Construction giant MCivils to the rescue

Finally, just when Rustenburg's upmarket extension of Safari Gardens, residents of Arendskloof Security complex, Santa Anna and Santa Monica townhouse complexes were at wits end of how to carry on in the face of the biggest sewerage disaster in Rustenburg's history on their doorstep, help came to the rescue on Monday morning. Great news to residents of Ward 14 and Ward 15 if not the entire Rustenburg is that at last, the proven construction giant - MCivils - was awarded the contract to repair and rehabilitate the Arend Road Sewerage Disaster in Safari Gardens that has frustrated owners, residents and the business fraternity for no less than 42 days! Turn to page 3 for a short update on the progress being made. (Photo: Waldie Volschenk).

Rustenburg Herald het voorverlede week berig oor Operasie Restourasie - 'n gemeenskapsprojek deur die inwoners en gemeenskap van Wyk 17, Agapé Rustenburg en die GeneroCITI/Citichangers-inisiatief. Daar is slaggate herstel, rommel en onkruid verwyder en nuwe padverkeerstekens aangebring. Tanya Rothman, DA-raadlid vir Wyk 17 was verlede Donderdag steeds besig om die stopbordjies by talle padvekeerstekens, onder meer op die hoek van Cuckooslaan en Fredericksdreef te vervang. Sy het terselfdertyd gewys dat haar twee hande vir niks verkeerd staan nie.

At last, the end of sewerage disaster is only days away

Waldie Volschenk

RUSTENBURG HERALD - RUSTENBURG - While residents of Wards 14 and 15 in Safari Gardens, Santa Monica & Santa Anna townhouse complexes, the well-known Arendskloof Security complex, the majority of residents in Arend Avenue and large areas of Rustenburg's southern districts extensions were gritting their teeth for the past 42 days as a result of the almost unimaginable Arend Avenue Sewerage Disaster, residents could finally begin to have hope again.

After more than a month of ineptitude, a lackluster performance by inadequately equipped work teams of the RLM of which none were up to task (by the RLM's own admittance one must add) to get the better of the worst sewerage pollution disaster in the history of Rustenburg, an entirely different team consisting of skilled workers, engineers, truck drivers, excavator operators and advisers moved in to take the proverbial bull by its horns shortly after kick-off of the working day on Monday morning. After what seems to have been a month of wasted opportunities and extensive pollution of the by now properly rotting Arendskloof dams only to be alternated by a lot of red tape, "uptown" Rustenburg is finally witnessing the beginning of what promises to be the end of a month that residents would desperately want to forget. After the new broke that local construction giant MCivils were given the contract to repair what everyone has since known as a disaster of gigantic proportions.

Though it is still early days, the first two days of the repair project went smoothly, according to Project Leader Henry de Kock. "We have reached the main pipe line approximately five meters deep and have to remove several tons of mud and sludge as a result of the poor drainage during recent weeks. At this stage I can only say we are happy with the progress and and that it is a mater of days before we would be able to bring about a noticeable difference. We will provide Rustenburg Herald with regular updates", De Kock concluded.

Motorists and owners of property in Arend Avenue who rightfully have access to the area, are warned to be on the look-out for bricks and boulders which have been stacked on the road surface by pedestrians in order to avoid sewerage and running water on their way to work. For the next few weeks, let's hold our thumbs and be patient, we may be in a position to elaborate on time frames withing a day or two, he said.

The excavation in Arend Avenue is taking on mammoth porportions. After a month of widespread pollution of the by now properly rotting Arendskloof dams, the neighbourhood is finally witnessing the beginning of what promises to be the end of a month that residents would desperately want to forget.

Police focus on theft of non-ferrous metals

RUSTENBURG HERALD - RUSTENBURG - North West Crime Prevention conducted an awareness campaing on non-ferrous metals at the Rustenburg Civic Centre Banquet Hall on Tuesday.

The campaign was hosted under the auspices of the District Commissioner of Bojanala Sub-District 1, Major Mosimanegape. The Acting District Communication of Bojanala District 2, Brigadier Ntoagae, the station commander of Rustenburg, Brigadier Pheto, Provincial Head of Crime Prevention, Brigadier Molate, Provincial Head of Corporate Communication and Liaison, Brigadier Mokgwabone and

Brigadier Wagner of Legal Services also attended the event. External Stakeholders, mining representatives and Rustenburg Business Forum representatives were also part. The aim was to raise awareness on the theft of non- ferrous goods. When delivering the purpose of the day address, Brigadier Molate said theft of non-ferrous metals is a threat to the country and that the fight against this should be intensified.

Municipal vehicles still grounded on Tuesday by fuel backlash

RUSTENBURG HERALD - RUSTENBURG - While people were laughing behind cupped hands following the Rustenburg Municipality's embarrassment when a number of its municipal vehicles became grounded as result of a lack of fuel, the issue was no longer a laughing matter on Tuesday afternoon.

Rustenburg Herald's NW Bonus reported on Monday that a number of municipal vehicles of the RLM were met by refusal from local filling stations to fill up municipal vehicles. Cllr Cobus Nortjé of the DA's Ward 18 reported over the weekend that this is believed to follow the Rustenburg Municipality's failure to pay its service providers. Meanwhile another filling station/fuel company apparently joined in the backlash against the RLM municipal

fleet and refused fuel over the weekend. Reports by Ward Councillors have it that municipal vehicles ran out of fuel on Friday, 10 March already and that rate payers suffered as proper municipal services could not be provided. The issue was still unresolved by Tuesday morning of this week, Rustenburg Herald was told. On enquiring about the problem, the RLM said it was investigating the matter before it would be able to comment.

RUSTENBURG HERALD - RUSTENBURG - Anrich Lessmann het ‘n ernstige rugby-besering opgedoen gedurende die eerstespanwedstryd op Saterdag, 11 Maart by Hoërskool Rustenburg.

Die Rustenburggemeenskap het dadelik ingespring om fondse in te samel sodoende dat Heinrich die operasie kon kry. Die fondse is binne ‘n kwessie van ‘n paar uur ingesamel. Heinrich het die operasie ondergaan en alles het seepglad verloop. Baie dankie aan elke Rustenburger wat bygedra het om hierdie moontlik te maak! “Ons is werklik saam sterker!”.

Car theft suspects no match for K9’s

RUSTENBURG HERALD - RUSTENBURG - The Rustenburg K9 unit was instrumental in catching two suspected car thieves.

The two men were arrested by police after a wild west-type shootout. A chase started when Police noticed a suspicious silver Volkswagen TCross - similar to one described by witnesses to a vehicle spotted during an incident. The two inhabitants of the TCross sped out of the city towards Derby, but then suddenly made a U-turn and drove in the direction of Olifantsnek. Police continued to give chase and saw how items were thrown from the VW. When the two fleeing suspects realised they are not shaking the Police off, they opened fire on the pursuing K9 cops. Police returned fire and one of the suspects were shot. Both the suspects were apprehended and the seriously wounded one was taken to a local hospital where he is being treated under guard. After the arrest, Police went back to the spots where items were thrown from the vehicle and discovered a smorgasbord of vehicle theft equipment.

Well done to the policemen involved in this success.

RUSTENBURG HERALD - RUSTENBURG - Impala Rustenburg has continued with its support of the health of surrounding communities by donating 5 000 rapid HIV test kits to Tapologo Hospice.

Tapologo, as a non-profit organisation, gives home-based care to many people in the Bojanala communities.

These test kits provide a rapid screening result for people wanting to know their current HIV status and for people who may have signs and symptoms which may be HIV related.

The first step in the successful management of HIV is knowing one's status and these kits now enable health care workers to do this for their patients.

Says Mark Munroe, Chief Executive at Impala Rustenburg, "At Impala, we are committed to supporting the health and wellbeing of our team and of the local community.

This initiative follows our previous efforts to assist our mine-communities with COVID-19, and we are proud to continue our work in helping those in need. We believe that by working together, we can make a real difference in the fight against these diseases."

Fedsas sterk verteenwoordig by Bela-openbare verhoor

Johan Benson (FEDSAS)

RUSTENBURG HERALD - RUSTENBURG - 'n Groot hoeveelheid belangstellendes uit Rustenburg se ouer- en onderwysgemeenskap het verlede Vrydag, 10 Maart die BELA-openbare-verhoor by die Rustenburgse Burgersentrum bygewoon.

Sowat 1200 belangstellendes het geesdriftig aan die geleentheid deelgeneem en talle mense wat graag mondelings kommentaar wou lewer, is 'n regverdige kans gebied. Johan Benson (adjunk-provinsiale bestuurder) van FEDSAS (Federasie vir Skoolbeheerliggame van Suid Afrika) het Maandag sy tevreidenheid rondom die organisering en verloop van die verhoor uitgespreek. Almal is met die nodige professionaliteit en waardigheid behandel.

FEDSAS-lidskole was goed verteenwoordig en lidskool-sprekers het hul baie sterk teen sekere klousules binne die BELA uitgespreek - veral met betrekking tot verandering van die SASA (Skolewet) rakende die Toelatingsbeleid SASA Art 5(5) en Klousule 4(d); Taalbeleid SASA Art 6(2) Klousule 5(c) waar die HOD finale uitspraak in die verband lewer. Sterk argumente teen klousule 14 se voorstel dat finansiële posisie en die beskikbaarstelling van persoonlike finansiële state van SBL lede en hul gades aan die Department van Onderwys openbaar gemaak moet word, is gevoer..

FEDSAS ondersteun wel sommige van die voorstelle byvoorbeeld die in Klousule 2(a) wat die verpligting van Graad R as deel van Nasionale Onderwys, volgens die "Department of Social Development's National Integrated Childhood Development Policy" voorskryf. Openbare verhoor het ook op 11 Maart te Mmabatho en op 12 Maart te Vryburg plaasgeving. Die opkoms hier was ook uitstekend en almal het geleentheid gekry

om mondelings of skriftelik kommentaar te lewer.

Rustenburg Herald hoop om ons lesers in komende maande met die insette van FEDSAS se provinsiale of nasionale bestuur op hoogte van verdere verwikkelinge rondom BELA te hou. Hou gerus Rustenburg Herald dop.

Llewellyn Brown van die BELA-portefeuljekomitee (links) en Johan Benson van FEDSAS tydens die BELA-vergadering verlede Vrydag.

"Die Melkstal" - hang out of high society

Die Melkstal in Rustenburg is indeed making inroads in the Rustenburg community and has lately become a favourite hang out destination of the higher echelons of the Rustenburg society. Did you know that Die Melkstal is now the place where Rustenburg’s decision makers choose to gather around the tables for a little relaxation and leisure time - for once not necessarily the cluttered office desks! Photographed above Rustenburg’s Executive Mayor - Cllr Sheila Mabale-Huma and a number of Councillors of the Rustenburg Municipality are welcomed by Die Melkstal staff. (224973)

Beautiful Berlina more than a pretty face

RUSTENBURG HERALD – RUSTENBURG – Here, in the shade of the Magalies Mountains, beauty, it seems, flourishes.

The region can boast this year with a number of semifinalists for the 2023 Mrs SA pageant. The communication manager of the Moses Kotane Local Municipality, Berlina Lekgethwane (35) is another one of the local beauties vying for this year's title. "Part of my work as an administrator of the Municipality's Facebook page, has led me to encounter all sorts of societal challenges from our people - particularly our youth and graduates who are frustrated and idling at home without a job. Many of them are looking to government for jobs, yet we all know that there are limited opportunities. Beyond the growing rate of unemployment, there are other factors that have continued to challenge me to do something. Lately I have been observing the increasing rate of suicide among young people because of the pressures of social lives and feeling worthless," Berlina says.

"When I win, the prize will be community development." Berlina Lekgethwane wants to inspire young people to explore all opportunities to live life to the fullest.

Berlina Lekgethwane - wife, mother and corporate professional.

She further tells of how she was also always interested in modeling. "Growing up, I always wished to participate in Miss SA Teen. I went to auditions twice and arrived late simply because I was using public transport from Ramokostad to the East Rand Mall or Emperors palace," Berlina recounts. But this lady, with a degree in communication, does not allow setbacks to derail her aspirations. And so, last year, after talking it through with her family, she decided to enter. The mother of two little ones – four and six years-old – would like to be an inspiration for young people. "I am representing the reality of a young boy and a girl coming from rural areas. My strongest desire is tackling unemployment through various strategies," she says.

Berlina adds that, beyond a Mrs South Africa crown, this is an opportunity to engage in a platform that will lead her to go house to and see how she can assist in skills development to improve the lives of her community. "When I win, the prize will be community development," she says. To find out more about Berlina, visit the official Berlina Lekgethwane Mrs South Africa Semifinalist 2023 Facebook page. Life Peglerae Hospital recognised for clinical excellence in patient care

RUSTENBURG HERALD - RUSTENBURG - Quality is one of Life Healthcare's key strategic pillars and continually improving the safety and quality of care is part of our DNA.

Striving to consistently improve patient outcomes, enhance the patient experience while working closely with our doctors and network partnerships has been, and remains at the epicentre of our business.

Patients entrust their lives, or those of their loved ones, to us. We understand it is our responsibility to provide them with care of the highest quality. For this reason, as a leader in the healthcare sector, Life Healthcare ensures that quality lies at the core of everything we do.

Life Peglerae Hospital is proud to be acknowledged in the recent Discovery Health Hospital Care Rating index, which recognises private hospitals across South Africa against a range of clinical outcomes and operational efficiency criteria.

"We welcome acknowledgements such as this which highlights the exceptional work we are doing to drive our culture of continuous quality improvement and patient safety, says Hospital Manager, Denise Botha.

Dr Louis Kathan, Chief Medical Officer, Life Healthcare – South Africa says that for the past 20 years, Life Healthcare has set performance and quality standards and regularly measured the performance of its hospitals against benchmarks to ensure enhanced care and customer experience.

"We believe we impact and improve lives every day through our quality measures. We have consistent, robust initiatives that include quality scorecards and quality-measurement data and monitoring. We capture patient feedback at multiple points of the patient journey and have numerous programmes supporting our commitment to a positive patient experience."

"We are entrusted with the lives of our patients and their loved ones on a daily basis. It is our responsibility to provide them with the highest quality of care," concludes Dr Kathan. "This is why quality is embedded as a pillar of the Life Healthcare Group strategy."

"The Discovery Health Hospital Care Rating index is a wonderful acknowledgement of quality excellence for our hospitals," says Dr Louis Kathan, Chief Medical Officer, Life Healthcare – South Africa. "We acknowledge the efforts of all our hospital teams who daily ensure quality remains a priority

in supporting our purpose of making life better for our patients and their families."

"We value our employees and thank our hospital team for their commitment to quality which contributes to the success of the hospital and achieving this type of recognition", Denise Botha.

Art competition - now easier to enter

RUSTENBURG HERALD - RUSTENBURG - Aspiring artists hoping to make a few extra Pounds or pennies from Rustenburg Herald's Art competition, will be overjoyed by a slight adjustment of the rules for the competition.

From this year artists are no longer required to attach their entries (art works) onto the blank space regularly printed in Rustenburg Herald and/or Bonus as it is believed to somewhat restrict artists in as far as size is concerned. At the same time Rustenburg Herald would not necessarily have to sacrifice the, in fact, very much needed space of an empty/blank page to accommodate these entries. From now on artists are required to attach their works of art to THIS PAGE or use the page as your canvas to paint or sketch on. Make sure that the date and page number of THIS edition are still visible. To complete your entry, simply complete the entry form at the top of this page, attach it to your artwork and "post" your entry into the entry boxes at both participating Pick n Pay Stores - Pick n Pay Azalea Park, Greystone Crossing or Pick n Pay Lifestyle Square, Beyers Naudé Avenue in Midtown Rustenburg or at reception of Rustenburg Herald's offices in 13 Coetzer Street, Eastern Industrial Area, Rustenburg. Remember - two cash prizes of R1 000 each sponsored by Rustenburg Herald are up for grabs to the two quarterly winners with two extremely valuable Pick n Pay Shopping Vouchers to the value of R10 000 each are waiting for the two overall winners of the Rustenburg Herald Art competition. These prizes are sponsored courtesy Pick n Pay Beyers Naudé and Pick n Pay Greystone Crossing. Come on - get those entries rolling...

A photograph of an art work by Rustenburg artist Johanns Pienaar. Art such as this is ideally suited for out Art competition which now allows artists to attach their entries to any page in Rustenburg Herald or NW Bonus.

Tannie Joan van Wyk het op Saterdag 11 Maart 94 jaar oud geword en is reeds 60 jaar deel van Rustenburg VLU-tak. Sy het deur die jare in verskeie afdelings, verskeie pryse gewen by die jaarlikse skou, wat oor baie jare in Rustenburg aangebied is en so ook by VLU-konferensies. Vir haar is om lid te wees, nie al wat belangrik is nie, maar die baie kosbare vriendinne wat sy oor al die jare ontmoet het en nog steeds deel van haar vriendekring is. "Baie dankie tannie Joan, vir die mooi voorbeeld wat ons kan volg".

Baie geluk aan die volgende inwoners van Residentia Sering (Huis Sering) wat gedurende Maartmaand hul verjaardae vier. Op die foto verskyn van links Margery Potgieter, Johan Crous, Patricia Rademan, Mariana Winter, Bets Korb, Johanna van Niekerk, Dolf Oosthuizen, Daniela Grobler, Diana Lambert, Lynne Pretorius en Wouter Fourie.

Volmoed members would like to thank Vincent Carruthers for an interesting and educational presentation on the Magaliesberg and thank you to everyone who came to listen. They had the opportunity to see the mountain in three ways: The Geology of how and when it was created. The difference deposits and the rich Bushveld Complex minerals. The Biodiversity. The Magaliesberg is the division between the grasslands to the south and the savana (bushveld) to the north. That is why this area has a wide variety of flora and fauna, some eg Frithia pulchra are only found there. The mountain is of historical interest. Ruins of both Iron Age settlements and of battles between Boers and British may still be seen.

Rustenburg Herald Kook

Deur Waldie Volschenk

Mikayla Stols, haar mammi Erica Stols en die geheime “bestanddeel” – ouma Leonie van Staden.

Ouma se appel(tert) val nie ver van die boom af nie

As ‘n bloedjong nooi vir jou sê sy bak die lekkerste appeltart in die dorp kan jy dalk maar die voorkop se plooi in ‘n frons laat trek, maar as ‘n baie mooi bloedjong nooi vir jou sê sy bak haar ouma se gunsteling-appeltart en dat dié heel moontlik die lekkerste in die dorp is, sal jy wys wees om te vra hoe laat jy daar moet wees. So is dit nou maar, ons ouer-generasie vroue (ja, en selfs baie mans) weet maar net eenvoudig beter hoe dinge in die kombuis werk en wat hulle daar laat “verrys” is meestal ‘n treffer.

Nouja, voorwaar is ons gelukkig vandeeweek met ‘n baie mooi bloedjong nooi en haar ouma wat ons genooi het om te kyk hoe die lekkerste appeltarte in die dorp gebak word. Ons baasbakkers is Mikayla Stols en haar ouma, Leonie van Staden. In die familie is ouma Leonie bekend vir haar heerlike appeltart en wanneer die familie ‘n saamkuier-ete hou, word daar meestal nie gevra wat daar vir nagereg voorgesit moet word nie. So hier gaan ons – ouma Leonie en Mikayla maak dit so:

Bobaas-appeltart

Bestanddele:

- 4 Eiers
- 1 Koppie suiker
- 250 g Botter (kamertemperatuur)
- 1 Teelepel Vanilla-ekstrak
- ½ Teelepel sout
- 2 Koppies bruismeel
- 2 Blikke tert-appels (ingelegte appels)

Dan maak jy so:

Room die botter, eiers, suiker en Vanilla saam. Gooi melk by, dan meel en sout en klits tot glad. Smeer die tertbak, gooi die beslag uit in die bak en pak die appelskyfies mooi daarin. Bak vir 45 minute teen 160°C.

Appeltart-sous

Maak die volgende sous aan:

- 1 Koppie Ideal melk
- 1 Koppie suiker
- 25 gram Botter

Lekker los en bros en heerlik soet. Dit word tradisioneel met styfgeklapte room bedien. As jy egter nie ‘n roomliefhebber is nie, geniet jy dit net so of met enige ander sousie/stroop of soetding van jou keuse.

Verhit stadig tot kookpunt, gooi oor die gaar tert en bak dan vir ‘n verdere 10 minute. Bedien jou appeltart met styfgeklapte room of met enigiets waarvan jy hou – net so “kaal” is glad nie ‘n skande nie. ‘n Heerlike koppie tee of koffie of as jy dan nou lekker tradisioneel wil wees – gemmerbier – is ‘n uitstekende kombinasie. Dankie Leonie en Mikayla – laat weet gerus wanneer ons weer moet kom!

Twee blikke ingelegte appelsstukke – hoe varser hoe beter.. Of jy koop dit sommer van die rak af – die meeste mense doen dit in elk geval so.

Dit is hoe ‘n perfekte appeltart moet lyk wanneer dit na 45 minute uit die oond kom. Die tert kry dan die geheime appeltartsousie bo-oor en gaan vir nog 10 minute oond toe.

Mikayla Stols – ‘n leerder van die Hoërskool Rustenburg en haar ouma Leonie van Staden wat vandeeweek vir ons wys hoe maklik dit is om ‘n baie lekker appeltart te bak. Die kuns lê in die liefde waarmee jy dit bak.

Riool-ekskursie 'n
onbekostigbare een

Vir talle Rustenburgse inwoners van Arendweg asook die minstens drie meenthuis- en sekuriteitskomplekse in Safarituine Rustenburg sal die week van 15 Maart inderdaad as 'n waterskeiding onthou word.

'n Waterskeiding beslis ja, hopelik een wat skeiding sal bring tussen kristalhelder en skoon huishoudelike water van die Rustenburgse Munisipaliteit en rioolwater waarvan die meeste mense sonder uitsondering maar so min as moontlik van wil weet of hoor - veral nadat inwoners van hierdie areas vir minstens die afgelope 42 dae sedert 29 Januarie blootgestel is aan sekerlik die ergste vlakke van rioolbesoedeling in die geskiedenis van Rustenburg.

Ons wil nou nie weer ou koeie uit die sloot grawe nie, maar dit is geensins vergesog om te meen waaraan inwoners van hierdie area - en trouens die hele Rustenburg - die afgelope ses weke onderwerp is, totaal onvergeeflik is. Ons wil ook so ver gaan om te sê - dit is omtrent net Rustenburg soos ons dit nou al die afgelope minstens 20 jaar onder beheer van die ANC-geleide stadsraad gesien het, waar daar van inwoners verwag sou word om vir meer as 'n maand tevrede te wees met 'n rioolramp op hul voorstoepe en dit binne loopafstand van een van die grootste

inkoopentrums in die stad waar 'n horde restaurante en wegneemete-afsetpunte geleë is. 'n Mens moet wonder watter verskonings daar aangevoer sal word wanneer 'n mens sou vra hoekom dit die Rustenburgse Munisipaliteit meer as 'n maand geneem het om te besef dat hierdie 'n ramp van epiese proporsies is en dat die RLM beslis nie die kapasiteit het om die probleem te hanteer nie en waarom daar nie as 'n saak van die uiterste dringendheid kundige hulp ingeroep is nie.

Die Rustenburgse Munisipaliteit (ja ons weet dit is nie raadslede se skuld nie) moet tog nooit weer so arrogant ('n mens wil eintlik sê domastrant) wees om vir Rustenburgers te probeer vertel dat die ou dorpie hier aan die hange van die Magaliesberg 'n wêreldklas-stad is nie. Die opmerklikste onderskeiding van ons dorpie en klinkklare voorbeeld van hoekom Rustenburg juis NIE 'n wêreldklas-stad is nie (trouens, dit is nie eers 'n Afrikastandaard-stad of 'n Suid-Afrikaanse-standaard-stad nie) is sy vrotsige plaaslike bestuur waarvan die spreekwoordelike wiele nou al grotendeels afgeval het.

Ja, van wiele gepraat, die wiel is besig om te draai. Rustenburg se kiesers wag vir julle met die nasionale verkiesing van aanstaande jaar mnr/mev!

Sewerage excursion
a costly one

Numerous residents of Arend Avenue in Safari Gardens with no less than three town house complexes and a first-class Security complex in the same neighbourhood will probably remember the week of 15 March as a water-shed week for a very long time. A water-shed week indeed - hopefully one in which crystal clear water from the Rustenburg Municipality will be separated from foul-smelling sewerage water of which residents of Safari Gardens have had their fill - so to speak.

This after residents in these areas have been subjected/exposed to without a doubt the worst and continuing flow of sewerage pollution in the history of our small town. Residents and rate-payers all over will agree that pollution levels and frustration that residents in Safari Gardens had been exposed to over the past 42 days, simply can not be forgiven.

Come to think of it - it is probably only in Rustenburg as we have come to know our little town in the hands of an ANC led local government for over the past 20 years where residents of one of the towns most upmarket extensions were expected to put up with almost unimaginable levels of sewerage pollution right at their front doors for - yes - wait for it - no less than 42 days! And this within walking distance

of one of the biggest shopping centres in town with several restaurants and fast food outlets. One has to wonder about the many excuses that will be offered to the question why it took the RLM so long to realize that it was facing a sewerage disaster of epic proportions that was way above its capacity and why the help of a skilled and experienced third party contractor was not called in as a matter of the greatest urgency. And then the Rustenburg Municipality (yes, we know our Councillors are not to be blamed) has the audacity to point out to residents that they have the privilege to be living in a world-class city?

We hope that this experience has convinced those responsible for this laughable distinction/qualification to refrain from doing so ever again because clearly, it is not even remotely applicable.

Those of us who know better are well aware Sir, that Rustenburg is not even an African-class nor a South African-class city and that the best example of why it "ain't", is the ineptitude of its miserable management of which the wheels have more or less ground to a halt during this very sewerage exercise! Speaking of wheels Sir, yes, the electorate are waiting for you during the national elections of next year, we cannot wait to see how the scales will be turned!

Uncle
Ntamehlo
celebrates
103 years

Mr Ntamehlo Johnson Mahamba from Mapaputle village near Rustenburg turned 103 years old on 10 March. "Happy birthday grandfather - you are a pillar of wisdom and strength in our family, you set down deep roots that allowed us to grow up tall. Thank you, Lord for the blessing" - Nozandisile Mahamba (granddaughter).

Oom Chris
Schickerling
word 103

Oom Chris Schickerling - 'n jarelange inwoner van die Rustenburg Munisipaliteit se Kremetartlaan woonstelle vir bejaardes - het op Donderdag, 9 Maart, een van Rustenburg se oudste inwoners geword toe hy sy 103de verjaarsdag gevier het. Oom Chris woon deesdae by sy dogter in Rustenburg en moenie dink dat sy versorging 'n groot taak is nie - oom Chris het sommer nog tot Desember 2022 heeltemal op sy eie gewoon en self alles gedoen wat daar in die huis gedoen moet word - hy onthou ook nog maklik sy dogter se selfoonnommer en haar e-pos-adres uit die kop uit. Baie geluk oom Chris - die Rustenburg-gemeenskap hoop dat oom 'n heerlike dag gehad het.

Vlaklaagte Plaaswag MTB & Trail Run

RUSTENBURG HERALD - RUSTENBURG - Vlaklaagte Plaaswag is alombekend vir die positiewe bydrae wat hul lewer tot gemeenskapsbeveiliging en misdaadbekamping.

Om die veiligheidstelsels aan te pas by die unieke probleme wat onder andere beurtkrag voor hul deur lê, is hulle genoodsaak om aanpassings tot veiligheidstelsels te maak om veral die ouer en kwesbare boere te beskerm. Die kostes hieraan verbonde beloop sowat R500 000.

Hulle beoog om hierdie fondse in te samel deur 'n bergfietswedren en “trail run” op wildsplase in die Vlaklaagte-area te hou. Afstande fiets: 30km & 50km (R250 elk per inskrywing). Stap/draf: 10km & 21km (R200 elk per inskrywing). Gratis 5km staproete waar kinders met hul skopfiets, ma's met stootwaentjies en 4x4 rolstoel welkom is. Elkeen wat die resies voltooi ontvang 'n medalje, en daar is opwindende pryse vir die weners en 'n paar gelukkige deelnemers.

Daar sal 'n verskeidenheid kos- en algemene stalletjies, 'n plaasmark en 'n biertert wees. Vermaak deur Ruhan du Toit. Hulle beplan om dit 'n jaarlikse instelling te maak, en 2023-inskrywings sal voorkeur kry vir 2024. Bring jou kampstoel, tekkies en gees, en kom geniet 'n heerlike dag saam. Weens die teenwoordigheid van diere, word geen troeteldiere toegelaat nie. Vir inskrywings, besoek MyActive (bit.ly/3xYcVJl). Kontak 083 275 3278 met enige navrae oor stalletjies, inskrywings, borggeleenthede ensovoorts.
