## 'n Gewyde oomblik vóór groot dag

Donderdag, 17 Augustus, het Die Hoërskool Wagpos en Hoërskool Brits 'n gebedskring gevorm op Die Hoërskool Wagpos se rugbyveld om voorbidding te doen vir dié skole se Derby Dag, Saterdag, 26 Augustus by Die Hoërskool Wagpos. Gebede het opgegaan dat God se naam sal seëvier en dat elke sportseun en -dogter veilig en beseringvry sal wees. Daar is ook gebid dat hierdie sportdag simbolies sal wees van eenheid in die gemeenskap. Alle eer en lof aan die Koning van konings en die Skepper van die heelal. (Foto: verskaf)

Elsabé Oosthuizen, die departement van water en sanitasie in Hartbeespoort se Beheer Waterbeheerbeampte en tans die enigste vrou in die land wat dié posisie beklee.

# Sy is ‘n raakvatter by radiale

**BRITS POS – HARTBEESSPOORT –** Vir die afgelope 15 jaar, tot op datum, is sy die enigste vroulike Beheer Waterbeheerbeampte in die land en vir Elsabé Oosthuizen, van die departement van water en sanitasie in Hartbeespoort, is dit nie net ‘n loopbaan nie, maar haar passie.

Brits Pos het met dié dinamiese vrou, in ‘n omgewing wat gewoonlik deur mans oorheers is, oor haar werk as Beheer Waterbeheerbeampte gesels.

“Ek het in 2008 by die departement

waterwese as senior waterbeheerbeampte begin werk,” sê Elsabé. “Ek het dadelik gewet dat ek ‘n lang loopbaan in die bewaring en bestuur van die skaarste hulpbron (water) wil volg. Waterbestuur word deur die onkunde en

vermorsing van water bedreig.”

Haar waardering vir die natuur het reeds as klein dogtertjie op haar gesin se plaas in die KwaZulu-Natal se middellande begin. “Ons het as ‘n gesin van vyf kinders ons dae verwyd in die Blaauwkransrivier, wat deur die plaas geloop het, te swem en te baljaar.”

“My pa het ons gesin gereeld na Spioenkopdam, tydens die bou van die dam geneem, en ek het eerstehands gesien hoe die dam se vlak styg en geleer van die belangrikheid van waterbesparing en die doel van ‘n dam.”

“My pa was ‘n ywerige hengelaar en ons het ook gereeld die Wagendriftdam in die Boesmansrivier besoek waar hy graag gehengel het. Tot vandag is dit vir my een van die mooiste damme in ons land.”

Haar liefde vir bewaring van die natuur was ook duidelik sigbaar in haar werksaamhede by die Nasionale Parkeraad (nou SANParks) waar haar droom om in die Nasionale Krugerwildtuin te werk, verwesenlik is.

“My ondervinding en aftergrond in bewaring het beslis ‘n rol gespeel met my aanstelling as Waterbeheerbeampte. Ek het Januarie 2020 ‘n pos by Hartbeespoort-areakantoor aanvaar en is tans Beheer Waterbeheerbeampte met onder andere Hartbeespoortdam, Roodeplaatdam en Buffelspoortdam onder my beheer.”

“Aanvanklik was dit moeilik, aangesien waterbeheer in die departement uitsluitlik deur mans gedoen was. Met die beleid van regstellende aksie was meer vroue in die watersektor aangestel en dit het die druk van vroue in die sektor bietjie verlig.”

Dit is vir Elsabé ‘n groot eer om tans die enigste vroulike Beheer Waterbeheerbeampte in die land te kan wees en sy leef haarself 24/7 in die beroep uit.

Die talle toekennings op haar kerfstof spreek duidelik van haar professionele hantering van die groot verskeidenheid verantwoordelikhede as Beheer Waterbeheerbeampte.

Op die vraag wat haar werk alles behels het sy passievol vertel dat die belangrikste van haar werk die bestuur van die waterbronne is. Haar grootste verantwoordelikheid by Hartbeespoortdam is om die korrekte hoeveelheid water, wat benodig vir die Krokodilrivier-skema benodig word, op ‘n daaglikse basis los te laat. Hartbeespoortdam is ‘n vloedbeheerdam wat tydens vloede deur middel van radiaalsluis beheer word om te verhoed dat die rivier, strukture en landerye onderkant die damwal nie ook deur vloedwater beskadig word nie.

Sy vertel verder dat die Roodekopjesdam se invloed en uitvloeï direk deur Hartbeespoort se uitlate bepaal word.

“Op skemas soos Buffelspoort en Roodeplaat waar daar kanaalstelsels is, is dit belangrik om seker te maak die besproeiërs gebruik slegs die kwotas water waarvoor hulle ingelys is én om dit te verseker, moet daaglikse beheer by sluis toegepas word. Die neem van watermeterlesings is ook ‘n belangrike aspek van my werk. Ek neem ook maandeliks die watergebruiklesings by Eskom se Matimba- en Medupi-kragstasies in Lephalale (Ellisras) vir fakturering. hidrologiese inligting soos reënval, damstande en verdamping word op ‘n daaglikse basis geneem.”

“Dis ‘n hele mondvul,” skerts sy. “Maar ek glo my liefde vir die werk sal sonder twyfel vrugte afwerp en ek sal ‘n verskil kan maak om in die toekoms vir ons nageslag te verseker dat ons waterbronne reg bestuur en bewaar word.”

BRITS POS – BRITS - Operation Shanela, the aggressive policing approach, is showing its effectiveness through crime prevention and combatting operations.

Its value and impact to the overall policing strategy is showing after 1 059 suspects were arrested in North West from Thursday, 17 August until Sunday, 20 August.

The suspects were nabbed for crimes such as 48 for possession of drugs, 42 for dealing in drugs, 27 for illegal dealing in liquor, 90 for assault with the intent to do grievous bodily harm (GBH), 52 for assault common, 31 for burglaries, 25 for driving under the influence of alcohol or drugs, ten for murder and 209 illegal immigrants were taken in for processing by Department of Home Affairs. Shanela operations also resulted in the confiscation of 9 firearms, 1 rifle, 2 shotguns, knives, precious metals, tobacco products, a truck, 8 vehicles, a variety of drugs, explosives and liquor.

Furthermore, 5 458 persons and 2506 vehicles were searched, while 199 licensed liquor premises were inspected of which 27 unlicensed liquor premises were closed down.

In one of the operations in Boitekong on Thursday evening, 17 August 2023, a team consisting of Brits Crime Intelligence, Marikana Crime Prevention, Rustenburg K9 and Rustenburg Flying Squad operationalised information received, leading them to an address in Extension 5. The police knocked on the door and the suspect, aged 24, attempted to flee when he saw the police, but was caught. Upon further investigation, the police found two pistols and ammunition in his possession. He was then arrested for possession of a firearm and ammunition without a license.

In another operation conducted in Marikana on Thursday evening, a team consisting of Marikana Crime Prevention, Rustenburg K9 and Rustenburg Flying Squad, conducted an intelligence driven operation at Tlapa Village. The team found copper to the value of R30 000 at an identified house. A 44-year-old suspect could not account for the copper cable, and he was immediately arrested.

At Mogwase another suspect, aged 40, was

arrested for allegedly being in possession of an unlicensed firearm and ammunition in the early hours of the morning of Friday, 18 August 2023, at his house in Diphale Section in Sefikile Village. The police, consisting of Rustenburg Crime Intelligence and the Rustenburg Mounted Unit, operationalised information received and searched the suspect's house and found a 9mm pistol, ammunition and three magazines that the suspect could not account for.

Lastly, in another incident conducted by the Provincial Organised Crime Unit on Friday, 19 August 2023, a search warrant was obtained to search a house in Ikageng, Extension 2 in Sarafina. During the search, the police found 21 sticks of Ammonium Nitrate blasting explosives and arrested a 42-year-old man for possession of explosives.

The suspects will appear in various courts throughout the province today.

The Provincial Police Commissioner, Lieutenant General Sello Kwenia expressed his gratitude to all the members including those of other law enforcement agencies and government departments for their participation in the high-density operations. He said that communities have so far welcomed the aggressive approach to crime and it is on this score, that operation Shanela will be intensified. (Photos: SAPS).

# Man appears before court for kidnapping 18-month-old niece

BRITS POS – MOKOPANE - A 27-year-old man appeared before the Brits Magistrate’s Court on a charge of kidnapping on Friday, 18 August and apparently appeared again yesterday, 23 August, for a formal bail application, but at our going to press, it has not been confirmed if bail was granted.

The accused’s court appearance stems from his apprehension by the police from Brits Family Violence and Child Protection (FCS) Unit on Thursday, 17 August 2023 at Mokopane for the alleged kidnapping of his 18-month-old niece.

According to information, it is alleged that on Monday, 14 August around 10: 00, the man went to a house at Lethabong section, in Maboka village and found the baby with her nanny. He allegedly informed her that he needs to take the baby to the graveyard to perform rituals. He then took the baby with him.

Later during the same day, the baby’s mother called the nanny who informed her of what transpired.

A search was conducted around the neighbourhood and the graveyard without any success.

The police followed up on information and apprehended the suspect and the baby was re-united with her mother. She was unharmed.

The District Commissioner, Maj Gen Mosimanegape, welcomed the arrest and subsequent appearance of the suspect in court and thanked the SAPS members involved for their dedication and quick response, which led to the arrest.

## Station 21 blus brand

Die flink optrede van Hems se Station 21 (brandweer), in samewerking met Madibeng Brandweer, het daar toe gelei dat ‘n brand by ‘n restaurant op die R512 net buite Brits, gou onder beheer gebring is. Die brand het Sondag, 20 Augustus, uitgebreek en is onder beheer gebring voordat dit na die res van die struktuur versprei het. Daar was geen ernstige beserings nie.

## Hems vertel van noodhulp

Die personeel van Hartbeespoort Emergency Medical Service (HEMS) het verlede Vrydag ‘n besoek by Pleroma Boerdery, net buite Brits op die Thabazimbi-pad afgeleë. Hulle het veral die kinders meer oor basiese mediese gevalle en noodhulp vertel. HEMS se Johan du Toit Immediate Life Support (ILS-medic) en Lawrence Maluleke Basic Life Support (BLS-medic) het die demonstrasies gedoen.

## Twee voertuie bots op hoofweg

In ‘n bykans noodlottige botsing, Vrydagaand, 18 Augustus, tussen twee voertuie op die N4 Bakwena-hoofweg was daar genadiglik geen ernstige beserings nie. Hems se paramedici was op die toneel en die oorsaak van die botsing is onbekend.

## Agt mense beseer

Saterdag, 19 Augustus, is agt mense in ‘n enkelvoertuig ongeluk op die R556 Segwaelane-pad beseer. Hems se paramedici was op die toneel en het die beseerdes behandel en na ‘n hospitaal in Brits vir verdere behandeling geneem.

### Paying Provisional Tax

SARS will be hosting a virtual webinar today, Thursday, 24 August on Provisional Tax to help taxpayers and traders fulfil their tax obligations and remain tax compliant. Provisional Tax is a method of paying one's income tax liability in advance so that the taxpayer does not have a large tax debt on assessment. It is paid to SARS bi-annually: by 31 August 2023 (first provisional return) and 29 February 2024 (second provisional return). Taxpayers are reminded to submit their provisional tax return (IRP6) on time, otherwise penalties will be levied.

If you want more information on the webinar, please go to the SARS website [www.sars.gov.za](http://www.sars.gov.za). If you have questions about Provisional Tax, please send an email to [ProvisionalQuestions@sars.gov.za](mailto:ProvisionalQuestions@sars.gov.za).

# Britsies hou die blinkkant bo

**BRITS POS – BRITS – Laerskool Brits is nie net aan die gemeenskap bekend vir die tarentale wat sorgvry op die terrein rond wandel nie, maar ook vir die leerlinge wat met soveel potensiaal en talente uit die Vaderhand hier gekoester en ontwikkel word.**

By Laerskool Brits word daar gepoog om die blink kant bo te hou. Die Britsies se skopskoene skitter, al vyf rugbyspanne was ligawenners. Die Britsies lewer agt provinsiale spelers op waarvan twee spelers ook vir die Luiperdspan gekies is.

Die skool se langasem landloop-atlete hardloop letterlik die blink van hul skoene af en laat waai op die langpad. Dié harde werk is beloon deur 14 Britsie-landlopers wat ingesluit is in die Noordwes-span. Nog ‘n spog Britsie blink behoorlik uit in swem en laat die water en die rekords spat en kwalifiseer vir SA’s. Verder pronk agt Britsies, blink gepoets, by die SANESA-kwalifiserende ronde in Ruiterkuns.

Op die krieket veld dra die Britsies ook die blinkste kroon en kraai behoorlik koning met die nuus dat 20 van die skool se leerlinge by die Kwena-spanne ingesluit is. Laerskool Brits se kultuurskatkis blink met nuwe juwele en spog die jaar met drie kore: Voorskool-, Junior- en Seniorskool, sowel as ‘n slagorkes. Die bekkige redenaars blink van die jêem soos hulle die dinge raakpraat. Die Britsies het blootstelling aan sewe redenaars-kompetisies, sowel as aan spanredenaars ontvang waarby hul uitstaande uitslae gelewer het.

# Hills of Hope Choir reigns supreme

Thornhill Primary School's proud Hills of Hope Choir.

**BRITS POS – BRITS –** In their first year of existence Thornhill Primary Schools’ Hills of Hope Choir exceeded all expectations when they were awarded with two A++ symbols at the recent Hartbeespoort Arts Festival.

This choir consist of 50, gr.5 to gr.7 learners and they have embarked on a musical journey to find not only their choir’s sound, but their own voices – which they have done with great success!

The Hills of Hope Choir gets its name from the learners, an aspiring group of young people among the hills of Elandsrand, who hope and strive for a better tomorrow.

During this year they have done several performances in preparation for the Hartbeespoort Arts Festival 2023. They performed at Hartbeespoort High School as a friendly gathering where different choirs tested the limits. As part of a bigger play called the Joseph, they performed at the Dutch Reformed Church in Schoemansville where they received a standing ovation.

On 28 July the choir was ready for the Arts Festival and they performed their choral verse about the struggles we face in life. A soul stirring piece that compares life to a puddle of water. They attained an A++ (97%) and well deserved acknowledgement for the skills and hard work.

With the help of Johan Bester from Karisma Performing Arts, the choir got another A++ (96%) on 1 August when they sang their Karisma set list including songs like *Hush*, *Somebody’s calling my name*, *Die Here het my mooi gemaak* and *He lives in you*.

The Hills of Hope Choir truly made their voices heard!

## Koersvas se 2023 Presidentverkenners

Dis is met groot trots dat Koersvas Voortrekker Kommando vanjaar met drie suksesvolle Presidentsverkenners spog. Tommie Ferreira, Irené Herbst en Anro Scholtz het reeds in April hul teoretiese eksamens geslaag en is amptelik tydens die PV-afrondingskamp in Graaff-Reinet as Presidentsverkenners ingelyf. Voorwaar ‘n uitmuntende prestasie, aangesien dit die hoogste toekenning is wat ‘n Voortrekker in sy/haar skoolloopbaan kan verwerf.
