Dieremense hou jaar-vergadering

RUSTENBURG HERALD - RUSTENBURG
- Diereliefhebbers wat wens hulle kan meer vir die welsyn van troeteldiere in Rustenburg doen, het op Saterdag, 15 Julie, geleentheid om die daad by die woord te voeg wanneer die Dierebeskermingsvereniging se algemene jaarvergadering by die kantore van die DBV in Escomstraat, direk oorkant Kallies Paneelkloppers, gehou word.

Die vergadering sal stiptelik om 13:00 begin en is oop vir alle belangstellendes, diereliefhebbers en mense wat hoop om 'n verskil in diere se lewens te maak.

Daar is baie werk en die uitdaging is inderdaad groot vir mense wat hoop om 'n verskil hierin te maak.

SA women miners join hands to advocate for gender equality in the mining industry

RUSTENBURG HERALD - RUSTENBURG - The mining industry has long been recognised as a male-dominated field with women historically underrepresented in various roles.

However, as we move towards a more inclusive and equitable society it is crucial to recognise the importance of empowering women in the mining industry and creating an enabling environment that motivates and encourages their success.

This was the core focus of an “International Day of Women in Mining” on 15 June when Glencore Ferroalloys hosted a Women in Mining (WiM) conference under the theme “We work for our success”. The event’s mission was to commemorate women and the vital role they play in the mining industry while advocating for gender equality. This event was a resounding success.

Representatives from Department of Mineral Resources and Energy (DMRE), Minerals Council South Africa, Mine Health and Safety Council, Glencore representatives from different operations including senior management, as well as legendary actress and businesswoman Sophie Ndaba were in attendance. The event focused on engaging in thought-provoking discourse that highlighted the need to prioritise women’s safety and well-being within the mining industry. The conversations unpacked the challenges faced by women in mining such as, suitable PPE, the safety of women on the mines, mental health, as well as the threat of gender-based violence.

To further bring these issues to light, the Minerals Council’s Deputy Safety & Sustainable Development Department Manager, Lerato Tsele, highlighted the Mine

Health and Safety Act, which is currently under amendment. The amendments will include guidelines that will make it mandatory for all mining organisations to comply with the Code of Good Practice with regards to making available differently designed PPE to accommodate the different body-types of women in mining.

“The mining industry currently employs 72 500 female mine workers, a great improvement from where it comes from. Despite this, there is still a long way to go. There is a huge focus and efforts to ensure gender equality in the workplace. Technology is utilised to assist with the heavy-load tasks in the workplace, which will ultimately improve safety and health,” said Tsele.

In May 2022, Glencore launched its WiM Forum, which is made up of committees from each of its nine operations. The committees are mandated to come up with solutions for women’s safety and advocate for gender equality.

Glencore Ferroalloys Group Metallurgical Manager – Mining and WiM Forum Chairperson, Neo Molelekeng, gave an overview of their performance and achievements within the last year in the following areas: PPE trials conducted for female employees, as PPE was originally designed to be unisex and more suited for a male physique

Installation of portable hygienic flushable underground ablution facilities for women;

Provision of sanitary towels on site, a much-

needed convenience for women particularly those working underground with long walking distances to their working areas.

Initiatives to address gender-based violence including providing self-defence classes to women and a study to investigate reliable panic buttons to be sourced for female employees.

Mentorship and coaching for women
WiM surveys conducted to gain understanding why female employees would stay and choose Glencore Alloys as an employer of choice

“We exist because of the women in our organisation. Our purpose is to create inclusive spaces to ensure we unlock the immense potential that women bring into the mining industry. This is only the beginning, and we look forward to witnessing the incredible journey of each and every woman playing their part to help revolutionise the industry for future women miners,” said Molelekeng.

Senior Health and Safety Inspector of Mines, Omphemetse Phefo from the Department of Mineral Resources and Energy (DMRE), made it clear that her mandate is to ensure zero harm in the industry. She stated the importance of equipping and empowering women with the necessary resources to ensure that they are safe at all times regardless of their environment.

Sophie Ndaba encouraged the women to make use of the opportunities at their disposal and empower others.

“I am inspired everyday by women who work for their success, for there is no one who can do that for you besides yourself.

Be encouraged and surround yourself with people whom you can learn from for they can help you grow. Grab on to knowledge and let it build and guide you on your way to the top,” concluded Ndaba.

The conference is set to be held annually as a key platform to track the progress of the WiM Forum’s mission and to fast-track inclusion safety for women in Glencore Ferroalloys

Louis se speke “sing” vanjaar weer in Tour de France

Waldie Volschenk

RUSTENBURG HERALD - PARYS (Frankryk) - Suid-Afrikaanse fietsrygeesdriftiges sal verheug wees om te verneem dat die Suid-Afrikaanse bobaas-fietsryer, Louis Meintjes, vanjaar weer onder die voorste nagenoeg 210 fietsryers ter wêreld sal wees om vir die 2023-"uitgawe" van die legendariese Tour de France (TDF) aan te tree.

Meintjes, 'n voormalige Rustenburger wat deesdae in Andorra, Spanje woon, is bekend as 'n klimmer by uitstek - loshande seker die beste klimmer in die Suid-Afrikaanse fietsrygeskiedenis en vandaar natuurlik Louis se uitstekende prestasies in die Tour de France sedert hy in 2016 'n agtste plek in die uitdagendste van alle fietstoere behaal het.

En nee, hierdie was nie 'n vloekskoot nie - Louis het die jaar daarna (2017) sy agtste plek van die vorige

jaar se TDF suksesvol verdedig, maar was nog lank nie klaar met die Franse Alpe en die Pireneë nie. Seker 'n goeie sewe of agt bergpremies oor dié twee bergreekse in die laaste week of wat van die TDF is berug daarvoor dat hulle die laaste greintjie vasbyt uit die ryers se bene haal en kan ewenwel beskryf word as die laaste stukkie strooi wat die spreekwoordelike kameel se rug gebreek het.

Ten spyte hiervan het Louis in 2021 'n 14de plek in die toer behaal en verlede jaar "voorlopig" op 'n hoogtepunt afgesluit toe volgens amptelike statistiek vir die derde keer 'n agtste plek behaal het - dit nadat dit vir etlike dae gelyk het of hy dié jaar in die sewende plek sou eindig. Dit was nietemin Louis se suksesvolste toer ooit toe hy as naaswenner van die voorlaaste skof geëindig het. Ons sê "voorlopig" omdat daar in 'n stadium wyd bespiegel is dat die 2022-jaar moontlik die

“Sjoe, het ek vanjaar genoeg myle in die bene?” Ja, dit lyk inderdaad of hierdie is waaroor die voormalige Rustenburger, Louis Meintjes, hier peins. Vir Rustenburgers en alle Suid-Afrikaners is dit uitstekende nuus dat Meintjes vanjaar vir die sesde keer in die moordende Tour de France gaan aantree. Die eerste skof van vanjaar se toer word eerskomende Saterdag in Bilbao in die noorde van Spanje beslis.

laaste keer was dat Louis in die TDF in aksie gesien is. Maar nog was het einde niet en Suid-Afrikaners en veral Rustenburgers het onlangs verneem dat Louis vanjaar weer vir die 2023 Tour de France gaan aantree. Hy het weliswaar in Oktober verlede jaar, enkele maande na sy beste prestasie tot nog in die toer, met Laura, 'n nooi van Andorra, Spanje, in die huwelik getree. Rustenburgers het 'n nou band met Meintjes - hy het in 2010 as leerling van Bergsig matrikuleer en het sy professionele fietsryloopbaan skaars drie jaar later afgeskop.

Louis ry vanjaar weer vir die "Intermarché-Circus-Wanty" span en is nou 31 jaar oud - hoewel hy kwalik as "nuweling" beskryf kan word, het hy onder meer die voordeel van die perfekte liggaamsbou wat ryers regoor die wêreld hom beny. Dit is ou nuus dat die naelryers nie baie sukses (algeheel) in die TDF behaal nie en dat die bergpremies in die laaste week van die toer die skape van die bokke skei.

Hoewel dit sekerlik ietwat van 'n statussimbool is om as 'n naelryer bekend te staan, is dit nie 'n beskrywing wat fietsryers in die TDF graag agter hul name sou wou skryf nie - naelryers is bekend daarvoor dat hulle in die eerste week of twee van die toer behoorlik baljaar net om daarna soos die oggendmis voor die son oor die Pireneë te verdwyn. Die TDF is nou maar eenmaal die speelplek vir die wêreld se beste klimmers. Bowendien strek vanjaar se TDF oor 'n afstand van 3404 km met 'n ongelooflike 2 632 meter se vertikale klim.

Die 2023 Tour de France skopeerskomende Saterdag, 1 Julie, af met die eerste skof - 'n 182 km-sirkelroete oor bergagtige terrein in en om die dorp Bilbao in die noorde van Spanje. Rustenburg Herald gaan vanjaar in samewerking met Louis se pa, Johannes, wat steeds in Rustenburg woon, vir die drie weke van die toer feitlik "eerstehands" oor Louis se vordering in vanjaar se TDF verslag doen. Moenie u kopie misloop nie.

SARS warns of new scam targeting taxpayers

RUSTENBURG HERALD - RUSTENBURG - The South Africa Revenue Service (SARS) has warned South Africans to be wary of a new scam targeting taxpayers.

According to the taxman, the new scam doing the rounds comes as an email from criminals posing as authorities from the South African Police Services (SAPS) financial crimes unit. The email is titled 'Internal Communication' from a fake Department of International Relations and Cooperation (DIRCO) email domain. It asks the email recipient to click on a fraudulent link to verify their identity. SARS has urged taxpayers not to click on any links and delete the email. SARS frequently reports on and updates its comprehensive list of over 300 scams trying to exploit the tax authority's name.

The latest scam forms part of the exhaustive list of phishing scams targeting vulnerable taxpayers. Under this specific type of scam, members of the public are randomly emailed with false 'spoofed' emails made to look as if these emails were sent from SARS but are actually fraudulent. Their primary goal is to obtain sensitive personal information from a victim for monetary gain. "These emails contain links to false forms and fake websites made to look like the "real thing", but intending to fool people into entering personal information such as

bank account details which the criminals then extract and use fraudulently," SARS said.

SARS has further provided the following advice as to what to keep an eye out for:

- * Do not open or respond to emails from unknown sources.
- * Beware of emails that ask for personal, tax, banking and eFiling details (login credentials, passwords, pins, credit/debit card information, etc.).
- * SARS will never request your banking details in any communication that you receive via post, email, or SMS. However, for the purpose of telephonic engagement and authentication purposes, SARS will verify your personal details. Importantly, SARS will not send you any hyperlinks to other websites – even those of banks.
- Beware of false SMSs.
- SARS does not send *.htm or *.html attachments.
- SARS will never ask for your credit card details.

Contact your local SARS office with your SARS number ready if you have any doubts about the authenticity of documents or messages that you have received.

Motorfietsryer bots met trok

RUSTENBURG HERALD - RUSTENBURG - 'n 52-jarige man is die naweek hier na 'n ongeluk dood.

Volgens kaptein Aafje Botma Noordwes-polisiewoordvoerder, ondersoek die polisie 'n klag van strafbare manslag na die ongeluk op die N4 Saterdagmiddag omstreeks 18:00.

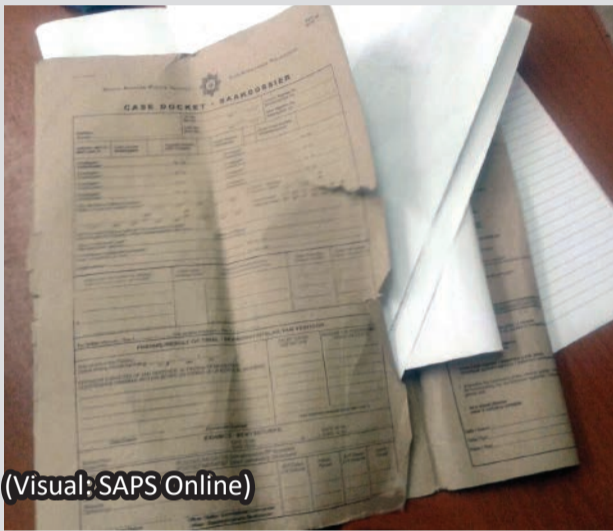

Die ongeluk het naby Marikana plaasgevind. "Dit blyk die motorfietsryer het van agter teen die vragmotor vasgery," het kaptein Botma gesê. Hy het op die toneel aan sy beserings beswyk.

Teen druktyd was die oorledene nog nie formeel uitgeken nie.

RUSTENBURG HERALD - RUSTENBURG - A 47-year-old suspect appeared in the Rustenburg Magistrates' Court earlier this week on charges of corruption, fraud and impersonating a police officer.

The suspect's court appearance stems from his arrest in Boitekong on Friday (23 June).

According to Brigadier Sabata Mokgwabone, provincial police spokesperson, the suspect allegedly pretended to be an Investigating Officer of a theft case opened in September 2022.

"The man called a man implicated in the theft case and demanded R3000 from the man. He promised that he could make the docket disappear," Brig Mokgwabone said.

Subsequent to the reporting of the matter to the Provincial Anti-Corruption Investigation Unit (ACIU), the suspect was arrested during an undercover operation. Preliminary investigation into the matter revealed that the suspect is not a police officer.

Lapamoord: Prokureur siek

Die voorverhoor van die moordsaak waarin Darnel van der Merwe beskuldig word van die moord op Darius Botha (foto) moes vroeër dié week, Dinsdag (27 Junie) afgeskop het. Volgens 'n bron is Van der Merwe se regsvertegenwoordiger egter ongestel en moes die verhoordatum uitgestel word. Die saak is nou op die hofrol vir 29-31 Augustus. (Foto: Verskaf)

RUSTENBURG HERALD - RUSTENBURG - Op 16 Junie word daar saam met Jeugdag ook Konsentrasiekampdag gevier.

Magalieskruin Voortrekkers het besluit om die jeug te inspireer om hul geskiedenis na te vors en het ook Anglo-Boereoorlog stories met hul gedeel. Timbati Veldmark se entrepreneurs Saterdag aan’t skarrel

RUSTENBURG HERALD - RUSTENBURG - Die volgende "uitgawe" van die nou-reeds uiters gewilde Timbati Veldmark vind eerskomende Saterdag, 1 Julie, by die bekende markterrein op die hoek van Krokodilrivier- en Nylrivierlaan in Cashan 4 plaas.

Timbati Veldmark is 'n mark vir oud en jonk met 'n reuse verskeidenheid van nuwe of handgemaakte artikels sowel as tradisionele lekkernye soos konfyt, blatjang, pap-en-kaiings, jafels, burgers, warmbrakke, pannekoek en ja, heeltemal te veel om op te noem. Die mark is veral 'n paradys vir mense wat van tuisgemaakte of handgemaakte artikels hou en dalk op die uitkyk is na 'n geskenk vir iemand spesiaal.

Vir die jongklomp is daar gewoonlik 'n

springkasteel en/of waterglybaan, perderitte en ander vorms van vermaak terwyl die grootmense hulle kan verkneukel aan die heerlike eet- en drinkgoed, geselskap van ou of nuwe vriende. Goeie nuus by die Timbati Veldmark is dat mense se troeteldiere ook baie welkom is - mits die hondjies aan 'n halsband is asseblief. Trouens, troeteldiere is onder "diegene" wat die meeste baat vind by die Timbati Veldmark omdat die opbrengs van elke maand se veldmark uitsluitlik vir plaaslike

welsyn aangewend word. Die Rustenburgse DBV tel onder dié gelukkiges. Vir die brakkies is daar altyd 'n tafel met 'n ietsie om aan te knibbel en 'n waterbakkie of twee vir as die sonnetjie 'n bietjie warm word en die dag te lank raak.

Ander artikels by die Timbati Veldmark sluit in juweliersware, klerasie, skoene, speelgoed vir die kleingoed en selfs plakkers.

Die mark is bekend vir sy stalletjies met tuisgemaakte lekkernye met 'n indrukwekkende, uiteenlopende spyskaart maar bowenal natuurlik, die geselskap van Rustenburgers wat u dalk lanklaas gesien het. Die Timbati is natuurlik ook die plek om aan te klop as jy dalk self 'n entrepreneur is wie se hande vir niks verkeerd staan nie. Mense wat belangstel om self 'n stalletjie by die mark te beman, word genooi om met Valerie King by 079 215 6815 in verbinding te tree. Onthou almal is baie welkom - die Timbati Veldmark begin om 09:00 en duur tot om 14:00.

Sarie Viljoen en Anton Zandberg van Pretoria - gereelde uitstallers by die Timbati Veldmark en bekend vir die groot verskeidenheid artikels wat hulle met 'n 3D-drukker uit letterlik niks maak. Anton wys hier 'n pragtige skaalmodel van 'n Honda Shadow wat geheel en al op 'n 3D-drukker gemaak is. Anton vertel dat dit hom sowat 400 uur geneem het om dié pragtige model te maak. As jy gelukkig is, sal dié pragtiets dalk eerskomende naweek nog onder Anton se artikels by die mark wees - kom loer gerus in by Timbati Veldmark op die hoek van Krokodil- en Nylrivierlaan in Cashan 4. Die mark begin om 09:00.

Rustenburg Leeskring

Die gehoor het spreekwoordelik aan die skrywers/sprekers se lippe gehang en

agterna toue gestaan om boeke aan te koop. Boeke van die skrywers is goedgunstiglik deur Gina Walters van Bargain Books saamgebring. Lena het haar bygestaan met die verkope.

RUSTENBURG HERALD - RUSTENBURG - Shib, die Nederlandse groep, is weer in Suid-Afrika om die Christ Crisis Centre in Swartruggens verder te ontwikkel en te bou.

Die Christ Crisis Centre is ‘n veilige hawe vir mishandelde vrouens en kinders en kan 100 slagoffers inneem.

Die volgende fase in die bouwerk sal op 24 Julie begin en die groep studente sal tot middel Augustus hier wees om met die

bouwerk aan te gaan. Die burgemeester van Kgetleng ondersteun hierdie projek en sal ook teenwoordig wees om die volgende fase te open. Enigiemand wat betrokke wil raak, kan vir pastoor Venesa by 071 841 4656 skakel.

Saterdag markdag onder die “boere”

RUSTENBURG HERALD - RUSTENBURG - Rustenburgers word herinner aan die Rustenburg Boeremark wat eerskomende naweek, Saterdag, 1 Julie, by die voormalige Rustenburgse skougronde aangebied word.

Die Rustenburg Boeremark is ongeveer ‘n jaar oud en is ‘n heerlike geleentheid vir almal wat van tuisgemaakte produkte en artikels hou. Besoekers kan kus en keur tussen allerlei stalletjies wat letterlik alles van vars groente, gebottelde lekkernye soos konfyt, blatjang, ingemaakte kos en slaaie, biltong, vleishappies, en ‘n wye verskeidenheid handgemaakte artikels van klere, houtspeelgoed en -artikels tot gebreide babaspeelgoed aanbied.

En dan is daar natuurlik ook wegneemhappies soos hamburgers, warmbrakke en ag, te veel om op te noem. Maak tog seker dat daar ‘n goeie klompie kontant in die beursie is - jy sal nooit weet watter verrassings daar vir die besoeker by dié mark is nie.

Vir mense wat graag meer te hore wil kom van die wêreld van boerdery, is daar geleentheid om skouers te skuur met ‘n klompie dorpertelers en-kenners en as

jy dalk liewers ‘n klein lappie mielies wil plant, is die mark ook die plek om aan te klop en met boeremense skouers te skuur. Die Boeremark is ‘n heerlike geleentheid om sommer net op ‘n Saterdagoggend in te loer om ‘n luilekker-naweek in te lui. Dit is hoogs onwaarskynlik dat u nie ou kennisse of selfs goeie vriende hier sal raakloop nie. Natuurlik is hier ook ‘n stalletjie waar vriende ‘n koppie boeretroos kan geniet. Die Rustenburg Boeremark begin om 09:00 en duur tot om 15:00. Tuisskeppers en -produsente wat ‘n ietsie het wat hulle graag by ‘n mark sal wil aanbied, is welkom om ‘n stalletjie te neem teen slegs R100. Stalletjies kan bespreek word by farmers.tracy.ad@gmail.com of daar kan by 072 580 1076 of 078 397 1397 navraag gedoen word. Onthou - toegang is gratis en daar is volop veilige parkering met sekuriteit. Sien julle by die Boeremark!

Angels Reach Foundation: Empowering and Transforming

RUSTENBURG HERALD - RUSTENBURG - Angels Reach Foundation, a remarkable non-profit organization founded by four passionate and driven young ladies during their teenage years, continues to make a significant impact on the lives of youth in various communities.

These inspiring young women, currently pursuing diverse fields of study at different institutions of higher learning, established the foundation with the noble mission of motivating, encouraging, teaching, and coaching young people across schools, communities, churches, hospices, old age homes, and vulnerable child-headed families, with a particular focus on abused and neglected children.

Driven by a burning desire to uplift and empower those in need, Angels Reach Foundation has set its sights on a new crusade, this time aimed at teaching teenage boys in a local high school how to become responsible young men. Recognizing the importance of addressing critical issues that affect young men’s lives, the foundation’s workshops will cover a range of topics, including men’s mental health, their influence in teenage pregnancy, the significance of genital health, gender-based

violence, and the physical and emotional changes experienced during adolescence. While the foundation remains dedicated to their mission of making a difference, they rely on the support of kind-hearted individuals and companies to sustain their efforts. With a heartfelt appeal to good Samaritans and organizations, Angels Reach Foundation seeks donations to help them realize their dreams of assisting the needy and underserved, enabling individuals to recognize their value in life. The Angels Reach Foundation’s crusade at Batleng High School on 22 July promises to be a catalyst for change, aiming to inspire and guide teenage boys towards a path of responsible adulthood. By addressing sensitive issues, providing education, and fostering mentorship, the foundation hopes to create a brighter future for these young men, where they can develop into influential forces within their communities.

Magalieskruin Voortrekkers help begraaftplaas skoonmaak

RUSTENBURG HERALD - RUSTENBURG - Op Vrydag 16 Junie het Magalieskruin Voortrekkers saam met ander kultuurorganisasies die ou begraaftplaas in Nelson Mandelarylaan gaan skoonmaak ter viering van Konsentrasiekampdag en ook Jeugdag.

Die begraaftplaas was in haglike toestand maar met behulp van vele hande is dit netjies skoongemaak. Die Voortrekkers was baie geïnteresseerd in die grafte en die stories van die Anglo-Boereoorlog 1899 tot 1902. Dit is vir die Voortrekkers belangrik dat die jeug ook weet wat in die verlede gebeur het en hul geskiedenis ken. Hul voorsate het groot opofferinge gedoen om ‘n beter toekoms vir die kinders te verseker.

Albert Cloete, Samuel Crouse, Leandri Pretorius en Justin Kleynhans by ‘n ou graf.

Dankie Andrie Cloete vir jou moeite met die emmer en seepwater om die grafte te was.

Choose to chow churros – a Spanish delicacy

With winter now in full swing it is no secret that most people will constantly have a “hollow spot” in the region of the stomach. Yes, when it’s cold our tummies are always craving for something hot for a bit of extra energy. This is especially true if one sits down for your favourite soapie or sport in front of the tv over weekends. During our most recent outing to the Professional Cooking Academy Rustenburg Herald’s cooking team were introduced to “churros” - a Spanish traditional delicacy which is absolutely “decadent” if you have somewhat of a sweet tooth. Lunel Kloppers and Olebogeng Kgokong have treated us to this delicacy which is surprisingly easy to make.

AT STER-KINEKOR THEATRES
FROM 16 JUNE

Salted caramel “churros”

Ingredients:
1 cup all-purpose flour
113 g baking Margarine/butter
1 cup of water (250 ml)
Pinch of salt
2 tsp sugar
3 eggs
Oil for frying
For dusting – 80 ml sugar and 2 ml cinnamon

Method:
Place water, butter, sugar and a pinch of salt into a medium size sauce pan. Bring to boil. Add the flour and mix vigorously until well blended (the dough will come together in a minute or two). Remove from the stove and let it cool a bit. Once it has cooled, add the eggs (otherwise the eggs will be cooked) and work it into the dough. Try to do this as fast as possible – at the beginning it might look like the churro dough doesn’t want to bind but take your time – it will. Pour the oil into a large frying pan/pot and heat it up. Fill a piping bag fitted with a star piping tip with half of the dough (it is easier to handle). Check if the oil is ready for frying by dropping a tiny piece of the dough in the oil. If the dough turns nicely brown you are ready to pipe the churros in. Pipe the dough directly into the hot oil (choose any length you like) and cut with a fork or kitchen scissors. Do not pipe too many churros in as they need a little space for frying. It will take only about 2 minutes for them to turn into a lovely golden colour which means they are ready. They should turn to gold evenly and gradually – if you note that

they are not turning gold evenly, reduce the temperature. Remove churros from oil and place on a paper towel to drain of excess oil. When they are still warm, roll each of them in sugar mixed with ground cinnamon mixture. You can either serve the churros with thick hot chocolate and/or a salted caramel sauce which you prepare as follows:

Salted caramel sauce:
1 cup sugar
6 tablespoons butter, diced
½ cup double cream
Tsp salt
In a medium-size saucepan over medium heat, melt the sugar. Stir constantly with a rubber spatula, scrapping the sides as you go. Once the sugar melts and turns golden brown, add the butter until melted. Pour in double cream and bring to a simmer without increasing the heat. Simmer for 90 seconds. Remove from heat and stir in salt. Pour mixture into small mug and pour over churros before serving.

Pipe your churros with a star piping tip to give it an interesting appearance.

Melted brown sugar means that something sweet is coming up.

Not too many churros in the oil at a time – they do need a little space to turn a lovely golden brown.

Groot name vir klein dorpie teen die berghange

Vandeeweek en wel eerskomende Saterdag, 1 Julie, skop een van die grootste jaarlikse sportgebeurtenisse in die wêreld van fietsry in Bilbao, Spanje af wanneer die wiele vir die 110de keer in die geskiedenis van die Tour de France begin draai. Vir mense wat nie noodwendig vreeslik belang by die TDF het nie, is dit dalk nuus dat die wêreldbekende fietsryer Louis Meintjes wat vanjaar vir die sesde keer aan die TDF deelneem, 'n voormalige Rustenburger is wat in 2010 aan Bergsig Akademie matrikuleer het.

Benewens die feit dat Rustenburg die wêreld se grootste produsent van platina is en die tweede oudste dorp in die voormalige “ou” Transvaal is, het die dorpie oor baie jare heen ‘n klompie inwoners opgelewer wat inderdaad wêreldgeskiedenis gemaak het of andersins internasionaal beroemd geword het. Onder die heel eerstes was die trekkerleiers Andries Pretorius en Hendrik Potgieter wat na afloop van die Groot Trek in Rustenburg afgesaal en uitgespan het, wat hier na jare van wrywing tussen die twee uiteindelik versoen is en hier “rus” gevind het en waaraan Rustenburg volgens oorlewering sy naam te danke het. Rustenburg is in 1853 as ‘n dorp geproklameer.

Hierna was die groot nuusmakers of internasionaal bekendes in Rustenburg Paul Kruger - vyfde president van die Zuid-Afrikaansche Republiek en eienaar van nie minder nie as vier plase in die Rustenburg-omgewing. Die eerste hiervan die bekende Boekenhoutfontein tussen Phokeng en Boshoeck, die plaas Waterkloof op die R24 skuins

oorkant die Rustenburgse Excalibur-kasteel op die gronde van die Paul Kruger Gastehuis oos van Rustenburg. Die twee oorblywende plase was Baviaanskrans en Rietvlei, twee plase wat gekombineer en as natuurreservaat aan die staat geskenk is met die uitdruklike voorbehoud dat die grond nooit vir ontwikkeling gebruik mag word nie - sedertdien die gewilde Kgaswane Natuurreservaat aan die suidelike hange van die Magaliesberg.

Hierna was daar 'n taamlik indrukwekkende lys van Rustenburgers wat op uiteenlopende terreine geskiedenis gemaak het of internasionaal bekend geword het. Baie hiervan natuurlik sportmanne en -vroue: Ons lig 'n paar hiervan uit:

Bettie Cilliers-Barnard - kunstenaar en moeder van aktrise Jana Cilliers; Bill McGill - waterverfskilder; Johan Botha - een van die gewildste operatrenore ooit; Koos du Plessis - Afrikaanse liedjieskrywer en sanger; Pik Botha - wêreldbekende politikus en Suid-Afrikaanse Minister van Buitelandse Sake; John Cranko - Suid-Afrikaanse balletdanser en -choreograaf van die Koninklike en Stuttgartse Balletgeselskap; Frik du Preez - rugbyspeler van die Eeu; André Stander - berugte bankrower en misdadiger; Jan Eloff - SA Mynboukommissaris na wie Eloffstraat in Johannesburg vernoem is, Drickus Hattingh (rugbyspeler), die tennisspeler Danie Visser en die spiesgooier Sunet Viljoen wat verskeie medaljes tydens meer as een Olimpiese Spele verower het. Hierbenewens het Rustenburg ook minstens drie winners van die jaarlikse Comrades Marathon opgelewer.

Big names for small town at foothills of Magaliesberg

This week, Saturday, 1 July, will see the wheels rolling into motion for the 110th edition of the internationally acclaimed Tour de France bicycle race in France and a number of European countries, such as Spain - the home country of well-known South African cyclist, Louis Meintjes. Among those with little interest in the world of cycling it might be news that Meintjes is a former Rustenburg boy who matriculated at Bergsig Academy in 2010 and whose professional cycling career kicked off barely three years later. In addition to the fact that Rustenburg is the world's biggest platinum producer with the world's largest platinum refinery on its doorstep, Rustenburg is also the second oldest town in the former "old" Transvaal. Through the ages the small town at the foothills of the Magaliesburg had also "produced" quite an impressive list of people who became famous internationally or who have made world history during their careers.

Among the very first were the Voortrekker leaders Andries Pretorius and Hendrik Potgieter who settled in Rustenburg towards the end of the Great Trek, who reconciled at the grounds of the latter Dutch Reformed Church in Prinsloo Street after years of animosity between the two leaders, who found “rest” here in the shade of the Magalies and Cashan mountains and from whence the name “Rustenburg” is derived.

The next famous person was Pres Paul Kruger – the fifth President of the former ZAR (South African Republic) and the owner of no less than four farms in the Rustenburg region. Among these were the well-known Boekenhoutfontein at Boshoeck, the well-known President Kruger

Guest House across the Excalibur castle on the R24 with the last two - Baviaanskrans and Rietvlei, two farms which were combined and donated to the state as a nature reserve on the condition that the land may never be sold or utilised for development - hence the Kgaswane Nature Reserve in the southern foothills of the Magaliesberg.

After these we have seen quite a number of prominent Rustenburg residents who rose to fame during the year - many of these sports stars of course. For your interest we are listing a few of the most prominent people in the town's history:

Bettie Cilliers-Barnard - artist and mother of actress Jana Cilliers; Bill McGill - world-acclaimed watercolour artist, Johan Botha - world renowned opera tenor, Koos du Plessis - Afrikaans song poet and singer; Pik Botha, popular (not always) politician and former South African Minister of Home Affairs (the longest serving Minister in the history of South African politics ever); John Cranko - South African ballet dancer and choreographer with the Royal Ballet and Stuttgart Ballet Companies; Frikk du Preez - rugby player of the Century; André Stander, infamous bank robber and criminal, Jan Eloff, South African Mining Commissioner after which Eloff Street in Johannesburg was named; Drickus Hattingh, Springbok rugby player; tennis player Danie Visser; Sunet Viljoen - South African javelin thrower who has won several medals during at least two Olympic Games and finally at least three former winners of the Comrades Marathon. Not too shabby for a small town wouldn't you say?

'North West is in a dire state' - Chamber of Commerce

RUSTENBURG HERALD - RUSTENBURG - “The North West province is in a dire state and we need urgent intervention by provincial – and national - government,” Gideon Ralepeli, chairman of the North West Chamber of Commerce said in a statement over the weekend.

This comes after prominent business people from the North West province met in Matlosana on Wednesday last week to discuss the general state of the province. Unfortunately, the premier, Mr Bushy Maape, could not attend after being hospitalized.

"The general feeling was that if the government does not act decisively more businesses will close and relocate to other provinces and even into Africa. This will be bad for the North West where we already have one of the highest unemployment in the country. We are of the opinion that interference by politicians in the running of municipalities is creating most of the problems.

“According to business people the arrogance of some of the municipal officials towards the people paying their salaries is just not acceptable”, he said.

Speaking for the farming community, Benedict Modise from NWK, said that they are spending millions of rand to fix roads so that the farmers and farming community can get their products to silos in the province. "We are doing this ourselves with no help from the provincial government. The costs are escalating each year and have become part of our yearly budget", he said.

Mthokozisi Sibisi, Business Unit Leader of the Auditor General in North West, said that most of the municipalities are bankrupt and need urgent intervention.

Prof Ronnie Lotriet from the NWU Business School said that urgent skills audits need to be done and training should then take place. "It is important that the people in the decision-making positions should have the necessary tools to run successful local governments", he said. The most relevant problems identified by the meeting were dysfunctional municipalities, illegal foreigners taking over the informal economy, crime, the collapse of the health services, local companies not getting contracts or tenders within the province and a lack of cooperation between business and government at all levels.

The EXCO of the Chamber also met

with an advisor of the Deputy President in Potchefstroom on Friday and is hoping to get some results out of that meeting. "We will send a report to the advisor regarding the problems and possible solutions with the undertaking that follow-up meetings will be held soon. If the government is serious about solving the problems, they need to come to the party soon," André Coertzen, CEO of the Chamber, said.
