# Forensic investigation into Yarona project to be launched: Fikile Mbalula

RUSTENBURG HERALD - RUSTENBURG - Despite great expectations on the Rustenburg Rapid Transport project, which was expected to be fully operational within months, if not weeks, all is not well with the progress of the project according to Transport Minister Fikile Mbalula.

With three billion of the budgeted four billion already spent on the Rustenburg Rapid Transport system, or Yarona project, and "very little" progress to show for more than 10 years, the Minister of Transport, Fikile Mbalula said a forensic investigation would be launched to probe why the project has been delayed by years. In his twitter account the Minister said working with Treasury, a forensic investigation will get underway to determine what happened to the billions that were invested in this project and who is to be held accountable

"We have adopted a zero tolerance to corruption, and we will not hesitate to act against those found to have misappropriated public funds. Our visit to the Rustenburg Local Municipality is intended to get an account of why there has been slow implementation of this project," Mbalula said. The Rustenburg Local Municipality said the project is 65% complete and is anticipated to be fully operational soon, before the end of this year, as ten (10) buses are already on the road.

"Nonetheless remarkable progress has been made, milestones have been achieved in this

### **Extension of operations** at Tiger Brands' Langeberg & Ashton canning fruit factory a welcome reprieve

RUSTENBURG HERALD - WESTERN - Agri SA welcomes the announcement that Tiger Brands will extend operations at its canning factory in Ashton, Western Cape.

The decision is a vital reprieve for the sector and for the communities that rely on the facility for their livelihoods. It will also provide time for potential buyers to secure the necessary funding to save the factory. In addition to the 4 550 workers at the factory, this decision will secure the livelihoods of the farmers, more than 2 000 permanent workers and countless seasonal workers that also depend on the facility. But the threat is not over; this is a temporary reprieve, not a permanent solution as of yet, Agri SA says..

It remains essential that the national and provincial governments support the producers and workers to find an effective solution. R200 - R300 million is a significant investment, and the consortium seeking to save the factory will require support to secure this funding. The factory is the biggest in the country and its products occupy a niche position in the world market, bringing in hundreds of millions in foreign currency. It sustains the Ashton community and if it were to close, approximately 300 farmers would have no alternative market for their produce. The factory is also the biggest single source of income for the Langeberg Municipality. Saving the factory is therefore as important for the success of the Agriculture and Agro-Processing Masterplan as it is for the health of the Ashton and Western Cape economies.

In light of all that is at stake, Agri SA will continue to monitor the situation and provide support to the affected farmers to ensure that the factory continues to operate for the sake of the communities of Ashton and Langeberg, and for all the workers throughout the agricultural value chain.

Hundred (100) kilometers of walkways and 150 bus stops have been built, automated fare collection system has been introduced, in collaboration with SANRAL, bus and taxi parking area has been completed, to mention but a few", remarked Executive Mayor, Cllr Shiela Mabale-Huma, during engagements with Minister Mbalula, North West MEC For Community Safety and Transport Management, Sello Lehari, media houses and various stakeholders, such as, representatives from Taxi Negotiating Forum, Bus Operating Company, Small, Medium and Micro Enterprises (SMME's), youth formations and people with disabilities. Despite the progress mentioned Fikile Mbalula said they wanted to get to the bottom of the actual delays of the project in respect of its completion and implementation. He said heads are going to roll should there be any

# Rustenburger bags R33 million jackpot

**RUSTENBURG HERALD- RUSTENBURG - A dream has** come true for a Rustenburg pensioner.

The man in his seventies discovered he was the owner of the winning ticket of the Powerball Plus - handing him a nice nest egg of R33 million on 28 June.

According to Ithuba, the lucky fellow spent R30 on the PowerBall wager, picking his own numbers.

He did not realize he won the R33 107 623 jackpot until he checked his ticket online and discovered that he matched the five winning numbers - 09, 12, 28, 29, 50- plus the PowerBall - 13.

The most he's ever won before was R80.

"I am so happy to have won. I am going to build houses for my wife and child. Winning this amount will definitely make a big difference in my life," the man told Ithuba.

The pensioner spent most of his life working in the mining

You might be the next big winner, who knows? But remember, the golden rule remains to play responsibly.

Johanna van der Walt van Rustenburg en inwoner van Huis Sering is op Woensdag 6 Julie oorlede. Sy word oorleef deur haar dogter, Susan en skoonseun Johan Labuschagne, seun Hennie van der Walt, sewe kleinkinders en ses agterkleinkinders. "Ons het 'n besondere liefdevolle persoon tydelik gegroet, 'n moeder, ouma, grootouma en vriendin. God is in beheer en Hy maak nie foute nie. Ons weet dit was Sv wil. Ook weet ons, omdat Jesus Christus ons Here is, ons mekaar verseker weer sal sien, almal deel van Sy koninkryk. Ons harte is seer en die verlange oneindig. Ons dank u Here dat U haar deel van ons lewens gemaak het en dat sy, deur U genade, net mooi herinneringe vir ons agtergelaat het".

Isabella Pretorius (71) is verlede week oorlede nadat sy geruime tyd met haar gesondheid gesukkel het. Sy was 'n baie bekende in die Rustenburg-gemeenskap deurdat haar broer Kobus Venter self in die sewentigerjare 'n joernalis by die Herald was en later ook die redakteur van die Magaliesberger koerant. Blo, soos sy bekend gestaan het, het as jong dogtertjie op Robbeneiland grootgeword waar haar pa James Venter by Korrektiewe Dienste as bewaarder gewerk het. Die kinders se skool was in Kaapstad en hulle moes elke oggend en middag met twee diensbote vaar om by die skool te kom. Voorwaar 'n avontuur net om skool te gaan! Hulle gesin verhuis in 1965 na Rustenburg waar hulle hul skoolloopbaan in Rustenburg voortsit. Blo en haar tweeling-sussie Marie word verpleegsters in die destydse PKG-hospitaal en sy word 'n Rustenburger in murg en been. Marie sterf later op vroeë ouderdom in 'n motorongeluk en Blo woon tot en met haar dood in haar geliefde Rustenburg waar sy so baie vriende en familie deur dekades kon bystaan en versorg. Sy word oorleef deur twee seuns en hul families. 'n Liefdesdiens gelewer deur Martins Begrafnisdienste Rustenburg (014) 592 0037. (225918)

Ons onthou met liefde wyle Carlien Mienie (30), wat op 8 Julie oorlede is. Haar oorwinningsdiens vind plaas op Donderdag 14 Julie om 14:00 vanuit die kapel by Sonskyn Aftreeoord (langs Toledo Spur). Vir meer navrae skakel Cobus 081 379 8919 of Wilna 074 200 2687 by Econo Begrafnisdienste. 'n Diens met liefde en waardigheid deur Econo Begrafnisen Verassingsdienste. (225917)

'n Baie hartseer dag vir die familie van Connie Gouws wat in die ouderdom van 67 jaar op 6 Julie oorlede is. Hy gaan baie gemis word. Sy roudiens vind plaas op Woensdag 13 Julie. 'n Liefdesdiens gelewer deur Martins Begrafnisdienste Rustenburg (014) 592 0037. (225918)

Ons onthou met liefde wyle Neels Benade (78), wat op 6 Julie oorlede is. Sy oorwinningsdiens het op Maandag 11 Julie om 14:00 vanuit die kapel by Sonskyn Aftree-oord (langs Toledo Spur) plaasgevind. Vir meer navrae skakel Cobus 081 379 8919 of Wilna 074 200 2687 by Econo Begrafnisdienste. 'n Diens met liefde en waardigheid deur Econo Begrafnisen Verassingsdienste. (225917)

Ons onthou met liefde wyle Archie Petersen (80), wat op 8 Julie oorlede is. Sy huldeblykdiens vind plaas op Vrydag 15 Julie om 11:00 te Rusoord Ouetehuis Rustenburg. Vir meer navrae skakel Cobus 081 379 8919 of Wilna 074 200 2687 by Econo Begrafnisdienste. 'n Diens met liefde en waardigheid deur Econo Begrafnisen Verassingsdienste. (225917)

"Together we continue to build a better workplace and a vibrant Legislature for the people of the North West."

Alice Hattingh (gebore op 5 Julie 1926) is op 6 Julie in die ouderdom van 96 jaar oorlede. Sy laat 'n groot leemte in die lewens van haar familie en vriende. Haar diens vind op Saterdag 16 Julie om 11:00 vanuit die Rustenburg Baptiste Kerk in Wildevylaan plaas. Ouma Alice word oorleef deur haar kinders, kleinkinders, agterkleinkinders en agter-agterkleinkinders (vyf generasies). "Ons harte is leeg, 'n besondere vrou van die Here, met soveel liefde vir almal, altyd 'n glimlag of 'n ietsie om te eet. 'n Rolmodel vir almal en 'n baie sterk vrou met 'n hart van goud. Ons het jou baie lief en sal jou vir altyd mis!" Hierdie was een van ouma se gunsteling versies: "Ek is die opstanding en die lewe; wie in My glo, sal lewe al het hy ook gesterwe; en elkeen wat lewe en in My glo, sal nooit sterwe tot in ewigheid nie" (Joh 11:25-26). 'n Liefdesdiens gelewer deur Martins Begrafnisdienste Rustenburg (014) 592 0037. (225918)

# Most South Africans refuse to pay TV Licences

RUSTENBURG HERALD - RUSTENBURG - A recent study has revealed that most South Africans, who have been registered to pay TV Licences are refusing to pay them.

According to an article by Mybroadband the SABC has a significant problem of collecting TV licence fees. The broadcaster recently had a TV licence fee evasion rate of 82 percent. Its revenue generated from collections declined by 0.4% year-on-year to R788 million.

The SABC said it had rolled out several initiatives to simplify the payment process to make it easier for licence holders to pay the fees.

However despite the broadcaster observing a 26% increase in online payments year-on-year, the licence fee evasion rate continues to increase. In May 2022, the broadcaster revealed that it had lost R600 million in two years, which attributed to a declining audience.

# Fekile gaan sê oor Rapid Transport

Die Suid-Afrikaanse minister van vervoer, Fekile Mbalula, gaan glo talle onduidelikhede oor die veelgeroemde Rustenburg Transport Project laat ondersoek om vas te stel hoekom die projek só geweldig vertraag is; hoekom daar nog talle agterstande is met betrekking tot voltooide infrastruktuur en dienste; of alle rolspelers by die proses betrek is; of al die partye gelukkig is en of daar dalk enige ongerymdhede met verloop van bykans twee dekades in die ontwikkeling van die projek voorgekom het. Dié stap volg natuurlik teen die agtergrond van herhaalde bewerings en aannames, waarskuwings, gevegte en binnegevegte oor baie jare heen dat alles nie so pluis was tydens die ontwikkeling van die Rustenburg Rapid Transport Projek nie.

Ter verduideliking moet ons dalk net noem dat die RRT-projek nie die enigste projek van sy soort was nie en dat presies dieselfde projekte op dieselfde tyd in plekke soos Oos-London (Buffalo City) en Kaapstad geloods is. Nodeloos om te sê, is die wiele van dié projekte lankal reeds aan die rol en slaan die gemeenskappe op daardie plekke vir jare al munt uit die voordele van hul onderskeie Rapid

Transport-projekte, terwyl Rustenburg nou al vir amper 'n dekade lank sloer en swoeg om die projek behoorlik van die grond af en aan die rol te kry. Ons wil onsself nie in dié stadium uitlaat oor wydverspreide gerugte van korrupsie, konkelry, knoeiery en omkopery ten tye van die projek nie, maar dit spreek natuurlik vanself dat daar baie versoekinge en selfs nog meer kanse vir sulke ongerymdhede was aangesien dit groot geld was wat hier ter sprake was. In Rustenburg se geval is 'n aanvanklike R3.2 miljard begroot en dit is heeltemal geregverdig om te vra of die infrastruktuur wat vir baie jare al rondom ons verrys het, genoeg is om uitgawes van aansienlik meer as die astronomiese R3 miljard te regverdig.

Ons wil egter met verbasing hieroor vir minister Mbalula vra: Sou die kanse vir korrupsie, 'n geknoei en -konkel, vertragings en ongelukkigheid onder verskillende gemeenskappe nie veel minder gewees het as die minster van vervoer en ander hoëkoppe in sy departement op meer gereelde basis die vordering hier ter plaatse besoek het nie? En wat gaan die minister nou in elk geval doen as daar bevind word dat 'n gekonkelry inderdaad plaasgevind het?

# Fekile to take a look and Rapid Transport

The South African Minister of Transport, Fekile Mbalula, hopes to have several issues and particulars surrounding the Rustenburg Rapid Transport Project investigated to find the reasons for the project's repeated delays over the years and if these were justified, to confirm that all parties have been involved and are indeed happy with the progress of the project and to confirm that repeated claims of corruption and fraudulent activities did in fact not take place during the project spanning almost two decades at the end of this year. This step follows quite a lot of allegations over recent years that the Rustenburg Rapid Transport Project was marred not only by repeated delays over many years, but by alarming incidents of corruption and fraudulent activities during the time of its development. The project has also seen its fair share of infighting among some communities.

It is with good purpose that the Rustenburg community is reminded that the Rustenburg Rapid Transport Project was not the only project of its kind in the country. Exactly the same projects have been launched at exactly the same time in cities and metros such as Buffalo City (East London) and Cape Town. It is however surprising that the wheels of those projects have been rolling for many

years while those in Rustenburg are still stuck for who knows why?

While we do not wish to involve ourselves with rumours or allegations of wrongdoing, corruption, fraud and whatever is associated with it. It speaks for itself however that a massive project of this nature with a budget of R3.2 billion must have offered ample opportunity for such crimes - this was indeed a project with unprecedented big money at stake. Of course another question that remains justified after decades of development, if whether the infrastructure we have seen springing up around our city, is really all there, is to show for a budget of R3.2 billion. Only an independent investigation by parties such as the Hawks would perhaps give the necessary answers. In the interest of Rustenburg and numerous businessmen who have lost millions if not their entire businesses, we hope the Minister is indeed considering this.

We nonetheless wish to ask the Minister: Would chances of corruption and fraud not have been minimised by much more frequent visits to the developing areas by our esteemed Minister or some of his big wigs? Would it not have been wiser to intervene sooner now that it seems that the Minister has enough suspicion to warrant an investigation?

### **IMPORTANT**

Caroline Molokoane with her chocolate and strawberry vacharin.

After many years of presenting Rustenburg Herald's popular cooking column, one of the first things I have learned is that "one never knows everything", says Waldie Volschenk. This week we are back with a delicious chocolate and strawberry vacherin or for those who didn't know (myself included) - a vacherin is made of layers of crisp meringue sandwiched together with fruit and cream.

It makes a fabulous dessert for special occasions or when your sweet tooth got the better of you.

This is actually quite easy to make but will make a huge impression on anyone invited to sit at your table – let alone your mother-in-law!

Teaching us this wonderful recipe this week is Caroline Molokoane, a young cooking student with a diploma in food preparation and culinary arts at Rustenburg's Professional Cooking Academy.

Caroline went about like this:

A delicacy of deliciousness

### Chocolate and strawberry vachering

Serves 6 Meringue layer:

3 large egg whites 3/4 cup castor sugar 1 teaspoon corn-starch 30 g dark chocolate, grated

Herald

170 g dark chocolate 2 cups whipped cream 2 cups fresh strawberries

### To decorate:

Half to 3/4 cup of melted chocolate Fresh edible flowers Fruits of your choice (Strawberries, cherries, blueberries)

### **Directions:**

Draw three rectangles, 10cm x 20cm, on sheets of parchment paper and place on 2 baking trays. Remember the spray and cook! Beat the egg whites in a mixing bowl until soft peaks form, then gradually beat in half the sugar and continue beating until the mixture is very stiff and glossy and the rest of the sugar and beat until dissolved.

Carefully fold in the corn-starch and grated chocolate with a metal spoon or spatula. Spoon the meringue mixture into a pastry bag fitted with a plain tip

The sweetness and rich flavour is one of the greatest tastes of this.

Layer after layer a masterpiece.

and pipe lines across the rectangles. Bake in a preheated oven at 130°C for 1 1/2 hours changing the positions of the baking tray, halfway through. Without opening the oven door, turn off the oven and leave the meringues until they are completely cold, then peel away the

To make the filling, melt the chocolate and drizzle it over 2 of the meringue layers. Leave the filling to harden. Place 1 chocolate-coated meringue on a plate and top with about onethird of cream and strawberries. Gently place the second chocolate-coated meringue on top and spread with half the remaining cream and strawberries.

Place the last meringue on the top and decorate with the remaining cream and berries and place flowers in between. Drizzle a little melted chocolate over the top and serve.

Chocolate, strawberries and cream in abundance.

RUSTENBURG HERALD - RUSTENBURG - River Warbler, Sedge Warbler, Reed Warbler, Garden Warbler....In South Africa warblers are generally considered to be a group of birds that look alike, are sombre coloured and referred to as LBJ's.

This however is a generalisation of a large family of birds which includes species like cisticolas, apalis's, crombec's, eremomala's, prinias, etc A lot of beginners and even experienced bird watchers avoid identifying this potentially confusing group of birds.

However warblers include some of the most spectacular, interesting, sought-after and memorable birds.

At this month's BirdLife Rustenburg meeting, Shaun McGillewie will provide easy guidelines to not only help you to confidently identify warblers, but also to understand and enjoy these remarkable

This will take place on Monday 18 July at Methodist Church on the corner of Brink and Schuurman Streets and starts at 18:30. A charge of R30 from non-members is payable. On Saturday 23 July BirdLife Rustenburg will take part in the mid-winter water bird count at Rockwall, Kroondal and Olifantsnek Dams. This forms part of the national CWAC (Coordinated Water bird Annual Count) initiative of Birdlife South

This project was launched in 1992 and the objective is to monitor South Africa's water bird populations and the conditions of the wetlands which are important for water

# Rustenburg Impala **Rugby Club** looking forward to build-up - in need of main sponsor

RUSTENBURG HERALD - RUSTENBURG - Great excitement is prevailing at Rustenburg Impala Rugby Club after a day with two excellent victories and one marginal loss against Pretoria Rugby Club recently.

The club is currently preparing for its next round clash against Centurion Rugby Club on Saturday, 16 July, which will be an "away" game. Another highlight will follow after this when Rustenburg Impala Rugby Club will meet Harlequins on Saturday, 23 July at the fields of Rustenburg Impala. Like all sporting clubs around the country, Rustenburg Impala Rugbyklub was not spared the ordeal of more than two years without supporters in the pavilion, a sad issue for Rustenburg Impala indeed as the city's home crowds have always been

renowned for their over eager support and enthusiasm.

Did you know that Rustenburg Impala Rugby Club had to overcome many challenges in the recent past such as being without a main sponsor for quite some time? There is ample opportunity an aspiring sponsor to take up the challenge and once again help the Club on its welltrodden path of numerous league victories in the South African Club Championships. There is no need to point out superb exposure in many forms and mediums as main sponsor of the local rugby club especially when the club is performing well, which, almost without goes saying. Perhaps it is time for you and your company to consider? For more information contact Marius van Rooven Rustenburg Impala Rugby Club
