Ride the fourth wave safely

STOP

 the 4th wave

South Africa expects a fourth wave of Covid-19 infections to hit in early December. If previous trends continue, this fourth wave is likely to last for as many as 75 days. This is according to the former chairman of the government's ministerial advisory committee on Covid-19, Prof Salim Abdool Karim. But, says a number of local physicians, it is within the power of every South African to curb this wave - and ride it safely. The answer is simple: Get your Covid-19 vaccination. "The more people that get vaccinated before December, the less likely it is that we will experience a devastating fourth wave over the holiday period. When we are vaccinated, we will be able to return our economy to full operation and create the jobs that our country needs," says Dr Bettie Wessels, local gynaecologist. See on p9 and p10 what like-minded local doctors are saying about the safety regarding vaccination. (Photo: Christelle van Rooyen-Wessels).

Suspect arrested for illegal possession of firearm, ammunition

RUSTENBURG HERALD - RUSTENBURG - On Tuesday (14 September) around 19:00, the Rustenburg SAPS crime prevention unit were on patrol near Ben Marais hall in Rustenburg when they noticed two vehicles, a white Toyota Etios and a grey VW Polo parked on the side of the road, looking suspicious.

As they drove past the vehicles, they heard three gunshots being discharged in the vicinity. They then noticed a man running from the hall. The man upon seeing the police vehicle tried to conceal a firearm which he had in his hand and attempted to flee. The members then gave chase and apprehended the suspect who was found in possession of a 9mm pistol and two live rounds of ammunition.

An alleged victim then emerged from the hall with a grazed wound to his arm. He alleged that he was shot by the same suspect in the custody of the police. The suspect appeared in the Rustenburg Magistrates Court on Monday (20 September) for possession of illegal firearm and ammunition. He was remanded in custody and his case was postponed to 29 September.

Preliminary investigations revealed that the firearm belonged to a security company in Bloemfontein and it was further established that the suspect had other pending cases ranging from theft, burglary, robbery and fraud.

Pictured here are the members who made the arrest: from left to right are: Const Raphuti, Const Mmahuma, Sgt Ncube and Const Malubana.

R24's rubbish woes

Last week the grass was cut along the R24 towards the Rustenburg Waterfall Mall. Motorists and residents are still in shock that after the cutting, the workers just left the road with rubbish lying around. By our time of going to press the area was still left with the rubbish that is an eyesore to members of the community.

Braaidag: Koop daai biertjie betyds!

Ja, President Cyril Ramaphosa hét aangekondig dat drankwinkels onder die nuwe aangepaste vlak twee regulasies Maandae tot Vrydae mag handel dryf. Maar, die verkoop van alkohol deur drankwinkels bly egter steeds verbode op openbare vakansiedae. Dit beteken dat drankwinkels nie Vrydag, 24 September oop gaan wees nie. Indien jy dus 'n biertjie, of 'n ander vloeibare alkoholiese versnappering saam met jou braaivleis op Braaidag wil geniet, stop maar vroegtydig by jou gunsteling drankwinkel en kry die nodige. Hou asseblief net matigheid voor oë en moenie onder die invloed van alkohol enige voertuig bestuur nie.

Hefty

sentences

for murder

suspects

RUSTENBURG HERALD - RUSTENBURG - The South Gauteng High Court handed down hefty sentences for two suspects, Edmore Chirongoma (28) and Moses Phillip Mhlanga/Baloyi (24) on Friday (17 September), for crimes ranging from murder, attempted murder, house breaking and theft to name a few.

According to information received from Colonel Adèle Myburgh, provincial police spokesperson in the North West Province, their sentences emanated from an incident reported on Tuesday afternoon (8 January 2019) at a house in Legaloapeng Section, Bapong in Mooinooi. Testimony in court indicated that the pair unlawfully entered a house whilst a husband, his wife and child were inside. They threatened the victims with a firearm, assaulted the husband and demanded the vehicle's car keys. When the husband could not find the keys, the suspects fired shots and ultimately left the place with the family's white Mazda Drifter after the keys were found inside the bedroom. The victim's wife was found in the bedroom with a gunshot wound to the stomach after the suspects had left the place. She was rushed to hospital, but succumbed to the injuries she sustained. In another incident on Wednesday morning (9 January 2019), a man parked his blue Toyota Corolla outside his house in Mooinooi. He discovered when he went to his vehicle early the following morning (10 January 2019), that it was stolen and he reported the incident to the police. The vehicle was recovered hours later the same day after Hartbeespoortdam police stopped a blue Toyota Corolla for a search. They discovered an unlicensed firearm and ammunition inside the vehicle and arrested the two suspects. After thorough investigations, the police recovered the white Mazda Drifter at the suspects' place. Edmore Chirongoma was sentenced to life imprisonment for murder plus 55 years for other related crimes while Moses Phillip Mhlanga/Baloyi was sentenced to 7 years imprisonment for theft of motor vehicle, 10 years for attempted murder and wo years for contravening the immigration Act, 2002 (Act No.13 of 2002).

The Provincial Commissioner applauded the investigating officer, Constable Leonard Mapataka of Mooinooi Detectives and all other role players including prosecution for their diligence in ensuring that the accused get maximum sentences.

Department of Correctional Services receives unqualified audit outcome

RUSTENBURG HERALD - RUSTENBURG - For the first time in four years, the Department of Correctional Services (DCS) has turned around its audit outcome and received an unqualified audit opinion as well as a noteworthy 70 percent achievement in performance for the 2020/21 financial year.

This was due to the stewardship and leadership of the National Commissioner, Arthur Fraser, who remained focused on the job at hand and ensured compliance to legislation and prevented accountability failures. DCS was qualified in the last four years by the Auditor General and Fraser had committed to bring stability and significant improvements of audit outcomes of the department. Fraser whose contract ends this week, says he is bowing out with a great sense of pride, leaving behind a stable and resilient correctional service which has obtained an unqualified audit outcome and made a serious impact in the mandate of creating safer communities in South Africa.

Impala mobile vaccination drive activated

RUSTENBURG HERALD - FREEDOM PARK - Impala Rustenburg activated its first mobile vaccination site in Freedom Park on Thursday (9 September), marking the start of a campaign to host vaccination days in other areas of the mining community.

The fully operational, mobile vaccination site is a successful collaboration between the North West Department of Health, the Department of Home Affairs, local NGOs, ward councillors, and Impala.

Members of Freedom Park community who came in their numbers to get vaccinated at the mobile vaccination site.

was visited by several dignitaries. These included Gwede Mantashe, Minister of Mineral Resources and Energy; Thandi Modise, Minister of Defence to name a few. They all expressed their appreciation for the productive and collaborative partnership, and thanked Impala for ensuring that the Covid-19

vaccine is being delivered into the local community where it is desperately needed. Dr Jon Andrews, Implats' Group Executive for Health and Safety said a fourth wave of Covid-19 is imminent and it's more critical now than ever for everyone to be vaccinated to protect themselves and their families. He said people who have been vaccinated will have far greater protection against the virus for themselves and are also far less likely to spread the virus than those who have not been vaccinated.

He added that Impala has been working closely with the North West Department of Health to assist their vaccine rollout from the start, and they were the first accredited mining site to start vaccinations in May 2021. Since then, Impala has administered more than 30 000 vaccines to Impala employees and contractors, and a further 11 000 vaccines to people within the mining communities. Mark Munroe, Chief Executive at Impala Rustenburg said he was proud of the Company's ongoing campaigns to fight Covid-19.

"Vaccinating the most vulnerable at our Impala Hospital and clinics, and helping to achieve herd immunity by vaccinating people in the community via our mobile clinics and mobile vaccination stations is another important way we can make a difference," Munroe said.

For more information about registering for the vaccination, go to <https://sacoronavirus.co.za/vaccine-updates/>.

Opening South Africa up again: You hold the key

RUSTENBURG HERALD - RUSTENBURG - We are more than 15 months into an event that we thought will last two to three weeks.

A number of us have resumed life to some kind of normality, but there are many, many people who not have been able to pick up their lives. We think of people in the hospitality industry, the liquor industry, the entertainment industry and tourism. The reality is: those people not getting back to pre-Covid standards, are having a ripple effect.

The COVID-19 vaccination will help to keep you from getting COVID-19

- All COVID-19 vaccines currently available have been shown to be safe and effective at preventing COVID-19. Based on what we know about vaccines for other diseases and early data from clinical trials, experts believe that getting a COVID-19 vaccine also reduces your risk of serious COVID-19 infection if you do contract COVID-19. Getting vaccinated may also protect your loved ones and those around you, particularly people at increased risk for severe illness from COVID-19.
- Once you are fully vaccinated for COVID-19, you may be able to start doing some of the activities that you stopped doing due to the pandemic. For example, you can spend time with larger groups of friends, family and loved ones who are fully vaccinated.
- COVID-19 vaccination is a safer way to help build protection
- COVID-19 can have serious, life-threatening complications, and there is no way to know how COVID-19 will affect you. If you do get sick, you could potentially spread the disease to friends, family, and others around you without knowing.
- COVID-19 vaccination will help to strengthen your immune system and create a protective antibody response without you having to become ill with COVID-19.
- COVID-19 vaccination will be an important tool to help stop the pandemic

Stopping a global pandemic such as the COVID-19 outbreak requires using all the tools we have available. You must continue to practise basic preventive measures, such as wearing a mask, avoiding large gatherings and crowded places, and washing your hands regularly. Play your part by having the COVID-19 vaccination and help our country to reach population immunity to protect your loved ones and those who are vulnerable and at-risk for severe COVID-19 infection.

- COVID-19 vaccines are safe and effective

All COVID-19 vaccines currently available have been shown to be safe and effective at preventing COVID-19. While more COVID-19 vaccines are being developed as quickly as possible, routine processes and procedures remain in place to ensure the safety of any vaccine authorised for use. Safety is a top priority, and there are many reasons to get vaccinated. None of the COVID-19 vaccines can make you sick with COVID-19.

MAKARAPA CITY

SEASON 7

One day at the mine clinic...

How is Mrs Mahlasela doing?

Her vitals don't look good.

Shame, this is heartbreaking.

I never thought we'd see days like this.

More people need to get vaccinated.

And everyone must continue to follow the Covid-19 guidelines.

Agreed. Like wearing masks and social distancing.

It's our best chance at beating this pandemic.

I'm so glad the mine's WeCare Programme came through for us. They've helped so much with hospital beds and PPE...

...and water, food parcels, assisting schools.

It's awesome!

Meanwhile, at the mine...

I'm baaaack! Did you miss me, Thabo?

Things weren't the same without you around, Inno.

I needed time to process the ordeal.

Ja. Your mental health is as important as your physical health.

It's been hard, but the Careways Programme is really helping me on my road to recovery.

Our top priority is the health and safety of our people. It's all part of our Zero Harm policy.

Ja. This pandemic has been hard on everyone.

Our Zero Harm policy prioritises physical and mental health.

Ja, it has been much harder to recover mentally than physically from the attack.

It makes me feel comfortable that the counselling remains confidential. I'm also speaking to Monica, the new social worker.

Monica? I think Sis Fifi is trying to set me up on a date with her!

Later, at the clinic...

Thabo, meet Monica. I think the two of you will hit it off.

Uh, Sis Fifi, I'm not into boys.

No sweat, Monica. Let's get a coffee and chat.

YOU can stop the 4th wave

Rustenburg Herald - Rustenburg - As of 9 September 2021, the North West province had a total of 146 060 confirmed Covid-19 positive cases, of which almost half - 66 018 - were from the Bojanala Platinum district.

The Rustenburg municipality has had 41 758 confirmed cases and it accounts for two thirds of the district case load. These numbers do not seem very high or significant compared to those seen in Gauteng and the Western Cape, but in a province which is largely rural and has a fragmented and disproportionate health

Dr Kagiso Motse, Specialist Physician and Nephrologist, Head of Internal Medicine, Job Shimankana Tabane Hospital

care system, the Covid-19 pandemic has laid a huge burden on an ailing health care system, the economy and the community at large. One of the challenges in treating Covid-19 is that despite the lessons which have been learned and the advances in treatment strategies over the last 18 months, the disease course is still variable and unpredictable. Known risk factors for severe disease

include advanced age, diabetes, obesity, hypertension, heart disease, kidney disease and pregnancy. But as the months have progressed, there have been many instances of young and previously healthy individuals who have become severely ill, many of whom have succumbed to the infection and its related complications. Covid-19 vaccines do not prevent you from being infected with the virus but they are the only proven intervention to reduce severe disease, hospitalisation and death. The vaccines (like all other drugs) do have some side effects, most notably injection site pain, redness and discomfort, flu-like symptoms, headache and fatigue. These symptoms seldom last longer than 1-2 days. There are rare cases of severe adverse effects but no documented deaths due to vaccination. At this point, the risk of dying from a Covid related illness is higher than the risk of dying from the vaccination. The risk of clots is negligible and there is no evidence that they cause infertility. The vaccines are safe and recommended in all stages of pregnancy and can be administered to breastfeeding mothers. The Job Shimankana Hospital vaccination site is open Mondays to Sundays from 7am-7pm. Vaccinate to protect yourself - and save the nation.

Ent bring einde aan simptome

deur Christelle van Rooyen-Wessels

RUSTENBURG HERALD - RUSTENBURG - Verlede jaar Augustus het ek Covid gekry. Ek was baie gelukkig om nie te erg siek te word nie. Maar indien ek gedink het dat ek die siekte sommer in 'n japtrap afgeskud het, was ek baie verkeerd.

Soos meeste ander mense, het Covid-19 my vermoë om te kan ruik, erg aan bande gelê. Aanvanklik kon ek heeltemal niks ruik nie. Toe, 'n paar weke later was ek uit my vel van blydschap toe ek darem weer so liggies knoffel kan ruik indien ek dit feitlik aan my neus smeer. Sulke sterk geure het my brein weer begin herken; die res - sleg, aangenaam, maak nie saak wát nie - het alles dieselfde chemiese reuk gehad.

Ek het meteens gesukkel met bene wat seer bly, en ek moes daagliks oogdruppels begin gebruik omdat my oë aanhoudend gebrand en geïrriteerd was. En natuurlik, daardie tamheid wat jou hele liggaam nutteloos laat voel, en boonop het ek vrot geslaap.

Toe, begin Julie kwalifiseer ek om te gaan ent. Ek was bang, ek gaan nie jok nie. Maar, weereens was ek gelukkig en het ek byna geen nuwe-effekte ervaar nie. My arm was die eerste aand so effens seer, maar niks wat 'n enkele panado nie kon uitsorteer nie. Die groot ding - vir my - was dat minder as 48 uur nadat ek die Pfizer inenting gekry het, my reuksintuig meteens ordentlik begin werk het. Die lyfseer wat my snags wakker gehou het, was soveel minder dat ek ook vir die eerste keer in 11 maande weer ordentlik kon slaap. Ek het vroeg in September my tweede inenting gehad. My arm was weer vir 'n klein rukkie seer, en ek het die volgende dag effens van 'n hoofpyn gehad. Maar na Dag Drie was ek vreeslik verbaas om 'n mate van energie - ek het al vergeet hoe dít voel - te bespeur. Die lyfseer het na die tweede inenting ook heeltemal verdwyn; dis nou behalwe dié wat mens mos nou maar met jou begin saamdra wanneer jy ouer as 50 is! Ek gaan nou nog nie 'n stapog deur die Drakensberge aanpak nie. Maar dis lekker om te weet dat indien ek dit sou wou doen, my liggaam die voorbereiding vir só iets sou kon hanteer.

Brigadier Modise.

Those who were in attendance.

RUSTENBURG HERALD - KROONDAL - The police in the Rustenburg Cluster held a glittering farewell party for Brigadier Modise who is now going on her retirement after serving the South African Police Service for three decades.

She joined the service on 1 June 1991 and quickly went through the ranks, commencing as a student and systematically moving forward to retirement after 30 years.

During 1992 she started working in Rustenburg at the Uniform Branch, after which she was transferred to the area of Marico.

During 2002 she was employed at Crime Prevention and CSC in Rustenburg. She has taken up posts as Vispol Commander in Phokeng, Mogwase, Tlhabane and even Lichtenburg to name a few.

She was appointed as the station commander in Rustenburg on 4 April 2016, a post that she held with diligence and pride until her retirement in 2021.

Her farewell function was held at Newrak in Kroondal and was attended by

amongst others, family members, colleagues including Colonel Raphata, Col Mokgwatheng, Lt Col Buhlungu to name a few, who gave her words of encouragement and urged her to take this time to enjoy her family life outside of the force. Brigadier Modise directed and influenced everyone's lives in a positive and uplifting manner, both as a mentor and as a woman.

Colonel Raphata, Mogwase station commander, giving the keynote address at the farewell function.

Rustenburg’s annual Cupcakes of Hope initiative will hopefully see dozens of patrons with the proverbial sweet tooth flocking to the Waterfall Mall and Polar Ice Cream Shop in Zinniaville on Saturday (**pre-orders from Wednesday**) to enjoy one of life’s sweetest tastes while supporting a deserving campaign aimed at Kids with Cancer. In addition South Africans will celebrate National Cupcake Day on Saturday. Cupbake Angels from all over Rustenburg have teamed up weeks ago in preparation for the big day on Saturday when stacks

of cupcakes in all shapes and colours will bring some sweetness into your and someone else’s life. One of these is Bronwyn Mienie who is treating us to a delicacy similar to cupcakes in our “What’s Cooking?” column this week – Bronwyn prepares the evergreen Pavlova – one of the best we’ve tasted in a long time.

Pavlova

Ingredients:

For mini Pavlovas (for eight to ten mini Pavlovas)
6 large egg whites at room temperature
1.5 cups granulated sugar
2 tsp corn starch
½ tbsp lemon juice
½ tbsp Vanilla extract

For cream:

1½ cups heavy whipping cream (very cold)
2 tbsp granulated sugar

For topping/décor:

4-5 cups of fresh fruit such as blueberries, kiwi fruit, raspberries, sliced strawberries and mint leaves for garnish.

Method:

Preheat oven to 100°C.; Line a large baking sheet with parchment paper. In your mixer, beat 6 egg whites on high speed for 1 min until soft peaks form. With the mixer on, gradually add 1½ cups sugar and beat 10 min on high speed, or until stiff peaks form. It will be smooth and glossy.

Use a spatula to quickly fold in ½ tbsp lemon juice and ½ tbsp Vanilla. Then fold in 2 tsp corn starch and mix until well blended. Pipe meringue into 3 to 3½ inches wide “nests” onto parchment paper using a tip of approx 1½ cm. Indent the center with a spoon to allow room for the cream. Bake at 100°C for 75 min and turn oven off without opening. Leave meringue in hot oven for another 30 min.

Transfer the Pavlova with the parchment paper onto the counter or a cookie rack and allow to cool to room temperature. Once cooled, you can top them with whipped cream and fruit or store in an airtight container for 3-5 days at room temp.

To make frosting and assemble Pavlovas
Beat cold whipping cream with 2 tbsp sugar in the cold bowl for 2 to 2½ minutes or until whipped and spreadable. Pipe frosting onto the Pavlovas and top with fresh fruit dressings of your choice. The mini Pavlovas should be enjoyed within 4 hours of preparation.

Piping the “nests” of your mini Pavlovas.

Now it’s ready for the final touches.

Yes, they’re as sweet and tasty as it looks!

It's about the FIRE
The main difference between a braai and a BBQ has to be the fire. A braai just isn't considered a braai if cooked on a gas grill. The fire also remains lit for the duration of the braai, even after the food's been cooked. Guests will gather around the fire after eating and spend the rest of the day or evening there.

South Africans don't need an excuse to braai
Most South Africans braai at least once a week and don't need a reason to do so. They braai on Saturday's because it's relaxing and a fun way to spend time with friends and family, some braai on Christmas because the weather allows it. The opportunities for a braai are endless.

South Africans can braai anything
South Africans love good food, and they're great at preparing and cooking it. Grilling options can include boerewors, steak, chicken, lamb, and often game meat as well as sides include anything from potato bakes to corn on the cob.

South Africans can braai any time of day
Whether it's breakfast, lunch, dinner, or midnight, there's a braai taking place somewhere. Whereas a BBQ typically takes place during the daytime, a South African braai has no time constraints.

The amount of food is uncanny
There's no shortage of food at a braai. Expect an overabundance of meat, salads, and of course, braaibroodjies—a glorified-toasted sandwich made with bread, cheese, onion, and tomato. After the meat, this is the hero of any braai.

It's a tradition
Braaing is one of the few things in South Africa that cuts through cultural lines. Regardless of language, race, or culture, the love of meat cooked over a wood fire is something that all South Africans share. It's really a South-African tradition.

Come rain or shine
Unlike a BBQ, braais are not strictly reserved for warm weather. Many South Africans can braai on a covered patio, making rainy weather irrelevant to the occasion. Many also have indoor braai areas.

7 Reasons why South African braais are better than Bbq's

MUSHROOM SOSATIES

Place the mushroom skewers on your braai over hot coals, once they start to caramalise, change shape and colour, brush them with your basting sauce on all sides. Braai for another few minutes Once the mushrooms are basted, braaied on all sides and cooked they are ready to serve to your guests. Garnish with fresh lemon juice

Kiesers kan geskiedenis maak

Nee, net mooi niks bly vir 'n lang tyd onveranderd nie - daarvoor is die lewe seker te haastig en te wispelturig. Kyk nou maar byvoorbeeld na die Bokke. Kan jy dit nou glo? Skaars is ons wêreldkampioene of ons bevind ons skielik weer sommer aan die “onderkant” van die uithalerspanne - of so blyk dit altans... Maar op 'n ernstiger noot. Iets wat hier in die Rustenburg-omgewing blyk om nie sommer maklik te verander nie, is die oënskynlike gebrek aan dienslewering deur die Rustenburgse Munisipaliteit. Dit het seker maar tyd geword om te vra of dit op ander plekke in ander provinsies ook so sleg gaan soos hier by ons en dan moet ons seker maar gedweë tot die slotsom kom: “Ja, tragies dieselfde - dit is of die verhaal van mislukking en onderprestasie aan die kant van die regerende party regoor die land net een pad ken en dit is agteruit! Daar is so 'n ooglopende gebrek aan leierskap deur die regering en al sy vernaamste politieke rolspelers dat dit eintlik 'n verleentheid is. By tye wil dit blyk of dit nét president Cyril Ramaphosa is wat nie elke nou en dan sy kop in 'n bynes steek of 'n stel aftrap nie. Of miskien is daar ander mense wat dit namens hom doen - moet seker wees...So op die vooraand van die volgende rondte munisipale verkiesing wat oor skaars meer as 'n maand op Suid-Afrika wag, is dit tragies ironies om te dink dat dieselfde party wat destyds 'n sogenaamde bevrydingsregering geword het en (politiese) beheer van die land oorgeneem het en in die proses bykans tot heldestatus en onsterflikheid verhef is, dieselfde party is wat die afgelope net meer as 20 jaar 'n massiewe verleentheid vir die land en sy mense geword het en waarvan die wiele in verskeie sektore van dag-tot-dag tot stilstand kners. Kyk nou maar na plaaslike dienslewering en prestasie!

Onlangs is daar aangekondig dat nagenoeg 20 munisipaliteite in Noordwes nie hul munisipale oudits geslaag het nie en trouens onder administrasie geplaas is. En dit is nie 'n nuwe verskynsel nie, feitlik 'n alledaagse gebeurtenis. Daar is waarskynlik min munisipaliteite wat nie slegs by tye daarin slaag om vir 'n wyle die finansiële verknorsing te ontkom, voordat daar weer opnuut somme gemaak word en die proses homself maar net aanhou herhaal. En kyk na die koste vir hierdie onderprestasie: Kyk hoe lyk Rustenburg en omgewing slegs 'n maand voor die verkiesing - rommelhope in talle residensiële areas, waterinstallasies wat dag en nag dikwels vir weke aaneen lek en straataf loop voordat dit aandag kry, dosyne straatligte wat nou al vir bykans ses jaar indien nie meer nie dag en nag brand. Slaggate in bykans elke pad en straat, padverkeerstekens en merke wat ontbreek en verval of weg is, leë erwe, openbare plekke wat feitlik oornag plakkersdopries word en gereelde, ellelange kragonderbrekings omdat daar na dekades nou nog nie erns gemaak word met onwettige skroothandelaars wie se “agente” munisipale infrastruktuur leeg stroop nie. Dan ook foutiewe/belaglike munisipale rekeninge wat dikwels laat en soms glad nie uitgestuur word nie terwyl wanbetalers aan die buitewyke van die dorp die munisipaliteit miljarde rande skuld. Die vraag is net, hoe lank nog voordat kiesers in hierdie land se oë sal oopgaan, dat dinge soos toordokters, sangomas en tokoloshi's tot die verlede hoort dat elkeen van ons die voet dwars sit teen korrupsie (ja, dit begin by die bordjie pap en sous of die naïewe T-hempie kort voor stembag) en dat ons ons vir politieke stabiliteit, verantwoordelike bestuur en trotse leierskap beywer.

Voters could make history

No, there are few things that remain unchanged for a long period of time. For this life is simply too much of a quick pace and variable. Just look at the Bokke for a moment. Can you believe it? Barely are we world champions or we find ourselves at the bottom half of the top performers again. But on a serious note - something of Rustenburg that is very unlikely to change very soon is the obvious lack of service delivery by the Rustenburg Municipality which has gone only one way in recent years and that is backwards. It is probably time that all of us start asking if Rustenburg is the only place in the country where municipal problems are such an issue. And then we sadly have to arrive at the conclusion that the country's story of failure, under achievement and embarrassment by the ruling party over at least the last two decades, is the same across the country. There is such an obvious lack of leadership by government and all its political role players that the country has seen the one scandal/embarrassment/controversy after another. At times it seems that only President Cyril Ramaphosa succeeds to avoid scandal, allegations of corruption and embarrassment, although he has been implicated in controversies more than once.

On the eve of the following round of

municipal elections in just a month, it is ironic to think that the party who was hailed as immortal heroes and icons with the liberation of the country in 1994, is exactly the same party who has been at the forefront of mismanagement, failure, scandals and under achievement since who knows when and that the party is quite prepared to face the electorate this year in spite of its track record which leaves much to be desired. Just a month or two ago it was announced for the umpteenth time that some 20 municipalities in the North West Province were placed under administration for failing (yet again!) to pass their audits. This is one of the things that seems to be a regular occurrence. Will Rustenburg and its people ever be free from illegal squatting, dumping, littering and pollution? What about potholes in every road or street, a lack of road traffic signs and markings on our roads and endless power interruptions or leaks from water installations. Wouldn't it be a blessing to be relieved of selective credit control while backlogs in arrears by non-paying communities are running into billions. When will we embrace sound and stable political leadership, financial accountability and responsible government as the largest economy in Africa. The next opportunity will only come in five years!

Geliefde skoolhoof lê tuig neer

RUSTENBURG HERALD - RUSTENBURG - Laerskool Rustenburg het op 31 Augustus hul 100ste bestaansjaar gevier.

Die gebeurtenis gaan ook hand aan hand met die uittrede van hul geliefde skoolhoof, mnr Koos J van Vuuren. Mnr Koos, wat 20 jaar die skool met 'n sagte hand en hart bestuur het tree op 30 September af. Leerders, ouers en onderwysers is dit almal eens dat hierdie besondere hoof diep spore getrap het in die skool en die gemeenskap. Mnr JF van Vuuren deel die volgende met die Rustenburg Herald lesers:

Afskeidsboodskap - "n Leeftyd is maar net 'n oogknip lank. Wat ek wel ervaar het is dat die woord "toevallig" vir my groter betekenis in my onderwysloopbaan en lewe gekry het. "Toe val God se lig" het my uitkyk oor gebeurtenisse wat ek in my lewe ervaar het in totaliteit heeltemal verander. God het my geleer dat daar nie iets soos toevallig is nie. My loopbaan in die onderwys het 1 Januarie 1981 by 'n wonderlike leerskool begin – David Brink. Ek deel graag die spreekwoord van "Een se dood is die ander een se brood" letterlik en figuurlik. Hier het "toevallig" vir my betekenis gekry. David Brink was onder die leiding van mnr Koos Oosthuizen, 'n skool wat leiers ontwikkel het. 'n Hele paar personeellede het daar begin en hoofde in die dorp geword. Ek skryf dit absoluut toe aan die voorbeeld en leiding wat ons gekry het. Ek voltooi my BA-graad by Unisa in die jaar 1992. 'n Vakature van Departementshoof Natuurwetenskappe pos by Laerskool Rustenburg ontstaan en ek sien die gaping vir 'n bevorderingspos. Ek doen aansoek en is gelukkig genoeg om hier geakkommodeer te kan word. Ek word hier aangestel op 1 Januarie 1988 saam met die nuwe skoolhoof wat mnr Kirsten opgevolg het, mnr Banie Mostert. Weer eens moet ek my seënninge tel om by Laerskool Rustenburg te begin saam met so 'n wonderlike mentor en voorbeeld. Mnr Banie Mostert het voorgeloop en die voorbeeld gestel. Vir baie van ons was onderwys met die nuwe hoof se insie 'n openbaring. Alle eer aan ons Skepper vir hierdie hoof se visie by Larries.

Op 14 Januarie 1999 word ek bevorder na adjunkhoof by Laerskool Rustenburg. Wat 'n wonderlike voorreg om by hierdie vinnig groeiende skool te kon wees. Onder mnr Banie Mosert se leiding het die skool se strewe na uitnemendheid posgevat. Soos omstandighede maar maak bedank mnr Banie Mostert en doen ek aansoek vir die hoofpos by Laerskool Rustenburg. Ek word aangestel op 14 Januarie 1999. Sonder God aan my sy was hierdie uitdaging onmoontlik. Uiteindelik was dit vir my een van die grootste voorregte ooit om van hierdie uitnemende skool saam met wonderlike personeel aan die stuur van sake te kon staan. Vir 5 jaar leef en beleef en ervaar ek verskeie personeellede en leerders op 'n besonderse manier. Ek bedank as gevolg van 'n geleentheid in die privaatsektor op 31 Mei 2003.

Die hoofpos word weer vakant en weer word ek as hoof aangestel op 1 November 2007. Tans is my tydjie besig om uit te loop en sal ek die tuig neerlê op 30 September 2021. Wat kan ek onthou wat vir my van ons skool laat uitstaan het - Dinamiese Beheerliggame: Elke Beheerliggaam was verantwoordelik vir uitbreidings – Eer aan elke lid van die Beheerliggaam wat onbaatsugtige diens gelewer het. Groei by Laerskool Rustenburg asook verandering wat vanaf 1988 plaasgevind het dien ook vermeld te word. Wat sal my van Larries bybly? Heel eerste my kinders, diespontane groeten kantoorkuiers. Die verjaarsdae wat so ongelooflik spesiaal was. Die oggendpersoneel-openinge veral Maandae en Vrydae waar samesang aktueel was. Respek van personeellede, kantoorspersoneel asook aangename werksomstandighede. Nuwe en ou leerders en ouers wat net wou kom kennismaak en hulle kinders aan ons toevertrou het. Super 12, prestasies, hardwerkende onderwysers/afrigters, vriendelikheid, omgee en navrae oor welstand. Toere, spanne van formaat – Altyd die leerling wie se naam jy nooit sal vergeet nie. Spanbou-naweke saam die manne. Nabetragingvergaderings na rugbywedstryde. Saam lag, saam huil. Die Uber-dienste eienaar mnr Ig de Jager. 'n Ongelooflike Bestuurspan – elkeen was vir my baie spesiaal. Elke briefie wat 'n kind vir my geskryf het waarop sy/haar liefde vir my verklaar het was vir my so ongelooflik spesiaal. Verjaarsdagkindertjies wat hulle koevertjies kom haal het. Die oggend koffievergaderings waar ons ons probleme bespreek het en net mekaar se geselskap geniet het. Organiseerders wat eienaarskap geneem het van hulle onderskeie aktiwiteite – pragtige koorsang. Revue wat hoendervleis mooi was. Passievolle onderwysers. Nuwe kennis en nuwe onderwysers/Hoofde se vriendskapsbande wat gesmee is.

Wat sou ek graag wou vergeet - Personeel en kinders wat in my tyd oorlede is – was verseker my hartseerste dag of dae van my lewe. Hoe kan 'n mens 'n jong lewe aan die dood afstaan. Dit ruk jou tot in jou siel. Ouers wat personeel onregverdig behandel en kinders as gevolg van selfsug uit die skool skuif. Onverdiende negatiewe kritiek, wat die bedoeling ook was. Konflik is nie deel van my wese nie. Swak besluitneming en betrokkenheid van ons Departement.

Afsluiting - Vir my was die reis in die tydlyn vanaf 1988 tot 2021 'n ongelooflike groot voorreg. Ek bring hulde aan elke onderwyser, elke kind, elke ouer wat my pad gekruis het en gehelp het om my te vorm as dienaar en my meer bewus gemaak het van my lewensdoel soos deur God uitgespel om mense se lewens aan te raak en te verander. Ek dank U liewe Heer en vertrou op U vir 'n verdere wandeling saam met my op my nuwe lewenspad! Sterkte word elke leerkrag, ouer en die nuwe hoof toegebid. Dit was 'n voorreg om 'n Larrie-dienaar te kon wees".

Groete,
JF Jansen van Vuuren
Hoof - 31 September 2021.

'Boks: Down, but not under

by Christelle van Rooyen-Wessels

RUSTENBURG HERALD - RUSTENBURG - Not only was Saturday's game against Australia one of the worst performances in recent years by the Springboks, they also lost their top spot in the world rankings.

Of course blame is being handed out from many fans, but some fans and experts also are giving explanations of what might be the problem in the Springbok camp.

The truth of the matter is that in both Saturday, and the previous Sunday's games, the Springboks were their own worst enemy.

In the first half, South Africa missed 12 of their 31 tackle attempts and by the end of the game that stat went to 19 from 69 – a tackle success rate of barely 70 percent. Is it all doom and gloom, and will we be canon fodder against the All Blacks this coming weekend?

To be clear, the Springboks are not suddenly a terrible team. They are still doing a lot of things right; the not-so-right things are just, for now, in the majority.

My - very, very humble - opinion is that this might be the right time for a couple of changes.

Some players obviously do need a break, and a few players who are knocking on the door, need to get the opportunity. But should we be making major changes on the eve of the historic 100th Test against the All Blacks? There is set to be at least one change as Lood de Jager returns, but with Cheslin Kolbe still doubtful, it will be interesting to see whether the Boks stick with Sbu Nkosi or perhaps consider bringing in an X-factor impact player? Maybe Rosko Specman?

Some more subtle alterations could give Ox Nche a start and perhaps a new injection on to the bench of players such as Frans Steyn and Cobus Reinach could be considered. I would also be tempted to choose Jean-Luc du Preez - offering a bit of an option if Franco Mostert moves back to the bench.

If we can cut out the unforced errors and uncharacteristic tackle misses that have haunted them over the past two matches, while retaining focus on the positives, there is every chance this Saturday's result will be far more favourable.

Atteridgeville met kous oor kop huis toe

RUSTENBURG HERALD - RUSTENBURG - Rustenburg Impala se eerstespan het die afgelope naweek vir die tweede keer die afgelope seisoen teen Atteridgeville te staan gekom en die jongste kragmeting met selfs nog 'n groter loesing as die vorige keer aan die besoekers van Pretoria afgesluit.

Vir Atteridgeville kon die eindfluitjie waarskynlik nie gou genoeg blaas nie en die span moes met 'n pak slae van 103 - 3 kleeckamers toe gaan. Hierdie was Rustenburg Impala se sesde agtereenvolgende oorwinning in die Presidentsliga en nie noodwendig die een wat die langste onthou sal word nie.

Vir Rustenburg was Charlton Scholtz 'n uitblikker met drie drieë. Ander spelers wat ook hul kant gebring het was Hanru Botha en Corrie Olwagen. In totaal het nie minder nie as nege spelers van Rustenburg Impala as puntemakers in die kragmeting geëindig. Skrale troos vir Atteridgeville is dat die span moontlik nog slegter daaraan toe kon gewees het as dit nie was vir 'n paar lastige hanteerfoute en gebrek aan samespel aan die kant van die Rustenburgers nie.

Afrigter Joel Scherman glimlag tans breed en het nie minder nie as vyf veranderinge in hierdie belangrike ronde 8-wedstryd gemaak waarin hy sommige van sy meer ervare spelers speelkans gegee het. Impala het sy eerste punte binne die eerste twee minute van die wedstryd aangeteken en was teen rustyd met 'n allemintige 50 - 3 in volle beheer van die wedstryd met die beste wat vir die tweede helfte gebêre is. Impalaspelers wat ook met goeie spel die oog gevang het, was Gerhard Cloete, Francois van Biljon en Berto van Wyk. In die skrum was Hennie Mare en Sheldon

aangeteken en vir TUT (Tswane University of Technology) 'n voorsmakie gegee van wat moontlik kan wag wanneer die twee spanne volgende naweek in Pretoria teen mekaar te staan kom. Met die twee spanne se vorige kragmeting was Rustenburg Impala met 'n telling van 41 - 31 ook aan die wenkant.
