Four men, a Golf and a gun...

RUSTENBURG HERALD - TLHABANE - Four suspects have been arrested here after being found in possession of an illegal firearm and ammunition.

According to local police spokesperson, Sgt Ofentse Mokgadi, Rustenburg Crime Prevention Unit acted on information and intercepted a Citi Golf near Boshoek.

The four men - Koketso Sefala (35), Harry Mtome (45), Mzamo Dladla (33) and Kabelo Kgoroba (40), all from Soshanguve - were allegedly en route to commit a robbery in Rustenburg.

They were arrested and appeared briefly before the Tlhabane Magistrate court on Monday (14 August). They are expected again in court for a formal bail application on 22 August.

The Rustenburg SAPS Station commander, Brigadier Joel Pheto thanked the police members for being proactive by preventing a serious crime before it happened.

Suspects' vehicle torched

RUSTENBURG HERALD - RUSTENBURG - A Volkswagen Polo, allegedly belonging to criminals, was set torched by angry community members in Tlhabane West last week.

The vehicle was set alight after occupants of the vehicle robbed a woman of her cellphone.

An off-duty policeman followed the suspects after the incident and managed to stop the Polo. One of the thugs jumped out of the vehicle and fled on foot with the policeman giving chase. Unfortunately, this suspect escaped.

Community members then allegedly set the vehicle on fire and got hold of one of the other suspects, a 30-year-old man.

According to local police spokesperson, Sgt Ofentse Mokgadi, the suspect was assaulted by the community and had to be taken to hospital. He remains there under police guard and is due to appear before the Rustenburg Magistrates court on a robbery charge as soon as he is released.

The Bojanala Platinum District Sub 2 acting Commissioner, Brigadier Mamotsamai Ntoagae praised the off-duty police Sergeant for splendid work.

Rustenburg-tak benadruk belangrikheid van skoon begraafplase en oop veld

RUSTENBURG HERALD - RUSTENBURG - AfriForum se Rustenburg-tak het gedurende Julie 'n uitgebreide skoonmaakprojek aangepak.

Die tak het op die ou begraafplaas in Kockstraat en die oop veld by Bobbies Rugbyklub gefokus. Die digte lantanas in die begraafplaas is gesnoei en drie 6 m3-stortbakke is met lantanatakke gevul. 'n Vierde stortbak is gevul met rommel en tuinvullis wat op die oop veld opgetel is.

Dié ou begraafplaas is 'n historiese en betekenisvolle plek vir ons gemeenskap, daarom het die Rustenburg-tak besluit om dit skoon te maak. Dié skoonmaakaksie is 'n bewys van die tak se toewyding daaraan om hul erfenis en omgewing te beskerm en te bewaar.

"AfriForum se Rustenburg-tak bedank graag vir Crazy Skips vir die stortbakke wat hulle beskikbaar gestel het. Begraafplase is nie net 'n plek vol herinneringe nie en parke is nie net vir ontspanning nie; dit is ook 'n weerspieëling van ons gemeenskap se waardes," sê Armand Viljoen, distrikskoördineerder vir Marico.

"What is up with Premier's sick leave?" - DA

RUSTENBURG HERALD - MMABATHO - The Democratic Alliance in the province has requested that the North West Provincial Government disclose information surrounding Premier Bushy Maape's extended sick leave.

Two months after the start of his sick leave, there has been no update from his office besides the fact that he is recuperating at home.

"The DA sympathises with Premier Maape and wishes him good health, however, North West residents need to know the extend of his sick leave," Freddy Sonakile, the DA Caucus Leader in the North West Provincial Legislature said in a statement.Sonakile added that the DA is of opinion that the recent calls for Maape's removal are rather opportunistic. "We have long said that Maape is not fit for the job. If he is critically ill, the North West Provincial Legislature should consider to replace him," Sonakile declared.

The DA Caucus Leader also further commented on the role of the current acting Premier.

"Cooperative Governance and Human Settlements MEC, Nono Maloyi, is moonlighting as Premier, reporting to himself. He holds a key position in a service delivery department that is currently presiding over failed North West municipalities and must address the housing crisis in the province. We will closely monitor how this situation unfolds and will not hesitate to table a motion of no confidence in Premier Maape on the grounds that he is unable to perform the functions of office, citing both his incompetence and continued absence," Sonakile concluded.

Wanted:
Escaped convict

The man, Pule Vitals Mahanetsa (22) is a Lesotho National serving three months for immigration violations. The Department is appealing to the public to assist with any information that may lead to the re-arrest of Mahanetsa. He is considered dangerous and if spotted, the nearest Police Station should be contacted.

Safarituine-inwoners moedeloos na water- en elektrisiteitsonderbrekings

Een van twee reuse-gate op die hoek van Flambojant- en Hibuscus-rylaan in Safarituine waar herhaaldelike waterlekkasies oor minstens die afgelope 12 maande plaasgevind het. Inwoners hier moes onlangs weens 'n elektriese fout wat deur lekkende water vererger is, sonder elektrisiteit klaarkom. Hoewel die elektriese fout intussen herstel kon word, kon die munisipaliteit nie daarin slaag om 'n TLB in goeie werkende toestand op te spoor en na die toneel te stuur nie.

Daar is kwalik genoeg woorde om die frustrasie van inwoners in die omgewing van Flambojant- en Hibuscus-rylaan te beskryf nadat die omgewing oor die afgelope klompie maande herhaaldelik sonder water en soms sonder elektrisiteit moes klaarkom. Volgens rdl Ilse Edwards van die DA kon die munisipaliteit nie daarin slaag om 'n TLB in goeie werkende toestand te vind en na die toneel te stuur nie.

RUSTENBURG HERALD - RUSTENBURG - Inwoners in die omgewing van Flambojant- en Hibuscuslaan in Safarituine is met die hande in die hare nadat waterlekkasies vir langer as die afgelope 12 maande eindelose wateronderbrekings in die omgewing tot gevolg gehad het, om van 'n gesukkel in normale verkeerstoestande nie te praat nie vanweë water en modder wat telkens oor die padoppervlak gestroom het.

Boonop moes inwoners hier onlangs vir 'n volle week sonder elektrisiteit klaarkom. Munisipale werkers het boonop geweier om aan die installasies te werk omdat hulle bang was dat waterlekke die gevaar van elektriese skok kon verhoog het. Die Rustenburg Munisipaliteit is op rekord dat hulle kort voor die aanvang van die naweek 'n "TLB" sou stuur ten einde aan die waterlekkasies te begin werk. Die jongste nuus is egter dat die RLM nie daarin kon slaag om 'n geskikte TLB in goeie werkende toestand beskikbaar gehad het nie. Die vraag kan tereg gevra word hoe dit nog gaan duur voordat hierdie hoofstuk afgesluit kan word.

Charlotte Koen, Rebecca Malepe en Precilla Motsisi van die VLU Volmoedtak geniet die heerlike kreatiewe oggend.

Santie de Wet het vinnig die tegniek bemeester en die verfwerk geniet.

VLU Volmoedtak

Die VLU-dames van Volmoedtak het hierdie maand in Rietvlei Biblioteek vergader waar Annemarie Esterhuizen die leiding geneem het met Pen-en-Ink op Waterverf. Tydens die eerste klas het dames geleer hoe om hul prentjie te vergroot en dit af te trek (trace) op die geskikte papier. Daarna kon hul leer hoe om met waterverf te werk. Dit was 'n wonderlike, kreatiewe oggend. Op die foto verskyn Dee White en Annemarie Esterhuizen.

Liggaamsbouers bult die spiere

Die "International Bodybuilding en Fitness Federation" (liggaamsbou) se "North West Classic" was die afgelope naweek tydens groot belangstelling uit die publiek by Fields College op die verhoog en beoordelaars het hul hande vol gehad om wenners in die onderskeie afdelings aan te wys. Hierdie klompie indrukwekkende liggaamsbouers het vir ons fotograaf die spiere gebult tydens 'n voorprogram van die naweek se verrigtinge. Van links agter hierbo verskyn Kevin Munro, Yolandie Visser, Manny Jardine - Rustenburg se eie professionele liggaamsbouer, Arnie Williams - president van die IBFF, Leandri Pretorius, Nico Koster, Estian Nel en JJ Brits - nog 'n professionele liggaamsbouer.

‘n Verhaal van hoop, genade en tweede kanse

Deur Christelle van Rooyen-Wessels

RUSTENBURG HERALD - RUSTENBURG - Jare gelede het ek kennis geneem van die naam ‘Stefaans Coetzee’.

Dit was nie vir ‘n goeie gebeurtenis nie.

Dit was nadat Stefaans in hegtenis geneem is nadat ‘n verskriklike daad gepleeg is - die Worcester Bomontploffings.

Stefaans was ‘n hardekwas tiener-terroris. Hy was sewentien en tot oorlopens toe vol van die indoktrinasie wat hy ontvang het van die man wat hy as vaderfiguur gesien het.

Want sien, Stefaans is nie as rassis en geweldenaar gebore nie en sy eerste klompie lewensjare het hy ook nie só grootgeword nie.

Maar op ‘n dag stuur sy ma die sesjarige Stefan kafee toe. Met die seuntjie se terugkoms by die huis, is sy ma nie daar nie. Sy was vort en klein Stefan het agtergebly by sy alkoholis-pa.

Die vrae het deur die kind se kop gemaal: Hoekom het sy ma hom nie meer lief nie? Was hy te stout?

“My pa was ver van ‘n engel af, maar hy het probeer. As ek sport by die skool gehad het, het hy nie sommer by die terrein ingekom nie, maar ek het hom buite gesien sit en geweet hy is daar,” het Stefaans my op ‘n keer vertel.

Maar ‘n welsynwerker het besluit dat die situasie by die Coetzee-huis veel te wense oorlaat en Stefaans het in ‘n kinderhuis in Winburg beland. Die seuntjie met die skaam glimlag moes leer baklei - vir liefde en vir aanvaarding.

En dit is wat hy gekry het, het hy gedink toe hy deur Jan van der Westhuizen onder die vlerk geneem is.

“Almal dink my grootste verkeerde keuse was die dag toe ek die bom voor Narotam-apteek in die blou asblik gedruk het. Dis onwaar. Ek het oor die jare ‘n reeks verkeerde keuses gemaak wat op 24 Desember 1996 ‘n klimaks bereik het,” skryf hy op bl 41 van sy boek ‘Onbeskryflike Genade’.

Stefaans kon voort gegaan het met verkeerde keuses. Hy kon voort gegaan het met haat en geweld. Hy kon; Dit was so diep by hom ingeburger dat dit die maklike pad sou gewees het.

Hy het egter nie.

Stefaans het gekies om die pad na boetedoening en versoening te neem en om sy geklemde hande oop te maak en in liefde uit te reik. In ‘Onbeskryflike Genade’ deel hy dapper sy storie, sonder om weg te skram.

“Ek is Stefaans Coetzee. Ek is ‘n kind van God. Ek is ‘n man en ‘n pa. Ek is nie my verlede nie,” verklaar hy.

‘Onbeskryflike Genade’ word deur LUX VERBI uitgegee.

JOU vermaak in ‘n Neutedop

Liefde laat hom nie voorskryf nie!

Deur Christelle van Rooyen-Wessels

‘n Romanza is goed vir jou.

Dit kikker jou gemoed op, dit kan inspirerend wees en dit kan jou insig in jou eie verhouding en probleme gee.

Buitendien is dit boonop vinnig om te lees.

En, jy gaan nie bang wees om in die donker kombuis toe te loop nie!

Zinét Oosthuizen se nuutste, ‘Liefde vir ‘n prins’, is 189 bladsye wat jou gaan bekoor en vermaak.

Die storie handel oor die jonge Delmarie Kemp wat een middag van die skool af kom en haar weduwee-ma dood aantref. Meteens is die meisie alleen op die aarde. Wat gaan van haar word?

Daar is vir haar uitkoms, maar die toekoms is nie so rooskleurig soos wat dit op die oog af is nie. En hoe op dees aarde gemaak met haar hart wat ‘n koers wil vat waarteen sy haarself maar net sal moet staal?

Maar dis nie net Delmarie se hart wat onverskillig is nie. Sy leer op die baie harde manier dat mens mooi moet kyk waar jy loop!

‘Liefde vir ‘n prins’ word deur LAPA Uitgewers uitgegee. Gaan loer sommer ook op LAPA se webwerf en sluit aan by hul Romanzaklub.

Wildlife myths and superstitions (Part 1)

RUSTENBURG HERALD - RUSTENBURG - Many animals become victims due to the superstitions and myths of people.

Let's take at some of these unfounded, and deadly, believes.

What is a myth?

A widely held, but false belief or idea.

What is a superstition?

A widely held, but irrational belief in supernatural influences, especially as leading to good or bad luck, or a practice based on such a belief.

Bats

Myths about Bats include the following:

* *Bats feast on human blood.* This is absolute nonsense. In South Africa we basically get two groups of bats. The one is the Fruit Eating Bats and the other the Insect Eating Bats.

* *Bats attack humans.* This is because bats sometimes swoop over people's heads - but it is in search of insects. Bats are more scared of humans than the other way around.

* *Bats will fly into your hair and get stuck*. This was an old myth that was used to deter young girls from going out at night. The myth was that if a young woman went out at night, a bat would fly into her hair and get stuck. In reality, bats are not interested in flying into your hair at all.

* *Bats are blind.* Mostly bats have very small eyes but they are certainly not blind.

* *All bats carry rabies.* Most bats don't have rabies. According to studies done, only 6% of bats submitted for testing tested positive for rabies.

* *Bats are useless.* According to most people bats are pests. The truth however is that they are a very important part of our ecosystem. Fruit Bats play a very important role in seed dispersal and forest regeneration. Insect eating bats help control insect populations. One small bat can eat up to about 5000 mosquitos in one night.

* *Bats bring bad luck*. Because bats are mostly active at night they are seen as bad omens while in fact they just mind their own business and mostly find places to live far from humans as humans destroy their homes.

A lot of people see bats as dirty animals. The fact here is that they are very clean. They spend a lot of time preening themselves. Preening themselves also help them to get rid of parasites. Should you have any questions relating to bats, or find a orphaned or injured bat, please give **We Care Wildlife Rehabilitation Centre** a call on 071 370 4520 and get the bat to us as soon as possible. Rehabilitating bats are very labour intensive and specialized, and if you are not trained to help these sensitive little mammals, it is not a good idea to attempt doing this yourself. Please take note that we are currently the only permitted centre in Rustenburg that are equipped and trained to deal with bats in need.

Going all the way for kids

RUSTENBURG HERALD - RUSTENBURG - The National Centre for Child Protection, temporarily move their call **centre to Rustenburg as they renovate their Head-Office in Centurion expanding their office to ensure they can cater** for the rapid increase in cases being reported through their call centre.

The National Centre for Child Protection have 256 Child Protection Hotlines across the country.

The Child Protection Hotlines are available to anyone of all ages who are in need of help. "Our mission is to offer a free 24 x 7 x 365 service (via SMS, WhatsApp or phone call) to any child, parent, teacher, grandparent or any other person, to report child abuse, neglect, bullying, trafficking or any other action that impacts children. To be the voice for the voiceless, help the helpless and to provide hope to the hopeless. Our vision is to make child abuse in any form, history.

The National Centre for Child Protection is not funded by government. This is one of our biggest challenges that we find takes our time away from our actual cause. We rely on our corporate partners for funding, fund raisers such as Golf Days, Comedy shows and write our own children's books, which we then sell. We are ever so grateful to the CRC Church in Rustenburg for housing our call centre for the meantime, whilst we renovate, along with providing fund raising for our cause," says the National Centre for Child Protection

The National Centre for Child Protection have many big and exciting plans and projects launching in the near future.

They offer a free service to children through their Child Protection Hotlines. They conduct educational talks with learners at schools across the country and educate learners and teachers on topics and challenges that they should be aware of, that children face daily in and out of school settings. One of the things they find is that no one really knows where to seek assistance for a child in need and they try to ensure to offer that one stop solution to these problems.

The National Centre for Child Protection also have a 24 - Hour free Counselling Hotline available to anyone up until the age of 35.

This Counselling Hotline is available 24/7, every day of the year - via SMS, WhatsApp or phone call.

During the event, the centre mentioned a few of the cases they receive through their call centre:

"The reports that reach our call centre varies from cases of bullying at schools, children being locked out of homes, neglect, parental alienation, trafficking, children being abducted, sexual exploitation and the list goes on and on," says CEO, Danie Van Loggerenberg.

They look forward to community members in the Rustenburg area knowing about their call centre and encourage community members to join their fight in protecting children and believe the more who are involved the stronger their fight will be.

National Centre for Child Protection urge community members to contact them for any child related issues for them to assist.

Rustenburg Herald Kook

By Waldie Volschenk

Wintertyd is kwepertyd

In Rustenburg Herald se "kos/kookrubriek" het ons al met baie vorms van eet, proe of smul geëksperimenteer. In die afgelope winterseisoen was konfyt en jellies kook meer as een keer aan die beurt. In hierdie uitgawe – dalk vir die laaste keer hierdie winter – maak ons ingelegde kwepers en ons was verstom omdat daar soveel mense is wat blykbaar nie dié lekkerny ken nie, hoewel die sogenaamde "kweperlat" glad nie onbekend by die meeste ouer mense is nie.
Mense wat al lank in die gebottelde vrugtebedryf is, sal jou vinnig sê dat kwepers heerlik is - ingelê, of as 'n jellie gekook.

Waldie Volschenk van ons redaksie met 'n flessie van sy ingelegde kwepers.

Ingelegde kwepers

Metode:

Skil die hoeveelheid kwepers wat jy wil inlê. Dit is nogal 'n joppie hoor – kweper se skil is nie jou maat nie en jy moet maar seker maak dat jou mes lekker skerp is. Sny die kweper in die helfte (dit is ook 'n taamlike 'joppie' weens die klipharde pitgedeelte van die vrug). Jy moet maar so 'n "holte" uit die kweper sny sodat jou vrug amper soos gesnyde pere lyk. Sny dan jou kweperhalwes in skywe min of meer soos lemoen- of naartjieskywe.
Onthou om dit dadelik in koue water te sit – geskilde kwepers verkleur maklik tot 'n onaantreklike bruin en as dit eers verkleur het, is dit neusie verby – nie veel verkeerd met die smaak nie maar dit sal natuurlik glad nie mooi lyk in jou bottels nie. Om vrugte in te lê is oor die algemeen veel makliker as om konfyt of jellie te kook.
Al wat bietjie van 'n uitdaging is, is om te skat hoeveel stroop/sap jy nodig het. Onthou – al jou vrugte in al jou bottels moet deur die stroop in die bottels bedek wees anders kan jy dalk probleme optel.
Met die inlê van vrugte hoef jy nie te sukkel met die weeg van vrugte, water en/of suiker nie. Die formule vir "stroop" is eenvoudig – twee dele water vir elke deel suiker – met ander woorde – twee keer soveel water as jou suiker – dit is verder maklik om die som te maak. Maak liewers te veel as te min – dit kan nogal 'n krisis wees as jy nie genoeg sap/stroop vir al jou vrugte het nie.
Begin dadelik jou stroop kook as jy die suiker en water bygevoeg het en gee die stroop so 'n goeie

En só lyk die ingelegde kwepers in die bottels as die werk klaar is. Laat staan vir so drie dae voordat jy oopmaak en geniet.

20 minute of dalk selfs 'n halfuur voorsprong voordat jy jou vrugtestukkies byvoeg. Kook dan jou stroop tot dit effens "langerig" en dikkerig is maar dit hoef nie 'n dik, taai spulletjie te wees soos wanneer jy konfyt of jellie kook nie. Kook tot jy tevrede is met die tekstuur van jou stroop maar maak terselfdertyd seker dat jou vrugte nie pap gekook is nie.
Vul jou gesteriliseerde bottels so amper driekwartvol met vrugte – daar moet darem ook 'n plekkie vir genoeg stroop in elke bottel wees.
Bottel terwyl die stroop en vrugte nog warm is en laat staan 'n paar dae voordat jy kan oopmaak en geniet. Dit is veral heerlik as 'n nagereg met 'n skeppie vla en herinner nogal aan ingelegte pere.

Ons het sowat 2 kg se geskilde kwepers gebruik – die skilwerk is omtrent die moeilikste – daarna is alles betreklik maklik.

Gee jou stroop (twee dele water en een deel suiker) so 'n 20 minute of 'n halfuur voorsprong voordat jy jou kweperstukkies byvoeg om sag te kook.

Onthou om die kwepers dadelik in koue water te plaas as dit klaar geskil is – dit sal voorkom dat die kweperstukkies 'n onooglike bruin kleur kry.

Vul jou bottels so amper driekwart vol met vrugtestukke – daar moet darem ook 'n plekkie vir genoeg stroop in jou bottel wees.

Timbati Veld Market donates food, essentials to Rustenburg SPCA

Rustenburg's Timbati Veld Market is bekend vir sy heerlike atmosfeer, lekker kuier, lekker eetgoed en dat dit alles ten bate van plaaslike welsyn is. Só was dit ook met die mees onlangse Timbati Veldmark op Saterdag, 5 Augustus, waarna 'n afvaardiging van Timbati 'n pragtige skenking van allerlei troeteldier-benodigdhede aan die Rustenburgse Dierebeskermingsvereniging (SPCA) oorhandig het. Onder die artikels was 3 x 40 kg katgruis, 1 x 50 kg hondekos, agt bottels vlooipoeier, geblikte hondekos en besems. Van links hieronder is Christa Stewart, Irma Nel, Karien Davies en Suenell van der Walt van die Dierebeskermingsvereniging.

{StandpuntViewpoint}*

Hokaai, minister!

So daar het ons dit nou - die Suid-Afrikaanse regering is so desperaat om nog geld in die hande te kry om sy uitspattige regeringstyl en gierigheid te voer dat hy nou werklikwaar beoog om sekuriteits- en meenthuiskomplekse deur middel van 'n halfgebakte SEB-inisiatief te dwing om van bepaalde diensverskaffers, (kamerade?) gebruik te maak vir alles wat die kompleks ten opsigte van sy bestuur en onderhoud benodig.

Mmamoloko Kubayi, Suid-Afrikaanse Minister van Menslike Nedersettings het verlede week aangekondig dat georganiseerde behuisingskomplekse in die regering se visier is as 'n gunstige "avenue" om die regering se inkomste aan te vul deur toe te sien dat onderhoudskontrakte en -dienste aan bepaalde instansies en individue toegeken word. (Die wye voorkoms en aanvraag vir meenthuiskomplekse of sekuriteitsoorde het die regering sommer vinnig laat besef dat instansies soos hierdie groot finansiële belofte inhou - des te meer namate die regering die vraag na sodanige ontwikkelings onnatuurlik "aanblaas" deur sy lamsakkigheid ten opsigte van kriminele en misdaadvlakke wat lankal hande uitgeruk het. 'n Mens moet dalk die regering 'n pluimpie toedig omdat hy hierdie verwikkeling lank reeds vooruit beplan het - dis nou visie, of hoe?

Natuurlik beoog die Minister om dié besluit afdwingbaar te maak wat volgens haar die magte sal hê om behuisingskomplekse ens oor die vingers te tik indien daar nie aan die regering se voorskrifte voldoen word nie. Blykbaar meen die minister dat sy of die regering die reg het om vir enige huiseienaar voor te skryf met wie hy besigheid mag doen met betrekking tot die onderhoud en dienste aan sy eiendom. Maar die minister slaan die bal mis. Die minister weet blykbaar nie dat meenthuiskomplekse sonder uitsondering deur verskeie trustees (almal eienaars) en uiteindelik 'n vennootskap met 'n sogenaamde "Body Corporate" bestuur word nie. Benewens baie streng reëls ten opsigte van die bedryf van 'n kompleks in terme van die Wet op Deeltiteleenhede (ens, ens) kan die Body Corporate geen besluite sonder magtiging van die trustees neem nie. Dié is een van die voorwaardes waarop die koop of verkoop van 'n eiendom in sodanige kompleks, berus.

So jammer vir jou minister - ons stel voor dat die regering dalk liefs ondersoek instel na hoeveel van sy kamerade elke dag/week/maand/jaar met miljoene/miljarde rande se staatsgeld vort is voordat hy na nog 'n manier soek om eerlike en hardwerkende mense uit die voorreg te melk om te kies waar hy wil bly, hoeveel hy betaal en vir wie?

Slow down, Minister?

And so, there we have it... The South African government is so desperate for more money in its prodigal hands that it is proposing a somewhat half-baked BEE-policy to force townhouse complexes and security villages to contract exclusively previously identified (by government) contractors (comrades?) for services pertaining to the upkeep, management and maintenance of such housing schemes. Yes, this was announced only last week by the country's Minister of Human Settlements, Mmamoloko Kubayi. Not only is this a true indication of the dire straits of the country's affairs in finance - especially at top level it seems, where numerous high profile politicians are earning millions in salaries in addition to those who regularly run off with millions in public money with no help in (yes, there...) to recover most (if any?) of these monies. It is also an indication of government's shrewdness in terms of ogling possible money-spinners which it could entertain to its own benefit.

But there seems to be more to the story, of this particular little piece of pure vision and wisdom by the ANC's schemers. Why now all of a sudden, one should ask. Well, we have the answer for you.

It is because government realised that it has stoked the fires/furnaces in the want for "security" long enough now and that it is time to reap the fruits of its labour. There is no doubt that government's paralytic approach towards crime and criminals and the fact that criminality is breathtakingly high everywhere, has incited the demand for "security" in the country - hence the demand in townhouse complexes and such. How long could it take government to realise that from within its very core, it has created a lucrative market of untold wealth? And of course the Minister plans to make government's directives in this regard compulsory.

As if to say that government has the right to tell any property owner who he may do business with?

But the Minister is missing the point. Apparently the Minister does not know that townhouse complexes are invariably managed by several trustees (all owners) in close co-operation with a Body Corporate of its choice. In addition to the most stringent regulations pertaining to the management of such complexes in accordance with the Law on Sectional Title Units, the Body Corporate can take no executive decisions without authorisation from its trustees. This is the very principle on which the selling or purchase of any unit in such complex rests upon.

So then, sorry Minister - we suggest you'd rather investigate how many high profile party loyals/government officials/ANC elite and their friends are running off with millions in public money virtually every hour/day/week/month/year? We are confident that this will keep you occupied enough to rather concentrate on issues which could fill dams, not buckets in revenue?

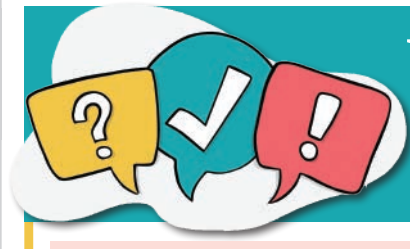
Miljoene dankies is nie genoeg nie

Die redakteur,

Vyftien jaar gelede het ek in Augustus hier ingetrek by die Munisipale-woonstelle in Kerkstraat 59. Vyftien jaar van geluk, hartseer en gemengde gevoelens. Vir meer as 10 jaar daarvan het ek die eer en voorreg gehad om elke week saam met Josey groente aan die inwoners te kon uitdeel. Groente deur Josey en Fruit & Veg geskenk. Yvonne Bonthuys en Bessie Rex was getrou elke week om te help. Hierdie mense het koue, reën, hael en hitte trotseer. Ons almal is tussen 72 en 76 jaar oud en glo my,nie een is baie gesond meer nie. Daarom wil ek hiermee die bestuurder van Fruit & Veg, Josey, Yvonne Bonthuys en Bessie Rex uit die diepte van my hart bedank vir al hul opofferings en toewyding gedurende al die jare. Geseënd is julle almal. Miljoene dankies ook aan die Hemelse Vader wat ons so gespaar, geseën en ons met soveel goedheid en gunste voorsien het. Van ons mense is reeds oorlede, maar die wat ek hierin genoem het, is nog met ons - alhoewel ons uurglas stadig maar seker uitloop. Dus wil ek net byvoeg: waardeer mekaar, help mekaar, gee om vir mekaar, beskerm mekaar, dra mekaar se laste, bid vir mekaar en wees lief.

Met baie liefde en waardering,
Miljoene dankies,
Netta Stroebel.



Voice your opinion / Verhef jou stem

This week we are asking the question: South Africa is once again described as a Banana Republic and the judiciary in particular is ridiculed following former President Jacob Zuma latest prison "stint" of no more than two hours before he was "pardoned" by President Cyril Ramaphosa and released from prison: What is your opinion on this:

Zuma should not have been "released" altogether a long time ago
Zuma was released on just grounds
This was exactly what most people have expected
The decision must be reversed and Zuma must return to prison
It's been a Banana Republic for a long time now

Visit our Facebook page to take part - we would love to hear from you.

Parkie-nuus

Graad 1 - Woodlands.

RUSTENBURG HERALD - RUSTENBURG - David Rubenstein het eenkeer gesê: "The world is a complicated place, and there's a lot of division between people. The peforming arts tend to unify people in a way nothing else does!"

Die week van 7-11 Augustus het 1033 leerders van Laerskool Proteapark elke aand die voorreg gehad om mense van verskillende agtergronde saam te bring om te lag, te huil en net weer herinner te word aan die vreugde wat kindwees kan bring!

Die massa-revue, "Parkie Nuus Netwerk - Die plek waar elke storie en kind tel…", is deur onderwysers afgerig en leerders van graad R tot graad 7 kon die geleentheid kry om onder flikkerende ligte, polsende musiek en 'n gejuig van 'n skare mense te dans en te sing!

Die kompetisiegroepe: Die Pretpolsers (senior revuegroep) en Die Ritmerakkers (junior revuegroep, Nasionale Wenners 2022) wat beide ook aan die Kaleidoskoopkompetisie deelneem in die Staatsteater in Pretoria, het die verhoog geopen met hulle storie vertolkende danse! Die parmantige pom-pom maats het ook weer die geleentheid gekry om die gehoor te vermaak!

Nog 'n eerste was Laerskool Proteapark se Dramaklub wat gesorg het vir die unieke nuusberigte gedurende die vertoning! Die week het die nuuslesers van die " Parkie Nuus Netwerk" of PNN se woorde net weer bevestig: "Dit is 'n fees om 'n Parkie te wees!".

RUSTENBURG HERALD - RUSTENBURG - Die Vryburger Omgeemense het 2023 se Vrouedag weer gevier met hul jaarlikse rolbaldag om fondse te bekom vir die organisasie se Kos-vir-kinders-projek.

Die Vryburgers sê baie geluk aan die wenners en alle deelnemers wat die projek so geslaagd gemaak het en gee die versekering dat fondse wat ingesamel is aan verdienstelike instansies geskenk sal word.

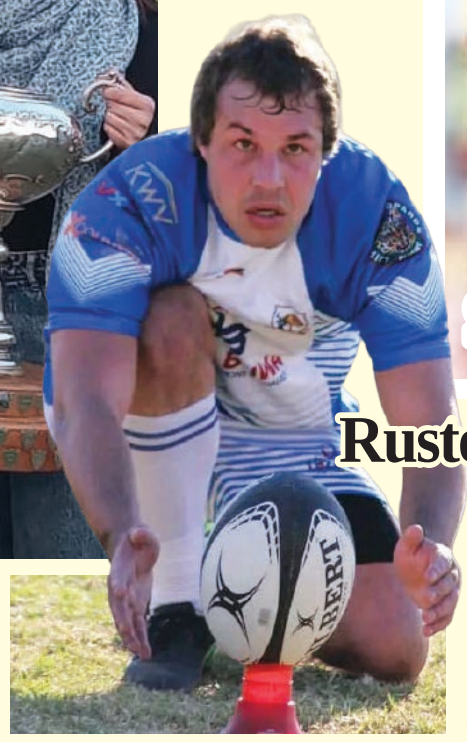
Hanru Botha, agtsteman van Rustenburg Impala se eerstespan was vanjaar die top-drieëdrukker in die Neserliga - Hanru het die doellyn 11 keer oorgesteek. Die mooi nooi by Hanru is Nicola Niewenhuizen.



Trevor Visser - losskakel van Rustenburg Impala - die derde hoogste puntemaker in vanjaar se liga met 'n persoonlike bydrae van 125 punte.

Rustenburg Impala naaswenners van Presidentsliga - Nesertrofee egter veilig in vertoonkas

RUSTENBURG HERALD - RUSTENBURG - Na 'n uitdagende seisoen waarin Rustenburg Impala Rugbyklub mooi opgang en goeie vordering gemaak het, moes Rustenburg Impala se eerste- en tweedespanne tevrede wees om as naaswenners van die Presidentsliga te eindig nadat albei spanne in die finaal teen Welkom Rugbyklub verlede naweek die onderspit gedelf het.

In die wedstryd tussen die eerstespanne was Welkom baas met 'n telling van 41 - 21. Volgens afrigter Trevor Visser het swak verdediging en gebrekkige dissipline Impala die wedstryd gekos.

Welkom Rugbyklub se tweedespan het ook hul kragmeting teen Rustenburg Impala se tweedes met 'n telling van 27 - 15 gewen.

Nogtans kan Rustenburg Impala homself op die skouer klop met die wete dat die trofeë in die Neserliga veilig in Rustenburg Impala se vertoonkas staan. Impala se Trevor Visser het as derde hoogste puntemaker in die Neserliga geëindig met 'n totaal van 125 punte wat hy deur middel van 46 doelskoppe en 11 strafskoppe behaal het.

Impala se top-drieëdrukker was niemand anders nie as Hanru Botha wat deur die loop van die Neserligaseisoen nie minder nie as 11 keer oor die doellyn gebars het.

Rustenburg Impala bedank sy lojale Rustenburg-ondersteuners wat die span telkens tot mooi prestasies aangespoor het. Volgende jaar doen ons beter, het afrigter Trevor Visser
