BRITS POS – BRITS – Maak jy die verskil in iemand se lewe? Jy word uitgedaag om Vrydag en Saterdag, 26 en 27 Mei, hier in Brits aan die landswye ATKV se Hekel 30-Ure Safari deel te neem en nee, jy hoef nie hardloopfiks te wees nie!

Al wat jy moet doen is opdaag, gewapen met 'n nommer 4 hekelpen en 'double knit' wol, in enige kleur/e en blokke saam met hekelvriendinne te hekel vir solank as wat jy kan en dan weer te begin sodra die tweede/derde/vierde asem inskop, want daar gaan vir 30 ure aaneen gehekel word.

Die gebeurtenis beloof om groot pret te wees en die wat nie kan hekel nie, kan help om die Granny Patch-blokke aanmekaar te werk vir 'n babakombersie of enkelbedkombers en so iemand te help om nie hierdie winter koud te slaap nie.

Maak nie saak waar jy is nie, kom en geniet die uitdaging hier in Brits. Die ATKV se Hekel 30 Ure Safari-marathon is 'n inisiatief van die ATKV Arendsnes-tak in samewerking met Maak-'n-Verskil-Hekel.

Kom deel in die hekelpret en nooi almal wat jy ken. Jy kan selfs iemand per blok borg. Dink so daaraan – tien 110g bolle 'Charity Double Knit' wol kan 'n kombers maak.

Kom gee 'n paar van jou ure vir die besondere projek of deel in die twee dae pret.

Nooi sommer nou reeds almal wat jy ken wat kan hekel en kom deel in die marathon-pret.

Waar word dit gehou?

"Exercise caution when responding to social media and online advertisements"

BRITS POS – BRITS - Police management in the province would like to urge unsuspecting members of the community to exercise caution when responding to online advertisements as criminals are coming up with more tricks to scam citizens.

The warning stems from numerous social media scams and other online advertisements.

"In the latest incident reported on Saturday, 15 April 2023, the victim saw an advertisement for a sale of a Toyota

Quantum on Facebook," says Brigadier Sabata Mokgwabone. "He made contact with the seller who purported to be the lawful owner.

A meeting was arranged in Tswelelang Location, Wolmaransstad where the

prospective buyer took the vehicle for a test drive. An agreement was subsequently reached and the victim drove with the owner to collect the necessary documentation and in the process, they allegedly offered hitchhikers a lift. However, the said hitchhikers robbed the potential buyer of his cellphone and forced him out of the vehicle." The public is therefore urged

to be vigilant of social media and online advertisements. Should they become suspicious, they are advised to contact the nearest police station. Prospective buyers are requested to buy from reputable and registered car dealers, not to carry large amounts of cash nor pay money in cash during transactions, but rather opt for an Electronic Funds Transfer (EFT).

Man murdered by brother-in-law

BRITS POS – OUKASIE - On Saturday, 22 April around 06:30 Brits police received information of mob justice at a house in Phase 1, Oukasie in Brits.

When police arrived on the scene, they found a man with head injuries laying in a pool of blood. It was determined that the suspect was attacked by his brother-in-law, Advance Marema (39) with a spade and the victim was certified dead by EMS at the scene.

The suspect was arrested and detained.

As couple gets lost, robbers strike

BRITS POS – HEBRON - A couple from Limpopo were on their way to a funeral on Friday, 21 April around 22:00 in their white Ford Ranger bakkie to Erasmus, but got lost and then phoned the male victim's brother who said they must wait, he will come to fetch them at Hebron Technical and Commercial High School where they phoned from.

Suddenly a vehicle passed them and made a U-turn, but it wasn't his brother as expected, but two males got out of the vehicle and held the couple at gunpoint, forcing them into the back seat of the bakkie.

The couple was dropped off at an intersection to Soshanguve and Winterveldt and the suspects took off in the couple's bakkie. On foot they found

a church where they spent the night.

The suspects got away with the vehicle, bank cards, two cellphones and clothes and R15 000 cash was withdrawn from the man's bank account.

Anyone with information can contact the Investigating Officer on the case, Sgt Hendrick Zeni of Rustenburg Vehicle Crimes Investigating Unit on 082 661 2919.

Woman survives chilling ordeal

BRITS POS – MAKAPANSTAD - A female (27) was travelling in her Chevrolet Aveo on the Makapanstad Road on Friday, 21 April around 20:00, when she heard a gunshot which shattered the window pane next to her.

A male jumped in front of her vehicle and another shot was fired and she was held at gunpoint and instructed to move into the passenger seat.

Another car followed them to the Mogogelo Cemetery, near the border of North West and Gauteng provinces where the thugs took her laptop, cellphone, handbag, bank card and personal belongings. The suspects then took the wheels off the vehicle and the battery and then propped her into the boot of her car and left.

For hours it was quiet and in the early hours of the morning she heard a pedestrian going by and screamed for help and the person assisted her.

A case of carjacking and attempted murder, carjacking and theft from a motor vehicle was opened at the Moeka Vuma police station. "The suspects are still at large and anyone with information can contact the Investigating Officer, Detective WO Khumalo on 082 416 1296," says SAPS Brits spokesperson, Maria Nkabinde.

Robbers demand firearm and cellphones

BRITS POS – HEBRON - A resident at Moseja Section, Hebron was asleep on Saturday, 22 April and woke up around midnight, when the door to his room was forced open and four armed males entered, holding him at gunpoint and demanding a firearm and cellphones.

The suspects then ransacked the room, taking an iPhone, cellphone, microwave and the keys of the victim's VW Golf 7, fired one shot and took off in the victim's vehicle. The vehicle was later recovered in Soshanguve.

A case of house robbery was opened at SAPS Hebron. SAPS Brits spokesperson, Maria Nkabinde said that anyone who has information, can call the Investigating Officer, Sgt Happy Mahlaule at 082 500 5254.

10 YEARS OF SHARED VALUE

Sibanye-Stillwater partners with faith-based leaders to address gender-based violence and poverty in communities.

Sibanye-Stillwater is collaborating with faith-based leaders around its Marikana and Rustenburg operations, focusing on community safety, particularly in the fight against Gender-Based Violence (GBV) and substance abuse.

As part of its social renewal programmes, the Company also initiated a programme on food security in May 2021.

SAFE HOMES - SAFE COMMUNITIES

In 2022, the Company initiated training and education programmes to address GBV and substance abuse, which have debilitating effects on local communities, especially girls, women, and the youth. The programmes aim to train and provide local faith-based leaders with knowledge to empower them sufficiently to play an active role in dealing with these critical issues. Over 58 churches around Marikana and Rustenburg are participating in the programme, with 27 faith-based leaders having already completed the course, and 13 already implementing the programmes in their local churches, clinics and schools around Marikana operations.

For more information on our contribution to social upliftment, visit <https://www.sibanyestillwater.com/sustainability/economic-impact/>

FOOD SECURITY

In recognition of the need for local economic revitalisation and the creation of livelihood opportunities which will extend beyond mining for households in local communities, Sibanye-Stillwater has since May 2021, been implementing a community agriculture programme, the Broad-based Livelihoods (BBL) programme. The BBL is facilitated by Umsizi Sustainable Solutions and SocioTech and aims to empower households and communities to develop their own livelihoods based on sustainable food production, business, and income generation activities. Over 1,000 households in nine communities have benefitted from the programme, which is aimed at reducing poverty and ensuring food security, so far.

Sibanye-Stillwater - creating superior shared value

BRITS POS – SUN CITY - This year's 31st edition of the Battle of the Giants All Styles Dance Sport Festival, held at the world class venue of the Sun City Superbowl, was truly an all-styles dance competition, with dancers competing in Battles, Hip Hop, Modern, Show Dance, Slow Dance, Freestyle, Disco Dance, Disco Freestyle, Popping, Break Dance, Street Dance Show, Tap, Ballet, Lyrical and Jazz.

In total, 60 dance schools and over 640 dancers from all over the country competed in their respective disciplines and the South African Body of Dance, (SABOD) who organises this event, ensured that they have the best panel of Judges and Officials, who are locally and internationally accredited, to judge the various styles of dance, over the 4 days of the competition. This year the distinguished panel included: Debbie Rakusin, Tebogo Kgobokoe, Tina D'Artall, Linda Dedeckind, Hayley Hammond – Lamont, Sipho Didiza, Sandela Zulu, Lee – Shane Booysen, Chantal Riviere De Klerk, and an international judge joined from Slovenia, Anrika Matko Juvancic. The competition is also very reliant on sponsors, and this year SABOD was supported by Sun City, Sun Vacation Club, Lara Travel, Tomato Watches, Garnier, Fifth Avenue Jewellery, Vogue, Steers, Coke, Powerade and BLOC Footwear. Bev Wood, the President of South African Body of Dance said, "There were some exciting new styles introduced this year, and this provided some exhilarating dancing and a display of versatility and artistic flair. Congratulations to all the athletes and trainers. The Grand Final evening hosted on Saturday night, 22nd April, was truly a spectacular evening with a very powerful opening performance by the dance group "Stimela", choreographed by Debbie Rakusin in partnership with Eunice Marais, and the dancers were from HPDE, High Performance Dance School.

The rest of the evening showcased the various "BATTLES" between the dancers, and they definitely gave it their all, using all their energy, skills and dance prowess, to battle it out till the end.

This year for the first time, "Tap Battles" were introduced, which gave a new modern perspective on a traditional style of dance. The Afro Crews, was also a brand-new section, and the teams really "impressed" the crowds with their ethnic choreographed moves, which really "wowed" the audience. In the Solo Adult Achiever competition, the top solo dancers in the various styles, were all pitched against each-other, having to listen to a brand-new piece of music, and then dance to these different genres of music - once again, having to impress the Judges with their artistic interpretation of the music and expertise.

The overall winners were:

BRITS POS – BRITS - Ons gesindheid teenoor wiskunde word direk aan ons kinders oorgedra en kort voor lank sit ons met 'n kind wat bang is vir die vak en nie die selfvertroue het om te probeer nie. Maar, dis nooit te laat nie en met die nodige aanmoediging en hulp, kan die meeste kinders wiskunde baasraak.

Suid-Afrika vaar nie te waffers op die wêreldranglys vir wiskundeprestasie nie, en daarom is dit noodsaaklik dat ons die wiskundemonster vierkantig in die oë kyk en vir eens en vir altyd wys ons kán!

Dis hier waar ouers 'n groot rol kan speel, want afgesien van wat jou ervaring was, daar is deesdae soveel hulp en raad beskikbaar dat die meeste van ons kinders goed kan vaar in wiskunde, veral as ons hulle toelaat om in hulle moedertaal onderrig te word. Afrikaans.com gee riglyne oor wat ouers en onderwysers kan doen om kinders van kleins af nuuskierig te maak oor die wonder van getalle sodat hulle sommer vroeg al syfers met selfvertroue sal aanpak.

Die kind moet glo hy kan

- Die kind wat glo hy kan iets doen, het meer selfvertroue en sal meer geneë wees om te probeer. Daarom is dit belangrik om die kind se sterkpunte uit te lig, want dit help om sy selfvertroue te versterk wat sal help om wiskundige vaardighede baas te raak.

- Verseker hulle dat dit oukei is om nie die eerste keer reg te wees nie en dat hulle weer kan probeer. Op die manier word die kind subtiel gelei om anders of logies te dink om by die antwoord uit te kom.

- Moenie die kind verkleineer nie – dit is 'n ouer en opvoeder se taak om 'n kind te koester en hulle selfvertroue te versterk – nie om die kind af te breek nie.

- Verduidelik hoekom wiskunde 'n belangrike lewensvaardigheid is en dat 'n mens dit elke dag oral en op verskillende vlakke gebruik. (Dink maar net aan wanneer 'n mens jou maandelikse begroting moet uitwerk, of wanneer jy 'n beroep beoefen en daar van jou verwag word om wiskundige beginsels toe te pas op onder andere grafiese en diagramme om 'n verslag te skryf.)

- Let op jou kind se leesvaardigheid, want leesvaardigheid en wiskunde gaan saam. Om met selfvertroue en met begrip te kan lees, dra by tot jou kind se getalbegrip. Die kind moet die wiskundevraag met begrip kan lees om te weet watter stappe om te volg om by die antwoord uit te kom.

Hoe kan ouers en onnies help

- Dit is belangrik dat die ouers en onderwyser saamwerk en dat die ouers op hoogte gehou word met waarmee die kind in die klas besig is. Sodoende kan die ouer die werk huis versterk. Bv.

- Sê vir jou kind: "Verduidelik vir my waaroor gaan dit." – Die kind herhaal vir die ouer wat hy geleer het.

- Versterk begrippe deur daaroor te praat.

- Bespreek hoe wiskunde in ons wêreld gebruik kan word.

- Indien die kind geen belangstelling in wiskunde het nie, kan ouers en die onderwyser ook saamwerk om die kind se nuuskierigheid en selfvertroue te help ontwikkel. Dit lei dikwels tot 'n ommekeer in gesindheid en kort voor lank besef die kind dat hy wel wiskunde kan doen. Die sogenaarde "ek kan"-gesindheid.

- Maak wiskunde pret en realisties. Dink aan ander innoverende maniere om die vak aan te bied.

- Dit is belangrik om vas te stel waar die gaping in die kind se kennis van wiskunde lê en dan 'n stappie terug te neem om op 'n konkrete vlak die kind te help om dit op daardie vlak te bemeester. Op die manier sal hy dan die volgende begrip kan verstaan en uiteindelik sy wiskunde op peil kry.

NAMPO 2023 – lets nuut én ou gunstelinge

BRITS POS – BOTHAVILLE - Nampo is 'n vertoonvenster van die nuutste neigings en tegnologie-innovasies.

Dit is die belofte van die organiseerders aan besoekers by die 55ste aanbieding van die Oesdag, van 16-19 Mei. Die tema "Landbou vernuwe" bevestig die positiewe rol wat aan die Oesdag toegeskryf word en die bydrae daarvan tot die toekoms van landbou. Dit sal die landbou se nuutste tegnologie, masjinerie, innovasies en produktiwiteitsoplossings ten toon stel.

Graan SA het ook verbeterings op die terrein en aan die program gebring vir die jaar se Nampo week. "Nampo speel 'n belangrike rol in die ontwikkeling van die landbousektor deur 'n suksesvolle omgewing te bied vir sakeondernemings en produsente om interaksie te hê en sake te doen. Nampo is ook die plek waar produsente ontmoet en die enigste handelskou wat landbouoplossings vir alle soorte plase en gewasse bymekaarbring," het dr Dirk Strydom, Graan SA se Nampo, Bemarkings- en Navorsingsontwikkelingshoof gesê.

Wat's nuut?

Baie uitstallers het hul Nampo-aanbieding opgegrader en uitgebrei en nuut geplaveide paaie sal die verspreiding van voete op die park verbeter. Die nuwe wapens en buitelugklere-aanbieding is bygevoeg met die insluiting van nuwe uitstallers. Nuwe buite-uitstalruimtes aan die suidekant van die terrein bring die totale aantal uitstallers op meer as 800 te staan.

'n Nuwe koffiekroeg sal enige koffieliefhebber se aptyt bevredig en bied 'n ontspanne sitkameratmosfeer geleë aan die suidekant by Hek 2. Die lekkerny-stalletjes is na die Nampo Padstal geskuif en bied besoekers die varsste en lekkerste lekkernye wat aangebied word. Nampo se kosstalletjes het ook uitgebrei, wat steeds nie-winsgewende organisasies soos skole, kerke en gemeenskapsorganisasies bevoordeel.

'n Eksklusieve restaurant, wat aan uitstallers die geleentheid sal bied om tafels vir kliëntebesprekings te bespreek, is by die Fanie Ferreira-saal gevoeg. Die AFGRI Dames-program is geskuif om beter sigbaarheid te verseker en beloof pretbelaaiende oggende met bekende persoonlikhede soos sanger Chris Else wat optree, Mynhardt Joubert wat die vermoë ten toon stel om 'n maaltyd in kleur voor te berei en aan te bied, en Willem Botha wat towerkrag sal verseker met "make-overs".

Ou gunstelinge

Die tradisionele Nampo-gunstelinge, vorm steeds deel van die program, insluitend die gewilde 4x4-voertuigdemonstrasies op die Standard Bank 4x4-baan en die avontuurbaan vir sy-aan-sy-, motorfiets- en quad-roetes. Die bekende Boerepatentkompetisie spog met verskillende afdelings vir inskrywing en is 'n uitstalling wat nie misgeloop moet word nie. Die saadpersele aan die oostekant van die park bied 'n uitsig oor graan- en voergewasse en grassoorte van SA se voorste saadmaatskappye.

Nasie in Gesprek, die gewilde gespreksforum bring rolspelers in die landbousektor bymekaar om oor kwessies, plaaslik en internasionaal, te besin. Verfilm tydens Nampo en akkommodeer ongeveer 80 gaste in die gehoor, word die besprekings regstreeks op verskeie platforms gestroom. Die vee-afdeling sluit beeste, skape, varke en bokke in, wat byna 100% van die groot en kleinveerasse verteenwoordig, asook miniatuurperde.

Daaglike vee-uitstallings word ook by die TLU Lewendehawe-arena geskeduleer waar alle standaard bek-en-klouseer-protokolle gevold sal word.

Die "Mieliehop"-pendeldiens sal daagliks tussen Nampo en Bothaville loop en bied langafstand-pendeldienste vanaf die OR Tambo-lughawe sowel as die omliggende dorpe. Vir die lugverkeer verwelkom die Absolute Aviation-lughawe-sitkamer besoekers aan die noordelike kant van die

park met 'n pendeldiens beskikbaar na Hek 3.

Besoekers aan die park kan van die nege trekkersleepwaens gebruik maak wat verskillende roetes oor die terrein volg, om dit te vergemaklik. <https://www.facebook.com/NAMPOOESDAG/> of <https://www.grainsa.co.za/pages/nampo/exhibitors/general-information>

BRITS POS – MOGWASE - Police offer a reward of up to R100 000 for any information which can lead to the arrest of the alleged perpetrators in the murder of a 53-year-old retired Warrant Officer Johannes Butiki Shaba (53).

The victim was allegedly attacked and fatally shot by four attackers at about 20:30 on Monday, 2 May 2022, in Unit 5, Mogwase, whilst accompanying his friend (57).

The friend was visiting a tenant, whilst Shaba remained in the vehicle; a Toyota Hilux Legend 50 bakkie.
