# Bekende inwoner sterf

**BRITS POS – BRITS** – Thomas Jacob Landman McAlpine, beter bekend as Tom, is 17 Julie 2023 in die ouderdom van 95 jaar oorlede.

Tom sal veral onthou word vir sy onbaatsugtige betrokkenheid by Sonop-ouetehuis en Sonop-nedersetting, waar hy in 1953 as verpleer begin werk het. In 1966 is hy na voorraadbeampte bevorder en in die 70's is hy as superintendent van Sonop-nedersetting en ouetehuis aangestel. Hy het dié nedersetting met 'n ysterhand bestuur en

dissipline gehandhaaf. Onder sy leiding het die Sonop-nedersetting van krag tot krag gegaan. Hy was geliefd en gerespekteerd onder personeel en inwoners. Tom het in 1985 die tuig as superintendent neergelê en sy aftrede saam met sy familie geniet, maar van aftree wou hy niks weet nie. Wanneer sy kinders vir hom sou sê om dinge rustiger te vat, het hy altyd gesê: "Nee, nog nie nou nie, ek gaan eendag lank rus."

Tom word Woensdag, 26 Julie om 14:00 vanuit die NG Kerk Dalunie begrawe.

Hy word deur sy vrou Susan (Jood), drie dogters, sewe kleinkinders en sewe agterkleinkinders oorleef. Die familie bedank almal wat in sy lewe en afsterwe gedeel het van harte.

Wyle Tom McAlpine (95)

# ACCESS TO CLEAN WATER

Lives in Roots Community, Hartbeespoort transformed by an act of kindness

**BRITS POS – HARTBEEspoORT** - In a remarkable display of commitment to social responsibility, AxFlow AQS Liquid Transfer, a leading importer and distributor of pumps in South Africa, has partnered with local stakeholders to bring a positive change to the Roots Community on Van der Hoff Road, Hartbeespoort.

The company's transformative initiative, the Roots Community Project, aims to address the pressing issue of water scarcity and provide sustainable solutions to empower the community.

The Roots Community, consisting of 3 000 African households, has long struggled with the challenge of obtaining clean water, often requiring long and difficult journeys. Recognising the urgency and significance of this issue, AxFlow/AQS took action by collaborating with local stakeholders and community members to launch the Roots Community Project. This collective effort seeks to alleviate the burdens faced by the residents and provide them with a continuous supply of clean water.

During the initial phase of the project in 2022, AxFlow/AQS, constructed a sturdy cement platform to accommodate two 5250ℓ JoJo tanks. These tanks served as a reliable storage solution, eliminating the need for community members to undertake long journeys in search of clean water.

Now AxFlow AQS Liquid Transfer is proud to announce the successful completion of Phase Two of the Roots Community Project. In this phase, the company installed a state-of-the-art solar borehole system, harnessing the power of the sun to extract water from the ground. This system pumps 1600 litres per hour. Rigorous water testing has also been conducted to ensure its safety for human consumption.

On Thursday, 13 July 2023 the water has been routed and connected to the two 5250ℓ JoJo tanks previously installed during Phase One. This major milestone marks a significant achievement in providing the Roots Community with nearby access to clean water and concludes this project.

Phase Two also saw the re-establishment of a vegetable garden, providing the school with a sustainable source of fresh produce and offering educational opportunities to develop agricultural skills within the school. This initiative not only promoted self-sufficiency, but also instilled a sense of pride among the children.

"When we started the project, we hoped for water. However, it's not always as easy as it seems", says Leon Fourie, Managing Director of AxFlow/AQS. The Roots Community Project would not have been possible without the unwavering dedication and collaboration of AxFlow/AQS, Gloria, the owner of Thuto Ke Lesedi Day Care Centre, and the generous support of stakeholders involved, such as Storge Petroleum, Water Pump Services, Crystal Sun Drilling Projects, Mason Distributors, GEO Asset Management and Quality Drilling Supplies. Their shared commitment to improving the lives of community members has resulted in a transformative initiative that will have a lasting impact.

"Reaching the water source was a significant achievement in itself. But to ensure that the water is not only accessible but also clean and safe for human consumption, that takes it to another level of success, and we couldn't be more pleased", says Fourie.

Access to clean water is a fundamental human right, and the Roots Community Project is a testament to AxFlow AQS Liquid Transfer's commitment to corporate social responsibility. By addressing this basic need, the project not only promotes better health and hygiene, but also empowers individuals to pursue education, employment, and personal development. Bo: Reyno Wepener, die bemarkings- en vermaakkōördineerder by ATKV Buffelspoort deel waardevolle advies met die Top 20-finaliste om hulle vir die dag se uitdagings voor te berei.

## Die ATKV ondersteun ons jong entrepreneurs

BRITS POS – ELANDSKRAAL - Die ATKV ondersteun weer hierdie jaar, in samewerking met die "Maak My 'n Miljoenêr" Entrepreneur van die Jaar-kompetisie, hoërskool entrepreneurs deur hulle aan te moedig om vroeg in hul lewe besighede te begin.

Die Maak My 'n Miljoenêr Entrepreneur van die Jaar-kompetisie, wat ook op ViaTV uitgesaai word, is in die lewe geroep as gevolg van 'n gebrek aan die ontwikkeling van jong entrepreneurs in Suid-Afrika, met die doel om jong hoërskool-entrepreneurs te bemagtig.

Op Saterdag, 8 Julie 2023, het die Top 20 van die "Maak My 'n Miljoenêr"-kompetisie die geleentheid gehad om hul stalletjies op te slaan en hul entrepreneursvaardighede te bewys by ATKV Buffelspoort. Hierdie uitdaging was 'n groot geleentheid vir die jong entrepreneurs in die kompetisie.

Die dag het afgeskop met volwaardige opleiding en aanmoediging deur Reyno Wepener, die bemarkings- en vermaakkōördineerder by ATKV Buffelspoort. Reyno het waardevolle advies aan die Top 20 gegee en hulle voorberei vir die dag se uitdaging.

Na Reyno se opleiding het die leerders twee ure gehad om hul stalletjies op te slaan en produkte te verkoop aan die gaste by dié oord se swembad. Die dag was ideaal vir die Top 20-entrepreneurs om hul handelsvaardighede te beproef.

Die "Maak My 'n Miljoenêr" Entrepreneur van die Jaar-kompetisie is 'n inisiatief van Albert van Wyk in samewerking met die ATKV. Die doel van hierdie kompetisie is om ondernemerskap in Suid-Afrika te bevorder en jong mense toe te rus met ondernemerskap vaardighede.

Vroeër vanjaar het Albert van Wyk reeds 40 skole besoek en meer as 42,000 leerders toegespreek. Die Top 20 is gekies uit 'n indrukwekkende aantal van 144 inskrywings vir die Maak My 'n Miljoenêr Entrepreneur van die Jaar-kompetisie. Die dag by ATKV Buffelspoort was 'n belangrike geleentheid vir die Top 20 om hul laaste uitdaging te voltooi.

## Member of local security company halts suspect in his tracks

**BRITS POS – BRITS** – An on-duty security guard at a liquor store in Railway Street in Brits, was tied up by three men and held at gunpoint as they demanded liquor and cigarettes on Wednesday, 12 July around 23:00 when a fourth suspect arrived and assisted his accomplices to gain entry into the store. As the victim was tied up, he was ordered to cooperate should the local security company arrive and tell them that everything was just fine.

However, the security company's member noticed one of the suspects who tried to run away and shot the suspect in his leg.

Another two suspects managed to escape. The suspects got away with two cellphones and a torch and nothing was taken from the liquor store.

The suspect that was shot, was arrested and is under police guard in hospital.

"We can confirm that a business robbery case was opened with Brits SAPS and that the two suspects who fled the scene have not yet been arrested while the suspect who was shot, is still in hospital under police guard," says Const Ben Moabi, spokesperson for SAPS Brits.

"Anyone with information can contact Brits SAPS Detective Sergeant Tapala on 082 373 9823."

## Political party member walks into an ambush of bullets

**BRITS POS – MOOINOOI** - A member of a political party was shot and killed after attending a party meeting.

Allegedly the meeting was held at Malatji Tavern in Mamba section, Mooinooi on Thursday evening and when one of the members left the gathering around 01:00 on Friday, 14 July for his home, which is adjacent to the tavern, he was shot at by unknown suspects. The victim rushed back to the tavern for cover, but collapsed at the gate and the hitmen kept on firing shots at the victim and fled the scene in a double cab bakkie which

was earlier spotted in the vicinity.

The victim succumbed to his injuries and was declared deceased at the scene.

### INVESTING IN GOOD-QUALITY EDUCATION

Education is central to our endeavour to drive a long-lasting and positive impact in our communities and our contribution facilitates access and contributes to skills development.

#### Improving the learning environment

Over the past decade, Sibanye-Stillwater has collectively invested more than R2 billion into quality education. This investment has been distributed across multiple areas, including tertiary study bursaries, learnerships within our operations, graduate internship programs, as well as portable skills and cadetship programs aimed at enhancing the skillset of our surrounding community. Additionally, we have invested in adult education and training. A significant portion of our investment has been directed towards school infrastructure, involving renovations and construction at 16 schools. Alongside this, we have offered developmental support in schools and have implemented Human Resource Development programs. These aforementioned initiatives constitute the majority of our commitment to improving access to quality education, and their specifics will be elaborated in the following sections of this document.

#### Bursaries

Since 2016, Sibanye-Stillwater has provided approximately R139 million in financial support which enabled a total of 2,585 learners in South Africa to pursue careers in various fields of study such as mining, engineering, finance and human resources.

#### Cadetship programme

The cadetship programme is designed to provide skills development for unemployed youth in communities surrounding Sibanye-Stillwater's operations. They are provided with basic skills required to be eligible for employment at entry-level job categories of mining and metallurgy. Over R31 million has been spent towards 2,806 cadets.

#### Internship programme

The Intern Graduate Development programme provides work-related exposure and professional development for students who are completing or have completed their university studies in the Group's core business areas of mining, engineering and mine-specific technical service disciplines such as metallurgy, chemical engineering and geology. To date, 1,763 learners in South Africa have participated with over R466 million being spent in the internship programme since 2016.

#### Learnerships

Sibanye-Stillwater's learnership programme responds to the need for skills development in the mining sector and the wider South African economy. In addition to providing skills development training, the programme aims to increase the employability of young people by providing them with relevant work experience. In response to this, Sibanye-Stillwater has provided 7,969 learners with opportunities within mining and engineering and has spent R1.2 billion towards the programme.

#### Portable skills

The Group established the portable skills programme to provide retiring or incapacitated employees with essential skills to earn a livelihood outside employment at the mine. The initiative, focusing on vocational skills such as plumbing, carpentry, sewing, welding and additional entrepreneurship and computer skills, has since been extended to members of our labour-sending communities. Since 2016, a total of 4,056 beneficiaries have participated in the programme with an investment of over R75 million.

#### Adult Education and Training (AET)

Sibanye-Stillwater offers an AET programme for employees and other residents of the communities around its operations. The programme is designed to equip participants with basic competencies, including reading, writing, and effective communication. To date, 9,192 have participated in the programme since 2016. A total of R571 million has been spent towards AET programmes.

# Agri SA verleen finansiële bystand in grondeise-saak wat presedent skep

**BRITS POS – BRITS** - Die raad van direkteure van Agri SA het besluit om finansiële ondersteuning te bied aan die applikant in die Moladora Trust v Mereki and Others Case (“Moladora-saak”).

Die saak sal na verwagting ’n belangrike presedent skep, met verreikende implikasies vir private eiendomsreg in Suid-Afrika en die omvang van die Wet op die Uitbreiding van Sekerheid van Verblyfreg, 62 van 1997 (“ESTA”).

Die appèl is teen ’n uitspraak van die Grondeisehof wat weidingsregte ingevolge ESTA beskerm ten koste van private eiendomsreg. Indien die uitspraak gehandhaaf word, sal dit die administratiewe en regskoste van verwyderings ingevolge ESTA, sowel as die aanspreeklikheid van grondeienaars, aansienlik verhoog.

Die applikante in die appèl is van mening dat regter Cowen in die Moladora-saak versuum het om die presedente van die Hoogste Hof van Appèl wat reeds in die Adendorffs Boerderye en Loskop Landgoed Boerdery gestel is, behoorlik toe te pas. In die Moladora-uitspraak erken regter Cowen dat hierdie uitsprake bindend is op die Grondeisehof, maar omskep nietemin die reg om vee op die eiendom, wat ’n persoonlike reg is wat met toestemming verkry word, volgens ’n reg ingevolge ESTA te laat wei.

In ’n nuwe saak voor vir Grondeisehof, die Elma Mostert Trust vs Tebele Isaac

Mofokeng and one Other (“Elma Mostert Trust-saak”), maak die okkuperer staat op die uitspraak in die Moladora-saak om dit verder uit te brei. In die Elma Mostert Trust-saak word geargumenteer dat die verwydering van enige vee gedoen moet word in terme van ESTA. Deur te steun op die uitspraak in die Moladora-saak kan verreikende gevolge hê indien dit onbetwisselbaar word en as ’n presedent in toekomstige sake gebruik word. Dié eskalasie beklemtoon die noodsaklikheid om die uitspraak van regter Cowen in Moladora om te keer. Dit is noodsaklik dat die Moladora-uitspraak nie ’n presedent word nie.

Agri SA het ’n onafhanklike regsmening ingewin oor die Moladora-saak en die uitwerking daarvan op alle boere, indien die appèl onsuksesvol is. Dit was op grond van hierdie kundige leiding dat Agri SA besluit het om finansiële ondersteuning aan die appellant te bied.

Van uiterste belang vir Agri SA is die volhoubaarheid van boerdery in Suid-Afrika en die beskerming van die land se voedselsekerheid. Agri SA sal ondersteuning bied – hetself wettig of andersins - waar nodig om die belange van die landbousektor te beskerm.

# Wonderlike watervalle met blomme

BRITS POS – BRITS – Een van Floret Blommeklub se lede, Rika Stander, het tydens dié klub se onlangse vergadering, ‘n baie geslaagde demonstrasie met die tema *Watervalle* gelewer.

**Skakel Lynette op 082 877 0231**

Rika het gewys hoe om 'n waterval met blomme en ander plantmateriaal te maak. In die unieke ontwerp word plantmateriaal van bo na onder gerangskik sodat dit die val van water kan uitbeeld.

Rika het drie spog-ontwerpe gedemonstreer: een in 'n glashouer met wit rose en blou-pers blomme, wat 'n helder waterval simboliseer en die groen sirkel simboliseer bewegende water; die tweede ontwerp was met 'n rooi bal en anthuriums wat watermassa wat oor 'n krans stort tot onder op die klippe simboliseer en haar derde ontwerp was modern – 'n waterval met 'n kinkel.

Die ontwerp is op 'n staander met 'n palmskede as basis gemaak.

Die beweging van water kan duidelik gesien word in die gerolde aspedistrablae en die spat van watersproei in die fyn wit blommetjies.

Die lede het elkeen 'n fyn uitgewerkte ontwerp gebring wat gebasbeer is op die demonstrasie van *Industrial chic* tydens Floret se opdag. Daar was verskeie soorte pype gebruik, asook saaglemme, 'n rooster, 'n wiel en 'n ploegskaar wat tussen plantmateriaal ingewerk is.

Floret verwelkom nuwe lede en nooi alle belangstellendes uit om saam te kom deel in die genot van blomme en nuwe vriendskappe te smee.

Rika Stander van Floret Blommeklub by een van haar ontwerpe met die tema Waterval. Sy het 'n glashouer gebruik om wit rose en blou-pers blomme te rangskik. Dit simboliseer 'n helder waterval en die groen sirkel is vir bewegende water gebruik.

Rina Oliver het die interessante ontwerp met die tema *Industrial Chic* rangskik.

## ROU RIOOLSTORTING IN HBPdam

### AfriForum rig aanmaningsbrief aan Madibeng

BRITS POS – HARTBEESPOORT - AfriForum se Hartbeespoort-tak het op 13 Junie 'n aanmaningsbrief aan die munisipale bestuurder van die Madibeng Plaaslike Munisipaliteit gerig.

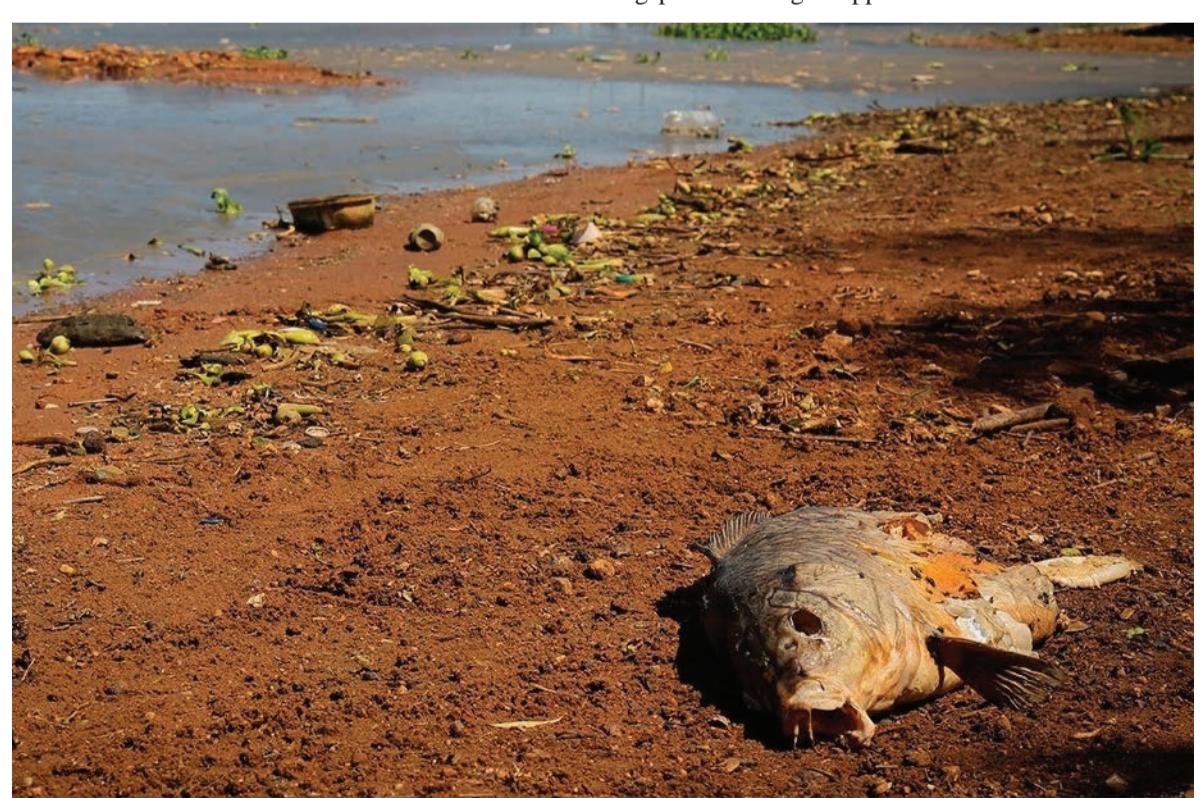

Dit volg nadat dit aan die lig gekom het dat 'n sloot gegrawe is om rou riool direk na die Hartbeespoortdam te kanaliseer en dat 'n mangat wat oorvloei ook in dié dam inloop.

Die tak eis onmiddellike staking van die onwettige storting en dat 'n aksieplan vir die regstel van die besoeding voor uiteengesit moet wordeensit en 'n vergadering met AfriForum reël om die plan van stapel te stuur teen Dinsdag, 19 Julie. (*Brits Pos het die woordvoerder van Madibeng Plaaslike Munisipaliteit, Tumelo Tshabalala gekontak en volgens hom geniet die saak die munisipaliteit se dringende aandag.*)

"Ons kan nie toelaat dat hierdie situasie voortduur

Dit is belangrik om onmiddellik die rioolstorting wat die munisipaliteit willens en wetens veroorsaak stop te sit en 'n plan van aksie uiteen te sit," sê Armand Viljoen, distrikskoördineerder vir Marico.

Indien die Madibeng Plaaslike Munisipaliteit nie aan hierdie versoek gehoor gee nie, sal AfriForum se regspan die nodige stappe neem.

Rou riool loop direk in die Hartbeespoortdam in, wat op 'n gesondheidsramp kan afstuur.

# INDIVIDUAL TAX RETURNS

# Filing Season 2022/2023

**BRITS POS – BRITS** - Individual Filing Season is here once again. Individuals who are employed and/or self employed must submit or file their tax returns between 7 July and 23 October 2023.

In this article we aim to provide clarity and certainty to assist taxpayers with the necessary guidelines to ensure that they are compliant.

SARS has committed to continuously modernise its systems to provide a seamless online digital experience with a variety of digital channels for various purposes. Our free USSD channel offers taxpayers a service to check if they are required to **file an annual Income Tax Return (ITR12)** for the 2022/2023 tax year by dialling \*134\*7277# on their cellphone and selecting Option 3.

Taxpayers who were **auto-assessed** were notified between 1 and 7 July 2023 by either SMS or email of their auto-assessment. Should a taxpayer have received a notification that they were auto-assessed, they need to review the auto-assessment on the SARS MobiApp or eFiling. If they agree with the auto-assessment, they do not have to do anything else. SARS has done it all for you.

If, however, they do not agree with the auto-assessment, they have until 23 October 2023 to amend and file their return.

## Taxpayers who are not auto-assessed

Taxpayers who were not auto-assessed must submit their Annual Income Tax Returns (ITR12) as usual. Taxpayers can access their tax return via eFiling or SARS MobiApp, complete or amend the return, and submit. Taxpayers must declare all income received and claim expenses correctly. Please refer to the following guidelines:

### Investment Income Declaration

Interest on investment income will be subjected to tax and must be declared on the ITR12 return.

### Local and Foreign interest

Local interest received on investment income will be pre-populated with Third Party data on their ITR12 return. Foreign investment income received must be captured manually on the return.

### Commission Income

If a taxpayer's commission income is more than 50% of their total remuneration, they can claim expenses incurred in the process of earning the income, excluding expenses of a capital or personal nature.

### Travel Expenses

Top Tip: Taxpayers should declare any additional income earned e.g. rental income etc. to avoid penalties.

### Medical Aid Expenditure

For medical expenditure, the medical section of the ITR12 return should be completed as follows:

Declare any additional expenses incurred and not covered by the medical aid.

Declare medical and any other expenditure incurred for people living with a disability.

Declare contributions towards a medical aid scheme on behalf of other beneficiaries.

Top Tip: The ITRDD form (confirming disabilities) is available on the SARS website ([www.sars.gov.za](http://www.sars.gov.za)) and is to be completed by a Medical Practitioner confirming the disability.

### Home Office Expenses

Taxpayers are allowed to claim home office expenses when they submit their tax returns, provided they meet the requirements as set out in the Income Tax Act, including the provisions laid out in section 11(a), read in conjunction with sections 23(b) and 23(m).

Top Tip: A confirmation letter from the employer and any additional information may be required for audit purposes to substantiate the claim.

This is the time to take control of your personal tax matters by filing your tax return before the **deadline of 23 October 2023** and ensuring that you are compliant.

# 'n Gesonde liggaaam huisves 'n gesonde gees

**BRITS POS – BRITS** - Die belangrikheid van oefening moet nooit onderskat word nie en in vandag se besige lewe is dit veral die jongmense wat nie genoeg bewus gemaak word van die voordele van oefening nie.

Daar is geen twyfel dat 'n gesonde liggaaam 'n gesonde gees huisves nie en gedurende Julie het die personeel van Brits en Hartbeespoort Wellness World op die jeug gefokus.

Opvoeding en bewusmaking van die voordele van oefening is van kardinale belang.

Volgens dr J.A.P. Nel, Hoof van die Skool vir Ontwikkeling van Kinders en Kinetiese Wetenskap in Kaapstad, is 66% van kinders onaktief betreffende sport. Dit is bevind na omvattende navorsing oor fiksheid van kinders waartydens 42 477 Suid-Afrikaanse kinders geëvalueer is.

Twintig jaar gelede was dit ongehoord vir kinders om tipe 2-diabetes te kry. Deesdae is 30% tot 50% van alle nuwe diabetesgevalle in die Verenigde State, kinders jonger as 19 jaar.

Puberteit, is 'n tyd waarin jongmense waardes en gewoontes ontwikkel wat 'n leeftyd kan duur, maar dis ook in die tyd dat 'n sittende leefstyl toenemend bo 'n aktiewe een gekies word.

Navorsing het verder gevind dat die beste manier om jongmense te oortuig van die gesondheidsvoordele van gereelde oefening, is om eerstens die ouers te oortuig. Goeie leiding, gesonde eetgewoontes en motivering vir oefening begin by die ouers.

By Wellness World is dit die span se missie om jongmense deur gereelde oefensessies te inspireer om optimaal te ontwikkel en 'n goeie selfbeeld te vorm.

Die onmiddellike voordele van gereelde oefening sluit onder ander in: sterker beenvorming, verminderde angs en stres, verbeterde selfbeeld, verbeterde konsentrasie, akademiese prestasie en sosiale vaardighede.

Nie net voorkom oefening oorgewig en vetsug nie, maar ook koronêre hartsiekte, suikersiekte, osteoporose, beroerte, hypertensie en depressie.

Met die professionele span fiksheidsinstrukteurs by beide Brits en Hartbeespoort se Wellness World gimnasiums se hulp, kan kinders en jongmense optimale voordeel uit 'n oefenprogram

kry. Met 'n gesonde eet- en oefenprogram is daar geen rede dat jongmense duur aanvullings moet gebruik nie. Skakel vandag nog jou naaste Wellness World in Brits of Hartbeespoort en kies om 'n positiewe, gesonde verskil in jou eie lewe te maak. Wellness World het buigbare lidmaatskap-opsies om in almal se behoeftes te kan voorsien. Wellness World Brits en Hartbeespoort is Maandag tot Donderdag van 05:00 tot 21:00, Vrydae vanaf 05:00 tot 20:00 en Saterdae vanaf 06:00 tot 13:00 oop.

# Brits POS Sport & wiele

**BRITS POS – BRITS –** The Northam Wolverines kicked off the 2023 season in the Blue Bulls Carlton League with a bang and have already shown that they are a club to be reckoned with, as the 1st team is currently 3rd on the log.

According to Fanie Slabbert, chairman of the Northam Wolverines, the Blue Bulls Carlton League is one of the top club rugby leagues in South Africa and although the club's three teams started the season as underdogs, they definitely showed their mettle.

The management of the club would like to encourage all rugby enthusiasts to come and support the Northam Wolverines in their next games: 22 July - away game against Naka Bulle; 29 July - home game (at Millstream Estate) against Harlequins; 5 August - home game against Northam Rhinos and 12 August - home game against Tuks.

New players are welcome to join the Wolverines. Practice is every Tuesday and Thursday from 17:30 to 19:00 at the Millstream River Estate in Skeerpoort. Interested players can contact Fanie Slabbert (chairperson) on 082 497 3849.
