Rustenburg Herald

Trotse geskiedenis is Maandag vandeeweek by die Hoërskool Rustenburg gemaak toe die skool se 100ste bestaansjaar tydens 'n kort en informele seremonie op die skool se sportgronde gevier is. Vir leerders wat in uiteenlopende skooldrag uitgevat was, was dit loshande een van die lekkerste skooldae van die jaar met geen sprake van 'n blou Maandag nie. Intendeel, benewens die veelkleurige feesprogram met enkele toesprake deur die hoof, die beheerliggaam-voorsitter en enkele ander eregaste, was daar muskale en ander vermaaklikheidsitems met 'n informele onthaal en braaigeselligheid vir leerders voordat die skoolklok die einde van die "skooldag" aankondig het. Een van die hoogtepunte op die feesprogram, was die onthulling van die skool se nuwe eeufes-gedenksteen. Van links hier onder direk na die seremonie verskyn Joanè Prinsloo, Eric Thiar (hoofseun), Jamie-Dayne van Heese, mnr Bernhard Visser (beheerliggaam-voorsitter), mnr Hennie Pieterse (skoolhoof), Reghard Pieterse, Marli Visser (hoofdogter) en Hanco Stone. Die skool sien uit na verskeie ander hoogtepunte later vanjaar tydens die eeufesjaar. (Foto: Zandri van der Merwe - Maskers is ter wille van hierdie geskiedkundige foto verwyder.).

Burst pipe leaves residents without water

RUSTENBURG HERALD - RUSTENBURG - Residents of Tlhabane West and Geelhout Park were left without water for almost a week after a pipe supplying these areas burst at Dr Moroka Drive in Rustenburg.

During the time, the Rustenburg Local Municipality could not anticipate the timeframe it would take as engineers were still busy fitting and joining new valves. The work was completed and water finally restored. However on Monday (31 January) it was reported that once again the pipe had burst.

“Please note that the pipe on the bulk line feeding both Geelhout Park and Tlhabane West has collapsed again. We informed Sebetsa Trading and Rolyn Engineerin to come on site to establish the cause of the failure and start with repairs urgently,” a statement released by Rustenburg Local Municipality said on Monday afternoon.

CORONA VIRUS

COVID-19 UPDATE

Changes to Covid-19 regulations

RUSTENBURG HERALD - RUSTENBURG - Cabinet has approved changes to the Adjusted Alert Level 1 Covid-19 regulations as South Africa has exited the fourth wave nationally.

The changes came after meetings of the National Coronavirus Command Council (NCCC) and the President's Coordinating Council (PCC), which received updates on the management of Covid-19 in South Africa.

With the new changes, those who test positive with no symptoms, do not have to isolate. The isolation period has been reduced from 10 to seven days for individuals who test positive with symptoms and contacts do not have to isolate unless they develop symptoms.

“Cabinet also reviewed the resumption of schooling to full-time learning in all schools. Primary, secondary and special schools will return to daily attendance. The regulatory provision for social distancing of one metre for learners in schools has also been removed,” Minister in the Presidency, Mondli Gungubele said.

Mining Investment Conference held in Rustenburg

RUSTENBURG HERALD - RUSTENBURG - Minerals and Energy Minister, Gwede Mantashe, said South Africa's rich deposit of minerals required in the production of renewable energy sources is a big boon for the mining industry.

He was speaking on Tuesday (25 January) at the North West Mining Investment Conference held in Rustenburg. The North West province, in particular, is estimated to have at least half of the world's Platinum Metal Groups and rare earth minerals – also called minerals of the future – critical in the production of clean energy sources such as wind turbines, batteries, magnets,

and even pv solar panels. "Most of these [rare earth] minerals are going to be in high demand as we transition from high carbon to low carbon emissions [and] the minerals that we require to transition are in this [North West] province. These are the minerals that we call minerals of the future," Mantashe said. Turning to the country's transition from high to low carbon emissions, the Minister said the country must ensure there is energy security, while carrying out its commitments to lowering carbon emissions. "As we continue to mobilise investments in our economy in line with the economic reconstruction and recovery plan, we are mindful of the risks associated with energy poverty and climate change realities. "If we are going to deal with climate change,

there must be security of energy supply, then we can navigate the transition more systematically and in a structured way. But if there is energy poverty; there are still about 13% of South Africans who have no access to energy. We must deal with that, as we deal with coming down from high carbon emission to low carbon emission," Mantashe said.

Various stakeholders attended the conference from Tuesday to Wednesday.

Shootout with police leaves suspect wounded

Mercedes Benz C- Class that was recovered by police (Photo: Jabulani Senyatso).

RUSTENBURG HERALD - RUSTENBURG - On Friday (28 January) an intelligence driven operation led to the arrest of a 34-year-old man after shootout with the Public Order Police in Ramochana, near Rustenburg.

According to information received from Rustenburg Police Spokesperson, Sergeant Ofentse Mokgadi, it is alleged that the 34-year-old man was in the company of three other suspects driving a white Mercedes Benz C- class that was allegedly hijacked in Mogwase last weekend, when they were stopped

by the police. While the police were approaching the vehicle, the suspects started shooting at them, and the police had to retaliate. One suspect was shot and wounded while the other three managed to elude arrest. He has since been taken to hospital for medical attention.

Rapist 'prophet' gets 10 years behind bars

RUSTENBURG HERALD - RUSTENBURG - A man claiming to be a traditional healer was sentenced to 10 years imprisonment for rape.

The Bafokeng Regional Court in Tlhabane handed the sentence to 28-year-old rape accused, Ratanang William Moitshodi.

His sentencing emanates from an incident wherein he raped a then 22-year-old woman in Bethel Section, Lefaragatlhe in Tlhabane in 2019. On that Saturday (26 January 2019) at about 18:15, the victim was at her sister's home when Moitshodi arrived there. He allegedly told the victim that he was a traditional healer and can help her not to lose her babe as she was pregnant at the time. Moreover, Moitshodi managed to convince the victim that they should go to his residence so that he can help her. Upon arrival at Moitshodi's home, the victim was told to undress and lie down on her back. He then allegedly spread an ointment on her

body and subsequently raped her insinuating that it was a way of insetting the medicine into the victim's body. Following the incident, the matter was reported to the police and Moitshodi was traced and arrested a few days later. He was found guilty on a charge of rape and was sentenced to 10 years imprisonment on Thursday, 20 January 2022. He was also declared unfit to possess a firearm in terms of section 103 of the Firearms Control Act, 2000 (Act No. 60 of 2000). The investigating Officer, D/Sgt Christopher Maimela of the Rustenburg Family Violence, Child Protection and Sexual Offences (FCS) unit was lauded by the Provincial Commissioner of North West, Lieutenant General Sello Kwena for the sterling job.

Klag teen kindermoordverdagte teruggetrek

RUSTENBURG HERALD - RUSTENBURG - Sphamandla Mazibuko, die 31-jarige man wat vroeg in Desember 2020 aangekeer is vir die moord op 'n 10-jarige seun, se saak is tydelik van die rol geskraap.

Mazibuko is op 7 Desember in hegtenis geneem nadat hy verbind is met die verdwyning van Gomoloemo Thabetia.

Gomoloemo het op 6 Desember 2020 in Modderfontein, naby Kroondal verdwyn nadat hy en sy agtjarige boetie na 'n snoepwinkel geloop het. Die boetie het tuis gekom en hul ma ingelig dat Gomoloemo saam met Mazibuko na sy woonplek toe is. Toe Gomoloemo nie huis toe kom nie, het sy ma hom as vermis aangemeld. Polisie het onmiddellik na die seuntjie begin soek, maar sonder sukses. Mazibuko is die volgende dag ingeneem vir ondervraging,

maar het aanvanklik ontken dat hy enigsins iets met Gomoloemo se verdwyning te doene het. Hy is egter op 8 Desember daardie jaar formeel in hegtenis geneem. Hy het later daardie dag 'n bekentenis gemaak en ook vir speurders gaan wys waar hy die kind in 'n vlak graf in digte bosse naby die N4 begrawe het.

Volgens polisiewoordvoerder, kapt. Elsie Augoustides, is die saak teen Mazibuko tydelik teruggetrek omdat hy steeds vir evalueering by 'n mediese instansie vertoef. Sodra dié proses afgehandel is, sal die saak teen hom heropen word.

In Memoriam

Huldeblyk aan Heinz Behrens

RUSTENBURG HERALD - RUSTENBURG - “Saam met Rustenburg in ons grootwordjare was die Rustenburg Skou die een groot gebeurtenis, indien nie die grootste nie.

Dit was al vroeg in Januarie op die jaarkalender aangeteken en ons as klein knapies sou nooit een dag van die Rustenburg Skou misgeloop het nie”, skryf Johan Schoeman. “Afgesien van die mooiste Afrikanerbeeste in die arena, was daar die pronkperde wat grasieus in die ruitersklasafdeling nooit teleurgestel het nie. En dis hier waar ons die eerste keer vir Heinz Behrens in aksie gesien het. Afgesien van sy uiters netjiese voorkoms, kleredrag en sy manier om ‘n perd te hanteer, was Heinz vir ons almal ‘n statige figuur wat graag met almal, jonk en oud, kon kuier. Later was dit ‘n moet, as jy die skouterrein besoek, om vir Heinz by die perdestalle te gaan groet. Heinz het lank op die skoubestuur gedien en is latere jare as vise-president ingehuldig. Baie kere ook waargeneem as president van die Rustenburgs Skou wat intussen gegroei het as een van die grootste plattelandse landbouskoue in Suid-Afrika”. “Die bekende Bergheim landgoed was Heinz se tuiste, waar hy met sy gade Marie in die oorspronklike opstal vanuit die vorige eeu gewoon het. Sondae-oggende was dit vir my en Suzette ‘n uitdaging om vanaf Bersig na Heinz se Bergheim te hardloop in ons voorbereiding van die Comrades en om saam met hom en sy vrou ‘n vroeë koffie te geniet. Marie ontval hom weens kanker, maar Heinz is onbewus van die tragedie aangesien hy as Alzheimers-pasiënt van min dinge bewus is wat om hom gebeur. Op 31 Januarie 2022 sterf Heinz op ouderdom 96 en laat hy ‘n ryke erfenis agter. Twée OTM'e geteiken

RUSTENBURG HERALD - RUSTENBURG/MOONOOI - In die vroeë oggendure van Dinsdag (1 Februarie) is 'n OTM by 'n diensstasie in Geelhoutpark deur 'n groep mans met vermoedelik springstof opgeblaas.

Die voorval het na middernag gebeur. 'n Ooggetuie wat op daardie stadium by die diensstasie was, vertel dat hy sowat tien mans na die diensstasie toe aangestap sien kom het. Almal het maskers gedra - die gewone Covid-tipe maskers - dus het hy nie onraad bemerk nie.

Die mans, almal gewapend, het toe twee petroljoggies oorrompel en gedwing om vier van hulle in die winkel in te vat. Die ander ses het koers gekies na die OTM buite.

Die vier wat by die winkeltjie in is, het die personeel daar aangehou en beveel om die kasregister leeg te maak. Hulle het ook blykbaar gepoog om die OTM binne die winkel oop te breek, maar was nie suksesvol nie.

Intussen is die OTM buite getakel en die rowers het probeer om dit oop te blaas. Hulle kon egter nie by die geld uitkom nie en het, volgens die ooggetuie te voet gevlug.

Volgens die Noordwes polisiewoordvoerder, It-kol Amanda Funani word klage van besigheidsroof en opsetlike saakbeskadiging ondersoek.

Volgens It-kol Funani het twee verdagtes ook omstreeks 01:00 'n OTM by 'n diensstasie by Moonooi bygedam het. 'n Kassier by die diensstasie het die twee mans opgemerk en onmiddellik gedink dat hul verdag optree. Sy het die winkeltjie se deure gesluit. Intussen het sy drie skote gehoor, vermoedelik deur die verdagtes met 'n vuurwapen afgevuur en kort daarna twee ontploffings. Die mans het daarna die winkel probeer binnekom, maar omdat die deure gesluit was, moes hul met onverrigte sake die voet in die wind slaan. Volgens It-kol Funani is geen geld geroof nie. Die polisie ondersoek 'n klag van opsetlike saakbeskadiging.

Billions lost by Eskom to electricity meter tampering

RUSTENBURG HERALD - RUSTENBURG - During the 2020/2021 financial year, Eskom identified 34 492 incidents in which its electricity meters were tampered with.

Electricity meters measure the amount of electricity supplied to a residential or commercial building.

It is suggested that, in order to pay less for electricity, many Eskom customers have attempted to bypass meters by either stopping their functioning or modifying them to under-register or even stop registering how much electricity a house or building consumes. Eskom has repeatedly stated that moving electricity meters from their original place was illegal and considered vandalism, which means perpetrators could be slapped with a fine. It has also warned that tampering with the meters could cause injuries or death by electrocution. The utility has estimated the cost of energy theft due to this vandalism during the 2020/2021 financial year amounted to R2.318 billion.

Renew your licence disc online at the Post Office

RUSTENBURG HERALD - RUSTENBURG - Motorists wishing to renew their licence discs can now do so with their smart phone after the Post Office launched an online service for the renewal of motor licences.

In a statement released on Monday (31 January) the South African Post Service (Sapo) said the full renewal process, including payment, will be done online, leaving only the last step of accessing the licence disc.

The licence disc can be delivered to the customer at an affordable delivery fee or it can be collected from the post office counter.

"Payment is done safely and securely through Masterpass, which the user can download from Google Play Store for Android devices and the Apple App Store for Apple devices. No commission is charged on the renewal transaction. The cost of delivery to door is R75 and there is no charge to the customer when it is collected from a post office counter," Sapo said. The customer according to Sapo, will receive an SMS when the disc arrives at a post office for collection or when it goes out for delivery. The turnaround time is three working days, while it may be up to two days longer for outlying areas. The service is available on the website <http://www.sapomv.co.za>.

Ouers: Gee jou kind 'n voorsprong deur sy moedertaal

RUSTENBURG HERALD - RUSTENBURG - “Februarie is Moedertaalmaand en op 21 Februarie vier ons Internasionale Moedertaaldag - 'n dag wat sedert 1999 ingestel is en sedertdien jaarliks gevier word. Maar hoekom al weer praat oor moedertaalonderrig? Want ... dit is die beste ding wat jy vir jou kinders kan doen – om hulle in hulle moedertaal te laat skoolgaan. Hier is net 'n paar redes hoekom ons jaar na jaar hieroor praat:

Moedertaalonderrig gee jou kind die heel beste kans op sukses. Moedertaal vestig die basis vir kognitiewe leer en dus probleemoplossing. Hoe groter 'n kind se woordeskat, hoe beter leser en leerder word die kind. Navorsing het bewys dat moedertaal jou kind 'n leervoorsprong gee. Deur moedertaalonderrig word die gehalte van onderrig verbeter. 'n Mens verwoord jou gevoelens beter in jou moedertaal. 'n Kind verstaan moeilike begrippe in 'n vreemde taal makliker deur moedertaal. 'n Kind hoef nie in Engels skool te gaan om Engels aan te leer nie. Moedertaal bevorder veeltaligheid, mits die moedertaal goed gevestig is. Wat kan ouers doen? Praat gereeld met jou kind in jou moedertaal - selfs voor geboorte. Stuur jou kind na 'n skool waar hy moedertaalonderrig kan ontvang.

Dring aan op jou reg tot Moedertaalonderrig. Lees vir jou kind en brei so sy woordeskat uit. Moedig lees aan. 'n Goeie leser is 'n goeie leerder. Stel kinders bloot aan hul taal en kultuur. Leef in jou taal. Moedig die aanleer van nog 'n taal aan – veeltaligheid open deure. Wees trots op jou taal deur dit te praat en stel so 'n goeie voorbeeld. Respekteer ander se taal en kultuur. Jou moedertaal is wie jy is, dus: Praat dit, leef dit, lees dit!

Gaan lees meer oor die belangrikheid van moedertaalonderrig op Afrikaans.com (www.afrikaans.com) se leerhulpafdeling onder die hofie: Leer meer oor Afrikaans - Moedertaalonderrig (<http://afrikaans.com/leerhulp/moedertaalonderrig/>). Onderwysers en tuisskollers: Gaan kyk op Afrikaans.com se

Municipality is misleading property owners over “engagements” on Valuation Roll

Waldie Volschenk

RUSTENBURG HERALD - RUSTENBURG - Months after the submission of hundreds of objections against the Rustenburg Municipality’s “revised” Municipal Valuation Roll it is clear that the dust on the controversy is very far from settled.

One of many questions to be answered, is perhaps the most obvious - will the issue ever be resolved amicably? During the latest of Rustenburg Herald’s regular inquiries on the progress of the matter, we were surprised by the news from the Municipal Spokesperson earlier this week that the process had in fact been concluded and that property owners have been informed on the outcome of their objections with reasons included in cases of objections having been rejected. Needless to say, this was highly surprising as

none of an untold number of emails, WhatsApps and entries on social media could confirm this development, in fact, mention was only made of the contrary - that of unexplained delays on the issue. Contradictory to the municipality’s assurances that it was making swift progress in considering the public’s objections and that it would engage with the public on the outcome thereof, it is now clear that the municipality has not followed its own protocol on the issue and that the new/higher valuation of numerous properties were

in almost bureaucratic fashion, simply adopted and implemented during the final few days of last year/first few days of this year without the slightest engagement as undertaken earlier with any property owner at all, no letters, no emails, no WhatsApps, no phone calls, nothing - not even a single line on the latest bout of municipal accounts sent out. In fact, we were even more surprised to learn that “At the moment, the process is at the appeal stage. Property owners will once again be notified of the appeal outcomes when completed”, the response from the municipality was. This was not only highly surprising, but clearly suggests conspicuous underhandedness by “someone” at

the municipality as not a single property owner, interested party, legal firm, or other role players we have contacted since late last year until this week, could confirm being engaged by the municipality at any stage at all. In spite of the truth obviously being twisted, the relevant directorate at the Rustenburg Municipality decided to reconfirm that the protocol outlined earlier, was followed invariably. No indication was given of when, how, whom or where property owners should go to engage with “anyone” during the appeal stage. Keep watching Rustenburg Herald for future developments. (See also Viewpoint/Standpunt in this week’s edition).

Daarom skop ons af met twee bladsye met spotgoedkoop advertensies vir eenmansake en tuisondernemings tot die einde van die jaar.

Ondersteun dié besighede, want wanneer ons klein besighede een vir een sluit as gevolg van ondergang in die bedryf, is die rimpel-effek soveel groter en die plaaslike koopkrag word algaande net minder.

Wanneer jy ‘n plaaslike besigheid ondersteun, help jy ‘n kind om swemlesse by ‘n plaaslike swemafrigter te kry of om sporttoerusting plaaslik te koop om hulle sport te beoefen, ‘n broodwinner om ‘n huislening, ‘n motorpaalement of ‘n kind se skoolgelde of ‘n studielening te kan betaal en gesinne van voedsel te voorsien.

Kleiner besighede is meer toeganklik en gebruikersvriendelik en in plaas van met ‘n antwoordmasjien praat wanneer jy skakel en knoppies te druk wat jou van Pontius na Pilatus stuur, praat jy met ‘n persoon wat luister en jou navraag direk beantwoord. RUSTENBURG HERALD - RUSTENBURG - The annual Pick n Pay Hero Awards competition has recognised eight young learners from primary schools across South Africa for inspiring deeds they have done for self-development, or for their school, peers, environment or community.

This forms part of the exciting Hero Awards programme from the Pick n Pay School Club.

The Hero Awards programme provides a platform for primary schools to recognise not only sport and academic achievements, but also learners who are having a positive impact in their community, overcoming hardship or demonstrating leadership.

During the year, each participating primary school rewards at least eight learners with a Hero certificate and badge for their positive actions. The Hero Awards programme culminates at the end of each year with an annual competition where top heroes are identified and awarded a share of R35 000 in Pick n Pay vouchers between December and January. Each category winner received a R5 000 gift card except for the Environmental Awareness category which awarded two winners with a R2 500 gift card each.

Implats warns about cut in production

RUSTENBURG HERALD - RUSTENBURG - IMPALA Platinum (Implats) warned of a potentially significant cut in refined platinum group metal (PGM) production in the second half of its 2022 financial year after deciding to conduct a full rebuild of a furnace.

Commenting in an operational update and trading statement for the six months ended 31 December, the group said today a Rustenburg furnace had been planned for a partial rebuild. But the stresses of the hard lockdown implemented by the South African government during the early stages of the Covid-19 pandemic in 2020 and inconsistent electricity supply from Eskom had resulted in "accelerated wear" of the furnace.

"The group is currently assessing the impact of the extended maintenance on refined production during H2 FY2022," Implats said. "An update will be provided with the release of H1 FY2022 results," it added referring to

Loadshedding is back - again

RUSTENBURG HERALD - RUSTENBURG - Like a bad relationship, load shedding is once again on our doorstep.

Eskom confirmed on Wednesday morning (2 February) that Stage 2 load shedding will be implemented until 5am on Monday (7 February). "This loadshedding is necessary due to a shortage of generation capacity following breakdowns of two more generating units during the night," Eskom said in a statement.

It said since the weekend it has utilised significant amounts of emergency generating reserves, which have now been depleted and need to be replenished.

Eskom will use this period of load shedding to replenish the emergency generation reserves.

a 2% improvement in group sales revenue to R36,230 per 6E oz sold.

Commenting on production across the group for the period, Implats said it was affected by extended safety stoppages, intermittent industrial action and power supply interruptions at Impala Rustenburg. Concentrate production was consequently 4% lower year-on-year at 1.6 million oz.

From a financial perspective, basic earnings for the six months was expected to fall 39% and 50% to between R12.5bn and R15.3bn which Implats said was owing to two major exceptional items in the comparative period: a reversal of an earlier impairment and the prepayment of royalties.

Outstanding shares in the company increased following the issue of 30.6 million. These shares were in part payment of an offer to shareholders in Royal Bafokeng Platinum (RBPlat) that Implats is proposing to buy. It offered 0.3 Implats share per RBPlat share as well as R90 per share in cash.

As of mid-December Implats had built a stake in RBPlats of about 35% - which made this month's offer mandatory.

Implats' offer compares to a rival bid from Northam Platinum which on 9 November bought a 32.8% stake in RBPlat for about R180/share worth about R17bn in total. As part of Northam's share acquisition it also negotiated a put and call option agreement with Royal Bafokeng Holdings (RBH) and one of RBH's subsidiaries that would see it inch up its stake to 36.1%.

Sonja Dekker en haar gesin het jare gelede al vir hulle hier 'n pragtige “wegkruipplekkie” aan die voet van die Magaliesberg uitgesoek en dit is waar hulle naweke hulle heil vind. Met ons inloer was daar boonop kuiermense – Sonja se ma (Annetjie de Villiers) van Klerksdorp het kom kuier en die twee dames het sommer saam ingespring om vir ons 'n bekende, maklike maar baie lekker hoenderpastei en 'n ewe lekker koolslaai te maak. Dit is 'n heerlike kombinasie – probeer dit gerus!

Munisipale Waardasierol - skraps met die waarheid

Dit gaan die verstand te bowe hoekom 'n sogenaamde wêreldklas-stad soos Rustenburg (ons vorige burgemeester - Mpho Khunou - se twyfelagtige beskrywing van 'n stad waarin alles lankal al min of meer verkeerd loop) dit net eenvoudig nie kan regkry om dinge reg en seepglad te doen nie. Daar is in hierdie rubriek al herhaaldelik verwys na ons regering, hetsy plaaslik, provinsiaal of nasionaal) wat skynbaar maar net nie daarin geklop kan word om dinge ongeëwenaard sprokiesagtig mooi gesê (of gedroom) te kry nie, maar wat die elmsboog- of rugbuiwerk daarvan betref, feitlik sonder uitsondering klaaglik misluk of heeltemal onderpresteer wanneer selfs net die kleinste takie werklikheid gemaak moet word.

Neem nou maar weer die Rustenburgse Munisipale Waardasierol wat nou al vir langer as twee jaar 'n uiters kontroversiële en - ja, sê dit nou maar - onafgehandelde saak is. Vir langer as twee jaar spartel die Rustenburgse Munisipaliteit nou al om tesame met sy omliggende gemeenskap - die gans wat die goue eiers lê - 'n wedersydse aanvaarbare oplossing te vind vir sy omstrede waardasierol wat baie duidelik gemik is as 'n strategie om die plaaslike munisipaliteit se koffers aan te vul. En dit is juis hier waar die basis, die begin en die einde van 'n pad vol slaggate en doolhowe lê.

Van meet af kon daar duidelik tot die gevolgtrekking gekom word dat die Rustenburgse Munisipaliteit nie met sy gemeenskap (ja, die gans...) oop kaarte speel met betrekking tot die waardasierol nie. Insteede van om aan sy gemeenskap te erken dat hy inderdaad bankrot is en dat hy naartstigtelik op die uitkyk vir allerlei maniere om die munisipaliteit se inkomste 'n hupstoot te gee, kies hy om die pad te loop wat ons tot dusver gesien het. (Nee, ons praat nie hier van die sonverskroeiende "Yellow Fleet" skrootwerf vol "nuwe" grondverskuiwingsmasjinerie hier neffens ons in Lucasstraat nie).

Vanafdieheelbeginaftoediesogenaamde "nuwe" Munisipale Waardasierol ter sprake gekom en werklikheid geword het, is daar al so baie dinge gesê en ondernemings aan die publiek gemaak waarvan feitlik niks in werklikheid gerealiseer het nie. 'n "Nuwe, hersiene waardasierol", 'n "nuwe alternatiewe munisipale waardeerder", "aanpassings aan die waardasierol" en "direkte, persoonlike skakeling met elke grond- of eiendomseienaar", is maar enkele voorbeelde van ondernemings waarvan nie eers een selfs net naastenby gerealiseer het nie, maar wat uiteindelik baie ver kon gaan om 'n wedersydse aanvaarbare ooreenkoms tussen die munisipaliteit en sy gemeenskap te bewerkstellig.

'n Mens kan nie help om tot die gevolgtrekking tot kom dat duistere motiewe, onderduimsheid en 'n uiters diplomatieuse aanslag rondom die waarheid grootliks hiervoor te blameer is nie.

Municipal Valuation Roll a diplomatic approach to the truth

It it mind boggling why a world-class city such as Rustenburg (a favourite but obviously dubious description by former Rustenburg Mayor - Mpho Khunou of a city where almost everything goes wrong all the time) simply cannot manage to do the right thing at the right time. In this column we have repeatedly pointed out the inexplicable ability of our government - whether local, provincial or national, to say the most wonderful things in the most imaginative, almost fairy tale ways. But without exception one is tempted to say, this is as far as it usually goes. When it comes to getting the elbows greased or to see people putting their backs into something, that is an entirely different story - something rarely encountered. When it comes to the proverbial, "when the going gets tough, the tough gets going", it is a cliché often employed lavishly by means of expression, but when it comes to putting our shoulders to it, we are not that extravagant.

Take the Rustenburg Municipality's controversial Valuation Roll for instance. For at least the past two years the Rustenburg Municipality has been struggling to get a new Valuation Roll adopted and running smoothly in collaboration with its surrounding community that is - or let's be bold - the goose that lays the golden eggs. For by far the biggest part of two years however, the Valuation Roll has become a symbol of deception, of untruths, of promises and hopes that have not materialised and as a result of all of this - something that is still incomplete and lacking in sincerity. It must be clear to everyone that the new, unrealistic and over-inflated Valuation Roll was nothing but a strategy to boost the coffers and income of the Rustenburg Municipality. Perhaps it would have been better for the Rustenburg Municipality to admit that it is practically bankrupt and that it desperately needs alternative sources of income to keep the boat afloat - it is with intent that we do not say to keep the wheels rolling because more often than not - they simply are not...

Nonetheless, instead of being honest with its community, the municipality chose the path that we've seen during the past two years. (No, we are not referring to the sun scorched "new" Yellow Fleet earth moving equipment in Lucas Street). From the outset a lot of undertakings around the Valuation Roll has been promised. After the first wave of protests "the Valuation Roll would have been revised", then that "certain changes would be made", that an alternative Municipal Valuer would be appointed and that the former valuer would be dismissed without payment. The last of these undertakings were "personal engagement" with property owners and now out of the blue property owners must learn that the process has been concluded without any of these undertakings being met, though the relevant department chooses to insist that each and every landowner has been engaged in the process.

One cannot help to come to the conclusion that the processed has been marred by dark motives, underhandedness and an extremely diplomatic approach to truthfulness.

G-om Projek is dankbaar vir ou skryfbehoeftes

Op die foto verskyn opgewonde vrywilligers van G-om Projek met skryfbehoeftepakke wat ontvang is van Hoërskool Rustenburg, na aanleiding van hulle versoek aan die gemeenskap om ou skryfbehoeftes of ekstra's wat in laaie rondlê aan G-om te skenk. Van links op die foto verskyn Marieta, Marne, Eurica, Dora, Retha, Vereena, Linda, Cariena, Fran, Treasure en Elda.

RUSTENBURG HERALD - RUSTENBURG - Benewens G-om Projek se voedingskema, stimuleringsprogram vir voorskole, toerusting vir al die nuwe graad 1-leerdertjies, kospakkies, ensovoorts, bedien hulle ook die afgelope ses jaar skole soos Moedwil, Duka, Kgalegatsane en Karlienpark met skryfbehoeftepakke wat kinders van vooraanstaande skole in Rustenburg aan hulle projek skenk, na afloop van hul akademiese jaar.

Die gebruikte skryfbehoeftes word dan deur die toegewyde G-om span vrywilligers mooi versorg en verpak, sodat ander, wat nie so bevoorreg is nie, dit weer kan gebruik.

Baie dankie Hoërskool Rustenburg dat jul inisiatief neem met die rooi sakkie-projek vir liefde en omgee. Hulle daag ook ander skole uit om in hierdie maand van liefde dit ook te wys met 'n soortgelyke inisiatief, asseblief?

G-om Projek vind plaas vanuit die NG Kerk Rustenburg-Suid se kerksaal (wat hulle gratis beskikbaar stel) vanaf Maandag tot Vrydag – 08:00 – 11:00. In hierdie tydsgleuf word voorskoolse kindertjies gestimuleer met 'n opvoedkundige program om hul skoolgereed te maak en vaardighede te leer bemeester. Hulle benodig deurentyd vrywilligers op vele terreine. Alle gebruikte of nuwe skryfbehoeftes kan direk by die skooltjie afgelewer word gedurende die maand, sodat hulle so gou moontlik leerders wat nog skryfbehoefteloos is, kan toerus vir hul akademiese jaar.

Kom raak betrokke! Jy sal verbaas wees oor hoeveel dit jou verander.

‘n Hoëvlak-afvaardiging van die departement van onderwys het die verrigtinge bygewoon. Links is die skoolhoof, mnr Hennie Pieterse, agter is mnr Danie Greyling - voormalige adjunkhoof en mnr Bernhard Visser - beheerliggaamvoorsitter asook me MJ Paledi (distriksbestuurder); MP Mokhutle; MC Pilane; PD Mathe en Me J Sechele.

‘n Klompie RHS Old Boys - onder andere die voorsitter van die beheerliggaam (Bernhard Visser) tydens die eeufeesvieringe by die Hoërskool Rustenburg Maandag. Van links is JJ Koen, Jaco Verwey, Conrad Janse van Rensburg, Conrad Stickling, Bernhard Visser en Hanno Prinsloo.

RUSTENBURG HERALD - RUSTENBURG - ‘n Totale ongewone skooldag met allerlei opwindende gebeure, weersiens met oud-vriende en -kollegas, jare gelede se skoolmaats en onderwysers en een van die lekkerste skouerskuur-geleenthede van die jaar en dan nog ‘n lekker braaivleis ook voordat die skoolklok lui.

Hierdie was op die program met die eeufeesvieringe van die Hoërskool Rustenburg wat Maandag vandeeweek plaasgevind het en waartydens die gebruiklike “blou Maandag” somer vir ‘n ses (of dalk ‘n 100?) geslaan het.

Dit was nie ‘n lang en uitgerekte program in die warm son nie. Skoolhoof - mnr Hennie Pieterse - was die programleier en het die program van die dag aan die skool se ryke tradisie en kultuur, geskiedenis, talle prestasies en rol as opvoeder in die Rustenburgse maar ook Suid-Afrikaanse gemeenskap gewy. ‘n Handjievol ander sprekers het ook insette gelever en uiteraard het leerders ook die geleentheid gehad om ‘n buiging op die feesverhoog te maak.

‘n Stewige afvaardiging van die Noordwes Departement van Onderwys het die verrigtinge bygewoon met onder meer ‘n boodskap deur mev MJ Paledi, distriksbestuurder van die departement. Oud-sporthelde en toppresterders was ook onder die gaste en dit was ‘n heerlike weersiens toe die spesiale feeskoek gesny is en die program met die loslaat van duive afgesluit is. Waldie en Cecile Volschenk van Rustenburg Herald het vir die fotobeeld op hierdie bladsy gesorg. Rustenburg Herald bedank ook ander rolspelers wat insette gelever het.

Dit is met leedwese dat die Hoërskool Rustenburg bekend gemaak het dat mnr Heinz Behrens - die skool se oudste lewende leerling - op die oggend van die skool se 100ste bestaanjaervieringe in die ouderdom van 96 jaar oorlede is.

Die skoolhoof, mnr Hennie Pieterse word deur ‘n erewag verwelkom nadat hy per helikopter arriveer het. By hom is Marli Visser.

Mev Susan Annandale, Hermine Loots, Rina de Jager en Marianne Ray oud-leerders en -onderwyseresse.

Elsje Gouws en Jurie Blignaut tydens ‘n musikale item.

Reghard Pieterse dra ‘n gedig voor wat deur ‘n oud-Rustie geskryf is.

Sunette Viljoen - ‘n wêreldformaat-spiesgooier wat aan twee Olimpiese Spele deelgeneem en onder meer ‘n bronsmedalje verwerf het en haar seun en huidige Rustie - Henré Viljoen.

Me MJ Paledi, distriksbestuurder (Rustenburg-streek) van die departement van onderwys ontvang ‘n geskenkie by Marli Visser.

Mnr Danie Greyling - voormalige adjunkhoof en in ‘n stadium waarnemende hoof van Hoërskool Rustenburg tydens sy feesboodskap.

Die pragtige eeufeeskoek.

Mnr Bernhard Visser - beheerliggaamvoorsitter en self ‘n oud-Rustie tydens sy boodskap.

Mnr Hennie Pieterse tydens sy eeufeesboodskap - hy het ook as programleier opgetree.

Robert Coetzee en Johan Bezuidenhout - beide twee oud-Rusties was onder die gaste.

Ou skoolmaats en twee spog-sportsterre wat internasionaal in spiesgooi uitgeblink het. Van links is Liesl Roux, Leseya Matthee, Marianne Ray en Sunette Viljoen. Roux en Viljoen het onderskeidelik tydens die Afrika-kampioenskappe en die Olimpiese Spele uitstekende prestasies behaal.

Johan Bezuidenhout, Frans Rootman en Frikkie Pretorius - drie voormalige en agtereenvolgende beheerliggaamvoorsitters.

Blitzbokke onstuitbaar in Seville

Christie Grobbelaar.
Foto: Springboks/Facebook

deur Christelle van Rooyen-Wessels

RUSTENBURG HERALD - RUSTENBURG - Soos wafferse flamenco dansers het die Blitzbokke deur die gapings in die Australiese verdediging gehuppel en gehop om hul vierde agtereenvolgende World Rugby Sevens Series-toernooi te wen.

Die afgelope naweek se toernooi is in Seville, Spanje gehou - die stad wat volgens legende deur Herkules homself gebou is. En die Suid-Afrikaners was beslis nie skaam om ook hul krag te vertoon nie. Die oorwinning oor Australië was ook die Blitzbokke se 34ste oorwinning in 'n ry. Hulle is nou gelyk met Nieu-Seeland vir die meeste wenne agtereenvolgens.

Christie Grobbelaar het twee drieë teen die Aussies gedruk om sy span te help om die oorwinning in die finaal te behaal. Maar aan die begin het dinge nie só belowend vir Neil Powell se manne gelyk nie. Albei spanne het heelwat onnodige foute gemaak, maar ten minste het die Blitzbokke hul foute bykans op die Aussie doellyn gemaak - wat hergroepering en hernude aanval so effens makliker gemaak het.

Kort voor rustyd, net na Justin Geduld met 'n draagbaar van die veld af is, het die Australiërs deurgebreek om te gaan druk. Die enkele sekondes wat op die horlosie oor was, was egter genoeg vir die Blitzbokke om terug te slaan en toe die spanne gaan water drink, was die telling 7 elk.

Rustyd was blykbaar genoeg om die Blitzbokke se woematenk vol te maak, want die helfte was net 40 sekondes aan die gang, toe steek Christie Grobbelaar vir die tweede keer die doellyn oor. Daarna was dit Ryan Oosthuizen se beurt om nog punte op die telbord te sit. Darren Adonis, wat 'n geelkaart gekry het, het toe met 'n drie opgemaak vir die twee minute wat hy moes verloor en meteens was die telling 26-7. In die doodsnikke van die wedstryd het kaptein Impi Visser ook die Australiese verdediging geklop en vyf punte laat by tel.

Die doelskop was suksesvol om die finale telling 33-7 te maak.

Twee trofeeë vir Eddie

Eddie Gower (8) het op 23 Januarie tydens die Cradle BMX Club Championship 2021-prysuitdeling trofeeë vir die "Junior Achiever" en ook vir die eerste plek in die "8 Novice Class" ontvang.

Rugby-afrigter van formaat

Mnr Fanie Vermeulen van Laerskool Proteapark is verkies tot afrigter van die o/13A Luiperds Rugbyspan. Mnr Vermeulen rig al vir 22 jaar rugby af en was voorheen by die Luiperds se o/12 Jongspan betrokke. Hierdie span het groot suksesse behaal. Mnr Fanie is waarlik 'n afrigter van formaat en Laerskool Proteapark is bevoorreg om hom as deel van die Parkiespan te hê! Hou hulle dop!

Oud-Larrie presteer

Trotse oud-Larrie, Henco van Wyk is aangewys as die Junior Springbok van die Jaar vir 2021. Gedurende 2021 het hy vier wedstryde vir Wits se "Varsity Cup"-span gespeel en ook wedstryde teen Argentinië, Georgia en Uruguay vir die Suid-Afrikaanse Junior Springbokspan. Hy speel in die finaal teen Argentinië en hulle wen die O/20 Internasionale-reeks. Hy het ook sy Senior Currie Cup debuut vir die Goue Leeus teen die Cheetahs gemaak. Hy speel ook in die O/20 Currie Cup-reeks en hulle wen die finaal teen WP. Henco is tans besig met rehab na 'n knie-operasie in November en skouer-operasie in Desember 2021. Baie geluk Henco met die pragtige prestasies!
