## Women laying down the law

A 44-year-old man were killed in an accident on the N4 between the Waterfall Mall and the Kroondal off ramp on Friday (4 August). The Chevrolet Sonic in which the man was travelling allegedly collided with a Mercedes Benz.

According to Sgt Ofentse Mokgadi, it seems that the Chevrolet was driving towards the Marikana plaza whilst the Mercedes was traveling in the opposite direction. The occupants of the Mercedes, a 32-yearold man and four children, were taken to hospital with serious injuries. The police are investigating a case of culpable homicide. (Photo: Social Media)

RUSTENBURG HERALD - RUSTENBURG - Women in uniform kicked off Women's Month with Operation Basadi on Friday (4 August).

The Rustenburg Mayor, Shiela Mabale-Huma was in attendance and encouraged the female law enforcers and other stakeholders to serve the community with pride. The Rustenburg launch involved different activities such as road blocks in various locations, a motorcade, distribution of fliers, and awareness campaigns across the city. The National Women's Month programme is based on the ongoing interventions across the work of government, civil society and the private sector within the context of the national priorities outlined by government.

"Women's Month allows us to gauge how far we have come in transforming society, particularly the transformation of unequal power relations between women and men. While also focusing on and addressing gender oppression, patriarchy, sexism, racism, ageism, structural oppression, and creating a conducive environment which enables women to take control of their lives," Mayor Mabale-Huma said at the event.

months after a woman was found in a pool of blood in a room at the outside of a house, a relative was arrested for the murder.

detectives arrested Lephuting (36) in connection with the death of Paulina Pulane Lephuting (40), her sister-in-law.

Nomsa Lephuting appeared before the Bafokeng Magistrates' Court in Tlhabane on a charge of murder on Friday (4 August) after she was arrested the previous Wednesday.

It is alleged that on 22 November 2022, police were called regarding a shooting incident at the accused's residence where they found the body of Paulina in one of the outside rooms of the dwelling. The deceased was found lying on the floor in a pool of blood with several gunshot wounds. She was declared dead at the scene. Furthermore, it was discovered that the burglar door was forced open and the wooden door slightly opened. Following the incident, a murder case was registered at Tlhabane police station and later transferred to the Provincial Murder and Robbery Unit for further investigation. Intensive investigation led to the tracing and eventual arrest of the suspect.

Nomsa, who is married to the deceased's brother, was remanded in custody until her next appearance at the same court. Shew was expected to apply for bail on Tuesday (8 August). Investigation into the matter continues

## Empowering girls: Miss Glam South Africa semifinalist leads a Pad's Drive

She is leading an inspiring pad's drive, empowering young girls to break barriers and access their full potential.

Period poverty, a phenomenon affecting millions of women worldwide, is a harsh reality for many girls in South Africa. Without access to proper menstrual hygiene products, these girls often face numerous challenges, ranging from missed school days to potential health risks. Karabo's pad's drive aims to create awareness. eliminate stigmas surrounding menstruation, and provide much-needed menstrual supplies

Karabo's passion for social change has earned her respect and admiration from several communities and schools in Rustenburg. Her decision to use her platform for this cause has demonstrated that beauty queens can be powerful agents of positive change, debunking the notion that their role is limited to merely waving and smiling.

In an interview, Karabo revealed her personal motivation behind the pad's drive. "As a young woman, I am well aware of the struggles girls face when they can't access menstrual products. I believe it's our collective responsibility to uplift and empower those who are less fortunate she said. Her empathy and desire to address the pressing issue at hand have garnered

widespread support from not only family and friends but also from a corporate sponsor, a well-know department store in Thabane.

As a result of the ongoing initiative, numerous pads have been donated, making a significant impact on the lives of underprivileged girls. The pad's drive is not just about donating physical items; it signifies a shift in societal attitudes and a recognition of the importance of menstrual health as a fundamental right.

The pad's drive is an embodiment of how a beauty queen can leverage her title to create tangible, lasting change. Karabo's dedication to breaking down barriers and transforming the lives of young girls exemplifies the essence of true beauty - one that goes beyond physical appearance and radiates from within, touching the hearts and lives of those in need.

Karabo has set perfect example for aspiring beauty queens: Demonstrating that true beauty lies in using one's influence to uplift and empower others. Her pad's drive is not only striving to alleviate the hardships faced by countless young girls but is also sparking a movement toward menstrual equality and social progress.

As her journey continues, we can only expect her positive impact to grow, leaving an indelible mark on South Africa's social fabric

## Promoting breastfeeding education

RUSTENBURG HERALD - RUSTENBURG - International breastfeeding awareness week is commemorated annually from 1-7 August, aiming at educating mothers about the importance of breastfeeding.

To join in commemorating the week, Job Shimankana Tabane Hospital departments working with mothers and children (Dietetics, Speech therapy, Nursing and Medical) embarked on a series of breastfeeding campaigns.

This year's theme is centred around Enabling Breastfeeding: Making a Difference for Working Parents."

The Speech Therapy department ran a simulation exercise that was aimed at educating men about a working mother's day. The primary objective was to increase awareness about the challenges faced by working mothers in maintaining breastfeeding after returning to work following maternity leave.

"It is important for mothers to breastfeed their babies. Breastmilk plays a vital role in the growth, development and overall health of babies. The breastmilk carries rich nutrients that provide the infants with essential antibodies for preventing diseases and infections.." remarked Chief dietician, Vukosi Msimeki.

Msimeki further indicated that donated breastmilk helps infants in need and saves their life, thus encouraging mothers to donate breast milk. Immediate beneficiaries of donated breastmilk are babies in the hospital who cannot be breastfed instantly by their

mothers under certain circumstances.

The hospital urges mothers to donate breastmilk. Donated milk is kept in the breast milk bank.

Breastmilk banking is the collection, testing, pasteurizing and storing of donated breastmilk which will be used when required. This breastmilk is collected from mothers who meet a certain criterion for maximum safety of the beneficiaries. All mothers who are breastfeeding are encouraged to contact the breastmilk bank not only for donations, but to also benefit from the information and support they will receive to better breastfeed their own children.

Breastfeeding and breastmilk donation campaign remains the hospital priority beyond the current breastfeeding campaign.

Departments at the helm of breastfeeding education have appointed two breastmilk champions tasked with the responsibilities of facilitating breastmilk education and donation to the hospital.

# Meer as R100 miljoen se skade toe brand bekende broef-aanlegfin Koster verwoes

'n Broeifasiliteit van die Kuipersgroep se Eagles Pride broei-aanleg by Koster wat vroeg verlede Saterdagoggend deur 'n brand in puin gelê is.

RUSTENBURG HERALD - KOSTER - Reuse-skade van meer as R100 miljoen is verlede Saterdag, 29 Julie, kort na 06:30 by 'n braaikuikenaanleg van die bekende Kuipers Group se "Eagles Pride Hatchery" net buite Koster aangerig toe 'n brand by een van die aanleg se broeifasiliteite uitgebreek het.

Noodmaatreëls is vinnig ingestel en die aanleg se personeel is binne die bestek van 'n paar minute ontruim - 'n stap wat hoofsaaklik daartoe bygedra het dat nie 'n enkele werknemer van die aanleg beseer is nie. Hoewel die bestuur van die aanleg feitlik onmiddellik die Kgetlengrivier Munisipaliteit se brandweerdienste gekontak het, moes hulle hoor dat Kgetlengrivier nie kon help nie aangesien dié munisipaliteit se brandweervoertuie almal vir dienste weggestuur is - 'n stap wat die Kuipers Group onverstaanbaar vind - "veral tydens die huidige wintermaande wanneer veldbrande aan die orde van die dag is", het die groep gesê.

Kgetlengrivier het daarna die Rustenburgse brandweer gekontak en gevra om dringend hulp te verleen. Brandspanne en -voertuie van Rustenburg kon egter eers omstreeks 08:30 by die toneel opdaag wat veels te laat was om die betrokke broeifasliteit waar die brand

uitgebreek het, te red. Die Kuipers Group het die Rustenburgse brandweer as baie professioneel beskryf, hoewel hulp ongelukkig te laat was om omvattende skade te voorkom. Die broeifasiliteit waar die brand ontstaan het, was minstens 15 jaar oud, het die groep in 'n verklaring gesê. Minstens 600 000 dagoud-kuikens is elke week in dié fasiliteit geproduseer. Nogtans sal die ramp geen tekorte van dagoudkuikens onder die groep se kliëntenetwerk tot gevolg hê nie, het 'n woordvoerder van die Kuipers Group gesê. Onder die vaandel van die welbekende Kuipers Group spog die Eagles Pride broei-

aanleg met 'n "voetspoor" wat strek van Noordwes, Gauteng, die Vrystaat, Mpumalanga tot in die Limpopo. Die aanleg is die grootste werksverskaffer in die Koster-omgewing met sowat 278 werknemers. (Sien video hier: https://bit.

## PETS AND WILDLIFE: ot ideal

by Christa Mynhardt, We Care Wildlife Rehabilitation Centre

RUSTENBURG HERALD - RUSTENBURG HERALD - Household pets like dogs and cats are great friends and companions to humans.

Yearly, Wildlife Rehabilitation Centres all over the world receive patients that were caught, or injured by cats and dogs.

These include birds of all sorts, squirrels, bush babies and bats to name a few. Sadly, a lot of these birds and animals die in spite of treatment with antibiotics.

It is possible to teach a dog, and even some cats, not to catch birds or other wildlife.

This is possible, specially if the animal is trained right from being a kitten or puppy. Some caring people put bells on their cat's collars to help protect birds and small animals in their gardens.

#### Cat saliva is toxic to birds, mammals, and reptiles

All cats carry bacteria in their mouth (Saliva). The bacteria are called Pasteurella Multocida. When wildlife comes in to contact with these bacteria, it is usually fatal, unless medically

Any bird, mammal or reptile which has been caught by a cat, will require antibiotics irrelevant whether it has visible injuries or not. Therefore it is not good enough to just take a caught bird, mammal or reptile away from a cat and if there are no visible injuries, just let

A bird for example, will go and perch, start preening its feathers and by doing so, ingest the bacteria from the cat's saliva on its feathers.

Their interaction with wildlife can be a lot In other words, even the most "gentle" of cats could lead to a deadly outcome for the bird, (animal or reptile).

> Thus, all animals, birds and reptiles that were caught by cats need to get to a Wildlife Rehabilitation Centre as soon as possible to receive the necessary treatment (antibiotics) to kill the Pasteurella Multocida bacteria.

> Studies show that about 40 % of cat caught birds rescued, died from the effects of the actual bite, and about 60% died from the Pasteurella Multocida bacteria infection.

> We do understand that there is a lot of feral cats out there, but when it comes to pet cats we see it as a preventable problem. We can prevent them from catching birds and other wildlife just as we do with our dogs. Please keep your cat contained, build a catio if necessary and supervise your animals when they are outside as far as possible.

> If you have pets that are prone to catching birds, please do not attract birds to your garden by putting out bird feeders, baths or nesting boxes.

> Should you find a bird, mammal or reptile that was caught by a cat or dog, or injured in any other way, please get it to your nearest Wildlife Rehabilitation Centre or Veterinary Clinic as soon as possible. The sooner the better. Time is of the essence.

> For any questions please contact Christa at the We Care Wildlife Rehabilitation Centre on 071 370 4520

> In the call it was pointed out to consumers that visits could be scheduled for between 17:00 and 19:00 if preferred. Prepaid consumers were at the same time referred to an advertisement by the Rustenburg Local Municipality in Rustenburg Herald of 6 April 2023 with further information on the rollover procedure.

> "Remember - if your prepaid meter is not rolled over, you will not be able to load electricity as from 24 November 2024", Cllr Tanya Rothman of the DA in Ward 17 said.

On Tuesday this week Andrew Seome, spokesperson of the RLM confirmed that the procedure is still on course and that RLM is currently busy with the roll-out.

"The implementation progress is at 28% and about 45 000 meters must still be visited. A Rustenburg consumer told Rustenburg Herald that officials were at her home recently to facilitate the roll-over and that the procedure took less than 20 minutes!

The completion date for the roll-over process is projected at 30 June 2024. In terms of the procedure, - a Hybrid system will be implemented which will include self loading by customers, internal staff and appointed service providers, Seome said. "By the end of November 2024 all meters must be converted to the new STS edition. We urge RLM residents to grant access to the teams responsible for the program", he

## Vanjaar kouer as verlede jaar

## - wat sê die temperature?

RUSTENBURG HERALD - RUSTENBURG - Ons kan met vrymoedigheid sê dat loshande die meeste Suid-Afrikaners hier aan die begin van Augustus taamlik verlig moet wees dat die yskoue winter van 2023 blyk om iets van die verlede te wees. (Ja, soos baie mense sê - een van die dae kla ons weer oor die ondraaglike hitte?).

Baie Rustenburgers sal ook saamstem dat ons vanjaar lag-lag seker die koudste winter in baie jare gehad het. Boonop was vanjaar weer eens 'n bewys daarvan dat 'n mens jou nie moet blind staar teen minimum-of maksimumtemperature nie, maar dat die sogenaamde "aanvoelbare temperatuur" skynbaar 'n meer betroubare wyse is om te bepaal hoe koud of warm dit is.

Maar hoe dit ook al sy, ons het by mnr Charlie Graham, ons bekende "weerkundige" by Geelhout Gardens Kwekery gaan kers opsteek om te sien hoe vanjaar se Julietemperature met dié van verlede jaar vergelyk vir 'n "objektiewe" prentjie oor hoe koud vanjaar se winter werklik was.

Maar sommer dadelik moet ons noem dat hoewel mense oor die algemeen reken dat die winter van 2023 aansienlik kouer as dié van 2022 was, stem Charlie se weersyfers nie noodwendig altyd saam nie. Só is daar sommer 'n hele paar dae uit veral Julie (tradisioneel die koudste maand) waarop die minimumtemperature van verlede jaar laer as dié van vanjaar was. Die groot verskil tussen die winter van 2022 en 2023, blyk egter die taamlike groot verskil te wees tussen die minimumtemperature van die twee winters - veral op die dae toe dit werklik baie koud was. 'n Paar koue dae wat bogenoemde duidelik illustreer, is die volgende: (Julie 2022/Julie 2023).

- 5 Julie 4.3°C/3.9°C
- 6 Julie 6.3°C/3.4°C
- 11 Julie 7.7°C/0.1°C
  12 Julie 1.4°C/0.5°C
- 13 Julie 8.2°C/2.1°C
- 14 Julie 4.9°C/2.6°C
- 16 Julie 3.4°C/2.2°C
- 19 Julie 4.7°C/3.1°C
  20 Julie 8.6°C/4.2°C
- 24 Julie 8.5°C/6.2°C
- 28 Julie 7.3°C/6.1°C
- 31 Julie 7.0°C/1.2°C

Maar soos reeds genoem beteken 'n paar

koue temperature volgens die barometer nie noodwendig dat een winter kouer as 'n vorige of volgende winter is nie. Daar was amper net soveel dae uit die winter van 2022 waarop die minimum-temperature weer aansienlik laer as dié van vanjaar was. Ons illustreer aan die hand van die volgende: (Julie 2022/Julie 2023).

- 2 Julie 1.5°C/3.1°C
- 4 Julie 3.9°C/4.5°C
- 8 Julie 1.7°C/2.7°C
- 9 Julie 3.3°C/3.8°C
- 15 Julie 2.7°C/4.5°C
  21 Julie 6.9°C/8.8°C
- 25 Julie 1.7°C/5.2°C
- 26 Julie 4.9°C/5.2°C

Uit bogenoemde behoort dit vir mense duidelik te wees dat minimumtemperature nie die Alfa en Omega is wanneer 'n mens oorweeg hoe koud of warm 'n winter of 'n somer is nie.

Soos ook bo genoem, blyk aanvoelbare temperature vir 'n mens 'n beter aanduiding te wees van wat jy vandag uit die klerekas moet kies om aan te trek.

Rustenburg Herald bedank soos altyd mnr Charlie Graham vir sy presiese statistiek oor Rustenburg en omgewing se temperature en reënvalsyfers.

## Mandela Day Outreach

RUSTENBURG HERALD-RUSTENBURG - As part of the Spero Sensors & Instruments 2023 Outreach programme, a group of Sperosens volunteers left Pretoria early on Friday morning, vehicle loaded with groceries and clothing, headed for the Môrester Child and Youth Care Centre in Rustenburg.

"We reached the Centre at 10:30 and were greeted by our Sperosens colleagues from our Rustenburg branch as well as Helen Lotz and Marlinet Bekker, the social workers at the Môrester Child and Youth Care Centre. They were accompanied by 65 of the most well-mannered and well-behaved children one can imagine. Helen Lotz has dedicated her life to childcare and has been doing charity work for 21 years, even having her own NPO registered in 2014.

Excitement was in the air as we started offloading the boxes. All the kids helped with collecting and taking them into the Môrester office. Despite a cool nip in the air, everyone was too busy to notice the cold wind blowing. We set up the braaiers and a portable speaker was blasting all kinds of music which was a massive hit with the kids, who instantly started to bop to the beat". The volunteers then handed out cold drinks and started to braai boerie rolls for the kids, who enjoyed it so much, they came back for seconds!

Môrester Child and Youth Care Centre is supposed to be a temporary place of safety, meaning that the placement of a child should be for the duration of 6 months, at most. Unfortunately, some children have been there for over 16 years. Môrester houses and cares for 65 children, ranging from 1 to 17 years, with a complement of 16 staff members. Almost none of the children can leave the facility to visit family members, due to their household circumstances.

Môrester currently relies heavily on the public for contributions. However, these contributions are not sufficient in covering all the costs, as the centre has had no government funding since March of 2023.

All school going kids are enrolled in schools across Rustenburg. The biggest expense that Môrester has is the fuel required for the 2-hour round trip in the morning and afternoon. Critical needs include Infacare formula and nappies for the babies, as well as food and clothing for all the children.

The kids are healthy and happy, as they receive a monthly visit from the local clinic which administers their required medication.

A question was asked about what happens when children reach the age of 18 and need to leave Môrester. "There is currently really only one company willing to assist with the placement of the teenagers in jobs, with the hope that the child will be permanently employed at some stage" — Marlinet Bekker, Social Worker at Môrester Child and Youth Care Centre.

"It was an absolutely joyous and heart-warming experience, and we feel honoured to have been involved in bringing a small bit of delight to these children's lives. We urge the public to please support these special places that offer love and safety to the children who are in need of it. #### RUSTENBURG HERALD - RUSTENBURG - It's Women's Day this week.

And how do you get strong, self-relying women? You empower little girls!

One of the best ways is by giving them books to read containing characters they can identify with.

The Princess Pumpkin books are ticking all the boxes. 'Pumpkin finds her beat' is the second in the series of books by author Bianca Flanders. Bianca is a teacher, actress and voice artist. She wanted to create stories where girls are the main characters - and Lockdown gave her the opportunity . In this second book, Pumpkin Pie wakes up one morning with a very special song in her

heart. A moving, grooving beat that bubbles up inside her. The music was impatient, it wanted to come out. It wanted everyone to sing and dance and jump about! Soon Pumpkin takes to the streets to share her special song with everyone! This is a great book to read to your child, or one that a young reader could get into on their own. The great illustrations are by Zinelda McDonald.

The book is also available in Afrikaans as 'Pampoenpit kry 'n beat' and was translated by the award-winning Afrikaans author, Jaco Jacobs.

The books are published by LAPA Publishers.

Elsa Doubell.

### Elsa Doubell voorbeeld vir baie

RUSTENBURG HERALD - RUSTENBURG -Elsa Doubell is 'n merkwaardige vrou wat al 45 jaar lank in Rustenburg woon.

Sy is 'n aktiewe en bekwame lid van die gemeenskap en het 'n impak op verskeie aspekte van die samelewing. Haar bydrae aan die Rustenburggemeenskap is opvallend en dit is duidelik dat sy 'n passie het vir die verbetering van ander mense se lewens.

Een van haar uitstaande prestasies was haar betrokkenheid as president van die Rustenburg Rotary Club. Hierdie organisasie speel 'n belangrike rol in gemeenskapsbetrokkenheid en filantropie, en dit is 'n eer om 'n leidende rol daarin te vervul. Sy het haar kennis, ervaring en energie toegewy aan die bevordering van positiewe verandering in die gemeenskap.

Elsa is ook die dryfkrag agter die suksesvolle Lighthouse Kinderhuis in Rustenburg sedert Desember 2019. Die feit dat daar tans 55 kinders onder haar bekwame hande is, getuig van haar toewyding en omgee vir die kwesbaarste lede van die samelewing. Dit is 'n moedige en lonende taak om 'n kinderhuis te bestuur, en Elsa het bewys dat sy 'n bekwame leier en versorger is vir hierdie kinders.

Afgesien van haar werk by die kinderhuis. het Elsa ook haar eie besigheid vanaf die jong ouderdom van 21 jaar bedryf. Dit toon haar ondernemingsgees en vindingrykheid. Sy is 'n rolmodel vir ander vroue wat ondernemings wil begin en bou.

As deel van die beheerliggaam van Rustenburg Rusoord, dra Elsa ook by tot die bestuur van 'n instansie wat mense die geleentheid gee om 'n veilige en gelukkige bejaarde ouderdom te ervaar. Dit is belangrik om die nodige ondersteuning aan senior burgers te bied, en Elsa toon weer eens haar toewyding aan die welsyn van die gemeenskap.

Een van die kenmerkende eienskappe van Elsa is haar grootmoedigheid en omgee vir mense wat minderbevoorreg is. Sy gee daagliks voedsel aan mense, kinders en oumense op straat, wat 'n groot verskil in hul lewens maak. Haar medemenslikheid is opvallend en dien as 'n inspirasie vir ander om betrokke te raak by die gemeenskap en iets terug te gee.

Haar liefde vir kinders is duidelik, aangesien sy reeds vir agt jaar lank vakansie-ouer is vir drie kinders vanaf die President Kruger Kinderhuis in Pretoria. Hierdie betrokkenheid wys dat Elsa bereid is om persoonlike opofferinge te maak om ander te help en te versorg.

Sy is 'n ware rolmodel en 'n baken van hoop vir baie mense in die gemeenskap.

## REMARKABLE WOMEN

## Celebrating women

As we celebrate Women's Day 2023, I would like to give my best wishes to all the women of Rustenburg. I encourage women to stay conscious of their commitment to mobilise society, and I join in their plight to close all the gaps that inhibit the full integration of women in the global development mainstream, in every area of our lives. Shiela Mabale-Huma (Rustenburg Executive Mayor).

## Julia, a remarkable woman

RUSTENBURG HERALD - RUSTENBURG - Julia Mokgwetsi describes herself as a rural village woman.

Born in the sleepy rural village of Mogopela in South Africa, she moved to Rustenburg Platinum City in search of greener pastures. It is in Rustenburg where her life as an entrepreneur blossomed. She is a designer of no mean rpute and has helped transform South Africa's mining industry. As a fashion designer, she has impacted people's lives by designing

various outfits. Her unique idea of designing portraits and engraining them on blankets has earned her a competitive advantage and made

Her rich clientele has included, the late Minister Edna Molewa, former South Africa's President Thabo Mbeki and two Botswana Presidents, the late Khwet Ketumile Rragaone and Festus Mogae. She has also made blankets for all the chiefs' royal families in the North West Province. Julia is also the founder and director of Kokamo Mining and engineering Pty Ltd and has been involved in exports to several African countries including Botswana, Zambia, Zimbabwe, Swaziland, Lesotho, Malawi and Mozambique.

She has participated in many events and awards including the Standard Bank Top Women and respresented South Africa in Turkey for the Best Diplomats Award.

#### Dr Valencia Simmons - 'Not just warming a seat

RUSTENBURG HERALD - RUSTENBURG - Doctor Valencia Simmons is a student of life, in her own words.

Where she finds herself, she will always find a lesson to learn. "While going through this journey, I'm aiming to become the best ideal I can be. This I practice through self-awareness, affirmation and being actively involved where I find myself," Dr Simmons says.

She believes in being impactful, mindful and being a contributing individual. "I'm not here to just warm a seat," she states. Valencia was born and bred in the City of Roses - Bloemfontein - in the Free State. Apart from being full-time doctor, she's also full-time mom to a precious 5-year-old boy.

"Spending time with my son is treasured. We like doing social engagements, or spending time outdoors. And while we are together, I also use the time we spend together to teach my son as much as possible," she says. If she had the opportunity to give a message to her 16-year-old self, what would it be? "Walk away from anyone and anything that does not serve your purpose or assisting your growth. If they do not help you to become a better person, you can do without them. Secondly, fail forward. No one ever have achieved anything without making a mistake - but failure can help you to learn to do better, to not repeat the mistake. Lastly, have a vision/ goal. This will guide you, show you which avenues you should not entertain," Valencia says.

Asked who does she admire, the answer is easy.

"I admire my mom. As a child I never knew being cold nor hungry while I stayed under her roof. I do not know how she did it on the salary of a general worker, but our family of five was always taken care of." If she can be proud of a personality trait, she is grateful for her ability to not being offended easily, and in other people she her little guy is precious to

## **Ilse Edwards** hardekwas, met 'n digterlike siel

RUSTENBURG HERALD - RUSTENBURG As agtjarige het Ilse Edwards aan almal wat wou hoor verklaar dat sy die president van Suid-Afrika wil wees.

49 jaar later, is sy in die politiek en laat sy haarself geld as Demokratiese Alliansiewyksraadslid.

Ilse is in Greyton, KZN gebore en was een van ses kinders. Sy is voor in die ry om te erken dat sy hardkoppig kan wees en omgesukkel raak wanneer sy vermoed iemand word ingedoen.

"Dan wil ek sommer inklim en dinge begin uitsorteer," spot sy liggies. "My man en my kinders moet my kort-kort herinner om nie met alles betrokke te wil raak nie, en om tog asseblief 'n wag voor my mond te sit!"

Ilse is vrou vir haar man, Vernon, ma vir vier meisiekinders en ouma van twee knape. Sy en Vernon loop al meer as 13 jaar die pad saam. Hulle het ontmoet nadat Ilse se man van 23 jaar, Jaques Malan, oorlede is.

"My gesin is die rede hoekom ek asem haal. Daar bestaan nie genoeg woorde om my liefde vir hulle te beskryf nie," verklaar sy.

En dit sê baie, want Ilse kán met woorde omgaan. Sy begeef haar hand gereeld aan die skryf van poësie en van haar werk is al opgeneem in gepubliseerde digbundels.

Ilse se dogter, Charne neem later vanjaar deel aan die Miss Supraglobal. Sy gaan Suid-Afrika in Indië by dié skoonheidskompetisie verteenwoordig. Boonop is dit 'n geval van 'die appel val nie ver van die boom af nie' - Ilse was n klompie jare gelede sélf 'n Top25-finalis vir die Mev Suid-Afrika-kompetisie.

Behalwe vir haar man, kinders en kleinkinders, is Ilse ook gek oor haar troeteldiere. Sy hou ook daarvan om te bly leer. "Ek het my kop daarop om addisionele tale onder die knie te kry. Daarom leer ek nou baie hard daaraan om isiZulu te leer. en ook Duits. Ek beoog ook om Oekraïnies te leer," vertel sy. Setswana is volgende op haar 'bucket list'.

"Ek probeer om 'n positiewe impak op my gemeenskap te maak. Maar soms kry die lewe se stampe en stote my ook maar onder. Ek is egter gelukkig om 'n sterk ondersteuningstelsel te kan hê - my gesin. En daarvoor is ek baie dankbaar," sê Ilse.

## A Journey of Dedication and Community Involvement

RUSTENBURG HERALD - RUSTENBURG - "In the spirit of Women's Month, I, Hetta Havenga, the proud Principal of Rustenburg Noord Primary School, take this opportunity to reflect on the remarkable journey of dedication and community involvement that has shaped my life and the lives of those around me.

Run Walk for Life events. My journey at Rustenburg Noord Primary School has been nothing short of transformative. Guided by the belief that every individual has the potential to soar, I have worked tirelessly to create an environment that fosters academic excellence, emotional well-being, and inclusivity.

As a firm believer in the motto, "We rise by lifting others," I strive to empower my school community and in our learners, we aim to create future leaders who the wider society through active participation in the will continue to contribute positively to society. Run Walk for Life has become a significant part of my life, embodying the very essence of my life motto. Not only does it promote a healthy lifestyle, but it also provides a platform to support runners and walkers that are all close to my heart. Witnessing their determination and perseverance is a testament to the human spirit's

resilience. Together, we celebrate not just personal victories but also the joy of making a difference.

As we celebrate Women's Month, I am humbled and grateful for the opportunities I have had to empower lives and inspire positive change. My journey as a school principal and my involvement in the Run Walk for Life community have taught me that by supporting and uplifting others, we create a ripple effect that spreads far beyond what we could have ever imagined.

Together, we rise by lifting others, leaving behind a legacy of unity, empathy, and empowerment that will continue to shape lives for generations to come.

Past Venessa Joubert.

Venessa sê eintlik is sy 'n "citychanger" en 'n gemeenskapspastoor wat werk om 'n verskil te maak en is betrokke waar sy toegelaat en benodig word - enige plek, enige tyd - daar waar sy 'n skouer kan wees vir iemand, 'n oor vir 'n gebroke hart, 'n drukkie kan gee vir 'n eensame oumensie en moed kan inpraat vir 'n verslae siel. Sy is betrokke by 'n Swartrruggens Ouetehuis, Rodeon Ouetehuis, waar hulle die bejaardes bemoedig, hulle naels knip, ou verrimpelde hande room smeer, hulle naels sommer enige "sexy" kleur verf en een keer 'n jaar gee hulle met behulp van 'n winkel vir 80 senior burgers 'n koek en tee geleentheid, pragtige persentjies

en 'n emmer vol lekker kos en verrassings. Sy probeer sover moontlik leemtes vul waar sy hulle sien, deel kospakkies uit aan behoeftiges, gee komberse, klere en sop vir straatkinders. Die Christ Crisis Centre is natuurlik ook 'n projek wat haar na aan die hart lê en waarmee sy besig is. Dit is 'n geregistreerde Npo en 'n plek wat 100 vrouens en kinders sal kan huisves wanneer dit in 2024 voltooi is. Shib, 'n Nederlandse Npo-groep bou hierdie lewensveranderende gebou in Swartruggens wat die lewens van baie vrouens en kinders dramaties gaan verander. Studente van Nederland kom drie keer per jaar om aan hierdie gebou te kom werk en daar word

Pastoor Venessa maak 'n verskil waar sy kan

baie uitgesien na die voltooiing in 2024. Daar is soveel gebroke en mishandelde vrouens en kinders wat die Christ Crisis Centre baie nodig het.

Vanessa gaan ook elke Maandagoggend na die plaaslike polisiestasie waar sy met polisiemanne praat en Bybel lees, bemoedig en saambid vir wysheid en krag vir die week wat voorlê. Sy is betrokke by 'n groepie jong meisies wat kwartaalliks bymekaarkom, leer hulle om mooi goedjies te maak en ook om hulself lief te hê en te aanvaar en dat hulle wenners is. Dus, pastoor Venessa Joubert maak 'n verskil waar sy gaan en probeer sover moontlik help in die gemeenskap en daarom is sv 'n steunpilaar in die gemeenskap van Swartruggens en net waar sy gaan.

## Gemeenskappe kan self harmonie bevorder

Sjoe, dit gaan nie goed in ons land nie. 'n Oorlog blyk te woed tussen die land se onderskeie gemeenskappe en dit is duidelik dat die land se politieke leiers bitter min doen om eenheid onder Suid-Afrikaners te bewerkstellig. Trouens - ons sien juis die teenoorgestelde - naamlik dat politieke leiers soos Julius Malema van die EFF na jare steeds uit hul pad gaan om vir mense te vertel dat dit nie die moeite werd is om in vrede en harmonie met mekaar saam te leef nie - dat onderhandeling nie die moeite werd is nie en dat konfrontasie die enigste pad vorentoe is. Dit teen die agtergrond van 'n land vir wie konfrontasie en verdeeldheid niks nuus is nie. Tog kry 'n mens die indruk dat ons politieke leiers uiters moedwillig is en die geringste geleentheid aangryp om verdeelheid te saai en baie van die werk wat ten opsigte van versoening oor die afgelope drie dekades gemaak is, ongedaan te maak. En hierdie is nie noodwending 'n objektiewe prentjie wat geskets word nie. Daar moet sekerlik meer as een gemeenskap, bevolkingsgroep of party wees wat intussen tot die besef gekom het dat politieke leiers juis op verskille, leemtes en onvergenoegdheid uit die verlede konsentreer ten einde hul bestaanreg te probeer regverdig. Indien hierdie verskille uit die weg geruim is/kon word en eenheid onder al Suid-Afrikaanse gemeenskappe maksimaal bevorder kon word, sou Suid-Afrika uiteraard baie goed sonder radikale elemente en opportunistiese politiekery kon klaarkom. Niemand besef hierdie stelling waarskynlik

beter as die betrokke politieke leiers self nie. Hoe anders sou hierdie mense 'n "heenkome" kon hê indien hulle nie daarin kon slaag om Suid-Afrikaners 'n rat voor die oë te probeer draai nie? Wanneer mense uit verskillende gemeenskappe en bevolkingsgroepe egter spontaan met mekaar omgaan, saam werk, saam speel of saam kuier wil 'n mens feitlik die hande saamslaan om te sien hoe wonderlik mense uit verskillende agtergronde en kulture met mekaar oor die weg kom.

Die Suid-Afrikaanse gemeenskap in geheel is lankal nie meer "die plek" wat dit bykans 30 jaar gelede was nie en dit is verblydend om te sien dat baie mense oor die afgelope 30 jaar die realiteite van die dag ingesien het en verkies het om hande te vat en saam te werk. Hierdie is juis een van die redes hoekom die stempersentasie tydens elke paar jaar se nasionale verkiesing tot kommerwekkend laag gedaal het. Al hoe meer mense is al hoe minder lus vir politiekery en die voortdurende konfrontasie wat onvermydelik altyd deel van enige aspirantpolitikus se arsenaal is. Daarom dat politici wat hulself nog moet bewys, nooit 'n ander pad as konfrontasie, verdeeldheid of omstredenheid sal kies nie. Ons kan maar net hoop dat meer mense hierdie vorms van opswepery en "oëverblindery" raaksien en op hul eie saam met ander gemeenskappe begin werk ten einde aan gewetenlose politici te bewys dat Suid-Afrika hulle nie nodig het nie - Suid-Afrika kan baie goed sonder hierdie misdadige elemente

## The people's work to promote harmony

South Africans will agree that the country seems to be really unwell in recent times? For weeks if not months now a war seems to be raging between the country's respective communities and it is clear that South Africa's political leaders have failed miserably to promote harmony, unity and goodwill among all people living in South Africa. In fact, instead of efforts to unite the country and put the nation on a road of forgiveness, harmony and goodwill, it seems that some elements from our political community have tried their very best to achieve exactly the opposite. That efforts to follow a brand new course, to build a new nation and to improve life in South Africa for all people, is not a noble cause.

South Africans do not need to be reminded of the recent attempts by Julius Malema and the EFF to rather divide the country, to tell us that tolerance for one another is a hopeless cause and that the road of confrontation until who knows where is the only way forward. We hope that South African will realise that this is a lie! Against the background of a country that has never been at peace with itself and with its "neighbours", this is something that the country cannot afford! We are at least three decades away from the liberation of the country and considering the most recent events, it is unthinkable that such little progress has been made in such a long time - all thanks to radical

But at the same time we have to admit that this is not really a truthful and objective picture of the country and its people. Most South Africans have accepted the new South Africa long ago because they have seen where it came from. Because they know that if they work hard, there is a life for themselves and their children out there - that confrontation and "war" will bring us nowhere, in fact to where we've been before. But still certain unscrupulous politicians continue to sing the old songs and beat the old drums by doing their very best to convince people that this is a lost cause and that the country's people will never experience unity and harmony. People who think when others sleep clearly know that these attempts by certain groups and political "leaders", are nothing but efforts to justify their own existence. Why should we tolerate this, is the important question we must ask. We have seen it before, when different cultural groups, nations, or communities live together, work together, play together and embrace South Africa for what it is today, there is in fact no need for radical politics and politicians. These people are in this "game" for themselves and the simple truth is that they cannot function or exist in a society that is at peace and harmony with itself. From our own experience we should know that South Africa does not need people who only seek division, hate and intolerance. What South African communities should know today, is that each and all of us together will similarly have to embrace the task of making South Africa a better place for everyone - we have done it before - remember?

## Hoe gemaak as Groot-Marico se enigste kitsbank nie werk nie?

Net een van die ontevrede Maricojaners.

Die redakteur,

"Vanoggend (Saterdag 5 Augustus) het ek regtig kontant benodig om werkers te betaal en ook omdat dit Groot-Marico se maandelikse straatmark was. Ons werkers, hetsy op die plaas òf huishulpe, is vir ons van onskatbare waarde en om vir enige rede nie hul salarisse te kan betaal nie, is ongehoord! Net so is die Straatmark 'n geleentheid tot ekstra inkomste vir baie plaaslike entrepreneurs, asook bewusmaking vir toeriste en besoekers van ons kleindorpie-gasvryheid, vir ons van uiterste belang.

Maar, helaas, die enigste kitsbank is

wèèr onklaar! Male sonder tal is dit die geval, òf die kitsteller is sonder kontant, òf dit werk bloot net nie. Omdat Groot-Marico langs die N4 geleë is en besoekers en toeriste dikwels 'n kitsbank benodig, maak hul staat op 'n OTM om kontant te kan trek, maar ..... net nòg 'n plattelandse dorp word ekonomies benadeel deur gierigheid. Hoe staaf enige van hulle die pragtigidealistiese motto's? - "How can we help you?", "Africanacity", "Humanity through banking", "Just simpler banking", "It can be". Maricojaners is nie blind vir die uitdagings van byvoorbeeld kitsbankroof waarmee die banke te doen kry nie, maar om 'n hele gemeenskap sò te benadeel, a-nèè-a! Susan de Beer, Groot-Marico.

RUSTENBURG HERALD - RUSTENBURG - Magalieskruin Voortrekkers het die afgelope naweek gaan stap in Kgaswane. Sowat 40 kinders en ouers het die uitstappie geniet wat afgesluit is met 'n worsiebraai. Voortrekkers geniet hul Kultuur deur Avontuur in die Natuur.

#### Rustenburgers by Wêreldbeker-netbaltoernooi

Verlede week en die afgelope naweek se Wêreldbeker-netbaltoernooi in Kaapstad het almal behoorlik geesdriftig tot netbalkoors gestem - dit was verstommend hoeveel Rustenburgers mekaar in die Moederstad raakgeloop het. Die klompie Rustenburgers hierbo wat geesdriftig meedoen is Carlos, Samantha, Emmanuel, Shiloh, Carlos en José

Net soos met die Wêreldbeker-rugbytoernooi was dit bemoedigend om te sien hoe netbalkoors Suid-Afrikaners in 'n kwessie van 'n paar dae amper sorgeloos verenig het. Die Wêreldbeker-rugbytoernooi begin trouens oor net minder as twee maande in Frankryk en Suid-Afrikaners kan hopelik na 'n goeie toernooi uitsien. Sonja en Sammy Norris is hier tussen die skare afgeneem tydens een van die wedstryde.

Magalieskruin se Jeugleiers wat eers die Presidentsverkennerkamp bygewoon en toe by die Kongres aangesluit het in hul onderskeie hoedanighede: Bianca Cilliers as Gebiedsjeugraadslid vir Transvaal en Justin Kleynhans as Afgevaardigde Verkenners Magalieskruin.
