Fietsryers trap vir Mieke - p3

Michael van Rooyen does it again - p28

The DA's Cllr Ilse Edwards (Ward 15) and Cllr Gert du Plessis (Ward 14), Cllr Abri Rootman (VF Plus), Mr Bernie Bruckner, Chairperson of the Arendskloof Security Complex and Me Chantél Niehaus, supervisor at Santa Monica town house complex during a site visit to Ground Zero of the notorious Arend Avenue Sewerage Disaster on Monday afternoon. Over the past month, this full scale ecological disaster has endlessly frustrated residents of Arendskloof, Santa Anna, Santa Monica and areas of Safari Gardens. After a month of struggling and failing, it must be clear that the Rustenburg Municipality is not up to the task. "In the meantime, we are awaiting news on "Chain Management Deviation" to appoint a private contractor to repair the broken pipelines and manholes. Du Plessis said that there seems to be little urgency among the RLM to take decisive action". See article on page 6. (Photograph: Waldie Volschenk).

Tomb money raider sentenced

RUSTENBURG HERALD - RUSTENBURG - A former cashier at a tombstone business here was sentenced to two years imprisonment for stealing R170 000 from the business.

Mpho Moyo (47) was sentenced on Friday (23 February) by the Rustenburg Regional Court.

Moyo was employed as a cashier, and among others, responsible for receiving tombstones payments from clients.

"According to evidence presented in court, Moyo manipulated the company's invoices to mislead the company for her personal gain. Fietsryers trap vir Mieke

RUSTENBURG HERALD - RUSTENBURG - Sewe jaar nadat Mieke en haar ouers, Monique en Christo van den Berg 'n bloedige plaasaanval (soos in Rustenburg Herald November 2015 berig was) oorleef het, tref nog 'n tragedie hul gesin.

Mieke (8) word tot haar familie se skok, in November 2022, gediagnoseer met akute limfoblastiese leukemie (ALL). Weer eens moet Monique en Christo veg om Mieke se lewe te spaar. Hulle harte is stukkend en kleinboet Nathan verstaan nie hoekom sy sussie so siek bly nie. Maar Mieke is nie sommer enige dogtertjie nie... Mieke is 'n "Warrior Princess" wat met elke stukkie in haar liggaampie en haar sterk geloof in God baklei teen hierdie "draak" ... Leukemia. Mamma Monique moet weklíks met Mieke na Pretoria reis om chemoterapie te ontvang in 'n Pretoriase hospitaal. Daar word ook dan 'n beenmurgbiopsie gedoen en bloettoets. Die behandeling gaan volgens Monique vir twee jaar duur. Sy moet daagliks ook medikasie neem by die huis waarvoor haar ouers kontant moet betaal. Mieke is verlede Dinsdag weer opgeneem en kry tans bloedoortapping en 'n voedingspypie is in haar neus geplaas omdat sy sukkel om kossies in te hou as gevolg van die aaklige chemo

newe-effekte. Hierdie Vastrap-maatjie moet vir ten minste twee jaar tuisoonderrig kry as gevolg van die chemobehandeling en omdat haar immuunstelsel te swak is om skool by te woon.

Soveel instansies en skole het reeds begin poog om fondse in te samel vir Mieke se behandeling en daarvoor is die familie hulle ewig dankbaar. Maar haar mediese onkoste beloop in die honderde duisende rande en gaan nog aansienlik styg binne die volgende twee jaar. Mieke beskik tans nie oor 'n mediese fonds nie.

"Ons vra groot asseblief dat Rustenburgers hulle harte oopmaak vir ons blondkoppliefing en help met bydraes en gebede. Mieke het julle hulp nodig! Sy het 'n plaasaanval oorleef en sy sal hierdie aanval van Leukemie óók oorleef.... Met Rustenburg se ondersteuning."

'n Spesiale fonds is by Nedbank vir haar geopen vir enige finansiële bydraes. 'n Groep fietsryers, "Warriors for Princess Mieke" het ook besluit om aan die Cape Town Cycle tour (109km) op 12 Maart deel te neem om fondse (R109 000) vir Mieke in te samel en vra dat Rustenburgers asseblief hierdie poging sal ondersteun en bydraes maak. Rekeningbesonderhede is as volg: Bank: Nedbank, Naam: Warrior Princess NPC, Rekeningnommer: 1245794272, Rekening: Current account, Takkode: 198765, Taknaam: SBS Transactional (3951), Swit code: NEDSZAJJ, Registration number: 202286056608, Reference: 1094Mieke. Klubopsigter aangeval, beroof

RUSTENBURG HERALD - RUSTENBURG - 'n Opsigter by "Klub 20" in die Modderfontein-omgewing naby Bergheim en sy vriend wat by hom gekuier het, is verlede Woensdagmiddag naby die M28-drom op die Rex-pad deur 'n bende onbekende, gewapende mans aangeval en beroof.

Die mans het almal klappemusse gedra en het volgens hul slagoffers met 'n Zimbabwiese aksent gepraat.

Die opsigter is erg aangerand en is met 'n pistool teen die kop geslaan. Daarna is sy woonplek leeggestroop en al sy besittings op sy vriend se bakkie gelaai. 'n Vuurwapen en 'n tweerigting-radio is van die items wat gesteel is.

Die bende het daarna ook probeer om ander eiendomme op die terrein probeer beroof maar niemand was tuis nie. Die "vriend" is daarna as gyselaar aangehou en die bende het saam met hom in die bakkie op die vlug geslaan.

Hulle het hom glo later beveel om tussen Lepologang en Marikana stil te hou, waar die gesteelde artikels afgelaai is en die man aangesê is om hom uit die voete te maak.

Die opsigter is later per ambulans na 'n hospitaal vervoer waar hy mediese behandeling ondergaan het. Nog geen arrestasies is gemaak nie. Inwoners van die omgewing is dankbaar teenoor Charl Visser en sy span van Rustenburg Landelike Diens/Bufelspoort Sekuriteit vir hul vinnige reaksie en hulp op die toneel.

Still NO END to Arend Avenue Sewerage Disaster - public outraged

Workers of the Rustenburg Municipality, pictured above, when the problem still seemed manageable approximately a month ago. Since this photograph was taken, almost "everything" has gone wrong however.

The sewerage dam in front of Santa Monica town house complex in Arend Avenue which has grown into an ecological disaster during the past month.

Cllr Gert du Plessis of the DA for Ward 14 and Bernie Bruckner, Chairperson of the Arendskloof Body Corporate Management during a visit to the site on Monday afternoon.

Waldie Volschenk

RUSTENBURG HERALD - RUSTENBURG - Toiling away day after day for the entire February didn't bring the Rustenburg Municipality a single step closer to finding a solution to what has been dubbed the Arend Avenue Sewerage Disaster which has since literally run away with residents in the area - notably owners/tenants of Santa Anna and Santa Monica town house complexes as well as Arendskloof where nothing short of an ecological disaster has played out over the past 28 days.

The Arend Avenue sewerage disaster began when heavy rains on 1 February resulted in a sinkhole almost right in front of Santa Monica townhouse complex. A closer inspection showed that extensive damage was incurred to a sewerage pipe line/manhole installation. A tree that had fallen over hours later prompted the Rustenburg Municipality to dispatch a maintenance team. For some inexplicable reason, digging away at the site apparently only caused the problem to escalate and soon turned into a full scale disaster when overflowing sewerage found its way towards three dams at the Arendskloof Security complex. Blocking the sewerage line somewhat higher up on the corner of Loerie and Arend Avenues to allow unhindered access to the initial problem area, was to little avail since pressure from accumulated sewerage simply pushed away the manhole cover at Loerie and saw hundreds of liters of sewerage washing down Arend Avenue into the work area and from here onward towards the Arendskloof dams.

According to the records of Cllr Gert du Plessis of Ward 14, the problem was reported to the Rustenburg Municipality on February. To date, teams of the Rustenburg Municipality equipped with whatever seemed to have been necessary, have been dispatched to investigate and repair, albeit unsuccessfully to add to the frustration of residents in the neighbourhoods.

Since Rustenburg Herald was alerted during the first week of February the situation has deteriorated substantially if not to an outright disaster stage. As a result countless of fish in the former pristine Arendskloof dams have died from sewerage pollution. Though limited numbers of fish could be rescued and relocated to other dams in the area, this brought little consolation as it was clear that the Arendskloof dams were polluted beyond repair. In addition to the smell, it was also reported that a flock of water bird species and a rich bird life has fled if not perished.

According to Cllr Gert du Plessis of the DA, the Rustenburg Municipality's Directorates Technical and Infrastructure as well as Sanitation, reported on 20 February that the RLM did not have the capacity to replace the sewerage line between the Loerie and Arend intersection and a huge "dam" in front of Santa Monica. The next step was to apply for Chain Management Deviation to appoint a private contractor and the intention was to finalise this by Wednesday, 22 February but didn't materialise as planned.

The current situation is that a constant river of sewerage is pouring into the three Arendskloof dams while the Body Corporate of Arendskloof has resorted to legal action with the registration of a criminal case and civil claim against the Rustenburg Municipality. Increasing reports of residents with symptoms of cholera have been received during the past week.

Monday of this week saw a delegation of involved parties gathering at the scene for the latest information and to discuss the way forward. According to Cllr Gert du Plessis, the Rustenburg Municipality's hesitancy and reluctance to act decisively, has only contributed towards the extent to the crisis. Needless to say, during recent weeks Rustenburg Herald was inundated with calls from the public who insisted that the municipality takes responsibility for the health risks, damages and inconvenience caused, both to the public as well as damage to the environment. Rustenburg Herald approached the Rustenburg Municipality's Head of Communications - Thapelo Matebesi to request comment on the RLM's views on the issue. No response was received at the time of our going to print this week.

Empowering Women in Mining: Breaking Barriers and Unlocking Full Potential

Lashia Khanda is a Class of 2022 matriculant from Sunrise View Secondary School in Boitekong who has been awarded the third annual Future Women in Mining Bursary by Impala Rustenburg.

She is among **55 young people** to receive bursaries from Impala this year. Lashia has embarked on an exciting journey to achieving a Bachelors in Geomatics, leaving her hometown of Rustenburg to begin her degree at the University of Cape Town.

Lashia shares a bit of her background and ambitions for the future.

Q What are your career goals?

When I've completed my studies, I hope to be employed by Impala as a surveyor. I'm eager to learn and grow within the mining industry.

Q What advice do you have for other young women?

I would encourage other young women like me to never lose hope and to work hard to achieve their goals.

Q Why is this bursary so important to you?

This bursary has not only made it possible for me to attend university, but it also means I can do so without worrying about financial constraints. Bekende kuier by Melkstal

Die Melkstal in Rustenburg word toenemend gewild onder bekende Suid-Afrikaanse glanspersoonlikhede wat die Platinastad van tyd-tot-tyd besoek. Menige gaskunstenaars het by geleentheid laat val dat 'n besoek en bladskud by Die Melkstal "en as ons besige programme dit toelaat, 'n lekker ete of wegval aan 'n spesiale bederf" altyd in die agterkop is wanneer reëlings vir 'n Rustenburg-inloer gefinaliseer word. Só was dit ook met Sello Maake kaNcube, bekende akteur van "The River" wat Suid-Afrikaners tans aan die praat het. Sello word hierbo deur Samantha Mendes en haar span by Die Melkstal verwelkom waarna daar behoorlik "ou koeie uit die sloot gegrawe is". (224968)

Birdlife Rustenburg Annual General Meeting

RUSTENBURG HERALD - RUSTENBURG - BirdLife Rustenburg held its annual general meeting on 20 February.

The club said goodbye to two long-standing committee members – chairman Shaun McGillewie is moving to the Eastern Cape and treasurer Helen Badenhorst is 'retiring' after ten years on the committee. A new committee was elected with Charles Foot as chairman, Gerda Welman

(treasurer), Hanti Mathews (marketing & secretary), Estie van der Merwe (meetings & outings), Geoff Finney (bird lists) and Sarel van der Merwe (additional member). Shaun McGillewie as ex-chairman will stay on in an advisory capacity.

Members also received badges for achieving milestone numbers of birds on their life lists.

A birding life list is typically a list of all the species that a person has seen over their lifetime. Birders describe adding a new species to their list as seeing a new 'lifer'. Badges for a South African life list of 650 birds were received by Helen and Dicky Badenhorst, Wynand and Naomi Sauerman and Sarel van der Westhuizen. Hanti Mathews received a 600 bird list badge and George Mathews a 450 badge.

Life List Badges: Hanti Mathews, Wynand Sauerman, Sarel van der Westhuizen and front Naomi Sauerman, Helen and Dicky Badenhorst.

BirdLife Rustenburg Committee 2023 – Hanti Mathews, Charles Foot, Geoff Finney, Sarel van der Merwe and Shaun McGillewie (absent: Gerda Welman and Estie van der Merwe).

INVITATION TO COMMENT ON THE INTENTION OF THE MINISTER OF THE DEPARTMENT OF AGRICULTURE, LAND REFORM AND RURAL DEVELOPMENT TO ESTABLISH A DEEDS REGISTRY IN MAHIKENG IN THE NORTH WEST PROVINCE AND TO RE-DEFINE THE AREA OF JURISDICTION OF THE DEEDS REGISTRIES IN KIMBERLEY, PRETORIA AND VRYBURG

The general public and all interested parties are hereby invited to comment on the intention of the Minister of the Department of Agriculture, Land Reform and Rural Development to re-define the areas of jurisdiction of the deeds registries in the North West, Kimberley and Pretoria as detailed below:

In terms of section 1 of the Deeds Registries Act, 1937 (Act No. 47 of 1937), the Minister of Rural Development and Land Reform may, from time to time, subject to the laws governing the public service, by notice in the Gazette —

- Establish or disestablish deeds registries;
- Establish or disestablish sub-deeds registries within the area of deeds registries; and
- Determine the names and situation of such offices, define the respective areas thereof, or amend any such determination or definition.

The purpose for the above is to ensure improved access to deeds registration services to all citizens of the province. The current service delivery model is of such a nature that clients must travel long distances to Vryburg in order to access deeds registration services. The alignment of the deeds registries in the North West, Kimberley and Pretoria, will ensure that the Department of Agriculture, Land Reform and Rural Development implements constitutional reforms in the current service delivery landscape.

Invitation to make written submissions / comments:

The public and all interested parties are hereby invited to make written submissions / comments in connection with the following proposals:

- The identification, separation and transfer of records of land parcels falling within the area of jurisdiction of the Northern Cape Province, but dealt with in the Vryburg deeds registry, from the deeds registry in Vryburg to the deeds registry in Kimberley;
- The identification, separation and transfer of records of land parcels falling within the area of jurisdiction of the North West Province, but dealt with in the Pretoria deeds registry, from the Pretoria deeds registry to the correct deeds registry in the North West;
- The amendment of the area of jurisdiction of the Vryburg deeds registry, situated in Vryburg to only deal with transactions relating to land parcels that fall within the area of jurisdiction of the Dr Ruth Segomotsi Mompoti district municipality;
- The establishment the North West deeds registry in Mahikeng to deal with transactions relating to land parcels that fall within the area of jurisdiction of the (Bojanala, Ngaka Modiri Molema and Dr Kenneth Kaunda District Municipalities).

Written submissions / comments shall be addressed to:

For attention of:

Grounds for condonation must be submitted in writing no later than five (5) working days after the closing date for submissions / comments.

Markdag by skougronde

Marcel Volschenk and Lexi Agenbag of Lexibug - two young entrepreneurs who are becoming a familiar sight at Rustenburg's diversity of markets. The cute little "goodies" in front are called "plushies" and children just love them!

Rebecca Segoe and Winnie Mogorosi photographed at their stall where brilliant hand-made handbags were on offer.

Die Boeremark was 'n blink idee vir 'n lekker uitstappie saam met oupa en oma - hierbo is oupa Jurie en oma Liz Barnard saam met die kleinkinders Luan en Linke Loubser by die dorperkrale afgeneem.

Jakes Ratsoeu (middle) his assistant John Sebohodi (right) and Kylie Lucas, a young girl who has indeed excelled in the dorper farming industry despite her tender age of 10 years. Read more about Kylie's achievements in our next edition of AgriPulse.

Die derde Farmers Market/Boeremark is die afgelope naweek onder die vaandel van die "Farmer Production Support Unit" by die voormalige Rustenburgse Skougronde aangebied en het goeie belangstelling onder die publiek ontlok. Tuisgemaakte artikels soos hand- en naaldwerkartikels, varsprodukte, gebottelde lekkernye, 'n verskeidenheid gebak en aangename geselskap (en 'n ietsie om te drink) was op die vertoonvloer en daar is flink sake gedoen.

Tradisionele "boeremarkte" en soortgelyke inisiatiewe deur skole, kerke en 'n uiteenlopende verskeidenheid van instansies het die afgelope twee tot drie jaar 'n groot oplewing in Rustenburg maar ook elders in die land getoon en is waarskynlik een van die min positiewe gevolge van Covid-19-pandemie wat Suid-Afrikaners gedwing het om alternatiewe werkseleenthede te ondersoek. Rustenburg Herald se fotograawe was ook Saterdag op die sakevloer bedrywig.

Is dit die boere van die toekoms? Hierdie foto is ook Saterdag tydens die boeremark by die voormalige Rustenburgse skougronde geneem. Van links is Ané Jordaan, Barend Botha, Liam Fourie, Melissa Botha en Danika Fourie.

RUSTENBURG HERALD - RUSTENBURG - Melanie Pretorius, skrywer, outeur, digter is 31 jaar oud en woon tans in Pretoria. Melanie is gebore in Rustenburg en is 'n oud-leerling van Laerskool Vastrap en Bergsig Akademie.

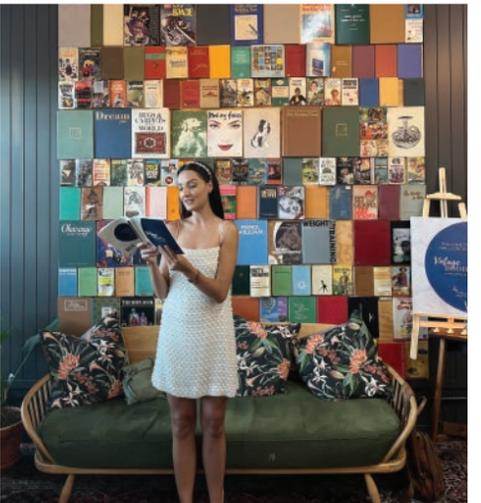

Sy het na skool Psigologie, Tale en Kunsteskiedenis gestudeer aan die Noordwes Universiteit in Potchefstroom. Na haar studies besluit sy om as lugwaardin vir Qatar Airways te werk vir 'n periode van drie jaar en later verhuis sy na Dubai, waar sy vir 'n volgende drie en 'n half jaar vir Emirates vlieg. In Augustus verlede jaar keer sy amptelik terug na Suid-Afrika en vestig haarself in Pretoria. Sy is tans 'n Grafiese en Bemerkingsbestuurder by 'n maatskappy in Centurion. Haar liefde vir woorde het reeds op 'n baie jong ouderdom begin, waar leestyd in graad 1 haar gunstelingtyd van die skool was.

"Ek kon nie wag om te leer lees en skryf nie, ek was nog altyd gefassineer deur dit wat met woorde opgetower kon word" sê Melanie. Sy het eers regtig in haar eerstejaar skryf ernstig begin opneem, en toe daarin begin rondspeel. Vir Melanie is digkuns 'n tipe magiese kuns. Dit het die vermoë om die emosies wat iemand voel in woorde om te sit, en sodra iets konkret soos dit voor jou lê, dan voel jy nie meer so alleen in dit waar deur jy gaan nie. "My enigste droom vir my skryfwerk is dat mense hulleself daarin sal vind en weet, maak nie saak wat jy tans beleef nie, jy nie alleen daarin is nie." Jy kan haar skryfwerk op Instagram volg onder die naam [melanie.p.poetry](https://www.instagram.com/melanie.p.poetry).

"Vintage Bodies: A Collection of Poetry". Dinsdag 21 Februarie - Melanie Pretorius se grootste droom word waar wanneer sy op dieselfde dag wat sy haar 31ste verjaarsdag vier, haar eerste boek bekendstel. Vintage Bodies is 'n Engelse digbundel wat in vier hoofstukke opgedeel is: Wrong Body, Broken Body, Healing Body, en Loving Body. Dit handel oor die verskillende seisoene ("bodies") waardeur jy moet groei in jou lewe, en dat elke seisoen nodig is vir jou om vorentoe te beweeg en te genees. Die bundel dek 'n verskeidenheid verwante onderwerpe, insluitend verlore liefde, verraaiende vriendskappe, verwerping, depressie, angs, die mooi in verlieftheid, selfaanvaarding en genesing. Die digbundel is self-gepubliseer, en sy het nie net die bundel geskryf nie, maar ook self die omhulsel ontwerp en die prente binne geïllustreer. Die bundel is gedruk en gebind deur Groep 7 Drukkers in Pretoria en is, onder andere, tans op hulle aanlynwinkel beskikbaar.

"Die leser sal van bladsy een af my hart lees," sê Melanie. "Die skryf van hierdie boek was 'n reis wat my werklik na myself toe tuisgebring het. Terug na my siel toe. In die verloop van die skryf van hierdie boek het ek opnuut besef hoe baie ek werklik die kuns van skryf waardeur. Die proses om alles bymekaar te sit; elke sin, illustrasie en ontwerp van die voorblad reguit tot die einde was 'n proses van genesing en ontsaglike liefde. Ek hoop dat hierdie boek vir jou soveel stilte in jou storms bring, en jou laat besef dat maak nie saak waarmee jy sukkel, of feesvier nie; jy nie alleen is nie. Die suiwer dieptes van jou is wat van jou 'n ewige watermassa maak, water wat hierdie aarde so broodnodig het. Elke liggaam (fisies of metafories) wat jy al het, en nog gaan deurgroei, sal jou altyd op 'n plek laat beland waar jy uiteindelik blom".

Vintage Bodies is Melanie wat bereid is om oopgeskeur te word, en sy nooi lesers uit om haar kwesbaarheid te omarm. Haar eerlikheid en emosionele reis is iets wat almal sal waardeur. Vintage Bodies is 'n belangrike bydrae tot die literatuur in Suid-Afrika en 'n boek wat elkeen se hart sal raak.

AYFS: Parents blamed for Children's wayward behavior at schools...and in society...

That one eye - Angelina van Rooyen.

Teacher Ms Given Thebe from Bothibello Primary, Phatsima Clinic Manager Ms Thelma Mphahlele and Mr Vuyo Zwide.

RUSTENBURG HERALD - RUSTENBURG - Phatsima village - Some learners improper behavior at schools and in the society is due to lack of parental care and psycho-social factors like conflicts/GBV at home and neglect.

This was disclosed during last week at the Adolescents, Youth Friendly Services (AYFS) Launch that took place at Phatsima Clinic. Learners and teachers from Bothibello Primary, Khayelethu Secondary and Community members attended the event.

The AYFS Program is being implemented at Health Facilities, and designed specifically to advance health needs of adolescents and young people from the age of 10-24 years. The program started few years ago and is being currently launched at Health Facilities. Amongst others, the program focuses on Health Education; Illnesses Treatment; Reproductive Health; Counselling & Testing; Mental Health Screening & Counselling and also do referrals on career exhibition, youth developments and other social developments aspects regarding youth.

Teachers highlighted some of the challenges they come across: "Neatness of learners starts from home not at school; we know we have female learners but we do not provide sanitary pads nor teach them on health issues; we leave learners at home alone to become parents too by letting them to take care of young children...it's really concerning..." retorted Given Thebe, a Bothibello Primary school teacher.

A member of Community Policing Forum (CPF) at Phatsima, Vuyo Zwide, made a call to parents and community at large to assist learners and youth on dangers of substance abuse and a learned violent behavior they see at home. "A girl child goes through a lot currently; rapes; violence...what kind of society have we become? Children too do not fight teachers, obey them and parents at home too - so as to become better people in society," concluded Zwide.

Rustenburg Herald Art competition - now easier to enter

RUSTENBURG HERALD - RUSTENBURG - Aspiring artists hoping to make a few extra pennies from Rustenburg Herald's Art competition, will be overjoyed by a slight adjustment of the rules for the competition.

From this year artists are no longer required to attach their entries (art works) onto the blank space regularly printed in Rustenburg Herald

and/or Bonus as it is believed to somewhat restrict artists in as far as size is concerned. At the same time Rustenburg Herald would

not necessarily have to sacrifice the, in fact, very much needed space of an empty/blank page to accommodate these entries. From now on artists are required to attach their works of art to THIS PAGE or use the page as your canvas to paint or sketch on. Make

sure that the date and page number of THIS edition are still visible. To complete your entry, simply complete the entry form at the top of this page, attach it to your artwork and "post" your entry into the entry boxes

at both participating Pick n Pay Stores - Pick n Pay Azalea Park, Greystone Crossing or Pick n Pay Lifestyle Square, Beyers Naudé Avenue in Midtown Rustenburg or at reception of Rustenburg Herald's offices in 13 Coetzer Street, Eastern Industrial Area, Rustenburg. Remember - two cash prizes of R1 000 each sponsored by Rustenburg Herald are up for grabs to the two quarterly winners with two extremely valuable Pick n Pay Shopping Vouchers to the value of R10 000 each are waiting for the two overall winners of the Rustenburg Herald Art competition.

These prizes are sponsored courtesy Pick n Pay Beyers Naudé and Pick n Pay Greystone Crossing. Come on - get those entries rolling...

Rustenburg Herald se Tambutikombuis het 'n reputasie dat hier geregte opgetower word wat enige ete in 'n 'happening' laat verander. En dié week s'n is geen uitsondering nie. Michelle van Dyk en haar seun, Marnus, is die twee voor die kospotte en hulle berei 'n maaltyd voor wat jou mond gaan laat water.

Die bestanddele is eenvoudig – 'n paar goeie vriende, 'n gesellige kombuis, 'n drinkingetjie van jou keuse en lekker kuier, en siedaar, kos is op die tafel! Michelle en Marnus maak vir ons 'n maklike, maar smaaklike vark-en-aartappelgereg.

Varksteakgereg

- Bestanddele:**
 8 medium Aartappels, geskil en gerasper
 30ml Sonneblomolie
 2 groot Pers-ueie, gerasper
 1 pakkie Robotsoetrissies (rooi,geel,groen), in repies gesny (Hou paar stukkies vir garnering)
 6 x Knoffelhuisies, gekneus
 1 kg Varkneksteaks
 500g gerasperde Cheddarkaas
 2 eetl 'Whole Grain' Mosterd
 2 eetl Griekse Jogurt
 2 eetl Mayonnaise
 10g Pienk Sout
 10g Peper
 20g Shotgun Spice/ Texan Six Gun Spice

Marnus en Michelle se gereg is nie net heerlik nie, dis nog mooi ook.

Metode:
 Voorverhit oond tot 200°
 Kook gerasperde aartappels vir 10-15 min in mikrogolfoond. Spoel af en dreineer goed.
 Sny uie, knoffel en soetrissies en braai in n bietjie olie tot sag. Pak varkneksteaks op werksoppervlak, bedek met kleefpapier en slaan met vleishamer plat op albei kante. Strooi sout, peper en speserye albei kante en smeer goed in. Smeer bakplaat met bietjie olie. Druk oortollige water uit aartappels en plaas onder in die bakplaat en druk vas. Gooi uiemengsel bo-oor en druk plat. Plaas Varksteaks een vir een bo op

die uiemengsel. Rasper kaas en voeg by die jogurt, Mayonnaise en mostert Meng goed saam en skep in hopies bo-op vleis. Versprei die mengsel egalig op die oppervlak om vleis te bedek. Garneer met soetrissies (wat oorgebly het) Bak in oond vir 'n uur en bedien met 'n lekker slaai.

Variasie:
 Maak 'n pakkie Potato Bake van jou keuse aan en gooi oor aartappels voor die gereg oond toe gaan. Jy kan ook stukkies varkspek bros braai en by die aartappels roer.

Die varkneksteaks se geur word deeglik in die vleis ingevryf.

Die gereg kry sy uie-en-soetrissiekomers.

Die Eskomskok

Baie Suid-Afrikaners sit waarskynlik nou nog verbysterd na 'n vlaag politieke onthullings (eintlik kriminele onthullings - maar is dit nie maar dieselfde ding in Suid-Afrika nie?) wat sedert verlede week rondom die Eskomskandaal opslae gemaak het. Die mense wat tot nou toe nog geglo het dat die ANC-regering nog altyd die belange van gewone mense op die hart gedra het, sal sekerlik nooit ophou om dit te glo nie, kom wat wil. Die Afrikaanse skrywer en filosoof, CJ Langehoven, het gesê "n mens hoef nie die see leeg te drink om jou te oortuig dat dit sout is nie". Daar is egter mense in hierdie land wat skynbaar veel meer oortuiging nodig het.

Kan jy nou meer en hoekom het ons dit nie lankal geraai nie? Die ANC keer nou al jare, kom met alle verskonings oor beurtkrag en stygende tariewe en ons "stomme" president Ramaphosa sê nie 'n woord oor enigiets nie terwyl hy maar al te goed weet wat in die binnekamers van sy organisasie aan't broei is. Maar hoe kan ons verwag dat hy ons in sy vertrouwe sal neem? Dit is tog lankal duidelik dat hy vir niemand behalwe homself, sy familie, vriende en partygenote omgee nie. Hy het Suid-Afrikaners te midde van sy Phalaphala-skandaal ook nie in sy vertrouwe geneem nie en almal weet nou al wat daarvan geword het.

Lank en die kort egter, niemand kan nou meer twyfel dat Suid-Afrika se president nie vir Suid-Afrikaners

omgee nie. Net so het hy tydens Covid-19-pandemie nie geskroom om Nkosazana-Dlamini Zuma sonder enige "inperking" op vuisvoos Suid-Afrikaners los te laat waar sy na hartelus kon baljaar nie, terwyl daar ANC-ministers was wat niks daarvan gedink het om die inperkingsmaatreëls te oortree deur laatnag te fuif en rinkink en regeringsfondse te misbruik nie. Dan was daar ook diegene soos die gewetenlose Zwele Mkhize, wat sy posisie as minister van gesondheid misbruik het om homself en sy familie met belastingbetalersgeld te verryk terwyl honderde mense daagliks aan Covid-19 gesterf het. In 'n land soos China (ja ons broers of hoe is dit dan nou?) Rusland (ja, selfs hier) of enige ander land waar 'n verantwoordelike regering aan bewind is, sou hierdie misdadiger ongetwyfeld voor 'n vuurpeleton gesterf het. Hier, omdat hy 'n vertroueling is, kom hy egter ongeskonde daarmee weg net om enkele maande later die vermetelheid te hê om Ramaphosa om die ANC-leierskap uit te daag. En nou moet ons hoor dat 'n hooggeplaasde ANC-minister maande lank al agter 'n komplot sit waarvolgens Eskom maandeliks van ongeveer R1 miljard gestroop word. Ergste van alles is dat ons president hiervan geweet het maar wêér nie 'n vinger verroer het nie. Met sy stilsweye het Ramaphosa dié keer egter bevestig dat Julius Malema toe al die tyd reg was oor Gordhan!

The Eskom shock

South Africans are still reeling with shock after the latest wave of political disclosures (they are in fact criminal disclosures but aren't this the same thing in South Africa?) which have made headlines since late last week. Those people who have always believed that the ANC government has had our interests at heart - sadly these people will probably never believe otherwise, no matter what. The well-known Afrikaans author and philosopher, CJ Langenhoven wrote "one doesn't really have to swallow the entire ocean to convince yourself that it is salty". Clearly, not everyone reads Langenhoven, do they?

Nonetheless, there we finally have it! What we know now is that something sinister has been going on at Eskom for a long time. How difficult could it be to steal billions from the people when you have access to at least a third of the country's money? For the past eight years the ANC government has made excuses, tolerated and offered apologies for Eskom's persistent problems, load shedding, the rising costs of electricity and yet our President remains totally mum. Not even a climate of wide-spread uncertainty could convince him to confide in his fellow South Africans. But allow us to remind you - the President we thought we could trust, also didn't take the

opportunity to confide in us during the so-called Phalaphala scandal and don't we all know how that eventually played out?

However, now that we know that he was not entirely in the dark about the theft of billions at Eskom by a senior ANC Minister for apparently, a very long time, it would not be easy for the President to regain the people's confidence. Speaking of which, he also didn't seem to care much for South Africans during the Covid-19 pandemic when he allowed Nkosazana-Dlamini Zuma to have her way with the country and its people and who did nothing else but to constraint people even more. While strict regulations were imposed, it was ANC Ministers who were caught frolicking away during late night parties. This was soon followed by Zwele Mkhize who abused his position as Health Minister to enrich himself, his friends and his family, only to reappear months later when he was challenging Ramaphosa as leader of the ANC. Perhaps a firing squad would have been more justified - surely this would have been the case in China (our brothers?) or Russia (our sailing friends?) Now that we think about it, isn't it clear that his silence was nothing else but confirmation that Julius Malema was right about Gordhan all along?

Honde word gesteel en verkoop

Die redakteur,

Hier is 'n lelike verskynsel wat besig is om kop uit te steek in ons, sowel as ander dorpe.

Ons "hondekinders" word gesteel uit ons erwe en word op straat verkoop. Mense wees asseblief versigtig, as julle sien iemand loop met 'n hond wat hy wil verkoop, laat weet dadelik die DBV/SPCA dat hulle hom kan vervolg.

Hou die persoon besig of as julle die honde kan veilig hou en "skelm" die DBV/SPCA/RCCF bel om te kom help. Honde wat halsbande om hulle nekke dra in erwe word maklik opgetel en oor die draad getrek. Hou julle honde asseblief veilig of agter in julle erwe. Wees wakker en paraat om ons diertjies te beskerm.

Baie dankie, Bekommerde Diereliefhebber.

Power performance by Rustenburg Rocket at GTC 9-hour challenge

Michael van Rooyen - better known as the Rustenburg Rocket - had an excellent outing at Round 1 of the 2023 Global Touring Cars (GTC) championship at the Kyalami Grand Prix Circuit as part of the Intercontinental GT Challenge 9-hour race on Saturday. Van Rooyen who was plagued by brake balance issues during the weekend, still managed the third-fastest time in qualifying, but unfortunately suffered a spin to finish in 6th place in Race 1. This however set him up for a pole position start thanks to the reverse grid used in GTC. After fending off an attack from one of the cars during the early stages of Race 2, he managed to open a gap before the mid-point of the race. From here Van Rooyen managed to control the pace and ended up taking a relatively easy victory. The next round of the 2023 GTC championship is scheduled for 17 and 18 March at the Killarney International Raceway in Cape Town.
