## Rustenburg Municipality on track with prepaid rollovers

RUSTENBURG HERALD - RUSTENBURG - For consumers and users of prepaid electricity meters who are still somewhat in the dark or perhaps worried about the Rustenburg Municipality's call to arrange for a "rollover procedure" of their prepaid devices at the beginning of April this year, there is little cause for worry.

In April this year consumers with prepaid facilities were notified that inspectors/officials of the Rustenburg Municipality would need access to their prepaid devices for a so-called "rollover procedure" in order for their meters to function faultlessly from 2024.

Furthermore that municipal officials would visit owners' properties and leave a note if the residents were not at home. In the call it was pointed out to consumers that visits could be scheduled for between 17:00 and 19:00 if preferred. Prepaid consumers were at the same time referred to an advertisement by the Rustenburg Local Municipality in Rustenburg Herald of 6 April 2023 with further information on the rollover procedure.

"Remember - if your prepaid meter is not rolled over, you will not be able to load electricity as from 24 November 2024", Cllr Tanya Rothman of the DA in Ward 17 said. Consumers are advised to contact F Mokalake on (014) 590 3432; 590 3434; 590 3428 or 590 3429 for an update or more information on the rollover procedure. The RLM is currently quite involved with the process. "The implementation progress is at 28% and about 45 000 meters must still be visited.

A Rustenburg consumer told Rustenburg Herald that officials were at her home recently to facilitate the rollover and that the procedure took less than 20 minutes! The completion date for the roll-over process is projected at 30 June 2024. In terms of the procedure, - a Hybrid system will be implemented which will include self loading by customers, internal staff and appointed service providers. "By the end of November 2024 all meters must be converted to the new STS edition. We urge RLM residents to grant access to the teams responsible for the program", the Rustenburg Municipality concluded.

RUSTENBURG HERALD - RUSTENBURG - Police are investigating the death of a 50-year-old man who died in a local clinic early this week.

The employees of a pub in Thlabane spotted the man lying near the pub at around 03:00 Monday morning (21 August).

They immediately called for help and the man was taken to local clinic where he later passed away.

"We are requesting the help of the community to assist with information," Sgt Ofentse Mokgadi said. According to Sgt Mokgadi, the man was allegedly earlier

seen in the vicinity of the pub between GG and Bester on Sunday evening.

Police have information that the man might have been assaulted and stoned by assailants that evening.

# Life imprisonment for child rapist

RUSTENBURG HERALD - RUSTENBURG - The Rustenburg Regional Court sentenced Pusoetsile Seabaneng (23), to life imprisonment.

This follows after he was found guilty of raping a 12-year-old girl.

Seabaneng was further declared unfit to work with children and his name will be listed in the national sex offender's register.

His conviction emanates from an incident that took place at Photsaneng village, near Rustenburg, on 10 October 2016. Seabaneng, 16-years-old at that stage, and his father were tenants at the home of the victim, who was staying with her grandmother at the time.

According to evidence led in court, the victim's grandmother left Seabaneng watching tv with the girl. He was a trusted, because his father and him were living there for more than 10 years, renting a room from the victim's grandmother.

After the grandmother left on the afternoon in question, Seabaneng apparently undressed the victim without her consent,

and then raped her.

Following this incident, he left the house and went to his rented outside room, leaving the child unattended. She then reported the matter to her aunt the following day.

Seabaneng was arrested and charged with rape. He pleaded not guilty to the offence.

In aggravation of the sentence, the state prosecutor, Aubrey Mataboge argued that Seabaneng manipulated the trust that the child had in him. Magistrate Marion Wessel agreed with the state as she imposed life imprisonment on Seabaneng.

The Director of Public Prosecutions in the North West, Dr Rachel Makhari, lauded the collaboration of the prosecutor, investigating officer and the Thuthuzela Care Center for the conviction. She called on an intensified advocacy against the scourge of rape and gender-based violence and femicide.

The National Centre for Child Protection have 256 Child Protection Hotlines across the country. The Child Protection Hotlines are available to anyone of all ages who are in need of help. "Our mission is to offer a free 24 x 7 x 365 service (via SMS, WhatsApp or phone call) to any child, parent, teacher, grandparent or any other person, to report child abuse, neglect, bullying, trafficking or any other action that impacts children. To be the voice for the voiceless, help the helpless and to provide hope to the hopeless. Our vision is to make child abuse in any form, history. The National Centre for Child Protection is not funded by government. This is one of our biggest challenges that we find takes our time away from our actual cause. We rely on our corporate partners for funding, fund raisers such as Golf Days, Comedy shows and write our own children's books, which we then sell. We are ever so grateful to the CRC Church in Rustenburg for housing our call centre for the meantime, whilst we renovate, along with

providing fund raising for our cause," says the National Centre for Child Protection

The National Centre for Child Protection have many big and exciting plans and projects launching in the near future. They offer a free service to children through their Child Protection Hotlines. They conduct educational talks with learners at schools across the country and educate learners and teachers on topics and challenges that they should be aware of, that children face daily in and out of school settings. One of the things they find is that no one really knows where to seek assistance for a child in need and they try to ensure to offer that one stop solution to these problems. The National Centre for Child Protection also have a 24 - Hour free Counselling Hotline available to anyone up until the age of 35. This Counselling Hotline is available 24/7, every day of the year - via

SMS, WhatsApp or phone call. During the event, the centre mentioned a few of the cases they receive through their call centre: "The reports that reach our call centre varies from cases of bullying at schools, children being locked out of homes, neglect, parental alienation, trafficking, children being abducted, sexual exploitation and the list goes on and on," says CEO, Danie Van Loggerenberg. Impala Rustenburg takes immense pride in its commitment to empowering women in its mine communities by providing them with substantial support through its ESD (Enterprise and Supplier Development) programme and a variety of business opportunities.

One remarkable entrepreneur who has benefitted from Impala's initiatives is Koketso Bogopane from Phokeng, Rustenburg. Her local, women-led business exemplifies the transformative impact of Impala's initiatives.

## Who is Koketso Bogopane?

I am a driven entrepreneur, and hold diplomas in Business Management, Entrepreneurship, and Project Management, along with a BCom Marketing Management degree. Through continuous learning I have honed my skills and gained valuable insights, shaping me into a well-rounded and ambitious businesswoman.

## What are your aspirations as a young women-led SMME in Rustenburg?

My hope and inspiration lie in the pursuit of growth; growth that not only benefits myself but also has a positive impact on society. I strongly believe in the power of diversity and inclusivity and aim to champion these values. I am hoping to grow our business, thereby creating job opportunities for talented individuals in our community.

## Tell us about your company

Matlafatso Investments is a 100% black female-owned tier-one company specialising in general plumbing maintenance and installations. Our success as a preferred supplier at Impala Rustenburg has driven us to expand into building construction, engineering, and consulting. This expansion led to the formation of Avenir-Matlafatso, a new partnership making significant strides in these industries.

## How has Impala's ESD programme contributed to your business development?

Beyond classroom education, the programme provided skills, market access, and continuous support.

During the Covid-19 pandemic, having Impala as a client sustained us and enabled steady growth. The Economic Inclusion Centre, designed to support start-ups like ours, has also been instrumental with its state-of-the-art facilities and invaluable support to local entrepreneurs.

# Wildlife myths and superstitions - Part 2

by Christa Mynhardt, We Care Wildlife Rehabilitation Centre

**RUSTENBURG HERALD - RUSTENBURG** - As stated in Part 1 of Myths and Superstitions, humans do much harm to their fellow beings because of folklore and beliefs.

This week we take a look at how these beliefs and old stories influence owls, vultures, monitor lizards and pangolins.

But first, what is a myth? A widely held, but false belief or idea. And a superstition? It's a widely held, but irrational belief in supernatural influences, especially as leading to good or bad luck, or a practice based on such a belief.

## Owls

Owls are seen as evil creatures because they fly at night by a number of people.

It is believed by some that when an owl lands on your roof and hoots, it has been sent by a sangoma or witch doctor, delivering bad luck or a fatal curse.

They are also associated with darkness and the occult due to their nocturnal nature and tendency to appear without warning. A lot of people believe that if you touch an owl chick, the mother will abandon it. (This is the belief for most other birds and animals as well) This is not true at all. Another belief is

that owls can carry off and eat a baby. Some even claim owls are the only creatures that can live with ghosts.

All the above is false and, sadly this false belief causes people to kill these innocent, beautiful birds, sometimes in horrendous ways. Owls are actually a very important part of the ecosystem. They keep rodent numbers under control.

In Southern Africa we get 12 species of owl. Almost all of them eat rodents as a main diet. Sadly people do not always realize this and put out poison to get rid of mice and rats and end up killing owls with secondary poisoning. Please: trust the owls in your area to keep the rodents at bay. If you do not have any owls around, please contact us for advice on how to get rid of rodents without affecting wildlife in your area.

## Monitor Lizards

These harmless reptiles are greatly threatened by human greed. The genitalia of these lizards are cut off and dried - this gives

them the appearance of clasped hands. It is then sold to superstitious people as a type of root that apparently grants wishes.

These lizards eat insects and rodents and are an important part of the ecosystem. They need our protection.

## Vultures

It is believed that if vulture brains are smoked and inhaled, it will give you the gift of feeling that something is going to happen to you or someone close to you (normally something bad).

Another ridiculous belief is using a vulture brain will get you rich, even help you win the lottery, or that it will make you clever and help you pass your matric.

All this is false and sadly a lot of people don't realize the importance of vultures on our planet. These magnificent birds help keep our planet healthy by cleaning up. They are like

the vacuum cleaners in nature. By cleaning up carcasses they prevent disease outbreaks thus keeping the environment healthy.

## Pangolins

At this moment, pangolins are the most trafficked animal in the world. In Africa pangolins are sold as bush meat and used for ritual and spiritual purposes. Their scales are also used in traditional medicine in Africa, China and Vietnam. The fact is that there is no scientific proof for any belief that it has any medicinal benefits - just as there is no scientific proof that rhino horn has any medicinal properties. Pangolin scales, just like rhino horn is made of the same stuff as our fingernails - Keratin. It is illegal to sell pangolins, their scales or their meat. They are a protected species. If you are caught with a pangolin or parts of one, you will be in big trouble. Pangolin numbers are dropping fast due to poaching. If not stopped fast, we may lose these special mammals forever.

If we all work together to protect all these birds, animals and reptiles we can save them for future generations.

For any questions or advice regarding myths and superstitions concerning wildlife, please feel free to give We Care Wildlife Rehabilitation Centre a call on 071 370 4520 (Christa). Should you find any wildlife in need, please also give us a call for assistance.

A lot of people don't realize the importance of vultures on our planet.

Pangolins are the most trafficked animals in the world.

## Golden Oldies on the go!

Bambhanani is an Npo Elders Organization and was formed in 2017.

The elderly celebrated Women's Day on 9 August. Pastor of the day was Mr Basimane Khumalo, and Social Development's Miss Manamela was also invited to the event.

On the day, the Bambhanani 'Oldies' took part in the Golden Games, which is an annual happening. The event was held at Olympia Stadium on 15 August.

## PG veg tot aan einde 'n dapper stryd

RUSTENBURG HERALD - RUSTENBURG - PG Grobler was maar 'n seun van 16 jaar en in standerd 8 toe hy sy pa in 2005 aan die dood moes afstaan.

Maar die noodlot het skaars twee weke later vir die tweede keer by dieselfde huis kom aanklop en hierdie keer was dit PG wat skrikwekkende nuus ontvang het. Terwyl die meeste kinders in hul tienerjare op die leiding, liefde en wysheid van hul ouers en veral hul pa's kon staan, kon staatmaak, het die lewe vir PG 'n ander reis ingehou.

Die werklikheid was dat PG geweet het dat nie alles met sy gesondheid pluis is nie - selfs nog voordat sy pa (die bekende voormalige geneesheer en Simmentalerboer - dr Pieter Grobler) slegs vyf jaar na die veelbesproke nuwe millennium oorlede is. Dit was op 12 Augustus 2005 dat PG by die graf van sy pa moes staan, net om skaars tien dae later te hoor dat hy self breinkanker onder lede gehad het en dat hy hom vir 'n lang en uitmergelende stryd sal moet voorberei.

'n Lang reis met operasies, medikasie en hospitalisasie het op 24 Augustus 2005 begin toe PG sy eerste operasie in die Ferncrest

Hospitaal in Rustenburg ondergaan het. Die prosedure is destyds deur die ewebekende dr Percy Bezuidenhout waargeneem. Hy moes daarna vir minstens twee jaar chemoterapie ondergaan maar moes vir twee weke ook intensieve bestraling ondergaan. 'n Spesiale prosedure en toerusting is spesiaal vir PG gemaak en hoe fêl die stryd ook al was, minstens was dit 'n positiewe stryd, onthou sy ma - Mimi Terblanche.

Maar PG het nie die stryd alleen gestry nie -veral sy ouer suster Arina (de Bruyn) het hom vreeslik baie bygestaan en bemoedig. Omdat hy hom nie gou weer op die skoolbanke sou bevind nie, het PG so gou soos dit vir hom moontlik was ingesprong en sy standerd nege en matriek uit die hospitaalbed en by die huis per Umalusi behaal en daarna voltyds vir 'n graadkursus (B Com Rekeningkunde) aan die Universiteit van Potchefstroom ingeskryf. Hierna het hy vir sy klervskap by 'n ouditeursfirma in Rustenburg aangesluit en vir maande indien nie langer nie het dit goed gegaan. PG was oënskynlik gesond, die kanker was in remissie en hy kon met sy lewe voortgaan. Maar die donker wolk wat waarskynlik regdeur die proses oor PG

geheng het, was dat die intense bestraling atrofie ('n toestand wat weens herhaalde bestraling veroorsaak word) tot gevolg kon hê wat ongeveer 10 jaar na die bestralingssessies 'n invloed op PG se lewe en gesondheid sou hê. Dié vrese het mettertyd al hoe meer begin materialiseer. PG se balans, spraak, sig, en fisiese krag is geaffekteer. Omdat hy dit toenemend moeilik gevind het om die pas vol te hou, het hy begin om op 'n stukkie grond (Dwarsfontein) anderkaart Derby met beeste te boer. PG se toestand het vroeg in Januarie vanjaar versleg en weer moes hy hospitaal toe. Hy is hierdie keer in Peglerae-hospitaal opgeneem en is spoedig later na die Units-hospitaal in Pretoria oorgeplaas - 'n tyd van intense hospitalisasie het gevolg. Na 'n reeks behandelings is PG ontslaan en het hy vir 'n tyd lank by Alt Kroondal goeie sorg geniet totdat sy toestand so versleg het dat hy op 19 Julie in Peglerae-hospitaal opgeneem is waar hy op 26 Julie in die ouderdom van 34 jaar oorlede is.

PG se begrafnis het op 4 Augustus vanuit die NH-kerk Rustenburg-Suid plaasgevind - die diens is deur ds Stefan Botha waargeneem. "Ons onthou die talle lewenslesse wat ons by PG geleer het, sy vermoei om altyd positief te wees, sy onuitblusbare humorsin. Ons mis hom geweldig baie", het sy ma Mimi gesê.

# Rustenburg se boere speel "plaas-plaas" - Boeremark nou Saterdag

**RUSTENBURG HERALD**  
- RUSTENBURG - Rustenburgers word herinner aan die Rustenburg Boeremark wat eerskomende naweek, Saterdag, 26 Augustus, by die voormalige Rustenburgse skougronde aangebied word.

Die Rustenburg Boeremark is ongeveer 'n jaar oud en is 'n heerlike geleentheid vir almal wat van tuisgemaakte produkte en artikels hou. Besoekers kan kus en keur tussen allerlei stalletjies wat letterlik alles van vars groente, gebottelde lekkernye soos konfyt, blatjang, ingemaakte kos en slaai, biltong, vleishappies, en 'n wye verskeidenheid handgemaakte kuns en klere, houtspeelgoed en -artikels tot gebreide babaspeelgoed wat aangebied word.

En dan is daar natuurlik ook wegneemhappies soos hamburgers, warmbrakke en ag, te veel om op te noem. Maak tog seker dat daar 'n goeie klompie kontant in die beursie is - jy sal nooit weet watter verrassings daar vir die besoeker by dié mark is nie. Vir mense wat graag meer te hore wil kom van die wêreld van boerdery, is daar geleentheid om skouers te skuur met 'n klompie dorpertelers en-kenners en as jy dalk liewers 'n klein lappie mielies wil plant, is die mark ook die plek om aan te klop en met boermense skouers te skuur. Hierdie naweek se boeremark sal egter 'n "bumper" wees soos die Engelse sê omdat die mark Saterdag saam met 'n ewe-opwindende Boeredag saamval. Saterdag se Boeredag begin ook om 09:00 op dieselfde terrein maar sal net tot om 13:00 duur terwyl die Boeremark sakemanne en vroue tot om 15:00 besig sal hou. Die Boeremark is 'n heerlike geleentheid om sommer net op 'n Saterdagoggend in te loer om 'n luilekker-naweek in te lui. Dit is hoogs onwaarskynlik dat u nie ou kennisse of selfs goeie vriende hier sal raakloop nie. Natuurlik is hier ook 'n stalletjie waar vriende 'n kopje boeretroos kan geniet. Onthou - daar is ook pret vir die kinders!

Die Rustenburg Boeremark begin om 09:00 en duur tot om 15:00. Tuisskeppers en -produsente wat 'n ietsie het wat hulle graag by 'n mark sal wil aanbied, is welkom om 'n stalletjie te neem teen slegs R100. Stalletjies kan bespreek word by farmers. tracy.ad@gmail.com of daar kan by 072 580 1076 of 078 397 1397 navraag gedoen word. Onthou - toegang is gratis en daar is volop veilige parkering met sekuriteit. Sien julle by die Boeremark!

**RUSTENBURG HERALD - RUSTENBURG - NG** Proteapark reël 'n sprokiesmooi vroueoggend met Sorina (Flooze) vir Saterdag 26 Augustus om 10:00. Die tema fokus op "Sprokies: Elke Vrou het 'n mooi sprokie om te skryf". Begin jou sprokies ook met "Eendag lank lank gelede"? Werk dit in die regte lewe ook so?

Sorina vertel: "Elke koningin en prinses het 'n monster van 'n draak wat sy moet veg. Maar soos in 'n sprokies, kan ons ook glo in 'n einde soos: hulle het vir ewig en gelukkig lank gelewe." Kom luister saam hoe mens die pen van die lewe kan gebruik om vir jouself 'n sprokies te skryf - vol goedheid en genade in God se guns.

"Wanneer laas het ons as vroue die geleentheid gehad om so lekker saam te kuier? Moenie hierdie oggend misloop nie!"

## In 'n Nutshell

## Laat die silwermaan jou bekoor

As tiener was ek versot op Wille Martin se boeke. Oukaapse verhale van pragtige, weerbarstige vroue en heldhaftige, aantreklike manne. Ek was ook gek oor Karl Kielblock se Lafkas Cuyper-boeke: Die dapper, jong, onnusige knaap wat avonture gehad het wat jou laat naels kou het, maar jou ook hardop kon laat lag het vir sy mannewales om die Britte die loef af te steek. Dié dat Frenette van Wyk se nuutste Romanza, 'Silverspoor van die maan', my oog getrek het.

Die verhaal speel af in die Kaap de Goede Hoop en vertel van Zara Greyvenstein en die dilemma waarin sy haar bevind. Sy het drome van die wêreld gesien en om haar hart te verloor op 'n man wat waardig van haar liefde is.

Maar die lewe het ander planne.

Die mooi Zara moet haar eie wense en begeertes eenkant toe skuif, want haar pa is in groot moeilikheid. Die enigste uitweg is dat Zara moet trou met 'n man wat haar pa uit die knyp kan kry; Maar dié

man is op soek is na 'n 'deugsame en onderdanige' vrou - en dit is Zara beslis nie.

Daar is iemand wat haar hart vinniger laat klop - maar dié is heel waarskynlik 'n seerower!

Wat wag vir Zara as sy sou durf om die silverspoor van die maan te volg?

'Silverspoor van die maan' is Frenette van Wyk se vyfde Romanza en word uitgegee deur LAPA Uitgewers.

## Fanfare of Trumpets! Lauren Beukes is back

I am the bearer of great news for all Lauren Beukes-fans: She has a new book out! Her 'The Shining Girls' took readers all over the world by storm when it came out a couple of years ago - the sensational success of the novel saw it translated into 26 languages.

It made such an impact, that it was turned into a television series.

Now Lauren is back with another offering, 'Bridge'.

Have you ever wondered if this reality is the only reality? Have you ever imagined another version of yourself? In Bridge you can dive into these possibilities - if you dare. In infinite parallel universes, there's a version of you who already has everything you've ever wanted. But 24-year-old drop-out Bridge is paralysed, by all the other lives she could have lived, the choices she could have made, and now, whoever she's supposed to be in the wake of her mother's premature death. They always had a complicated relationship. Jo was the teenage runaway turned maverick neuroscientist who threw everything away chasing after an impossibility - a mysterious artefact - the dreamworm - that allows you to switch between realities.

And now she's dead and any chance of reconciliation with her is gone.

But is Jo really gone ... or only in this universe?

When Bridge and her best friend Dom stumble on the dreamworm, which does indeed open

the doors to other worlds, other selves, she becomes convinced her mom is lost out there.

But the dreamworm is more dangerous than

she can imagine, and she's not the only one

hunting across time and space. Page-turning

and ambitious, 'Bridge' is a dazzlingly inventive

speculative thriller with an unforgettable cast of

characters, and the work of a powerful, skilled

novelist that knows her stuff.

'Bridge' is published by Penguin Random House.

Visit their website for more information regarding this book, as well as Lauren's other novels.

## Arendskloof "skrik" toe berg skielik brand

Inwoners van Arendskloof moes Dinsdagavond skarrel toe 'n brand teen die berg in die omgewing van 'n informele nedersetting ontstaan het. Vure het blykbaar in 'n stadium ook aan die agterkant van Arendskloof gewoed. Die Rustenburgse Brandweer is omstreeks 19:17 ontbied en was binne minute op die toneel. Daar is tot ongeveer 23:00 teen die vlamme geveeg en inwoners van Arendskloof was tot feitlik middernag op die toneel om seker te maak dat die vlamme geblus is. Geen noemenswaardige skade - behalwe aan die veld - is tydens die brand aangerig nie.

## Mini-herderspasteitjies a la Mariana

Die kuns om huisvrou (tuisteskepper) te wees word deesdae by die dag moeiliker. Die meeste mense kla sommer maklik omdat die dinge by die werk "elke dag dieselfde ding" is – wees dankbaar mnr/mev – vir 'n huisvrou wat voortdurend moet besin oor die gesin of kinders se maaltye, bestaan daar nie so 'n luksheid nie. Ons ma's moet deurentyd seker maak dat die gesin se etes interessant bly, dat dit smaaklik is, nie te duur is nie en laastens dat dit supergesond is – nie altyd 'n maklike uitdaging nie nê? Mariana Paul van Rustenburg is 'n bekende persoonlikheid in plaaslike kosmaakkringe. Sy't egter sommer baie hooi op haar vurv en hoe sy vir alles tyd kry, wil 'n mens dadelik laat kopkrap.

Mariana is nie net 'n gereelde gas in Rustenburg Herald se weeklike kosrmaakrubriek nie, sy is ook gaskunstenaar op 7de Laan waar sy die rol van Ubettina Wethu vertolk. Om kop bo water te hou, moet Mariana 'n planmaker wees en planne het sy baie in haar kas. Vandeesweek – heerlike mini-herderspasteitjies wat sy op haar eie unieke manier voorberei. Kry die bestanddele gereed – jy is dalk nog betyds vir middagete!

Mariana Paul – een van Rustenburg se baie baasbaksters met haar mini-herderspasteitjies. Het jy geweet dat Mariana haar lyf ook gereeld aktrise hou? Loer gerus na die jongste klompie episodes van Sewende Laan voordat dié reeks binnekort eindig.

## Mini-herderspasteitjies

### Kapokaartappels

#### Bestanddele:

3 aartappels (groot)  
½ kopje water  
2 eetlepels Cremora  
Sout en peper

#### Metode:

Skil aartappels – sny in kwarte. Kook in soutwater tot sag, (Moet nie water weggooi nie). Druk aartappels fyn, meng die Cremora in bietjie water (wat jy hierbo gehou het) en gooи by aartappels, meng en garneer na smaak.

'n Mens kan amper nie glo dat hierdie slegs met 'n paar snytjies witbrood, 'n bietjie kapokaartappels, uie, knoffel, kaas en 'n tikkie maalvleis gemaak word nie.

### Broodkoppies (sirkels)

#### Bestanddele:

12 snye witbrood  
1 Eetlepel botter gesmelt

#### Metode:

Voorverhit oond teen 180°C. Smeer muffinpannetjie met plek vir 12 pastetjies. Sny sirkels groot genoeg om in holtes van muffinpannetjie te pas. Smeer pan en plaas broodsirkels (koppies) daarin. Smeer met botter en bak vir 5 tot 10 minute tot gerooster en haal weer uit om 'n skeppie beslag te kry voor dit teruggaan oond toe.

½ kopje water  
1 kopje gemengde groente (mielies, wortels en ertjes)  
2 koppies gerasperde kaas  
Sout en peper na smaak

### Maalvleisvulsel

#### Bestanddele:

½ eetlepel olie  
½ ui fyngekap  
1 knoffelhuisie – fyngedruk  
300g maalvleis (bees)  
1 pakkie (50 g) tamatiepasta

#### Metode:

Verhit olie op mediumhitte. Gooi uie by en sauté saam vir 3 min. Gooi knoffel by en braai verdere 3 min. Stel hitte warmer en voeg maalvleis by - braai 3 tot 5 min. Roer tamatiepasta en water by en laat prut vir 15 minute. Voeg gemengde groente by en prut vir nog 10 min.

Wenk: Gooi ½ kopje water by as mengsel te droog is. Garneer met sout en peper. Skeep kwartkoppie van die mengsel in elke broodkoppie in muffinpannetjie. Sprinkel kaas oor die vulsel. Skeep kapokaartappels of druk uit met koekiedrukker bo-op die kaas en maalvleis. Bak tot mooi goudbruin, laat effens afkoel en bedien met groenslaai- baie lekker!

Gebruik snytjies witbrood instede van deeg as jou tyd min is of as die randjes nie wil rek nie. Sny die korsies af, rol die snytjies brood plat met koekroller en jy kan jou broodkoppies toevou.

Maalvleis met knoffel en uie en dan ook 'n paar handjesvol gemengde vriesgroente maak 'n heerlike vulsel vir herderspastei.

Vou die broodkoppies so dat dit 'n natuurlik holte in die muffinpannetjie vorm sodat die vulsel maklik daarin geskep kan word.

Mariana druk haar kapokaartappels met 'n koekiedrukker uit sodat dit mooier vertoon as dit uit die oond kom.

## Veelpartyhandves lank agterweë

Teen die agtergrond van die enorme verval in Suid-Afrika wat feitlik sonder uitsondering in omrent alle sektore van die land plaasgevind het - hetsy infrastruktuur, staatsdiens, die reg, openbare fasiliteite, gesondheidsorg, misdaad, effektiewe polisiëring, die SANW, toerisme, die ekonomiese tot die onmeetbare agteruitgang in etiek en moraliteit, is dit ondenkbaar dat dit die land se opposisiepolitiek presies 30 jaar geneem het om in 'n verenigde front te mobiliseer teen 'n ANC-regering waaraan skynbaar geen salf te smeer is nie. Miskien het Suid-Afrikaners nou die antwoord oor hoekom dit destyds veral tydens die termyn van die voormalige president Jacob Zuma nodig was om so dikwels na Harare te reis en met president Robert Mugabe te vergader. Dit is natuurlik hier waar die ANC-regering die grondslag gevoer het oor hoe om 'n land en sy mense soos 'n diktator te onderdruk in 'n proses wat "volgens die boeke" na 'n demokrasie mag lyk. (Gaan kyk nou maar wat het gebeur met Woensdag se verkiesing in Zimbabwe - dit is nou die een waarvoor president Emmerson Mnangagwa dit noodsaaklik geag het om die buitelandse media te verbied? 'n Mens het nie veel verbeelding nodig om te weet hoekom nie). Maar terug na Suid-Afrika se nuwe en dalk enigste hoop wat ons land se regeringsake betref. Suid-Afrikaners sal in hul massas moet begin besef dat daar nie veel is wat nog vir 'n onbepaalde tyd kan oorleef indien 'n korrupte regering deur "bewusteloos" kiesers toegelaat word om in beheer van die land se regering aan te bly nie. 'n Mens moet wonder

waaroor hoop die mense wat na jare se verval steeds vir die ANC stem in die hoop dat hulle eendag "iets" as beloning sal ontvang. Dit is ongetwyfeld hopeloos te laat vir hierdie mense om 'n bietjie rondom hulle te kyk en te sien wat oor die afgelope 30 jaar in die land gebeur het. Maar terug na die Veelpartyhandves vir Suid-Afrika (VHSA) bestaande uit sewe politieke partye waarby die ANC en die EFF nie ingesluit is nie en waarop Suid-Afrikaners se hoop berus om die ANC uit die kussings te lig. Ons merk dat daar vandesweek na 'n ietwat stormagtige begin vir die VHSA verlede week, begin besin is oor watter een van die sewe politieke leiers die presidentskap van die land sou toeval indien die VHSA dit sou vermag om die verkiesing te wen. Ja, politici is maar 'n spesie van hul eie en dit is nogal nie 'n verrassing dat dié kwessie van die presidentskap een of ander tyd sou opduik in aanloop tot volgende jaar se verkiesing nie. Maar om dit maklik te maak, stel ons sommer die volgende voor: Stel 'n regering van "Nasionale Eenheid" saam bestaande uit kandidate van bogenoemde sewe politieke partye en gee elke politieke leier van die koalisie eenvoudig die geleentheid om in oorleg met sy ses "vennote" vir 'n bepaalde tydperk in die president se stoel te sit. Die termyn van die roterende presidentskap kan op baie faktore berus waarvan die meeste waarskynlik vir die kieserpubliek onbelangrik is. Dit is trouens die maklike deel - die moeilike deel is die belangrike - wen eers die Nasionale Verkiesing - wat anders?

## Multi-Party Charter long overdue

Against the background of enormous decline in South Africa which has invariably dawned at the most government sectors and spheres in the country - from infrastructure, public services, the judiciary, public facilities, health care, crime, effective policing, the SANDF, tourism, the economy to what seems to be a total collapse in morality and ethics, it is unthinkable that it has taken the country's opposition politics exactly 30 years to mobilise in a united movement against the ANC government who has made it clear over three decades that a bird may change of feathers, but not of colour.

Maybe now South Africans have the answer to why it was necessary, particularly during the presidency of Jacob Zuma, to travel to Harare so often to meet with former President Robert Mugabe. Of course it was here where the ANC has been fed the basics on how to oppress a country and its people the way a typical dictator does while according to the books the form of government would suggest a democracy? (Just take another look at what has happened during the Zimbabwean National Elections on Wednesday - an election during which President Emmerson Mnangagwa has deemed it necessary to ban the international media - no, one really doesn't need much imagination). But back to South Africa and its new (only?) hope for alternative government. South Africans will have to realise that not much will be left standing if the corrupt ANC government is

allowed to remain in power by an unconscious electorate for another few years. One should wonder what it is that most of these people have been waiting for while voting for a hopeless and corrupt government year after year? Did they really think that a T shirt and cheap mail were worth it or that they will receive "something" some day? It is obviously much too late to all of a sudden look around yourself and to realise the collapse over a period of three decades.

The formation of the Multi-Party Charter for South Africa during last week, is undeniably good news for the country but there is still a lot of work that needs to be done. Good news from the outset is that neither the ANC nor the EFF is included in the Charter. Following somewhat of a stormy start last week, we note that one of the issues was that of who will be President of the country should the Multi-Party Charter for South Africa manage the unthinkable to win the election. To make it easier we suggest the following: Appoint a government of "national unity" based on merit from the ranks of the MPCSA and may we suggest that each of the political leaders of the seven party alliance is offered an opportunity to assume the Presidency for some time in "partnership" with each of his six partners. Naturally the term of such Presidency is not important and quite easy. Needless to say - the only important issue is winning the election and changing the future - what else?

## "Blikskud" for SPCA

The Editor,

The SPCA is having a much needed "blikskud" on Saturday 26 August. Please help keep a roof over their heads. I have been humbled and thankful because the SPCA charity has made it possible for me to lend a helping hand to the less fortunate animals. I understand if it's only a small amount of money. I can't do it

alone but we can do it together! Keep in mind we have a few other options aside from cash such as food, donations or become a fantastic volunteer. So when you see us standing in the hot sun please do not ignore us as every cent counts. Your generosity is massively appreciated.

Thanks, Leigh-Ann van der Merwe.

Zuma was released on just grounds 2%

This was exactly what most people have expected 6%

## Zinniaville Secondary School celebrates its 50th Golden Jubilee

RUSTENBURG HERALD - RUSTENBURG - Wow, amazing, remarkable, were just some of the sentiments shared over social media and other platforms when Zinniaville Secondary School celebrated its 50th Golden Jubilee.

What an amazing night experienced by all that attended the function held on Saturday 5 August at Hedgehog's Nest in Rustenburg. Ex-learners, ex-Principals and ex-SGB along with members of the community, business and professional sectors, attended the event to reminisce over the tremendous milestone that Zinniaville Secondary School had achieved.

Ex-Principal and ex-Educators with Ms Suliman.

Doctor Moloi (middle) with Gomolemo Mangwathe (left) and Johnny Moraka (right).

Ms Suliman, Mrs Kola and Ms Rajah.

Fazlin Kola, Deputy Principal welcomed our honourable guests and introduced the Programme Director, Mr Muthu Murugan.

Ms Suliman, Principal, an alumni of Zinniaville Secondary School started her journey as a learner in 1974 only to return later as an educator in 1990.

Ms Suliman's link to ZSS is far reaching as she became an HOD, Deputy Principal and was eventually promoted to Principal in 2019.

The highlight for the evening was Mr Muthu Murugan, who had the crowd roaring with laughter with his wit and humour.

Mr Murugan had a tremendous impact on the audience that could not have enough of his jokes.

In the end his wonderful words of wisdom and encouragement to upholding the standard of education truly impressed the guests.

Part of the entertainment was the wonderful and talented Grade 7 learners who had the audience cheering and dancing to the music of the legendary Michael Jackson and Whitney Houston.

Doctor Odile P Moloi, an ex-learner, was the Speaker for the evening.

Dr Moloi shared his experience at Zinniaville Secondary School and thanked the teachers who played a pivotal role in his success as a Dental Practitioner. He also encouraged the alumni to give back to the school without whom they would not be in the position they are in today.

Ex-learners, prominent businessman and professional members of the society participated in an auction that was facilitated by Mr Muthu who ensured that the bar was raised during the bidding.

Wonderful items eg artwork, 72 piece cutlery set, sought after animal hides, television set and a two night getaway at a lodge were up for grabs. Congratulations to those bidders who so willingly contributed to the school.

May Zinniaville Secondary School continue to prosper and may all who walk through the portals of this great institution reach their full potential.

Thank you to everyone who supported the school over the past 50 years as we look forward to the next 50 years.

## Brauhaus se jaarlikse motorskou brul Saterdag

RUSTENBURG HERALD - RUSTENBURG - Die Jaarlikse Motorskou van die Goue Oues Motorklub vind op Saterdag, 26 Augustus, by Brauhaus Afrika plaas op die R24 net anderkant Olifantsnekdam. Hoewel daar gereeld verskeie motorskoue in die omgewing plaasvind, het die Brauhaus Motorskou met die Goue Oues Veteraanmotorklub nie sy gelyke in terme van verskeidenheid nie.

Letterlik die hele spektrum word gedek – van klassieke motors tot gunstelingveterane, sogenoemde Rat Rods, Street Rods en Muscle Cars tot statiese enjins. Nuwe toevoegings vanjaar is die Volvolklub van SA; die Vespaclub van SA (20 reeds bevestig); die Pretoria Ou Motorklub en verskeie ander klubs van die omliggende omgewing.

Die pas afgelope Thunder Tour kom vanjaar weer met 20 supermotors en die enjinmanne met hul statiese enjins het reeds bevestig dat hulle hul yster-speelgoed kom vertoon. Daar gaan vir die hele dag vermaak wees met talle kunstenaars wat optree en natuurlik is daar die egte Duitse gasvryheid van Brauhaus Afrika met hul heerlike kos en bier waarna uitgesien kan word. Vir diegene wat hoop om ook iets anders as motors te sien, is daar baie stalletjies met allerlei artikels waarby besoekers kan aandoen, so moet asseblief nie die dames by die huis los nie – bring hulle saam sodat hulle die dag saam met die "petrol heads" kan geniet. Kom geniet die dag saam met Brauhaus Afrika en kom ontmoet ou en nuwe vriende. Soos altyd gaan 'n groot gedeelte van die opbrengs uit dié motorskou vir koprojekte en voedingskemas by Rustenburgse laerskole. Jou ondersteuning van die motorskou beteken dus baie vir mense wat minder bevoorreg is. Vir meer besonderhede – kontak JJ by 079 934 7952 of Philip by 083 236 8140 – sien julle almal daar!
