'n Feestyd om te onthou

Hier aan die einde van elke jaar sê mense gewoonlik "sjoe, maar was dit nie 'n kort jaar nie?" En dit is net logies dat, soos wat jou eie lewensjare meer word, 12 maande telkens korter voel. Maar dié jaar het werkelik gevoel asof hy op reusevlerke verby gevlieg het - waarskynlik omdat dit ons eerste "normale" jaar na die voorafgaande twee 'pandemie jare' was.

Natuurlik was ons baie besig om die dinge te doen wat ons die vorige twee jaar nie gedaan kon kry nie, of nie toegelaat is om te doen nie - daar was letterlik baie om in te haal. Maar nou is dit tyd vir rus en om met dankbaarheid terug te kyk vir die baie seëninge wat ons het. Mag dié kerstyd 'n tyd van rus, vrede en veiligheid wees waarin die samesyn 'n onvergeetlike tyd met kosbare herinneringe sal word sodat ons met nuwe krag, maar veral nuwe hoop, die nuwe jaar kan aanpak. Ons wens al ons lezers 'n gesêende Kersfees en 'n wonderlike Nuwejaar toe! Die mooie Kersfeesmeisie is Nola Kruger van Rustenburg. Nola het ook onlangs die titel as Miss Splendour 2022 verwerf. Kleedkamer-geboorteling nou 10 jaar oud

Die trots Anuschka Venter wat tien jaar gelede - op 15 Desember 2012 - onverwags "ma" geword het toe haar seuntjie Steven in die vrouekleedkamers van die Platinum Square-inkoopsentrum gebore is. Hierdie foto van Anuschka met haar pasgebore seuntjie het destyds op die voorblad van Rustenburg Herald versyk - Bennitt Bartl van ons destydse redaksie het op dié dag die foto geneem.

En só lyk die tienjarige Steven Venter vandag - Steven is met allerlei wonderlike geskenkies verras toe sy tiende geboortedag wat op 15 Desember 2012 in die vrouekleedkamers van die Platinum Square plaasgevind het, onlangs herdenk is. Steven is baie gepas na sy pa - Steven Snr - vernoem.

RUSTENBURG HERALD - RUSTENBURG - Rustenburg se Steven Venter Snr, ma Anuschka Venter en Steven Venter (Jnr) het verlede week met 'n breë glimlag terug gedink aan Saterdag, 15 Desember 2012, toe 'n "splinternuwe" babaseuntjie heeltemal onverwags met die minimum "kennisgewing" in die vrouekleedkamers van Rustenburg se Platinum Square-inkoopsentrum sy opwagting gemaak het.

Klein Steven het destyds vir 'n opskudding gesorg en het 'n paar dae na sy "verskyning" in sy ma se arms op die voorblad van Rustenburg Herald versyk toe daar breedvoerig oor die dramatiese geboorte berig is.

Voormalige lid van die Rustenburg Herald se redaksie, Bennitt Bartl het toe oor die "wonderwerk" berig.

Verlede week was dit weer tyd om fees te vier toe Steven se tiende verjaarsdag herdenk is. Dié keer kon Steven (Jnr) egter aan die feesviering deelneem en kon hy smul aan heerlike verjaarsdagkoek en ander verrassings wat daar spesiaal op dié dag vir hom uitgepak is.

Baie geluk met jou tiende verjaarsdag, Steven! Rustenburg Herald is trots om deel van dié besondere stukkie geskiedenis te kon wees!

Best Christmas ever for SPCA

"We are going to have a SPCA Blikskud on Friday 23 December once again at the Mall bridge. I can't remember the last time I received a gift for Christmas as I always ask Santa for donations for the SPCA, why you might ask me? Because it makes me so happy, so please don't ignore us and make this our best Christmas ever.

I have beaten leukemia and I'm disabled, I can't walk or talk but I can use my "voice" in writing so if you see my letter, I hope I will have inspired people to donate or volunteer to assist, especially students that are on school break

as it is just for couple of hours and you can choose when or how long you want to volunteer for, you will make a difference to those animals lives especially the kitties and doggies who have no homes for Christmas. If you want to volunteer please contact Suenell at 082 462 2227.

Hope to see you there whether it is for donations or volunteering. I am so lucky to live in Rustenburg with people who love and care for animals.

For donations: SPCA Rustenburg, FNB, branch code: 250655, Account number: 53604095349. My mission is to rescue. My dream is that one day, I won't have to". Leigh-Ann van der Merwe.

Brazen attack in Beyers Naudé

RUSTENBURG HERALD - RUSTENBURG - "I can only thank God. These men had an objective, and that was to kill me, I have no doubt. It is a miracle; God protected me."

The shock of how close to death he came, only hit Emmanuel Anbasse from Safari Gardens as he sat waiting in the Rustenburg Police station, waiting to report the incident.

On inspecting his Toyota bakkie, you realize he is not overexaggerating. The tale of the bullet hole in the windscreens tells of how close the shooter came to killing Emmanuel on Saturday afternoon (17 December).

Emmanuel recounts how he was driving home just after 15:00 on Saturday afternoon. Earlier he made a turn at his clothing shop at the taxi rank before going to a stationary store that had a special on school supplies.

"I was driving down Beyers Naudé Drive when a silver VW Polo passed me. I noticed four people in the vehicle. The vehicle then stopped abruptly in front of me at the corner of Marais Street. The moment the Polo came to a stop, a man opened one of the back

doors and got out, walking towards me," Emmanuel remembers. The next moment his nightmare - in broad daylight - started.

The man opened fire and bullets rained on Emmanuel's bakkie, hitting the bonnet, the windscreens and the driver's door. Apart from the bullet that hit the windscreens, another went through the door, narrowly missing Emmanuel's right foot.

"I did not think, I just put my foot down and knew I had to get away," says Emmanuel. In the rearview mirror he saw the shooter scrambling to get back into the Polo and Emmanuel realized his attackers were going to give chase.

"I was praying that God would protect me while I drove to the police station."

He hopes that one of the businesses in Beyers Naudé has caught the incident on their CCTV cameras and that it could assist the police in investigating the attack.

'Blood drinker' case postponed

RUSTENBURG HERALD - KOSTER - The Regional Court here postponed the case against Thabang Moswane (24) to 31 January 2023.

This was done to give the murderer accused the opportunity for consultation with his new legal aid attorney.

Moswane's previous attorney relocated and had to withdraw his services. "The state is expected to share all the necessary documents with the defence attorney in preparation for pre-trial, and to await the completion of investigations," said Henry Mamothame, NPA regional spokesperson.

The young man is charged with murder after he allegedly stabbed his mother to death.

Police reports reveal that Boons Police were called out to a horrific murder

scene in Mathopstad on 9 May - the day after Mothers' Day. Initial information indicated that there was a fight between Kedisalete Elizabeth Moswane (53), and her son, Thabang.

On arrival at the scene, police found Kedisalete's body inside a shack, with numerous stab wounds.

The police were informed that Thabang was allegedly seen drinking his mother's blood after stabbing her. He was immediately arrested and appeared before the Koster Magistrate's Court.

Moswane has abandoned his bail, and he will remain in police custody until the next court appearance in the new year.

16 Days of Activism against Gender-based violence: Policeman hit colleague

RUSTENBURG HERALD - TLHABANE-A female police sergeant has made a formal complaint after a male colleague, also a sergeant allegedly punched her in the face.

According to a source, the woman was on duty at the Tlhabane Community Service Centre on Tuesday (13 December) when she and her male colleague had a verbal disagreement.

The man, who is allegedly a body builder and acts as a 'bouncer' at clubs when he is off duty, apparently threatened his female colleague with physical violence.

"The next moment, he walked to her and punched her on the side of her face," the source told Rustenburg Herald.

The shift commander was allegedly present during the altercation.

"The female officer has repeatedly been verbally abused by this particular male colleague the last couple of months. She has complained to superiors, but it seems these complaints have fallen on deaf ears. It's a tragedy that his threats turned into actual physical violence - in the midst of 16 Days of Activism against Gender-based violence. It makes one think that maybe the police, in its core, does not really take the plight of South African women very seriously," commented the source.

The sergeant was, allegedly also involved in a violent incident with another female colleague, but this policewoman dropped the charges. "It is very difficult for women to complain about their male colleagues. They become targets for intimidation and then just decide to withdraw their complaints. Maybe this also happened with the other victim," the source said.

The Rustenburg Herald enquired from the North West Police and Lt Col Adéle Myburgh said that the incident is being investigated and that the police will provide feedback.

MEC's Festive Season Message

Nimart recipient Prof Nurse Mmatumisang Mokoena is passionate about her work ... despite challenges!

RUSTENBURG HERALD - RUSTENBURG - "Nursing is a calling...and not for everyone. If you can't have empathy, care and passion imbued within you, you will not make it," says Mmatumisang Mokoena, who has been a Professional Nurse for over six years, based at Kanana Clinic under Rustenburg Sub-District.

Sister (Sr) Mokoena stated this last week after receiving Nimart Certificate from North West MEC for Health Madoda Sambatha at Mafikeng on Tuesday 13 December. Nimart is a clinical course aimed at advancing the skills of Professional Nurses on dealing with HIV and TB patients, and some with other illnesses or chronic illnesses. It is defined

as Nurse Initiated Management of Anti-Retroviral Therapy. The program focuses on the management of TB, HIV, STI's as well as strengthening counselling skills, monitoring and evaluation of HIV and TB programs. The roll-out of Nimart (which is a five days intensive course) was implemented a few years ago in South Africa by the National Department of

Health in response to the large numbers of persons living with HIV and other illnesses. Hundred-and-fifty nurses across North West province received their certificates, Rustenburg Sub-District got 20 and Bojanala Health District as a whole got 77. Meanwhile, Sr Mokoena, as a festive message, wished all patients a speedy recovery and urged them to take along their Clinic Medication Proof Documents as they travel from one place to another so that Nurses should easily be able to assist them accordingly; and also "patients must not default from taking their medication as advised".

Mmatumisang receiving Nimart Certificate from Health MEC Madoda Sambatha.

BAKWENA BA MOGOPA TRADITIONAL COUNCIL

Private Bag X1031, Bethanie 0270
Stand No.: 0499 Joseja Section
Bethanie, 0270
Tel: 012-260 0201

MEDIA STATEMENT: GLENCORE LETTER ADDRESSED TO BAKWENA BA MOGOPA COMMUNITY DATED 16 NOVEMBER 2022 SIGNED BY MR ADRIAAN BRUGMAN –COO RHOVAN OPERATIONS

1. The Traditional Council notes Glencore's letter dated 16 November 2022 by COO of Rhovan's operations, Mr Adriaan Brugman addressed to our community members;
2. The Traditional Council also would like to categorically state that it is regrettable that Glencore has issued such a misleading letter to the community. Such a letter is seen and interpreted by the traditional council as Glencore's attempts to do as it has proven and mastered in its existence, to divide and rule, and engage in corrupt behaviour (as is known and reported both in the USA and in the UK about Glencore's activities in the African continent) and manipulation of the public in general and in particular the Bakwena Ba Mogopa nation;
3. It is the Traditional Council's view that if Glencore wanted to address and interact with the community, it could have requested the Traditional Council, and/or its lackey, kgosi Mamogale to convene the Community meeting to set the record straight on matters relating to the community participating in Rhovan's mining operations, (Rhovan PSV). The Bakwena Ba Mogopa Traditional Council through the Community Trust is 26% beneficial owner of Rhovan's operations. The community also owns majority 52% share in the Mining Right of the operations while Glencore owns 74% share and 48% Mining Right of the operations;
4. Despite par 3 above, Glencore continues to solely and unlawfully run the mining operations, holding community's funds and litigating against the community through community funds and returns from the operations. As advised by Glencore, about R1 billion of community's funds are administered by their legal firm of attorneys, Werksmans, and Werksmans continue to make returns of millions of Rands in fees earned on the community's interest, while the transfer of the community's money to Glencore's attorneys was never authorised by the community;
5. Mediation collapsed because the Traditional Council wouldn't agree and endorse that kgosi be a trustee of the Community Trust before he accounts on what he did with Community Trust Funds, and no any other reason to this effect (It is the view of the Traditional Council that this would have been unlawful and fatal exercise which would consequently result in another unnecessary litigation between the Master of the High Court and Glencore);
 - a. Kgosi was lawfully removed by the Master of the High Court after he failed to account on the usage of Community Trust Funds amounting to millions of Rands, while he was the sole trustee;
 - b. Kgosi was the sole trustee of the trust and failed to allow the trust to function in terms of the deed in numerous ways,
 - c. The Community Trust Funds under the usage of kgosi as sole trustee were spent as his personal funds, and in the Traditional Council's view, kgosi stole from the community and defrauded the Community Trust of around R30m. A case was opened with the South African Police Services (SAPS) and it is currently investigated by Commercial Crimes Unit under the Hawks. Progress on investigations of this case is unsatisfactory.
 - d. The Traditional Council also notes with concern that kgosi has failed to account on other Trust Accounts, and in particular, the D-Account, where around R140m was also misused, as well as the Impala Trust Account (Bakwena Platinum Trust) where around R70m was also misused;
 - e. While the community is unable to access services and its workers, service providers, SARS, and the Traditional Councillors are not getting paid and owed hundreds of thousands of Rands, The Traditional Council regrettably would like to advise the community and the general public that community funds were spent amongst others at the below entities by kgosi:
 - i. Taboo Nightclub
 - ii. KFC
- iii. Medi roots (Bar and Liquor)
- iv. Ocean Basket
- v. Huge lump sum withdrawals
- vi. Etc.
- f. And for the record, the Community Trust is currently lawfully constituted and should be able together with Glencore to appoint a joint board that should comprise of the Community Representatives. It is Traditional Council's view that Glencore has influence on DMR officials responsible for compliance, to date the community still finds itself left out on its joint venture operational mine, which is also operating in its community owned properties.
6. Glencore is not being honest to the community about the facts. The Traditional Council, the Trust and Glencore are currently in litigation. The Community Trust and the Traditional Council has won the case against Glencore and Glencore has again misled the community on the matter by saying they are working in the best interest of the community by appealing the judgement. If Glencore was honest, regardless of these processes going on, Glencore would have allowed the community to participate into the Rhovan's operations while these matters were ventilated in court. The only reason why Glencore is doing this is that Glencore is being itself, corrupt. They are operating untransformed mining operations in the African continent;
 - a. USA fraud case should form base of reference
 - b. UK fraud case should also form base of reference
 - c. Flying of jets with cases filled with cash in the African continent should also form base reference
 - d. The submission about Eskom at the Zondo commission should also form base reference
7. While all these are just basic matters of concerns around parties, the Traditional Council would like to challenge Glencore and its lackey, chief Motheo Mamogale to convene a community meeting where all these matters will be reported, addressed and/or clarified. Should Glencore and/or Chief Motheo Mamogale agree to this proposal, The Traditional Council also like to place on record that it is willing to assist with the arrangements of such a meeting and would also like that at the meeting, all required and applicable documents be made available for purposes of transparency;
8. While we write this statement, the Bakwena Community continues to lose billions of Rands while white entity continues to benefit from the minerals of the African continent, and in particular the minerals rightfully owned by the Bakwena Community; and it should also be stated that some members of the Council are continuously traumatised and continue to fear some of the unpleasant engagements, actions and victimizations by Glencore against them around community participation in the Rhovan's operations;
9. The Traditional Council would kindly like to also warn Community Members of the unlawful infiltrations by foreigners (land grabbers) who are working very closely with the mine and are benefiting as community members in the Rhovan operations, this in the Council's view, such individuals may end up taking over the lawful and legislated Community structures by way of creating and planting anarchy and confusion between community members while they continue to benefit through projects intended for local community members;
10. The traditional Council has so far done whatever it could to protect the interests of the community. Members of the Traditional Council reserve their individual rights to whatever job and services they rendered for the community for over 6 years without any payments from the community;
11. It cannot be allowed that the community should lose everything solely on the basis of self-entitlement and one person, and while all these continues, The Council and The Community Representatives continue to suffer emotional abuse in the hands of Glencore's management.
12. The Council would like to kindly like to wish the broader Bakwena Ba Mogopa a merry Christmas and a prosperous 2023, revolution shall continue, maatla to the community!

Op 16 Desember het Bonita Klue na haar hemelhuis gegaan. Sy gaan baie gemis word deur almal wat haar liefgehad het. Haar roudiens vind op Donderdag 22 Desember plaas. 'n Liefdesdiens gelewer deur Martins Begrafndienste Rustenburg (014) 592 0037. (228942)

Ter Herinnering aan *Louis Hollamby*

Ons as familie wil graag almal bedank vir hul liefde, omgee en ondersteuning te midde van 'n beproewe tyd. Louis was 'n rugbyspeler en kaptein vir Impala Rugbyklub en was onder spelers en ondersteuners bekend as "die Mighty Mouse", "Yster" en die beste "Impi-legende" van sy tyd – hy het ook herhaaldelik met die toekenning "Speler van die Wedstryd" weggestap.

Ons gaan Louis baie mis! "Jy was jou familie se rots, 'n ware omgeemens en iemand met baie liefde vir almal wat hy geken het".

Louis het Nelitta en die seuns op die hande gedra en was vir sy ouers, skoonouers, boeties en susses 'n steunpilaar en 'n riem onder die hart. Ons sal hulle veilig bewaar totdat ons almal weer bymekaar is. Jy bly ons Bul en ons Hero.

SPCA to host last 'blikskud' - please support

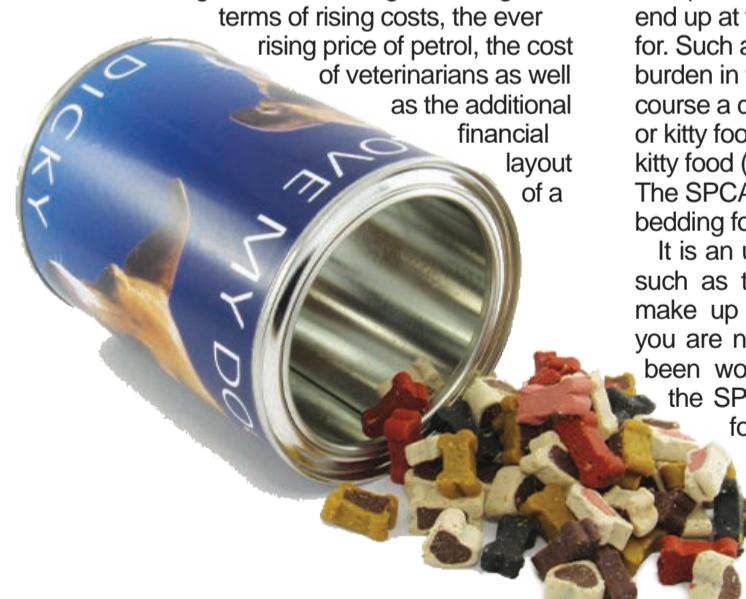

RUSTENBURG HERALD - RUSTENBURG - Members and supporters of the Rustenburg SPCA will be having its last "blikskud" fundraiser of the year on the R24 bridge at the turn-off to the Waterfall Mall this Friday, 23 December, from 08:30 to approximately 12:00.

Motorists and passers-by are requested to please plan your support towards this very deserving cause in advance and to please have a few loose coins (of course notes will be very welcome) in your wallets.

The Rustenburg SPCA faces huge challenges in terms of rising costs, the ever rising price of petrol, the cost of veterinarians as well as the additional financial layout of a

significant increase in stray pets and dogs (and other animals) during the Christmas holiday season. Sadly many people still leave their pets at home without sufficient care or food and water - these animals escape their homes in one way or another and usually end up at the SPCA where they must be fed and cared for. Such an increase of stray pets places a huge burden in terms of dog or kitty food on the SPCA. Of course a donation of either canned (or bags) of doggy or kitty food will also be most welcome on Saturday - kitty food (pellets) in particular is mostly what we need. The SPCA is also in urgent need of dry blankets and bedding for pets.

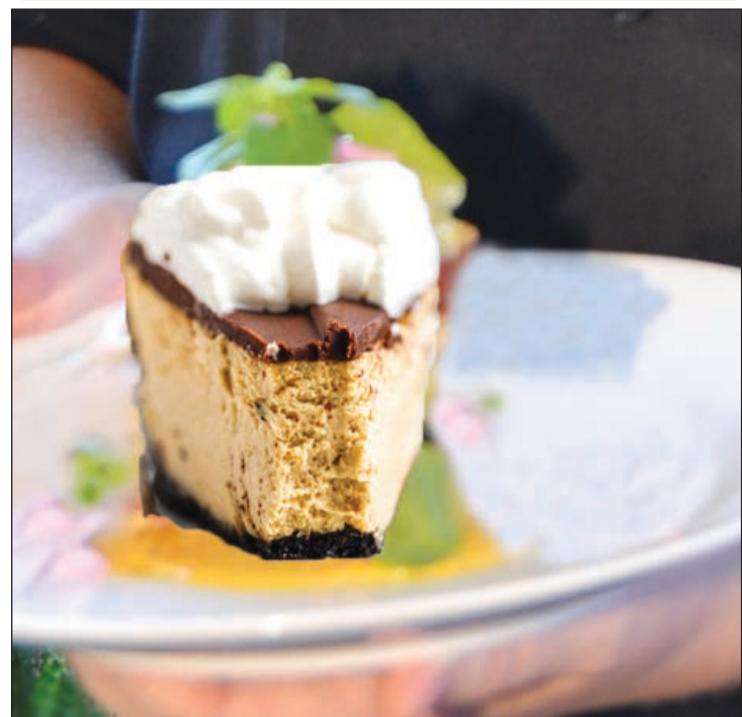

It is an unfortunate fact that running an organisation such as the SPCA is no easy task and volunteers make up the bulk of our work force. Incidentally, if you are not tied up already on Friday or if you have been wondering where and how you could assist the SPCA in making ends meet, please volunteer for our "blikskud" on Friday - any help will be appreciated tremendously - even if it just for an hour or two. If you would be able to help, remember your sunscreen and your hat - also please phone Suenelle on 082 462 2227. Please motorists - help the SPCA to help our beloved animals!

Rustenburg Herald Koek

Deur Christelle Wessels

'n Lieflike kersete moet mos darem ewe swierig afgesluit word – en jy gaan ver moet soek om 'n nagerel te kry wat meer aan dié vereiste gaan voldoen as Sjef Pieter Germishuys se sjokoladekaaskoek.

'n Goeie skoot koffie by die beslag breek die soet net genoeg om by te dra tot die verruklike eindresultaat. Jy kan dié treffer 'n dag of twee voor Kersfees maak en in die yskas hou – hy gaan heerlik bly. Sjef Pieter, van Inspire Culinary Institute, gesetel by die Jabulani funksie-venue, en twee van sy uitblinker-studente Zayne Nolan en Henco Chalmers maak dié meesterstuk só:

Zayne Nolan en Henco Chalmers, twee van Inspire Culinary Institute se uitblinker-studente het gehelp om dié meesterstuk te skep.

Kersfees: Kaas(koek) dit en geniet dit!

Sjokoladekaaskoek

Kors:

400g Sjokoladekoekies/Oreos, fyngedruk
3 eetl Botter, gesmelt

Metode:

Meng die koekies en gesmelte botter en druk dit in 'n gesmeerde losboompan. Voorverhit oond tot 180° Bak kors vir sowat vyf minute

Kaaskoek:

250g roomkaas, sag en teen kamertemperatuur
1 x blikkie kondensmelk
1l Volroom room
• Klits tot glad en hou eenkant.
30ml gelatien
125ml koue water
• Sprinkel die gelatien oor 125ml koue water. Los tot dit dat dit sponserig raak. Plaas gelatien vinnig vir so 30 sekondes in die mikrogolfoond. Die gelatien moet smelt, maar nie kook nie, en glad voel as jy dit tussen jou vingers vryf. Los eenkant tot dit bietjie afkoel na kamertemperatuur. Jy kan ook 1 of 2 ysklokkies by die mengsel gooi sodat dit vinniger afkoel.
Voeg die roomkaasmengsel by die geklitste room en vou in tot glad. Voeg dan die afgekoelde gelatien by die mengsel en roer goed deur. Gooi mengsel in die kaaskoekpan en plaas in die yskas om te stol.

Metode:

Verhit die room, maar moenie dat dit kook nie. Verwyder van die stoof en gooi dit oor die gebroke sjokolade. Roer tot mengsel glad is (onthou as dit afkoel raak dit dikker)

Wenk: As jy 'n meer loperige ganache wil hê, gebruik jy meer room as sjokolade. Vir 'n stywer ganache, minder room, meer sjokolade.
Sodra kaaskoek gestol het, verwyder uit die pan. Plaas op 'n opdienbord en gooi die afgekoelde ganache oor.
• Indien jy van die dik ganache-mengsel sou hê:
Gebruik 'n teelepel, skep en rol in balletjes, dan in jou keuse van kakaopoeier, gekapte neute of vermicelli - dan het jy sommer ook Truffles.

Vir die Sjokolade Ganache:

230g Donkersjokolade, fyn gebreek
115ml Dubbelroom room

Delikate, koffiegeurde meringue is die perfekte afronding vir die kaaskoek.

Ryk, romerig en heerlik verleidelik.

Wanneer dit by kaaskoek kom, is daar nie so iets soos 'net 'n klein stukkie nie! Dié lekkerny van sjef Pieter Germishuys is elke happie die skuldgevoel oor kersoondaad wert.

{BrieweLetters}*

{StandpuntViewpoint}* Kom ons kies die gees van Kersfees

Hier op die voorraad van die einde van 2022 is dit met 'n diep sug van verligting dat 'n mens die leunstoel se voetrus wil uitskop en vir 'n oomblik wil peins oor die dinge wat ons in hierdie tyd wat voorlê wil vergeet en die dinge wat 'n mens opnuut sal wil raaksien en waardeer. Sjoe, watter ongelooflike jaar was dit nie? Loshande seker die "kortste" jaar in 'n bitterlike lang tyd - indien nie die kortste ooit nie - dit was immers die eerste "normale" jaar na twee beroewende jare wat weens Covid-19 vir die meeste mense nijs anders as 'n nagmerrie was nie.

Maar kom ons trek sommer hier die streep in die sand en sê "kom ons vergeet van Covid en al sy uitdagings, hartseer, teleurstellings, sy baie beperkings, sy inperkings en dinge wat ons as grootmense (en jonges?) seker nooit gedink het ons ooit sou sien nie.

En dan moet ons ongelukkig "Probleem nommer 2" in die oë kyk voordat ons van hom kan vergeet en dan moet ons vir mekaar sê: "Ja, vir die afgelope 28 jaar al sit ons geliefde Suid-Afrika jaarrvir-jaar, verkiesing-na-verkiesing met 'n swakker, meer hopelose regering as die vorige jaar en dit is asof 'n mens dag-vir-dag moet toekyk hoe standarde in ons land ineengestort, hoe ons duur-gekopte infrastruktuur soos paaie, geboue, elektriese installasies (straatlige), of

veral of weggedra word, hoe omgekeerde rassisme dag-vir-dag ons lewens versuur, hoe dienslewering op alle vlakke in duie gestort het, hoe ons onvervangbare riviere en damme deur riol en vullis besoedel word, hoe ons staatsondernemings tot stilstand gestroop en tot nutteloosheid geplunder word en hoe individue en instansies waarna 'n mens darem nog kon opkyk en kon respekteer, ter wille van geld, mag en aansien alle integriteit oorboord gegooi het en begin meedoen het aan die golf van alghele wetteloosheid, korupsie en gierigheid wat die land stelselmatig oorspoel het.

Dit kos 'n dapper persoon om veral bogenoemde te besef en nogtans te besluit: "Ek gaan in hierdie vakansieperiode verkies om hierby verby te kyk. Om saam met my gesin, familie en my troeteldiere te juig oor die voorregte wat ons darem nog het, oor gesondheid, oor die voorreg om lief te hê wie ons wil, om te ry waarheen ons wil, om te eet of te koop "wat" ons wil, om 'n vuurtjie aan te steek wanneer ons wil, om kersdag saam om 'n tafel te kuier, te gesels en te lag, te lees wat ons wil en te sing wat ons wil en na alles dankbaar te bly. Kom ons wees bly en erken - hierdie is inderdaad die enigste dinge wat werklik belangrik is! En dan is daar nog die hoop dat dinge in ons land vorentoe beter sal verloop!

Let us choose the mood of Christmas

Here, on the eve of the end of 2022, it is with a sigh of relief that one wants to kick out the footrest of the recliner, to lean back and ponder about the things that we want to forget, the things that we may want to remember and to cherish the things that have always been a blessing. Wow, what a year it has been? Without any doubt the shortest in a very very long time, if not the shortest ever! It was after all the first "normal" year after two disastrous years that have been nothing but a nightmare to most people due to the Covid-19 pandemic.

But let us draw a line in the sand right here and decide to forget about all the disappointments, the heartaches, the restrictions, the trials and tribulations of Covid-19 which have caused greater chaos and confusion than anyone could ever have imagined!

It would however not be that easy to deal with "Problem No 2" facing South Africa today. For the past 28 years a progressive decline of virtually all government functions and services was at the order of the day. For days, months and years on end, hard-working South Africans had to witness how the country's irreplaceable infrastructure such as roads, buildings, electrical installations, (street lights) overhead cables, to name but a few, either deteriorated to uselessness or were carried off by thieves. At the same time,

experiencing the wrath of reversed racism became a reality to an increasing number of people. Over the past five years, the country's people had to watch helplessly how dams and rivers were polluted by raw sewerage and refuse, how the country's once proud state owned enterprises were looted to bankruptcy by more often than not - the very people tasked to oversee the seamless operation of these institutions. While lawlessness, crime and corruption swept across the country like an angry famine, even people we have looked up to and respected all along, seemed to have lost all sense of integrity to submit to the temptation of power and greed.

It takes a strong person to face the above but who nonetheless decides: During this holiday period I am choosing to look past all of this. I choose to rejoice with my family, friends and beloved pets for the many joys we still have in this country. I choose to celebrate my health, the privilege of loving whom I choose, to drive when and wherever I wish, to buy or eat what I wish, to light a fire when the whim takes me, to sit around a table with my family on Christmas day, to love and to laugh, to read whatever I wish, to sing whatever we wish, and to be grateful for all of these. Let us be honest, - these are after all the only things that really matter! And then we still have hope for better times in our beloved country!

Argentina wins Fifa Soccer World Cup for 3rd time

RUSTENBURG HERALD - QATAR - Argentina has won the Fifa Soccer World Cup tournament for the third time in history after they have beaten arch rivals and defending champions France in a penalty shootout on Sunday night.

The penalty decider came quite late in the match which saw the teams tied at 2 goals each after the 90 minutes whistle only to end at a 3 goals each tie at the end of 30 minutes extra time. In the penalty shootout Argentina managed to score four of its five penalty kicks to France's two.

The anticipated match marked Lionel Messi's last World Cup game, as the popular Argentinian athlete announced after his team's win against Croatia in last week's semi-finals. After their win at the final, Messi was awarded the coveted Golden Ball, a prize given to the tournament's best player. He is now the only player in the history of the World Cup games to receive the Golden Ball twice.

Argentina started off strong in Sunday's

match, and had gained a 2-0 lead over France by half-time. Both Messi and Angel Di Maria scored goals during the first half of the game, with Messi scoring on a 23rd-minute penalty kick after a foul on Di Maria. Thirteen minutes later, Di Maria scored after finishing off a five-pass team move involving a deft flick from Messi. France's Kylian Mbappé scored his team's first goal in the 71st minute, and quickly followed up with another.

Mbappé scored the team's third goal on a penalty kick, becoming only the second player to perform a hat trick - scoring three goals during a single match in a World Cup final. Despite France's loss, Mbappé was awarded the Golden Boot as the tournament's top goal-scorer.

Di Maria, who started for the first time since sustaining a foot injury during Argentina's match against Poland in the final round of group games, took the place of Leandro Paredes in the midfield as the team again rolled out a 4-4-2 formation, with Messi leading as one of two forwards. Mbappé started up front for France alongside Olivier Giroud, who had overcome a minor knee injury. Dayot Upamecano and Adrien Rabiot also started after having previously been replaced by Ibrahima Konaté and Youssouf Fofana, respectively, due to illness.

Messi now has 13 World Cup goals and is the first player to score in the group stage and every round of the knockout stage in a single edition of the tournament. Meanwhile, Mbappé has 12, the same number as Brazilian icon Pelé.

Kylian Mbappé of France scores the

team's first goal from the penalty spot past Emilio Martínez of Argentina during the FIFA World Cup Qatar 2022 Final match between Argentina and France at Lusail Stadium on December 18, 2022 in Lusail City, Qatar. Messi's appearance at the World Cup, for the 26th time, was a record in itself, breaking what was previously a tie with Germany's Lothar Matthäus. Those matches have been spread over five World Cups, beginning in 2006. Messi's 12 goals mean he is tied with Pelé in sixth place for most World Cup goals scored by a single player in the tournament's history. Argentina had also won the Fifa Soccer World Cup in 1968 and 1986 when the match was virtually single-handedly won by Argentinian legend Diego Maradonna, in a match which was claimed to be decided by "the Hand of God" when Maradonna allegedly hand-balled before scoring a goal moments later.
