# Were you a victim of Metro Police horror?

**RUSTENBURG HERALD – RUSTENBURG - Horror stories of various incidents wherein motorists and the general public were victimised by the Johannesburg Metro Police were reported by the leading Afrikaans radio station RSG in recent weeks.**

Motorists have told stories that made the hair on one's back stand on end on how women and especially those who were driving alone after dark were forced off the road by "blue light vehicles" clearly marked as Johannesburg Metro Police whereafter the drivers/passengers were being accused of wrongdoings on the road with threats of "huge fines" or even being locked up overnight or for the weekend against these defenseless women. Claims of similar incidents, although

not as extreme, have also been heard by the Rustenburg public in recent months and years. If you have been a victim of such brutality by so-called law enforcement agencies, we would like to hear from you. Write an email to [waldie@rustenburgherald.co.za](mailto:waldie@rustenburgherald.co.za) or [zandre@rustenburgherald.co.za](mailto:zandre@rustenburgherald.co.za) with particulars on the circumstances of the incident such as when, and where these alleged incidents took place and what the outcome of it was. Also tell us if you took action against the responsible parties/individuals and/or whether your complaints have been attended to or not at all. You can also send a WhatsApp to Waldie Volschenk on 072 608 7313.

# Bernard Roodt groet na meer as 42 jaar

Deur Annette Hoon

**RUSTENBURG HERALD - RUSTENBURG - Toe William Menninger die geheim van sukses in ses towerformules - opregtheid, integriteit, nederigheid, hoflikheid, wysheid en barmhartigheid – saamgevat het, het hy sekerlik Laerskool Vastrap se hoof, Bernard Roodt, in gedagte gehad.**

Dié groot gees in plaaslike skoolkringe het op 31 Mei 2021, na 42 jaar en 5 maande se diens in die onderwys, die tuig neergelê.

Die gebore Pretorianer het by die Onderwyskollege van Pretoria (NKP) studeer en op 1 Januarie 1979 sy onderwysloopbaan by Laerskool David Brink in Rustenburg begin. Na slegs vier jaar word hy in Januarie 1984 as Departementshoof: Natuurwetenskappe en Wiskunde aangestel. Dit het die weg

gebaan na die adjunkhoofpos by Laerskool Vastrap in 1993 waarna hy in 1999 die vierde hoof van die skool geword het.

Dié tydperk is die goue jare van Vastrap. Die leerlingstal styg van 1092 tot 1700 en plat weer af tot 1500. Vandag het Vastrap 124 personeellede waarvan 79 onderwysers is. Kenmerkend aan Bernard Roodt se geloof in sterk familiebande is 18 van dié onderwysers getroude paartjies met nog onderwysers

wat ook families is. Sy nalatenskap by Vastrap sluit in die vestiging van die Vastrap Trust wat 11 eiendomme besit, 24 nuwe klaskamers en ander geboue, weervaste netbalbane, swembad, boogskietbaan, drie bussies, kafeteria, personeelkamer en personeelwerkstasies. Die paviljoen is 'n skoolhoogtepunt. Hier word die klerewinkel, Die Koraalblom, ook gehuisves. Op sport- en kultuurgebied troon Vastrap uit en vestig Roodt die skool as een van die toplaerskole in Suid Afrika – bekend van die Kaap tot in die verre ou Noord-Transvaal. Vastrap word in 2004 deel van die Laerskole se Super 12-groep en loop jaarliks met die louere weg in onder meer rugby, netbal, atletiek, krieket, gholf, Algemene Kennis, Bybelvasvra

en Redenaars. Hy dien vir meer as 13 jaar op die Super 12-direksie en vanaf 2017 tot 2020 is hy die Uitvoerende Direkteur van die gesogte kompetisie. Bernard Roodt het net sy heel beste gegee en net die beste van sy afrigters verwag. Hiervan getuig verskeie netbalspanne se prestasies by die Laerskole SA Netbalkampioenskappe en die talle atlete met goue medaljes by SA's.

Verskeie massarevue-geleenthede sien die lig waarin meer as 98% van Vastrap se leerlinge optree. Op nasionale vlak staan Vastrappers jaarliks uit in ATKV-redenaars en Rapportryers-Bybelvasvra. Akademie is altyd prioriteit en die skool ontvang in 2016 die toekenning vir beste uitslae in die ANA-eksamens vir Wiskunde in Noordwes.

Hy is op 2 Desember 1976 met sy vrou, Lizette, getroud. Hulle het twee seuns, twee skoondogters en twee kleinkinders.

Hy sê: "Na 42 jaar en 5 maande, op 31 Mei 2021, sal dit my laaste dag in die onderwys wees. Dit was 'n ongelooflike voorreg om vir 27 jaar en 5 maande deel van die puik skool te kon wees, waarvan die laaste 22 jaar 5 maande as skoolhoof. In die tydperk was Lizette altyd daar om te ondersteun en het ook die meeste van Vastrap se aktiwiteite oor die laaste twee dekades bygewoon – ons gaan dit beslis mis." Bernard en Lizette wil daar wees vir hul Rustenburg-kinders en gaan nie weg trek na aftrede nie. Uit die Platinastad gaan hulle die land verder verken, verder reis en nog 'n keer hul vriende in Rodez, Frankryk opsoek. Hulle wil ook na Covid-19 vir sy jonger seun en skoondogter in die VSA gaan kuier. Hoe sal Vastrap hom onthou? As die hoof wat elke kind by die naam geken het. Die hoof waarvoor kinders, gesinne en families saakgemaak het. Die hoof wat self gebuk het om papiere op te tel. Die hoof wat kind en kraai aangespoor het om persoonlike bestes te bereik. 'n Vastrapper in murg en been.

Laerskool Vastrap groet mnr Bernard Roodt met sy eie woorde: "Mooi loop!"

Met dank aan Vastrap se ouergemeenskap – "Vriende van Vastrap" – wat hierdie spesiale bladsye moontlik gemaak het.

Leerlinge van Laerskool Vastrap laat hier nagenoeg 1 600 ballonne los uit dankbaarheid teenoor Bernardt Roodt tydens sy afskeid wat vroeër vandeemaand boonop op sy verjaarsdag plaasgevind het.

Bernard en Lizette Roodt groet die skool. Die Rustenburg Herald, hier verteenwoordig deur Cecile Volschenk (heel links), sê dankie aan die Roodt-egpaar vir 27 jaar se gereelde samewerking.

**Suspect in court for unlicensed firearm, ammunition and explosive gel**

**RUSTENBURG HERALD - PHOKENG- A 34-year-old suspect was expected to appear in the Bafokeng Magistrates' Court in Tlhabane on Thursday (20 May), on charges of Possession of unlicensed firearm, ammunition and explosive gel.**

The suspect's court appearance emanates from his apprehension on Tuesday (18 May), after the vehicle that he was in was intercepted near Rietvelling graveyard in Phokeng outside Rustenburg. According to information received from Lt/Col Amanda Funani, provincial police spokesperson, police received a tip-off from members of the community regarding a conspiracy to commit house breaking at a farm in the vicinity of Swartruggens. Consequently, the Tactical Team of Bojanala Platinum Sub-District 2 acted swiftly by following the leads and interrupted the vehicle; a Toyota Prado. Two of the three occupants managed to flee while the 34-year-old was arrested after the police found 9mm, live ammunition, magazine and explosive gel inside the vehicle. The Acting Provincial Commissioner of North West, Major General Dintletse Molefe, congratulated the Sub-District Tactical Team for their hard work that led to the arrest of the suspect. The General emphasised that there will be no rest until the two remaining suspects are nabbed. She also thanked the members of the community who came up with the information that assisted police in preventing the robbery.

# Cold, and dark winter?

**RUSTENBURG HERALD - RUSTENBURG - South Africa could be in for some dark nights throughout winter.**

Eskom has warned South Africans to expect ongoing load-shedding during the evening peak period - for the next three months.

The power utility has been struggling to cope with consumers' demand for a few weeks and the grid has been under severe pressure. and Eskom has not been able to meet peak evening demand.

Even though Eskom is hoping that their generation units will be able to improve their output, a spokesperson for the power utility has said that South Africans should prepare themselves for ongoing load-shedding in the coming months. "There is a likelihood of ongoing load-shedding during the evening peak period - 17:00 to 22:00 - throughout winter," he said. This is in line with Eskom's previous comments that people should expect load-shedding to be a reality for the better part of the year.

Eskom expects some improvements from September 2021, but even then load-shedding will not be completely eliminated.

# Time is running out!

**RUSTENBURG HERALD - RUSTENBURG - Rustenburg property owners who did not get around to objecting to the new municipal valuation of their residential, business or agriculture property under jurisdiction of the Rustenburg Municipality before the deadline of Friday, 30 April, can indeed sigh with relief.**

The Municipality has announced that the objection period has been extended by another 45 days since the municipality has noted that not all residents in the area have received written notices (Section 49) of the new value of their properties within the necessary and legally required period

of 90 days. Property owners, businessmen and farmers now have until 15 June 2021 to lodge objections to the new valuation of their property at the Rustenburg Municipality if they wish to do so. Property owners who have not done so in recent months, are invited to view their new valuations at Room 127, First Floor, of the Rustenburg Municipality in Beyers Naudé Avenue. Objections may also be handed in at this office. Eienaars van residensiële, landbou of sakepersele in die Rustenburg-omgewing onder jurisdiksie van die Rustenburg Munisipaliteit wat van voorneme was om teen hul onlangs gepubliseerde nuwe waardasies beswaar te maak, het nog 'n rapsie meer as 'n maand se gracie om dit afgehandel te kry.**

Die Rustenburg Munisipaliteit het onlangs aangekondig dat hy die grasiëperiode vir besware van 30 April 2021 tot 15 Junie 2021 gaan uitstel omdat verdragings rondom die uitreiking van skriftelike kennisgewings in terme van afdeling 49 van die "Municipal Systems Finance Act" aan eienaars voorgekom het. Eienaars het hul skriftelike kennisgewings meestal te laat of in sommige gevalle glad nie ontvang nie. 'n Kennisgewingsperiode van minstens 90 dae aan alle grondeienaars word deur dié wet vereis.

Eienaars wat trouens nou nog nie op hoogte is van hulle nuwe waardasies nie, is versoek om by Kamer 127 op die Eerste vloer van die Rustenburgse munisipale gebou (Missionary Mpheni House) in Beyers Naudé in te loer en die waardasierol te inspekteer. # Impala Rustenburg invests in Kgaswane Mountain Reserve upgrade

RUSTENBURG HERALD - RUSTENBURG - An investment into an environmental treasure by Impala Rustenburg will leave a lasting legacy of eco-tourism, wildlife preservation and appreciation of nature for the people of Rustenburg thanks to a significant project undertaken by Impala Rustenburg to upgrade the resort.

Kgaswane Mountain Reserve is a pristine 5 300 hectare nature reserve on the northern slopes of the Magaliesberg. Amongst its treasures the reserve has a large natural wetland that crosses the central part of the reserve. It was designated as a protected UNESCO Ramsar site in 2019, which identifies wetlands of international importance, particularly those providing wildfowl habitat.

**The most recent project by the Rustenburg Impala to upgrade Kgaswane Nature Reserve included:**

- # Revamping the Kgaswane main entrance gate and facilities;
  - # Enhancing safety through introducing road signage and traffic calming measures;
  - # Building a bird hide overlooking the large natural wetland;
  - # Renovating all camping and ablution facilities;
  - # Upgrading the visitors' braai facilities;
  - # Providing environmentally friendly and baboon proof dustbins;
- The improvements undertaken by Impala will make a difference to the popular day visitor site and improve

the overnight camping experience at the reserve. The upgrades will also assist Kgaswane Mountain Reserve to attract a greater number of visitors to boost awareness of the rich environmental heritage of the greater Magaliesberg area.

Said Mark Munroe, CE of Impala Rustenburg: "We recognise the significant environmental and heritage value the Kgaswane Mountain Reserve adds to the region and its people. Working in collaboration with the North West Parks and Tourism Board, we have been investing in the reserve since 2016 as part of our commitment to go beyond environmental compliance. Impala Rustenburg is committed to leaving a legacy beyond mining. Supporting the mountain reserve is one of the ways in which we hope to achieve this."

The Kgaswane Mountain Reserve is home to a wide range of species of flora, mammals and birdlife – 320 bird species, including several raptors, are to be found in the reserve, which also hosts a population of more than 800 antelope and a large breeding herd of sable antelope. The reserve is situated in the Kgaswane Hills overlooking Rustenburg from the south.

Anna Pholokgolo, Braam Heystek, Idah Maruu, Mark Munroe and Johanna Tau officiating proceedings at the unveiling of a substantial upgrading project of Kgaswane Mountain Reserve by Impala Rustenburg.

Dr. Inelia Buys

# Dié meisie stuit vir niks

RUSTENBURG HERALD - RUSTENBURG - Inelia Buys was maar nog klein toe sy besluit het - soos baie jong kinders - dat sy veearts wil word.

Maar anders is meeste kinders wat dié besluit neem, het sy haar droom verwesenlik. Inelia was, vertel haar ma Delia Rossi, op skool 'n kind wat hard gewerk het en goed presteer het. "Seker maar omdat sy in 'n onderwyserhuis grootgeword het. Haar ouer suster was ook vir haar 'n uitstekende voorbeeld."

Die meisiekind met die wye glimlag en die wakker oë was maar altyd enetjie wat meer van die buitelig en diie plaaslewe gehou het as van fliiek of inkopiesentrums en die welstand van diere was haar baie na aan die hart. Dit was 'n baie groot teleurstelling toe sy uitvind sy kan nie keuring vir die veeartsenykursus kry nie omdat sy nie Natuurwetenskap as vak het nie. Inelia het nie in sak en as gaan sit nie; sy het dadelik by 'n instansie ingeskryf om die

saak reg te stel. "Sy het in een jaar Gr. 10, 11 en 12 se Natuurwetenskap bemeester - en in al haar vakke onderskeidings verwerf," vertel Delia.

Steeds was dit egter nie goed genoeg vir die universiteit nie en kon sy steeds nie vir diie kursus inskryf nie. Die Universiteit van Pretoria het haar aangeraai om 'n gewone BSc-graadkursus (Biologiese Wetenskap) vir 'n jaar te doen. Inelia het dit voltooi - en met 'n handvol onderskeidings geslaag. Sy het wéér aansoek gedoen vir Veeartsenykunde. Dié keer was daar egter 'n groter groep oorsese studente, asook matrikulante van die betrokke jaar wat ingeneem is. Sy het toe met een van die dosente by Onderstepoort gaan praat en dié het haar aangeraai om in te skryf vir die Veeartseniverpleegkundekursus en dan die volgende jaar weer vir die veeartsenykursus aansoek te doen.

Teen dié tyd sou meeste mense sekerlik al hul droom laat vaar het. Maar nie Inelia nie.

Wéér het sy alles in haar studies ingesit; lang ure as vrywilliger gewerk om soveel moontlik ondervinding op te doen. Haar ouers het haar studies kontant betaal, maar as gevolg van haar uitstekende uitslae - Inelia het gedurende haar studiejare 65 onderskeidings gekry - het sy 'n hele paar beurse ontvang.

#### Van die prestasies sluit in:

**2014:** Dip Vet Nurse (DVN) – slaag met onderskeiding, erekleure en Top 5 in die gradeklas.

**2015:** Merietesertifikaat vir Akademie toegeken deur die Verteenwoordigende Studenteraad (namens die Studentegemeenskap van die Universiteit van Pretoria).

Sy was ook haar klasvertegenwoordiger in die tyd wat 'n groot verantwoordelikheid was, aangesien sy talle projekte gelei het.

**2017:** Golden Key-eretoekening en lewenslange lidmaatskap van die eksklusiewe prestige organisasie.

**2020:** Finale Jaar sertifikaat vir uitstaande diens aan Onderstepoort Akademiese Veeartsenyhospitaal.

"Inelia se uitkyk was nog nooit om net diere te versorg of gesond te maak nie, maar om 'n verskil in ons land te maak deur haar passie uit te leef. Sy het nog altyd benadruk dat sy dit as haar plig beskou om ander te inspireer, te leer en 'n positiewe voorbeeld te stel," sê 'n trotse Delia en voeg by hoe haar dogter dwarsdeur verlede jaar se Covid-19 grendeltyd aande om gewerk in die hospitaal by Onderstepoort toe daar maar min vrywilligers was. "Dis hierdie toewyding wat daarvoor verantwoordelik is dat Inelia 'n uitstekende werksaanbod vir 2022 in Engeland aangebied is," meen Delia.

Sy sluit af deur die instansies en ondernemings wat Inelia met beurse gehelp het om haar droom te verwesenlik, te bedank. "Ek wil graag vir Pick n Pay uitsonder, aangesien hulle vir baie jare groot bedrae geskenk het omdat hulle Inelia se passie, hardwerkendheid, asook toegewytheid opgemerk en sodoende erkenning verleen het," sê Delia.

Dr. Inelia Buys

## DEVELOPING OUR YOUTH GROWING OUR FUTURE

### Get to know Kagiso Molefi

“ I am very proud to have completed the cadet programme and I'm excited to have a career in mining with Impala Rustenburg. ”

Kagiso Molefi (26), a resident of Freedom Park, graduated from Impala's three-month cadet programme earlier this year and is now employed as an equipment helper.

Commenting on how he came to be enrolled in the Cadet programme, Kagiso says, "I started studying electrical engineering but due to financial circumstances I could not complete the course. I then did carpentry and roofing piece work until I heard about the Cadet programme from my ward councillor.

Kagiso says about his new career and future plans: "I'm very comfortable underground; it's like a second home to me. My goal is to continue building my career at the mine, and to achieve a blasting certificate within a few years."

### About the Impala Cadet Programme

- The programme is designed to develop critical mining skills among unemployed youth within the mines' 17 local communities, and to provide employment opportunities within the mining industry.
- It is MQA accredited, and is delivered within the mine's training centres
- Between 50 to 100 candidates are enrolled every quarter.
- Since inception in November 2019 a total of 356 candidates have been through the cadet training programme and 221 have been given full-time employment on the mine.
- Before the course starts, candidates are invited to attend a one-day induction at the mine to understand how the mine systems work. At the end of the induction, if you are still keen to join the programme, you undergo a physical assessment and medical tests.
- The curriculum includes theoretical and practical training for the specific job types, insight into how the mine works and where the candidates' jobs are positioned within the full mine operations. It also covers additional training in financial life skills and basic business skills.
- Applicants need to be aged between 18 and 35 and have proof of residence within the local communities.

# Spekboom trees cut short in unusual "maintenance" project

**RUSTENBURG HERALD - RUSTENBURG** - Rustenburg Herald was dumbstruck last Wednesday morning as to what gave way to an important community project literally being "cut short" in inexplicable conduct by "someone" earlier last week.

In what many people understood as poor judgement, between 500 and 1 000 young spekboom cuttings trees which have been available to the Rustenburg Municipality in a painstaking process of "procurement" have been cut and indiscriminately destroyed by a team of workers of either the municipality or the contractor of the Transport Depot Department early last week. Apparently this was in an effort to "cut dry grass and uproot weeds" in the area immediately in front of the Transport Depot of the former Rustenburg Municipality in 43 Lucas Street. The spekboom trees were supplied by Laerskool Rustenburg – one of a couple of local schools which has been on board our Spekboom Tree Project since the launch thereof some four years ago and was in fact sponsored by Rustenburg Herald in what we considered an important community project titled "Giving Back to Mother Earth".

This unusual form of maintenance is expected to have been prompted not only by repeated enquiries by Rustenburg Herald as to maintenance and upkeep of the small "plantation" of spekboom trees earlier this year but more likely a posting by Rustenburg's Frans Rootman on social media last week in which the lack of maintenance of the area was criticized.

On Monday the following response was received from the Rustenburg Municipality on the issue:

*"The municipal grass cutting team embarked on cleaning of several side-walks within the jurisdiction of Rustenburg Local Municipality including a side-walk at Lucas Street, in front of the Municipal Fleet Station. The area was overgrown by mixed vegetation including alien invaders. To remedy the situation, the team had to remove all vegetation to mitigate the situation which was out of control by clearing all vegetation on site with the aim of replanting the remnants from the Spekboom."*

On 18 May 2021, the team cleared all vegetation at Lucas street side-walk to rehabilitate the area. All vegetation was cleared including Spekbooms /Elephant food which were planted on the sides of entrance gate at the Municipal fleet station. All spekbooms were taken to the municipal nursery for storage, while rehabilitating the site. Spekbooms are known for their resistance to drought and are easy to adapt after plantation Mr Boitumelo Magae, head of Communications at the municipality said.

The small plantation of spekboom trees after an unusual maintenance project by the Rustenburg Municipality last week.

# The changing face of franchising in real estate

**RUSTENBURG HERALD - RUSTENBURG - One must only look at a few new property brands that landed on our shores, and the way agencies operate in the United States to realise that the conventional way of doing business in property is fast changing.**

There is no doubt that the traditional franchising model needs to change, shaken up, and must get a new jacket soon. Agents generally do not enjoy an office environment, they want to sell everywhere, and they want a higher commission split. In a tech-driven society, this is possible and more real estate brands should make drastic changes or be left lagging behind on the growth curve.

As far back as 2010, Huizemark established its first virtual agency, allowing top agents from all the nooks and crannies of the country to join the brand and earn 90% commission under its Independent Agent

model. The agents have free online access to all documentation, training and plug-and-play marketing templates, and expert support that is only a phone call away. For some Huizemark Independent Agents, the model offered the opportunity to advance to a fully-fledged Huizemark Franchisee; for others (currently 132) the freedom to focus on sales and earn outstanding incomes remains paramount. Over the past ten years, Huizemark has grown its virtual agency model to such an extent that more than half of its franchisees operate on a virtual basis with no fixed premises. The Huizemark property group has seen exceptional growth nationally lately with an agent count exceeding 1300 across all provinces.

Over the past 14 years, Huizemark Rustenburg has proven to be one of Huizemark's flagship offices under the leadership of Ryno and Herman Cilliers. Their passionately 'orange team' served their clients with the highest integrity, respect, and care, doing business the Huizemark

Way. Over the years Huizemark became the trusted real estate name in Rustenburg, but sadly it is time to say good-bye. Huizemark wishes to thank Herman and his team for their dedication and wishes them all the best in their new endeavour. May you go from

strength to strength. Whatever the imminent changes in the traditional franchise model are, one thing remains true: technology can never replace a knowledgeable, caring Property Professional that adds value to sellers and buyers alike.

Die gewilde kuierplekkie Melkstal Express, vlak by die voordeure van Avura Motorhandelaars dreig die afgelope klompie maande lank toenemend om uit sy nate te bars en meer en meer Rustenburgers kom doen gereeld hier aan om soggens of smiddae 'n koue koeldrankie, sappie of warm dingetjie te kom geniet of om sommer die gemoedelikhed van Melkstal Express se mense of die geselskap van vriende te kom opsoek. Hier het baie vreemde, maar gereelde gesigte in 'n kort tydjie gewaardeerde vriende geword en die Express-span wil graag sy opregte dank en waardering teenoor alle Rustenburgers, nuwe en ou vriende asook Ben van der Walt van Avura en sy personeel vir hul vriendelikheid en hul deurlopende ondersteuning bedank. "Ons sien uit na julle volgende kuiertjie - laat ons gerus weet wat ons nog kan doen om die afsaal by Melkstal Express 'n aangename ondervinding te maak". Onthou - Melkstal Express is vlak by die Avura-oprit in Gareth Roberts-rylaan geleë - kom soek gerus vir jou 'n sitplekkie uit en sluit 'n nuwe vriendskap! (221855)

## Evotel speeding up completion of fibre roll-out

**RUSTENBURG HERALD - RUSTENBURG - Residents of Rustenburg are eagerly waiting for the completion of the Evotel fibre network to be connected to faster and reliable internet.**

The contractors Veatel and local, Mosia Ke Mosia, are diligently working in Protea Park, Safari Tuine, Waterval East, Boschdal and Rustenburg SP to have the network infrastructure completed as soon as possible.

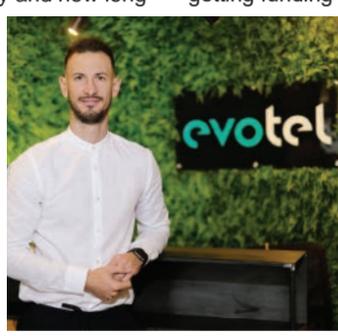

"It is difficult to determine the estimated time the installation will be fully completed. There is a multitude of things to consider and take into account with a build like this; for example, the weather can have an impact, the availability of building resources, or if the teams doing the installation were to accidentally hit any municipal infrastructures, there could be delays. In these cases it is all dependent on the municipality and how long we have to wait for them to repair the pipes or cables," says Bradley Bekker, Head of Business Development for Evotel. The original installation was supposed to be an aerial installation, which necessitated some additional poles to be erected with municipal lampposts as part of the infrastructure. The aerial installation was however stopped by the municipality and changed to a

trenched solution. In the change-over to a trenched solution some poles still remained in some places around the town. Evotel's Bekker however assures the Rustenburg Herald that as the build proceeds, the poles will be removed. "All the additional poles we had to install as part of the previous aerial installation will be removed before the completion of the project," he stresses.

The company already donated a number of the poles to the Rustenburg SPCA.

The SPCA will be using these to erect rental advertising space for local businesses, which will also act as an additional way of getting funding for the non-profit organisation to look after and feed the destitute animals in their care.

"We fully support the work the SPCA is doing and their efforts are close to our hearts, so we were happy to donate the poles to the organisation. We are also talking to them about additional support we can supply, which we will inform the residents of Rustenburg about soon," Bekker concludes.

Bradley Bekker - head of Business Development at Evotel

# Die G-om projek vier vanjaar sy 20ste bestaansjaar!

**RUSTENBURG HERALD - RUSTENBURG - Die G-om**

"Ons leuse: 'n Honderd jaar van nou af sal die bankrekening wat ek gehad het, die soort huis waarin ek gewoon het of die soort klere wat ek gedra het, nie saak maak nie. Maar die wêreld mag baie anders wees omdat ek 'n verskil gemaak het in die lewe van 'n kind."

"Die G-om projek of Wee (Skots vir klein) -care project is 'n projek om minderbevoorregte voorskoolse kinders in Rustenburg en omliggende gebiede te help. Die kinders is van verskillende rasse en kleur is nie 'n oorweging in die projek nie.

Die projek vind plaas vanuit die NG Kerk Rustenburg-Suid se kerksaal (wat hulle gratis aan beskikbaar stel) vanaf Maandag tot Vrydag – 08:00 – 11:00. Die projek bestaan uit twee dele: 'n Voedingskema - Voorskoolse kinders kry van Maandag tot Vrydag 'n voedsame maaltyd en 'n vrug, met vrugtesap of melk. 'n Stimuleringsprogram - Ons volg 'n goedgekeurde program by ons projek. Ons is baie trots om te sê dat ons elke jaar vir elkeen van ons kinders wat graad 1 toe gaan 'n stel skoolklere gee en 'n skooltas met al hul skryfbehoeftes en benodighede vir graad 1. Die projek sluit gewoonlik aan die einde van November, wat beteken dat die kinders vir minstens 6 weke geen kos vanaf die projek kry nie. Daarom word 'n basiese kospakkie uitgedeel. "Love Run" - Die pretloop, gewoonlik middel November elke jaar, is ook ter ondersteuning van kospakkies en deelnemers bring slegs 'n blikkie of blikkies kos om bogenoemde

vervoerkoste is altyd ons grootste finansiële uitdaging. Hoe kan jy help? Help kosmaak, Bak/borg 'n verjaarsdagkoek, Borg 'n kersgeskenk, Skenk artikels vir kospakkies, Kom help kospakkies pak, Help met die stimulering, Borg 'n kind se busgeld, Gee vir ons 'n donasie van die bedrag van jou keuse, Ondersteun ons 20ste verjaardagviering, naamlik Lootjie-boekies, "high tea" en 'n moontlike gholfdag.

Gaan kyk asseblief na ons projek op Facebook: G-om projek in Rustenburg. Kom raak betrokke by ons! Jy sal verbaas wees oor hoeveel dit jou verander .....

It was 3 million and she paid 20% from that money. I then tried calling him and he told me about shortboys to put money in my account, or my house, but I chose shortboys to put money in my account, so I asked him how much must I pay when I want 2 million. He said I will pay after the job is done but I have to send him some little money first to buy food of shortboy's who's going to deposit the money in my account. I did that, he then told me to send my banking details and wait for 1 hour and 30 minutes I will get a message from the bank. I got a message from the bank and I also went to withdraw 20% and went to give him his money in his office. So I thank my friend for introducing me to **Baba Mwambe**. ## Planned E-Home Affairs branches in Rustenburg

RUSTENBURG HERALD - RUSTENBURG - People born in South Africa have been able to apply for their smart ID cards and passports using the E-Home Affairs system.

This was the case since the country's Covid-19 alert status was lowered to level 1 at the beginning of March. Through the E-Home Affairs programme, South Africans were able to get these crucial documents from four of the country's five major banks — Absa, FNB, Nedbank and Standard Bank, while Discovery Bank and Investec have only recently launched their first E-Home Affairs branches.

South Africa first launched its Smart IDs in 2014, initially limiting the availability to first-time applicants and pensioners. The eligibility requirements of the new ID cards were since relaxed to include residents of Gauteng and residents in the rest of the country between the ages of 25 and 40, and,

finally, everyone. A pilot of the E-Home Affairs system, initially called the "e-channel portal", was conducted during 2015 and the system was officially launched in April 2016.

To capture your biometric data and collect your documents from a bank branch, you must be a client of that bank. If your bank does not participate in the programme, or if your bank does not have an E-Home Affairs branch close to you, then you will have to book your biometric data capture appointment at the most suitable and available Home Affairs office.

Planned E-Home Affairs branches in Rustenburg include Nedbank Rustenburg Square and ABSA Waterfall Mall.

## Pret uit die soet en kraak uit die krul – ons bak koeksisters!

Elke stad of dorpie het sy mense wat daarop aanspraak maak dat hulle/hy/sy die lekkerste koeksisters in die hele omgewing bak. Baie hiervan is nie noodwendig vreeslik ver van die waarheid af nie. Daar is en bly maar baie goeie bakkers met uitstekende resepte orals in ons land en Suid-Afrikaners het oor die algemeen maar 'n taamlike groot holte in die spreekwoordelike soet tand. (Die skywer van hierdie artikel is een daarvan). Ons het onlangs met 'n Rustenburgse dame kennis gemaak wat tereg in baie kringe as Rustenburg se "koeksistertannie" bekend staan. Mara Schoeman bak feitlik daaglik koeksisters en het 'n langerige lysie permanente bestellings. Sy is ook al sô bedrewe met die bakkery/doperie en wat alles in die proses gebeur dat sy dit sommer sô toe oë tussen die gekuiery en beduiery deur doen. Mara is toevallig ook heerlike geselskap en dit kon seker ook nie anders nie - hoe sou 'n mens dan nou ooit kon glo dat 'n effense suurknol of kwaaijerige tannie die lekkerste koeksisters kan bak? Nouja, hierdie week

slaan ons in Mara se kombuis tent op en ons trek sommer dadelik die natlappies en voorskote nader want wees gewaarsku – koeksisters bak kan in 'n taaierige spulletjie ontaard – al is dit dan ook net so met die "getoetsery" deur om seker te maak dat die koeksisters heeltemal aan die standaard voldoen... Sonder om nou stroperig te raak, moet ons noem dat ons sommer gou-gou besluit het dat Mara haarself oneer aandoen met die "koeksistertannie"-ding - sy is ongetwyfeld die koeksister-koningin! Mara maak haar lekkerste lekker koeksisters sô: (**Jy kan Mara gerus skakel as jy die heerlikste koeksisters wil bestel - 073 472 8150**).

## Stroperige koeksisters

### Koeksisterstroop:

250 ml water  
625 ml suiker  
12 ml suurlemoensap

Metode: Meng alles saam en kook vir 10 minute – Mara laat staan die stroop oornag voordat sy koeksisters bak.

### Koeksisterdeeg:

375 ml koekmeel  
22 ml bakpoeier  
1 ml sout  
20 g Margarien  
150 ml melk  
750 ml olie

### Metode:

Meng koekmeel, bakpoeier, sout, Margarien en melk saam tot 'n stywe, maar nie-klewerige deeg. Rol uit, sny en vleg. Bak die koeksisters in diep olie totdat dit lekker krakerig is en 'n mooi goudbruin kleur het, haal uit, doop vir 'n paar oomblikke in stroop en plaas op draadrakke om effens af te drup en af te koel voordat jy dit bêre.

Meng jou bestanddele tot 'n stywe maar nie-klewerige deeg en rol dan uit.

Mara is goed toegerus met 'n deegmenger en pizzamesse om die werk makliker te maak. Alle mense vleg hul koeksisters op verskillende maniere – die kuns lê eintlik in die smaak!

Bak die koeksisters in diep olie tot mooi goudbruin en lekker krakerig en bros.

Sô moet 'n perfekte koeksister lyk!

Mara verpak hare sô voor sy aflewer.

Mara het 'n passie vir koeksisters bak en haar werk is haar plesier – "dit is lekker as 'n mens se werk vir ander soveel plesier bring!"

## Bejaardes sê dankie

### Geagte redakteur

Verlede week het die Rustenburg Herald 'n pleidooi geplaas van ons bejaardes van die Kremetartwoonstelle waarin ons vir hulp vra om ons blyplekke so klein bietjie meer leefbaar te maak.

Ons waardeer die platform wat die koerant ons gebied het baie.

'n Hele paar mense het al gebel om hulp aan te bied, en daarvoor sê ons ook baie dankie. Ons sien só uit na die verskil wat jul betrokkenheid gaan maak.

Ons wil van die geleentheid gebruik maak om te vra of daar nie miskien 'n gekwalifiseerde elektrisiën is wat dalk ook vir ons kan kom handgee nie? Hier is 'n woonstel waar die ligte byna elke derde dag ontplof - letterlik. Hulp hiermee sal ontsaglik waardeer word.

As jy kan help, skakel my asseblief op 060 610 9660

## Vir die wat altyd kla oor behandeling by JST Hospitaal ongevalle

### Die redakteur,

Ek wil net my ondervinding met julle deel, my man het op 10 Mei 2021 'n moontlike beroerte gehad, wat hom laat val het en hy was bewusteloos. ER Ambulansdienste het hom kom haal en na JST vervoer. Ek het agter hulle gery en het saam met hulle ingestap. By ongevalle is my man onmiddellik deurgevat na die ongevalle-saal waar een van die susters op diens dadelik 'n bed aangewys het, hy is oorgeplaas en net daarna na die ander saal in ongevalle gestoot waar hy op suurstof en 'n drip gesit is. Ek wil net noem dat ek verbaas was om in 'n skoon, netjiese saal in te stap, geen vuil, bebloede lappe, lakens of enige gemors op die vloere te vinde nie. Alles was op sy plek. Elke pasiënt was of met laken of komberse bedek wat skoon was, die saal

was vol en ambulans het gekom en gegaan, pasiënte het ontvangs volgesit, wat gewag het vir behandeling. Ernstige gevalle is eers gehelp, voor die minder ernstige gevalle.

Die verpleegpersoneel was behulpsaam, vriendelik en goedgesmanierd. Die ongevallepersoneel was uiters bekwaam, hulle het ook mooi gewerk met hom. Ek was tot 02:00 die oggend daar en hulle het alles gedoen wat nodig was. Selfs die volgende dag was alles netjies en skoon. Dit is my ondervinding by JST-ongevalle. As mens hulle met respek behandel, sal hulle jou ook so behandel, ek glo nie dit is vir hulle lekker om met ongemanierde mense met eise te werk nie. Hulle was uiters besig, maar het bewaam opgetree wat mens van verpleegpersoneel en dokters verwag. "Tevrede".

## Diskwalifikasie van selfverdediging die laaste strooi

Die Suid-Afrikaanse vuurwapengemeenskap, jagters- en sportskietorganisasies is op die oorlogspad nadat dit aan die lig gekom het dat voorgestelde konsepwetgewing rondom Suid-Afrika se omstrede Vuurwapenwysigingswetsontwerp voortaan nie meer selfverdediging as geldige rede vir 'n aansoek om 'n vuurwapenlisensie sal aanvaar nie.

Met hierdie voorstel op die tafel moes Suid-Afrikaanse vuurwapeneienaars finaal beseft het dat die Suid-Afrikaanse regering nog nooit opregte bedoelings rondom die omstrede vuurwapenwetgewing van die afgelope tyd gehad het nie, maar dat hy duidelik daarop uit was om uiteindelik alle vuurwapeneienaars in die land te ontwapen.

In die boeke van enige logiese mens behoort die reg tot selfverdediging enige plek ter wêreld meer as genoeg rede vir die besit van 'n vuurwapen te wees. In 'n land soos Suid-Afrika waarin misdaad hoogty vier en waarin ernstige misdade soos plaas- en huisaanvalle, moord, roof, verkragting en voertuigkapings by die dag toeneem, behoort dit eintlik vreemd te wees dat enige aansoeker

nog nodig het om 'n motivering vir sy aansoek om 'n vuurwapenlisensie aan te voer. Spreek dit dan nie vanself nie? Is die reg tot selfverdediging dan nie regoor die wêreld juis die eintlike rede vir die florerende internasionale vuurwapenbedryf nie?

Daar word sedert 1994 vreeslik gewag gemaak van sogenaamde menseregte in Suid-Afrika. Is ons regering dan nie hier 'n klomp skaamteloze huigelaars nie? Watter regte het mense dan hoegenaamd indien die reg om jouself, jou lewe, die van jou geliefdes en jou besittings te verdedig jou ontnem word? Natuurlik moet die Suid-Afrikaanse Polisie se onwilligheid indien dan nie sy totale onvermoë, om hierdie belangrike taak te vervul, ook ingesluit word. Nee wat, eers het hulle ons geld gevat, toe het hulle ons wapens gevat, nou wil die regering ook ons regte om onself te verdedig van ons wegneem. Dit sal 'n onvergeetlike tragedie wees. Niemand het nodig om te noem dat die regering vanaf Dag 1 nog niks gedoen het om plaasaanvalle en -moorde te bekamp nie. Hierdie konsepvoorstel kan vir alle Suid-Afrikaners net een ding sê - dat ons lewens in hierdie land niks werd is nie!

## Disqualification of self defense the last straw

The South African firearm community, hunters and rifle sport fraternity are on the warpath after it came to light that a new proposal in terms of the country's Concept Legislation on Firearm Control might soon no longer consider self defense as a qualification in future applications for firearm licences. With this proposal it should become clear to all firearm owners that the South African government had never planned to drive the controversial firearm control legislation in good faith, but that it was absolutely determined all along to disarm the South African gun owners community.

In the books of any reasonable person, the right to self defense should be the primary and most important reason of all for gun ownership. In a country such as South Africa wherein crime such as farm attacks and murders, house robberies, armed robberies, car hijackings and

murder are reported almost every hour of the day or night, even more so. Against this background, it is actually surprising that anyone should have in fact a motivation at all in any application for a firearm licence. Surely the situation in this country speaks for itself, doesn't it? Is the right to self defense not in fact the very reason for the flourishing international arms manufacturing industry? Isn't the government ridiculously hypocritical with this? Then why is the President or any government Minister permanently guarded by an armed "army" of numerous men?

But not "ordinary people" in this country. Of course, this legislation would never apply to any ANC stalwart or high profile politician. It is very clear, our lives have no value whatsoever in this country - our money yes, but that's completely another story!

## Is dit verlange of nostalgie?

### Die redakteur,

Dit is einde Mei, die koue beweeg vinnig in, en diep in my wese is 'n verlange van dae en jare wat vir altyd verby is! RLIG – Rustenburg se Landbou- en Industriële Genootskap. Die wonderlike tye van Skou!

Die mallemeule was lankal duidelik opgeslaan, die woelinge van eet-kiosks, sale uitverf en bees-en skaaphokke in orde kry. Die rosette was lankal bestel, beoordelaars gereël en met afwagting is gewag dat die hekke oopmaak. Vir my is dit veral die Ans van Zyl-saal wat ons so mis by die Vroue Landbou-unie. Daar waar ons gesond kon meeding, baie kon leer en erkenning gekry het vir harde werk. Dit was 'n leerskool waar aspirant-beoordelaars kon inklim en hulself verbeter, waar kundige raad somer in die saal rondgestaan het. Wat 'n gemis!! Mejuffrou Skou en haar prinsesse het grasieus rondbeweeg en bewondering afgedwing. Die pragtige perde is met trots in die arena gery en in die spesiale saal kon jy pluimvee sien wat nêrens anders te siene was nie. Dit is vir my hartseer dat goeie tradisies so saggies moet heengaan. Gebrek aan finansies, ruimte en koste van deelname

het sy tol geëis. Ons het gelukkig wonderlike herinneringe van daardie jare toe die koue en reën ons nie kon keer om 'n goeie, outydse Skou te kon bywoon nie. Dankie dat ek my hart kon deel - ek wou maar net sê.

Pam van Rensburg,  
Marikana VLU-tak.

## Help asseblief

### Die redakteur,

Vir baie jare loop ek vanaf Kerkstraat 59 na die Rustenburg Herald se kantore om koerante te koop en blokkiesraaisels in te handig. So ongeveer drie jaar gelede het daar mense my gehelp toe hulle hoor ek loop elke Wonesdag Herald kantore toe. Elke Woensdag was hulle bereid om my te neem en terug te bring sonder enige vergoeding. Nou het die mense se besigheid dood geloop en ek is reeds in my 75 jaar en kan nie meer so ver loop nie. Is daar dalk nog iewers 'n barmhartige samaritaan wat my kan help asseblief (073 367 1993).

Byvoorbaat baie dankie,  
Netta Stroebel.

## Thank you, Job Shimankana Tabane Hospital

### The Editor

May I take the opportunity of extending my gratitude to all concerned in my recent pleasant experience at our local Job Shimankana Tabane Hospital (April 2021). I was admitted with dignity, all necessary precautionary test scans were undertaken prior to total knee replacement surgery, no thanks to the bombastic arrogant, rude echo scan consultant. My Ward 5 room and ablution was beyond expectations, hygienic and cleanliness was evident (even 2 ply Baby Soft). All ward staff, thanks to the Sister in charge (Tsepelo) were very helpful and polite. Theatre was 1 to 6 - new addition of high standard including wonderful staff - special thanks to Theatre Sister Schoeman who made my visit to theatre a warm, welcoming experience. I have now been for review and all is well - so relieved to have undergone the surgery which I delayed for four plus years due to bad publicity.

Thank you and blessings to all!  
Grateful Patient (Angela)

## Water shortages at Bester, Tlhabane

### The editor

Its with great disappointment that I'm writing this. I'm a bester resident. Its about 7-8 days without water now. Water is life, a basic necessity. How are we expected to cope especially with the corona also in our daily lives. How do we make sure kids are free from viruses when a simple necessity as water is nowhere to be seen nor found. What's disturbing is the fact that nothing was communicated with the residents that we will be experiencing water shortages. Called municipal offices, water department and all we hear are stories. Why is it taking so long to fix a burst main pipe...I wonder? Our JoJo tanks have ran out, we have to go beg for water by the surrounding areas. I wonder those who don't have JoJo tanks managed to cope for this long. Please can someone please explain what is the problem.

Frustrated Bester (Tlhabane unit 3) resident.

### The editor

How many times have we heard about water restrictions in the city of Rustenburg, each and every week we hear about residents without water. In this case it is safe to say every drop counts. On that note, a meter was stolen about a month ago at 40 Soetdoring Avenue, Protea Park, across the road from Protea Park Primary School. In the meantime

water is being wasted. The Rustenburg Local Municipality has been informed about this problem, reference numbers provided and all. But the issue has not been involved. We are hoping that someone in authority can read this letter and maybe do something about it as water is being wasted. As said, every drop counts in the times we are living in.

# Larries presteer in Bethlehem

Tiana van Niekerk, Anelia Nel, Linchen Langeveldt, Mia de Wet, Eldrich Gezorke, Retshie Mputle, Evan Erasmus en Lohan Reynecke.

**RUSTENBURG HERALD - RUSTENBURG -** Laerskool Rustenburg se o/11-seuns en dogterstennisspanne het vanaf 4 tot 8 Mei 2021 'n baie geslaagde tennistoer na Bethlehem meegemaak.

Hulle het aan die Truida Kestell Tennistoernooi vir o/11-spanne deelgeneem en skitterend presteer. Hierdie toernooi is een van die grootste toernooie vir laerskole in die land met tot 85 spanne in "gewone" jare. Hierdie jaar het altesaam 37 skoolspanne deelgeneem. Die dogterspanne het algeheel tweede gekom in hul groep van 15 skole en die seunspan tweede in hul groep van 17 skole. Die seuns het in die B-afdeling deelgeneem en by die meisies was daar net een afdeling. Dit was vir albei spanne 'n groot oomblik om Saterdag in hul onderskeie finale te speel.

Die seuns en dogters het Larries ongelooflik trots gemaak met hul gedrag op en van die baan en die kersie op die koek was toe Mia de Wet die Sportmanskapstroeë gewen het. Hierdie trofee was sommer ene vir die hele span. Larries is baie trots op jul almal.

'n Groot dankie aan al die ouers wat die kinders kon vergesel en hul so mooi ondersteun het.

Mia de Wet met haar trofee vir Beste Sportmanskap.
