WALL CALENDAR

## There will always be a rainbow...

In recent weeks Rustenburg Herald has repeatedly reported about almost unprecedented showers and promising new records, during the month of November 2022 recorded by Charlie Graham of Geelhout Gardens Nursery. With only 6 mm needed before the end of November, Rustenburg is on the brink of setting a new record for any month (except January 2011 when 405 mm were recorded). Currently the second best year for any month was set in February 2017 when 345 mm were recorded. Up until Tuesday afternoon, 339.6 mm were recorded by Mr Graham. This beautiful photograph which could just as well promise more showers within the next few days, was taken by Junita Reyneke of Rustenburg Herald.

## Teddy, Clarissa now among the finalists - Grand judging awaits

RUSTENBURG HERALD - RUSTENBURG - It is with great anticipation that we announce the winners of the latest and very last quarterly Blank Space Art competition this week.

Twelve-year-old Clarissa Pretorius and 26 year-old Teddy Mhangwana are the winners of Greystone Crossing and Beyers Naudé Pick n Pay stores - our co-hosts and main sponsors of the popular Blank Space Art competition.

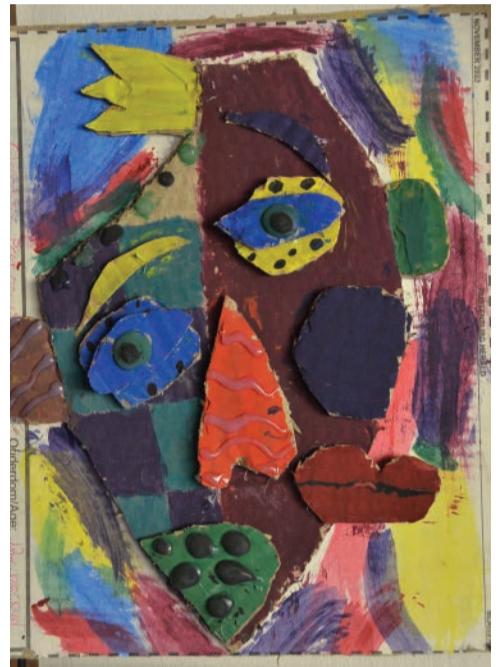

Both Clarissa and Teddy have won prize-money of R1 000 each sponsored by Rustenburg Herald and now advance to the final round of the competition in which all finalists (previous quarterly winners of this year) will compete for two grand prizes - two Pick n Pay shopping vouchers to the value of R10 000 each sponsored by Pick n Pay

Greystone Crossing and Pick n Pay Beyers Naudé in the Lifestyle Square center.

Bonus and Rustenburg Herald are also looking forward to next year when a new "format" of the Blank Space art competition will be announced. Artists are advised to keep their eyes peeled for more information. Good luck to our latest winners in the meantime - the Grand judging will take place during the next few weeks and the winners will be announced in Rustenburg Herald's last edition of this year - the edition of 21 December - just four days prior to Christmas. Keep watching Rustenburg Herald and Bonus!

Junita Reyneke van Rustenburg Herald wens die 12-jarige Clarissa Pretorius geluk met haar wen-inksrywing as een van die twee laaste kwartaalwenners in vanjaar se Blanksie-kunskompetisie. Clarissa ding nou saam met haar mede-finaliste mee om twee gesogte R10 000-koopbewyse wat deur Pick n Pay Greystone Crossing en Beyers Naudé geborg word.

# Nuwe munte vir SA

RUSTENBURG HERALD - RUSTENBURG - Suid-Afrika kry blinknuwe munte in 2023 nadat die Suid-Afrikaanse Reserwebank 'n nuwe muntreks bekend gestel het.

Dit sal vanaf 1 Januarie as wettige betaalmiddel aanvaar word. BusinessTech berig dat Suid-Afrika se vierde muntreks vir die eerste keer op 31 Augustus 2022 aangekondig is, waarna die kabinet die nuwe dimensie, ontwerp en samestelling van die munte goedgekeur het. Die grootste verandering in die muntreks is dat die woord "Suid-Afrika" aan die een kant van die munte ingevoeg word en in al die ampelike tale gedruk sal word. Die munte sal op 'n rotasiestelsel gemunt word met die gebruik van al die ampelike tale wat oor 'n sekere tydperk op die munt

gedruk word. Vir die volgende tien jaar sal die tale jaarliks afgewissel word. Die ontwerpe het ook ander veranderinge ondergaan - insluitend veranderinge aan sommige van die diere wat op die munte verskyn. Die huidige denominasies vorm deel van die derde muntreks en is al sedert 1989 in omloop.

Mettertyd het die 1c-, 2c- en 5c-munte uit produksie gevval – die munte wat gebruik is om voëls uit te beeld, terwyl die 10c-, 20c- en 50c-munte blomplante uitbeeld, naamlik die arumlelie, koningprotea en strelitzia.

Denominasies van R1 of meer weerspieël diere in plaas, die springbok, die koedoe en die swartwildebees of gnu. In die vierde muntreks spog die nuwe R5-munt met 'n walvis, die R2 wys twee springbokke en die R1 is die skilderdoek vir drie verskillende soorte proteas.

Die nuwe 50c-munt vertoon 'n loerie, die 20c 'n aalwyn en vir die eerste keer word 'n insek, naamlik 'n by (op die nuwe 10c), op 'n Suid-Afrikaanse munt vereer.

# Teenage Pregnancy Summit:

## "Young people, abstain and focus on your books..."

RUSTENBURG HERALD - RUSTENBURG - "Young people under the age of 21 years and youth that are not ready to have children must abstain from sexual intercourse and focus on their books..."

The above message was shared by the families, peer pressure, indulgence acting Deputy Director General of North West Department of Health Abednigo Mvula - at a fully packed Rustenburg Civic Centre Hall during a Teenage Pregnancy Summit organised by the Health Department. Young people from the age of 17 to 24 years – from the four North West Districts attended the summit and the majority of them shared their frustrations.

Unemployment, poverty, dysfunctional

on liquor and drugs were some of the challenging factors outlined by the young people and key speakers as issues that are normally leading into teenage pregnancy.

Nokthula Klaasen (21) from Kroondal shared her challenging ordeal of raising a child at 17 years. "It was through teenage mischief of late-night life, liquor and loose friends like me that time. Coming from a poor background, I was also

tempted to be involved with older guys so as they can provide my needs. After my child was born, I had to create a means to raise her...It has been challenging where I ended up being a sex worker...I do not wish that any of the teenagers/youth in this hall should go through the route that I have undergone. I would like to advise them that if highly tempted by sexual desires, let them condomise and also take prevention including PrEP (medication treatment to prevent HIV).

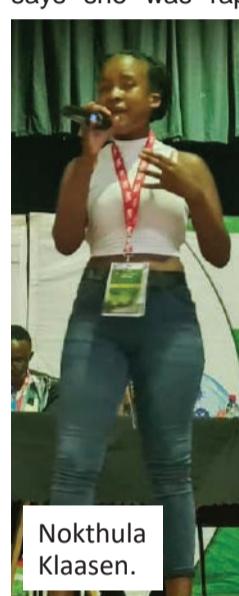

Another painful ordeal was shared by Social Worker Mpho Nong, who calls herself Celebrity Social Worker. She says she was raped by close family

members at the age of 14 until she had a child..."The whole thing was traumatic but I told myself that it was not going to define my destiny. I have grown up to be strong and to advocate for many who have experienced what I went through... We should rise up through all that we come across as young people...Suicide and feeling sorry for ourselves cannot be an option," she said.

It was disclosed that 90% of teenage pregnancy in the province were unplanned for; whilst 60% of pregnancy was terminated, and over 30% it was an illegal termination which has been proved to be dangerous.

Young people from the age of 17 to 24 years – from the four North West Districts attended the summit.

Nokthula Klaasen.

Acting DDG Abednigo Mvula.

## “He did not deserve to die like this...”

RUSTENBURG HERALD - RUSTENBURG - Nkululeko Jeffrey Njuza was a good man.

He was a trustworthy and dear friend, a young man living in hope for a better life. But then he died.

Not a good death. No, a violent, unnecessary one that not only took his life, but robbed his little girl of a father and his friends of a beloved part of their circle.

According to the woman who regards herself a 'second mother' to Nkululeko (32), Mavis Moeng, nothing could prepare them for the shock of his death.

"It was just a normal day. Nkululeko was standing outside in the street talking to friends when he said he had to go to the toilet," recounts Mavis.

She says that, on his way to the toilet on 8 May this year, he was attacked by two men at the back of a tavern in Tlhabane.

"They killed him there in the dust, as if his life was worth nothing. They made the world poorer when they took him from us."

Mavis was at court Monday morning (28 November) when the accused, Koketso 'Kok's' Mogomotsi and Dacamfy Comfort Rakhuu appeared.

The case was postponed to 10 January 2023.

Mogomotsi and Rakhuu's R5000 bail each was extended.

## CCBSA and Sun City Resort partner to achieve a world without waste!

RUSTENBURG HERALD - RUSTENBURG - Coca-Cola Beverages South Africa and the Sun City Resort are collaborating to achieve a world without waste through various initiatives that will foster a culture of waste separation at source and recycling within the resort area.

This will be driven by providing education and more awareness into waste separation at source so recyclable material can be collected effectively.

CCBSA will donate a total of sixteen-wheeler bins to make up four recycling stations for PET, cans, paper, and non-recyclable material. This initiative will encourage the correct separation and

disposal of waste in and around the resort. In addition, Moli and Mela Waste management will also be awarded a trailer to use in their daily operations around the site. They are a black, female owned Small, Medium and Micro Enterprises (SMME) which was recently awarded a waste management contract for the entire Sun International resort.

## Vakansiepetrol gaan jou ruk

RUSTENBURG HERALD - RUSTENBURG - Afhangend van hoe goed jou motor se petrolverbruik is, kan jy maar 'n paar honderd rand bytel vir jou reiskoste in vergeleke met verlede jaar.

Vir Rustenburgers wat die pad Kaap se kant toe aandurf, is dit 'n lang trekkie. En met die geskatte Desember-petrolprys wat volgende week in werkende tree, gaan jou brandstof jou aansienlik meer uit die sak uit jaag as verlede jaar - al behoort diesel jou volgende maand sowat R1,24 minder te kos as nou.

Verlede jaar Desember het diesel in die omgewing van R18,60 per liter gekos; dié jaar is dit ongeveer R24,25 - wat beteken vanjaar kos jou reis jou reis sowat R5,65 per liter meer as toe jy in 2021 see toe gery het.

Die prys van petrol - 93 - sal volgende

week met ongeveer 55 cent verhoog na ongeveer R23,10 - wat sowat R3 duurder is as ooreenstemmend verlede jaar.

Vir petrol 95 word die verhoging ook tans geskat op 55 cent en gaan nou min of meer R23,40 kos. Dit is meer as R3 duurder as wat dit verlede jaar gekos het.

Jou 'trippie' Kaap toe kan jou dus dié jaar meer as R300 méér kos as verlede jaar, afhangende van jou motor se brandstofverbruik. Die antwoord: Pak maar soos van ouds padkos in om te help bespaar.

\* Die verhoging is net geskat en die prys kan verander.

RUSTENBURG HERALD - RUSTENBURG - Recently some 575 students from Southern Africa graduated from the theological course presented by Shincheonji Church of Jesus.

They form part of 106,186 students from 82 countries around the world who have also completed this Bible course successfully.

The main ceremony took place on 20 November in South Korea. This was the largest number of students ever to complete this theological course and the biggest graduation ceremony of its kind in the world ever. For safety reasons and to keep with COVID-19 protocols only 80,000 graduates could attend in person at the Daegu Stadium.

The ceremony was streamed to hundreds of locations via YouTube link, in 9 different languages, where more than 300 000 people could participate.

Students from 23 African countries also participated in this large-scale graduation ceremony with 506 from South Africa, 55 from Namibia, and 14 from Zimbabwe.

Special local ceremonies were held in Cape Town, Gqeberha, Johannesburg, Pietermaritzburg, Durban, Windhoek, and Harare.

The graduation ceremony consisted of praise and worship, congratulatory speeches, prayers, and a commemorative address by the Chairman of Shincheonji, Man-Hee Lee, followed by a special congratulatory performance, tassel turning and an award ceremony.

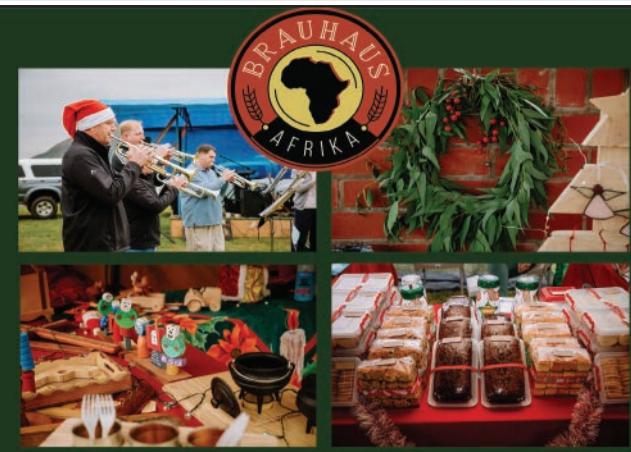

According to a South African spokesperson of the church, this is the biggest graduation ceremony from a single Christian institution the world has ever seen.

## Tienerswangerskap: 'n Steeds groeiende kwessie onder die jeug

RUSTENBURG HERALD - RUSTENBURG - Tienerswangerskap is nie iets nuuts nie en deesdae word dit beslis ook nie meer as "skande" beskou nie.

Tog, kyk 'n mens na die 2017-statistiek wat aandui dat bykans 120 000 Suid-Afrikaanse tienermeisies tussen 15 en 19 in daardie jaar geboorte geskenk het, wonder 'n mens onwillekeurig wat van hierdie meisies word – wie sorg vir hulle en die babas, gaan hulle terug skool toe, verval hulle net verder in 'n sirklus van armoede ... Wat nog meer onrusbarend is, is die nuwe tendens dat kinders so jong as 10 jaar oud swanger raak.

Tienerswangerskappe het talle sielkundige, gesondheids-, ontwikkelings- en bevolkingsprobleme tot gevolg, maar wat is die grootste uitdagings in die verband en wat is die werklike gevolge op jong meisies en die betrokke jong seuns? Hoe hanteer 'n mens dit? Want, om skielik uit te vind dat jy swanger is, en dat die swangerskap boonop onbeplan is, kan 'n groot skok wees en kan geweldige stres tot gevolg hê. Afrikaans.com

het Emmerentia van Wyk, 'n medewerker van die Stigting vir Bemagtiging deur Afrikaans (SBA), en aanbieder van hulle werkswinkels oor die voorkoming van tienerswangerskappe, genader om ons vrae te beantwoord.

Volgens Emmerentia is daar talle oorsake, maar die volgende is spesifiek op ons kinders van toepassing: Gebrek aan oerleiding en/of ouertoesig. Enkelouerhuishoudings. Gebrek aan positiewe familie-/gesinsinteraksie. Moeder was 'n tienerouer. Gebrek aan kennis oor voorbehoedmiddels, swak toegang tot voorbehoedmiddels of te skaam om kliniek toe te gaan vir voorbehoedmiddels. Ongereerde en verkeerde gebruik van voorbehoedmiddels. Om swak selfbeeld 'n hupstoot te gee. Onkunde. Portuurgroepdruk. Armoede. Verkragting en/of seksuele mishandeling. Kwessies met die beëindiging van swangerskap. Deel van 'n groep wat

aktiwiteit gee. Om in die mode te wees. Soek na liefde. Gebrek aan diepgaande kennis oor puberteit, soos menstruasie en voorbehoedmiddels. Kry inligting by portuurgroep waarvan die akkuraatheid bevraagteken word. Skole kan 'n baie belangrike rol speel in die verband, omdat

dit die plek is waar die kinders al die nodige inligting kan kry om hulself te bemagtig rakende hul seksualiteit, ensovoorts. Werkswinkels kan gehou word om die kwessies te hanteer. Tydens die werkswinkels kan sprekers, soos byvoorbeeld klinieksusters, gevra word om oor voorbehoedmiddels te praat, indien die opvoeder ongemaklik is om oor die kwessies te praat. In baie gevalle is dit moeilik vir ouers om oor seks, seksualiteit, voorbehoedmiddels, en dies meer te praat, of ouers self het nie genoeg inligting daaroor nie.

Tieners kan na klinieke toe gaan om meer omrent voorbehoedmiddels uit te vind. Ongelukkig is die klinieke dikwels nie tienvriendelik nie en voel tieners nie vry om soontoe te gaan nie. Daar is 'n groot behoefte aan noodsaaklike kommunikasie tussen ouer en kind omdat onderwerpe soos seks oor gepraat moet word. Ondersteunende groepe kan gestig word om ouers te help wat probleme mag ondervind. Lees die volledige artikel hier: <https://bit.ly/tienerswangerskap>. Gaan kyk gerus op Afrikaans.com se Leerhulpblad onder die hoof Algemeen artikels vir talle ander artikels oor ouerskap. <https://afrikaans.com/leerhulp/>.

RUSTENBURG HERALD - RUSTENBURG - Animal welfare societies have expressed their concern about calls on social media to poison pitbulls.

"We are aware that there are Facebook posts circulating which are inciting the public to poison Pitbulls. Poisoning any animal is a criminal offence and is in contravention of the Animal Protection Act no 71 of 1962. If you know of any animals being poisoned, or have any proof, you must report this to your nearest SPCA," said a spokesperson for an animal welfare group.

Following the recent reports concerning the Pitbull attacks pet owners are urged to keep their dogs safe from harm. If you chain a dog or keep it locked up in a cage, you are creating a bigger problem – then you should not have a dog. Frustrating a dog by keeping it chained or caged, and not giving it space and freedom to live a normal life, will make it more aggressive, and unpredictable.

"We have had many calls from concerned community members reporting aggressive dogs belonging to neighbours. As the owner of a dog, you need to make sure your dog is safe and CANNOT GET OUT OF YOUR PREMISES, and the dog will not cause harm, injury or death to anyone. You also need to ensure that no harm, injury or death can be caused to your pet, by anyone," the spokesperson emphasised.

"All animals matter. We will not judge anyone for surrendering

## NW SAPS management to investigate recruitment allegations

RUSTENBURG HERALD - RUSTENBURG - The provincial Police management noted with concern allegations doing the rounds on social media platforms about recruitment related corruption levelled against a Captain working at the Provincial Office.

Provincial Commissioner, Lieutenant General Sello Kwena, stated emphatically that criminal activities - including corruption - cannot be condoned within the ranks of the South African Police Service, irrespective of whom it may be.

An internal investigation is underway regarding the allegations and members of the community who may have any information, or evidence about the alleged corruption, are urged to call this number: 082 856 0995.

### Driving in the rain Safety tips

During wet conditions the road surface is smoother and this may cause your vehicle to skid, **avoid skidding** by slowing down, apply brakes while steering the car to the direction of the skid.

Do not slam on the breaks.

If you have ABS, do not pump the brakes.

It takes about three times longer to brake on wet roads than on dry roads so **don't tailgate**.

Windshield wiper blades are important safety devices, they are there to keep your windshield clean and clear for visible driving.

IF IT HAPPENS  
Do not brake or turn suddenly. This could throw your car into a skid.

Turn your headlights on even in light rain, they'll help other drivers to see you, and avoid speeding.

If you need to brake, do so gently with light pumping actions.

If your car has; ABS, then brake normally: the car's computer will mimic a pumping action, when necessary.

## PUBLIC PARTICIPATION PROCESS IN SUPPORT OF THE ENVIRONMENTAL AUTHORISATION APPLICATION FOR THE ANGLO AMERICAN PLATINUM WATERVAL SMELTER COMPLEX (WSC) MINIMUM EMISSIONS STANDARD (MES) TOWER PLANT COMPLIANCE (TAILGAS SCRUBBER) PROJECT, NORTH WEST PROVINCE

Notice is hereby given of a Public Participation Process (PPP) for a Basic Assessment in terms of Regulation 39 to 44 of the Environmental Impact Assessment (EIA) Regulations, 2014 (as amended), promulgated in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (as amended) (NEMA). The PPP is conducted in support of the Anglo American Platinum (AAP) Minimum Emissions Standard Compliance Tailgas Scrubber Project, proposed to be located within the Waterval Smelter Complex (WSC). An application is made for an Environmental Authorisation (EA) through the legislated process as required by the EIA Regulations, 2014 (as amended). An application for EA is therefore submitted to the North West Department of Economic Development, Environment, Conservation, and Tourism (DEECT).

### APPLICANT AND BACKGROUND

The Tailgas Scrubber Project will be located within the AAP WSC, which is located within the north-western limb of the Bushveld Complex. The main objective of the Tailgas Scrubber Project is to comply with Section 21(1)(a) of the National Environmental Management: Air Quality Act, 2004 (Act No. 39 of 2004) (NEM:AQA). The NEM:AQA requires WSC to meet the MES for Sulphur Dioxide ( $SO_2$ ) and Nitrogen Oxides (NOx). In order to enable AAP Waterval Smelter Complex to achieve the MES, a Tailgas Scrubber must be installed. The proposed activities are located east of Rustenburg on Portion 14 of the Farm Waterval 303 JQ, within the jurisdiction of the Rustenburg Local Municipality and Bojanala Platinum District Municipality, in the North West Province. The coordinates of the site are as follows: 25° 40' 34.89" S; 27° 19' 53.95" E.

Activities to be undertaken include the construction of a 65m Tail Gas stack and associated infrastructure, which will require an amendment to the existing Atmospheric Emissions Licence (AEL). In addition, the project will include the expansion of the total storage area for dangerous goods.

# Geweld teenoor vrouens en kinders is nie altyd sigbaar nie

DEUR NG WELSYN

\*Jan en \*Lise is 10 jaar getroud en boer op die platteland. Hulle het twee kinders. Jan is op die kerkraad en voorsitter van die plaaslike landbouvereening. Hy is 'n dinamiese man met 'n charismatiese persoonlikheid en is gewild in die gemeenskap. Lise is 'n stil, skaam vrou. Sy is op die oog af 'n goeie ma en ondersteun Jan met al sy bedrywigheide. Die buurplaas is onlangs verkoop en die nuwe eienaars het ingetrek. Lise maak moeilik vriende, maar het onmiddellik van haar nuwe buurvrou, Marina, gehou. Marina het vir Lise saamgenooi na 'n damesoggend in 'n naburige dorp, maar kon nie Lise se reaksie op haar uitnodiging verstaan nie. Lise was sigbaar angstig en het gesê dat sy eers vir Jan sal moet vra of sy mag gaan. Marina het voorgestel dat sy en haar man later die dag by Jan en Lise gaan koffie drink en dat hulle dan dit saam met Jan bespreek. Lise se hande het liggies begin bewe en sy het gevra dat hulle dit eerder net los. Wat Marina nie geweet het nie is dat Lise 'n slagoffer is van ekonomiese en emosionele gesinsgeweld. Lise het nog nooit die moed gehad om hulp te vra nie, want sy is oortuig dat niemand haar gaan glo nie. En sy is waarskynlik reg. Jan mishandel haar nie fisies nie. Sy het dus geen merke op haar lyf as bewys nie. Hy is 'n gewilde gemeenskapsleier en gesinsman. Mense sien op na hom en sal nie glo dat hy in staat is tot gesinsgeweld nie. Wat gebeur egter wanneer Lise en Jan alleen

# Rustenburg Herald Kook

Deur Christelle Wessels

Kyk, 'n vreemde ding gebeur mos hier van die begin van Desember af elke jaar: Baie mense – oud en jong – ondergaan dan 'n metamorfose en verander in ruspes wat deurentyd iets te ete wil hê.

Dis ook tog tradisioneel kuiertyd – en gaste kan onverwags op jou drumpel beland.

Moenie jou hare uit jou kop uit trek nie! Letitia Cronje, een van die Rustenburg Herald se ontvangspersoneel, het net die ding om kinders, grootmense en besoekers mee te bederf.

Sy maak haar verleidelike sjokoladekoek só:

## Verleidelike sjokoladekoek in 'n japtrap

### Maklike sjokoladekoek

**Bestanddele:**

- 4 Eiers, geskei
- 1l Suiker
- ½ k lou Water
- 1t Kitskoffiepoeier
- 75 ml Kakao
- Meng dié drie bestanddele goed
- ½k Kookolie
- 1t Vanielje
- Voeg by suikermengsel en meng goed deur.

1k Koekmeel

2t Bakpoeier

¼t Sout

- Gooi by res van die mengsel en meng goed.
- Klits eierwitte styf.
- Voeg 2t bakpoeier by en klits tot punte vorm.
- Vou eierwitte in deegmengsel in.
- Gooi in twee gesmeerde panne. (Gewone koekpan of ringpan)

Bak teen 180 °C vir 25 min in ringpan vir ±40 min

- Gooi sous oor sodra koek uit die oond kom.

'n Sjokoladekoek wat 'n ware bederf vir jou gesin, of jou gaste is.

**Sous:**

300 ml Melk

½ k Suiker

1t Vanielje

Kook saam in mikrogolf vir 2 min.

Gooi oor koek.

Smelt twee groot blokke (80g elk) sjokolade met neute/mint en 70ml melk in mikrogolf en gooie oor afgekoelde koek.

Die koek is op pad oond toe en jy kan al byna begin uitsien.

Die sjokoladekoek is reg om 'gedress' te word.

Die sjokoladesous in wording..

## Seisoen van verdrinking op hande

In die laaste klompie weke is die argumente, gesprekke of nasionale "diskoers" (soos ons slim mense sê) teen die omstrede sogenaamde Amerikaanse pitbull-terrier in Suid-Afrika seker die felste in die geskiedenis. Dit volg nadat talle voorvalle waarin ander honde, jongmense, bejaardes en selfs kleuters watveral oor die afgelope jaar deur pitbull-terriërs aangeval, beseer of selfs gedood is, telkens die nuusblaaie gehaal het. Ons kan verstaan dat Suid-Afrikaners erg verdeeld is oor die hondekwestie - Suid-Afrikaners is nou maar mense vir die buitelug en natuurlewe en watter ou met 'n stukkie grond érens in die bosveld (deesdae sommer enige plek - selfs in die stad) hou nou nie daarvan om met sy vierwielbakkie (met of sonder beesrelings) en sy hond "glimlaggend" agterop rond te ry nie? Dis mos so eie aan Suid-Afrika, soos braaiyleis, biltong, rugby en brande.. (toemaar, los dit maar...).

Elk geval, nee, dit is trouens nie 'n tema vir 'n lighartige gesprek nie, mense is erg verdeel en reageer driftig al sou die argument na enige kant neig. Ons gaan ook hier nie kant kies nie, want dit is nie so eenvoudig nie. Al wat ons in hierdie stadium voel om hieroor te sê, is dat dit baie jammer is dat die saak oor die afgelope 20 jaar toegelaat is om in een van die mees omstrede kwessies ooit te ontaard sonder dat die nodige maatreëls en beheer en opleiding (indien dan nodig)

betyds afgedwing is. Hierdie is een van daardie sake waarin dit onvermydelik is dat 50% van die respondentie uiters teleurgesteld gaan wees ongeag na watter kant die pendulum swaai. Ons simpatie lê eenvoudig aan beide kante - die mense en die honde...

Daar is egter 'n ander kwessie wat self meer tragedie is en wat inderdaad vermy kan word. Sommer hier op die voorraad van die kers- en feesseisoen wil 'n mens ys as jy dink aan hoeveel onskuldige kinders elke jaar hierdie tyd in onbewaakte swembaddens verdrink terwyl die grootmense makietjie hou. Ons wil 'n beroep op Rustenburg se mense en die breë Suid-Afrikaanse gemeenskap doen om betyds seker te maak dat jou swembad by die huis behoorlik omhein en "kinderveilig" is sodat jy mnr of mev dalk nie vir die res van jou lewe met 'n skuldgevoel en of selfverwyt opgesaal hoeft te sit nie. Dit is net eenvoudig nie die moeite werd nie. As jy nie anders kan nie of geen maatreëls van hulpmiddels tot jou beskikking het nie, laat dan maar die swembad dreineer of reël vir jou sekuriteit wat vir die tyd waarin jy besoekers met klein kindertjies verwag, permanent langs die swembad kan wees. Selfs al kos dit 'n arm en 'n been - sodoende sal mnr of mev sekuriteitsman dalk ook meer rede hê om fees te vier wanneer die feesseisoen se uurglas leeggeloop het en sal jy vir die res van jou lewe rustig kan slaap.

## Season of drownings with us

Over the past few weeks if not months arguments, discussions, talks and fights over the controversial pitbull terrier issue has become fiercer than ever. This follows in the wake of several, numerous if we are not mistaken - incidents wherein toddlers, young children, elderly people or other dogs were brutally attacked and injured if not killed by pittbul terriers, if correctly reported by the SA media at large. We understand that the South African community is deeply divided by the pitbull issue. South Africans are outdoor enthusiasts, animal and dog lovers and show me a man with a small piece of land somewhere (even in the cities nowadays) who doesn't enjoy driving around in his bakkie (with or without cattle fencing) with a pitbull terrier or something similar "smiling" in the back? It is as unique to South African as braai, biltong, rugby or brand... ah, nevermind...

Anyway - no, its indeed no laughing matter. The community is profoundly divided by the dog issue and we are not going to pick a side - it will suffice to say that it is a pity that the issue has been allowed to grow out of control and to become a major issue without the

necessary measures and control being put in place at least a decade ago. This is one of those rare cases wherein it is easy to predict that at least 50 percent of respondents are going to be disappointed, no matter which way the pendulum is going to swing. Our sympathy lies on both sides - the people and the dogs...

There however is another issue that is even way more tragic and which in fact, we are all in a position to avoid. On the eve of the Christmas or festive season, the tragic and unnecessary drowning of toddlers and young children in unprotected swimming-pools during home parties or celebrations, remains a threat until way after the holiday season. This year, we wish to appeal on all Rustenburg people and the South African community at large to take the extra mile to make sure that your pool at home is properly protected/covered/fenced - especially when you are expecting visitors with toddlers or young children. Please people, you don't want to be part of a nightmare that you will never be able to forget. Don't skimp from extra trouble, take the extra mile and safeguard your pool. You and your family/friends/visitors will forever be grateful!

"Hoe sê 'n mens dankie vir mense soos suster Rina van Hospice in Rustenburg? Ons het haar gebel vir hulp en sy was dadelik bereid om ons te help met raad en mediese voorraad. Dit is die eerste keer wat ons met

## What an experience!

Pictured here are Leigh-Ann van der Merwe (seated) with Suenell van der Walt.

The Editor,

"The Rustenburg SPCA had a "Blikskud" on Saturday 26 November. It was my first "blikskud" and I was amazed how much people cared and donated from the most luxurious vehicles to the most broken down barely running car! It was so awesome to witness. A special thanks to the Rustenburg SPCA family who gave up their Saturday to run up and down the very busy and dangerous Mall intersection and to Suenell van der Walt who didn't leave my side, I appreciate her so much. I wish I could run up and down but I'm in a wheelchair and these volunteers are my inspiration. The money we received will go a long way in saving our animals but with food, salaries vet bills, electricity, rent etc the money is gone in a month or two, so if you missed us on Saturday here are SPCA's banking details, any amount would be welcome: SPCA Rustenburg, Acc no 53604095349, Branch no 250655.

Thank you so much Rustenburg",

There is a dangerous road in Tlhabane West, Ext

1 - Zibi Street. This situation was created by the Rustenburg Municipality workers and installers of a Wifi provider. This has been

there since April this year. The plea in of the residents of Zibi Street fell on deaf

ears. We've had discussions with the Councilor of Ward 8, but to no avail. Please assist us. **Reuben Diale, Tlhabane West, via email.**

## How sport united and grew a community

Dr Adri Grové

RUSTENBURG HERALD - RUSTENBURG - Today a great story should be shared. A story of a small idea, female power, strong leadership and in the end, 30 wonderful women - hopefully the first of many to come.

As proud Councillor of Ward 42, I stood in awe at how my ward committee ran with an idea and – as a consequence, two female soccer teams are now proudly "pink" and "green" and dressed for soccer action. It is even more symbolic if we keep in mind that the soccer world cup in Qatar just kicked-off. In the light of World Women's Day on 8 March and South African Women's day on 9 August, Ward 42 wanted to do something special for special women. Since surrounding plots in the Waterfall East area often tackle each other on the soccer field, we decided to make them proud again. No hand me down t-shirts

## Local principal wins National Teaching Award for Excellence in Primary School Leadership

RUSTENBURG HERALD - RUSTENBURG - Dikeledi Sekopamotse, Principal of Platinum Village Primary School has won the award for Primary School Leadership in South Africa at the North West Department of Education's National Teaching Awards.

Mrs Sekopamotse was selected by judges for demonstrating Resilience in Pursuit of Excellence. She was one of multiple finalists selected from primary schools all over South Africa. Says Mrs Sekopamotse, "When I joined Platinum Village Primary School in 2017 the school was very new, and all the educators were young teachers who had come straight from university. I had to lead by example, using the experience that I brought to Platinum Village Primary School. Our vision at the school is to transform our learners into 21st century learners. We focus on instilling all the skills of information and communication technologies (ICT) in our classrooms and teaching learners in a way that ensures they remember their lessons better than the old system of teaching. We believe in developing our learners holistically, and we are very proud that our school's under 13 soccer team was the runner up in this year's Royal Bafokeng and Impala sponsored Metshameko programme." In a letter to the CE of Impala Rustenburg, Mark Munroe, Mrs Sekopamotse credits Impala Rustenburg's education team for the support provided to Platinum Village Primary School. She says, "In my presentation motivating the reasons why I am a resilient leader, a huge part of it was about the support we receive from Impala, and the mentors who come every week to help our young educators teaching methods. Impala is always there to help us whenever we have any maintenance challenges, and for anything we ask." Platinum Village Primary School was built by Impala in 2016 and continues to receive support through the company's teacher mentor programme.

"Impala is honoured to work alongside Mrs Sekopamotse and the teachers in our mine-community schools and to make a difference in the lives of children, helping them to realise their full potential. We are proud to play a part in Platinum Village Primary School's journey through our educational support programme, and we wish Mrs Sekopamotse continued success," said Munroe.

"Thank you to my Platinum Village family, my learners, parents, the Student Governing Body, my beautiful staff and to our partner, Impala Rustenburg. We would not have received this award if we didn't have the support from Impala as our partner in education," concluded Mrs Sekopamotse.

## When you Add Hope, you really do make a difference

RUSTENBURG HERALD - RUSTENBURG - Thlabane, Rustenburg – On Monday 31 October, KFC franchise Gunret Foods visited one of the local Add Hope beneficiaries: SOS Children's Village. The objective of the visit was to not only continue to give back and do good to those in need, but to also show the Gunret Foods team how the R2 Add Hope donations truly do make a daily difference.

Team Members from KFC restaurants in Rustenburg, Thlabane, Boitekong, Safari Gardens, Fatima and Triangle attended an informative tour of how the Village assists children and how Add Hope contributes towards feeding the children nutritious meals every day. ## Olifantsnekdam sommer 'n mak olifantjie

**RUSTENBURG HERALD - RUSTENBURG** - Onder inwoners van die Rustenburg se Kroondal-gemeenskap asook boere en kleinboere van die Olifantsnek Besproeiingskema is daar sedert onlangs groot vreugde nadat die Olifantsnekdam na vanjaar se uitsonderlike goeie neerslae vir die eerste keer sedert 2014 oor sy wal gebars het.

Om die geleentheid behoorlik te vier het sowat 26 swimmers van dié gemeenskappe op Sondag, 27 November in twee verskillende sessies geswem en die dam in albei sessies van wal tot kant oorgesteek.

Die eerste groep het vanaf die damwal na die Brauhaus geswem en die tweede groep het die dam vanaf die wal na Mimosa oorgesteek. Beide die swimme was oor 'n geskatte afstand van sowat 1.9 km. Die twee swimme het terselfdertyd gedien as fondsinsamelingsgeleentheid om fondse in te samel vir die "Support a Senior" projek - 'n fonds ten bate van inwoners van Altkroondal Ouetehuis op Kroondal wat soos baie ander tehuise onder groot finansiële druk is.

Die swimmers, hul ondersteuners,

families van Altkroondal is dankbaar teenoor die organisasie "Spirit of Adventure" en die Olifantsnek Yacht Club wat met ondersteuningspanne in bote en kayakke gehelp het. Met hierdie swem betuig die gemeenskap ook hul diepe dankbaarheid aan die Heer vir die wonderlike reën, asemrowende natuurskoon en die voorreg van gesondheid om die swem te kon voltooi. Almal wat ingeduik het, het die swem sonder voorval voltooi - dit is groot genade as 'n mens daaraan dink dat die jongste swimmer slegs nege jaar oud was met die oudste swimmer 58 jaar oud. Natuurlik is die swem daarna gevolg deur 'n heerlike kuier- en braaisessie. Die gemeenskap bedank ieder en elk wat in een of ander vorm meegedaan het.

Die swimmers wat Sondag nikus daarvan gedink het om die afgelope naweek oor 'n propvol Olifantsnekdam te swem nie. Van links agter is Cara Behrens, Lisa Hill, Stefan Kruger, Thomas Schlotfeldt, Sebastian Meyer, Michael Meyer, Peet Hill, Heiko Meyer, Lars Penzhorn, Geo Barnard, Izak Visser, Andi Hill, Hes Hill, Maike (Ottermann), Frank Baxter, Thomas Mahnecke, Marion Behrens, Ferdi Meyer, Marilee Meyer, Marianne Muhl, Tanja Ottermann, Astrid Swart en Helga Ottermann.
