algehele agtste plek in die Tour de France te eindig. Hy het ook sy beste vertoning tot dusver in sy fietsryloopbaan gelewer deur in Skof 12 - die uitmergelende Alpe d'Huez in die tweede plek algeheel te eindig. 'n Mens wonder hoeveel Rustenburgers weet dat Louis 'n Rustenburg in murg en been is en dat sy ouers steeds in Rustenburg woon. Lees berig op bladsy 6.

## ESKOM CRISIS: This is how we do it, says Ramaphosa

**RUSTENBURG HERALD - RUSTENBURG** - President Cyril Ramaphosa has announced a number of interventions to tackle the energy crisis. He says these measures will go a long way in improving the unstable electricity supply.

The President outlined how a focus on increasing generation capacity is needed, saying daily blackouts have inconvenienced millions of people and presented huge challenges for businesses.

The government will be tabling special legislation in Parliament to address the red tape that's delaying new electricity generation. Ramaphosa said the electricity crisis requires that the country acts more speedily than usual. "We will be tabling special legislation in Parliament on an expedited basis to address the legal and regulatory obstacles to new generation capacity for a limited period," he said. "We will waive certain requirements and reduce requirements for solar projects. Eskom can expand power lines within the strategic corridors."

Ramaphosa said businesses and households will be encouraged to invest in rooftop solar energy and sell the excess to Eskom. "We must join in a massive rollout of rooftop solar," Ramaphosa said, adding Eskom would develop a pricing structure to allow the private sector to sell surplus power to the company.

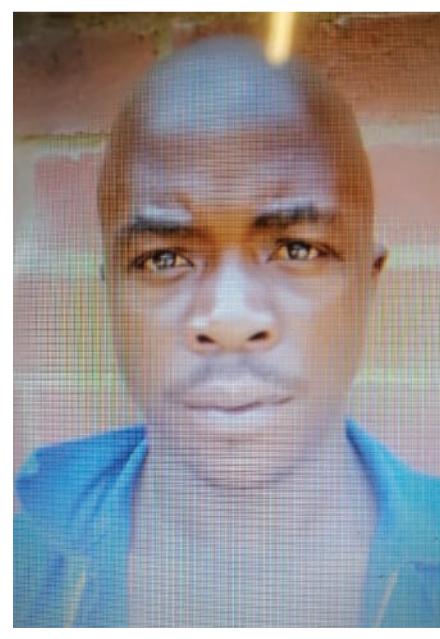

"South Africa has a great abundance of sunlight which we should use to generate electricity," Ramaphosa said. The president also said there is no need for a state of disaster to be implemented. He says the country doesn't need a state of emergency to implement common-sense regulations that will help resolve the energy crisis. "These measures are preferable to declaring a state of disaster. But these interventions will allow us to do what's necessary to accelerate generation capacity," he said.

# Springbok Haarkappers reik uit na Oekrainiese burgers

RUSTENBURG HERALD - RUSTENBURG - Springbok Haarkappers in Beyers Naudé-rylaan was verlede Vrydag die hoogtepunt van opwinding toe 'n maande-lange fondsinsamelingsprojek ten bate van oorloggeteisterde slagoffers van die Oekraïne en in besonder die dorpie Reni voorlopig ten einde geloop het en die wenners van waardevolle prysse wat as deel van die projek uitgeloot is, aangekondig is.

Madeleine Reader van Springbok Haarkappers en haar personeelsspan is sedert die uitbreek van die oorlog in die Oekraïne ten nouste bewus van die gebeure en die verval in dié pragtige land en die haglike toestande in die dorpie Reni het danksy die betrokkenheid van 'n Suid-Afrikaanse sendeling-egpaar (Michele Potgieter en haar eggenoot Ockert, wat in 2021 self tragies oorlede is) haar van meet af naby aan die hart gelê.

Deur middel van Michele en haar sendinggenootskap, asook talle medewerkers en helpers van Roemenië en ook in Kent, Engeland, is 'n "internasionale" ondersteuningsnetwerk onder die vaandel van die Saturation Trust gestig wat regdeur die konfliktoestande en agteruitgang in die land onontbeerlike werk gedoen het om inwoners van die dorpie van noodsaklike voedsel en mediese toerusting te voorsien. Die dorpie Reni is vir maande reeds die "laaste" toevlugsuur vir nagenoeg 10 000

Oekraïniese burgers waar hulle te midde van vlugtelingsvoertuie desperaat probeer oorleef.

Dit is teen hierdie agtergrond dat Springbok Haarkappers in Maart vanjaar by die 'n venootskap met die Saturation Trust gesluit om vir minstens 12 maande fondse in te samel vir oorloggeteisterde slagoffers na die Russiese inval in dié land. Madeleine sê sy en haar span by Springbok beoog om elke maand van die oorblwyende nege maande fondsinsamelingsprojekte in allerlei vorms te dryf wat vir die werksaamhede van die Saturation Trust en uiteindelik die inwoners van Reni bestem is. Sy het Rustenburgers aangemoedig om betrokke te raak en hierdie fondsinsamelingsprojekte te ondersteun sodat inwoners van Reni nog 'n kans kan kry om die tragiese oorlog te oorleef.

Verlede Vrydag was vir Springbok Haarkappers en sy personeel en Rustenburgers en natuurlik talle

inwoners van die omgewing wat by die fondsinsamelingsprojekte betrokke was, 'n groot dag toe die wenner van twee duursame artikels - 'n gasbraaier en 'n "airfryer" - aangekondig is. Gelukwense gaan aan onderskeidelik aan Chris Trytsman en Marnus Vermaak wat uiteindelik die wenner van hierdie prys was. Daar was selfs nog groter opwinding toe Madeleine en haar span 'n spesiale tjk ter waarde van

R40 000 opsy kon sit wat aan slagoffers van die haglike toestande in Reni geskenk gaan word. Rustenburgers wat graag 'n bydrae in een of ander vorm wil maak is welkom om met Madeleine by 084 517 8302 of per epos by reader.madeleine@gmail.com in verbinding te tree. Springbok Haarkappers is innig dankbaar teenoor almal wat sedert vroeg vanjaar 'n bydrae tot hierdie verdienstelike projek gemaak het.

## Impala Rustenburg expands partnership with Tapologo Hospice

Mark Munroe, Chief Executive at Impala Rustenburg, with some of the Tapologo caregivers and bursary students.

RUSTENBURG HERALD - RUSTENBURG - In a long-standing partnership with Tapologo Hospice, Impala Rustenburg has funded an upgrade of the Tapologo Training Center, and sponsored bursaries for all 30 students to complete a 12-month NQF Level 3 qualification in home-based care at the new training facility.

Tapologo Hospice is a non-profit organisation in the Phokeng region of Rustenburg which provides home-based care to people in the Bojanala district who are living with chronic or life-threatening illnesses. Tapologo also has outreach centres based in Freedom Park, Chaneng and Boitekong which provide a safe space for orphaned and vulnerable children to receive support.

"Impala Rustenburg has been involved with Tapologo since its inception. We helped to set up the first health clinic in Freedom Park and, over the past two decades, we have worked closely with the team to provide support and funding to many of the Tapologo initiatives, including the home-based care programmes that deliver such a vital service to the people of our mine communities," says Mark Munroe, Chief Executive at Impala Rustenburg.

Dr Jon Andrews, Health and Safety Executive at Implats, emphasised that globally, home-based care has been identified as a hugely successful intervention. He said due to the small comforts and the familiar environment that home-based care offers to patients, as well as the support that they and their families receive from it, it is often the preferred method of care for patients with life threatening illnesses, as opposed to hospitalisation. "The benefits have again been emphasised in our response to the covid pandemic," said Andrews.

Based on this global, and South African trend, and due to the success of Impala Rustenburg's covid programme, a need was identified to increase the number of home-based caregivers in the Bojanala area and in the Tapologo team, as well as a need for caregivers to hold formal qualifications in home-based care that are recognised by the National Hospice and Palliative Care Association. Together with Impala Rustenburg, Tapologo upgraded its training centre facilities to qualify as an official training venue to facilitate the courses that would result in these qualifications. The inaugural NQF Level 3 qualification training at the newly refurbished Tapologo Training Centre began in March 2022 with the first group of 30 students.

Stephen Blakeman, CEO of Tapologo Hospice said they are immensely grateful for everything that Impala Rustenburg has done for Tapologo over the years and are incredibly proud to have these 30 students enrolled in our official home-based care training programme, all of whom have been given a bursary by Impala Rustenburg.

# Vehicle overturns, leaving one dead

Vehicle overturned in Helen Joseph Drive. (Photo: ER24).

RUSTENBURG HERALD - RUSTENBURG - A man was left dead and the passenger he was travelling with critically injured after the vehicle they were travelling in overturned on the Helen Joseph Drive in Rustenburg on Sunday morning (24 July).

According to information received from ER24, paramedics were at the scene at 01:20 along with the Fire Department and Trauma Rescue. The two people, a man estimated to be in his 40s and a woman in her 30s, were found entrapped in the VW Polo, which was upright after having overturned.

The male driver unfortunately showed

no signs of life and was declared dead on arrival. ER24 with help from other teams, extricated the two within 30 minutes. Advanced Life Support interventions were needed to stabilise the critically injured woman before transporting her to hospital for further care.

The South African Police services were on the scene for further investigations.

## Andrea Venter:

### Sal daar geregtigheid wees?

RUSTENBURG HERALD -

RUSTENBURG - Teen die einde van dié week sal Dries Venter weet of daar waarlik geregtigheid geskied het na die moord op sy lieflingdogter meer as elf jaar gelede.

Na verwagting sal Gerhard Jansen van Vuuren Donderdag (28 Julie) gevonnis word vir die 2011-moord op Andrea Venter.

Jansen van Vuuren is sowat 'n maand gelede uiteindelik deur regter Ian Cox skuldig bevind. "Die beskuldige het berekenend en met opset gehandel. Sy doel was om Andrea Venter se lewe te neem," het die hof op 13 Junie 2022 gevind.

Behalwe moord met voorbedagte rade, is die Jansen van Vuuren ook skuldig bevind aan aanranding. Laasgenoemde klag spruit uit die voorval waar hy 'n veiligheidswag, Thulani Ndlovu te lyf gegaan het wat probeer het om tussenbeide te tree terwyl Jansen van Vuuren Andrea aangeval het.

"Ek bid vir geregtigheid. Ek bid dat hierdie man eindelik sal boet vir wat hy gedoen het - nie net deur Andrea se lewe so wrede te neem nie, maar ook die verwoesting en tragedie wat sy dade daarna vir ons gesin gesaai het," het Dries Venter aan Rustenburg Herald gesê.

Die eerste en sover die enigste proefbusbaba van Rustenburg, Andrea Venter, het verlede Donderdag haar eerste verjaardag gevier. Klein Andrea is perdfris en vol lewe. Hier sit sy op haar moeder, mev Annetjie Venter, se skoot.

## 'Spanbou-moord'- verdagte weer in hof

RUSTENBURG HERALD -

RUSTENBURG - "Ons harte bly net seer en ons kry maar almal swaar. Dit word nou te veel. Ons wens alles kan net ongedaan gemaak wees - dat ons weer die lewe se drade kan optel."

Die voortslepende saak teen die man wat daarvan beskuldig word dat hy die dood van Darius Botha verlede jaar veroorsaak het, rem swaar aan Darius se familie en geliefdes.

Darel van der Merwe was weer Maandag (25 Julie) in die hof en die saak is toe weer uitgestel; die keer tot 15 Augustus. Van der Merwe is in Maart 2021 in hegtenis geneem nadat Botha by 'n funksie van 'n myngroep wat by die onthaalarea van 'n Rustenburgse hoërskool gehou is, dood is.

## Jeep overturns leaving teenager dead

RUSTENBURG HERALD - RUSTENBURG - A 15-year-old boy has lost his life and a man believed to be in his 30s suffered minor injuries, after a jeep overturned on the Maanhaarand dirt road outside Rustenburg on Sunday afternoon (24 July).

According to information received from ER24, paramedics arrived at the scene at 17:35 where family members were in attendance. Attempts were made to resuscitate the boy using Advanced Life Support interventions, unfortunately these were unsuccessful and the patient was later declared dead on the scene. The patient in his 30s, who had suffered minor injuries, was treated and transported to hospital for further care. The scene was handed over to the South African Police Services.

# Nog een rondte en dan die kansel vir Louis

Waldie Volschenk en Johannes Meintjes

**RUSTENBURG HERALD - PARYS** - Selfs al ry Louis Meintjes van Rustenburg nooit weer in die internasionale Tour de France fietstoer nie, is daar geen twyfel dat dié kranige Rustenburgerse fietsryer wat deesdae in Andorra, Spanje woon, se naam vir "altyd" in die rekord- en geskiedenisboeke opgeteken sal staan as die enigste Suid-Afrikaner wat (tot dusver - 2022) nie minder nie as drie keer daarin kon slaag om in die algehele agtste plek in die moordende Tour de France te eindig.

Benewens vanjaar se agtste plek waarin Louis weer eens vriend en vyand verras het deur skouers te skuur met die heel beste fietsryers in internasionale fietsrykringe en homself as een van die wêreld se heel beste toerryers en veral klimmers bewys het, het hy hierdie prestasie ook in 2016 en 2017 behaal.

Louis het vanjaar met 'n verbete poging gekom om die eerste Suid-Afrikaner ooit te word om as draer van die gesogte "polkadot" trui te eindig en in 'n stadium het slegs enkele punte tussen hom en die wit-en-rooi-trui gehuiwer maar uiteindelik was dit duidelik dat die Alpe d'Huez van enkele dae tevore net te veel uit sy bene gehaal het.

Dit bly nou maar 'n feit dat 'n mens nie in 'n week van die uitputting van een van die strafste bergpremies ter wêreld herstel nie. Maar dit is nie hier waar Louis se prestasies in vanjaar se toer ophou nie.

Dié dertigjarige Rustenburger (Louis was 'n leerling van die Hoërskool Bergsig) het vanjaar sy heel beste vertoning nog in 'n enkele skof in Tour de France gelewer deur in die tweede plek in die uitmergelende Alpe d'Huez-bergpremie (Skof 12) van 12 kilometer te eindig. Mense met so 'n bietjie agtergrond oor die Tour de France sal jou dadelik vertel dat die Alpe d'Huez

een van die drie heel uitdagendste en absoluut moordendste bergklimpremies van die Tour de France is en jaar-na-jaar vir 'n skouspel sorg met ryers wat een-en een in gehawende toestand, natgesweet, uitgeput en gefrustreerd by die eindpunt bo-op die "Huez" aankom. Benewens die steil klimme, die geweldige hitte (vanjaar is temperature van 38°C tydens die toer gemeet) en die strawwe mededinging (almal wil tog een van die gesogste bergpremies ter wêreld wen) is daar die frustrasie en spanning van oorgretige toeskouers wat in jou ore skreeu, jou soms rondstamp, voor jou inloop of hardloop, vlae en ander memorabilia in jou gesig rondswaai en jou soms skaars 60cm gun om jou pad deur die massas oop te veg. Maar dit is alles dinge wat die Tour de France die gesogste van alle fietstoere maak en 'n voornemende deelnemer moet hom ook vir hierdie uitdagings sielkundig voorberei.

Vanjaar se algehele wenner van die Tour de France was die Deen Jonas Vingegaard wat die klimmerstrui (polkadot) sowel as die geeltrui oor sy kop kon trek. Die Slowenië Tadej Pogacar was algeheel tweede asook die draer van die wit trui as beste jong ryer - Pogacar was die afgelope twee jaar die algehele wenner van die TDF. Die Brit Geraint Thomas het vanjaar

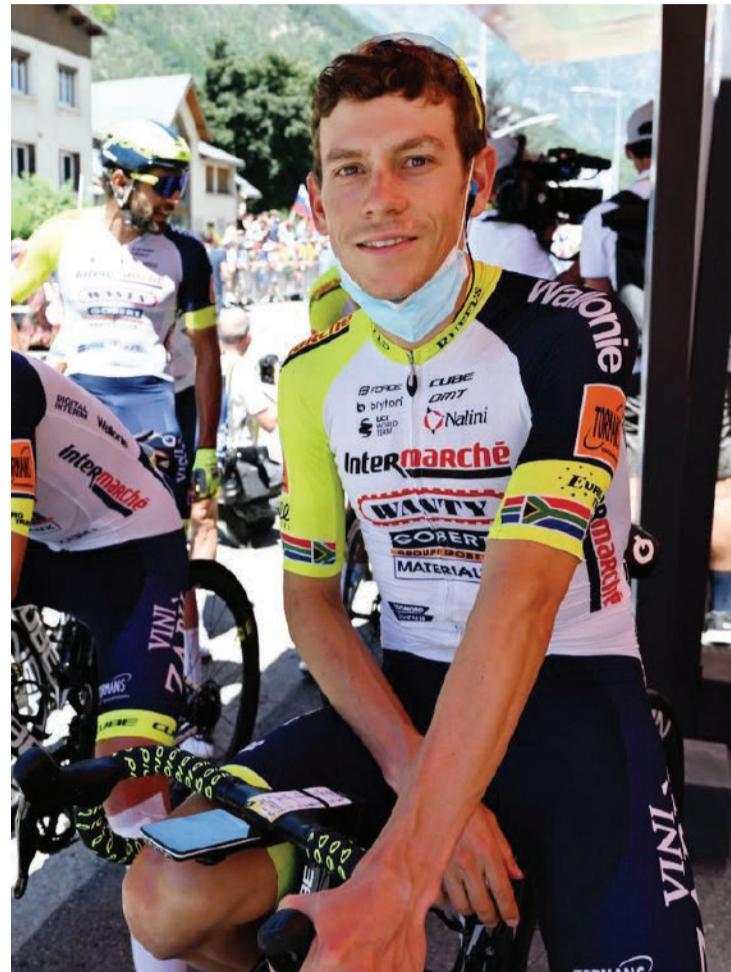

besonder goed gedoen deur in die derde plek te eindig met die Belg Wout van Aert die draer van die groentru as algehele puntewinner.

Louis het intussen nog 'n 12 maande-kontrak met sy Intermarché-Wanty-

Gobert-span gesluit en nou wag 'n ruskansie vir Louis voordat hy gaan begin om hom vir die Vuelta Espana (Spanje toer) in September vanjaar voor te berei.

Hierna volg daar vir Louis sekerlik die grootste opwinding van die jaar wanneer hy en sy Spaanse nooi van Katalonië in Spanje voor die kansel gaan staan. Rustenburg Herald hoop om Louis veel later vanjaar in lewende lyne in Rustenburg te sien wanneer hy by sy ouers gaan kom inloer en moontlik is daar geleentheid vir 'n kort geselsie met Rustenburg Herald. Rustenburg Herald bedank Louis se pa - 'n baie trotse Johannes Meintjes vir sy hulp en leiding met Rustenburg Herald se artikels oor die afgelope klompie weke.

Die hele Rustenburg-gemeenskap en elkeen met 'n dikwiel daar érens in die garage kan tereg trots wees op Louis - hy bly een van die Platinastad se heel grootste ambassadeurs ooit!

Louis Meintjes van Rustenburg wat deesdae in Andorra, Spanje woon, na afloop van vanjaar se Tour de France waarin hy uitstekende rekenskap van homself gegee het.

RUSTENBURG HERALD - RUSTENBURG - Four men aged between 30 and 40-years-old have suffered moderate injuries after the driver of the one ton truck they were travelling in, lost control of the vehicle and it then rolled onto its side along the N4 between Rustenburg and Swartruggens on Saturday afternoon (23 July).

According to ER24 Spokesperson, Ross Campbell, paramedics were on the scene at 13:16.

The men were all outside the vehicle by that time - the one patient who had been travelling on the back of the truck, was lying on the ground and was in a slightly more serious condition. They were all treated for their injuries and transported to hospital for further care.

The South African Police Services were also on the scene for further investigations.

# Tyd om bos te gaan!

RUSTENBURG HERALD - RUSTENBURG - Daar is eindelik weer kans om jou inner-'rocker' vrye teuels te gee!

5–7 Augustus word daar op Marakeli Plaas buite Thabazimbi Bietjie Bos Fees gehou.

Met 'bands' soos Spoegwolf, Black Cat Bones, Akkedis, Straatligkinders, Die Melktert-kommisie en Saarkie gaan dit 'n regte partytjie wees. Jy kan ook uitsien na vertonings deur Valiant Swart, Early B, Riaan Benadé, Martin Bester, Bernice West, Van Pletzen, Zebraman en Danny Smoke.

Die legendariese bosveld musiekruiter Valiant Swart sê: 'Ek is baie opgewonde oor die Bietjie Bos Fees - dis hoog tyd! Ek was hopeloos te lanklaas in sonnige Thabazimbi se wêreld; ek het nog altyd net baie goeie tye daar gehad. Behalwe vir die lekker feesatmosfeer, sien ek verskriklik uit daarna om die ander bands te sien en 'n slag te rock 'n roll soos in die "bad old days". Elektriese kitare, dromme en yskoue bier - wat meer kan mens vra? Die line-up is kookwater! Sien jou in die mosh pit!"

Bouwer Bosch van Straatligkinders sê dat hulle ook nie kan wag om by Bietjie Bos op te tree nie: "Dis altyd fantasies om in die bosveld te wees en om 'n show te doen in die buitelug waar jy nie net jou gunsteling liedjies vir mense kan sing nie, maar dit ook onder die sterre kan doen. Dit is waar natuur en musiek bymekaar kom – en dis twee van die mooiste goed in die wêreld. Ons kan nie wag nie! Feesgangers kan van ons ou classic songs verwag, asook 'n paar lekker stoute

covers." Peach van Pletzen beaam dat dinge net lekker kan raak: "In die bos kan mens raas so hard soos jy wil. En ons gaan RAAS! Verwag al die massive hits, 'n KRAM show met fabulous techno glam!"

Die hekke maak Vrydag 13h00 oop en daar is baie plek vir jou en jou vriende om behoorlik nes te skop vir die naweek – met nabyleë kroeë en kosstalletjes vir heelhaweek se partytjie.

# Intel launches program with Orbit TVET College

RUSTENBURG HERALD - RUSTENBURG - Intel, in collaboration with Orbit TVET College (Brits Campus) is launching the Intel® Digital Readiness program, AI for Future Workforce, to contribute to educating the next generation of professionals on Artificial Intelligence (AI).

This skillset, which will be used across a range of applications and industries in future job markets is one of the most in-demand in the employment market in today's digital economy.

The AI for Future Workforce Program helps students gain critically-needed job skills in the booming field of AI — with courses on data collection, computer vision, AI model training, coding, the societal impacts, and ethics of AI technology, and more. Students who successfully complete the program will get a certificate of completion.

The field of artificial intelligence is thriving. The need for AI skills among businesses is anticipated to increase substantially. The technology which underpins AI is advancing continuously, with new tools and applications developing rapidly, requiring workers to acquire new technical abilities. The impact of AI and its potential applications covers numerous industries, including high tech, healthcare, automotive, industrial, manufacturing, aviation, and even agriculture.

Intel and Orbit TVET College Brits have unveiled the brand-new Intel AI laboratory alongside the launch of this program. It is designed not only to provide students enrolled in the program with the required infrastructure to complete this course, but also to innovate and push the boundaries of AI.

Data indicate that the South African higher education system has a significant need for increased academic AI training and courses. A recent SafriCloud study of 985 South Africans operating in significant businesses, primarily in senior management to entry level roles, revealed the following:

In South Africa, 51% of businesses do not have AI or machine learning (ML) in place. More than 60% of respondents assessed the introduction of AI/ML within the next two years as moderately to extremely significant. Low internal skill levels and the cost of third-party services were recognized by 54% as the greatest obstacles in their way. These results demonstrate that despite the desire of South African businesses to use AI/ML technology, they are seriously affected by a major skills gap.

Although predictable in light of recent studies indicating that an estimated 80% of the population is untrained, this skills shortage has further delayed the capacity of businesses to advance as those few who possess the skills inflate pricing due to extreme demand.

Dewald en Charné Smit van Proper Maintenance & Electrical in samewerking met Afriforum Rustenburg het in die afgelope tyd talle gewaardeerde projekte onder bejaardes van die Municipale woonstelle in Kremetartlaan, Rustenburg afgehandel. Bejaardes is uiters dankbaar teenoor Dewald vir die herstel en vervanging van elektriese installasies soos geyers, gloeilampe, kragproppe en allerlei take wat vir jare reeds agterweé gebly het. Dit is 'n bekende feit dat bejaarde inwoners van Rustenburg se Municipale woonstelle dikwels sukkel met die behoorlike onderhou van hul eenhede en in die tye waarin ons leef is bejaardes dikwels op Samaritane aangewese om hul lewensomstandighede so aangenaam en veilig as moontlik te maak. 'n Herstel of vervanging van Kremetartlaan-woonstelle se veiligheidsomheining is 'n projek waarna daar vir die toekoms gemik word en daar word gesoek na boumateriaal, elektriese hekmotors en dergelyke toerusting. Dewald, Charné asook Jan Erasmus van Afriforum wil Rustenburgers aanmoedig om ongebruikte artikels soos pale, heinings, elektriese toebehore en allerlei lige boumateriaal vir hierdie verdienstelike onderhoudswerk te skenk. Indien daar dalk ongebruikte materiaal agter in jou erf is waarvan jy graag ontslae wil raak, moet asb nie huiver om Dewald by 081 490 5547, Charné by 082 450 7305 of Jan Erasmus van Afriforum by 072 912 1494 te kontak nie. Rustenburg se bejaardes sal dit hoog op prys stel!

# Noordwes se vullisterreine in haglike toestand

RUSTENBURG HERALD - RUSTENBURG

- AfriForum het vanjaar 162 vullisterreine landwyd geoudit as deel van dié organisasie se nasionale projek om die gehalte van vullisterreine in Suid-Afrika te meet. Slegs drie uit 23 vullisterreine wat in Noordwes geoudit is, het aan nasionale standarde voldoen. Kragtens toepaslike wetgewing en regulasies, waaronder die Wet op Nasionale Omgewingsbestuur: Vulnis 59 van 2008, moet 'n vullisterrein aan bepaalde vereistes voldoen. Volgens Jp Nel, AfriForum se distrikskoördineerder vir die Stellalandstreek, is die meeste vullisterreine in Noordwes in 'n haglike toestand. "Dit kan hoogsakklik toegeskryf word aan swak bestuur deur munisipaliteite. Daar is geen of min kontrole by vullisterreine nie wat veroorsaak dat storting nie soos voorgeskrewe plaasvind nie. Toegang tot hierdie vullisterreine word ook nie bestuur nie." Nel sê die mees algemene probleme wat AfriForum tydens die audit aangetref het, is die afwesigheid van afvalbestuurslisensies en 'n algehele wanbestuur van terreine. "Daar word nie genoeg hulpronne aangewend om vullisterreine op standaard te hou nie."

Munisipale verval is aan die orde van die dag en dit is ooglopend dat veral kleiner munisipaliteite onder grootskaalse wanbestuur gebuk gaan.

AfriForum het in die laaste twee jaar by verskeie geleenthede met Barbara Creecy, minister van Bosbou, Visserye en Omgewingsake, en haar span vergader. Uit die vergaderings was dit duidelik dat daar onvoldoende kommunikasie bestaan tussen nasionale, provinsiale en plaaslike overhede. Dit is 'n bewys daarvan dat samewerkende regering en tradisionele sake (Cogta) en die departement van Bosbou, Visserye en Omgewingsake nie met mekaar kommunikeer nie.

Christiana Vullisterrein.

Ek kan nog baie goed onthou toe ek vir die eerste keer in my lewe as 'n Suidwes-kind met 'n wafel kennis gemaak het. Daar was 'n klein eetplekkie in 'n spoggerige winkelsentrum in Pretoria met die naam "De Meent" en ek het myself behoorlik in die soetplesier verloor. Wafels met roomys van allerlei kleure en geure met stroopsoetsous soos aarbei, pynappel, piesang of sommer net gewone heuning en dan was daar nog die room ook. My arme familie het amper nie geweet waar om te keer nie...

Desedae is wafels glad nie meer so 'n skaars lekkerny nie – nie eers vir 'n kind van Namibië nie, en dit is lankal nie meer uitsluitlik 'n "soetding" nie – desedae is die gewente om wafels met allerlei oorspronklike en werklik skeppende vulsels soos maalvleis of "savory" voor te sit. Dan natuurlik is dit nie meer bloot 'n lekkerny nie, maar 'n "properse" ete soos die oumense sou sê.

Hier in Rustenburg het ons 'n "wegkruiptjie" in Boshoffstraat 60A ontdek waar die lekkerste wafels sekerlik in die hele Noordwes-provincie bedien word, boonop in 'n uiteenlopende verskeidenheid vulsels. Selfs biltong as jy nie pasop nie!

"Ons wafelplekkie het die 4 Junie oopgemaak en ons is so trots, want dié plekkie is deur gebed en geloof in Jesus vir ons gegee," sê Michelle Eliades en haar span. Mense verkieks altyd die vulsels wat hulle ken en waarvan die familie hou, dus gee ons jou die lekkerste beslag vir die lekkerste wafels dié kant van die berg - en vir die res moet jy maar jouself die skuld gee," aldus Michelle en haar span by La Fleur Wafels.

"Onthou, by ons hoef jy nie net weg te neem nie, ons het ook 'n aangename kuierhoekie waar jy en 'n paar vriende, of daardie spesiale een, kan kom aansit sodat julle ons gasvryheid behoorlik kan ervaar. Byvoorbaat bedank ons graag alle Rustenburgers vir hulle ondersteuning.

## La Fleur Wafels se "geheime" resep

### Bestanddele:

8 eiers  
1 t sout  
30 ml bakpoeier  
1 l melk  
1 k suiker  
5 k koekmeel, gesif  
1/2 k kookolie

### Metode:

Meng al die nat bestanddele. Sif die meel en bakpoeier saam en meng met beslag totdat die beslag 'n mooi gladde tekstuur het. Gooi afgemeelde hoeveelhede van jou beslag in jou wafelpannetjie en bak tot ligbruin. Vul met beslag van jou keuse en bedien. Vir die vulsels in die foto's het ons fyngemaakte hoender en gekerkde biltong saam

met kaas, gebakte eier, fetakaas, olywe, of 'n soetvulsel van roomys met Barone-sjokoladesous en veelkleurige "sprinkles" gebruik.

Onthou – jy kan ook vooraf by La Fleur Wafels bestel – skakel hulle gerus by 084 348 4471 of gaan loer sommer in as jy dalk vandag 'n bietjie vroeër huis toe gaan!

Michelle Eliades – baasbrein agter La Fleur Wafels.

Só lyk die wafels wanneer hulle uit die pannetjie kom.

'n Hele ete beslis vir meer as twee mense!

As daar 'n plekkie vir nagereg is, beveel ons dié aan.

## {StandpuntViewpoint}\*

### Eskom een van baie krisisse

Baie Suid-Afrikaners het Maandagaand waarskynlik effens skepties voor die tv gesit om te hoor met watter maatreëls president Ramaphosa dié keer oor die Suid-Afrikaanse kragkrisis vorendag sou kom en hoe hy meen Suid-Afrikaners vir eens en vir altyd van die kragtelose spook verlos kan word. Om egter te sê dat Suid-Afrikaners die asems opgehou het terwyl onse president aan die woord was, sou nie heeltemal objekief wees nie - dit is immers nie die eerste keer dat president Ramaphosa Suid-Afrikaners oor 'n verskeidenheid van krisisse probeer gerusstel nie. En in feitlik al die vorige rondtes het die publiek aan die kortste ent getrek. Ons onthou die president se toesprake kort nadat hy aan die einde van 2017 aan bewind gekom het en toe hy na 'n era van Zuma-vergrype die versekerings gegee het dat dit nooit weer sou gebeur nie. Het ons egter maar geweet dat die ergste nog vir ons sou voorlê? Ons kan nie eers onthou hoeveel krisisse Suid-Afrikaners daarna sou trots nie, van die grootste skandes wat ons so vinnig kan onthou was Zuma en Nkandla, Hlaudi Motsoeneng en die SAUK, toe Eskom en Brian Molefe, toe die Watsons met Nomvula Mokonyane aan die voorpunt met

Bosasa, toe Eskom en Optimum Steenkoolmyn, toe Covid-19 en Nkosasana Dlamini-Zuma, toe weer Eskom en die Guptas, toe Ace Magashule, Mosebenzi Zwane en die Estina Suiwelplaasbedrog, toe die Lucky Montana en die Prasagkonkelry, toe die Cash Paymaster Services-skandaal met Bathabile Dlamini, toe weer Ace Magashule en die asbesdakskandaal, toe Zwele Mkhize en die Covid-19-kontrakskandaal, en nou vir die soveelste keer, ja, weer Eskom. En tussendeur moes die regering boonop nog van twee korruptes by die Nasionale Vervolgingsgesag - Nomgcobo Jiba and Lawrence Mrwebi, ontslae raak benewens die uitgerekte geworrel om van die Openbare Vervolger ontslae te raak. Dit is uiterligging dat president Ramaphosa dit eensklaps baie vinnig reggekry het nadat die OB hom 'n paar ongemaklike vroeë oor die Phala-Phala-skandaal gevra het. Dalk is daar baie wat nou na Ramaphosa se toespraak opnuut bemoedig is. Die uwe bly egter skepties en dit is 'n onderbeklemtoning. Nee wat, Suid-Afrika het nie 'n kragprobleem nie, trouens, ons het nie eers 'n Eskomprobleem nie. Die waarheid is dat ons 'n ernome ANC-probleem het.

### Eskom but one crisis of many

Many South Africans have probably gathered in front of their tv sets for yet another "family talk" on Monday night, this time on new measures to be announced by President Ramaphosa on how the country's electricity crisis could be averted or at least, alleviated. To say that most South Africans were holding their breaths in anticipation of the President's speech, would not be honest. Unfortunately no, after all, we have heard it all before, time and time again, on a number of issues from the very beginning soon after Ramaphosa rose to power. This was not the first time that the President attempted to rejuvenate the hope of South Africans that all was not lost - not yet in any case. In similar fashion was the President's speech soon after he came into office towards the end of 2017. The promises and undertakings on so many issues that have had the people worrying. Such as Jacob Zuma and Nkandla and that this would never happen again, on Hlaudi Motsoeneng and the SABC, then Eskom, Koko and Brian Molefe, then the Watsons and Bosasa with Nomvula Makonyane at the forefront, Eskom and the Guptas and the Optimum Coal Mine, Covid-19 and Nkosasana Dlamini-Zuma's draconian measures, then the Lucky Montana Prasa scandal, the Cash Paymaster Services scandal with Bathabile Dlamini, Ace Magashule,

Mosebenzi Zwane and the Estina Dairy Project, Ace Magashule and the asbestos roofs contract, Zweli Mkhize and the Covid 19 PPE contracts and yet again - Eskom for the umpteenth time. Meanwhile South Africans have witnessed the laborious struggle to have Nomgcobo Jiba and Lawrence Mrwebi removed from office at the National Prosecuting Authority and the goodness knows just how long battle to have the Public Protector suspended. It is ironic how swiftly this was concluded once Mkhwebane dared to confront Ramaphosa with a number of uneasy questions on the so-called Phala-Phala scandal or which might soon become a scandal. Perhaps many people's hopes have been restored by the President's speech on Monday evening. Sadly, this was not the case with yours truly. In fact, quite the contrary, especially in the wake of the ANC's leadership conference in KwaZulu-Natal over the weekend which clearly proved that the ANC would not hesitate to re-employ candidates repeatedly implicated in scandals and controversies such as Zandile Gumede, despite its step-aside resolution. No, we don't have an electricity problem in South Africa, neither do we have an Eskom problem, the truth is that we have an enormous ANC problem in South Africa.

### Die redakteur

"Besef ons mense hoeveel stoptekens in Rustenburg weg is? Elke kruising is tans 'n doodsone, 'n ongeluk wat wag om te gebeur en ons is onbetrokke. Al wat ons vra is dat die publiek ons behulpsaam sal wees om die letterlik honderde stoptekens wat die RLM nalaat om te vervang per WhatsApp by ons aan te meld" sê Johan Schoeman van AfriForum se bestuur.

"Ons huidige verkeersituasie is benard, ons sien elke dag hoe daar deur rooi verkeersligte gejaag word, hoe motoriste geen ontsag het vir verkeersreëls of spoedbeperkings nie. Elke week se ongelukke getuig van die situasie wat ernstige gevaar vir inwoners en hul geliefdes inhou. U kan betrokke raak. Help ons om hierdie verlore stoptekens aan te meld en ons sal die RLM verantwoordelik hou vir elke ongeluk wat plaasvind as gevolg van hul nalatigheid".

"Meld asb verlore stoptekens aan deur 'n WhatsApp aan Johan Schoeman by 082 455 7539 of Dawie Odendaal by 082 930 9905 te stuur en aanvaar medeverantwoordelikheid vir die ordelike funksionering van ons gemeenskap se verkeersaangeleenthede.

## Dead cat in the drain, no help from Municipality

### The editor

Three weeks ago a cat died in the drain outside flat number 4 at the Kerk Street Flats, it was reported to the lady supervisor on the premises, it was said to the elderly to remove it herself, I then heard about the situation and reported it to the DA councilor who tried to get some assistance from the municipal housing department, nothing happened except they blocked the councilor and never took his calls, I then contacted the person at housing, who went to the premises, sent me photos and a message stating, special equipment is needed to remove the grid, so at the start of week 4 the elderly went to purchase acid and with the help of another elderly person they removed the grid without special equipment, climbed down and removed the cat, then used the chemical to try and get the rotten smell out and flushed it with water. I am frustrated at how our elderly are being treated. That is how our elderly are treated, no respect!
