Husband gets life imprisonment

Warrant Officer Richard Mfaladi and Constable Patrick Sebalane.

RUSTENBURG HERALD - SUNRISE - On Friday (6 May) the Rustenburg Regional Court sentenced George Motsamai Ntlheng (48) to life imprisonment for the murders of his estranged wife Boitumelo Daphney Molebatsi and additional fifteen years imprisonment for the Emelda Matsho at Sunrise Park in 2019.

During proceedings the court heard that on that fateful day Monday (4 March 2019) Ntlheng followed his estranged wife, who was unaware of him following her, to a friend's house. While the wife was inside the house waiting for her friend Ntlheng attacked her with a knife. He stabbed her multiple times, leading to her death. He then proceeded to the house of his estranged wife's alleged boyfriend. The man managed to escape, but he subsequently killed Matsho, who was a friend to the wife and happened to be at the vicinity at the time. Both victims were brutally stabbed to death with a knife by Ntlheng.

The Boitekong police were notified and Ntlheng was traced and arrested the same night. Warrant Officer Richard Mfaladi of Boitekong detectives was assigned as the Investigating Officer and he successfully opposed bail in Court numerous times. The Bojanala Sub-District 2, Acting District Commander, Brigadier Regina Ntoagae and her management team welcomed the sentencing by the Rustenburg Regional court and further applauded both Warrant Officer Mfaladi and Constable Patrick Sebalane for their sterling work.

Disgruntled service providers shut down municipality over payment issues

RUSTENBURG HERALD - RUSTENBURG - All entry points to the Rustenburg Local Municipality were blocked on Monday morning by disgruntled service providers who allege that the Rustenburg Local Municipality has not paid them for services they rendered for almost 10 months.

"The Rustenburg Local Municipality's employees found on Monday morning (9 May), all entrances to the Municipality's head office in Rustenburg, locked, upon them reporting for duty. This, after the service provider did this in protest for allegedly

Glencore and Imbumba Foundation continue to empower girls

RUSTENBURG HERALD - RUSTENBURG - The Imbumba Foundation – a non-profit organization established by innovative and social entrepreneur, Mr Richard Mabaso – continue their partnership with Glencore to further extend their reach in empowering girl children through one the Foundation's flagship programmes, Caring4Girls.

After a fearful conversation that Mr Richard Mabaso heard in 2011 about the misconceptions and stigmas associated with menstrual cycles, the Caring4Girls programme was established in 2012. The programme supports indigent girls with sanitary towels, puberty education and menstrual hygiene to keep them in school. To date the programme has empowered over 1,5 million girl children and counting across South Africa and neighbouring countries; and celebrating its 10th year anniversary with the hopes of reaching 2 million girls by the end of 2022. To kick-start the second year of partnership, Glencore and the Imbumba Foundation distributed over 40 000 sanitary pads to more than 800 girls at 2 schools in the North-West province on Thursday (5 May). The distribution was joined by Actor and TV Personality, Clement Maosa who is popularly known as "Kwaito" from the SABC 1 soap opera 'Skeem Saam', to motivate and inspire the learners. Since the beginning of the partnership in

2021, Glencore has assisted over 10 000 girl learners with over 500 000 sanitary pads through the Caring4Girls programme. Furthermore, by the end of 2022, they would have empowered over 21 000 girls and provided over 1 000 000 sanitary pads to girl children in 151 schools within the North-West and Limpopo areas.

"As we embark on our second year of partnership, we are sincerely appreciative to Glencore. It is through such collaborative efforts that ensure that all girls, regardless of race and status, won't have to miss out on school days due to their menstrual cycles. This thus ensures equal opportunities educationally, socially, and economically." Said Mr Richard Mabaso, Founder and CEO of the Imbumba Foundation.

'Spanbou-moord'- verdagte weer in hof

RUSTENBURG HERALD - RUSTENBURG - Dis nou meer as ‘n jaar gelede wat die gesin en familie van Darius Botha (toe 34) van hom moes afskeid neem nadat hy by ‘n funksie glo aangeval en noodlottig beseer is.

Darnel van der Merwe is in Maart 2021 op ‘n klag van moord in hegtenis geneem en het kort daarna in die hof verskyn.

Die saak is daarna ‘n paar keer uitgestel.

Sy inhegtenisname spruit uit ‘n voorval op 26 Maart verlede jaar toe ‘n myngroep ‘n funksie by die onthaalarea van ‘n hoërskool in die stad aangebied het. Volgens die polisie was daar op die betrokke aand blykbaar ‘n woordewisseling tussen Van der Merwe en Botha. Botha is toe blykbaar sò deur Van der Merwe beseer dat Botha sy bewussyn verloor het.

‘n Ambulans is ontbied, maar paramedici het op die toneel bevind dat hy reeds dood is.

Van der Merwe was verlede week - 4 Mei - weer in die hof en die saak is toe tot 13 Junie uitgestel.

New municipal tariff shock - old issues not resolved

Waldie Volschenk

RUSTENBURG HERALD - RUSTENBURG - It is not only cold nights and frosty days that are dreaded with the approach of winter every year.

Another issue that is most likely to leave consumers cold, is the introduction of various new tariffs in terms of the Rustenburg Municipality’s annual Budget. It is inevitable that once again, most if not all residents will be shocked by the rising cost of living in the Platinum City.

It is easy to recall an inflation rate of 5.8% while the private sector is not unfamiliar to salary cuts and staff layoffs in a process which marked the closure of a frightening number of businesses during Covid-19. At the same time many property owners are still in the dark as to the outcome or direction of their objections to the Rustenburg Municipality’s infamous New Valuation Roll of the past two years. Countless property owners insist that they have been misled regarding not only the new Valuation Roll and the objection period and process, but also the presumed existence of a “North West Board of Appeal” whose decision or intervention was expected to offer an open and fair option.

There is no denying that the municipality still owes property owners an explanation as to what has transpired with the Valuation Roll debacle... Nonetheless, time to focus on the municipality’s new tariffs: With Eskom being at the helm of controversy and outrage, it is perhaps most evident that electricity tariffs have risen by 8.5% while the Eskom tariff to municipalities were increased by 6.9%. According to the new budget 2022/23, **the most crucial new tariffs are as follows:**

Assessment Rates: From R 5.30 to R 5.70 (7.6%) per R mil of your property valuation per annum;

Sewerage: Stand between 1 000 and 2 000 m2: R 199.69 to R 212.67 (6.5%);

Refuse removal: R 159.97 to R 166.69 (4.2%);

Basic water: R 95.25 to R 99.83 (4.8%);

Basic electricity: (prepaid) R 280.14 to R 303.95 (8.5%);

Water consumption:

00 - 12 kl - R 14.89 to R 15.64 (5%)

13 - 25 kl - R 15.75 to R 16.54 (5%)

26 - 40 kl - R 18.91 to R 19.85 (5%)

41 - 60 kl - R 23.88 to R 25.75 (7.8%)

Electricity consumption:

01 - 50 units - R 1.31 to R 1.42(8.5%)

51-350 units - R 1.55 to R 1.69 (8.5%)

351-600 units-R 1.97 to R 2.14 (8.5%)

600 plus units: R 2.39 to R 2.60 (8.5%)

The effect of the new tariffs is easily illustrated by the following example: (Property valued at R 2 500 000.00 consuming electricity of 900 units and 20 kl of water):

Assessment Rate: R 1 036.67 to R 1 114.91;

Refuse Removal: R 159.97 R to R 166.69;

Water Basic: R 95.25 to R 99.83;

Consumption: R 304.68 to R 320.00;

Electricity basic: R 280.14 to R 303.95;

Consumption: R 1 745.50 to R 1 893.86;

Value Added Tax: R 387.83 to R 417.65;

Total: R 4 010.04 to R 4 316.89 (7.7%)

Jong pa sterf na klippe op pad

RUSTENBURG HERALD - RUSTENBURG - "Ons harte is gebreek. Dis verskriklik dat die ondenkbare 'n aaklige werklikheid geword het."

Marco Kidson kan steeds nie glo dat hy nooit weer sy broer, Juandr  (29) lewend sal sien nie.

Die jong man, sy vrou Johanette en hul eenjaaroue babadogtertjie was Saterdagand van Rustenburg af op pad na hul huis in Brits.

Dit was net voor 21:00. Kort voor die R512-afrit was daar klippe oor die pad gepak en die gesin se Hyundai Santa Fe se een band is ernstig beskadig. Juandr  het noodgedwonge van die pad af getrek om die band te ruil. Drie mans het uit die bloute verskyn en hom oorrampel.

Een van die aanvallers het 'n vuurwapen op hom gerig en Juandr  in die kop geskiet. Daarna het hul op Johanette gevuur en haar in die skouer gewond. Die drie het 'n Nokia selfoon, babamelk en babadoeke

geroof voor hul op die vlug geslaan het. Die baba is gelukkig nie tydens die voorval beseer nie.

Volgens Noordwes polisiewoordvoerder, kapt Aafje Botma, is niemand nog in verband met die voorval in hegtenis geneem nie. 'n Klag van moord, asook een van poging tot moord word ondersoek.

Toe Rustenburg Herald met Marco gesels het, was daar nog nie begrafnisre lings gefinaliseer nie. Juandr  word oorleef deur sy vrou, hul dogtertjie, sy pa, Brian, ma Tiena en broers Marco en Ruben. "Maar daar is soveel meer mense wat hom gaan mis. Hy was geliefd," s  Marco.

Lees elders op di  blad sy wat Bakwena se reaksie op die voorval is.

Farewell to Meisie Fowlds

RUSTENBURG HERALD - RUSTENBURG - While Monday, 9 May, signalled the beginning of a new school week for learners at Kloof View Primary School, the day also marked the end of a lifetime's dedication to a career of education.

This week the tolling of the Monday morning bell signified the very last day at school for Rustenburg's beloved Meisie Fowlds, Deputy Principal at Kloof View Primary who will be retiring after a career of 36 years in education of which the last 14 years at Kloof View Primary.

Meisie matriculated at the Hoërskool Transvalia in Vanderbijl Park in 1994 before enrolling for her tertiary studies in education at the Potchefstroom Onderwyskollege. Her first position as teacher was at Laerskool Drie Riviere from 1986 to 1994 where she served in Media (the school library) since languages were her passion and speciality. Meisie's first post in Rustenburg was at Rustenburg Noord Primary where she remembers working with Principals Schalk van der Merwe and Koos van der Walt for many years. She fondly recalls the school moving from a Afrikaans school moving to parallel medium English and Afrikaans and later on an English medium school.

Meisie's tenure at Kloof View Primary began in 2008 where she started as Departmental Head only to be promoted to Deputy Principal two years later. Here, working with the current Principal, Mr Philip Mphahlele, she has witnessed the school growing from approximately 800 learners to the current 1 350. Meisie describes teaching as a most rewarding career. “It is profoundly satisfying to see the gratitude and appreciation in the eyes of almost every child when they are introduced to new concepts or ideas. For this very reason, teaching is definitely not an easy profession and ideally, should be a calling. It is a sad fact that far too many excellent teachers have left the profession in recent years”. As highlights of her career, she quickly points out months of hard work in preparation for a mass gymnastada, with Kloof View Primary probably the only local school ever to attempt this challenge. “I have also tremendously enjoyed being involved in revue which became very popular in recent years. Nothing however beats motivational sessions with colleagues and staff and of course, seeing a satisfied and happy parent who angrily stormed into your office a few minutes earlier. Education surprisingly has a lot in common with “understanding” people's needs and their fears”.

Rustenburg is privileged not to lose Meisie after her retirement. She has two children and a wonderful son-in-law as well as four grandchildren whom she loves to entertain and spend her time with. She will remain a resident of Rustenburg from where she can witness every day's golden sunset behind the ever-popular Rustenburg Kloof - her Alma Mater's namesake... It is with profound appreciation that Meisie is bade farewell and wished good health and happiness by current and former colleagues. She will be sincerely missed in the classroom.

Manhunt for escaped detainees launched in Zeerust

RUSTENBURG HERALD - ZEERUST - The police in Zeerust have launched a manhunt for five awaiting trial detainees who escaped from lawful custody at about 10:30 on Sunday (8 May).

According to police spokesperson Brigadier Sabata Mokgwabone, the escapees, Joshua Sibanda (39), Amogelang Motsiane (36), Tshepiso Kwenampe (22), Bengu Hlangane (31) and Enoch Lebeloane (46), allegedly overpowered a police officer at Zeerust police station holding cells, then took cells keys from the member and ultimately escaped. At the time of escape, the detainees were among others, facing charges of house robbery, rape, attempted murder, business robbery and aggravated robbery. None of the escapees has been re-arrested and members of the community are urged not to attempt to re-arrest the escapees in case they see them, but to call the nearest police station, as they are presumed to be dangerous. Alternatively, the Investigating Officer, Captain Basimane Molefe can be contacted on 076 510 8285. Anonymous tip-offs can also be communicated via MySAPS App or by calling Crime Stop number: 08600 10111.

Flock to Marion 2022 - BirdLife Rustenburg

Photo: Danie Welman

RUSTENBURG HERALD - RUSTENBURG - Thirteen members of BirdLife Rustenburg took a once in a lifetime trip to the Prince Edward Islands during the Flock to Marion 2022 arranged by BirdLife South Africa in January 2022.

When the MSC Orchestra neared the Prince Edwards Island, the sky was full of seabirds and the number and diversity was mind-blowing. For much of the day the ship was accompanied by dozens of Wandering Albatrosses, tens of Sooty Albatrosses, and other sought after species such as Light Mantled and Grey-headed Albatrosses as well as Grey-backed Storm Petrels, Blue Petrels and hundreds of other seabirds.

On Monday, 16 May 2022, Hanti Mathews will share some of the experiences and photographs taken by the members. The meeting will take place at 18:30 at the Methodist Church on the corner of Brink and Schuurman Streets. All members and non-members are welcome - non-members pay R30 per person. Normal Covid protocols will be observed – please wear a mask and sanitise on arrival.

Feel free to contact the chairperson, Shaun McGillewie, on 083 702 1462 should you wish to learn more about BirdLife Rustenburg and would like to attend the events.

Take the road to Sun City to win a fully paid arts scholarship with the Act Nyoloha Scholarship Programme

RUSTENBURG HERALD - RUSTENBURG - Calling all matriculants, young performers and visual artists aged 17–25 years with a university exemption wishing to study towards an arts degree at a tertiary institution in South Africa.

Embark on the Arts & Culture Trust (ACT) Nyoloha Scholarship Programme's Road to Sun City, which is supported by the Nedbank Arts Affinity, Sun City and Sun International - and you could win the opportunity of a lifetime: a fully paid scholarship to study at one of over 20 arts institutions across South Africa.

The journey started with the open call on the ACT website on 26 April 2022, running for four weeks until 22 May 2022. Full details of the application process, a R100 registration fee, requirements and consent forms are available on the ACT website www.act.org.za/nyoloha and on our Facebook, Twitter, and Instagram pages. Remember, terms and conditions apply.

The next step is auditions (singing, acting, dancing) and interviews with portfolio presentations by visual arts candidates taking place in June 2022 via Zoom on selected dates scheduled by the trust.

Thereafter, all qualifying candidates who are successful in the audition process

will continue the journey by participating in mentorship activities every two weeks from 25 June to 10 September 2022. The mentors will engage regularly with mentees and provide support. In the final week of each month the work undertaken by the scholarship hopefuls will be rated as part of the short-listing exercise to determine the 12 qualifying finalists.

The journey then takes a U-turn for students who don't make the cut. They will continue with the programme, with their performance, commitment and body of work evaluated over the training and mentorship period, and the top three students will be selected to join the 12 finalists at Sun City as 'wild cards'.

The last stop of the Road to Sun City is finals week, hosted at this internationally acclaimed resort from 3 to 8 October 2022. This week comprises masterclasses facilitated by industry leaders and will be attended by the 12 finalists and the three wild-card students. The event will culminate in a visual arts exhibition and showcase that will take place

on 8 October 2022, when the winner of the main prize – a fully paid scholarship to study at an arts institution of their choice in South Africa – will be announced at a spectacular gala showcase event.

'We are delighted to be associated with the ACT Nyoloha Scholarship Programme as our brand has always been aligned to the arts – especially the performing arts,' says Heidi Edson, Head of Socioeconomic Development at Sun International Group.

'For the past 40 years, our iconic Sun City resort has proudly launched the career of many local performers, and through the programme we will continue to do so for many more years to come.'

Tobie Badenhorst, Head of Group Sponsorships and Cause Marketing at Nedbank, adds: 'The goal of the ACT Nyoloha Scholarship Programme is to graduate global citizens in the arts who not only excel in their artform but also are well prepared for the world of work, including in self-development, people management, entrepreneurship, marketing and communication skills, to ensure they enjoy a successful and sustainable career.'

Travel, meals and accommodation costs will be covered by the trust.

The name of the programme, Nyoloha, is taken from the Sesotho word meaning to rise. The programme is part of the new ACT strategy to educate, uplift and empower those wishing to make a career in the arts and culture sector. It rewards commitment, excellence and growth potential.

Don't delay – apply today at www.act.org.za/nyoloha. The ACT Nyoloha Scholarship Programme is waiting for your application so you can begin shaping your journey to a brighter future.

Rustenburg Herald Kook

Deur Waldie Volschenk

Cecile Volschenk en Corlia Vosloo – (haai, dit rym amper?) in ‘Very Lekker Catering’ se plaaskombuis.

In hierdie tweede aflewering van ons mini-reeks kosmaakartikels saam met Corlia Vosloo, is ons nou al lekker ingeburger in die knus plaaskombuis van Corlia se “Very Lekker Catering”. Corlia is ‘n ou hand in die spysenieringsbedryf en het nie veel bekendstelling nodig nie – as jy of jou gereelde gaste egter nog nie met Corlia kennis gemaak het nie, moet jy nie langer uitstel nie – daar is sekerlik ‘n spesiale okkasie in jou binnekring wat verdien om gevier te word?

As ‘n afskop vir vandag se bederf gesels Corlia soos volg: Só gebeur dit toe dat Corlia grootgeword het met ‘n ma wat nie gehou het van kosmaak

nie. As getroude vrou, moes sy (Corlia) dus net lekker (maar gewone) boerekos maak, want soos met die meeste Afrikanermans, eet hulle mos net rys, vleis, aartappels en pampoen. Dit was eers op haar “oudag” dat sy kon begin eksperimenteer met die lekkerste geheime van die kosmaakkuns waarvoor sy nog maar altyd ‘n liefde gekoester het. Vandag maak Corlia vir ons ‘n heerlike eier-roulade – ons hoop jy het jou skêr en plakboek byderhand?

Eier-roulade

Bestanddele:

- 100 ml Stork bak-margarien
- 125 ml koekmeel
- 500 ml melk
- 4 ekstra groot eiers

Metode:

Voorverhit die oond tot 180°. Voer ‘n bakplaat (35 x 25cm) uit met bakpapier (nie waspapier nie). Smelt die margarien in ‘n kastrol en klits die koekmeel met draadklitser tot goed gemeng. Klits met draadklitser ook die melk by en roer oor matige hitte totdat die sous verdik. Geur met sout en peper. Skei die eiers. (Daar mag nie eens ‘n geel spikkel by die wit van die eiers kom nie, anders klits die eierwit nie tot dik nie. Skei elke eierwit eers apart om seker

te maak daar kom nie geel by nie). Klits die eierwitte tot styf. Klits met draadklitser eers die eiergele by die witsous. Vou die eierwitte met ‘n metaallepel by die eier-witsousmengsel in.

Skep die beslag op die oondpan met die bakpapier. Maak gelyk en bak vir 25 minute tot ligbruin en gaar. Maak ‘n vadoek nat-klam en sprei uit op tafelblad. Keer die warm roulade daarop om, sodat die oondpan aan die bokant is. Verwyder pan en bakpapier.

Strooi gerasperde kaas oor of ‘n vulsel van maalvleis, tuna, groente of enigets! Rol die roulade op deur elke keer te lig met die nat/klam vadoek. Plaas op opdienbord. Garneer met nog ‘n lagie witsous met gerasperde kaas en/of kruie.
Goeie raad: Bak twee op ‘n slag en vries een. Dit vries baie goed!

Vir enige navrae of dalk bestelling/bespreking vir ‘n spesiale geleentheid, skakel Corlia by Very Lekker Catering by 072 718 9329.

‘n Koppietjie koekmeel en draadklitser en jy is aan die gang!

“Dis die lekker sous!” Ja, ook in hierdie geval is dit die spreekwoordelike sous wat die kool die moeite werd maak.

Sjoe mense – hier kom ‘n ding!

Keer die roulade om op ‘n klam-nat vatdoek wat jou help om dit netjies op te rol.

Garneer met nog ‘n lagie witsous met gerasperde kaas

En só lyk dit as dit gaar en gereed is – jy sal nie glo wat hier op jou wag nie – jou gaste ook nie!

Kuba-skenking - regering het kop verloor

Daar kan nou by Suid-Afrikaners geen meer twyfel bestaan dat die huidige ANC-regering nie 'n duit vir sy eie mense in hierdie land omgee nie! Nie eers die hopeloos-benarde situasie van derduisende mense in die vloedgeteisterde KwaZulu-Natal kon die regering oortuig om nog 'n slag te dink en sy prioriteite te heroorweeg ten opsigte van sy voorgenome skenking van R500 miljoen aan Kuba nie.

Dié saak het etlike maande gelede ook tot hewige debat gelei nadat dit aan die lig gekom het dat die regering van plan is om 'n reuse-skenking van R500 miljoen aan Kuba te bewillig. Dit omdat die ANC-regering geroepe voel om sy kamerade in Kuba vir hul loyaliteit oor die jare te beloon.

Sedertdien het die saak 'n wending geneem toe Solidariteit 'n hofinterdik verkry het om die regering te verhoed om met sy skenking voort te gaan. Die regering was egter Dinsdag in die hof om die interdik te betwis.

Eers het die regering verplig gevoel om mediese studente van SA teen opleiding en praktiese ondervinding na Kuba te stuur net om daarna 'n rits Kubaanse dokters wat nie aan die voorgeskrewe standaarde van geneeshere van die Suid-Afrikaanse

Mediese Raad voldoen nie, ten duurste na Suid-Afrika te bring. Self dit was nie genoeg om die regering se obsessie met Kuba te versadig nie en net meer as 'n jaar gelede het die regering gemeen dit is nodig om sowat 11 tot 15 Kubaanse ingenieurs teen reuse betaling na Suid-Afrika te bring om Eskom kwansuis by te staan om oplossings vir sy eindelose probleme te vind. Ons hoef nie te vra wie per slot van sake vir Eskom se krisis verantwoordelik is nie?

'n Mens wonder hoe die ANC sy skenking moreel wil regverdig in die lig van die feit dat dit waarskynlik die laaste gros ondersteuners was wat die ANC in Oktober verlede jaar gehelp het om politieke te oorleef wie se belange hier so skaamteloos vertrap word. En dit nadat die regering Suid-Afrikaners versoek het om mildelik by te dra tot die Vloedrampfonds sedertdien wat vir die mense van KwaZulu-Natal in die lewe geroep is. Nee wat, dit behoort vir almal duidelik te wees dat ons regering totaal en al die kluts kwyt geraak het. Mog die regering hierdie dag onthou as hy dit ooit weer sou oorweeg om "patriotiese" Suid-Afrikaners vir finansiële skenkings te vra...

Millions to Cuba - government has lost its way

Let there be no more doubt among South Africans at all - the ANC government doesn't give a hoot about them! Not even the hopeless situation in KwaZulu-Natal could convince government to reconsider its priorities regarding its proposed "gift" of R500 mil to the Cuban government. Months ago the same issue also led to profound debate across the country. Meanwhile the civil organisation Solidarity has managed to obtain a court interdict to prevent government to proceed with the donation to Cuba. On Tuesday this week however, government was back in court after it had appealed the interdict.

It is hard to understand government's obsession with the Cubans. At first medical students from South Africa were sent to Cuba for training and experience. Then Cuban doctors were brought to SA for the same reason in spite of the fact that Cuban doctors did not comply to the standards of the South African Medical Council. Then a number of engineers were brought to SA to assist Eskom to find a solutions to its problems. We

assume there is no need to ask government which political party was primarily (and secondarily) the cause of the Eskom collapse?

Government could have a daunting task to morally justify its proposed R500 mil gift to Cuba given the fact that it was indeed the "last" batch of ANC loyalists who have helped the party across the finish line during the October 2022 elections.

This is how these people are being rewarded for their loyalty by their own government! And this in return for favour from people of another country, another continent. To add insult to injury you don't even have to ask who the people are who will benefit most from the donation. You can bet on it that it won't be "the people" of Cuba, but the politicians, those employed by government, the Castro family and other influentials. To conclude: If the Cuba government were as noble and honest to have asked a donation of R500 mil from the SA government to give to the poor or uplift conditions in that country, it wouldn't have associated with the SA government in the first place.

Men's dialogue held at Boitekong Library

Men are invited once a month to talk about issues affecting them.

RUSTENBURG HERALD - BOITEKONG - South Africa has a rising number of cases related to Gender Based Violence (GBV), and Rustenburg is not spared from the rising cases of GBV. Women are disproportionately harmed by GBV. That is why there are hundreds of organizations focusing on ending violence against women.

Boitekong Library celebrated their World Book Day event by launching a platform to build responsible men, for men to talk, let their

emotions out and to raise boy children into responsible men. Men around Rustenburg will meet and others are still invited at Boitekong Library once a month to address issues related to men's mental health, physical health, and many other men's issues in general. Other stakeholders that agreed to come on board and join are Boitekong SAPS, Boitekong Clinic Rustenburg FAMS, Rustenburg CANSA, AURUM Institute and many others.

The event was held in Kanana at the Impala Conference Centre and was well attended by members of the community and various stakeholders such as Councillor Solly Mokapi of ward 23. The event was organised by the founder of the foundation Ruth Chowe Mathithibala.

The foundation would like to thank the various stakeholders for their assistance as well as individuals who assisted with refreshments for the attendees. In a continued effort to assist the vulnerable in their community, the organisation is requesting members of the community to assist them in any way to achieve their goal. Wyk 17-inwoners maak rug styf teen slaggate, rommelstrooing

Loshande seker die mooiste klompie “werkers” die afgelope naweek tydens Wyk 17 en Agapé-gemeente se “Operasie Restourasie” in die omgewing van Cuckoolaan skuins agter die Waterfall Mall. ‘n Gemeenskapsprojek onder die vaandel van opruiming, herstel en skoonmaak vorm geruime tyd reeds deel van Agapé se jaarlikse program. Die afgelope Saterdag se kromstaan was egter meer verdienstelik as ooit met verskeie ooglopende gebreke wat daadwerklik aangespreek is. Werkers is boonop aangespoor met ‘n klein maar stoopsoet-beloning toe lekkergoed aan hulle uitgedeel is. Heel links agter hierbo is Tanya Rothman, raadslid vir Wyk 17 en die span wat sy vir die projek bymekaar gekry het. Bykans 100 inwoners van Wyk 17 het hul ondersteuning in een of ander vorm aan die projek toegesê.

Ann Fitzgerald oorhandig 'n geskenk aan Rita Colyn, tydens die onlangse vergadering van die Vrouelandbou-unie (VLU) Rustenburgtak, wat aan die dames baie interessante advies gegee het met die inlê van kweperjellie.

Magalieskruin Voortrekkers bring hulde

RUSTENBURG HERALD - Rustenburg - Magalieskruin Voortrekkers het verlede week saam met Rustenburg getreure oor die vroeë afsterwe van Robert Forsyth asook Ruurd van der Wal. Hiermee 'n huldeblyk vir die diep spore wat beide mans getrap het in die harte van Magalieskruin Voortrekkers. Hulle salueer elkeen vir sy bydrae tot Afrikanergeskiedenis en die herinneringe in Magalieskruin se onthou-arsenaal.

Robert Forsyth: "Beskerm ons Afrikanergeskiedenis deur die bewaring van Oom Paul se plaas Boekenhoutfontein. Menigte besoeke aan die plaas deur die kommando – ons bak brood, besoek die bidklip, beleef die museum en kuier in die skooltjie. 2011 – Magalieskruin vier Die Voortrekkers se 80ste bestaansjaar en plant agt koorsbome op die terrein van Kedar. In 2018 was die bome reeds mooi groot. 2016 - Ons is gaste by die funksie waar die Rooibulkanon vanaf Krugersdorp deur Rustenburg verskuif is na Kedar. Ons Pikkewynspan besoek ook weer hierdie kanon in 2021. 2016 – Ons kamp vir die Paul Krugerfees langs die dam by Kedar. 2021 – Die Pikkewynspan gaan besoek Boekenhoutfontein asook Kedar Lodge".

Ruurd van der Wal: "2012 - Ruurd besoek die Ratelspan via die Geskiedenisklub en maak ons Afrikanergeskiedenis vir die Voortrekkers lewendig. 2012 - Neem Ruurd ons na die Slag van Moedwil. Die Vories beleef hoe hierdie slagveld plaasgevind het. 2014 – Magalieskruin hou 'n RatelDuo en bring hulde aan twee groot leiers: Ruurd as Nasionale President van die RRB en Johan Meyer (ook Rustenburger) as die Nasionale President van die Vryburgers. Unieke geleentheid vir Rustenburg. Paul Kruger Feeste in Oktober by Boekenhoutfontein bly 'n hoogtepunt. Die nabootsing van 'n veldslag en die Voortrekkers se deelname, sal ons altyd onthou (al moes party Khaki's wees in die oorlog!). Ruurd het ook verskeie jare ingestaan wanneer kandidate vir Presidentsverkenner 'n onderhoud moet hou met 'n Kultuurpersoon. Dankie Ruurd. Ons sal ook ons besoeke aan die Rapportryers se byeenkomste onthou".

Non -motorised transport campaign held in Rustenburg

RUSTENBURG HERALD - RUSTENBURG - The Rustenburg Rapid Transport (RRT) recently hosted, for the first time, a **Non-Motorised Campaign** in a form of a **Cycling & Marathon Festival** at Olympia Park Stadium.

At this event, over one hundred and fifty cyclists competed in a fun race, set at over 21 km around Rustenburg, and over 300 Marathoners had the opportunity to choose between 5 km Fun Run, 10 km and 15 km, routes that were created for the adventure lovers. The start and end of all the events were at Olympia Park Stadium and over four hundred athletes participated.

"With the system launch date drawing nearer and nearer, the RRT would like to emphasize fashionable traveling and how easy one can do it without a lift of a finger. This was an opportunity for our commuters to come and experience the brand, ask questions, and fulfil their queries by engaging with the team. We wanted everyone to have a fair share of participation and quite a number of interesting activities were lined up. Kids enjoyed interacting with the official Mascot, Warona, while adults enjoyed Aerobics, cycling, marathon and THE 360 Degrees Selfie Stand," comments Theron Rapoo, Head of Marketing & Communications at RRT.

"Successful public transport is important for any transport sector, especially with strategies relating to emissions reduction, road safety. Yarona will be a wonderful way to integrate public transport with NMT, delivering benefits for transport efficiency, pollution reduction, the local economy, and social inclusiveness. To make public transport an attractive and everyday choice for residents, Rustenburg has designed the service well, and planned to overcome physical and cultural barriers" concludes Rapoo.

RUSTENBURG HERALD - RUSTENBURG - On Friday 6 May, South Africans came together to support and celebrate a very worthy cause. Slipper Day is an annual event by the Reach for a Dream Foundation which encourages businesses, schools and everyday citizens to wear their slippers to work or school at a cost of R20 to help children facing life-threatening illnesses.

Meridian Rustenburg took the challenge head on. "We were very excited to take part in this year's Slipper Day. As a school, working with children is some very close to us and we naturally gravitate towards such Foundations as we share a common goal, which is to empower children and give them hope for the future." - Fezeka Sibisi, School Marketer.

The school set an original target of R10 000, however, the support from the staff, learners and amazing parents quickly proved how passionate the school community is about giving back. "On the last week, we started seeing an outpouring

of support and on the Friday, we ran out of stickers! We had to call Reach for a Dream Foundation and find out how we can secure more stickers!"

The school surpassed their target of R10 000 by R4 440 more. All proceeds will be donated to the Reach for Dream Foundation which will in turn help children and the Foundation as a whole.

Meridian Rustenburg is truly thankful and grateful to the wonderful community of staff, parents and learners within the school. They have proven that we are more than just a school, but a community that cares!
