Entrepreneurs unite at market day

Saturday was D-day at Rustenburg's new and rapidly growing Timbati Veld Market in Cashan 4 when entrepreneurs and their patrons flocked to the market on the corner of Krokodilrivier and Timbati Avenue to conduct business or to strike a bargain at the penultimate market of the year. The market is hosted to benefit the Rustenburg SPCA - all stall fees are donated to the SPCA. On Saturday entrepreneurs and patrons benefited from great weather and thoroughly enjoyed themselves. The stall of "Lexibug" (handmade, woolly plushies) proved to be one of many favourites among visitors. Pictured in this photograph above from left at the back are Ismeralda, Dene and Chezel Fick, Kaitlen Swart, Christa Stewart, Elize Swart, Lizl Mostert, Irma Nel, Darryl Lottering with Marcel Volschenk and Lexi Agenbag of Lexibug in front. The next market is scheduled for 10 December - keep watching Rustenburg Herald for more information. Turn to p 12 for more photos of the weekend's Timbati Veld Market.

"Police in cahoots with crooks"

RUSTENBURG HERALD - RUSTENBURG - The DA is concerned that, according to the South African Police Service (SAPS), 44 police officials have been identified to have aided the escape of criminal detainees in the province. In response to questions submitted by the DA in the North West Legislature, the SAPS detailed that 206 detainees escaped from police custody while awaiting trial or sentencing since 2019. However, of these, only 144 detainees have been apprehended to date while 62 suspects are still on the run.

These are suspects alleged to have committed a variety of heinous crimes ranging from murder and attempted murder to the illegal possession of firearms and robbery. Detainees managed to escape from holding cells, or while in hospital, or during transit in between court appearances. Most of the jailbreaks took place from the Rustenburg, Potchefstroom, Boitekong and Mahikeng police stations.

The DA condemns the involvement of these police officers who aided and abetted the escape of criminal detainees. We will also demand that the Provincial Police Commissioner Lieutenant General Sello Kwena brief the committee in detail on the status of the disciplinary action instituted against these implicated 44 police officers, whether they have been suspended, and whether they have been criminally charged. It is a real pity that the work of many dedicated police officers in the fight against crime is being undermined by rogue elements within the ranks of the SAPS.

20 year sentence for New Year's rape, murder

RUSTENBURG HERALD - RUSTENBURG - The Bafokeng Regional Court handed down 20 years direct imprisonment to a 42-year-old man found guilty of raping and murdering a 16-year-old girl on New Year's Day 2020.

Sonnyboy Ramela was sentenced on Wednesday (3 November). Ramela was also declared unfit to possess a firearm.

Evidence was led that Ramela was seen leaving a local tavern in Chaneng Village outside Phokeng in the company of the victim and her 18-year old friend on 24 December 2019. He then went to his place where he raped the pair.

Subsequent to the incident, a case of rape was opened for investigation.

The suspect evaded the arrest until he met the 16-year-old victim again at the same tavern on 31 December 2019. They left the tavern and were both seen entering the nearby bushes between midnight and 01:00 on New Year's Day. Since then, the victim was never seen again and her parents opened a case of kidnapping on 3 January 2020. At that point, the suspect was already in detention after being arrested on 1 January 2020, through information received from members of the community, for the initial rape he committed on 24 December 2019. Further investigation into the matter led to the discovery of the 16-year-old victim's decomposed body in the bushes at about 5 January 2020, at Chaneng village. Ramela was found guilty on 27 October 2022. The State Prosecutor, Mr Zola Mpiayipheli, placed it on record that Ramela do have previous convictions of attempted murder and was sentenced to six years direct imprisonment. Further that he has a previous conviction of rape committed in 2019 and was sentenced to ten years direct imprisonment for that. The North West Provincial Commissioner, Lieutenant General Sello Kwena commended the Investigating Officer, Captain Dipotso Montsho and the Prosecutor, Mr Mpiayipheli, as well as other role players for their team work that resulted in the sentence.

OTM-rowers vort met geld

RUSTENBURG HERALD - RUSTENBURG - Rooftogte waar otm's die teiken is, is weer plaaslik byna aan die orde van die dag.

Verlede Donderdag (3 November), in die vroeë oggendure, het vier mans te voet by 'n vulstasie buite die dorp opgedaag. Die vier was glo te voet. Personeel by die vulstasie op die N4 digby die Kroondaloprit het meteens net 'n harde slag gehoor en het vir dekking gedruk.

Die slag was toe die rowers die otm met springstop opgeblaas het. Volgens plaaslike polisiewoordvoerder, sers Ofentse Mokgadi, het die rowers daarna met 'n onbekende bedrag geld op die vlug geslaan. Geen van die personeel is tydens dié voorval beseer nie, sê sers Mokgadi.

Niemand is nog in verband met die voorval in hegtenis geneem nie en persone wat oor inligting beskik, word versoek om adjudant-offisier Karel Khumalo op 082 773 0590 te kontak.

Point duty - have you noticed an improvement?

RUSTENBURG HERALD - RUSTENBURG - The Rustenburg Municipality has reported recently that a number of traffic "orientated" officials availed by the Rustenburg Rapid Transport project have been appointed by the municipality and tasked with the responsibility of taking charge of indeed long overdue point duty duties in and around Rustenburg.

This was after Rustenburg Herald and the Rustenburg community persistently complained at the lack of point duty officers in the city's challenging traffic situations as a result of load shedding interruptions but also interruptions due to cable theft, power outages due to accidents or maintenance issues.

This week Rustenburg Herald will be conducting a readers pole in an effort to ascertain whether the point duty exercise has been a successful one and when where and how Rustenburg's frustrated motorists have noticed the presence of officers/officials during interruptions, especially during peak periods at busy intersections and crossings. We urge our motorists to please support this initiative and respond by email to waldie@rustenburgherald.co.za with information such as when (days of the week), what time and where and for how long you have noticed point duty officials and whether you have found the service commendable and appreciated.

Understanding diabetes

RUSTENBURG HERALD - RUSTENBURG - Diabetes can be a scary diagnosis, leading to heaps of uncertainty. Understanding diabetes better (the why's and the how's), makes it easier to live a healthy life in partnership with a diabetes care team that will support and guide you. Diabetes is a condition in which blood sugar (glucose) levels are above normal.

This is due to the fact that people with diabetes have problems in changing food to energy. Usually, after a meal, food (such as bread) is broken down into a sugar, called glucose, which is carried by the blood to cells throughout the body. These cells use a hormone called insulin, made in the pancreas, to help process blood sugar into energy. People develop type 2 diabetes because the cells in the muscle, liver and fat do not use insulin properly (insulin

resistance). This eventually leads to the pancreas not being able to make enough insulin for the body's needs. As a result, the amount of sugar in the blood increases while the cells do not have enough energy. (Imagine the sugar is stuck in your blood and cannot be used by the body as it cannot get out of the blood. Your body needs this sugar to have energy but cannot get to it).

Over many years, high blood sugar levels damage nerves and blood vessels, leading to complications such as heart disease, stroke, blindness, kidney disease, nerve problems, lower limb amputations and gum infections. People with diabetes may need to make lifestyle changes in order to control their blood sugar levels better. This will include a healthy eating plan as well as regular exercise. The doctor may prescribe medication to assist with the control of the diabetes which can be tablets and/or insulin. People with diabetes should have a glucometer to test their blood sugar levels to understand if their lifestyle change and medication are controlling their blood sugar levels or if adjustment is needed. With good guidance and effective assistance from a diabetes health care team, a person with diabetes can lead to a healthy life without complications. At Medicare Private Hospital we have a Diabetes Centre that offers education and coaching for people with diabetes and their family members to learn more about their condition and enable them to live a healthy life. Contact us on 014 592 9223 or whatsapp 082 783 1918 if you need more information.

Ons ontmoet Charlie Graham en gesels weersake

Charlie Graham van Geelhout Gardens Kwekery ken weer, dis nou maar seker.

Waldie Volschenk

RUSTENBURG HERALD - RUSTENBURG
- Skaars 'n week gelede het Rustenburg Herald berig dat ons "huidige" weerprentjie nie so rooskleurig as die vorige jaar is nie en is daar nog styf duime vasgehou dat ons goeie reën gaan kry na 'n betreklike droë Oktobermaand - oom Paul se verjaarsdag of nie.

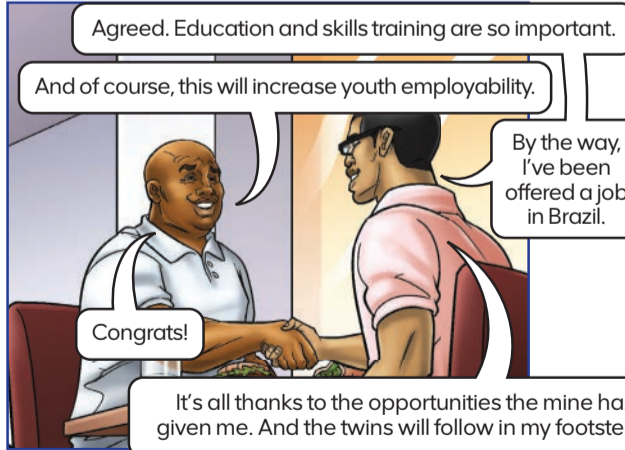

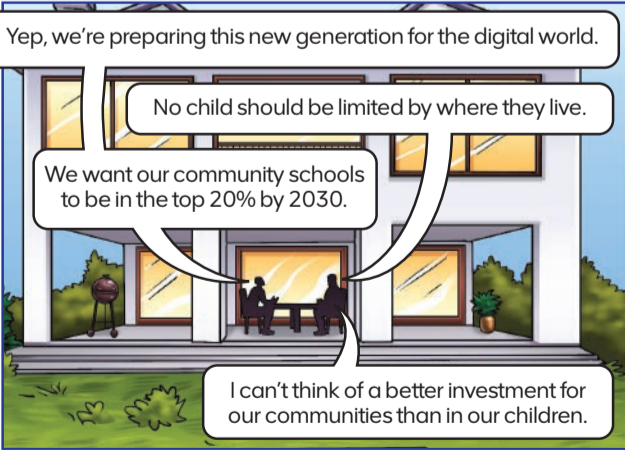

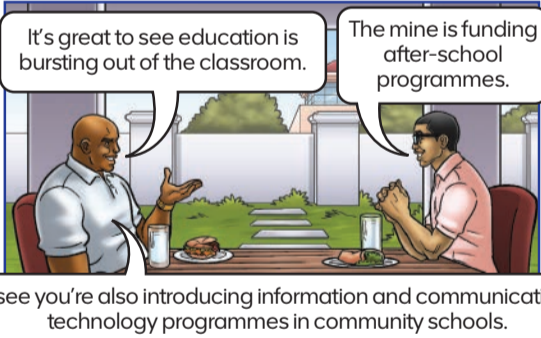

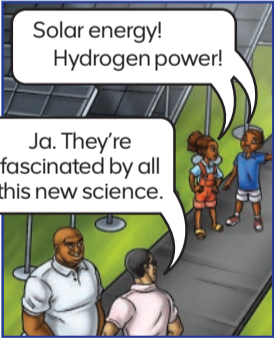

In 'n kwessie van 'n paar dae se tyd het die prentjie egter handomkeer verander en na somer net agt dae in 'n bloedjong Novembermaand in, spog Rustenburg met 'n nuwe Novembermaand-reënrekord vir die afgelope 20 jaar indien nie langer nie.

Natste November in 20 jaar
Daar bestaan in hierdie stadium geen twyfel nie dat November 2022 'n maand gaan wees wat vir dekades lank baie prominent in die rekordboeke aangeteken gaan staan, sê Charlie Graham, ook al vir heelwat langer as 10 jaar Rustenburg Herald se betroubare - "weerprofeet" - 'n naam wat Charlie waarskynlik nie vreeslik waardeer nie. Dit is interesssant om somer so 'n ogie oor die Novembermaande van die verlede se reënshyfers te gooi en te kyk of ons kan onthou hoe baie of hoe min dit "daardie jaar" gereën het. Benewens die 180 van die afgelope agt dae (is dit nie opsig self ironies nie?) was die tweedemeeste vir enige Novembermaand sedert 2003 dié van 2020 toe daar 176.00 mm by Geelhout Gardens gemeet is. Voor dit was 2009 die meeste met 'n verdienstelike 135 mm, daarna die 131 mm van 2019 en voor dit die 127.00 mm van 2006. En van onvoorspelbaar gepraat - daar is nie 'n enkele Novembermaand sedert 2003 waarin dit nie gereën het nie, hoewel die 16.50 mm van 2018 baie naby aan 'n droë maand was.

Nie half vol of half leeg nie - dit loop oor
Hoe dit ook al sy, Charlie is al sedert 2003 ons "reënmeter/weerman/waterfiskaal" en pynlik presiese aantekenaar van die warmste en koudste temperature van elke dag van elke maand van elke jaar. En natuurlik ook baie gepas vir iemand wat vir baie jare aan die hoof van 'n uiters suksesvolle kwekery gestaan het. Baie Rustenburgers sal Charlie onthou as eienaar van die Geelhout Gardens Kwekery in Kremetartlaan wat hy letterlik uit stof en as opgebou en uitgebrei het en waarvan hy die leisels verlede jaar aan sy kleinseun (Grant) oorhandig het.
Dit is asof ons ou boere is en ons praat sonder uitsondering altyd eers pure "boeretaal" wanneer ons somer so met die bladskud oor die reën- en weerpatrone gesels. Te oordeel aan wat ons die afgelope paar dae van November gesien het, wil dit vir ons lyk of Charlie hom maar op 'n besige maand moet voorberei - hou gerus die reënjas en die sambrele byderhand - die hemele se sluise is oop...

If you want tomorrow, and all the following days, to be better - and profitable - you work and invest for today. That is what Impala Platinum Rustenburg want to achieve by launching their Business Forum Platform. With this, small, medium and micro enterprises (SMMEs) in the Rustenburg area get the opportunity to commit to working together and creating a space wherein everyone can then be more effective and profitable. The launch of the Business Forum Platform took place on Friday (4 November) at the Orion Safari Hotel. 14 business forums from 29 villages of Bafokeng and 17 surrounding communities in Rustenburg have joined forces to form this platform. “This enables us to communicate to see what the needs of the community are and how we can grow these small businesses. This is a multi-pronged approach to improving business and developing local SMMEs through training programs in the local communities,” said Mark Munroe, Chief Executive of Impala Rustenburg at the launch.

Paardekraal Dam collapses - take care at river crossings

RUSTENBURG HERALD - RUSTENBURG - Extremely heavy rains of the past few days have not gone without incident.

It was reported to Rustenburg Herald on Tuesday that the wall of the Paardekraal Dam has collapsed due to current continuous heavy rains.

According to the spokesperson for the Rustenburg Local Municipality, Thapelo Matebesi, the directly affected communities are Mfidikwe, Paardekraal, Sunrise Park, Popo Molefe and Boitekong.

Residents were urged not to cross river crossings as dangerously high water levels are experienced.

The Rustenburg Local Municipality's Disaster Management team was dispatched to the scene immediately.

Meanwhile, the levels of other river crossings such as Manuka, Ben Marais crossing and several others are constantly monitored.

Dangers of stroke highlighted

RUSTENBURG HERALD - RUSTENBURG - Having a stroke could be extremely live changing.

During a stroke, blood flowing to the brain is blocked, or when there is bleeding in the brain, resulting oxygen cannot get to the brain - so parts of the brain die.

That is why some people who suffered a stroke have difficulties with walking, talking, hearing and/or swallowing.

Annually, Stroke Awareness Week is observed from 28 October until 3 November, to raise awareness about the symptoms of stroke, reduce the incident of stroke and ultimately to prevent stroke. Driven by the JST Occupational Therapy Department, focus was on the importance of physiotherapy, occupational therapy, speech therapy and diet interventions in cases where stroke has occurred. High blood pressure, heart problems, stress, high cholesterol, excessive smoking or drinking, diabetes and lack of physical activity are identified as the causes of stroke.

The signs of stroke entails:
* one side of the face has dropped
* weakness in the arms
* speech difficulty.
Spotting and attending to these signs from the onset improves recovery.

Stroke can be prevented by keeping your blood pressure low, eating healthy food, exercising regularly, lowering your cholesterol, manage diabetes, limit alcohol intake, stop smoking, avoiding stress and maintaining a healthy weight.

There are other clinical disciplines that play a role in rehabilitating a person with stroke.

This includes Physiotherapy- influence muscle tone and gait training and issuance of assistive devices such as a 'quadripro'.

Speech Therapy helps with clear "intelligible" speech and Dietetics assess dietary risk factors for stroke.

Occupational Therapy assists with improving independence in performing activities of daily living and moving around in the environment. Internally, Occupational Therapy Unit conducted a simulation of a stroke patient with staff members.

The aim was to allow staff members to experience what stroke patients and their caregivers go through.

Staff members expressed their sentiments "caregivers need to be sympathetic with stroke patients, offer them assistance and not add on to their frustrations with negative talk."

Stroke can affect anyone, whether young or old.

It is important to recognize the signs quickly and get treatment for the affected person.

Stroke Awareness Week was observed at Job Shimankana Tabane Hospital recently.

MAKARAPA CITY SEASON 8

At Sporo's house...

Hello? You found Pam? Sweet. Bring her to me at my plek!

What are you going to do to her?

Don't stress, sweerie. Papa Action will take care of things.

Later that evening...

Let me go, Sporo!

Shush, wena Pam. I'm calling the shots now!

Listen, we can work something out. I didn't mean to shoot you, hey?

But you did. And you tried to kill Dolly.

You're just a common criminal, Pam!

That drink was meant for you!

No! Help!!

Gag her, Dolly!

Monica arrives at Sporo's house...

What's going on?

Your stepmother tried to kill your father. But she shot Sporo instead. And she tried to poison me, too!

We need to call the police!

Neva!

You can't take the law into your own hands.

She has to pay for what she's done!

The anger you feel is normal after a traumatic experience. Contact CareWays, the mine's mental health programme. It's available to all employees. Or please speak to a social worker to help you get through this.

The only language some people understand is revenge!

Violence won't work, mara! Change your thinking from act first, think later to think first, act later.

I fight fire with fire, maan!

That's not the way. This is gender-based violence, Sporo. We need to change this way of thinking.

I'm also tired of abuse.

???

It's hard for those of us who grew up this way to find better ways to live. When you know better, it's easier to do better. I'll get you help.

Silence is not an option!

That's right, Dolly. We all have to make choices. So what's it going to be, Sporo?

Volunteers hard at work during the clean up operation Fix the Broken - this time the pedestrian crossing between Maroela and Moepel Avenue in Protea Park.

Dozens of bags of refuse and waste after the clean up operation of the notoriously dirty pedestrian crossing between Maroela and Moepel Avenues on opposite sides of the Bakwena N4.

The well-known but notoriously dirty pedestrian crossing developed by the Bakwena N4 during the construction of a new road through Rustenburg almost two decades ago.

Bakwena’s pedestrian crossing gets spring clean

RUSTENBURG HERALD - RUSTENBURG - In terms of the DA's Ward 15 Project Fix the Broken, volunteers of the community have united and gathered to clean up the notoriously filthy pedestrian crossing between Maroela an Moepel Avenues on opposite sides of the Bakwena N4 in Protea Park. As stated earlier, this area was nothing but a filthy disgrace to a city like Rustenburg and probably the very first time that the area was thoroughly cleaned up since the completion of the Bakwena N4 and the pedestrian crossing almost two decades ago. According to Cllr Ilse Edwards of the DA, the Ward will attempt to tackle and clean up challenging areas at least twice a month as an important community drive. She has thanked all those who didn't hesitate to join in the project and to demonstrate that some people indeed care for the community they live and work in.

Members of the community of Ward 15 who got together to clean up the pedestrian crossing in Protea Park over the weekend. In the photograph are John Barfoot, Gerhard Vorster, Charlu Vorster, Cllr Ilse Edwards of Ward 15, Ward Committee member Marie Kemp, Eddie Kemp, Clerese Kemp, Marelize Nel, Judy-Ann Marais, Eddie Kemp Jnr and Amanda Viljoen. Ward 15 also wishes to thank Vernon Edwards who has made a significant contribution and Chris of Crazy Skips.

MOSTERT PEST CONTROL

Crickets Prevention

What Do Crickets Eat?
Outside, house crickets feed on plants and dead or live insects, including other crickets. Indoors, they can feast on fabric, including clothing and carpet. Wool, cotton, silk and synthetic fabrics as well as clothes soiled with perspiration are especially attractive to house crickets.

Habitat: During warm weather, crickets typically live outdoors and are especially fond of garbage dumps. They are often attracted to electric lights in larger numbers, sometimes by the thousands, and rest on vertical surfaces such as light poles and house walls. However, when cold weather approaches, they seek shelter in houses and sheds because of the moisture and warmth they provide.

Threats: Crickets don't post a health risk to humans, but can cause damage to property, specifically clothing, carpets and areas covered in fabric. Favourite fabrics include wool, cotton, silk and synthetics.

How To Get Rid Of House Crickets:

- Removal of crickets and their eggs with a vacuum works well in getting rid of house crickets.
- Reduce areas of moisture in and around your home.
- Mow the lawn, weed plant beds and move woodpiles away from the structure.
- Consider changing outdoor lighting to less-attractive yellow bulbs or sodium vapor lamps.
- Seal possible points of entry for house crickets around the house.

'Love Run' word 'Omgee-fees'

RUSTENBURG HERALD - RUSTENBURG - Op 19 November vanjaar strek die nou reeds ses jaar oue "Love Run" sy vlerkies van omgee, by wyse van 'n "Omgee-fees".

So glo die organiseerders dat die "Omgee-fees" presies dit gaan doen; omgee vir medemens, uitreik na ander, help, voorsien.

Die feesprogram skop af met die "Love Run", waar almal wat lief is vir beweeg kan kom deelneem deur slegs 'n blikkie (of 10) nie-bederfbare kos te skenk vir die G-om Projek. Die jaar se roete vind plaas vanaf Uniestraat in Bergsig se rigting. Verkeersdepartement, marshalls en waterpunte sal ons deelnemers bedien met omgee. Die kos wat ingesamel word, word gebruik om die sowat 30 leerders en hul gesinne te voorsien van 'n voorraad kos tydens die Desember vakansie wanneer die skool gesluit is en die leerder nie die voorreg geniet van 'n gesonde bord kos per dag nie. Hulle is opgewonde om saam met NG-Suid hande te vat in dié poging. NG-Suid is immers hul veilige hawe waar die leerders en vrywillige fasiliteerders elke dag gratis in goed toegeruste klaskamers kan skoolgaan vir die afgelope 17 jaar al. Hier woel en werskaf toegewyde tannie-juffrouens om hierdie kinders skoolgereed te kry vir groot skool. Aan die einde van hul G-om skool word elkeen gepas met 'n splinternuwe stel skooldrag en benodigdhede, sodat hul op gelyke vlak met hul mede-leerders hul skoolloopbaan kan begin.

Almal wat belangstel om deel te word van die "Omgee-fees" by wyse van uitstalruimte om jou unieke produk te kom bemark is welkom om die organiseerders te skakel: Retha Nel – 083 651 2856 of Marie Williams – (014) 592 2419 of Lourisa Venter – 082 806 4352.

Die feesgangers kan hul beslis regmaak vir 'n interessante dag vol pret, goeie kos, optredes deur skole, kleuterskole, dansgroepe en kunstenaars. Kaartjies teen R30 sluit 'n gelukkige trekking en jou toegang tot die fees in. Kom ondersteun asseblief die "Omgee-fees" en wys jy gee ook om.

SEB nie meer alfa en omega

RUSTENBURG HERALD - RUSTENBURG - Staatsbeheerde instansies soos Eskom, Denel, Transnet en ander sal voortaan nie meer verskaffers vir oorweging kan diskwalifiseer wat nie aan die regering se tot onlangs toe nog SEB-kriteria voldoen met betrekking tot tenders nie.

Die minister van finansies Enoch Godongwane het verlede Vrydag, 4 November, nuwe wetgewing en maatreëls ingevolge sy "Preferential Procurement Policy Framework Act (PPPFA)" gepubliseer waarin die nuwe kriteria ten opsigte van SEB en staatsbeheerde entiteite soos Eskom moet voldoen wanneer nuwe tenders oorweeg word.

Dit was voorheen gespesifiseer dat sekere staatsorganisasies tenders van maatskappye kon diskwalifiseer wat nie ingevolge die SEB-beleid 100% in swart besit is nie. Die voormalige minister van finansies Pravin Gordhan, het dié kontroversiële vereiste en klousule in 2017 regeringsbeleid gemaak. Gordhan is tans Suid-Afrika se minister van openbare instellings.

Tot voor hierdie aanpassing van Godongwana het tenders se SEB-status tussen 10 en 20% se invloed in die finale tenderevalueringproses gehad. In Februarie vanjaar het die Grondwetlike Hof bepaal dat die nuwe regulasies soos deur Gordhan aangekondig, ongeldig en trouens, ongrondwetlik was, nadat die sakebelangegroep Sakeliga die kriteria in die hof uitgedaag het.

Die Grondwetlike Hof het hierna Suid-Afrika se nuwe minister van finansies Enoch Godongwana opdrag gegee om hersiene riglyne ten opsigte van sy SEB-beleid binne een jaar te formuleer. Met die proklamasie van die nuwe regulasies en riglyne, is alle verwysings na SEB-kriteria uit die wet verwyder. In aansluiting hierby, is 'n vorige klousule wat die minister van handel en nywerheid forseer het om in sekere sektore slegs plaaslike produkte of plaaslike inhoud te gebruik, ook in geheel geskrap.

Moedwil Geloftefees

RUSTENBURG HERALD - MOEDWIL - Moedwil Geloftefees - 16 Desember 2022 by Bosveldoord: “Ons het onlangs Erfenisdag gevier, wat het ons voorvaders (Voortrekkers) vir ons nagelaat? Wat laat ek en jy vir ons kinders agter?

16 Desember bly ‘n hoogtepunt op die kalender van die Moedwil Geloftefees by Bosveldoord. Dit begin weer om 08:45 en tradisioneel kan dit ‘n Familiefees genoem word. Dit is ‘n bymekaarkom dag vir feesgangers oud-en-jonk oor die jare heen.

Ds Ferdi Duvenier sal die Geloftediens lei. Die feesspreker sal by ‘n later geleentheid bekend gemaak word. Die tema vir hierdie jaar is: ‘Outyd-tot-Noutyd’. Ons behou die tradisie van ‘n Geloftedag soos op 16 Desember 1838 vasgelê. Dit bly ‘n gesellige feesdag vir ons mense wat

betrokke voel. Hierdie jaar nooi ons u uit om deel te hê aan die geloftefeesviering. As dit moontlik is, kom in tradisionele drag - soos die Voortrekkers van ouds. Bring asseblief ‘n bordjie eetgoed saam. Ons kuier altyd lekker om die verversingstafel.

Ons verwelkom ook volksoue - artefakte vir ‘n uitstalling: Oupa-en-oumagrootjie se ou wakies, statebybel, glorieryke herinneringe - bring enigiets met ‘n sentimentele waarde vir die uitstalling, maar neem dit asseblief weer huis toe. Ons onthou ons voorouers - kom betaal jou gelofte”.

Liggies vir Lewe-Fees: 27 – 30 November

RUSTENBURG HERALD - RUSTENBURG - NG Proteapark se jaarlikse Liggies vir Lewe-Fees vind hierdie jaar plaas tussen 27-30 November. Die tema van die fees is: “Ons Gee”.

Die organisasie wat die fees hierdie jaar ondersteun is die Rustenburg se G-Om Projek.

Die Rustenburg-gemeenskap word ruimhartig uitgenooi om hierdie opelugskouspel te kom besigtig. Die Liggiefees-projek het in 2015 begin toe NG Proteapark se kerkgebou vir die eerste keer deur liggies versier is. Elke jaar word nuwe liggies bygevoeg – dit is nou al meer as drie kilometer se liggies!

Die organiseerders van die Liggiefees wil graag die gemeenskap oor die feestyd laat kom kyk na die geboorte van Jesus en die betekenis van Sy sterwe wat uitgebeeld word in liggies. Die fees gebruik ook die geleentheid om aan die gemeenskap ‘n besonderse Kerservaring te gee.

Wat maak hierdie fees so spesiaal? Unieke uitstallers, opelugvermaak en aandetes! Die uitstallers is goedgekeur om duplisering van produkte te vermy. Om die atmosfeer van ‘n nagmark te skep, is die fees tussen 16:00 en 21:00 elke aand. Daar is ook vermaak vir kinders, en toegang tot die fees is gratis.

Die program vir die vierdagfees lyk as volg:

Sondag, 27 November skop die Liggies vir Lewe-fees af om 16:00 wanneer die hekke oopmaak. Die program begin om 18:30, waarna Riaan Benadé en sy orkes optree totdat die liggies om 20:00 aangeskakel word. Kom somer al vroegmiddag, bring jou vriende en familie, ‘n kampstoel of kombars en kom kry iets te ete of te drinke by die kosstalletjies.

Maandag, 28 November word daar gefokus op die kleingoed. Om 17:00 gaan Bee-Bee die By weer die kinders in die Teatro vermaak – dit is gewoonlik ‘n groot gunsteling by die fees! Later die aand word die grootmense vermaak wanneer Heuning in die buitlug optree, kom ondersteun hulle gerus.

Dinsdagaand, 29 November is Cordelia ons gaskunstenaar. Sy is bekend vir liedjies soos “Anker” of “Mal in jou kop”. Kom luister gerus na haar mooi stem terwyl jy die stalletjies besoek.

Die fees sluit Woensdag, 30 November af met Kersliedere onder die sterre. Hierdie jaar gaan ‘n skitterende skouspel van kore, musiekinstrumente en sangers deel van die afsluiting wees – moenie dit misloop nie!

Tussendeur alles gaan NG Proteapark se gewilde treintjie, die Liggie-Express, weer die kleingoed tussen die liggies rondrits. Die Liggiefees ondersteun die Rustenburg se G-Om Projek – donasies vir skoolbehoefes kan by die kerkkantoor of in die kerk se rekening inbetaal word. Die kinders wat deel is van die projek word ook bederf tydens die fees. Kom wees deel van hierdie besonderse geleentheid en laat jou liggie helder skyn vir Jesus!

Die kerk se liggies kan elke aand tot en met 25 Desember besigtig word.

{StandpuntViewpoint}* Is ons nie maar almal boere nie?

‘n Mens moet wonder of dit in ander lande ook so gaan soos hier aan die suidpunt van Afrika. As ‘n groepie mense bestaande uit enigiets van twee of meer mense bymekaar kom, is daar sonder uitsondering twee dinge waaroor daar gepraat word - afhange van die tyd van die jaar waarin die mense hulle bevind. Die twee gunstelingpraatjies is politiek en die weer - of is dit dan nou die weer en politiek? Wel, soos ons sê afhange van die tyd van die jaar waarin ons is, en in hierdie mooie begin van Novembermaand kan ons sonder huiwering sê ons praat eers weersake en dan politiek.

Of nee wag, ons het nou al by gebrek aan belowende of goeie reën tot dusver vanjaar soveel keer politiek gepraat en gekerm, dat ons vandag somer maar net oor die weer wil gesels. Mense sal ons verskoon en sal in hierdie geval nie aanstoot neem as ons sê ons praat “boeretaal” nie - dit is mos wat mense (en veral) boere doen as hulle mekaar langs die lyndrade in die landerye raakploeg, hulle stop eers, stop dan die pype en staar die blou lug in. En so gou soos die lande lekker nat en pure modder is, kla die boere omdat hulle nie in die lande kan kom om te plant nie. Is dit nie wonderlik nie - is Suid-Afrikaners nie wonderlike mense nie?

Soos ons elders in hierdie uitgawe berig

Aren't we all farmers?

One has to wonder if it's the same in other countries. Or is it only here in the south of Africa that two particular topics will have even the “shyest” of men talking - namely the weather and politics. Which comes first depends on the time of year of course, - but it's always the weather or politics, or politics and the weather. But this week, here at the beginning of a beautiful November with a cracking new November month record for at least the past two decades, let's begin with the weather. Or in fact, for lack of promising weather or showers earlier this year, let us today leave the politics for the politicians and stick to the weather. Though it has a better ring and tone to it in Afrikaans (boeretaal) let us bring forth and honour the farmers in ourselves by gratefully acknowledging the almost unprecedented 180.00 mm recorded in Rustenburg in just the first eight days of the 11th month. At the rate things are going, there is little doubt that November of 2022 has all the potential to be one of the very best months in at least a century, if not longer. Speaking of farmers, isn't the weather the very first topic to be discussed when they met one another on opposite sides of their fences and briefly pause, climb down from their tractor cabins, take out their pipes, refill, light up and then stare into the heavens? And to

immediately begin to complain that they can't get into the fields to plant as soon as enough rain has fallen to ensure a proper harvest within a few short months. Isn't this just wonderful? Our readers will notice an article elsewhere in this edition where we, based on the information provided by the dutiful Charlie Graham, speculate on the promise of perhaps one of the best November months in possibly a century if not longer. To think that barely a few weeks ago we were rather miserable about the fact that oom Paul's birthday has come and gone without any meaningful showers in the area, and that “no not again - another dry year could be looming!” Speaking about farmers and farming, it reminds us of the beautiful story of an elderly lady who was all alone in the house on the farm very late one evening when the heavens were opening up in all its abundance. The farmer had rushed out the back door to drive the livestock into a barn in fear of live-threatening lightning and extremely bad weather to protect them from harm. To make matters worse the old lady was notoriously afraid of bad weather and was walking up and down the passage with the bible clutched in her hand - miraculously she was able to read Psalm 23 from top to bottom at least three times without lighting the candle even once...

Rustenburg Cycling Club

RUSTENBURG HERALD - RUSTENBURG - Well done to the Rustenburg Cycling Club (RCC) members who participated in the FNB Wine2Whales Race on 4-6 November, three days of mountain biking through the Western Cape. The 2022 FNB Wines2Whales delivered a mountain bike experience unlike any other in South Africa as it takes in a mix of terrain including private farm roads, majestic mountain single tracks and a historic wagon path. The spirit of the FNB Wines2Whales is “gees” – truly South African phrase that is only understood once experienced.

Rampa farewell function

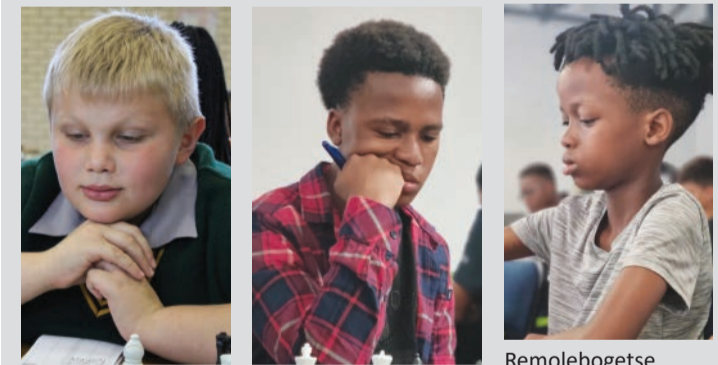

RUSTENBURG HERALD - RUSTENBURG - Bojanala Chess faced off against West Rand Chess at Sibanye Stillwater's Recreational Club over the weekend in an inter-regions tournament, where they competed for the Eazy Tshabadira cup.

Each region was represented by their top players across different age categories. Bojanala entered their top Under 8' s, including 4-year-old, Thinus Kruger, in the U/10 Swiss category. The move paid off as the Under 8's dominated this section. In the U/10 Round Robin section, new Bojanala chess sensation, Danika Naidoo from Lebone II, picked up a perfect 5 out of 5 score. In the U/12's, Justin Roos, from Proteapark (the current Bojanala primary school chess champion) and Remolebogetse Mokgatle from Lebone II, laid the perfect foundation for their team with individual scores of 6 out of 6. The most pleasant surprise though came courtesy of Laerskool Brits' new kid on the block, Johann Terblanche. His perfect score ensured a clean sweep for the U/12's across all their sections. Exciting final games in Metshameko school tournament

RUSTENBURG HERALD - RUSTENBURG - The exciting final games in the Metshameko school football and netball programme — sponsored for the first time this year by Impala Platinum Rustenburg, Royal Bafokeng Holdings and Royal Bafokeng Sports — were held on 29 October at a Championship Festival at the Royal Marang Hotel in Phokeng.

The jam-packed day of playoffs culminated in a prize-giving and awards ceremony to celebrate the best performers of the day.

The 2022 Metshameko tournament launched in mid-May and nearly 2000 learners from 42 primary schools and 23 high schools in the greater Rustenburg area have benefitted from the weekly programme of coaching, games and playoffs. In addition, 215 coaches and umpires took part in the 2022 programme, including 140 teacher coaches, 30 volunteer coaches and 45 umpires.

The 16 school teams who made it through to the playoffs were:

- **U/13 football:** Platinum Village, Vuka, Saron and Mfidikwe primary schools
- **U/13 netball:** Saraleng, Moremogolo, Reklakgona and Mfidikwe primary schools
- **U/17 football:** Matetenene, Kitsong, Tshukudu, and Matsukubiyane high schools
- **U/17 netball:** Matetenene, Khayaletu, Freedom Park, and Matala high schools

The winning school teams in each category were:

- **U/13 football:** Mfidikwe Primary
- **U/13 netball:** Reklakgona Primary
- **U/17 football:** Tsukudu Secondary
- **U/17 netball:** Freedom Park Secondary

Numerous other medals, trophies and awards were presented to high-performing players and coaching teams.

Mark Munroe, Chief Executive of Impala Rustenburg, said the Company is proud to partner with Royal Bafokeng Holdings and Royal Bafokeng Sports in this invaluable sports initiative, which aligns perfectly with Impala Rustenburg's commitment to investing in young people and schools in the mining community. "This is a highly impactful programme that delivers far more than the opportunity to play a sport – it also enriches lives through life skills learned, leadership qualities gained, effective teamwork, and by boosting self-esteem, all of which can change the trajectory of a child's life and help contribute to a successful future. Our Impala Rustenburg sports team embraced this opportunity."

Impala Rustenburg's investment in the programme this year allowed for more children from more schools to participate compared to previous years, ensuring a greater overall impact in the community.

Brandon Silent, Sports Specialist at Impala Rustenburg, says the programme benefits the children immeasurably, giving them an opportunity to display their talents in the different sports, while also ensuring they improve their game throughout the tournament. "A highlight of Metshameko for me is identifying the children with the talent that can take them a lot further in their

sporting careers, enabling them to hold on to their dream to play for the national teams."

Vivian Foko, Netball Coach at Impala Rustenburg, is equally excited about the tremendous value that the Metshameko programme adds to young lives. "This programme identifies and develops talent, while also taking the children off the street and giving them a focus in their lives. It's wonderful to see them enjoying themselves and becoming passionate about their sport."

Royal Bafokeng's support of this sports initiative goes back six years. Eugene Thipe, head of Royal Bafokeng Sports, notes

that partnerships are key to ensuring the sustainability and success of an initiative such as the Metshameko sports programme, and that collaborating with Impala Rustenburg this year significantly increased the programme's reach and impact. "We all know what Nelson Mandela so wisely said about sport – that it 'has the power to change the world, to inspire, and to unite people in a way that little else does. It speaks to youth in a language they understand.' We witness this truth daily in our sports activities, and it's a privilege to play a key role in empowering our young people through sport."

Eugene Thipe (Head of Royal Bafokeng Sports) and Poena Prinsloo (Executive Business Improvement at Impala Rustenburg) with the Matala Secondary School U17 netball team during the finals of the Metshameko tournament.
