Besware teen munisipale waardasies uitgestel

Waldie Volschenk

RUSTENBURG HERALD - RUSTENBURG - Eienaars van residensiële-, landbou- of sakepersele in die jurisdieksiegebied van die Rustenburgse Munisipaliteit vir wie dit op Vrydag, 30 April, prakties gesproke neusie verby was om teen hul nuwe munisipale eiendomswaardasies beswaar aan te teken, kan vir nog 'n maand-en-'n-half asem haal nadat die munisipaliteit aangekondig het dat die spertyd vir besware teen die nuwe waardasies met nog 'n maand-en-'n-half uitgestel word.

Dit volg nadat daar uit verskeie oorde klagtes ontvang is dat die munisipaliteit nie die voorskrifte streng nagekom het met betrekking tot die uitstuur van skriftelike kennisgewings aan grondeienaars nie.

Klagtes is vanuit die DA, Afriforum en gemeenskapsleiers ontvang dat talle eienaars hul skriftelike kennisgewings heeltemal te laat ontvang het met verwysing na die

spertye vir besware en dat die skriftelike kennisgewings boonop foutiewelik gedateer was. Daar was ook

groot kommer uit bogenoemde geledere dat letterlik honderde grondeienaars tot onlangs nog geen skriftelike kennisgewings hoegenaamd van die verhoogde waardasies ontvang het nie. Dié fout aan die kant van die Rustenburg Munisipaliteit is 'n skending van Artikel 49 van die Municipal Systems Finance Act waarin streng voorskrifte rondom die hantering van finansiële aspekte waarby verbruikers betrokke is geformuleer is. Grondeienaars wat tot dusver nog nie na die nuwe waardasies van hul eiendomme op die munisipale webwerf gaan kyk het en dalk nog nie teen die nuwe waardasies beswaar aangeteken het nie, het ingevolge dié aankondiging tot en met 15 Junie 2021 grasie om dit af te handel. Dit is 'n

algemene feit dat die munisipale waardasies van bykans alle residensiële-, landbou- en sakepersele in die Rustenburg-omgewing, skerp gestyg en dramaties aangepas is baie hiervan tot meer as 100%.

Inspeksies van die waardasierol asook besware teen die nuwe waardasies kan by kamer 127 op die Eerste vloer van die Munisipale kantore in Beyers Naudé-rylaan ingedien word.

Die publiek sal ook hier met hul navrae geholpe kan raak. Alternatiewelik kan daar aan bfaku@rustenburg.gov.za of tmkhwanazi@rustenburg.gov.za geskryf word. Die publiek word aangeraai om vroegtydig hiervan werk te maak, aangesien dit in alle waarskynlikheid

die heel laaste geleentheid is wat grondeienaars gegun sal word om hul besware aan die munisipaliteit voor te lê.

Leigh-Ann verjaar maar diere hou makietie

Saterdag was vir Rustenburgers 'n bewys van omgee vir "ander" toe 'n ware diereliefhebber van die stad, Leigh-Ann van der Merwe haar verjaarsdag gewy het aan 'n fondsinsamelingspoging ten bate van die Rustenburgse Dierbeskermingsvereniging. Al wat Leigh-Ann as verjaarsdaggeskenk wou hê, was dat soveel as moontlik Rustenburgers by haar "stalletjie" by die Tuscany Spar kom inloer om 'n bydrae in die vorm van honde- en kattekos of enigiets anders waarby die "inwoners" by die DBV kan baat, te maak. Dié onbaatsugtige daad is voorwaar vir ons almal stof tot nadenke as 'n mens in gedagte hou dat Leigh-Ann dit self nie maklik het nie en aan 'n rolstoel gekluister is. Leigh-Ann se spesiale verjaarsdagwens was voorwaar boverwagting suksesvol en sy het 'n uiters verdienstelike bedrag in kontant sowel as baie welkome donasies in die vorm van broodnodige kos vir troeleldiere ontvang wat sy daarna aan die Rustenburgse DBV oorhandig het. Leigh-Ann verskyn van regs hierbo op die foto saam met Suenell van der Walt, Ewald van der Merwe Paul Gavin, Renche Gavin en Hettie Farmer (agter).

"With this state of the art mall we are building on that vision," he stated.

"It was not an easy road. It took more than seven years of planning and we faced many obstacles and delays.

But being able to stand here today and present this magnificent creation to the community of Rustenburg, made all the hardship worth our while," said Pieter Lombaard, Moolman Group CEO during the event.

With his hard work and dedication this young entrepreneur has been nominated to compete for best graphic designer at the MAMA awards. RUSTENBURG HERALD - RUSTENBURG - Na 23 dae, en bykans 7000km - grotendeels grondpaaie - is die Brauhaus Afrika-toer se drie avonturiers tuis. Thomas Schlotfeldt, sy vriend Robbie Elske en musikant Henning Joubert het vroeg in April die tog aangepak om grenslangs reg om Suid-Afrika te ry.

Hulle het die reis ten bate van drie verdienstelike organisasies aangepak: Vir die Kroondal Ouetehuis, die 'Happieklub' van Laerskool Rustenburg en die Tshupe Hospice in Tlhabane.

Drie weke nadat hul die reis aangepak het, gesels hul met Rustenburg Herald.

"Die voertuie het dit oorleef en ons het dit gemaak, al was dit nie die hele tyd 'smooth sailing' nie. Ons het so ver moontlik al langs die kus en landsgrense probeer hou," vertel Thomas en Robbie. Die twee Toyota Land Cruisers ("Fury en Drakensteyn") en die Yamaha XT500 motorfiets, al drie daterende uit die 1980's, het hul ook goed van hul taak gekwyt. "Ons het so vyf pap bande beleef, asook 'n meganiese probleem of twee - maar niks wat nie met 'n tang en duct tape reggemaak kon word nie - "Bush mechanics"." lag Thomas.Die toer - around South Africa in 80's days - het die drie deur sewe provinsies geneem. "Ons het gery waar dit grasgroen is en reën 'n bekende gesig is tot waar dit dor woestyn is en reën al vir agt jaar lank al wegbly. Dit het ons tot die besef laat kom dat die Suid-Afrikaanse landskap net so divers en besonders is soos sy mense is," meen Thomas. "En," voeg Robbie by, "dit het mens weer getref hoe vriendelik, gasvry en hulpvaardig Suid-Afrikaners is." Thomas beam dit en voeg by hoe lekker dit was om Henning as deel van hul trio te hê. "Want die oomblik wanneer Henning begin musiek maak het, het mense sommer net spontaan kom saam kuier." Op sulke geleenthede het hulle dan ook die kans aangegryp om die mense te vertel van Brauhaus Afrika in Rustenburg. "Ons deel graag die boodskap dat die Here ons 'n Gees van Hoop gegee het, en nie van vrees nie," sê Thomas. "En," voeg hy by "dit is in hierdie Gees wat ons as Brauhaus Afrika probeer handel dryf, alhoewel ons soos meeste ander deur moeilike tyd gegaan het, en steeds die uitdagings van die toekoms in die gesig staar."

Rustenburg, vertel Thomas, is een van die min plekke in Suid-Afrika wat met twéé eg-Duitse bierbrouerye kan spog - Brauhaus Afrika en Buffels Brew. "Dit was vir my ook belangrik om hierdie boodskap tydens ons toer uit te dra en so bietjie van ons Brauhauskultuur met ander te deel." In Duitsland het meeste streke hulle eie brouerye en bierkultuur.

Gedurende die toer was daar ook Bybels versprei waar daar 'n behoefte was, en waar dit moontlik was. Die Bybels was in verskeie tale. "Dit was vir ons 'n voorreg om so veel moderne helde en heldinne te ontmoet. mense wat dit hul lewensdoel maak om ander te ondersteun, sonder om iets terug te verwag," sê Thomas.

Die drie manne het meeste van die tyd gekamp, hier en daar by familie of vriende oorgeslaap, maar tog so nou en dan oor die drumpel van 'n gastehuis getrap.

"Ons het regtig ervaar hoe Suid-Afrika 'n wêreld in een land is. Jy het alles: lieflike berge en valleie, vlaktes vol wuiwende gras of die landskap so al langs die see langs,"beduie Robbie. "Ons het uiterstes beleef. Die verskriklike droogte daar in die gebiede tussen Port Noloth en Pofadder area, tot die Kalahari wat nou so bedek is dat mens net 'n see van gras in plaas van duine sien,"voeg Thomas by.

'n Ander doelwit was om bloot die feit dat 'n baie uitdagende jaar soos 2020 oorkom is, te vier. "Maar ons het tog opnuut besef dat daar baie swaarkry in die land is. Dit het ons aan die hart geruk," sê Thomas en Robbie.

"As daar net 'n manier was om die plattelandse dorpe te laat herleef, sal dit 'n groot stap wees om mense hul menswaardigheid terug te gee en die land weer op te hef. Nou vergaan die dorpies, noodgedwonge tou die mense na die stede met die hoop om werk te vind, en krepeer dan selfs erger," is Thomas se mening.

As daar een ding is wat hulle tydens die toer herbesef het, is dat respek en trots sekerlik een van die belangrikste aspekte van die samelewing behoort te wees. "Respek vir iouself, vir jou medemens, vir jou omgewing, jou land en Skepper - dan val sommer 'n hele klomp ander dinge in plek. Mens dink altyd dat ons die land moet probeer reg stel van bo af, dit is ook nodig, maar ons het beperkte beheer daaroor. Ons kan egter met die klein beginsels begin. So een beginsel is om nie rommel te strooi nie, dit is is klein ding, maar verteenwoordig respek en trots teenoor ander, jou land, ons natuur en ook aan jouself. Ons moet trots en respek in ons land kweek," meen Thomas.

Die span wil graag 'n besondere dankie sê vir al die borge en donasies, die geld wat ingesamel word, sal positief aangewend.

> Indien jy dit nog nie gedoen het nie, gaan kyk gerus na al die videos van die **Brauhaus 'Around South** Africa in 80's days'- toer deur die Brauhaus Afrika Youtube-kanaal te besoek of hier op jou elektroniese toestel te kliek http://bit. ly/80sheraldyoutubechannel.

'n Klein bietjie van die groot hoeveelheid items wat deur die avonturiers vir liefdadigheid ingesamel is.

Na 23 dae, en bykans 7000km is die Brauhaus Afrika-toer se drie avonturiers nou weer tuis.

Brauhaus en Buffels Brew se bier was ook saam op die toer. Hier poseer hul by Hole in the Wall aan die Wildekus.

Mussies vir babatjies

Ek brei al vir meer as 2 jaar mussies vir premature babatjies vir die "Beanies 4 Babies Project". Ek brei hierdie mussies en dan stuur ek dit na die NICU Pelonomi Hospitaal in Bloemfontein. Baie van hierdie vroeggebore babatiies is kritiek. Hulle het 'n verhoogde risiko van Hypothermia omdat hulle nie hulle liggaamstemperatuur kan beheer nie. Baie van die mammas het nie die middele om self vir hierdie babatjies te voorsien nie en daarom brei ek met liefde uit my hart. My droom is om vir elke premature babatjie van so 'n mussie te voorsien wat hulle dan by hulle geboorte kry en saam kan neem huis toe sodra hulle die nodige gewig opgetel het. Die winter is op hande en indien daar iemand is wat oorskietwol het en saam wil brei vir 'n goeie saak en ook 'n verskil in hierdie babas se lewens wil maak, kan hulle my gerus by 082 340 9063 kontak".

Waardasierol: Sperdatum vir besware uitgestel

Die besluit van die Rustenburgse Munisipaliteit om die sperdatum vir besware teen die nuwe munisipale waardasierol, moet met ope arms verwelkom word en moet as 'n saak van dringendheid deur grondeienaars aangegryp word in 'n poging om 'n sluimerende oproer in die Rustenburg eiendomsmark in die kiem te smoor. Rustenburg en omgewing is die afgelope net meer as 'n jaar in rep en roer nadat die munisipaliteit in Februarie 2020 sy "nuwe" waardasierol gepubliseer het. Teen hierdie tyd hoef geen eienaar van residensiële-, landbou- of sakepersele in die jurisdiksiegebied van die Rustenburg Munisipaliteit daaraan herinner te word dat die waarde van eiendomme in dié waardasierol heeltemal buitensporig opwaarts aangepas is en is die implikasie eenvoudig dat grondeienaars voortaan radikaal meer vir eiendomsbelasting gaan betaal. Die Munisipale Waardasierol word as maatstaf gebruik om die koers van grondeienaars se eiendomsbelasting in terme van hul maandelikse munisipale rekeninge te bepaal.

Die nuwe waardasierol (beide weergawes van Februarie 2020 en Februarie 2021) is van meet af deur verbruikers verwerp en die munisipaliteit het onder hewige kritiek deurgeloop omdat daar nie net aangevoer word nie, maar boonop bewys kan word dat die nuwe waardasierol hoegenaamd nie markverwant is nie en trouens, nie eers naastenby met die werklikheid in die Rustenburgse eiendomsmark tred gehou het nie. Daar is tot dusver baie oor die nuwe waardasierol en sy implikasies geskryf en gesê. Waarskynlik die grootste wesenlike bedreiging is egter dat die onredelike hoë waardasies uiteindelik kan lei tot 'n ineenstorting van Rustenburg se eiendomsmark. Terwyl almal terdeë daarvan bewus is dat die Rustenburgse eiendomsmark die afgelope ses tot agt jaar 'n dramatiese afplatting van minstens 25% getoon het, is die Rustenburg Munisipaliteit se waardeerder van mening dat dié inligting foutief is en dat die waarde van eiendomme trouens, met enigiets tussen 60% en 100% - sommige tot 400% toegeneem het. Die lank en die kort is - wie wil nou eiendom koop wat tans in 'n kwaai afwaartse fase is, waarop jy tans glad nie van 'n goeie belegging gewaarborg is nie maar waarop jy vir die volgende ses jaar indien nie langer deur jou nek vir eiendomsbelasting gaan betaal?

Valuation Roll: Deadline for objections extended

decision by the Municipality to extend the deadline for objections to the municipality's new Valuation Roll, must be welcomed with open arms and at the same time, appreciated by owners of residential, agriculture or business premises as probably the very last opportunity to nip a slumbering collapse in the Rustenburg property market in the bud. The release of the new Municipal Valuation Roll has caused a commotion in Rustenburg and surrounding areas since the roll was published in February 2020. Sadly very little seemed to have materialised of promises that the roll would be revised and save a few changes, many owners believe that the same roll has been tabled in February 2021, by which time property owners in Rustenburg need not be told that the value of property in the area has been adjusted dramatically, to put it mildly and it was clear that property owners would in future have to fork out much more in terms of assessment rates

The Rustenburg Municipality was fiercely

valuation rolls (2020/2021) and owners were unanimous that the roll is ridiculously unreasonable to reflect a hike of anything between 60% and 100% - some even 400% in the value of properties while it is a common fact that the Rustenburg's property market has in fact, declined by at least 25% during the past six to eight years. Much has been said and written about the new Municipal Valuation Roll in the meantime. Probably the most crucial of these is that an unreasonable Valuation Roll could lead to a collapse in the Rustenburg property market which has been under strain since the Marikana incident in 2012 and yes, let's leave it at that... The long and short of the debate on the Valuation Roll, is simply this: Who wants to pay for property in a market which currently, finds itself in a sharp decline and might not be the very best investment you could make, nor guarantee you of a good return on you investment? At the same time however, you will have to accept that at least for the next six years, you will be required to pay exorbitantly for assessment rates on your

on their monthly municipal accounts. criticized following the release of both monthly municipal account?

Potholes in Coetzer Street fixed Road after.

As motorists using Coetzer Street and McGregor street we would like to take this opportunity to thank the Rustenburg Local Municipality for the role they played in fixing potholes at these two streets. For a while, motorists struggled when using these roads as the potholes were so bad that motorists had to give each other a chance or drive on the wrong side of the road. The potholes are now fixed and it makes driving very easy and safe.

Swartruggens Gekombineerde Skool benodig dringend u hulp asseblief!

Die redakteur,

"Swartruggens Gekombineerde is 'n klein plattelandse skool in Noordwes vir leerders van Graad RR tot Graad 12. 'n Skool waar elke kind saak maak! Die skool is tans onder groot finansiële druk. Ons neem hiermee die vrymoedigheid om

u te nader vir 'n borgskap in die vorm van verf, boumateriaal of finansiële hulp. Hier in Ruggie-land wil ons vir elke leerder 'n veilige en leerryke skoolomgewing verseker. Dit sal opreg waardeer word as u enige bydrae kan maak. Elke bietjie maak op die einde 'n reuse verskil! Vir meer inligting of om 'n bydrae te maak, kan die skool by 018 011 1341 of Monique by 082 230 5616 gekontak word".

Baie dankie!

Die redakteur.

"Vandat die aaklige virus ons wêreld getref het, is daar baie mense wat werke verloor het. Dus is daar baie mense wat nie aldag iets te ete het nie, maar deur al die swaarkry kan ons hier by die Kerkstraat Munisipale Woonstelle nie kla nie. Eerstens is daar Josey wat elke week vir ons groente bring. Dan is daar Auto City Spares wat ook maandeliks vir ons 'n groot klomp groente bring. Daar is ook Checkers Hyper wat ook weekliks deur Care to be Kind vir ons heelwat groente, vrugte en baie gebak

bring. Hierdie mense doen uiters baie vir ons en dus wil ons almal hartlik bedank vir alles wat hulle skenk en doen vir ons. Daarby is daar ook die helpers wat ons help met die verpakking en uitdeel wat ons baie waardeer. Hulle weet wie hulle almal is wat baie tyd en geduld het. Nogtans wil ek Engela en Riana uitsonder want as dit nie vir hulle twee was nie het ons nie so baie gekry nie. Dus wil ek namens alle Kerkstraat Munisipale inwoners net sê duisende dankies. Geseënd is julle".

Net nog 'n woonstelbewoner.

North West Children's Choir Board (NWCC) announces Kobus Venter as new choir conductor

RUSTENBURG HERALD - RUSTENBURG - The North West Children's Choir (NWCC) is pleased to announce the appointment of Kobus Venter as their new conductor, leading the choir into their 30th year of existence.

Kobus is also the conductor of the North West University Choir (NWU-PUK Choir) and Molen Kórus chamber choir, whilst fulfilling his role as choral conducting lecturer at the North West University's School of Music. His predecessor, Christelle Engelbrecht, has stepped down after four fruitful years as conductor. Under Christelle's dedicated musical directorship, the choir had the opportunity to take part in many national and international choral performances, including the Music in the Mountains festival in the Drakensberg in 2017 and the World Choir Games, winning two silver medals, in 2018. The organisation is delighted to welcome Kobus to the NWCC family, yet saddened to see Christelle leave. "Even though Christelle is not formally affiliated with the choir anymore, she will always be part of the NWCC family. We hope to see her grow from strength to strength as she pursues her doctoral studies," said Elsje Kruger, managing director of the NWCC. Kobus is taking over the reigns immediately, with the first rehearsal under his baton on Friday, 7 May, 2021 and is excited to start his journey as conductor of the NWCC. "As a regional choir, it is important to me that the North-West Children's Choir will be a leading example for all childrens' choirs in the province. Not

only are we striving towards exquisite musicianship, but also want to promote a thriving choral culture in our province and country," Kobus said. Kobus wants to create a safe space where childrens' talents are being recognised and developed with their friends. "I believe we need to nurture environments where children can discover their talents and embody them. Exposure to music from a young age, forms the building blocks that we can use to build a healthy society," he said. Children between the ages of 9 and 15, interested in auditioning for the NWCC, are welcome to contact Elsje Kruger on 078 459 8623 to

RUSTENBURG HERALD -RUSTENBURG - South Africa's rising star, Lloyd Harris did it again. This time it was Bulgaria's Grigor Dimitrov who fell in the first round of the Madrid Open on Monday against the long haired giant slayer from Mzanzi. Harris beat Dimitrov in three sets. Previously the South African has beaten world No 4 Dominic Thiem and Denis Shapovalov en route to the final in Dubai in March. His latest upset of 6-3, 3-6, 7-6 (7/5) caused the ousting of Dimitrov. The world No 54 held off a late fightback from 13th seed, who saved three match points in the final set before breaking back to force a tie-break. In his first Madrid tournament, Harris will now face Australia's 22-year-old Alex de Minaur in the second round.
