Downstream towards the east the waterfall flows through the similarly well-known Retiefskloof. The Kgaswane Nature Reserve currently offers splendid views with green pastures to quite an abundance of wildlife offering a breathtaking view of nature in all its glory within walking distance from the hustle and bustle of city life. The park can be visited by vehicle, bicycle or on foot and is very popular among adrenaline junkies, avid hikers and bird watchers. It is highly unlikely that there will be a better time for a visit in the near future. This photograph was taken at around 09:00 on Saturday morning (15 January). (Photo: Waldie Volschenk).

agmerrie na onderw

RUSTENBURG HERALD - RUSTENBURG - Wat vir 'n ouerpaar na die ideale kinders hul ouderdom is nie. oplossing vir hul kinders se onderwysbehoeftes gelyk het, het as 'n nagmerrie

"Alles wat die skool ons aangebied het, was fantasties. En natuurlik die belofte dat ons kinders 'n program wat internasionaal geakkrediteer is gaan volg, was 'n groot wortel," vertel die ma aan Rustenburg

Dié ma is een van 'n hele paar wat sedert verlede jaar die ontnugtering moes beleef dat die skool waar hul kinders ingeskryf is, toe nooit geregistreerd is nie - nie by die Onderwysdepartement nie, en ook beslis nie by die internasionale onderwysliggaam onder wie se vaandel die skool beweer het hul werk nie.

"Daar was vroeg al rooi ligte wat geflikker het. lets in my agterkop wat gewaarsku het dat dié plek net te goed is om waar te wees. Maar my graad twee-seun was in sy noppies met die skool. Hy het elke middag vertel hoe lekker die kinders speel. Min het ek toe besef dis basies ál wat die kinders die hele dag doen - speel," vertel sy.

Die volgende jaar, teen die derde kwartaal van 2021 het dié ma, en 'n hele paar ander ernstig lont begin ruik. Hulle het hul kinders na 'n arbeidsterapeut geneem en dié het bepaal dat die kinders nie op die onderwysstandaard van ander

"Dit was 'n bitter groot skok. Ek en my man het besluit dat die beste gaan wees om ons seun onmiddellik uit die skool te haal en in 'n primêre skool in Rustenburg

Sy vertel dat haar seun - wat toe in graad drie was - se nuwe onderwyseres alles in haar vermoë gedoen het om te probeer help sodat die kind op standaard kon kom. "Maar die werk wat agter was, was net te veel. Dit was 'n onbegonne taak," sê sy.

Die ma moes toe die harverskeurende nuus aan haar kind oordra dat hy nie saam met die kinders in sy klas graad vier toe sal kan gaan nie. "Dit was vir hom - en vir ons - bitter traumaties.'

Sy verwyt haarself elke dag oor die keuse wat gemaak is om haar kind in die ongeregistreerde skool te sit. "Ek het regtig gedink ek doen die regte ding. Dit gaan my verstand te bowe dat iemand so willens en wetens mense kan belieg. Ek het myself nou al 'n duisend maal afgevra: Watter soort mens doen dit? 'n Psigopaat?"

Sy hoop dat die nuwe jaar vir hul beter gaan wees. "Ek is baie dankbaar vir die hulp en onderskraging van my kind se nuwe skool. Ek glo dat my kind okei gaan wees." Die departement van Onderwys het vroeër die week aangedui dat hul tans sowat 50 skole in Rustenburg ondersoek

Implats issues mandatory offer circular to RBPlat shareholders

RUSTENBURG HERALD - JOHANNESBURG - Impala Platinum Holdings Limited, (Implats), on Monday today issued its Offer Circular to the shareholders of Royal Bafokeng Platinum Limited (RBPlat).

value

The purpose of the Offer Circular is to provide RBPlat shareholders with information relating to Implats' offer to acquire all of the RBPlat shares (other than Treasury shares) that it does not already hold. As at 7 January 2022, Implats held 102,059,866 RBPlat shares, representing approximately 35.31% of the shares in issue. The Offer Circular also sets out the manner in which the offer will be implemented.

Nico Muller, CEO of Implats, says, "Our value-focused strategy is to increase exposure to low-cost, shallow, mechanised assets, enhancing the positioning of the Implats Group with a quality portfolio of highvalue operations that are sustainable and competitive through the cycle. The proposed acquisition of additional RBPlat shares will provide a structure that offers compelling strategic, operational and financial benefits for all Implats and RBPlat stakeholders. It secures a Western Limb production base that enhances and entrenches the region's position as the most significant source of global primary PGM production and will deliver tangible socio-economic benefits for the region, its communities, and South Africa as a whole, including employment security and sustained indirect benefits for the greater-Rustenburg region."He adds, "The level of ownership in RBPlats achieved by Implats to date is indicative of the broad support we have received and affirms the strategic rationale and

proposition provided by this acquisition."The offer provides a compelling value proposition for RBPlat shareholders by crystallising inherent equity value at an attractive premium through the receipt of a combination of cash and high quality and liquid scrip in Implats.

This in turn offers: Exposure to a global portfolio of PGM assets, projects, and a toll refining business, which is well-positioned to capture the benefits of the full PGM value chain through integratedNEWS RELEASEPage 2 of 4processing facilities, including wholly owned smelters, as well as base and precious metal refineries. The opportunity to benefit from regionally diverse production growth across shallow, mechanised operations on the Eastern Limb of the Bushveld Complex, Canada and Zimbabwe and the planned expansion of installed processing capacity. The best position to deliver future operational benefits of significant, unique regional synergies presented by these contiguous operations, given Implats' comprehensive experience of the ore body and its ability to leverage cost-effective opportunities for future growth. An attractive and sustainable dividend yield underpinned by clear and disciplined capital allocation priorities and a strong and flexible balance sheet.

The offer consideration for every RBPlat share consists of R90 cash and 0.300 Implats shares. On 24 November 2021 this represented a premium of 23% to the RBPlat closing share price of R121.92 and a premium of 80% to RBPlat's 30-day VWAP of R83.51 prior to RBPlat and Implats' joint cautionary announcement on 27 October

2021. The offer is subject to certain conditions, which are also set out in the Offer Circular. The offer will be open for

acceptance from 09:00 on Monday, 17 January 2022 until 12:00 on Friday, 17 June 2022. Implats expects that RBPlat will publish and distribute its response circular to RBPlat shareholders by Monday, 14 February 2022. Full details are available in the Offer Circular which may be found on the Implats website at https://www.implats.co.za/ rbplats-acquisition.php, or by contacting investor@

Bakwena's planned maintenance program for 2022

RUSTENBURG HERALD - RUSTENBURG - As the custodians of the Bakwena N1N4 Platinum highway, Bakwena carries out regular routine/preventative maintenance to keep the roads that we are responsible for in a condition that ensures the safety of all road users.

Road maintenance has economic and social benefits and if not well maintained, it may lead to disastrous effects for individual motorists and the whole country. It is far cheaper to do regular maintenance than to have to do major repairs following more serious damage. Regular upgrade and maintenance therefore saves the country millions of rands in the long term.

Following the annual inspections, it was determined that the base layers in the left hand lane on portions of the N4 between Kameeldrift and Ga-Rankuwa Interchanges needed major rehabilitation.

The detailed design was completed and an 18-month contract was awarded in 2021 to G4 Civils and is scheduled to start on 18th January 2022 with an expected completion date of June 2023. The rehabilitation entails extensive removal and reconstruction of layer works, followed by a 40mm asphalt overlay. During the construction process the slow lane will be closed in sections, i.e. 5km lengths for 12 weeks, and traffic capacity will be severely impacted.

Delays can be expected as a result of the lane closures particularly during peak periods along this section and we urge road users to plan your journeys accordingly to accommodate these delays or make use of alternative routes.

A second rehabilitation project is scheduled to take place on the Pienaarsrivier and Bela Bela beginning in July 2022 until June 2023. The work entails milling and reconstruction of layer works, followed by a 40mm asphalt overlay.

Lane closures will be in place during this process.

Solomon Kganyago, Chief Operating Officer of Bakwena, says: "Bakwena takes pride in ensuring that the 385 kilometres it manages under its concession contract is maintained to the highest international standards. The upgrades will enhance the motorists' driving experience and improve the overall safety of the road surface"

Road user safety remains, as always, our top priority and in order to ensure this, we rely on road users to partner with us and adhere to the road signs/traffic accommodation in place and exercise caution and patience while we undertake these critical rehabilitation works.

For traffic and construction updates please follow us on twitter, @bakwenan1n4.

Martie Jacobs in 'n klas van haar eie - 'n ware engel...

Martie en Hanlery Bouwer wat hierdie huldeblyk geskryf het, was vir dekades lank hegte vriendinne - 'n mooi vriendskap wat toevallig ook in die skaduwee van die kollig ontstaan het.

"As jong vrou het sy graag vir my gewys waar hulle familieplaas hier in Rustenburg was en waar sy as kind met haar perd gery het", vertel Hanlery. Die plaas het van die

Op haar stil, minsame manier het sy in baie koerante verskyn, as model asook as modeljuffrou en organiseerder van baie groot kompetisies. Sy het vir 38 jaar en langer modelle opgelei en afgerig en topprestasies behaal wat baie ander nou nog nie kon ewenaar nie. Sy was 23 jaar betrokke by die Rustenburg Skou en Mej Rustenburg Skou. Ek het Martie 35 jaar terug ontmoet, toe ek met 'n kombi vol modelle van Johannesburg af gery het om aan haar prestige kompetisie - Mej Bosveld Sjampanjenooi - te kom deelneem. Soos hulle in Engels sê "history was made" en ons was dadelik maatjies "through thick

Martie het in haar lewe honderde mense, indien nie duisende nie, se lewens aangeraak. Sy het meisies geleer om mooi te loop, mooi houdings te hê en selfvertroue het sy beslis in almal ingeboesem. Haar pragtige maniere en vriendelikheid het harte aangeraak oral waar sy gegaan het. Haar modelle het in Suid-Afrika en oorsee presteer, sy was selfs in 'n stadium vir 'n lang tyd 'n modelagent vir modelle in en van Italië.

Martie se professionele benadering tot die bedryf het daartoe gelei dat baie van haar modelle later in hul lewens hul eie modelskole geopen het. Sy was 'n "volmaakte engel" sê Koos wat haar in haar laaste maande bygestaan het. Haar seuns, Dirkie en Rhyno, met hulle vrouens en haar kleinkinders was alles in haar lewe. Suid-Afrika en nie net Rustenburg nie, het inderdaad 'n ware legende verloor. Haar stem en daardie laggie is nou stil, maar nooit, ooit die harte wat sy aangeraak het nie. "Hierdie geliefde vriendin van my het 'n verskil in baie mense se lewens gemaak. Haar goue hart skitter na haar afsterwe gewis in die hemel en ek weet soos ek haar ken, gesels sv met almal en vertel vir hulle hoe "pragtig" hulle is. Pragtig was haar gunsteling woord. "Pragtig" som haar goed op maar ook ander woorde soos "mooi", "stylvol", "behulpsaam" - sy het mense nooit geoordeel nie en haarself altyd laaste geplaas - ander mense was altyd eerste. Min mense het geweet hoe sy met haar stukkende hart en pyn nooit nee gesê het nie. Die voorbeeld wat Martie gestel het, behoortlik vir die meeste van ons die ideale voorbeeld te wees. "I and numerous models and beautiful women salute the biggest modelling legend in South Africa".

Haar nalatenskap sal waarskynlik voortleef in Rustenburg aangesien haar skoondogter belangstel om met Martionette Modelskool hier in Rustenburg voort te gaan. Sy het reeds 'n tak waar sy in Pretoria woon, maar tyd sal leer. "Ons lig ons hoede hoog vir 'n ware dame wat vir langer as 40 jaar gehelp het om honderde meisies en jong

Andrea-moordverhoor: Hofsaak nou eindelik aan die gang

RUSTENBURG HERALD - RUSTENBURG - Die verhoor van die man wat glo meer as 10 jaar gelede die lewe van Andrea Venter geneem het, het vroeër dié week begin.

Vir meer as 'n dekade al sleep die verhoor voort van die vermeende moordenaar, Gerhard Janse van Vuuren.

Andrea se pa, Dries het geglo dat, toe die man wat sy enigste dogter se lewe so wreed geneem het in 2020 in Brasilië aangekeer en aan Suid-Afrika uitgelewer is, hy eindelik berusting sal kan kry.

Maar sedert Gerhard Janse van Vuuren terug in die land is, was daar nog weinig vordering. Nadat Jansen van Vuuren in 2011 op die moordtoneel in hegtenis geneem is, het hy in Desember van daardie jaar in die Suid-Gauteng Hoogeregshof appél aangeteken omdat hy deurlopend borg geweier is. Sy appél het, tot die skok van die ondersoekbeamte en die destydse aanklaer, geslaag. Jansen van Vuuren is vrygelaat en sy verhoor was veronderstel om op 20 Mei 2013 te begin. Op die betrokke dag het hy bloot nie by die hof opgedaag nie en die Hoogeregshof het 'n lasbrief vir sy inhegtenisname uitgereik. Jansen van Vuuren is met 'n vervalsde paspoort op 16 Mei 2013 uit Johannesburg weg en het glo met behulp van sy pa Durban toe gery waar hy vanaf die King Shaka Lughawe via Dubai na Brasilië gevlieg het. Die Brasiliaanse owerhede is in kennis gestel en in Augustus daardie jaar is hy in hegtenis geneem. Hy is skuldig bevind aan die oortreding van immigrasieregulasies en hy is tronkstraf opgelê. Sodra hy dié vonnis sou voltooi, sou hy aan Suid-Afrika uitgelewer word om hier vir Andrea se moord tereg te staan. Maar, toe in 2016, onder verdagte omstandighede, het 'n regter in die nag die tronk waar Jansen van Vuuren aangehou is, besoek en sy vrylating beveel. Maar toe loop hy sy rieme styf in 2020. Ongelukkig is die saak tot en met nou herhaaldelik uitgestel. Eers as gevolg van Covid, toe omdat Jansen van Vuuren van regsverteenwoordiging verander het, daarna omdat hy vir sielkundige evalueering wou gaan en daarna weer

omdat die regter ongesteld was. Die verhoor op 4 Oktober verlede jaar begin het, maar toe is dit op die nippertjie tot 18 Januarie vanjaar uitgestel.

Dries het aan Rustenburg Herald bevestig dat hy 'n dagvaarding ontvang het om van 18 Januarie tot 4 Februarie vir die hof beskikbaar te wees.

RUSTENBURG HERALD - RUSTENBURG – A Former Warrant Officer of the Rustenburg SAPS who has stolen nearly R2 million, received a hefty sentence.

Stephan Ferreira (47) has been sentenced to ten years direct imprisonment by the Rustenburg Regional Court on Wednesday (12 January) for defrauding the South African Police Service (SAPS) of just over R1.7million. According to a statement issued by the Hawks, Ferreira was attached to police's finance department in Rustenburg up until around 2015. He then he resigned after allegations of deceitfully using his fellow unsuspecting co-workers' log on credentials came to light. Through the unlawful transactions he managed to transfer funds into his personal bank account on at least forty seven occasions in a period spanning five years. Following an investigation by the Hawks' Investigation team, he was arrested and made his first court appearance in January 2020. After a series of appearances he was consequently convicted 6 December 2021, which has culminated in his sentencing.

The Acting National Head of the Hawks Lieutenant General Tebello Mosikili welcomed the sentence and lauded both the investigating and Prosecuting teams. "We shall continue to root out rogue elements from within our ranks without fear nor favour," she said.

Members were awarded 10, 20 and 30 years medals respectively for their loyalty to the South African Police Service.

RUSTENBURG HERALD - PHOKENG - On Wednesday (12 January) the Bojanala Sub District 2 held its own medal parade in commemoration of 50 years Golden Jubilee women in blue since 1972 at the Bafokeng Civic Centre in

The proceedings were led by the Acting District Commander, Brigadier Regina Ntoagae accompanied by her management team including station commanders in the district. Members were awarded 10, 20 and 30 years medals respectively for their loyalty to the South African Police Service.

During her speech, Brigadier Ntoagae thanked the members for their loyalty, dedication, and commitment to SAPS throughout the years and stressed that one can only achieve such a milestone and wear this medal only through honest hardworking. She concluded by requesting members to share the medals with their families because one day they will share the story after they have departed from this world.

Police Minister must account for 158 stolen firearms and chaos at firearms registry

By Okkie Terblanche MP - DA Shadow Deputy Minister of Police

RUSTENBURG HERALD - RUSTENBURG - After more than three years of uncertainty, it is clear that the controversial firearm ownership issue in South Africa is far from over.

The DA will write to the parliamentary portfolio committee on police to request an urgent summons of the Minister of Police. Bheki Cele. as well as the National Police Commissioner, General Khehla Sitole, regarding the 158 firearms that were stolen from the evidence store at the Norwood police station in Johannesburg. One of these stolen firearms was used to kill a police officer during a shoot-out with suspects.

While the DA welcomes the identification and charging of three senior South African Police Service (SAPS) officials regarding the case, the fact that these weapons were allowed to land in the hands of criminals shows the complete disarray of SAPS in general and the Central Firearm Register in particular.

The committee charged the Minister and Commissioner to develop an urgent turn-around strategy which is supposed to be at the implementation phase, and we now need to know the exact details and timeframe of the implementation. We also need to know the status of the investigation into the stolen firearms and the officers responsible for the theft.

The shocking state of the registry was revealed on an oversight visit last year. Stacks upon stacks of unprocessed administrative forms were piled high on every available surface and littered passageways. No wonder that only 4% (2 059 out of 50 962) of applications received during the 2019-2020 amnesty period had been finalized, or that a mere 0.92% (280 out of 30 356) of applications received during the 2020-2021 amnesty period had been processed.

Ons geld is al wat ooit goedkoper geword het

Dit lyk asof Suid-Afrikaanse vuisvoosverbruikers die gordels van sommer vroeg vanjaar af sal moet stywer intrek. Die paar handjievol Suid-Afrikaners (ons meen tog daar was heelwat van hulle) wat oor die afgelope feesgety verkies het om vir die eerste keer in 'n lang tyd tuis te bly of dalk aansienlik minder oordadig te wees en met 'n veel meer beskeie vakansie tevrede was, was in alle waarskynlikheid die wyse manne onder ons. Sommer hier in die tweede maand van die nuwe jaar is daar reeds talle aanduidings dat brandstofpryse, elektrisiteitstariewe en na verwagting ook rentekoerse gaan styg wat beteken dat die eerste kwartaal van 2022 nie 'n verbruikersvriendelike periode gaan wees nie. Aan die ander kant, dalk het diegene wat die afgelope feesgety die bekers laat oorloop het en die tafels laat kreun het 'n beter blik op die toekoms gehad omdat hulle dalk besef het dat hierdie waarskynlik die laaste oorvloedigheid in 'n bitter lang tyd sou wees. Met die brandstofprys wat die afgelope paar jaar reeds omtrent elke maand of twee 'n styging toon behoort dit nie 'n verrassing te wees dat die volgende brandstofprysstyging sommer met die intrapslag van die eerste Woensdag in Februarie 2022 verwag word nie. Dan kan verbruikers hulself ook maar begin staal vir die "gebruiklike" verhoging in elektrisiteitstariewe terwyl 'n styging in rentekoerse ook nog in dieselfde kwartaal verwag word. 'n Mens kan nie help om te

dink aan die ouers van leerders wat vanjaar vir die eerste skool toe, of vir die eerste keer hoërskool toe gaan nie. Die prys van skoolklere en ander benodigdhede steek lankal glad nie meer af by dié van gewone klere nie, maar dit is nie hier waar dit ophou nie. Dan wil Boeta of Sus vanjaar sekerlik ook hul merk op die sportveld maak en almal weet wat sporttoerusting deesdae kos. 'n Mens weet deesdae nie aldag meer watter kant toe nie - alles kos by die dag net veel duurder terwyl dit wat jy vir jou geld kry, by die dag net kleiner of minder word. Party van ons sal seker nog goed kan onthou - die oumense het in 'n stadium dikwels al suggend opgemerk: "Al wat nog ooit in hierdie land goedkoper geword het, is

Our money is all that ever got cheaper

Barely are we back at the office for a full week or the news broke that punch-drunk consumers will have to tighten those belts considerably more in the first quarter of this year than the same time last year. Though we may be pardoned for thinking that those who have treated themselves and their families to a quite modest Christmas holiday with far less abundance than usual were the wise ones; we are not so sure that is the correct conclusion anymore. Perhaps those people who have gone overboard one more time, poured their glasses to the brim and enjoyed untold opulence for old time sake, were the visionary ones? This might very well prove to have been the very last opportunity to do so in a very long time.

Barely back at the office for an entire week or already the first rumours have set in that tariff hikes, increases and more for less awaits South Africans from as early as the second month of the new year. Consumers will do well by bracing themselves for the usual increase in the fuel prize from as early as the first Wednesday of February 2022. But that is not the end of it. During recent weeks (already from late last year as a matter of fact) there has been a lot of speculation on a possible hike in electricity tariffs most probably during the first term this year while consumers are also somewhat uneasy

an increase in interest rates will be announced No-one needs to be told that this would change South Africans' fortunes

considerably while the rising costs of living are undeniably going to demand more from all of us. With all of this said and done, we cannot help but to think of young parents with kids at school or learners going to a new school for the first time this year. Nowadays the cost of school wear is staggering and for those whose children are showing much promise at sport, rising costs couldn't have come at a worse time. It might not be too long before all of these costs will have a direct influence on food prices. Speaking of food prices, knowing that we have at least seen a great season in terms of rainfall, may offer some relief during the second half of this year. Perhaps many of our older readers out there will remember: I can still hear the words of my own father echoing from behind his morning newspaper at the breakfast table: "Mmmhhm, the South African Rand is the only thing that ever got cheaper". In times like these it's hard to think of anything more defining...

Klereverkoping

- RUSTENBURG -Uiteindelik weer! Tweedehandse klereverkoping op Vrydag 4 Februarie 2022, vanaf 07:30 - 12:00 by NG Moedergemeente, hoek van Beyers Naude en Fatima Bhayatstraat.

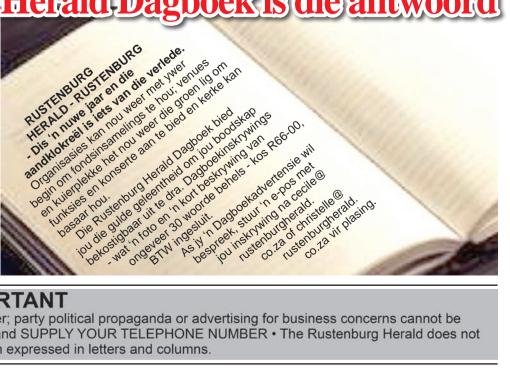

G-om Projek benodig hulp met ou skryfbehoeftes

RUSTENBURG HERALD - RUSTENBURG - Benewens die voedingskema, stimuleringsprogram vir voorskolers, toerusting vir al die nuwe graad 1-leerdertjies, kospakkies, ensovoorts, bedien die G-om Projek ook die afgelope ses jaar skole soos Moedwil, Duka, Kgalegatsane en Karlienpark met skryfbehoeftepakkies wat kinders van vooraanstaande skole in Rustenburg aan die projek skenk, na afloop van hul akademiese jaar.

Die gebruikte skryfbehoeftes word dan deur die toegewyde G-om span vrywilligers mooi versorg en

verpak, sodat ander, wat nie so bevoorreg is nie, dit weer kan gebruik. Hulle sit egter met hul hande in hul hare, want hulle het bitter min skenkings ontvang die jaar. Hulle vra dus hiermee die gemeenskap van Rustenburg om alle ou skryfbehoeftes wat in laaie rondlê, vir hulle so gou as moontlik te bring, asseblief? Die projek vind plaas vanuit die NG Kerk Rustenburg-Suid se kerksaal (wat hulle gratis beskikbaar stel) vanaf Maandag tot Vrydag – 08:00 – 11:00. In hierdie tydsgleuf word voorskoolse kindertjies gestimuleer met 'n opvoedkundige program om hul skoolgereed te maak en vaardighede te leer bemeester. Hulle benodig deurentyd vrywilligers op vele terreine. Kom raak betrokke, jy sal verbaas wees oor hoeveel dit jou verander. RUSTENBURG HERALD -RUSTENBURG - Jaco Fourie, en die ongeluk wat sy hele lewe ingrypend verander het, is bekend aan meeste mense in Rustenburg.

Die 23-jarige jong man was 'n onderwysstudent, en kranige rugbyspeler toe hy in 2018 in 'n motorongeluk baie ernstig beseer is. Hy het longbesering, breinbesering, regterheupfraktuur en 'n C2-nekfraktuur opgedoen en die afgelope drie jaar en 10 maande was vir hom en sy familie 'n steil opdraende stryd. Sy pa, wat ook met ernstige gesondheidsprobleme worstel en gevolglik medies ongeskik verklaar is, versorg deesdae voltyds vir Jaco - maar die verlies aan inkomste sit nog 'n groter las op die gesin.
