Koster-moordsaak: Verdagtes weer in hof

voor Kersfees 2022 in verband met die dood van 'n 32-jarige man in hegtenis geneem is, was verlede week weer in die hof.

Die verrigtinge moes na die Swartruggens hof verskuif word as gevolg van tegniese probleme by die Koster hof.

Die twee mans, Stefan Nel en Adam Barnard het Donderdag (9 Februarie) in die hof verskyn om vir borg aansoek te doen. Die twee is op 21 Desember in hegtenis geneem saam met Donovam Martin, Mustafa Albertyn en Wayne Schroeder nadat die lyk van Klaas Mosimanyana Jobontho (32) gevind is.

Die half-ontbinde liggaam van Jobontho is in 'n buitevertrek op 'n kleinhoewe by Doornlaagte buite Koster, waar die verdagtes woonagtig is, gekry. Die slagoffer se hande was met 'n elektriese koord agter sy rug vasgebind toe sy liggaam deur die polisie gevind is. Volgens Henry Mamothame, streekswoordvoerder vir die Nasionale Vervolgingsgesag is wonde en kneusplekke aan die oorlede se liggaam sprekend van 'n geweldadige aanranding.

Jobontho is laas op 16 Desember lewend gesien. Sy neef, Thabo Jobontho het hom op 21 Desember as vermis aangemeld. Polisie het inligting opgevolg en dié het hulle op dieselfde dag na die plot gelei. Toe die polisie by die perseel opdaag, is hul toegang geweier.

Die beamptes het nog meer snuf in die neus gekry toe hulle mense tussen geboue op die erf sien skarrel.

Nadat toegang verkry is, is tekens van bloed op 'n vloer, asook 'n slaapsak gevind. Sleepmerke het die polisie na die buitevertrek geneem. Die hof moes verlede week hoor dat Nel - wat van moord, dwarsboming van die gereg en verhindering van polisie in die uitvoering van hul pligte - weier om vir die ondersoekbeampte die wagwoord vir 'n sekuriteitstelsel te gee sodat cctv-opnames nagegaan kan word.

Nel beweer glo dat hy nie die wagwoord kan onthou nie.

Nel en Barnard - wat van dwarsboming van die gereg en verhindering van polisie in die uitvoering van hul pligte aangekla is sou vroeër die week hoor of hul aansoek om borgtog suksesvol was.

Die vyf aangeklaagdes spandeer al sowat 60 dae agter tralies.

The famed Rustenburg Rapid Transport Project has now reached the long-awaited taxi integration stage. The friendly operators are Boitumelo Dipitso (driver) and Elvis Tshukudu .

# Rapid Transport reaches taxi integration stage

RUSTENBURG HERALD - RUSTENBURG - An increasing number of orange mini bus taxis have become a common phenomenon in Rustenburg's streets lately. Have you wondered why?

According to Theron Rapoo - Unit Manager: Marketing and Communications of Yarona Rustenburg

of Rustenburg Rapid Transport says a total of 230 were taken of the road and with 35 being rebranded and fitted with an automated fare collection system. "
The R1.3 million is part of the

out "of the taxi business which was agreed with affected taxi operators during the successful negotiations. The compensation buys out the taxis fleet and operating license or their right to operate. The money is not being paid as a lump sum and is done monthly. The first installment was in August 2022 and will run for 12 years", Rapoo said.

These taxis were surrendered by the affected taxi operators as part of negotiations with them during the early stages of the project. The reasons to buy out the taxi fleet include reducing taxis and congestion within the City, majority of this taxis would be scrapped as per taxi recapitalization programme and introduce more buses over time. The RRT uses taxis because there are areas that a bus simply cannot reach. Furthermore taxis are alternatives vehicles to deploy during off peak times. The RRT is expecting more buses to be delivered over 2023 however there is a delay in manufacturing, over time the taxis would be reduced as more buses become ready", he explains. Rapoo says the agreed amount with the affected taxi owners is R1.3 million per taxi. As previously mentioned, this is not paid out to them in a lump sum but via monthly installments as of August 2022 over 12 years. The Department of Transport is aware and approved the agreed amount on the surrendering of taxis by the affected owners. The taxis were not purchased or acquired but rather surrendered by the operators as part of the compensation agreement to introduce buses. There is a delay of manufacturing of rapid buses by the suppliers and manufacturers, as a result we have not been able to get the initial number of buses we had planned.

He says the Department of Transport and Department of Trade and Industry are well aware of this. "The usage of minibus taxis is a temporary solution for now up until we receive the rapid buses. The shortage is not only affecting Rustenburg but other municipalities as well. Once the manufacturer/supplier has confirmed stock availability we will then procure the buses we need based on demand."

# Vigilantes kill man

RUSTENBURG HERALD-LETHABONG-Police here apprehended six suspects in connection with the alleged murder of a 35-year-old man.

The suspects were apprehended at Lethabong outside Rustenburg for assaulting a neighbour on Tuesday night (7 February).

According to Lieutenant Colonel Amanda Funani, the suspects allegedly accused the man of housebreaking and theft of a cell phone.

It seems one of the suspects collected his friends with his taxi and they went to look for the man.

They apparently found him and took him to an unknown place where they assaulted him with unknown objects. "The suspects, aged between 21 and 47-years-old, then allegedly dumped the victim at his mother's place where he was found lying dead outside a house," Lieutenant Colonel Funani said.

Police arrested the suspects on 8 February and they made their first appearance before the Bafokeng Magistrates' Court on Friday (10 February).

All six are charged with murder. NW Provincial Police Commissioner, Lieutenant General Sello Kwena, condemned the incident and asked members of the community to refrain from taking the law into their own hands.

# Phokeng child rapist sentenced

RUSTENBURG HERALD -PHOKENG - The Magistrates' Court here sentenced a man here for raping his 9-year-old niece to life imprisonment.

The man, whose identity is known to Rustenburg Herald but is withheld to protect the identity of his niece, raped the little girl on 2 February 2022 at Lethabong.

The girl was playing with friends when her uncle called her. He took her to his bedroom where he then raped

According to Henry Mamothame, NPA Regional spokesperson, the girl's friend got worried when she did not return and went to look through and then saw the uncle on top of the girl. They ran to the girl's mother, who, in turn went to report the incident to the police. The man was arrested the same day and pleaded guilty to the offence.

In a passing sentence, Magistrate Segakweng Moeng remarked that the man, a father figure to the victim, abused his authority and raped a defenseless child, unsuspecting of his horrific intentions.

The Director of Public Prosecutions in North West, Dr Rachel Makhari, lauded the investigating officer, prosecutor, and the victim's friends for their bravery in leading to the conviction. "We cannot allow such heinous crimes to destroy the lives of innocent and vulnerable children of our society, thus this conviction is welcomed," she remarked.

# Tientalle sit sonder heenkome

Christelle Van Rooyen Wessels

RUSTENBURG HERALD - RUSTENBURG - "Waarheen moet ons gaan? Daar is byna geen huurhuise beskikbaar nie, en dié wat daar is, is onbekostigbaar."

Dit is maar een van die tientalle kommentare wat Rustenburg Herald op ons Facebookbladsy ontvang het.

Baie ander sê dat hul 'gelukkig' was om 'n huis te kry om te huur nadat hul laat verlede jaar moes trek. Hulle het 'n huis by 'n myngroep gehuur, maar het kennis gekry dat hul die eiendom moes ontruim.

"Dit was bitter traumaties om 'n huurplek te soek. Behalwe dat dit meteens ontsaglik duur geword het, is baie eiendomme nie dierevriendelik nie - sommige selfs nie eens kindervriendelik nie! Wat moet jy maak? Jou kinders weggee en jou diere laat uitsit?" Dié persoon gaan dan voort om te vertel dat hulle op dié stadium nie eens elke dag kan bad nie en ook net elke tweede dag kosmaak, in 'n desperate poging om kostes laag te hou. "Huur vreet feitlik ons hele begroting on"

"Huur is belaglik duur. Ons is pensioenarisse. Ek voel magteloos. As daar moontlik iets is wat dierevriendelik is is dit weg voor jy bel. Ons moes al einde Jan uitgewees het. Ons het koop opsie ook oorweeg na 3 weke sê hulle net hulle wil nie nou verkoop nie. Meer as helfte van inkomste gaan na huur maar is gevra om te gaan. Waarheen?" skryf nog 'n moedelose persoon. "Tussen huur en brandstof, skraap mens letterlik sente vir kos bymekaar," beaam 'n ander leser.

Baie mense skryf hoe hul, as gevolg van hemelhoë huur, nou nie meer kop bo water kan hou nie en ander vertel hoe hulle nou die baie hartseer keuse moet maak tussen hul diere - wat vir hul soos kinders is - en 'n dak oor hul kop.

"Kan 'n verhuurder regtig so wreed en harteloos wees," word die vraag gevra. Ander skryf hoe hulle nie nou kan kwalifiseer vir blyplekke nie omdat hul kredietrekords, na Covid-19, nie goed lyk nie. "Al kan jy bewys jy het nog nooit jou huur laat agter raak nie en al gee ander verhuurders vir jou verwysings; dis net nie goed genoeg nie," is nog 'n kommentaar.

Volgens Property24 is daar baie min blyplek te huur in Rustenburg beskikbaar.

En, soos wat lesers beweer, is huur hoog. Toe Rustenburg Herald gekyk het, was meeste van dié doodgewone drieslaapkamerhuise vir meer as R13 000 per maand te huur. 'n Paar, wat ook nie paleise is nie, is vir meer as R20 000 per maand te huur.

Impala Platinum, wat glo vir baie van hul huurders kennis vir einde-Februarie gegee het, is vir kommentaar genader.

## Crooked cops arrested

RUSTENBURG HERALD - RUSTENBURG - Three local police officers appeared in court on charges of corruption last week.

The three, Sgt Maria Mosiamisi (46), Sgt Keaobaka Rantoane (34) and Sgt Thapelo Molifi (42) were in the Rustenburg Magistrates' Court on Wednesday (8 February) after being arrested earlier.

The charges followed after the three police officers allegedly demanded a bribe.

According to Brig Sabata Mokgwabone, the accused stopped the driver of a Nissan NP200 vehicle on 30 January. They allegedly searched the vehicle transporting tyres to Ventersdorp.

The officers further requested a proof of purchase - which the driver did not have in his possession. The police then demanded R10 000 from the driver. He was allegedly taken to an ATM to withdraw R1 500, which he handed over to the trio.

The man reported the incident and the three were arrested. They were each granted R2000 bail and are expected to reappear before court on 14 April.

In an unrelated case, 46-year-old Sgt Thapelo Rammekwa was granted R500 bail upon appearance before the Madikwe Magistrates' Court on Wednesday (8 February).

The sergeant was arrested on 7 February for theft, as well as defeating the ends of justice. Sgt Rammekwa reportedly approached three yet to be arrested theft suspects in October 2022, and instructed them to accompany him to Tlokweng village where the stolen generator was sold.

Rammekwa then confiscated the generator from the alleged buyer and instead of arresting the trio, he released and warned them not to disclose the incident to anyone. Moreover, he did not book the item into the exhibit register. His conduct was reported to the Provincial Anti-Corruption and Investigation Unit (ACIU).

Rammekwa is expected to make a second court appearance on Wednesday, 8 March.

"Dishonest and corrupt officers will suffer the consequences of their criminal conduct. Corrupt employees are a disgrace to the Service and will be rooted out and dealt with effectively," warned Lieutenant General Sello Kwena, NW Provincial Commissioner.

# Ou enjins doen die praatwerk by antieke enjindag

RUSTENBURG HERALD - RUSTENBURG - Human Jordaan van die Paul Kruger Gastehuis op die R24 en sy "Enjinmaters" bied op Saterdag, 18 Februarie, weer hul jaarlikse antieke enjindag aan wat deur menige ou enjingeesdriftiges ondersteun word.

"Enjinmaters" kom van heinde en verre (selfs van die Willem Prinsloo Landboumuseum in Pretoria) met hulle trots in die vorm van ou enjins wat meestal uit skrootwerwe "gered" en pynlik netjies gerestoureer is.

Dit is vir die besoeker 'n nostalgiese gesig om baie van hierdie ou masjinerie "te onthou" en te sien met watter toewyding hierdie manne hul stokperdjie benader. Dit is ook bemoedigend om te sien hoe die pragtig die ou "ysters" uit toeka se dae vandag nog gewillig hul "werk" doen. Soos gewoonlik sal daar heerlike verversings en drinkgoedjies te koop aangebied word as die Februarieson 'n bietjie warm word en vir diegene met 'n groter aptyt is daar ook 'n restaurant waar formele etes bedien word.

Die enjins word vanaf 08:30 aan die brand gedraai en teen 14:00 is dit tyd om op te pak en huiswaarts te keer. Die jaarlikse antieke enjindag is 'n moet vir almal wat in tye van ouds en ou artikels belangstel. Toegang is heeltemal gratis - kom herleef Suid-Afrika se pioniersdae en kuier oor 'n glasie met die enjinmanne en hul masjiene. Onthou - die Paul Kruger Gastehuis op die R24 sowat 6 km vanaf Rustenburg.

'n Voorbeeld van die tipe toerusting wat tydens mnr Human Jordaan se antieke enjindag op Saterdag, 18 Februarie, by die Paul Kruger Gastehuis net buite Rustenburg in aksie gesien

Sjoe, nie eers toe dit splinternuut was het enige antieke enjin ooit só gelyk nie. Talle ander pragtige en interessante ou modelle sal op Saterdag, 18 Februarie, by die Paul Kruger Gastehuis op die R24 die praatwerk doen - kom kyk gerus!

'n Ou en geliefde Rustenburger wat deur baie mede-inwoners van Rustenburg onthou sal word - Dirk Stols - is op 6 Februarie in die ouderdom van 80 jaar oorlede. Dirk se lewensviering (diens) het reeds op 9 Februarie plaasgevind - die dag wat sy 81ste verjaarsdag sou wees. Dirk se geliefdes word sterkte en voorspoed toegewens.

# Nicky aims for SA

RUSTENBURG HERALD - RUSTENBURG - A teacher from Oom Paul School might be the next Mrs South Africa.

Nicky Kruger, mother of three boys and wife to husband Stefan, is a formidable, inspirational woman who are passionate about making a difference in her community.

Even though her sons Lionel, Quintin, and Caleb keeps her on her toes, she is also an active, involved sportswoman who loves the outdoors. Nicky received the happy news that she is a semi-finalist for Mrs SA 2023 on 3 February. Following the announcement, the semi-finalists took part in a jam-packed two-day conference filled with motivational workshops, upskilling sessions, socialising and networking opportunities, and an introduction to the famous Mrs SA

"I am honoured and very excited for this life changing journey," says Nicky.

Mrs South Africa is foremost a selfdiscovery and empowerment programme that celebrates diversity, ambition, and confidence while showcasing some of the country's most phenomenal and talented women, and giving them the skills and tools needed to achieve their dreams

Joani Johnson, CEO of Mrs SA, says,

"We are proud to work alongside so many strong, formidable, and inspirational married women, and to empower them through our pillars of community, self-development, and networking to be the leaders and social game-changers that we need in this country. Our experienced mentors teach leadership, entrepreneurship, marketing, promotion, and self-discovery throughout the year to ensure that all participants have a truly life changing experience.

Sharing more about her decision to enter, Nicky says, "I entered the Mrs South Africa for two reasons. Firstly, for personal growth. My greatest fear is to stagnate so I am always looking for opportunities to become a better version of myself. Many might thing it is just a pageant but it is so much more. Secondly, that I would become a voice and an inspiration for other women who are and were victims of abuse and stand up against child abuse. I believe that every woman should know that they are worthy of feeling loved, protected and cherished and should not feel they need to settle for anything less than being treated as a queen. Also, that

every child, whether they are blood related or step, must be loved, properly taken care of and be able to live in a safe environment, free to just be a child and know that they are loved for who they are.

This year, the casting panel was looking for women who have a keen interest in empowering others, display strong family values, and are passionate about making a difference in their community and the world. Nicky fully embodies these values.

"I am so honoured to represent Rustenburg," Nicky told Rustenburg Herald.

Die spannetjie by Café Rita's waar Catharina se Rooifluweelkoek onder meer beskikbaar is. Dalk moet jy daaraan dink om jou Valentyn vir 'n bederfie hierheen te neem. Van links is Christine Boshoff, Catharina Lourens en Rita Blackwood.

Ja. vir die tweede keer vanjaar sal sommige van ons lesers seker wonder oor ons hier by "Raak die 'klits' kwyt" se prioriteite omdat ons in hierdie tyd waarin baie mense na die "vergrype" van die kersreses nog op dieet is, koekresepte aan ons lesers opdis. Hierdie week deel ons 'n absolute

wenresep vir die immergewilde Rooifluweelkoek. Ons baasbakster (inderdaad) is Catharina Lourens

tweede plek in 'n koekbakkompetisie in die Paul Bodensteinpark laat verlede jaar waarin prysgeld van R3 000 op die spel was.

Ook maar goed Catharina het nie hierdie Rooifluweelkoek vir die kompetisie ingeskryf nie - anders was die gort dalk gaar. Nietemin as jy 'n romerige, wonderlekker koek vir enige geleentheid nodig het, hoef jy nie verder te soek nie - hierdie is 'n wenresep in die ware sin van die woord. Catharina maak

# Rooifluweelkoek

#### Bestanddele:

750 ml Koekmee 5 ml Koeksoda

30 ml Kakao

2,5 ml Sout

125 ml Botter 500 ml Suiker

250 ml Olie

4 Eiers (geskei)

15 ml Vanieljegeursel

5 ml Wit Asyn

250 ml Karringmelk 10 ml Rooi jel (voedselkleursel)

#### Metode:

Voorverhit die oond teen 180°C. Sif koekmeel, koeksoda. kakao en sout saam. Klits kamertemperatuur botter en suiker saam vir 1 minuut. Voeg olie, eiergeel, vanielje en asyn saam, klits vir 2 minute. Voeg droë bestanddele by oliemengsel om die beurt met karringmelk by tot alles goed gemeng is. Skraap die kante van die bak om seker te maak alles is goed gemeng. Voeg gel-voedselkleursel by en meng goed. Klop eierwitte styf en vou by die mengsel by tot goed gemeng. Spuit of smeer oondpanne. Bakpapier kan ook gebruik word. Bak vir 30 tot 35 minute. Toets met tandestokkie of toetspen of koek gaar is. Laat koek goed afkoel voor dit versier word.

#### Versiering:

250 g gewone roomkaas 180 ml wit botter 750 ml Versiersuiker

4 ml Vanieljegeursel Knippie Sout

#### Metode:

Klits roomkaas en botter saam vir 2 minute. Sif versiersuiker by. Voeg vanielje en knippie sout by. Klits goed deur tot romerig vir ongeveer 3 minute. Voeg nog versiersuiker by as jy dit dikker verkies.

#### Wenke:

Dié koek flop nie maklik nie, volg net die resep en bestanddele noukeurig en dit sal mooi uitkom. Wanneer jy eiers skei, sorg dat daar glad nie eiergeel by jou eierwitte kom nie, die eierwitte sal glad nie styf klop nie. Ek skei

Vandag word daar baie gebak maar min gebou - Catharina Lourens wys vir ons hoe om 'n heerlike, romerige Red Velvetkoek te bak

Hier word die styfgeklopte eierwitte bygevoeg – Catharina sê dit is baie belangrik dat die wit en geel-gedeeltes van mekaar weggehou word. Sy verduidelik dit baie mooi in bogenoemde resep.

En so lyk die "Valentynskoek" as dit klaar is. Ons het een-

parig besluit dat dit taamlik maklik moet wees om vir jou

'n Valentyn met so 'n koek te vang.

Meet al die bestanddele mooi af, mens kan soms bietjie hier of daar te veel of te min van iets ingooi, maar as dit by dinge soos koeksoda of bakpoeier kom, moet die regte hoeveelheid gebruik word. Moet nooit 'n oond oopmaak voor die tyd om is nie. Die koek sál plat val.

Laat dit goed afkoel voor jy dit uit die pannetjie haal. As jy bakpapier gebruik, sal dit nie vassit aan jou pannetjie nie. Laat dit ook goed afkoel voor dit versier word.

Ek sny 'n stukkie van die koek af, en maak die krummels fyn om oor koek te strooi vir versiering, maar jy kan enigiets gebruik. Ek plaas die boonste laag koek onderstebo, dat die bokant van die koek mooi plat is. Ons almal verskil, ons tegniek, ons oonde, toerusting, ens. Ek het hierdie koek al omtrent 50 keer gebak, en hy flop baie min, maar bak hom soos wat dit vir jou werk. Bak met 'n goeie gemoed: ek het al baie beleef, as ek die dag nie lus voel om te bak nie, flop die koek. Bak met baie liefde! Die mense sal dit proe en dit waardeer.

Catharina het haarself geleer bak en só die liefde vir bak ontdek. Sy is getroud met SP, 'n predikant by die Genade Protestante Kerk Rustenburg en spog met drie dogters. Hierdie Red Velvetkoek is onder meer beskikbaar by Café Rita's in Waterfall Mall se by die Woolworths ingang. "Alles by Café Rita's maak ek en Rita Blackwood self - kom loer gerus by ons in en kom trakteer julself om iets besonders wat met liefde en passie gebak is," nooi Catharina. Daar is ook 'n lekker koffiehoekie..

# Hoe gemaak as ek 'n troeteldier wil aanneem?

**HERALD** 

**RUSTENBURG - Mnr,** mev - kerm en neul die kinders nou al vir maande dat die gesin 'n nuwe troeteldier moet aanneem by die Rustenburgse Dierebeskermingsvereniging na 'n tweede kans op liefdevolle versorging en aandag uitsien?

Indien wel, is dit belangrik dat aanneemouers hulle van die volgende feite vergewis voordat daardie laaste stap na 'n nuwe hondjie, katjie in die huis oorweeg word.

Kortom beteken aanneem nuwe van 'n eenmalige troeteldier uitgawe van R950 vir hondjie en R750 vir 'n kat hierby ingesluit is die kostes van ontwurming, sterilisasie, inentings (inspuitings) en 'n mikroskyfie sodat jou troeteldier

maklik gevind kan word indien dit sou wegraak. Dan sal nog 'n klompie formaliteite volg: DBV-personeel sal moet verseker dat jou perseel/eiendom geskik/veilig is vir die aanhou van die betrokke troeteldier. In die geval van ander troeteldiere by jou perseel sal jou mees-dominante dier na die DBVkantore gebring moet word sodat daar bevestig kan word of jou nuwe troeteldier met die huidige diere oor die weg sal kom, indien nie, is die soeke na 'n alternatiewe nuwe hond of kat dalk 'n moontlikheid. Indien die

al bogenoemde kriteria voldoen, is dit nog slegs die sterilisasie, inentings, ontwurming en mikroskyfie-inplanting wat wag.

Vir die nuwe eienaar behels die aanneming 'n periode van nagenoeg twee tot drie weke voordat die nuwe hondjie of katjie saam met sy nuwe gesin mag huis toe gaan. Rustenburgers wat dit geruime tyd al oorweeg om nuwe aanneemouers te word, kan gerus by tel 592 3181 met die Rustenburgse DBV in verbinding tree.

Dalk is hierdie die begin van 'n lang, gelukkige verhouding?

#### Energiekrisis maklik oorkombaar

Bykans 'n week na president Ramaphosa se befaamde staatsrede staan baie mense nog verstom oor die dinge wat verlede week vir die soveelste keer in die nasionale vergadering gesien is en hoe min werklik betekenisvolle maar veral bemoedigende diskoers daar van die president se kant af gekom het. Net om later te hoor hoe president Ramaphosa die land se nagenoeg agt jaar-oue elektrisiteitskrisis tot nasionale ramp verklaar en o ja, om te hoor dat die president meen die aanstelling van nog 'n hoëprofiel burokraat (wat anders as nog 'n politieke aanstelling?)

is 'n betekenisvolle oplossing vir Suid-Afrika se energiekrisis.

As 'n mens nou dink aan die sinnelose klomp prag en praal waarvoor die staatsrede die afgelope twee dekades bekend geword het, kan 'n mens nie help om tot die gevolgtrekking te kom dat die staatsrede 'n futiele oefening geword het wat weinig ander doel kan hê as om lede van die nasionale vergadering die geleentheid te bied om te jol en uit te hang - "jol" miskien met spesifieke verwysing na die tirades van die EFF

Ons wil die gewaagde uitspraak maak dat president Ramaphosa dit werklik nie erns kan hê met die vind van 'n oplossing vir Eskom en die land se energiekrisis nie. Nee, hoe kan hy as hy tot nou toe nog nie die eenvoudigste, maar ongetwyfeld enigste werkbare oplossing op die korttermyn oorweeg het nie. Ja,

nou weer 'n rits ongevraagde kritiek en rassistiese aanmerkings op die hals haal, maar wil sommer dadelik daarop wys dat was dit nie vir ons regering en plaaslike owerhede se beleid van selektiewe kredietbeheer ten opsigte van elektrisiteitsverbruik nie, was Eskom nie in die posisie waarin hy hom nou bevind nie. Voorts is dit omdat kritieke aangeleenthede oor die afgelope 20 jaar met sagte, wit handskoentjies hanteer is, dat oplossings vir dié probleme nie gevind kon word nie, maar dat dit trouens net in meer en groter probleme ontaard

Mnr - u het mos nou 'n ramptoestand verklaar. Neem nou vir u 50 caspirrs met behoorlik gewapende bemanning (ons weermaglede soek mos na geleentheid om hul staal met skermutselinkies in klein onbenullige Afrikalandjies te toon) en vaar die strate in en sny eenvoudig en summier alle onwettige kragverbindings en installasies "permanent" af totdat Eskom in staat is om aan dié mense gratis krag te voorsien, of totdat niebetalers die stadium bereik het dat hulle besef dat jy nie dienste kan kry waarvoor jy nie betaal nie.

Hoekom moet net betalendes die skuldlas dra vir Eskomkrag? Mense wat nie betaal nie, maar oor beurtkrag wil kla. verstaan eenvoudig nie hoe die wêreld werk nie. Nou wonder ons net - weet ons regering?

ons weet ons gaan onsself hiermee het - erken dit nou maar. So, ons voorstel vir die president:

#### Electricity crisis easy to overcome

Almost a week after President Ramaphosa's most recent Sona South Africans are still dumb struck as to the little meaningful and encouraging discourse there has been forthcoming from the President. Also, for the umpteenth time South Africans have witnessed that this country has indeed gone to the dogs when members of the EFF took to the stage to become involved in hand-tohand combat with security guards in Parliament. Gosh, it was in such contrast to the pomp and circumstance seen a few hours earlier outside Parliament during the arrival of delegates. One really has to wonder if Sona still serves any purpose other than affording members of the National Assembly an opportunity to jol (toi-toi) and to hang out. Perhaps this part of the proceedings was far more successful than what was to follow during the afternoon session.

But back to Sona. With regards to the country's energy crisis it was disappointing to hear that President Ramaphosa couldn't offer any other strategy to combat the country's energy crisis than to announce the appointment of yet another government Minister this time a Minister of Electricity in the President's office. Why the incompetent Gwede Mantashe was not dismissed to at least justify the latter, few people would understand. Could it be because Mantashe is related to President Ramaphosa - or nepotism as it is better known? To be honest - can it really be that difficult to find a solution to Eskom's

troubles. We don't think so and in fact, we don't think the President had even remotely explored or exhausted all avenues in search of a solution. Therefore, we have a suggestion: (Yes we know, we will expose ourselves to an abundance of criticism and racist remarks, but we must point it: Eskom would not have been in the position it is today if our central and local governments haven't enforced a policy of selective credit control. It is because many small little problems have been handled with soft white gloves for decades that these have become many huge problems finish and kla!

Therefore our suggestion: Sir, you have declared a State of Emergency. The only logical thing to do now is to follow through: Task and equip yourself with a task team or army of some 50 (or more) armed vehicles with their crew armed to the teeth, let them take to the streets of every settlement, village, town or city they come across and let them permanently seize, cut and destroy all illegal electricity installations until Eskom has reached a stage that it is indeed in a position to supply all people with free electricity or until those who have never paid finally realize that you cannot enjoy or utilize a service that you haven't paid for. People who don't pay for electricity but complain about load shedding, simply don't understand how the world works - it's that simple.

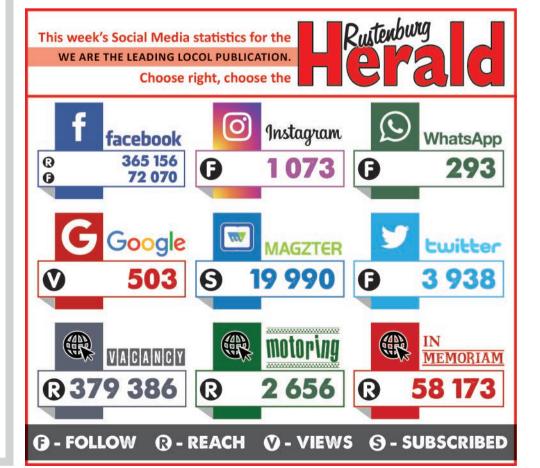

The question now remains: Does our government know?
