Rustenburgse Sprokie Paradys Kleuterskool het van die openbare vakansiedag (Jeugdag) op Woensdag, 16 Junie, vir oupas en oumas, die ouers asook kleinkinders 'n onvergeetlike dag van lekker bederf, lekker lag, lekker eet en lekker kuier opsy gesit. Dit was duidelik dat beide Rustenburg se ouer en jonger geslagte weens die Covid-19-pandemie die geleentheid met groot omsigtigheid benader het maar die kans is nie verspil om vir 'n welkome verandering saam met die dierbares in die families te kuier nie. Hierbo is een van die treffende foto's wat by die geleentheid op kamera vasgelê is. Van links agter is Chantel Wagner, William Wagner, Nadia Breed, Louhan Wagner, Hanroux Wagner, ouma Christine Dercksen, Lachelle Wagner, oupa Attie Badenhorst, ouma Zuzette Badenhorst en Jamee Wagner. Die gesigte straal behoorlik van blydschap!

Ook op hierdie foto het die oupas en ouma verlede Woensdag, 16 Junie (Jeugdag) saam met die tweede en derde geslagte by Sprokie Paradys Kleuterskool die kans aangegryp om mekaar te bederf en te waardeer. Die mooie mense hierbo is oupa George Cato, ouma Elna Cato, Iselynn van der Merwe en dan van links agter - Eugene van der Merwe, Simeon van der Merwe, oupa Hein van der Merwe en Monica van der Merwe. Voorwaar 'n sprokiesagtige dag!

Advertensie-vrou stel haar kant

RUSTENBURG HERALD - RUSTENBURG - Rustenburg Herald het verlede week berig oor mense in die stad wat 'n bloutjie geloop het toe hul advertensies, en ander bemarkingsmateriaal by 'n vrou bespreek het. Een van die klaers, Nita van Rooyen het vertel hoe sy letterlik geld wat vir kos vir haar kinders bedoel was, verloor het nadat die vrou haar omgepraat het om advertensies deur haar te bespreek.

'n Man, Biaan Blignaut het ook met die koerant gepraat en vertel van die nagmerrie-ondervinding wat hy gehad het nadat dié vrou hom oorreed het om 'n huis aan haar en haar lewensmaat te verhuur. Blignaut het sy hart oopgemaak en met Rustenburg Herald gedeel hoe hy en sy vrou bykans alles verloor het as gevolg van die transaksie. Die vrou betrokke, Susan Bolton het deur middel van haar prokureur, Daleen Niewoudt op die beweringe gereageer - en dit ten sterkste ontken. Volgens Niewoudt erken Bolton dat sy kwotasies vir Van Rooyen gegee het. "Die totale bedrag vir die advertensies, besigheidskaartjies, biljette en plakkate het R5500 beloop. Van Rooyen het 'n deposito betaal - wat aan haar uitgewys is as nie-terugbetaalbaar nie. Die proewe is aan haar gestuur, maar toe het sy die bespreking gekanselleer." Niewoudt sê haar kliënt beweer dat sy daarna aan verskeie dreigemente op sosiale media onderwerp is. "Nie waar nie!" sê Van Rooyen. "Ek het tot vandag toe nie proewe van Bolton of van enige ontwerper ontvang nie. En dit het ek herhaaldelik aan Susan oorgedra." Van Rooyen voeg by dat Bolton haar ook op 'n hele paar geleenthede verseker het dat sy haar geld gaan teruggee, maar dat daar net dié of dáárdie probleem is.

Een van die laaste boodskappe was op 12 Mei en het gelui: "Ekskuus kom nou eers terug na jou toe ek gaan nog steeds jou add plaas maar is besig om te reël om jou geld ook terug te gee .gee net kans asb" Van Rooyen se vraag is dus, indien Bolton dan nie aan iets skuldig was nie, hoekom het sy aangebied om die geld terug te betaal?

Bedrogspul kos mense met groen vinger groen note

RUSTENBURG HERALD - RUSTENBURG - Rustenburg Herald het baie onlangs 'n berig gepubliseer oor 'n bedrogspul wat baie onskuldige mense sommer 'n klomp geld uit die sak gejaag het.

Dit gaan oor 'n Rustenburgse vrou - ene Susan Bolton - wat soos gerugte dit het met besigheidslui in verbinding tree met die veronderstelling dat sy 'n "media-spesialis" is wat in verskeie formate en vorms uitstekende publisiteitsopsies teen geringe uitgawes aanbied. Dié opsies sluit na wat verneem word in gehalte publisiteit in 'n kwartaallike/tweemaandelikse of derglikse glansbrosjure/pamflet, besigheidskaartjies en so meer wat met die onderneming dat die pakket vir 'n paar uitgawes sonder enige verdere kostes herhaal sal word, onder besigheidsmanne en -vroue se neuse geswaai word. Die pakket word

ook as uitstekende, toenemend gewilde en prominente bemarkingsgeleentheid voorgelê en met dié goeie skep suikersoet-stroop het talle mense uit die plaaslike besigheidsektor hulle laat inloop het.

Die bekende Rustenburgse kwekery - Geelhout Gardens - het aan Waldie Volschenk van Rustenburg Herald vertel hoe hulle slagoffers van die gekullery geword het wat hulle groot somme geld gekos het. Natuurlik verdwyn die slinkse onhandelaar en baasbrein soos mis voor die son sodra die nodige kontantjies inbetaal is en van die beloofde publisiteit kom daar net eenvoudig die spreekwoordelike dadels, terwyl daar dan nou van 'n kwekery gepraat word.

Dié - kom ons noem dit vir hierdie doeleindes 'n mediafoefie - word geruime tyd deur die Rustenburgse polisie ondersoek en daar is talle klaers wat na vore kom om hul misnoë te kenne te gee.

Rustenburgers wat onwetend en onskuldig slagoffers van Bolton en haar mediafoefie geword het, is intussen aangemoedig om 'n dossier by die Rustenburgse polisie te open sodat die saak verder ondersoek kan word. Geen verdere inligting was met ons ter perse gaan vandeeweek bekend nie.

virus outbreak. Primary school children are set to return to school on 28 July, which is the first day of the third school term. However, high school students will still use a rotational system. To kickstart the sector, Motshekga said that government will vaccinate 582,000 teachers and teaching staff over a two-week period. The rollout will formally start on Wednesday 23 June, concluding 8 July, the day before school closures. "For the next two weeks, we make the clarion call to our school communities to drop all and vaccinate. For us to successfully complete this programme, we will need to keep schools open. Any disruptions would be undesirable," Motshekga said. Mixed messages The government's business-as-usual approach to schooling comes in stark contrast to its other messaging around the third wave, in which officials are calling on South Africans to avoid all unnecessary movement and social contact. Gauteng has emerged as the epicentre of South Africa's third wave of Covid-19 infections, with hospitals warning of diminishing bed capacity as active cases escalate. While the provincial health department assures that the situation is under control, private hospitals say they are running out of space. The country recorded 37,240 new cases over the weekend (Friday to Sunday), almost two-thirds of which were in Gauteng. Daily infections in the province have surpassed the numbers seen in the first and second waves. People in the province have been urged to act as if they are in a tighter lockdown than is currently set nationally, to prevent further spread of infection. Acting minister of health, Mmamoloko Kubayi-Ngubane said that a similar trend of rising cases is being tracked in other provinces as well, but things are especially bad in Gauteng. She said that far too many super-spreader events and meetings are taking place in the province, and urged residents to stay home and stay safe. As of 20 June, 13,155 new cases of Covid-19 have been recorded, taking the total reported in the country to 1,823,319. Deaths have reached 58,702 (+112), while recoveries have climbed to 1,647,503, leaving the country with a balance of 117,114 active cases.

Rustenburg midde-in die Van Staden-geskiedenis

Deur: Peet van Staden

RUSTENBURG HERALD - RUSTENBURG - Rustenburg en omgewing is sentraal in die geskiedenis van een van Suid-Afrika se ou en bekende families, die Van Stadens, wat pas elektronies beskikbaar gestel is.

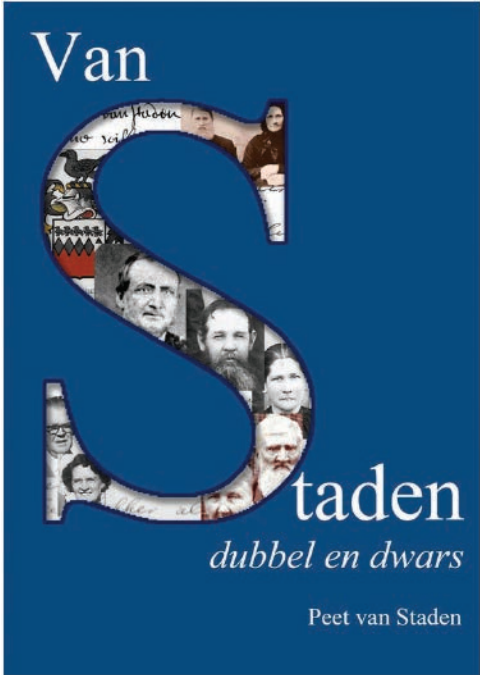

Die titel daarvan is Van Staden dubbel en dwars, wat verwys na die feit dat die skrywer van pa én ma se kant 'n Van Staden is en ook dat verskeie lede van sy voorgeslag met die owerheid oorhoops was. Van die bekendste figure in die familie se Overvalse geskiedenis het regstreeks met Rustenburg te doen. Die belangrikste is waarskynlik Petrus Johannes van Staden, die eerste en langsdienende landdros (ongeveer 1852 tot 1880) van Rustenburg en die hele ZAR. Die huidige Nelson Mandelarylaan was aanvanklik na hom vernoem. Sy dikwels omstrede dienstdyner dek van die grawe van die watervoor deur Paul Kruger waarlangs die dorp sy water uit Rustenburgkloof gekry het tot die gewraakte hys van die nuwe vlag ná die Britse anneksasie van die ZAR in 1877. Sy rol in die dorpsbestuur, landdros- en hooggeregshowe, eiendomstoekenning en politiek benewens sy persoonlike lewe dek 'n hele hoofstuk. Sy naamgenootpa, die Voortrekker P.J., was 'n sleutelfiguur in die kerkstigting, eers op Potchefstroom en daarna Rustenburg. Die stigting van die kerkplaas het die dorpsstigting van Rustenburg voorafgegaan. Met die stigting was die voorwaarde dat geen drank daar verkoop sou word nie. Ander bekendes sluit in president Willem van Rensburg en 'n waarnemende president van die ZAR, Ou Hans Grobler, wat albei aangetroude familie van die Van Stadens was. Nog een was Theunis Snyman, in 'n stadium kommandant-generaal van die ZAR en skoonpa van die Voortrekker P.J. se jongste seun, Manie. Die skoonseun was 'n 67-jarige bittereinder met die einde van die Tweede Anglo-Boereoorlog.

Die Van Stadens se verhaal dek sowat 150 jaar in Nederland nadat hulle vir die Rooms-Katolieke vervolging uit deesdae se België gevlug het. Die 330 jaar daarna in Suid-Afrika was ewe stormagtig met verskeie botsings tussen die Van Stadens en die owerheid. Hulle of hulle verwantes was by haas elke omstrede in dié drie eeue betrokke soos die Vryburgers se stryd teen goewerneur W.A. van der Stel, die Graaff-Reinette opstand, Slagtersnek, die Oosgrensoorloë, die Groot Trek en veral die Tweede Anglo-Boereoorlog. Ook die familie se betrokkeheid by die Nat-Sapstryd en dié tussen die Afrikaner-Broederbond en die Vrymesselaars word uitgelig. Die boek beslaan 345 bladsye waarvan 63 die omvattendste geslagsregister bevat wat nog oor die Van Stadens saamgestel is. Dit is elektronies beskikbaar by eGISA onder die subhofie CD's en Boeke, en kos R400,00.

Peet van Staden, skrywer en afgetrede joernalis, het sowat vier dekades aan die navorsing bestee. Hy is 'n gebore Rustenburger, en sy eerste joernalistieke werk was foto's wat terloops vroeg in die jare 1960 in die Herald verskyn het. Kontak gerus die skrywer - Peet van Staden by 082 410 0329 peetvanstaden93@gmail.com

Die outeur - Peet van Staden - ook 'n oudjoernalis.

PILANESBERG PLATINUM MINES (PTY) LTD SLR

NOTIFICATION SUBMISSION OF THE PILANESBERG PLATINUM MINES ATMOSPHERIC EMISSIONS LICENCE APPLICATION: KELL PLANT

Pilanesberg Platinum Mines (Pty) Ltd (PPM) is a platinum and chrome mining and mineral processing operation located to the north-west of the Pilanesberg National Park within the Moses Kotane Local Municipality and Bojanala Platinum District Municipality of the North West Province.

PPM proposes to expand the existing PPM mineral processing operations to incorporate a hydrometallurgical plant, known as KELL Plant, to treat concentrate generated from the current concentrator plant for the extraction of platinum group metals (PGMs) and base metals. The hydrometallurgical plant uses the KELL Technology for the extraction and refining metal processing as an alternative process to the conventional platinum smelting and base metal refining processes. The hydrometallurgical plant will use sulphate leach extraction and chloride leach extraction to produce nickel cathode and cobalt concentrate, copper cathode, and PGM and gold sponge concentrate.

An Environmental Impact Assessment (EIA) was undertaken since 2013 and a corresponding Environmental Authorisation, Reference No: NWP/EIA/87/2013, was issued to PPM by the Department of Economic Development, Environment, Conservation and Tourism (DEDET), in July 2020. Given that the KELL process triggers a listed activity in terms of Section 21 of the National Environmental Management: Air Quality Act, 2004 (Act No. 39 of 2004) (NEM:AQA), the project requires an Atmospheric Emission License (AEL). The above listed activity (as per the table below) will take place within the boundaries of the existing mineral processing plant at PPM.

Listed Activity No.	Category of Listed Activity	Sub-category of the Listed Activity	Name of the Listed Activity	Description of the Listed Activity
4.17	Category 4: Metallurgical Industry	Subcategory 4.17	Precious and Base Metal Production and Refining	The production or processing of precious and associated base metals through chemical treatment

This communication is to notify all Interested and Affected Parties notice provides notification of the submission of the AEL application by PPM to the Bojanala Platinum District Municipality: Air Quality office.

SLR Consulting (Africa) (Pty) Ltd (SLR), an independent firm of environmental consultants, has been appointed by PPM to manage the AEL process. A copy of the AEL application can be viewed on SLR's website: <https://www.slrconsulting.com/public-documents> or data free website: slrpublicdocs.datafree.co/public-documents. Susan de Bruyn 11 April 1941 - 11 Junie 2021

RUSTENBURG HERALD - RUSTENBURG - Susan de Bruyn: 11 April 1941 - 11 Junie 2021: "In lewe was ons ongelooflik bevoorreg om in Susan de Bruyn 'n alles-in-een vrou, eggenoot, ma, vriendin, skoonma en ouma te kon ervaar het!

Daar is te veel dinge wat nog nie gesê is nie. Dit is die ding met super-vroue. Ons neem net aan dat hulle weet hoe buitengewoon hul super-kragte is en ons vergeet om hulle daarvoor te bedank. Ons vergeet dat ons almal die een of ander tyd moet stilstaan om ons bekere te hervul. Ons vergeet dat dit nodig is vir dié wat gelukkig genoeg was om haar liefdevolle en verwelkomende geaardheid te beleef, om te kon verpoos en ons bekere altyd weer tot oorlopens toe kon volmaak. Ons was altyd diep bewus van die ongesproke, voortdurende ondersteuning en liefde wat ons omring. Hierdie liefde van Susan de Bruyn het sy aan almal om haar gewy en altyd maniere gevind om ons almal op die gelukkiger pad, die pad van “geen moeite is te veel of te groot nie” te hou. Sy was eggenoot, suster, dokter, vriendin, moeder, skoonma en ouma. Sy het nie net na almal ná aan haar omgesien en hulle versorg nie, maar met groot vrygewigheid en in liefde almal se lewens aangeraak sodat ons kon uitsien na menswees in 'n hoopvolle wêreld. Dit opsigself is die grootste geskenk en nalatenskap vir ons almal. Dankie vir al die glimlagte, die heerlike bederfkos en al die drukkie. Dankie dat jy Susan, as vrou, eggenoot, ma, vriendin en ouma altyd meer was as waarop ons kon hoop. Dankie dat jy elke uitdaging oorkom het en nooit toegelaat het dat die liefde ontbreek nie. Dankie vir 'n liefdevolle en warm lewe waarin ons kon deel! Ons vier later, op 'n gepaste wyse, die wonderlike lewe van Susan.

Wyle Susan de Bruyn.

Platinastad verloor 'n groot gees - Jak Meyer

deur Waldie Volschenk

RUSTENBURG HERALD - RUSTENBURG - In Rustenburg is daar na bykans 14 dae steeds baie vroe oor hoekom soveel geliefde, gerespekteerde en prominente leiersfigure en ambassadeurs van die Platinastad die gemeenskap in die afgelope net meer as 'n maand ontval het.

Een van die jongste gevolge van die verlies van Rustenburg - en veral die onderriggemeenskap - is die afsterwe van Jak Meyer - iemand wat hier weinig bekendstelling nodig gehad het, is Jak Meyer. 'n Voorslag-skoolhoof uit die ou skoolse wêreld en iemand wat vir sy regverdigheid, eerbaarheid en opregtheid onthou sal word, is 10 Junie aan hartversaking oorlede nadat hy slegs enkele dae vantevore sy langverwagte Covid-19-inenting gekry het. Jacobus, Johannes, Odendaal Meyer (Jak - soos hy allerweê bekend was), was vanaf 1975 'n inwoner van die Platinastad en hy was vir 14 jaar aan HTS Rustenburg verbonde waarvan sy laaste tien jaar as hoof van die skool. Jak het vir 33 jaar op die onderwysakker gewoek en sy bydrae tot die Rustenburg-gemeenskap kan nie geringgeskat word nie. Hy was getroud met sy ewe-gewilde en altyd-aan-sy-sy-eggenote - Annette en die egpaar het twee kinders - 'n seun en 'n dogter gehad. Jak se seun is vandag 'n elektroniese ingenieur en sy dogter het haar pa se voetspore in die onderwys gevolg. Sewe kleinkinders en sewe agterkleinkinders is vir die Meyers gebore. Jak se oorwinningsdiens vind op 2 Julie uit die NG Kerk Proteapark plaas. Slegs onmiddellike familie sal by die afskeidsdiens geakkommodeer kan word. 'n Regstreekse uitsending van die diens sal uitgesaai word spesiaal vir Jak se letterlik honderde vriende, kennisse, oudkollegas en maats.

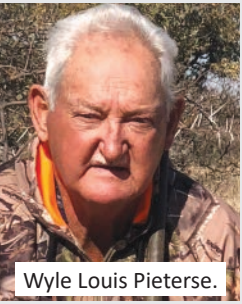

Op 13 Junie 2021 is van ons weggeneem ons geliefde (Hettie) Hester Magdalena Paula Schutte na 'n lang siekbed. Sy gaan baie gemis word, haar plekkie is nou leeg en stil. Haar diens gaan waargeneem word op 23 Junie in Randfontein. 'n Liefdesdiens gelewer deur Martins Funerals Rustenburg (014) 592 0037. (220042)

'n Legende het geval

RUSTENBURG HERALD - RUSTENBURG - Louis Pieterse, 'n geliefde Rustenburger en gerespekteerde man van die gemeenskap, beter bekend as Oom Louis of Oupa Louis het op 22 Junie sy aardse tuiste verruil vir die ewige lewe. Louis het sy lewe lank in Rustenburg gewoon en was vir 32 jaar verbonde aan Impala Myn.

Hy was alombekend in die vuurwapenopleidingkringe en was vir 15 jaar die eienaar van REB. 'n Jaar gelede het hy die tuig neergelê en sy besigheid oorhandig aan sy twee kleinkinders. Louis was vir 40 jaar 'n getroue Polisiereservis en het uitgetree as reservis-kolonel. Hy was 'n kranige jagter en hengelaar en verwerf ook Springbokkleure vir Ligtegerei-boothengel in 1977. Joan Pieterse, sy “sweet-heart Moekie” het die voorreg gehad om haar lewe vir 61 jaar as eggenoot en beste vriendin saam met hom te deel. Oupa Louis se heengaan laat 'n groot leemte in die harte van sy vrou, vyf kinders, vier skoonseuns, een skoondogter, 11 kleinkinders, ses aangetroude kleinkinders en nege agterkleinkinders. Op 22 Junie het die Hemel nog 'n engel ryker geword. "There are things that we don't want to happen, but have to accept, things we don't want to know, but have to learn and people we can't live without, but have to let go" – Author unknown. Die familie het besluit om 'n privaatgedenkdienste te hou weens Covid-regulasies.

Wyle Louis Pieterse.

Girls international session held in Kroondal

RUSTENBURG HERALD - RUSTENBURG - Glory Divine Edu-Centre, a registered Non-Profit and Public Benefit Organisation founded by Ms Matepeng "Moeder" Temane continued playing its role with farming community learners by holding a girl interact session in Kroondal on youth day.

Since last year, Muda has been actively involved with a farm community in Kroondal, particularly children. She saw a gap in the lives of these children, in that they are not exposed to anything else except an empty life on a farm. The community has its fair share of challenges such as poverty, alcohol abuse, teenage pregnancy, high school drop outs and negligence. There is no source of recreation for these children except a lot of idling and being exposed to negative adult life. As part of her Rotary community service, she launched a Sunday school programme on Mother's Day with the aim to develop, empower and educate these children. She continues to engage children on various platforms and on June 16, the historic day was commemorated with a special "Girls InterAct" session between children on the farm and their peers from Pretoria and Kanana, Rustenburg, respectively. Young girls from Amonè Modeling Academy who are Finalists for Little Model Earth and Little

Miss Nations 2021, and also Ambassadors of Ditsala Children Shield visited the girls on the farm to inspire, encourage and give hope to their peers. The young models gave a girl-to-girl mentorship, shared messages of love and hope through playful interactions and sponsored a special meal. The day ended with an "Adopt-A-Friend" initiative which the young models will use going forward as a platform to become role-models, hold hands with their peers on the farm and share journeys. The programme will be ongoing so as to inspire and instill values that will see these little farm girls rise up and follow their dreams too. The continuous interaction will enhance the spirit of Ubuntu where children will be inspiring children, bringing about positive change and providing support as a way to promote a love for learning and curb social ills like teenage pregnancy and school drop-outs in girls.

Ouers en onderwysers: So help jy die kind wat hakkel

RUSTENBURG HERALD - RUSTENBURG - Daar is baie kinders en volwassenes wat soms moeilik praat, maar nie noodwendig hakkel nie en die meeste kinders ontgroeï hakkel teen die tyd dat hulle volwassenes is.

Tog is dit vir 'n hakkelaar moeilik om 'n gesprek te voer of selfs 'n telefoonoproep te maak. Wonderkure bestaan nie en dit is dikwels 'n lang en moeilike pad wat saam met 'n kundige soos 'n spraakterapeut gestap moet word. Met die regte terapie, deurstellingsvermoë en empatie kan daar egter groot vordering gemaak word. Onthou: Die hakkelaar voel dikwels verleë, raak gefrustreerd en het waarskynlik 'n lae selfbeeld. So 'n kind moet weet dat dit "nie belangrik is hoe hy dit sê nie, maar wat hy sê".

Wat is hakkel? Daar is nie 'n eenvoudige antwoord op die vraag nie. Die SASLHA (South African Speech, Language and Hearing Association) definieer dit soos volg: "Die meeste spraak-taalterapeute stem saam dat hakkel 'n onderbreking in die vorentoe vloei van spraak is. "Baie persone wat hakkel ontwikkel ook (dikwels onbewustelik) liggaamsbewegings in

'n poging om die hakkelmoment te oorkom". Enkele wenke deur ouers in dieselfde bootjie: Raadpleeg 'n spraakterapeut en indien nodig 'n spelterapeut of sielkundige om jou te help, gesels met ander ouers in dieselfde bootjie en raak rustig. Daar is raad. "Onthou, hoe meer gereeld 'n vlot spraakpatroon voorkom, hoe groter die kans dat die spraak vlot gaan bly." Probeer jou jou kind se situasie indink, met ander woorde sit jouself in jou kind se skoene. Bly kalm en geduldig terwyl jou kind praat. Luister aandagtig. Behou oogkontak. Moenie die kind se sinne namens hom voltooi nie. Praat stadiger sonder om gejaagd te wees. Gebruik 'n "spraakvennoot" as julle storie lees. Dit is 'n sagte speelding of troeteldier vir wie die kind die storie terugvertel. Sing, want hakkelaars hakkel nie as hulle sing nie. Saamsing met gunstelingmusiek is ook "uitstekende oefening in rym, ritme en sinskonstruksie". Fluistertyd is

nog 'n tegniek om vlotheid te oefen omdat die kind dit sal naboots en vlot wees. Dramalesses kan help, maar moenie jou kind dwing om aan skoolkonserterte deel te neem waar hy moet praat nie. Hakkelaars is egter dikwels vlot op 'n verhoog – veral in die dramatiese rolle - juis omdat hulle 'n ander persona (karakter) aanneem. Net 'n paar hakkelaars wat uitstekende akteurs geword het: Rowan Atkinson (Mr Bean), Marilyn Monroe, Emily Blunt, Hugh Grant en Anthony Hopkins.

In die klas: 'n Empatiese en ingeligte onderwyser kan daartoe bydra dat die hakkelaar makliker aanpas. Doen die volgende: Verseker die kind dat jy verstaan en dat hy met selfvertroue in die klas kan praat, selfs al hakkel hy – moet hom egter nooit dwing nie. Verduidelik aan die klas wat hakkel is en dat hulle die klasmaat moet toelaat om te hakkel en hom nie mag spot of verkleineer nie. Voorskools moet die terapeut en juffrou

nou saamwerk. Behandel so 'n kleuter met liefde en koestering. Hakkel mag nie gestraf word nie – "hoe minder aandag geskenk word, hoe beter". Koorspraak en koorlees, asook handklapspeletjies is uitstekende terapie wat in die klas gedoen kan word. Laat die hakkelaar hardop saam met jou by die tafel lees en gee goeie punte. "Alle positiewe versterking is heilsaam!" Laat die kind sy les vir 'n pop of hond voorlees. Moedig ouers aan om baie vir die kind voor te lees – want dit verbeter hulle taalvermoë sodat hulle die woorde het om hulle gedagtes uit te druk.

Om meer oor die onderwerp te lees, te leer wat die verskil is tussen hakkel en stamel en die ervaring van 'n volwasse hakkelaar te lees, gaan lees gerus die artikel op Afrikaans.com onder die Leerhulpafdeling by die skakel: <http://bit.ly/mykindhakkel>.

Check who is sending you SMS spam in South Africa

RUSTENBURG HERALD - RUSTENBURG -The Wireless Application Service Providers' Association of South Africa (WASPA) has launched an online platform that lets you type in the number an automated SMS message originated from and find out who sent it. Called the Codes Project, the platform is intended to help consumers identify the sender of unwanted SMS messages.

WASPA managing executive Ilonka Badenhorst said that unsolicited direct marketing messages may create frustration for the recipient, especially if they are unable to identify the originator of the message. "Everyone who owns a cell phone has likely received unwanted messages advertising products that they do not want or need," Badenhorst said. You may even receive an advertisement you do need, but have no way of finding out whether the sender is reputable or not. With the Codes Project, consumers can identify the owner of a long code or short code number, as well as the owners of USSD codes. "This will make it easy to identify where the SMS came from, although of course, the platform will only contain information about service providers that are registered with WASPA," explained Badenhorst. "If the sender is identified, consumers will have the additional peace of mind knowing that they are communicating with a reputable player that is bound by the WASPA Code of Conduct."

Badenhorst said that if the company that sent the SMS is registered with WASPA, their contact details will be provided.

This will allow you to contact the company directly and obtain more information on the originator of the message, request to be removed from the database, or lodge a complaint. The Codes Project is an extension of WASPA's Do Not Contact (DNC) initiative, which is a list that

consumers can add their number to and opt out of unsolicited SMS advertising, stated Badenhorst. WASPA members engaged in direct SMS marketing campaigns are required to check the DNC list on a weekly basis. Badenhorst said that in a situation where the organisation sending direct marketing messages fails to comply with the DNC list, consumers can then contact WASPA directly as the organisation has a well-established complaints process. "It is worth noting that the Consumer Protection Act and the Protection of Personal Information Act (POPIA) contain specific provisions regulating direct marketing," said Badenhorst. "WASPA's Code incorporates all of the requirements of these laws. Moreover, this Code is binding on members of WASPA and any companies sending messages via a WASPA member." What POPIA means for SMS marketing While POPIA came into effect on 1 July 2020, companies have been given at least a year's grace within which to comply with the promulgated law. While companies are currently able to send direct marketing messages to any e-mail address or cell phone number they can lay their hands on in South Africa, the Protection of Personal Information Act (POPIA) aims to crack down on this practice. With POPIA the restrictions on direct marketing will shift from being opt-out by default, to opt-in by default. Companies will have to get consent from consumers before they are allowed to send marketing messages to them. One exception is that companies will be allowed to send direct marketing messages if the customer was given a chance to opt-out when they opened their account. These messages can only promote similar products or services to what you bought from them initially.

‘n Bredie om die winter se tande te trek

Michelle van Dyk het dié week vir ons bobaas boerekos op die tafel gesit. Dié week tref ons hier in die Suidelike Halfrond nou amptelik winter – en die temperature wys dit nogal. Die weervoorspelling waarsku dat Vrydagnag die kwik tot onder vriespunt kan val.

boerekos – beesvleisbredie met deegkluitjies en stampmielies – op die spyskaart te sit. Hierdie geurige gereg is gewaarborg om korte mette van die koue te maak.

Help om gate te vul

Die redakteur,
“Wat moet ‘n mens doen om die aandag van die Rustenburgse Munisipaliteit op ‘n baie belangrike saak gevestig te kry? Mens vra en vra en vra, maar daar word net eenvoudig geen antwoord gegee of enige verduideliking of enigiets nie? Die gate (“slole”) in Coetzerstraat is darem net eenvoudig belaglik, mens moet om hulle tot op die sypaadjie ry, om die gate en slole mis te ry en nie jou kar wil beskadig nie. Kan iemand van die Rustenburgse Munisipaliteit net een keer in Coetzerstraat afry en kom

kyk hoe lyk dit? Kan hierdie probleem nie maar vir eens en vir altyd opgelos word nie asseblief. Hulle het aan die een kant van Coetzerstraat wel die pad reggemaak en pragtig toegemaak, maar die ander kant van die straat is steeds ‘n groot probleem en ons vra asseblief mooi, kom maak die gate reg sodat ons net soos gewone mense in die straat kan ry en nie op die sypaadjie nie. Ons wil graag in die straat ry en nie langs die straat nie asseblief”.

Baie dankie, Padgebruiker.

{StandpuntViewpoint}*

Die lang pad van twyfel

Dit is met groot huiwering dat ‘n mens deesdae (sjoe - hoe lank nou al?) soggens douvoordag op die vroegoggend-nuusbulletin inskakel selfs nog voordat jy na die pantoffels en die warm kamerjas begin vrotel. Ja, dit is winter in Rustenburg (en elders natuurlik) en dit is die afgelope week lekker koud hier onderkant die Magaliesberg. Of nee, dit is nie lekker koud nie, dit is aaklig koud en as die sonnetjie sy kop intrek soos dit die afgelope klompie winters lankal ‘n algemene verskynsel geword het, is dit sommer net vrek koud!

Maar daar is ‘n ander “koud” - amper “n tipe angs, vrees en knaende bekommernis wat in die hart se holte bly lê.

Elke oggend as die nuusbuletin se koelbloedige tema-klingel (“jingle”) jou uit die bed laat regop sit, staal jy jouself instinktief. Hier kom dit alweer... Hoeveel nuwe gevalle, hoeveel bekendes, hoeveel aktrises, vermaaklikheidssterre, kunstenaars, baanbreker-Suid-Afrikaners, pioniers, leiersfigure, rolmodelle van hierdie land en moenie verbaas wees wanneer daar elke oggend iemand is wat jy “ken”, wat jy vir jare bewonder het, wie se boeke jy gelees het, wie se rolprente jy gesien het, wie se musiek jy geniet het, wie se kunswerke teen die mure in jou gang hang.

Ook mense wat jy nie vreeslik waardeur het nie - wat nie dinge gedoen het wat jou vreeslik geïnteresseer het nie, nie jou soort mens nie, nie mense wat in jou wêreld en kringe beweeg het nie. Dit is ‘n lelike ding om te sê of te erken die spoke in jou kop opjaag - ons praat nie graag daaroor nie. “Wanneer is dit my beurt - of nog erger - wanneer gebeur dit met my geliefdes? Nee, ek wil nie eers daaraan dink nie, maar die bangmaakding bly oor jou hang... Vanoggend hoor ons daar is ‘n afname maar nogtans is 13 000 nuwe gevalle in die jongste verslagperiode aangemeld. Liewe land, hoe gaan die syfers lyk as daar dan ‘n toename is? En dan word daar nog gesê dat die herstelkoers steeds bokant 90% is? Wat gaan gebeur en hoe gaan dit lyk as hierdie syfer tot 60 of 50% sou daal?

Vanmiddag as ek van die werk af kom, gaan dit vergete wees, dan gaan ek nie die tv-nuus volg nie, nie die radio aanskakel nie, nie die koerant lees nie. Ek gaan myself in die nabyheid en troos van my familie en geliefdes toewikkel. Vir vanaand gaan ons mekaar waardeur, uit die maag lag, eet of daar nie in die môre ‘n weegskaal in die badkamer wag nie. Maandag was 21 Junie - die draai van die son - sê nou dit is moontlik - hoe wonderlik gaan dit nie wees as die Covid-ding binnekort dalk iets van die verlede is nie... Dalk net - kom ons hoop!

The long way, or wrong way

It is with hesitation that one rises from bed in the morning - wow - just how long has it been now? Can't even remember - let's listen to the news. How many new cases? How many well-known people, many of them you knew very well, some of them you've met or seen or heard on shows, tv or the movies. Jip, 13 000 new cases and in fact, for the first time there is a drop in new cases over the last 24 hours. What! - 13 000 new cases and they call it a drop? Furthermore, the recovery rate is still at around 91%. It's difficult to imagine how many cases would be reported if there is a sharp increase? No, don't even think about it. And shucks, this terrible weather offers very little comfort or hope that things are going to improve soon.

Perhaps it would be better to snooze just a little bit longer. What will it help to hear how many people, famous people, artists, stars, sporting heroes, greats this dreaded disease had claimed in the past 24 hours? Let's rather not listen to the early morning news, let me rather have another cup of coffee, it is so darn cold. Every morning this time is a dreadful time. As if the entire world has been waiting to hear the latest statistics. Will it really make a change of

I rather choose to ignore the newspaper, the tv, the radio, the decline in business, the number of visits I get. Is there anything that could equip me to put up a better fight, if only mentally.

On the other hand, would it be better to know exactly what the situation is - is it improving? When I get home from work this afternoon, I am going to adopt a new approach. A little less worry, or concern - but still great caution and responsibility. I'm going to take shelter in the safety and love of my family, I am going to enjoy dinner with much more gratitude - even if the spoils are extravagant - who knows what is going to happen tomorrow? Also I am planning to laugh more, to relax more, to buy out this time for once, to enjoy, to appreciate, tomorrow everything could be different or gone? There is hope however, Monday was June 21 - the change of the sun's course or equinox as we know it. Perhaps this is what we've been waiting for. A change in season, a change in prospects... How wonderful life would be if we could beat this thing once and forever? I can hardly think of something that would bother me - or anyone else...

Tlhabane residents not adhering to regulations

The editor
Everything that we needed to learn about the coronavirus we have learned, with the pandemic having been with us for over a year now. We have been told numerously that the best defense against this virus is to maintain social distancing, to wash hands on a regular basis, to sanitize as much as possible and most importantly, to wear a mask or a cloth covering that covers the nose and mouth. Many people have heeded this call and have played their part. However it is worrying that residents in Tlhabane are doing just the opposite. In the wake of the

third wave we are experiencing, I recently drove to Tlhabane after many years to pick someone up. The streets were full of people and young children. Non of them wearing any masks. It is shocking because in a way they are ignoring the seriousness of this virus. If this goes on it might cause a spike in the number of Covid-19 cases. I know that this might be taking place in other townships and villages however I am urging Tlhabane residents to adhere to the stipulated regulations so that they can save their lives and the lives of their families and loved ones.

Die redakteur
Die pad waarlangs ek elke dag ry wanneer ek werk toe en huis toe gaan is vol van mense sonder hoop en by omtrent elke kruising is daar mense wat bedel. Dit is ongelukkig vir ons almal wat nog so gelukkig is om ‘n eie huis, motor, kos en klere en werk te hê, die tekens van die tyd. Bedelaars, behoeftiges, armes, eensames en dergliks gaan nog vir ‘n baie lang tyd in hierdie land deel van ons lewens wees. ‘n Mens weet nie elke dag hoe jy moet reageer as jy omtrent vier, vyf keer op jou pad êrens heen deur mense met bordjies, kaartjies, met blikkies en so meer “gekonfronteer word nie. Partykeer is dit moeilik om te gee, ander kere draai jy maklik die venster af en skud die kleingeld uit jou beursie.

My oupa het my jare gelede ‘n storie vertel wat my vir baie jare lank tot groot dankbaarheid gestem het. Dit is vir my meestal lekker om die gee - die Lewe sê ook vir ons dat dit ons plig is. My oupa was ‘n tuinbouliëfhebber en het graag ‘n bietjie in die tuin gewerk. Hy het ‘n tuinier gehad wat omtrent so twee keer per week gekom het om ‘n los werkie (meestal die roetine-goedjies) te doen. Een jaar kort voor die

einde van Desember (Kersfees) het my oupa besluit om ‘n paar mooi skoene wat maar net nie hulle sit aan sy voete wou kry nie, vir Petrus aan te bied - dit is immers Kersfees en oupa het gesien dat die arme man (veral in daardie jare) se skoene gevaarlik naby aan kaalvoetstadium was.

Oupa het met die twee mooi skoene in sy hand uitgestap na Petrus toe. “Petrus, het hy gesê - ek hou nie baie van hierdie paar skoene nie, ek wonder of jy nie van hulle sal hou nie? Wil jy dit graag hê - ek gee dit verniet vir jou - vir Kersfees of so, nie vir beloning vir die werk wat jy vandag vir my gedoen het nie. Daar is seker mense by die huis wat moet eet?

Ja, asb, het Petrus gesê en gretig die hande uitgesteek. “Maar ek wonder”, het oupa voortgegaan - “dink jy dit sal vir jou pas - ek het dit nog maar baie min gedra. Tuiniers het oor die algemeen maar taamlke groot voete - oupa was nie ‘n groot man nie. “Natuurlik sal dit pas”, het Petrus sonder enige huiwering gesê. “Maar hoe kan jy weet as jy dit nie eers aanpas nie”, vra oupa toe. “Ai meneer, ‘n arm man het mos nie size nie”, het die antwoord gekom...

Laat ‘n mens dink nê?

SA's Olympic hopefuls

RUSTENBURG HERALD - RUSTENBURG - With the Summer Olympic Games set to start July 23, there was joy for Wayde van Niekerk at the Continental Tour Silver event meeting in Madrid on Saturday night.

But for two-time Olympic champion and three-time world champion Caster Semenya, there was just more frustration. Van Niekerk, the current 400m Olympic champion, finished second in 44.56 seconds and although he was headed across the line by Colombia's Anthony Zambrano (44.51), both men easily dipped inside the Olympic qualification time of 44.90 seconds. Our Wayde started well and quickly moved into a strong position at the front of the race in the opening 200m, but with 50 metres

remaining, Zambrano nudged ahead. Van Niekerk, though, will be delighted with his time of 44.56, while South African champion Zakithi Nene ended seventh in 46.42.

For Caster Semenya the meeting was much less pleasurable. She finished fourth in 15min 57.12sec, behind German winner Miriam Dattke (15:34.92), second-placed Frenchwoman Sara Benfares (15:40.97) and Kenya's Agnes Mumbua (15:48.15).

Semenya's agent, Jukka Harkonen of Finland, told media that she will next run in the 5 000m in Liege, Belgium on 30 June - a day to late to still qualify for the games.

Semenya (30), is barred from defending her Olympic 800m title.

In the 100m, Gift Leotlela breezed to victory in 10.15sec. Leotlela led from gun to tape, with Filippo Tortu in second in 10.27 and Mouhamadou Fall third with 10.28.

South Africa's 200m record-holder, Clarence Munyai, competed in the 100m semi-final and ran 10.60 to qualify for the final, but he did not participate in that race.

The two other SA athletes in Madrid were Taylon Bieldt, who finished fourth in the women's 400m hurdles by stopping the clock in 56.98, while Antonio Alkana was seventh in the men's 110m hurdles semi-final in 14.38.

Impala launches mobile career expo

RUSTENBURG HERALD- RUSTENBURG- Impala Rustenburg has developed and launched an innovative mobile Career Expo, an inspirational and aspirational showcase which will introduce more than 5 700 local high school learners to the wide range of career opportunities in the mining industry.

The expo launch was timed to coincide with Youth Month, which this year is themed around "The Year of Charlotte Mannyax Maxeke: Growing youth employment for an inclusive and transformed society".

The mobile Career Expo is visiting 12 high schools in the mining community - all of which are supported by Impala Rustenburg - from May 28 to August 17, with breaks in the schedule to accommodate the school's exam and holiday timetables. The Career Expo will reach learners in Grade 9 (providing subject choice guidance for Grade 10), and in grades 11 and 12 to assist in career planning.

"Impala Rustenburg believes in building and growing our future, and investing in our youth is key. With this in mind, we recognised the need to highlight the broad scope of career opportunities in South Africa's mining industry for our high school learners. The mobile nature of the expo enables us to reach a greater number of students than previously possible, while also adhering to Covid-19 restrictions on gatherings." Mark Munroe, Impala Rustenburg's CEO said.

In a letter to Impala Rustenburg, the district Department of Education confirmed its support for Impala Rustenburg's Career Expo. The Career Expo is hosted by South African comedian, Jay Boogie, and keeps the learners engaged and interested, while highlighting several of Impala Rustenburg's initiatives aimed at empowering the youth, including:

- On-the-job training, which is provided for some entry-level jobs
- Graduate internships, available across a wide range of disciplines. Minimum requirements considered for a graduate internship, include a matric certificate or a higher qualification
- Learnships for specific job categories
- Cadet programmes, which develop critical mining skills
- Bursary programmes to fund university education for matriculants

The Career Expo will educate the students about their options and equip them with information about what they can look forward to if they choose a career in the mining industry – either with Impala Rustenburg or another mining company.

Local School refurbished by Glencore

RUSTENBURG HERALD - RUSTENBURG - On Wednesday (June 9), Glencore Ferroalloys' Kroondal Mine handed over a renovation project completed at Kroondal Primary School in Rustenburg.

The project to the value of R6.5 million is aimed at creating a more conducive learning environment for the pupils at the school.

As part of the Western Chrome Mines Social and Labour Plan, the refurbishments to the school were made in 3 phases; installation of a perimeter fence to enhance safety at the school, construction of a GreensSource soccer field which also functions as a water source for the provision of portable water to the broader community and construction of an ablution facility towards the promotion of health, respecting human rights and human dignity.

Vulela Makuni the Mine Manager at Kroondal Mine says this handover was an important way to demonstrate the mine's commitment towards upholding human rights and human dignity in communities near their operations.

"The refurbishments at the primary school are close to our hearts because we are passionate about investing in the youth of our country especially when it comes to their safety, personal development and education," he said.

Situated in Ikemeleng, Kroondal Primary School caters for the education needs of over 836 leaners from the community. Elias Sello

Moroane the Principal of Kroondal Primary School thanked the mine for its support, saying this was an investment in the future of the learners at the school, as well as the community at large.

"We are so grateful for what Kroondal Mine has done for our school. This support will go a long way in ensuring that our learners look forward to being at school which will in turn improve their overall educational experience. What we are particularly excited about is our soccer field which is not only important for the development of our students but will help us provide clean water to the people in this community" he said.

"Glencore does not shy away from its intentions

to create prosperity in our communities and this can only be realised through meaningful influence and change in the lives of communities around our operations. Education is particularly important in transforming lives and capacitating both learners and educators. As a mine we will continue to explore other initiatives that are conducive to the learning environment." said Conroy van der Westhuizen, Chief Corporate Social Responsibility Officer at Glencore Ferroalloys.

The handover was attended by representatives from Glencore, the Department of Education, the School Governing Body and the School Management who all celebrated the positive impact the initiative would make in the community.

Rustenburg Impala Rugbyklub hervat bedrywighede

RUSTENBURG HERALD - RUSTENBURG - Na 'n onderbreking van bykans 12 maande, indien nie langer nie, het Rustenburg Impala Rugbyklub baie onlangs met 'n talentvolle nuwe groep begeesterde spelers sy bedrywighede hervat.

Die klub het weer begin oefen en selfs in enkele wedstryde teen soms gedugte opponente die waters in aanloop tot 'n nuwe rugbyseisoen begin toets. Groot opwinding heers en daar is goeie vooruitsigte nadat die vermaarde voormalige speler en huidige afrigter van formaat - Joel Scherman as nuwe hoofafrigter van Rustenburg Impala aangestel is. Joel sal onthou word as 'n opwindende speler vir wie die opponente se doellyn spreekwoordelik bekende "weivelde" was. Joel het aanvanklik op vleuel uitgedraf, later as flank, hy was Rustenburg Impala-kaptein en later ook Noordwes-kaptein.

Joel het vandeeweek met Waldie Volschenk van Rustenburg Herald gesels en sy opwinding oor die nuwe verwickelinge by Impala met ons gedeel.

"Die meeste spelers is jong manne wat baie lus is vir die spel en ons sien daarna uit om die span te bou en te verfyn - daar is heelwat werk maar gelukkig lekker werk!". "Vir my is dit ook heerlik om na 'n betreklik lang afwesigheid uiteindelik terug op eie bodem te wees, nadat ek in Pretoria en Thabazimbi 'n paar draaie gaan maak het. As een van ons eerste verpligte om die rooster het Rustenburg Impala onlangs teen TUT (Tswane University of Technology) uitgedraf en hul verbasend goed van hul taak gekwyd deur die Pretorianers op hul neuse te laat kyk - natuurlik glad nie vir die Platinastad se spelers 'n buitengewone gebeurtenis nie as 'n mens 'n bietjie deur die rekordboeke van die afdelinge paar jaar blaai.

"Nietemin, albei spanne van Rustenburg was aan die wenkant - boonop het 'n groep O/20-spelers van Rustenburg aan die Luiperds Curriebekerproewe deelgeneem en goed van hulself reenskap gegee. Ek glo dat hulle sal deurkom en dat ons hulle vorentoe gereeld in dié liga in aksie sal sien", vertel Gool opgewonde.

Die belangrikste nuus vir die korttermyn is dat Rustenburg Impala Rugbyklub se algemene jaarvergadering eerskomende Donderdag, 24 Junie, om 18:00 by die klubhuus plaasvind. Die klub vra dat alle oudspelers en belangstellendes die vergadering bywoon - onthou dat streng Covid-protokol van toepassing sal wees. Voorlopig is klubrugby in die Bulle-liga gestaak tot en met 5 Julie weens die derde vlaag van Covid-19 wat die land tans in 'n greep het.
