Police officer Sgt Johannes Tebogo Mpete (39) appeared in the Brits Magistrate's Court on Tuesday, 11 April. The suspect was stationed at Rapid Rail in Silverton. He is facing a charge of premeditated murder for allegedly killing his pregnant ex-wife, Ntombizodwa Khumalo (35) on Wednesday, 5 April in a barrage of bullets at Brits District Hospital, where the victim worked. Both the victim and her unborn child died at the scene. Mpete then went to hand himself over at Brits Police station. It was brought to the attention of the court that the ex-wife obtained a protection order against the accused in 2021. "Through his attorney, the accused told the court that he has a previous conviction of corruption, and is awaiting sentencing at Pretoria Specialised Commercial Crimes Court on Wednesday, 19 April 2023. The premeditated murder case was postponed to Friday, 21 April, for further investigation in respect of the bail application," says Lumka Mahanjana, National Prosecuting Authority of South Africa (NPA) spokesperson. Boelie is nie cool nie!

Boeliedrag kortfilm - jy kan dié olifant in die kamer nie ignoreer nie

BRITS POS – BUFFELSPoORT - Boelies is oral – op skool, by die werkplek en selfs in die kuberruum.

Die impak wat boeliedrag op iemand se lewe kan hê, is dikwels reusagtig en in 99% van die gevalle is dit baie negatief. Die première van *Boelie issi cool nie* vind op Dinsdagaand, 18 April by ATKV-Buffelspoort plaas en verskeie mediamense en mense in die bedryf sal hierdie opwindende gebeurtenis bywoon.

En dan die groot bederf - Woensdagoggend, 19 April kan enigeen dit kyk, wanneer die skakel na die flik op ATKV-Buffelspoort se Facebookblad gelaai word, waar skole, kerke en terapeute dit gratis kan aflaai. Dit sal ook op Jou Afrikaans-toep beskikbaar wees.

"Mense moet besef dat hierdie flik so geskiet is dat dit nie net vir laerskoolkinders bedoel is nie."

Volwassenes moet daarna kyk en besef hulle gedrag, wanneer hulle hul eie kinders boelie, het 'n ongelooflike rimpeleffek in die skool en in die gemeenskap. Ons hoop kinders sal met die kyk van die film besef dat die Here ons liefhet soos ons is," sê Reyno Wepener, bemarker van die ATKV-Buffelspoort-vakansieoord wat saam met sy vrou, Heidi by kinderbediening betrokke is. Uit die aard van haar werk as speltherapeut en maatskaplike werker is die egpaar deeglik bewus van die negatiewe gevolge wat boelies se gedrag op kinders kan hê.

Die bewyse van hoe ernstig die probleem is het die saadjie by Reyno geplant om 'n kortfilm te vervaardig waarin boeliedrag

aangespreek word, maar dat dit ook hoop moet gee – selfs vir diegene wat hulle skuldig maak aan 'n geboelie – daar is twee kante aan elke storie. "Kyk wat om jou gebeur, praat daaroor, moenie stilby en alleen seerkry nie. Jy moet dit huis deel, veral wanneer jy sien dat een van jou maats die slagoffer van 'n boelie is," sê Reyno Wepener.

"Dis nie nodig om terug te val na 'n swakker selfbeeld wanneer 'n boelie ons van ons waarde wil ontnem nie. Ons wil graag hê *Boelie issi cool nie* moet 'n bewusmakingsveldtog van boeliedrag wees. Kyk wat om jou gebeur, praat daaroor, moenie stilby en alleen seerkry nie. Jy moet dit huis deel, veral wanneer jy sien dat een van jou maats die slagoffer van 'n boelie is," sê Reyno Wepener.

"Inè Reynierse het die draaiboek vir die flik geskryf en hope navorsing gedoen en die eindproduksie het ook heerlike

humor daarin," vertel Reyno geskryf. "In November verlede jaar het ons die flik hier by Buffelspoort en in die omgewing geskiet. "Ons het die hele gemeenskap betrek: die kerke, die skole, die predikante en ook die ATKV-takke in die omgewing. Dit was vir ons belangrik om 'n kwaliteitproduk op die rak te hê en ons het professionele produksiespan gekry om alles te doen met Iné as regisseur en die kunstenaars, Cor en Letitia Uys, beter bekend as oom Karoolus en Lente."

Moenie vergeet nie om volgende Woensdag

na *Boelie is nie cool nie* te kyk en die lesse daaruit te leer nie!

His co-worker rescued him when he arrived to start his shift.

VF Plus veroordeel sentralisering van korruptie by munisipaliteit in Noordwes

De Wet Nel, VF Plus-LPW: Noordwes (Foto: VF+)

BRITS POS – BRITS - Die VF Plus het tydens 'n raadsvergadering van die Rustenburgsplaaslike munisipaliteit (RLM), sterk kapsie gemaak teen die voorgenome inlywing van onder meer die Kgetlengrivier-plaaslike munisipaliteit (Koster, Derby en Swartruggens), sowel as 'n gedeelte van Madibeng-plaaslike munisipaliteit (Brits, Hartbeespoort en Mooi nooi) by die RLM.

Die VF Plus is die enigste party wat hier teen beswaar aangeteken het.

Die munisipale afbakeningsraad (MDB) het intussen bevestig dat die voorbereiding vir die inlywing van hierdie munisipale gebiede by RLM reeds in 'n gevorderde stadium is.

Die inlywing van Kgetlengrivier en die ander munisipale gebiede by die RLM sal geen voordele vir die betrokke inwoners inhoud nie.

Inwoners van die RLM, Kgetlengrivier en Madibeng ly jare reeds onder die gevolge van die ANC se wanbestuur en korruptie in hierdie munisipaliteite.

Die skokkende verval in dienslewering en basiese infrastruktuur in Rustenburg, Koster, Derby, Swartruggens, Brits en Mooi nooi spreek vanself.

Die sentralisering van die wanbestuur en korruptie sal hierdie dienslewingsprobleme bloot vermenigvuldig.

Die inlywing van hierdie munisipale gebiede by die RLM blyk ook 'n siniese poging van die ANC te wees om weer 'n volstrekte meerderheid in die munisipale raad van die RLM te bewerkstellig.

Die ANC beheer tans die munisipaliteit slegs met die steun van kleiner partie.

Die vergroting van die RLM se grondgebied en die gepaardgaande toename aan inwonertal, kan ook meebring dat die RLM tot 'n munisipale metropool verklaar word.

Dit sal 'n substantiewe verhoging in die salaris van raadslede in die munisipale raad meebring.

Dit verklaar moontlik die feit dat die ander opposisiepartye in die raad die inlywing steun ten spyte van die voor die hand liggende nadele vir inwoners.

Hierdie stap toon ook duidelik dat die ANC-regering en sy entiteite bloot fokus op die party en sy kaders se belang ten koste van inwoners. Met die mislukking van byvoorbeeld die inlywing van die aangrensende Venterdorp by Potchefstroom om die JB Marks-plaaslike munisipaliteit te

vorm, is dit 'n skande dat die ANC voortgaan met sy optrede. "Hierdie samesmelting het bloot daartoe geleid dat korruptie hand oor hand toegeneem het," sê De Wet Nel, VF Plus-LPW: Noordwes.

Inwoners van JB Marks het sedertdien 'n ongekende verval in dienslewering ervaar.

Substantiewe kapitaalbeleggings is in die proses gestroop en kritieke infrastruktuur het verval weens wanbestuur.

"In stede daarvan dat die ANC-regering oplossings tot voordeel van die land se inwoners probeer vind, is hy blykbaar vasbeslotte om ten alle koste aan die mag te probeer klou en nuwe korruptie-kanale vir sy kaders te skep."

"Die inlywing van Kgetlengrivier en ander munisipale gebiede kom bloot neer op die sentralisering van korruptie en wanbestuur ten koste van inwoners."

"Die VF Plus sal blystry teen sulke ongerymdhede en magsug in ANC-beheerde munisipaliteite in Noordwes."

"Die inwoners van Rustenburg, Kgetlengrivier en Madibeng verdien beter as die ANC," beklemtoon De Wet Nel.

Police apprehend wanted serial rapist

BRITS POS – SOFASONKE - A well planned tactical and crime intelligence driven operation, which was conducted on Thursday, 6 April, by Klipgat and Hebron Detectives as well as Klipgat and Mothotlung Visible Policing together with Brits Tactical Response Team (TRT) led to the apprehension of a 39-year-old alleged serial rapist at Sofasonke Section, Klipgat.

The police pounced on the suspect at his residence after information was received about a man who was in possession of firearms and ammunition and looking for a potential buyer. During the arrest, the suspect was found in possession of a pistol. Following preliminary crime scene investigation, it was determined that the man was a wanted alleged serial rapist who evaded arrest for the past two years. Reportedly, the suspect targeted and raped women who walked home from taverns in the early hours in Klipgat. According to information, he would also rob his victims of their personal belongings.

As part of investigation, the suspect led the police to his other place in Dubai

Section, Mabopane, Gauteng where an AK 47 rifle with 33 rounds of ammunition, three magazines and 25 pistol rounds of ammunition were found hidden in a shack.

The suspect is currently facing several charges of rape, house robbery, attempted murder and several counts of possession of unlicensed firearms and ammunition. He appeared before the Ga-Rankuwa Magistrates' Court on Tuesday, 11 April.

The Provincial Police Commissioner, Lieutenant General Sello Kwena, applauded members of the units involved and members of the for their concerted efforts that resulted in the arrest which he said will bring down levels of rape in the affected areas.

Four suspects appear in court for armed robbery, house robbery and possession of stolen property

BRITS POS – KLIPGAT - Four suspects, aged between 20 and 39 appeared in the Ga-Rankuwa Magistrates' Court on Tuesday, 11 April 2023, in connection with armed robbery, house breaking and possession of suspected stolen property.

The suspects were arrested on Wednesday, 5 April 2023, after Brits Crime Intelligence, Klipgat Visible Policing and Detectives received and operationalised information about a wanted suspect who was found at his residence. Subsequent to questioning, he led the police to three other suspects who were arrested after being found in possession of suspected stolen goods with an estimated value of R40 100. The items included two plasma television sets, refrigerator, speaker, bicycle, and a replica gun (pistol).

A manhunt is still underway for another two suspects who are linked to this group that have been terrorising the community of Klipgat.

The Provincial Police Commissioner of North West, Lieutenant General Sello Kwena, congratulated Klipgat and Brits Detectives and Crime Intelligence members for working tirelessly in making sure that criminals such as these ones are put behind bars and applauded members of the community for assisting the police in ascertaining that the suspects were exposed and brought to book. The police in Cyferskuil requested the community to assist in finding Khokothi Michael Matlala (78), of Selepe village in Cyferskuil who was last seen on Monday, 20 March. The decomposed body of the elderly missing man was found in bushes in Selepe village, on Sunday afternoon, 9 April. He was found by members of the community who were passing by and alerted the police. The cause of death is still unknown and an inquest docket has been opened. (Photo: SAPS)

Decomposed body of missing man found

BRITS POS – BRITS - The ongoing integrated Safer Easter Holidays (Paseka) high density operations to safeguard communities and ensure safety along main routes during this period, continue to achieve significant successes.

This after 349 suspects were arrested in the province between Thursday, 6 and Monday, 10 April 2023. The offences included assault with intent to do grievous bodily harm (GBH), murder, house robbery, rape, possession and dealing in drugs, driving under the influence of alcohol and illegal possession of firearms.

During the multi-agency operations, a total of 6 547 vehicles were stopped and searched, 14 998 individuals were searched.

Further successes were:

- * A total of 6 411 road traffic fines were issued to motorists

- * 139 fines were issued for liquor related act contraventions

- * Drugs such as mandrax tablets and powder, tik, crystal meth, various liquor as well as copper cables were seized.

In an integrated roadblock along the N4 road near Bapong Weigh Bridge in the Bojanala Platinum Sub-District 1 (Brits), on Sunday, 9 April 2023, two vehicles were impounded as they were not roadworthy while one was confiscated for further investigation due to apparent tampering with the chassis number. Two motorists were arrested for driving under the influence and eight suspected undocumented persons were taken in for processing.

The North West Provincial Commissioner, Lieutenant General Sello Kwena reiterated that the police in conjunction with other law enforcement agencies and various stakeholders will continue to apply zero tolerance approach during the operations to ensure compliance and general safety. N4 spike robberies suspect appeared in court

BRITS POS – BRITS - A 23-year-old suspect who was arrested for armed robbery, attempted murder, possession of unlicensed firearm, ammunition and possession of suspected stolen property appeared in the Brits Magistrates' Court on Tuesday, 11 April.

The suspect was apprehended on Wednesday night, 5 April after he and his accomplices allegedly robbed a motorist of his personal belongings on the N4 road near Brits Toll Plaza. It is alleged that the motorist stopped his vehicle in order to take his medication which was in the boot. When he opened the boot, two armed males approached him, held him at gunpoint and demanded money.

The duo robbed the victim of an undisclosed amount of cash, two cellphones and clothes. The men then fired a gunshot towards the victim and fled the scene. The suspects who are undocumented Mozambique nationals, fled to the nearby bushes and the victim drove his vehicle to the toll gate where he found Brits Rural Safety Unit, Brits Crime prevention, Afrique du Sud K9, AfriForum Brits operating with two drones and the Crocodile community protection group with one drone and TRU community group with one drone. The latter Unit together with the police responded quickly and went into the bushes and searched for the suspects. Although the suspects ran away when they saw the police, one of them was subsequently arrested. During the arrest, two cellphones, a firearm and ammunition were found in his possession. The suspects are believed to be part of the gang that has been placing spikes on the N4 road to cause punctures, thus, compelling motorists to stop. They would then rob unsuspecting motorists.

The Provincial Police Commissioner, Lieutenant General Sello Kwena, applauded Brits police, Brits Rural Safety Unit and all other role players for their swift response that led to the arrest of the suspect. (Photos SAPS)

Sonnige weer word voorspel

BRITS POS – BRITS – Vanaand tot mōre (Vrydag, 14 April) kan dit effens bewolk wees, maar die mistigheid sal teen sonopkoms verdwyn, met helder sonskyn weer wat verwag kan word.

Volgens verskeie weervoorspellings is daar geen reën op die kaarte nie en temperature wissel van 9°C soggens tot 'n maksimum van tussen 29-30°C. Kenners is van mening dat daar 'n 40% moontlikheid van warmer as normale weer gedurende April tot Junie oor die Noordwes-provinsie sal heers. Alhoewel die Weskaap steeds meer as normale reën in April sal kry, is daar 'n 30% kans vir droër as normale weer vanaf Mei tot Junie. Die noorde van die Noordkaap en westelike binneland het ook 'n 30% moontlikheid van droër as normale toestande.

Ná swaar reën wat Sondag en Maandag in die omgewing neergesak het, het die departement van water en sanitasie in Hartbeespoort bevestig dat daar, op Maandag, 11 April, 13 damme propvol is.

Time for your annual flu vaccination

BRITS POS – BRITS – As we head into the 2023 flu season, getting a flu shot is really important to protect yourself and your loved ones.

For some people flu can lead to severe illness, even potentially requiring hospital admission. The good news is that flu vaccinations are now available in South Africa! In South Africa, influenza kills up to 11,000 people every year according to the National Institute for Communicable Diseases (NICD). For people who are receiving treatment for a medical condition or have a pre-existing condition that places them at higher risk for serious flu-related illness, getting vaccinated against the flu is particularly important.

To get the full benefits of the flu vaccine, you should get vaccinated now. This allows your body to build up immunity to the flu virus before infections increase. COVID-19 is still around and impacts our daily lives. It's important to make sure you have received your COVID-19 booster shot.

Get your flu shot today - visit a pharmacy or GP near you who is a designated service provider (DSP) to get your flu vaccine administered. You can also encourage your friends, family and loved ones who are at risk of serious illness to have their flu vaccination too. By working together, we can help protect ourselves and our communities this flu season.

Agricultural skills broadened in local communities

BRITS POS – BRITS - Glencore Ferroalloys honoured 24 trainees as part of its certificate in agriculture skills training programme in partnership with AgriSETA at a certificate award ceremony held on 29 March 2023 in Rustenburg.

The programme aims to create and promote opportunities for social, economic and employment growth in Agri-enterprises through access to relevant education and quality training and development in both the primary and secondary agricultural sectors. As a result, this collaboration seeks to equip youth with skills that can be deployed in the agricultural sector and in the long term, bring benefit to their communities.

Glencore collaborated with Khuduthamaga Consulting (Pty) Ltd, a service provider that offers skills and learning programmes in various agricultural courses such as Plant Production, Landscaping, Animal Production, Poultry Production and Mixed Farming Systems.

"I am so proud to be standing in front of the recipients of these certificates today; the past nine months have not been smooth sailing. The journey has been tough, but through perseverance, we are here celebrating the completion of the agricultural programme accredited by AgriSETA. I would like to emphasise that our successful candidates chose to be in one of the most sustainable sectors, as there will always be a need for food, clothing and many other products produced in the agricultural sector. I encourage the graduates to utilise the skills that they have acquired to better themselves and their communities," said Fani Manganye from Khuduthamaga Consulting (Pty) Ltd, the facilitating agent of the training programme.

The trainees were each given a Certificate of Competence in Farming Production and Systems to help them realise their full potential and expand their opportunities in the agricultural sector.

"It is exciting to see young people, especially women, taking up agriculture as their career choice. This sector can be intimidating because there is a notion that to be a farmer, one requires large hectares of land; however, I am here to reassure you that you can start small and collaborate with other small farmers to achieve your goals and ambitions in farming. Do not underestimate small beginnings, as one can start as small as their backyard. Agriculture is a career of passion, and even with that, you will meet challenges along the way just like with any other career, but you need to be patient and focused at all times," said Tshilidzi Mavhula, an agricultural entrepreneur from the Youth in Agriculture and Rural Development.

According to Statistics South Africa, approximately 11% of South Africans are hungry or food insecure, making agriculture critical to promoting economic growth and improving food security in communities with high unemployment and poverty. Ferroalloys Enterprise Development Superintendent Charlin Ntuli encouraged the graduates to put their skills to use and look for opportunities to help eliminate food insecurity.

"With innovation there are many ways that one can do farming such as hydroponics farming and supplying the local communities and markets. It is up to you to identify and create opportunities that will help you build and grow your businesses, and we may be able to assist you through our Enterprise Development Hubs," said Ntuli.

Glencore has trained 38 community members from Rustenburg and Bethanie, east of Brits in the North West Province, as well as 20 community members from Steelpoort in the Limpopo Province, through its collaboration with AgriSETA.

WOLVERINES PRE-SEASON GLORY

WOLVERINES RUGBY CLUB

Sensational is the word that comes to mind when thinking about the match between the Wolverines Rugby Club and Klerksdorp. The true spirit of champions overcame the whole team as they defeated their opponents Wolverines 63 - Klerksdorp 3. Klerksdorp were given no room to score a try as the rugby club surpassed their pre-season match target of 60 points.

The Wolverines Rugby Club won big against all three opponents starting with Matlosana in the quarter finals which ended up Wolverines 75- Matlosana 15. In the semi finals they took on Impala who also suffered a major defeat with the scores ending Wolverines 66- Impala 13. Wolverines is now considered the best team in the Philip van Rensburg League and has also qualified for the Gold Cup.

The team captain Ruan Venter showed the kind of leadership that we all aspire to achieve, as he reminded his teammates that the match is not over yet during the half time break. This was an exceptional lesson that we can all take into our lives, which is to remain uncompromising in all areas of our work and personal life.

During the Easter weekend the Wolverines shined again with another three spectacular wins against their rivals. Starting with Brakpan whom they defeated Wolverines 38- Brakpan 18. Then the second match against Secunda ended with the scores Wolverines 35- Secunda 14. The final match on Easter Monday against Witbank added another pre-season win to the tally chart with the scores ending Wolverines 48- Witbank 26.

Winning is important to the team this year as they approach their biggest challenge so far at the Blue Bulls Carlton League. All the pre-season wins showcase that they deserve to be where they are and will be one of the teams that pose a strong threat in the league. The spirits are high at Eland and such wins reinforce our slogan "Sonke Sihlangene", which means that we are one team.

The Wolverines Rugby Club Win BIG at the PVR and Easter Festival games
