## Ma's "baas" met Moedersdagbederf

Moederharte regoor die land gaan eerskomende Sondag, 14 Mei, spreekwoordelik "blom" met die viering van Moedersdag waartydens ma's na 'n dag van bederf en spesiale koestering kan uitsien uit dankbaarheid vir die reuse rol wat moeders in ons gemeenskappe se lewens vervul. Vir Yolanda van Greunen (tweede van regs) het haar Moedersdagbederf reeds die afgelope naweek begin toe sy by 'n gewilde mark in Rustenburg met handige geskenkies deur haar kinders verras is. Yolanda word hier omring deur haar kroos wat haar dag, en hopelik haar week, op 'n uitstekende noot ingelui het. Die kinders is Gretchen, Marco en Elisha van Greunen.

# Pelican Watch Programme - Birdlife Rustenburg

Great White Pelican - Strandfontein, Cape Town.

**RUSTENBURG HERALD - RUSTENBURG** - Estie van der Merwe, a member of BirdLife Rustenburg, recently had the opportunity to be part of the Pelican Watch Programme.

This programme is a SANParks management strategy in the West Coast National Park aimed at controlling the catastrophic impact of predation by Great White Pelicans on the chicks and eggs of the Cape Gannet and Cape Cormorant breeding colonies on Malgas and Jutten Islands in Saldanha Bay.

Estie will share her experience at the BirdLife Rustenburg meeting that will take place on Monday, 15 May, at the Methodist Church on the corner of Brink and Schuurman Streets at 18:30. All members and non-members are welcome - non-members pay R30 per person.

On Saturday, 20 May, BirdLife Rustenburg will visit the Aloe farm and the Nyoka Ridge Vulture Restaurant in the Hekpoort area. It is situated at the foot of the Magaliesberg Mountain. It is a private feeding station for the endangered Cape Vulture, managed by Birdlife Harties. This outing is a rare opportunity to see and photograph these interesting birds feeding and flying up close. Other birds that can be expected to view in the area are raptors such as the African Harrier Hawk, Little Sparrow Hawk, White-backed, and Lappet-faced Vultures. Bushveld and grass-veld birds such as the Rufous-naped Lark, Cape Longclaw and much more. Details of the outing will be finalized later.

Feel free to contact Charles Foot (073 452 3874) should you wish to learn more about BirdLife Rustenburg and would like to attend the events.

# “New” money for South Africa

**RUSTENBURG HERALD - RUSTENBURG** - The South African Reserve Bank (SARB) has released the upgraded series of banknotes and coins, which are expected to go into circulation from this week.

According to the bank, the upgraded notes and coins have enhanced security features and new designs. While the banknote designs will remain largely similar to that of old, with an enhanced look and feel, the coinage has the most significant changes, now boasting ecologically inspired designs.

“The banknotes continue to pay tribute to South Africa’s first democratically elected President, Nelson Mandela, with his portrait retained on the front of the banknotes, while the Big 5 animals are now illustrated as a family on the back. “We also celebrate our constitutional democracy, with the preamble to the South African Constitution printed in microtext around Madiba’s portrait and the country’s flag featured on the front and the back of the banknotes.

“The theme of the coin series is ‘Deep ecology’, which acknowledges the interconnectedness of living organisms as an integral part of the environment. These themes are depicted by our fauna and flora on the coin,” the SARB said.

“In general, banknotes are refreshed in intervals of six to eight years and coins in intervals of 20 to 30 years. In South Africa, the current Mandela banknote series was issued in 2012 and a commemorative series of banknotes was issued in 2018. The current coin series was issued in 1989. “The SARB does not demonetise its currency. All previously issued circulation banknotes and coins can be used as a means of trade together with the upgraded banknotes and coin. All circulation currency maintains its face value.

“Members of the public are encouraged to familiarise themselves with the upgraded banknotes and coins and to use the look, feel and tilt method to authenticate their currency. Changes to the upgraded banknotes and coins are available on the SARB website and the SARB Currency App, which is available on the Apple iStore and the Google Play Store,” the SARB said. Police recovered cattle worth more than R100 000.00 after receiving a tip-off. (Photo: Supplied)

Duo caught with cattle

**RUSTENBURG HERALD - KOSTER -** On Monday (8 May) the magistrate’s court here granted Ofentse Ignatius Mphomane (45) and Motlogelwa Jairous Matlapeng (41) each R5000 bail.

The two were arrested after the Koster Police were acting on information and found them transporting nine heifers without documentation. “It is alleged that on Friday (5 May) the police received information of a suspicious Toyota Quantum driving on the R53 from Swartruggens towards Koster and was towing a trailer loaded with cattle. Upon stopping the vehicle, police discovered nine unbranded cattle, valued at more than R100 00.00 on the trailer. The suspects could not provide any documentation of ownership nor for transportation of the animals,” said Sergeant Ofentse Mokgadi, local police spokesperson. According to Mokgadi, both suspects were immediately brought in for questioning whereby it was discovered that the suspects bought the cattle for R40 000 from a farm worker. The farmer, unaware of the sale, was traced by the police and summoned to the station to identify his cattle. He was then charged for not branding his cattle. Mphomane and Matlapeng are expected to appear again before court on 15 June. “The search for the farm worker who sold the cattle continues,” Sgt Mokgadi said.

Two in court for housebreaking, theft and firearms

RUSTENBURG HERALD - SWARTRUGGENS - Two men appeared before court on charges of housebreaking and theft earlier this week.

One of the two suspects, Martin Nyakula (40) appeared on Monday (8 May). He will reappear on Wednesday (10 May) to apply for legal aid. Nyakula was arrested following an intelligence driven operation conducted on 5 May in Swartruggens and Boitekong by members of the Phokeng K9, Rustenburg Public Order Police (POP), Boitekong SAPS and Swartruggens

Detectives. According to information, a burglary was reported that day at a farm in Swartruggens where intruders allegedly stole a safe containing rifles, a 9mm Glock firearm with ammunition, three plasma televisions, cameras and a motorbike. Information lead police to Sunrise Park where Nyakula was arrested for burglary and theft. Two gas cylinders, a cutting torch, a grinder, a five pound hammer, a chain block and other housebreaking implements with an estimated value of R300 000 were found in his possession. Police then went to an address at Meriting Riverside where Charles Makgatho (46) was found. During the search, four rifles with ammunition, two plasma televisions, as well as a queen size bed were found and seized. The accused appeared in the Bafokeng Magistrate’s Court in Tlhabane on Monday (8 May). He was charged with possession of suspected stolen property and unlawful possession of firearms and ammunition. The case was postponed until Monday, 15 May for a formal bail application. The Provincial Commissioner of North West, Lieutenant General Sello Kwenza, congratulated members for working tirelessly in making sure that criminals such as these ones are put behind bars. Moreover, he applauded members of the community for assisting the police in ascertaining that the suspects were exposed and brought to book.

**Yet another rainfall record looming?**

**RUSTENBURG HERALD - RUSTENBURG -** No, 37.6 mm does not sound like quite a lot of rain. It’s nonetheless surprising to note that the 37.6 mm recorded until Tuesday morning (9 May 2023) at 08:00 were the second highest rainfall Rustenburg had received for the fifth month since 2003. And yet 20 more days remain for the month of May during which it could be quite possible, especially during a La Nina year, for a brand new record in Charlie Graham’s record books by the end of this month. It is interesting to note that the highest rainfall recorded in May over the past 20 years was in 2010 when an almost unheard of 107 mm were recorded in Rustenburg. Prospects for even more rain were quite excellent at the time of our going to print on Wednesday morning after the SA Weather Service had predicted heavy rain for the remaining half of this week and especially this weekend. It would seem a wide decision not to put away those umbrellas and raincoats until perhaps well into the winter of 2023. Rustenburg Herald is grateful for the meticulous rainfall and weather statistics provided by Mr Charlie Graham of Geelhout Gardens Nursery in Kremetart Avenue Rustenburg.

# Village feast on dead elephants

**RUSTENBURG HERALD - ZEERUST - Residents of Lekubung near in Zeerust apparently wasted no time in helping themselves to feast on dead elephants last week.**

The incident occurred on 2 May after the elephants were killed by provincial authorities.

According to authorities, the elephants were killed because they were damaging property. It was earlier reported that the elephants had escaped from a game farm.

It's unclear why the elephants were not simply returned to the game farm.

In a video taken at the scene where the elephants were killed and shared on social media, scores of people could be seen skinning the animals.

As they cut the meat and removed the skin from the elephant, several voices can be heard in the background, saying: "Go, take a piece."

Jonathan Denga, the director of biodiversity management and conservation in the North West Department of Economic Development, Environment Conservation and Tourism, said the elephants escaped the game farm through a broken fence on 27 April.

After they were spotted in one of the residential areas, community members were concerned for their safety, and said the elephants damaged their property.

Denga said residents threatened to strike and close the roads because the issue was not being addressed.

"Community members said they didn't feel safe and we had to do something about it. The elephants would normally target a blue container that wasn't too far from the village because they thought it was a toy," he said.

Residents alerted authorities on Tuesday that the elephants were back.

"Our two employees shot the two elephants in a bush between the community of Lekubung and the game reserve. It was a controlled shooting," Denga added.

# Shebeens shut down

**RUSTENBURG HERALD - RUSTENBURG - In one of the efforts in dealing and curbing the illegal selling of alcohol from unlicensed establishments, Rustenburg Police's Crime Prevention and Public Order Policing, as well as the Phokeng K9 Unit took action.**

They conducted a tactical operation and raided Shebeens operating in Waterkloof and Sonderwater on Friday (5 May).

Three Shebeens were identified and raided and large quantities alcoholic beverages, valued at over R60 000 were confiscated. The owners of the respective establishments were fined. The Acting Rustenburg station commander, Brigadier Joel Pheto warned Shebeen owners across Rustenburg that this was only the beginning. "More operations of such nature are to follow," he said and further urged owners to apply for licenses if they want to conduct such businesses legally.

## DA opposed to amalgamation of Kgetlengrivier, Madibeng Municipalities

**RUSTENBURG HERALD - RUSTENBURG** - The DA in Rustenburg is opposed to the proposed amalgamation of the Rustenburg and Kgetlengrivier local municipalities. The DA's position on these redeterminations were adopted by the DA's Provincial Executive Committee on Friday, 21 April 2023, according to Cheryl Phillips DA MP and Constituency Head, Rustenburg/Kgetlengrivier.

Cheryl Phillips DA MP and Constituency Head, Rustenburg/Kgetlengrivier.

“Our position is clear after a thorough review of the eight proposed boundary redeterminations affecting Rustenburg and the three for Kgetlengrivier.  
Through engagement with urban and rural residents, business owners, and tribal authorities, we have concluded that most of these redeterminations are not in the best interest of residents and also lack their support.  
Contrary to the views expressed by the Speaker of the Rustenburg Local Municipality, Cllr Koketso Mogomotsi and as reported by the SABC on 13 April 2023, the DA in Rustenburg and Kgetlengrivier will oppose these redeterminations.  
Recent history in South Africa has shown that amalgamating failing or failed municipalities has not yielded any positive results, and the only way to improve governance, financial management and service delivery is to change the political party in government from the ANC to the DA, as seen in uMngeni in KwaZulu-Natal, where the DA has demonstrated that it is possible to turn failing municipalities around by rooting out corruption, improving revenue collection, extending and improving indigency benefits, the effective use of grants and funding from National Treasury, and ensuring that employees are fit for purposes – not simply cadre deployees.  
This is possible in both Rustenburg and Kgetlengrivier should residents vote in a DA-led government.  
Public meetings are scheduled to be held from September 2023 to October 2023 and we will communicate with residents about the meeting details once they are confirmed, so that they may participate in these discussions and have their voices heard,” Phillips concluded.

# Magalieskruin Voortrekkers hou eerste Kentekendag

RUSTENBURG HERALD - RUSTENBURG - Magalieskruin Voortrekkers het dit goedgevind om dié jaar 'n kentekendag aan te bied.

Op die een dag doen hulle bietjie touwerk, seremonies, speletjies en elke span kry ook geleentheid om aan eie spesialisasies (kentekens) te werk. Hulle is vroeg verras met 'n besoek deur ER24 wat vir hulle gewys het wat om te doen met 'n slangbyt of verstuite enkel as hulle gaan stap of dalk 'n brandwond as hulle kamp.

Magalieskruin Voortrekkers se projek om kos in te samel vir minderbevoorregte kinders. Hulle noem die projek Blikkies vir Slukkies, ook warmklere vir kindertjies en Baadjies vir Maatjies.

Kommandojeugleier, Justin Kleynhans en die Gebiedsjeugleier, Bianca Cilliers besig om gereed te maak vir hul seremonie.

# Magalieskruin Voortrekkers

Op Saterdag 22 April het Magalieskruin Voortrekkers op die terrein van NG Protea-park bymekaargekom en is vroeg-vroeg ver-ras met 'n besoek van ER24. Baie dankie aan Hennie, Rynard en Sanna wat die hele groep kom leer het hoe om beserings tydens 'n uitstappie of kamp te hanteer. Die groot ge-heim is om kalm te bly en hulp te soek. Op die foto is Marno van Wyk wat as 'pasiënt' gebruik is vir 'n bytplek of skraapplek.

Nathan Strydom van die Uilespan klou vir al wat hy werd is aan die red-dingsplank. So het die ER24-personeel vir die Voortrekkers gewys dat hulle goeie werk doen as hulle iemand vasmaak op die reddingsplank om te verskuif vanuit 'n moeilike terrein tot by die ambulans.

Travis Erasmus kry die kans om te sien hoe dit binne-in die ambulans lyk. Magalieskruin Voortrekkers is baie dankbaar vir die tyd en moeite wat ER24 gebruik het om hulle te kom wys hoe om veilig te kamp en op uitstappies te gaan.

## Bekendstelling van baanbreker-roman

**RUSTENBURG HERALD - RUSTENBURG**  
- Die roman 'Op pad na Grysberg' verskuif grense en vermag iets wat nog nooit - sover vasgestel kan word - in Afrikaans gebeur het nie.  
Die verhaal, met sy post-apokaliptiese-geur, was die breinkind van skrywer en resesent, Stefaans Coetzee. Hy het 22 gewilde Afrikaanse skrywers gekry en hul oorreed om sáám aan een storie te skryf.  
Elkeen van dié uiteenlopende skrywers bring sy eie dinamieka na die storie, maar op die einde is die verhaal 'n interessante, verweefde geheel. Dié Saterdag (13 Mei) is Bargain Books Platinum Square gasheer vir 'n amptelike bekendstelling van 'Op pad na Grysberg'. 'n Klompie van die skrywers wat betrokke was, gaan die bekendstelling bywoon - kom loer gerus in en gesels saam.

Kom woon die amptelike bekendstelling van 'Op pad na Grysberg' by.

Stefaans Coetzee, 'n baie bekende in Afrikaanse skryfkringe, is die 'pa' van Op pad na Grysberg'. Stefaans gaan die bekendstelling op 13 Mei bywoon.

Ons dink met dank terug aan die lewe van Hannelie Erasmus (79), eggenote van Hennie Erasmus en moeder van Jacomien en Elsa, wat op 5 Mei oorlede is. Die rouidiens vind plaas op Vrydag 12 Mei vanuit die NG Kerk Swarttruggens om 11:00. Diens deur Astra Begrafnis- en Verassingsdienste (014) 544 0111. (225000)

Ons onthou met liefde wyle Kenhardt Broodryk (57), wat op 5 Mei oorlede is. Sy gedenkdien vind plaas op Vrydag 12 Mei om 10:00 vanuit die Hervormde Gemeente Rustenburg-Suid. Die Rustenburg Krematorium en Leading Light Funerals bid die familie krag en sterkte toe. Enige navrae kan verwys word na (014) 592 8441/073 903 4862. (226003)

"To Sister Irene, Staff Nurse Miranda and all the caregivers at the Wigwam Frail Care Unit, thank you so much for the wonderful care you gave Ronnie for the last 5 and a half years. Your obvious love for the residents and your dedication to your calling is so very evident in the way that you treat and respect all those whom you care for. Thank you so much for the kindness and compassion that you showed our family at the time of our dad's death. You made a difficult time less stressful, and we truly appreciate your service". Ronnie's children - Greg, Ursula and Vanessa. Celebration of Life Service - Die Kerk, Brigadoon Golf Estate Modderfontein Rustenburg on Friday 12 May at 11:00. "Die Rustenburg Krematorium en Leading Light Funerals bid die familie krag en sterkte toe. Enige navrae kan verwys word na (014) 592 8441/073 903 4862". (226003)

## Weeg die las van dienslewering te swaar?

Terwyl die Rustenburgse Munisipaliteit by monde, of by wyse van handling dan van sy Speaker direk/indirek betrokke is by ‘n poging van die Munisipale Herafbakeningsraad van Noordwes om verskeie kleiner munisipaliteite soos Kgetlengrivier, Madibeng asook Moses Kotane by die Rustenburgse Munisipaliteit in te lyf, flikker die gevaarligte reeds geruime tyd dringend dat dié stap talle implikasies nie net vir inwoners van Rustenburg nie, maar ook vir die betrokke klein munisipaliteite inhou. Een van die kwessies wat die afgelope twee tot drie weke reeds druk bespreek word, is dat die Rustenburgse Munisipaliteit dit baie moeilik gaan vind om sy dienslewering op standaard te kry. Inwoners van Rustenburg wat vertrou is met plaaslike omstandighede, veral ten opsigte van vervalte of ontbrekende infrastruktuur, sal sonder enige huiwering kan getuig dat ons dorpie plek-plek soos die spreekwoordelike oorlogsone daar uitsien. Ons hoef nie eers na die uitgebreide voorkoms van slaggate op ons paaie te praat nie. Die erns van die saak moet eenvoudig dringend besef word - veral die feit dat die reeds bestaande slaggate op weeklikse basis in getalle toeneem - veral met verloop van die afgelope jaar se buitengewone reënseisoen. Daar is kritieke slaggate op belangrike paaie en toegangsroetes waarmee die munisipaliteit nou al jare lank sy hande vol het, maar skynbaar nie daarin kan slaag om onder die knie te kry nie. Die berugte en skynbaar “hardkoppige” reuseslaggat direk oorkant Missionary Pheni House in Nelson

Mandela-rylaan is ‘n goeie voorbeeld. Dan ook die area in Watervallaan en Eskomstraat in die Oostelike Nywerheidsgebied wat na lag-lag drie, vier jaar ‘n ernsige kopseer bly en op daaglikse basis skade aan motorvoertuie en gevaarlike verkeersituasies veroorsaak. Dit sê vir enigiemand dat die munisipaliteit nie die kundigheid of geld het om slaggate effektief te herstel nie. Maar daar is in die laaste klompie maande ‘n kommerwekkende tendens, naamlik ontbrekende padverkeerstekens. Oor die afgelope paar weke, trouens - die afgelope ses tot 12 maande sou seker nader aan die kol wees - is die afwesigheid van kritieke padverkeerstekens soos stoptekens en/of toegetekens opvallend. In die afgelope twee weke het minstens twee ernstige ongelukke op die R24 (die hoeveelste?) asook Kloofweg direk voor die Rustenburgse Burgersentrum plaasgevind wat in enigiemand se boeke aan die afwesigheid van stoptekens toegeskryf kan word. Hierdie is enkele voorbeelde uit maar slegs een faset van gebrekkige dienslewering wat ‘n bedreiging vir Rustenburg motoriste inhou. Die vraag moet gevra word hoeveel geld die Rustenburgse Munisipaliteit hoop om met die beoogde inlywing van kleiner onderpresterende munisipaliteit “ryker” te word sodat die dringendste gebreke in Rustenburg aangespreek kan word. En hoeveel geld daar gaan oorbly om sekondêr dan, aan die uitmekearvallende infrastruktuur van klein dorpie in ons omgewing aandag te gee?

## The weight of service delivery too much?

While the Rustenburg Municipality, in a campaign allegedly pioneered by its Speaker, seems to be hard at work with the Municipal Demarcation Board of North West to incorporate several small town municipalities such as Kgetlengrivier, Madibeng and Moses with the RLM, red lights are flashing urgently that this step would not only have a detrimental effect on residents of the Rustenburg Municipality, but also on those of targeted small town municipalities such as Kgetlengrivier, Madibeng and Moses Kotane, One of many issues that have been debated in recent weeks, is that the Rustenburg Municipality is going to find it extremely hard to meet its objectives (we hope?) in terms of service delivery levels should the proposed amalgamation go ahead. Residents of Rustenburg will be quick to attest to the fact that our city is reminiscent of a typical war zone as far as failing and lacking infrastructure is concerned. No one needs to be told that our streets are littered with potholes and that the number of serious potholes are increasing by the week - especially since the heavy rains of the past six to 12 months. Or that Rustenburg’s motorists are too well aware of a few critical potholes of which the Rustenburg Municipality apparently couldn’t manage to get the better of over the past year or longer. Prominent

here is the pothole immediately in front of Missionary Pheni House in Nelson Mandela Avenue, not to mention various spots in the area of Waterval and Eskom Streets where vehicles are at risk of being seriously damaged or where dangerous driving conditions have prevailed for far too long. One has to wonder whether Rustenburg’s rate payers should take it that the RLM has neither the money nor the skills to address these two areas once and for all? Over the past few months however, there is a rising concern that traffic conditions in Rustenburg are jeopardised by an alarming lack of crucial infrastructure such as stop and or yield signs. During the past two to three weeks, at least two serious accidents involving heavy trucks have taken place on the R24 bridge towards the Waterfall Mall and in Kloof Road immediately in front of the Civic Centre where a cyclist was hit by a vehicle during early morning traffic. It almost speaks for itself to allege that the absence of stop signs have been instrumental in both incidents. These are but a few examples. The question should be raised how much money the RLM hopes to “acquire” that would put it in a better position not only to improve service delivery in Rustenburg, but particularly in those deteriorating small town municipalities in the Bojanala Platinum District Municipality.

Marilyn Mienie was the fortunate winner of a special Mother’s Day hamper at the Timbati Veld Market of the past weekend. This weekend (Sunday, 14 May) will see the celebration of Mother’s Day around the world.

## Ek soek my weermagvriend

Geagte redakteur  
Ek was in 1979-1981 in die weermagorkes (TDK Tuffies-orkes) by Voortrekkerhoogte onder sersant Toppie Fourie. Ek is op soek na ‘n vriend wat saam met my in die orkes was, Klasie Claassen. Die laaste wat ek van hom verneem het, was toe hy ‘n hele klompie jaar gelede na

Rustenburg verhuis het. Ou vriend, ek is skuldig - ek moes met jou kontak gehou het. Maar ek sal bly wees as ons weer die vriendskapsbande kan optel. My e-posadres is janlabuschagne792@gmail.com Jan Labuschagne, per e-pos.

## Come in Consumers Forum?

The Editor  
I’m inquiring about the possibility of a Consumers Forum for Rustenburg. I can recall that Rustenburg has had its own branch of the SA Consumers’ Forum in the early 1990s and have found it extremely useful to be a member of the organisation. For years now and for reasons I cannot understand, the Rustenburg branch has been disbanded - a move that has left consumers in our city rather on their own. Thus my inquiry: Is there anyone in town interested in once again establishing a Consumers Forum with a view to represent consumers of all walks of life with shopping tips, advice, help when needed and perhaps legal advice when it is required. As mentioned above I have found membership of such a forum not only interesting, but quite useful. In the world we’re living in today, I can only assume that there must be numerous fellow citizens of our town who would be interested in a relaunch of the Consumers Forum. Even for Rustenburg’s business sector membership could be beneficial. Come on Rustenburg, let us do something for ourselves. I would be the first one to sign up. Some form of experience or expertise would however be needed. Please respond and leave a telephone number or email address where prospective members would be able to make contact and organise themselves. United We Are Stronger

**RUSTENBURG HERALD - RUSTENBURG - Saterdag 18 Maart was ‘n besondere dag vir die 1979- en 1980-matrieks van Hoërskool Grenswag waar hulle hul 40-jaar reünie gehou het te Boonducks Farm, buite Rustenburg. Covid-19 het hulle in 2020 gestuit om nie hulle 40-jaar reünie te hou nie.**

Die twee groepe was die eerste leerders tydens die opening van die skool in 1976, wat toe bekend gestaan het as die “Derde Afrikaanse Hoërskool” van Rustenburg. In 1977 heet die skool amptelik Hoërskool Grenswag, met hulle eie skooluniform en besondere skoolwapen, met die leuse “Ek Dien”.

Die 1979-groep was die eerste matrieks en die 1980-groep die tweede groep matrieks vanaf standerd 6 (nou graad 8); en daarom is daar ‘n noue band tussen die twee groepe wat aanvanklik net stof en klippe saam ervaar het. Die onblusbare opgewondenheid oor ‘n nuwe moderne skool wat in wording was, het alle verwagtinge oortref.

Hulle het reeds vroeg hulle stempel afgedruk op verskeie terreine soos sport, kultuur en akademie. Die reünie het afgeskop met ‘n besoek aan hul Alma Mater. Oud-leerders en -personeel het die skoolgebou en -terrein besoek. Die skooltoer is afgesluit met ‘n heerlike bederf by die Lapa, waar verskeie staaltjies uitgeruil en goeie herinneringe

gedeel is.

Daarna het almal vertrek na Boonducks Farm waar die feesviering voortgesit is met heerlike potjiekos voorsien deur Karin, Maddy en hulle span. Pierre du Preez, plaaslike en talentvolle sanger het die groep vermaak met musiek en sang van vroeg tot laat.

Die atmosfeer was nostalgies maar ook bittersoet. Soveel van die oud-leerders en -personeel is reeds oorlede en daar is ‘n spesiale oomblik aan hulle gewy met die voorlesing “Ons onthou” deur Marius Etsebeth, ook uit sy eie pen.

Tyd vir slaap was min, die gesels, kuier en dans was onophoudelik. Die groep bedank almal betrokke by die reëlings vir ‘n onvergeetlike tyd en daar word met verwagting uitgesien na die 50-jaar reünie. Hoërskool Grenswag vier ook hul 50ste bestaansjaar in 2026 en vertrou die vieringsvure gaan hoog brand met die massa-samekoms van oud-onderwysers en -leerders.
