next steps.

Memory loss that disrupts daily life; Challenges in planning or solving problems; Difficulty completing familiar tasks at home, at work or at leisure; Confusion with time or place; Trouble understanding visual images and spatial relationships; New problems with words in speaking or writing; Misplacing things and losing the ability to retrace steps; Decreased or poor judgment; Withdrawal from work or social activities; Changes in mood and personality.

If you or someone you care about is experiencing any of the 10 warning signs, please consult with a medical professional. Early diagnosis gives you a chance to seek treatment and plan for your future. You can also join one of our upcoming dementia support groups for more information.

In these times of, or should we say in spite of Covid-19, Rustenburg Herald is indeed on the roll... Did you know that you and your company could benefit from extraordinary savings on promotions and advertising? Cutting the cost of advertising is our way of empowering our business fraternity by making advertising affordable and assisting you to take your place in the local business environment. 'n Tyd om te kom en 'n tyd om te gaan ...

RUSTENBURG HERALD - RUSTENBURG - "Ingeprent in my geheue is daardie dag toe ek as President verkies is van NWVLU (Noordwes Vroue Landbou-unie)!"

Was dit 'n droom, was dit 'n uitdaging, was dit 'n te-goed-om-waar-te-wees of was dit so bestem?

Na ses jaar kan ek getuig dat die Here my pad plavei het in die VLU. Ek kon nooit droom dat hierdie amp soveel deure sou oopmaak nie – deure om mense se harte te leer ken! Ek was so bevoorreg en geseënd om elke dag my passie uit te leef!

Daar was wonderlike kongresse van ander provinsies, WBPV-konferensies, winter- en somerskole, takverjaarsdae, Verbruikersraad vergaderings, SAVLU kongresse, takbesoeke en hoogtepunte was ons eie konferensies en kongres! Daar was ook begrafnisse waar ons mekaar kon ondersteun, takke wat wou of ontbind het – daardie kant van VLU betreur ons, maar gaan positief aan.

Elke jaar se goed deurdagte Tema, Projekte en al die wonderlike Studierigtings wat VLU bied, is terdê geniet! Ek besef keer op keer dat VLU die leerskool van die volwasse vrou is, daar is altyd iets nuuts! Ons hef 'n vrou op, ons blom waar ons geplant is!

Vergun my om 'n spesiale dankie te rig aan Christo Theron en Rustenburg Herald (insluitende susterskoerante) asook Waldie en Cecile Volschenk wat absoluut Vroue Landbou-unie se wel en weê so getrou ondersteun. Ons waardeer dit opreg en kan altyd met trots spog dat julle ons uiters goedgesind is!

Ek moet hierdie geleentheid aangryp om aan elke persoon my innige dank deur te gee in 'n tyd wat siekte op my voorstoep kom staan het. Elke dag stuur die Here 'n engel in menseklere om my te bemoedig, boodskappe te stuur en gebede te doen. Dit dra my verseker!

Baie geluk aan Gerda Swart en haar span wat nou die leiers oorneem! Baie sterkte, ek weet jy sal 'n volwaardige voorloper wees en gedra word deur jou provinsie. To all my English speaking members, introduce WAU to your friends and get them hooked!

Henrietta Schoeman het gesê: "Mag geen mens ooit groter wil wees as die Organisasie nie." Treffende woorde wat ons almal kan onthou. Wees altyd 'n volwaardige toonbeeld van 'n waardige VLU-vrou!" - Pam van Rensburg.

# Die kuns van risotto

Risotto is nie 'n ingewikkelde dis nie. Dis basies rys, botter/olie, aftreksel en kaas – opgekikker met stukkies ander bestanddele van jou keuse. Maar omdat dit 'n tydsame proses is wat fokus vereis, loop dié gereg baie gereeld verkeerd en het die dis nou al byna iets mistieks geraak. Dié week gaan kuier die Tambotie Kombuis by Daleen de Vos wat vir

ons stap-vir-stap wys hoe om Risotto te maak sonder dat jy jou hare uit jou kop wil trek.

Volg dié skakel <http://bit.ly/sampioenrisotto> vir 'n videogreep van ons kooksessie op Rustenburg Herald se webtuiste

## Sampioenrisotto

Maak genoeg vir vier mense as bygereg, of twee mense as hoofmaal

### Bestandele:

#### Vir die sampioene (wenk a):

- 1 pakkie Sampioene van jou keuse
- Ongeveer 15ml Botter
- 60ml Sojasous
- 60ml Rooiwyn

#### Vir die risotto:

- 2 na 3 eetpels Olyfolie (net genoeg om die preie in te braai)
- 1 Prei ('onion leeks') fyn gesny
- 1 Knoffelhuisie fyngekap
- 100ml Witwyn
- 250 ml Risotto-rys
- 500 ml aangemaakte Hoender- of groente-aftreksel ('stock')
- 125 ml fyn Parmesankaas (wenk b)
- 125 ml dik Room of Mascarpone (opsioneel)

### Resep:

1. Berei eers die sampioene voor deur hulle op te kap en saam met die botter, soja en rooiwijn in 'n pot te gooi.
2. Sit die deksel op en braai op medium hitte tot sampioene gaar is (ongeveer 10 minute)
3. Haal deksel af sodat die ekstra vog kan afkook
4. Skep die sampioene uit in 'n bakkie totdat jy hulle benodig in stap 10 hieronder.
5. In dieselfde pot, gooi die olie en fyngekapte preie in om te braai op medium hitte. Sit die deksel op en braai vir ongeveer 10 na 15 minute tot sag. Roer elke nou en dan. Voeg gerus bietjie botter by indien die preie droog lyk.

6. Kook intussen jou water vir die 'stock' en maak die 'stock' aan per die pakkie se instruksies sodat jy 500ml oplossing het.
7. Voeg nou die knoffel by en braai vir nog 'n minuut of twee.
8. Voeg die rys by, gevolg deur die witwyn. Laat die wyn weggook.
9. Sodra die wyn weggekook is en die rys redelik droog is, begin die 'stock' stadig byvoeg. Ongeveer 150ml op 'n slag en roer die rys gereeld tot die rys meeste van die vloeistof opgesuig het. Hou so aan tot die rys begin oppof en el dente bereik (as jou 'stock' te min is, voeg bietjie water by). Dit behoort ongeveer 30 minute te neem. Sorg dat die rys redelik droog is en haal dit dan van die hitte af.
10. Meng die parmesankaas, room en sampioene by en roer goed. Voeg sout en peper by na smaak, en bedien dadelik.

### Wenke:

- a.** Enige "tema" kan vir die risotto gekies word. Verruil gerus die sampioene vir iets anders. Voorbeelde sluit in geblansjeerde ertjies en aspersies, geroosterde botterskorsie en salie, geroosterde spek en preie, of jou eie keuse-item.
- b.** Die kwaliteit van die kaas maak nogal 'n verskil aan die gereg - so kies 'n lekker een. Jy kan ook meer byvoeg as wat die resep sê na jou smaak.

Daleen de Vos se sampioenrisotto kry 10 uit 10!

## {StandpuntViewpoint}\*

### Waarheen met onwettige immigrante?

Daar is 'n pragtige, beskrywende uitdrukking in die Suid-Afrikaanse swart kultuur waarin die aantying in gemoedeliker luim gemaak word dat: "White man speaks with forked tongue". Eintlik is dit 'n mooi manier om te sê dat sogenaamde witmense se aand-en môrepraatjies nie altyd ooreenstem nie. Nouja, 'n mens kan seker lank redekawel oor die meriete van die saak en of dit werklik so is dat witmense nie hulle "mind kan opmaak", soos die Engelse uitdrukking lui nie. Witmense sal seker toegee dat die uitdrukking nie noodwendig as 'n kwetsende aanmerking beskou moet word nie. Ons verskillende kulture in Suid-Afrika hoef darem nie só diplomaties te wees dat ons blind is vir mekaar se foute of tekortkominge nie. Maar soms bly dit effens moeilik om die kloutjie by die oor te bring as 'n mens die praatjies van die ANC-regering en ons leierskap probeer kleinkry. En dit is net hier waar die gesprek 'n ernstiger wending neem... Moorde, geweldsmisdaad (en korrupsie) is ongetwyfeld twee van die knellendste probleme in ons land. In Suid-Afrika van die afgelope 25 jaar gaan daar beswaarlik 'n week verby waarin die land nie geruk word deur nog 'n sinnelose, gewelddadige moord of aanvalle op boere en hul gesinne op afgesonderde

plase en in stedelike gemeenskappe nie. Vir bykans net so lank is die regering besig om vir Suid-Afrikaners te vertel dat hy ernstig is oor misdaad en "bla, bla, bla" wil ons amper sê. Die volle waarheid is egter dat dit vir Suid-Afrikaners en veral die slagoffers veel makliker is om die teendeel te bewys. Die afgelope naweek is 'n vooraanstaande besigheidsvrou en haar dogter by hul sake-onderneming in Pietersburg (Pokokwane) aangeval en vermoor en weereens was dit geen verrassing om te hoor dat twee onwettige immigrante uit Zimbabwe vir die aanvalle verantwoordelik was nie. En nou terug na korrupsie: Net 'n klompie maande gelede was Patricia de Lille, minister van openbare werke en infrastruktuur, kwaai in die spervuur weens haar rol in die R40 miljoen se grensheining-debakel waarvan die koste na bewering met tot soveel as R17 miljoen gelaai is. Ons wil nie eers weet wat die uitkoms van die saak was nie, maar wat ons wel weet, is dat dit absoluut sinneloos is om 'n projek van R40 miljoen as't ware in die water te gooi terwyl almal in die wêreld weet dat Suid-Afrika 'n gewilde heenkome en veilige tuiste vir buitelanders en veral misdadigers is wat onbeheersd oor ons grense na die binneland stroom. "Forked tongue" is in hierdie geval seker 'n absolute onderbektoneering van hoe?

### Whereto with illegal immigrants?

There is a beautiful, descriptive expression in South Africa's black culture wherein it is alleged that "white man speaks with forked tongue". This actually is a very diplomatic way of alleging that white men's evening and morning talks are not the same. Of course one can debate on the merits of the issue for hours. White people will generally agree that the expression is not necessarily meant as derogatory or negative. Surely South African society is not that diplomatic that we are blind for the shortcoming of our fellow countrymen.  
But at times it is really difficult to explain the reasoning of the government and our political leadership. And it is here where the talk turns serious. It is common knowledge that murders, violent crime (and corruption) are rife in SA. For the past 25 years already, hardly one week ever goes by without the gruesome murder and attack on mostly innocent victims. Yet, for years the SA government never hesitates to say that it is concerned and serious about crime and attacks on

innocent members of our communities. Meanwhile South Africans are still in shock after the gruesome murder of a Polokwane business woman and her daughter at their shop in Limpopo by two illegal immigrants over the weekend. Furthermore, barely two months ago Patricia de Lille, Minister of Public Works and Infrastructure, found herself in the crossfire of an alleged R40 million debacle to maintain or upgrade the Beitbridge border post/fence. The project was particularly viewed to be dodgy since it's been alleged that the R40 million was inflated by at least R17 million. We don't even want to know what the outcome of the issue was, but what is surprising, is that this kind of money is spent on fruitless projects such as border post fence expenses while the whole world knows for a fact that for at least two decades, South Africa's immigration and border control policy is a joke that doesn't even bother small-time criminals or illegal immigrants who wish to enjoy the spoils of South Africa and its embattled economy.

**RUSTENBURG HERALD - RUSTENBURG - Laerskool Rustenburg, Laerskool Proteapark en Laerskool David Brink het in 'n konvooi Port Elizabeth veilig bereik op Saterdag, 12 September tydens die #TrapSaam virtuele fietsresies.**

Die skole se doel was om as 'n skool 1099km te trap tydens die 7 ure wat die "resies" geduur het. Al die drie skole het in hul doel geslaag (het meer kilometers getrap aan die einde van die resies).

So 'n dag gebeur nie net nie, namens al die skole word die volgende persone bedank wat bygedra het tot die projek: Eerstens, die twee skoolhoofde van Bloemfontein wie die inisiatief aanvanklik beplan het en die inisiatief gedeel het, sonder hulle sou so 'n geleentheid nie die jaar posgevat het nie. Die projek is ten bate van personeel wat in beheerliggaamposte by skole aangestel is. Dankie aan SOS Skole wat in samewerking met Solidariteit die #TrapSaam platform geskep het en die skole in die land betrek het. Laerskool Proteapark, Laerskool David Brink en Laerskool Rustenburg het sonder enige huiwering ingekoop in die inisiatief en as 'n span het hulle die wonderlik dag bymekaar gesit.

"Namens die deelnemende skole wil ons vir Afriforum Rustenburg onder leiding van Chris Trytsman bedank vir die prysgeld wat hulle geborg het vir elke deelnemende skool. 'n Welbekende apteekgroep het ook 'n donasie vir elke skool gegee. Dankie vir die water en die energiebederfies - verseker het dit bygedra tot die deelnemers se prestasies!"

Die skole is dankbaar vir elke besigheid, gemeenskaplid, vriend, ouer en leerder van die deelnemende skole wat donasies gemaak het en pryse vir die dag geborg het - sien asb die lys van borge op die webblad <http://www.rtbtrapsaam.co.za/> (geskep deur Visual Corp). Die hele dag se gebeure is lewendig uitgesaai en die beeldmateriaal is ook beskikbaar by genoemde webblad. Almal is dit eens dat die projek 'n reuse sukses was en dat die inisiatief 'n jaarlikse instelling kan word.

Johnny Young: Laerskool Proteapark 22km in 15min.

Antonie Lit: Laerskool Rustenburg, 14km in 15min.
