Timbati Veldmark weer op sy stukke Saterdag

RUSTENBURG HERALD - RUSTENBURG - Rustenburgse markgangers word herinner aan eerskomende Saterdag, 2 September, se Timbati-lentemark by die Timbati Veldmark se gewone markplek op die hoek van Nylrivier- en Krokodilrivierlaan in Cashan 4.

Stalletjies sal reeds op die markterrein van 09:00 af oop wees met alles te ete, te drinke en te geniet wat gewoonlik by 'n tradisionele mark op die spyskaart is.

Die Timbati Veldmark is een van twee tradisionele markte wat Rustenburgers reeds die afgelope 16 maande aan die praat het en markgangers kom raap gereeld 'n winskopie, 'n geskenkie vir iemand spesiaal of dalk 'n meer duursame verrassing vir 'n baie besondere geleentheid by die mark op.

Timbati Veldmark is 'n mark vir oud en jonk met 'n wye verskeidenheid nuwe, ou of handgemaakte artikels sowel as tradisionele lekkernye soos konfyt, blatjang,

pap-en-kaiings, jafels, burgers, warmbrakke, pannekoek, biltong en droëwors.

Vir die jongklomp is daar 'n springkasteel en/of waterglybaan, perderitte en ander vorms van vermaak.

Welkome nuus by Timbati Veldmark is dat mense se troeteldiere ook baie welkom is mits die hondjies aan 'n halsband is asseblief.

Trouens, troeteldiere is onder "diegene" wat die meeste baat vind by die Timbati Veldmark omdat die opbrengs van elke maand se veldmark uitsluitlik vir plaaslike welsyn aangewend word.

Die Rustenburgse DBV tel onder dié gelukkiges. Vir die brakkies is daar altyd 'n tafel met 'n ietsie om aan te knibbel en 'n waterbakkie wanneer die somersonnetjie 'n bietjie warm word word. Kom ondersteun gerus Timbati se entrepreneurs en dra sodoende by tot 'n verdienstelike saak in ons stad.

Daar is volop parkering en betroubare sekuriteit.

Die Timbati is natuurlik ook die plek om aan te klop as jy dalk self 'n entrepreneur is wie se hande vir niks verkeerd staan nie. Mense wat belangstel om self 'n stalletjie by die mark te beman, word genooi om met Valerie King by 079 215 6815 in verbinding te tree.

Bybelsondag en die 90-jaar viering van die Bybel in Afrikaans

RUSTENBURG HERALD - RUSTENBURG - Die afgelope Sondag 27 Augustus is die Afrikaanse Bybel se 90ste verjaarsdag gevier.

In 1884 het ds SJ du Toit formeel met die vertaling begin. In 1912 het ds WJ Conradie se Kinderbybel die lig gesien. 'n Proefuitgawe van die Evangelies en die Psalms het in 1920 verskyn. In 1923 het 'n groep van die eindvertalers die taak grootliks heeltyds aangepak - drr JD du Toit (Totius), JD Kestell en HCM Fourie. Hulle proefuitgawe is in 1929 met geesdrif ontvang. En toe, in 1933, het die Bybel volledig in Afrikaans verskyn.

"Op 29 Mei 1933 seil die Carnavon Castle die Tafelbaai binne met die eerste besending van 10 000 eksemplare van die Afrikaanse Bybel aan boord. Hierdie eerste volledige Afrikaanse Bybel is op Sondag 27 Augustus 1933 landswyd feestelik in gebruik geneem." - Bybelgenootskap van Suid-Afrika. Genade in Oorvloed, 1994. Sedertdien het daar nog drie vertalings van die Bybel in Afrikaans die 1983, die Bybel vir dowes/Bybel vir Almal en die 2020-vertaling - die lig gesien. Hierdie Bybels is ook in verskillende formate soos druk, braille, oudio en digitaal beskikaar.

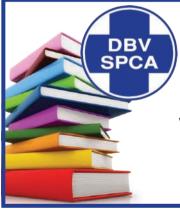

Die verskyning van die Bybel in Afrikaans het grootliks tot die ontwikkeling van Afrikaans as taal bygedra, maar nog meer belangrik, tot die geloofsvorming van baie Afrikaanssprekendes.

Geelhout Gardens takes responsibility for Kremetart Dorpspruit area - proposal submitted to RLM

RUSTENBURG HERALD - RUSTENBURG - Residents of Rustenburg neighbourhoods responsibility for the upkeep of certain on the issue the Rustenburg Municipality has may very soon again have access to public parks and safe open areas where families could relax at leisure and enjoy walks with their children and pets without the threat of being surprised or confronted by people living in shelters, being harassed by illegal hawkers or other natural dangers such as snakes or wild animals.

It is old hat that due to financial constraints, South African municipalities have struggled to maintain parks and public areas to its former glory. But there might be hope.

According to reports the Rustenburg Municipality's Directorate Parks is currently considering proposals by members of the community who have in fact taken former parks and open areas for quite some time. Although such public responsibility by residents of different neighbourhoods throughout the city has been welcomed all along, the arrangement was little more than a verbal agreement (if indeed) with no "official" agreement or documentation to verify such claims or rights. In the latest developments

invited prospective "patrons" of such areas to submit written proposals on the upkeep and future maintenance of such areas for consideration by the municipality.

Charlie Graham, well-known former owner of Geelhout Gardens Nursery on the corner of Kremetart Avenue and Jasmyn Street has recently submitted a proposal to the municipality to take full responsibility for the upkeep and maintenance of the area bordering Geelhout Nursery.

"We have in fact done so for ages but have literally walked the extra mile by not only cutting and clearing grass, trees and overgrowth in the area, but even the wellknown Dorpspruit causeway and lower down (north) where Spanish reed has invaded the natural flow of the river where it annually poses the threat of flooding.

"In terms of our proposal, we are hoping to invite fellow residents and in particular businessmen to take our hands to be jointly responsible for the maintenance of equipment and the costs of fuel and such expenses to keep the area as pristine and safe as humanly possible. We can only trusts that residents of Rustenburg will realise that accessible areas such as these are nothing but a true asset to any neighbourhood", he concluded.

RUSTENBURG HERALD - RUSTENBURG - Over the past two weeks Al-Imdaad Foundation's North-West team has been partnering with the Transnet Phelophepa "Train of Hope" to serve communities in the Rustenburg area.

Al-Imdaad Foundation has had a longterm relationship with the Phelophepa train service and regularly provides assistance when it is stationed for Health provision programmes in various areas across the country. Nursing Assistant Sister Morongwa Monageng making a difference at farming areas

RUSTENBURG HERALD - RUSTENBURG - "As we bid August Women's month goodbye this week, Rustenburg Sub-District celebrates one of its Health Care-Workers in Nursing Assistant, Sister Morongwa Monageng.

With her Tlhabane Mobile-1 team, Sister Morongwa has for the past five years, been making a difference to the people situated at farming areas. Her mentor is Prof Nurse Sister Sinah Modise".

"We reach places such as Port of Call near Kroondal, Dinnie Estate, Orange Grove, Rhenosterfontein, and the furthest Rhenosterhoek. It's touching seeing how patients at

farming areas appreciates our health services. They always look forward to see us helping them," she said.

The challenges the Tlhabane Mobile-1 team encounter is when their mobile car go for a service or is broken down, it can take up to three weeks and they often do not have plan B, while the patients are relying on them.

No arrests yet after businessman's bold murder

RUSTENBURG HERALD – RUSTENBURG - Local businessman Jabulani Ben Gumbi, who was brutally murdered in front of his wife, patrons and staff outside a coffee shop last week, knew his life was in danger long before the callous attack.

Gumbi was shot several times when he was attacked by two assailants in front of the coffee shop at about 8:00 on Wednesday morning (23 August). Weeks before the attack Gumbi posted a video on a social media platform, addressing his 'enemies', warning against alleged death threats on his life and family, "Those who declare war against me and the development, brace yourself, it is not going to be easy. Just make sure you do not lose, it will not be easy. If you declared war and threatened me and my family, please be sure of what you are doing. You may be the worst loser, whether I am here or not. It is not a threat but a promise. Be sure you know what you are doing. Be careful," he is heard saying in the widely shared video.

It is alleged that the death threats emanated from a land development dispute. Gumbi was part of a community trust that owned land in Rustenburg. The land was set for a smart city development. According to North West police spokesperson, Brig Sabata Mokwabone, no arrests have been made. The investigation continues.

Jeep, while a Mercedes Benz crashed into the security escort vehicle. Both caught fire.

The suspects then fired shots and instructed the occupants of the truck to get out. The truck was blown open with explosives by the group, but all trunks were found still intact. The gang had to be satisfied with loose coins.

They fled the scene in two Audi sedans.

"Highway patrol members who responded were shot at by the suspects, but did not sustain any injury. However, the police car was damaged," Brig Mokgwabone said.

No arrests have been made and the investigation continues.

As soon as the gang left the scene, bystanders descended on the security vehicle. Some eyewitnesses reported looting.

Afbakeningsraad se planne oor Rustenburg se verhoogde status as metro-munisipaliteit laat vaar

Waldie Volschenk

RUSTENBURG HERALD - RUSTENBURG - Rustenburgse belatingbetalers kan ongetwyfeld 'n sug van verligting slaak nadat die Munisipale Afbakeningsraad (MDB) van Noordwes aangekondig het dat hy besluit het om sy planne met betrekking tot die samesmelting van die munisipaliteite van Rustenburg, Madibeng (Brits en Mooinooi), en Kgetlengriver (Koster, Swartruggens en Derby) te laat vaar.

Belastingbetalers was sowat twee maande gelede behoorlik warm om die boordjie toe dit rugbaar geword het die afbakeningraad moontlikhede ondersoek om al bogenoemde munisipaliteite in 'n enkele sogenaamde metro-munisipaliteit te laat saamsmelt. In sekere geledere is dié plan as niks anders nie as "'n stukkie fyn-beplande ANC-strategie" bestempel omdat 'n vergrote metromunisipaliteit sou beteken dat Raadslede 'n aansienlike meevallertjie in terme van verhoogde salarisse sou kry.

So 'n samesmelting sou vir Rustenburgse belastingbetalers egter 'n ramp wees aangesien dit sou beteken dat die voortploeterende Rustenburgse Munisipaliteit dit voortaan selfs nog moeiliker sou vind om kop bo water te hou en om sy reeds gebrekkige dienslewering vol te hou aangesien die finansiële verantwoordelikheid van 'n handjievol hoofsaaklik bankrot munisipaliteite hom boonop ook sou toeval.

Vir Rustenburgers sou dit beteken dat hy die swaarverdiende geldjies wat elke maand vir munisipale "dienste" opgedok moet word, voortaan met 'n klompie struikelende munisipaliteite sou moes deel wat op hul beurt niks behalwe verdere verval soos gebrekkige water-, elektrisiteits- en riooldienste benewens paaie en strate met hordes slaggate tot Rustenburg se welstand sou kon bydra nie.

Rustenburg Herald het sowat twee maande gelede herhaaldelik berig oor hoofsaaklik die Vryheidsfront Plus in Rustenburg se pogings om die Afbakeningsraad se voorneme nek om te draai deur die gemeenskap op te roep om hul besware oor die Raad se voorneme te lug.

'n Omvattende gemeenskapsveldtog is geloods en in 'n kwessie van 'n paar dae is nie minder nie as 5 000 formele besware benewens die VF Plus se eie voorlegging by die Munisipale Afbakeningsraad se kantore in Pretoria ingedien.

"Hierdie oorwinning beklemtoon weer die belangrikheid van inwoners se betrokkenheid om seker te maak dat politici dit moeiliker vind om planne deurgevoer te kry wat uiteindelik uitsluitlik tot voordeel van hul eie sakke is". Die jongste poging van die Afbakeningsraad (met of sonder steun van die ANC) was nie die eerste keer dat daar gepoog is om Rustenburg met verskeie kleiner munisipaliteite in 'n metro-munisipaliteit te laat saamsmelt nie. "Inwoners het Noordwes verdien beter as die ANC", het die Vryheidsfront Plus gesê.

Goue Oues steel harte

RUSTENBURG HERALD - RUSTENBURG - Die afgelope naweek is die jaarlikse motorskou deur die Goue Oues Veteraanmotorklub by Brauhaus aangebied.

Jonk en oud was daar om te kom kyk na die klassieke veteraanmotors, die 'Rat Rods', 'Street Rods' en die 'Muscle Cars' - daar was iets vir elke smaak. 'n Groot gedeelte van die dag se opbrengs het oudergewoonte gegaan aan kosprojekte en voedingskemas van laerskole in Rustenburg.

Rustenburg Straatfees herleef vir Wêreldbeker-finaal

RUSTENBURG HERALD - RUSTENBURG - Onthou jy die dae van die Rustenburgse Straatfees - ook in 'n stadium die "Mardi Gras" genoem?

Ja mnr/mev, kan jy onthou in watter jare dié fees Rustenburg behoorlik op horings gehad het en hoe oud die kinders toe was?

Ons wil nou nie die ouderdomme verklap of die geskiedenis goedkoop maak nie, maar as ons reg onthou was dit min of meer rondom die koms van die veelgeroemde "nuwe millennium"? Wel goeie nuus vir Rustenburgers is dat die Rustenburgse Straatfees oor presies twee maande gaan herleef en dalk nog beter nuus - juis oor die naweek van die finaal van die Wêreldbeker-rugbytoernooi in Frankryk - met ander woorde - Vrydag 27 en Saterdag, 28 Oktober en nadat feesgangers Vrydag en Saterdag tydens die fees al te lekker baljaar het, is daar nog meer as genoeg tyd om by die huis die skoene uit te skop en voor die TV agteroor te gaan sit vir die finaal van die Wêreldbeker in Calais, Frankryk. Hoewel die fees weer in die omgewing van Fatima Bhayat-rylaan (voormalige Pleinstraat) beplan word, vind dit vanjaar hoofsaaklik plaas in die area tussen die Laerskool Rustenburg en Rustenburg Impala Rugbyklub met sekere gedeeltes van die ou Rustenburgse Stadsaal, die parkeerarea (Beyers Naudé) van die Munisipale kantore, die terrein van die NG Moedergemeente (Beyers Naudé), die Landbank en enkele ander gedeeltes tussenin. Die terrein van Rustenburg Impala Rugbyklub sal as hoof-feesterrein dien met 'n reuse verhoog waar 'n lang lys gaskunstenaars en vermaaklikheidsgroepe gaan optree. Volgens die hoof-organiseerder, JJ Koen, word daar beoog om soveel as moontlik Rustenburgse hoër- en laerskole, 'n klompie kleuterskole en 'n rits ander plaaslike instansies by die fees te betrek. Dosyne stalletjies met letterlik alles waaraan jy kan dink, sal beskikbaar wees. Rustenburgers wat nou sommer baie opgewonde is, is welkom om met JJ Koen by 084 506 2327 of by jj@mcivils.co.za in verbinding te tree. Hou gerus oor die volgende klompie weke die Rustenburg Herald dop vir deurlopende nuus en reëlings in verband met vanjaar se fees - kom dit is feestyd en rugbytyd - laat Rustenburg baljaar!

Waaraan laat hierdie foto jou dink - feestyd natuurlik! Met die Wêreldbekerrugbytoernooi in Calais Frankryk op hande, is dit omtrent tyd dat Rustenburgers en alle Suid-Afrikaners die hare 'n bietjie laat hang. Lees hiernaas alles oor die herlewing van die Rustenburgse Straatfees wat vir Vrydag, 27 en Saterdag, 28 Oktober in Rustenburg beplan word. This was the theme of an Imbizo by the Grow Great Campaign in Rustenburg on Thursday, 24 August following the Bojanala Platinum District's Stunting survey of recent months. The Imbizo furthermore formed part of increased efforts by government and its health agencies to curb stunting among new-born and young children during the first few years of their lives.

The Growth Great Community Stunting surveys aim to empower local communties, civil society and government leaders towards datedriven action that will reduce stunting by 2030. As a result some 484 children under the age of five years were surveyed between February and May of 2022. In North West this included the areas of Rustenburg, Moses Kotane, Madibeng, Moretele and Kgetlengrivier. The focus area was 51% of children from urban areas, and 49% of children from rural areas.

The Stunting prevalence in Bojanala according to the survey found that two from every 10 children under the age of five years suffer from stunting (19%). Correctional Services warn about fake purchase orders

RUSTENBURG HERALD - RUSTENBURG - The Department of Correctional Services (DCS) has issued a warning to all suppliers within the departmental

Database) of fraudulent purchasing orders.

One of the ways in which the scammers operate is by means of requesting an upfront payment or seeking quotations for various goods from potential service providers. At times, they send a fictitious Request for Quotation (RFQ) from what would seem to be a Correctional Services email address, use a fake RFQ form with a logo and contact details of the contact person. These

requests are usually 'urgent' and the whole process is concluded within a short period of time. "The Department distances itself from this practice and advises all suppliers not to render services telephonically, without having the original purchasing order. No upfront payments are to be requested. Rather confirm the legitimacy of purchasing orders with the department's supply chain unit, prior to processing and purchasing goods," the department said in a statement.

This week our question is: From next month, you won't be able to find Nesquick Milk flavours in shops anymore. This follows Nestlé's decision to stop production on this product. Many South Africans have grown up with this as part of their childhood. How do you feel about this?

What if.

The latest novel by Douglas Kruger, 'Character Scan', is definitely going to get its hooks into you. Katrina Hunt has a disturbing secret.

Since her earliest days fighting for survival in the poverty of a trailer park, she's been able to sense moral corruption. And her gift is never wrong. This strange ability affects every relationship, for people have no way to hide from her. Katrina harnesses her gift and sets it to work, sniffing out evil in positions of privilege and power.

Yet she soon finds she is not the only one who can

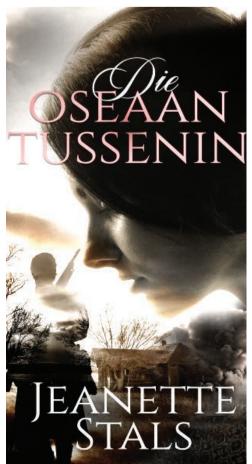

On the far side of the world, a scientist cracks an algorithm that will forever change law-enforcement. His new scan can detect a person's genetic propensity for wrongdoing, even before they act. But what if the most corrupt man in the world, a political figure assuming ever higher office, is able to beat the scan? What if he alone can hide his true darkness? What if he is ... not quite human?

Katrina's path will lead inexorably to confrontation with an immense power. But can she stop him, before it is too late for humanity?

'Character Scan' is published by Penguin Random

Jeanette Stals se stories is altyd aangrypend - en 'Die Oseaan Tussenin' is baie beslis nie 'n uitsondering nie.

Die ontroerende verhaal speel af tydens die Anglo-Boere-oorlog.

Van ons onthou die stories wat ons oumas en oumagrootjies vertel het oor die haglike toestande in konsentrasiekampe - en die gruwels wat daar gepleeg is

Dis hierdie omvang van vryheid en menselewens en verliese aan eiendom, wat Jeanette met skreiende eerlikheid verf. Tussen die blaaie leer ken die leser vir Pieter Nel. Pieter voer 'n verbete, desperate stryd teen die Britse magte as die leier van 'n bittereinderkommando, terwyl sy vrou, Katrina, en hul kinders alles in hul vermoë doen om in 'n konsentrasiekamp te probeer

Alhoewel Jeanette se beelde fel en diepsnydend is, raak sy nie onnodig sentimenteel nie en sléép die storie nie, dit sleur jou kragtig mee.

'Die Oseaan Tussenin' word deur Penguin Random House uitgegee.

Inwoners van Soetdoringlaan, Proteapark is hier aan die stertkant van die winter aangenaam verras deur die besondere kleureprag van hierdie bougainvillea wat veral Vrydag (25 Augustus) in volle blom was. Rustenburg is bekend vir sy bougainvilleas wat elke jaar dié tyd behoorlik vir 'n ontploffing van kleur sorg. Inwoners van die omgewing wat nie noodwending met Soetdoringlaan huiswaarts ry nie, sal nie spyt wees om 'n ekstra draaitjie te ry om hierdie natuurwonder van naby te ervaar nie. Doen gerus die moeite - hier aan die einde van die winter van 2023 is die wêreld sekerlik al in afwagting op 'n bietjie kleur?

Regering self te blameer vir roekelose misdaadvlakke

Teen Maandag vandeesweek het baie mense in Rustenburg nog die koppe geskud nadat die stad sekerlik een van sy bloedigste tydperke in 'n kwessie van drie, vier dae beleef het. Die vraag waarmee mense mekaar deesdae groet en na mekaar se welstand verneem is sedert onlangs nie eintlik meer die weerpatrone of rugbysake nie, maar wat van ons dorpie geword het en hoe lank dit nog gaan aanhou of kan dit selfs nog vererger voordat daar hopelik eendag 'n ommekeer kan kom?

Verlede Woensdagoggend enkele minute na 08:00 is Rustenburg se geskiedenis onherroeplik verander toe 'n inspirerende sakeman helder oordag deur twee gewapende aanvallers by 'n bekende restaurant in die Rustenburgse bodorp doodgeskiet is bloot omdat sy aanvallers of die mense vir wie hulle gewerk het, nie met sy wyse van sake doen saamgestem het nie. Dit wys jou wat die lewe van 'n mens in 'n al hoe gevaarliker Suid-Afrika deesdae werd is. Nie eers die feit dat die slagoffer 'n eggenoot en pa van jong kinders was, het sy aanvallers en mense agter die skerms hoegenaamd afgeskrik om met hul bose dade voort te gaan nie. Maar hierdie is nie waar dit opgehou het nie.

Teen skemertyd Woensdagmiddag was gewapende rowers weer eens op hul pos toe 'n drankwinkel by die Rustenburg Square aangeval is en beroof is. Dit wil voorkom of gewapende rowers nie skroom om besige inkoopsentrums of winkels te teiken nie en sien dit trouens seker as 'n beter kans om ongesiens tussen massas mense hul duiwelswerk uit te voer en op die vlug te slaan. Hier het die rowers met 'n onbekende bedrag in kontant en met 'n baie duur bottel brandewyn weggekom. Saterdagoggend omstreeks 08:00 was dit weer sulke tyd toe 'n bende van 18 swaar gewapende aanvallers 'n transitovoertuig in Boschstraat aangeval en opgeblaas het nadat dié voertuig sowel as die begeleidingsvoertuig tot stilstand gedwing is.

Twee verskillende voertuie is gebruik om eers teen die transitovoertuig en daarna die begeleidingsvoertuig te bots waarna plofstof gebruik is in 'n poging om die voertuig op te blaas en toegang tot die kontant te verkry. Talle skote is afgevuur en besoekers en entrepreneurs by 'n mark by die skougronde moes vervaard platval en koes vir koeëls wat geklink het of dit vanuit alle rigtings gekom het.

Maandagmiddag kort na 17:00 het nog 'n transitoroof by Tsitsing plaasgevind en hier het die aanvallers met 'n groot bedrag in kontant weggekom.

Vir hierdie en honderde ander voorvalle/ moorde/misdade en skandes wat elke dag in die land plaasvind, is uitsluitlik die ANC-regering te blameer omdat hy oor die afgelope minstens 15 jaar toegelaat het dat dissipline in alle vlakke van die gemeenskap ondermyn is, dat respek vir die gereg uitgedaag en vernietig is, dat misdadige elemente ongestoord die land ingestroom het en omdat hy self die voorbeeld aan 'n roekelose Suid-Afrikaanse gemeenskap gestel het dat geen vorm van misdaad, hoe ernstig ook al, noodwendig 'n strafbare oortreding hoef te

Government itself to blame for reckless crime wave

On Monday this week Rustenburg residents were still shaking their heads in disbelief after Rustenburg has seen one of its bloodiest weeks ever in only a matter of three, four days. Lately, the first question when people meet again after a period of absence no longer seems to be about the weather or rugby but what has happened to our quiet little town and how long this is going to be allowed to continue before a turnaround would be possible although this is highly unlikely - the face of South Africa and crime seem to

have changed forever! Last Wednesday shortly after 08:00 an inspiring Rustenburg businessman was shot and killed in broad daylight by armed men because these men or the people they work for do not agree with his way of doing business.

This shocking incident has shown everyone in Rustenburg what a man's life is worth in a crime ridden country which is increasingly imitating some of our worst neighbouring countries only a few short miles to the north. Not even the fact that the victim was married and a father could discourage his attackers to draw blood and flee

from the scene. But this was far from the end of it. At around dusk of the very same Wednesday a gang of armed robbers targeted a liquor store at the Rustenburg Square Shopping center and fled with a large amount in cash and not surprisingly, a bottle of very expensive brandy. It is clear that armed robbers have turned to busy

shopping centers or shops for their devil's work from where they can easily disappear among hundreds of people. On Saturday morning some 18 cash in transit robbers attacked a CIT vehicle with explosives after two vehicles were used to crash into the vehicle and its escort. Dozens of shots were fired and entrepreneurs at a public market at the showground were forced to duck for cover while shots were seemingly fired from everywhere. These attackers were however somehwat unsuccessful and could only manage to escape with an undisclosed amount in coin.

By Monday afternoon yet another CIT saw people running for their lives at Tsitsing and here heavily armed robbers managed to get away with a large amount in cash

For this and hundreds of similar incidents/murders/crimes and scandals taking place around the country every single day, the ANC government exclusively is to blame because over a period of at least 15 years it has allowed discipline at all levels and sectors across the South African community to be undermined, because it has allowed hundreds of thousands of undocumented people and criminals from neighbouring countries to pour into the country at will, because it has allowed the shameless erosion of the

judiciary and respect for the law and because government itself has clearly demonstrated to a reckless South African society that no crime, no matter how serious it may be, necessarily has to be punishable by law.

Die seëvierende manne ... Baie geluk aan Hoërskool Rustenburg se eersterugbyspan wat op 26 Augustus in die Noordvaalfinaal teen Hoërskool Kemptonpark koning gekraai het en as wenners uit die stryd getree het. Opwinding in Marico

gewees.

In 'n redelik klein dorpie met 'n redelik klein gemeenskap, soos Groot-Marico is bietiie opwinding altyd welkom en wanneer twee goeie-nuusdinge op een dag gebeur, is dit vet

Wat ons eerste opval met die inry met die hoofstraat van die plaas af, is die Munisipaliteit se manne wat waarskuwingstrepe op die spoedhobbel verf, en toe die stoptekens wat hul reeds op die hoeke van die 3-rigting-stopstraat geverf het! Einste hoek waar in Junie vir die eerste keer in jare 'n stoptekenbord opgesit was, in die middel van die kruising, en vanselfsprekend nie lank daarna deur 'n minder-as-nugterverkeersbeampte geminag is ten koste van die stopteken en sy kar ... Maar hoe dit ook al sy, die groot pret was by die Herman Charles Bosman-gedenkterrein met die besoek van ongeveer 14 "Beetles/ Vollas/Bosparras". Noem hulle wat jy wil, maar vir baie van ons was hierdie in die 50-60's ons eerste motortjie. Jakaranda Beetle Club se goedversorgde karretjies het baie mooi herinneringe gebring. En met Shimmy wat vir die kole sorg, Anna se roosterkoeke, Egbert se moerkoffie en Coenie se smulbrode uit die buite-oond met plaasbotter en Santa se marmelade. Wat kan 'n Maricojaner òf besoeker meer vra?

Shimmy het vir die kole gesorg en Anna vir die roosterkoeke.

IMPORTANT

"Sjoe, maar julle is darem baie optimisties" skerts ons met ons tafel vir jou sit en loer", verduidelik Anneli aankoms by Anneli Kroukamp en haar dogter Marina Moore "Maar dit kan ewenwel as 'n bykos by 'n verlede Vrydag toe ons vir ons kook-afspraak by die voordeur braai bedien word soos ons vandag deur ma en dogter in Springboktruie verwelkom word. Nee, ons is nie negatief nie, maar die magtige All Blacks is 'n ander klomp en die meeste mense sal jou vinnig vertel dat die Bokke nogal ietsie spesiaals (dalk iets soos Popeye se spinasiewoema?) nodig sal hê om die manne in swart kaf te draf. En was dit nou nie amper profeties nie want Anneli en Marina was juis besig om 'n spinasiepapgereg neffens 'n braaivuurtjie aan te slaan. "Hierdie is ons eie skepping, baie voedsaam, baie lekker, baie maklik en baie ekonomies as jy jouself aan die stertkant van die maand bevind en daar 'n klompie mense met leë magies vol verwagting aan

hier doen". Dit is asof daar intieme telepatie en 'n tikkie ekstra in-spirasie by die Bokke posgevat het met dié kosmakery want nie in ons wildste drome sou ons kon dink dat die Bokke 'n paar uur later rugbygeskiedenis sou maak deur die All Blacks die grootste loesing in hul 120 jaar-geskiedenis te gee nie. So, as die nood druk, as die spanning hoog loop, as die uitdaging groot is, hierdie is 'n gereg wat blykbaar heelwat meer "belofte" inhou as wat 'n mens hom som-mer so op die baadjie sou wou toe gee – hou dit gerus in gedagte as die kinders eksamen skryf, as die motor alweer probleme gee of as die maand maar net te lank geword het

(As jy jou spannetjie of kroos dalk hierdie of volgende naweek 'n moeilike hekkie moet oorsteek, skakel gerus vir Anneli - sy bak/kook graag op bestelling skakel haar by 076 615 0242.)

Spinasiepap in groen en goud – net soos die Bokke

Meng die kaas goed deur maar los nog 'n bietjie vir 'n mooi lagie bo-oor - dan is dit oond toe om te smelt

Nouja, ons sou dit nooit glo nie maar kyk net wat het Vrydagaand met die All Blacks gebeur - Anneli en Marina lyk hierbo of hulle nie oor die rugby bekommerd is nie.

ing Arts Workshop

RUSTENBURG HERALD - RUSTENBURG - Kgatelopele Foundation NPO and Bashiga Youth Structure introduced a Performing Arts Workshop for the Kanana community on Saturday 26 August.

The Kanana Performing Arts Workshop was held at the Kanana Multi-purpose Centre and Kgatelopele Foundation NPO partnered with Bashiga Clan to put together a remarkable experience for the community.

The objectives of the workshop included introducing Kgatelopele Foundation NPO and its initiative to the community. Stakeholders who have expertise in music, poetry, dance, drama, mental health awareness, and psychological areas were called upon to share some of the services they will be providing to the upcoming program. For further empowerment of the youth, the team called out for performances and opened the stage to have the community showcase their talents.

Amongst facilitators of the day Mr Ralph Sefike, a passionate guitarist addressed issues such as most young people being quick to intoxication rather than gathering skills to nurture their talents. He further shared his capabilities and empowered youth to remain innovative. Some of the stakeholders included Matlhogonolo Ntsimane of Friends of Toloane Nature Conservation, Tom Hamel who is a Choreographer, Fine Artist and Graphic Designer.

Both the Kgatelopele Foundation NPO and Bashiga Clan would not have made the Kanana Performing Arts Workshop a success had the Royal Bafokeng Administration not have granted access to the Kanana Multipurpose Centre. Funded by Unity Actions, the team shares their gratitude. They would like to thank Three Star Powertrade and Mogomotsi Mfofi for their generous donation.

RUSTENBURG HERALD - RUSTENBURG - Last Wednesday saw cooking students of several schools in the Rustenburg area battling it out in an exciting cooking competition hosted by the Professional Cooking Academy in Rustenburg.

A total of 272 students participated in preliminary rounds which got underway in February this year after which 30 students were selected to advance to the semi finals in May this year.

These were held at High School Rustenburg and Bergsig Academy. Some of the tasks involved were cake decorating and "floodwork" cookies. Following the semi finals one cooking student from each participating school was selected to compete in the final round which saw seven cooking students contesting the overall crown or rather "chef's hat" at the Academy last week. For the final round students had to prepare a pasta dish following a first class demonstration by culinary expert, Elliné Cockburn of Suikerbossie Farm just outside Rustenburg.

But winning the competition was not the end of the road. Both Michaela and Angel now have the honour of representing Rustenburg at the North West Consumer Studies competition which will be held in September this year. The Professional Cooking Academy is confident that Michaela and Angel will do well at this competition and wish to thank all students and teachers who have been closely involved in this year's competition from early this year.

The winners of the cooking competition hosted by the Professional Cooking Academy last Wednesday after several rounds of pre-judging and the semi finals. From left are Angel Mofolo of Grenville High School who finished in 2nd place overall, Michaela Johnson of Rustenburg High School - the overall winner and on the right is Madison Murphy of Bergsig Academy who finished in 3rd place. Congratulations to these students.

RUSTENBURG HERALD - RUSTENBURG - Die Hoërskool Rustenburg se eersterugbyspan het die afgelope naweek in die finaal om die Noordvaalbeker teen Hoërskool Kemptonpark koning gekraai en het as wenners uit die stryd getree.

Wat die oorwinning uitsonderlik maak, is omdat dit die eerste keer in 80 jaar (1943) is wat die Rusties die alleenhouer van die Noordvaaltrofee is - wat destyds as die Administrateursbeker bekend gestaan het. Die Rusties het in 1963 laas dié beker met Heidelberg Volkskool gedeel na hul gelykop gespeel het in die eindstryd. Saterdag het Rusties geskiedenis gemaak deur nie net die Noordvaalplaatafdeling te wen nie, maar is ook die skool wat amptelik opskuif na die Noordvaalbekerafdeling vir 2024. Volgende jaar pak hulle dus skole soos EG Jansen, Garsfontein, Helpmekaar, Waterkloof, Nelspruit, Noordheuwel en Monument aan.
