Woensdagoggend het betogers klippe oor die pad by die Damonsville vierrigtingstop (R566 – Rosslyn) geplaas en pendelaars moes van alternatiewe roetes gebruik maak en die busdiens is ook gestaak, wat veroorsaak het dat talle werknemers laat by hulle werke opgedaag het. (Foto: sosiale media)

AfriForum HBP dien strafregtelike klag in teen Madibeng Plaaslike Munisipaliteit

BRITS POS – HARTBEEESPOORT – Brits Pos het verlede week berig dat AfriForum se Hartbeespoorttak verlede ‘n aanmaningsbrief aan die munisipale bestuurder van Madibeng Plaaslike Munisipaliteit gerig het, dit nadat dit aan die lig gekom het dat die munisipaliteit ‘n direkte sloot gegrave het om rou riool direk in die Hartbeespoortdam te kanaliseer en dat ‘n mangat met rou riool ook in dié dam inloop.

Madibeng is gevra om teen Dinsdag, 19 Julie te reageer en die woordvoerder van Madibeng, Tumelo Tshabalala, het teen sakyd gesê die saak geniet hulle dringende aandag, maar geen antwoorde is ontvang nie.

Dennis Webster, het op 25 Julie ‘n strafregtelike klag by die Hartbeespoortdam-polisiekantoor ingedien teen die waarnemende

AfriForum Hartbeespoorttak het ‘n strafregtelike klag teen Madibeng Plaaslike Munisipaliteit se waarnemende munisipale bestuurder, Sello Maroga ingedien, nadat geen reaksie ontvang was nadat dit aan die lig gekom het dat die munisipaliteit rou riool in Hartbeespoort, direk kanaliseer direk in die Hartbeespoortdam in. Hier is Dennis Webster, Nels Janse van Rensburg en Ronald Baird by die Hartbeespoortdam polisiestasie.

Don't be scammed!

BRITS POS – BRITS - Recently victims have reported a new trend in scamming whereby shoppers are approached by a well-dressed individual, claiming to be a manager or working for the shopping centre.

He will promise to obtain goods at a massive discount of up to 50%. The victim will hand over cash or cards to the perpetrator whom will then quickly disappear.

“These persons are confidence tricksters of the highest order. We urge the public to beware of such persons and not to be fooled by the promise of saving large amounts of cash,” says Romano van der Spuy, Chairman CPF Hartbeespoort, “and if it sounds too good to be true, it normally is.”

“Die feit dat daar geen reaksie van die Madibeng Plaaslike Munisipaliteit was nie, wys hoe min hulle vir die inwoners en die omgewing omgee. Ons sal nie toekyk hoe die omgewing verwoes word nie. Ons vertrou dat die Hartbeespoortdam-polisiekantoor dié saak verder sal ondersoek en ons sal self ook die saak fyn dophou om te verseker dat geregtigheid geskied,” sê Armand Viljoen, distrikskoördineerde vir Marico.

VLU leer meer oor mielies

BRITS POS – BRITS – Landbou was die studierigting tydens die Vroue Landbou-unie Brits-tak se onlangse vergadering en die gassprekers, dr Richard Kotze en Jacolene Swart van Bayer Lichtenburg, het interessantheude oor mielies gedeel.

Volgens dr Kotze is mielies 'n graangewas wat oorspronklik in Meso-Amerika verbou is, en daarna oor die Amerikaanse kontinente en ook die res van die wêreld versprei het. Mielies is Suid-Afrika se vernaamste landbouproduk en, soos in die meeste ander Afrikalande, ook die land se stapelvoedsel.

Hy vertel onder andere dat wit mielies net in Afrika en Mexico geplant word. Die baard van 'n mielie is vroulik en die stuifmeel is manlik. Vir 'n beter mielie word die stuifmeel op die baard gegooi.

Betsie Putter een van die lede het haar voortreflike Stampmielie-bobotie resep gedeel:

twee uie fyngekap, een appel fyngekap, twee eetlepels olyfolie, twee koppies gaar maalvleis, vier koppies gaar stampmielies, 'n halwe koppie rosyne, sout en peper na smaak, een eetlepel suiker, 'n kwart koppie asyn, twee eetlepels kerrieopoeier, een eier geklits en 'n halwe koppie melk. Metode: Braai uie en appel in olie tot liggeel, Meng al die bestanddele, behalwe die eier en melk, goo in oondskottel. Bak vir 15min teen 180°C. Klits die eiers en die melk en goo oor die mengsel. Bak tot eier gestol het.

Louise Venter (2de van voor) bedank die twee sprekers dr Richard Kotze (links) en Jacolene Swart (heel regs) van Bayer Lichtenburg. Dorothy Brandon het die geskenkpakkies oorhandig.

Sameroeper tydens VLU se onlangse vergadering, Betsie Putter en die span gasvroue Louise Venter, Dorothy Brandon, Elize Rademan, Sanette du Plessis, Celia du Plessis en Marelize Lategan het 'n puik geleentheid aangebied.

Die wenner van Julie se gelukkige trekking, is Mariaan Olivier (links). Betsie Putter oorhandig die prys aan haar.

Lucky bult sy spiere

BRITS POS – BRITS – Na net twee maande se afrigting onder die bekwame leiding van Myles Nel, ‘n welstandskonsultant van Wellness World in Brits, het Lucky Monyai van Oukasie in Brits sy merk tydens die Physical Challenge Association (PCA) se liggaamsbou-kompetisie gemaak.

Lucky het op 15 Julie aan die Physical Challenge Association (PCA) se liggaamsbou-kompetisie in die Heartfelt Arena, Pretoria deelgeneem het. Hy het uitstekend presteer en goud in die afdeling vir Novice Bodybuilders gewen.

Lucky of beter bekend as Tlhogi, werk die afgelope drie jaar as petroljoggie by Sasol Brits 3 in Van Deventerstraat

en sy spontane, vriendelike persoonlikheid het hom gou ‘n gunsteling by dié vulstasie gemaak.

Die eienaar, Frikkie Ströh het Lucky se passie vir liggaamsbou gesien en besluit om hom te help om sy drome, om een dag die beste liggaambouer te wees, waar te maak.

Frikkie het finansiële ondersteuning gegee en onder leiding van Myles het Lucky met ‘n gestruktureerde oefen- en eetprogram begin.

Volgens Myles wat saam met Lucky ses dae per week in die gimnasium gewerk het, is Lucky ‘n gemotiveerde atleet wat vir geen uitdaging terugstaan nie.

Benewens die goue toekenning in die Novice Bodybuilding-afdeling het hy ook in die afdeling vir mans onder 90kg ‘n algemene vierde plek verower. Na afloop van die kompetisie het hy gekwalifiseer om Gauteng tydens die Suid-Afrikaanse PCA-kampioenskappe op 23 September in Pretoria te verteenwoordig.

“Baie dankie aan Francois van Viking en André van Car-Lek vir hulle skenkings aan Lucky,” sê Frikkie.

What to do if your car catches fire

(Photo supplied)

BRITS POS – BRITS - Collisions and mechanical failures are usually the reasons behind car fires. They don't happen frequently, but when they do, they're a potentially deadly emergency.

“If you smell smoke or see fire coming from your car while driving, knowing what to do could save lives,” Barend Smit, Marketing Director of MotorHappy, a supplier of motor management solutions. “Vehicle fires can happen in the engine compartment, near the dashboard or even inside the car.”

If your car is on fire, take these five action steps immediately:

- * Stay calm and move your car to safety (if possible)
First and foremost, don’t panic. Easier said than done, but keeping a clear head is crucial in emergencies. If the car catches fire while you’re driving, turn on emergency indicators, and move to the emergency lane or the side of the road.
- * Turn off the engine
Once you have safely stopped, unlock all windows and doors before turning off the ignition.
- * Evacuate the vehicle and move away
Get everyone out of the car immediately. If any passengers are stuck, help them get out. Take the keys with you.
Since the car contains fuel and other flammable liquids, it’s natural that the fire will become intense. So, to safeguard yourself, move far away from the vehicle, at least 30 metres.
- * Call for help
Call 10117 or 112. Even if the fire seems small, it’s best to let the professionals handle it.
- * Don’t attempt to extinguish the fire yourself
Unless the fire is small and you have a fire extinguisher handy, don’t attempt to put out the fire yourself. Car fires can escalate quickly and can be extremely dangerous due to the presence of flammable liquids. Also, don’t go near a burning car to collect personal belongings. Your personal safety is more important than any material possessions.

Once the fire is out and everyone is safe, the admin begins. “Contact your insurance company to report the incident. They will guide you through the process of filing a claim,” advises Smit. “If you have a comprehensive insurance plan, it will likely cover the car fire damages.”

“Even if it was a small fire, don’t risk driving your car once the fire is out. There are chances it may have damaged some unknown components that could cause trouble during the drive. Arrange for the vehicle to be towed to the nearest repair shop.”

Car fires may be less common compared to other car issues, but they can be a serious hazard when they do occur. **These fires are sparked due to multiple reasons:**

- # Mechanical or electrical issues
- # Overheating engine
- # Fuel system leaks
- # Car accidents:

Pay attention to your car. If you notice any leaks, strange smells, or rapid changes in fuel or fluid levels, get the car checked immediately.

Thank you, Dr Japhet Manda

Willem Pelser was admitted to Mediclinic Brits from a nearby town, a hopeless case, in the early hours of the morning, diagnosed with Covid and severe oxygen deprivation.

Dr Japhet Manda, a local specialist physician, immediately took control and Willem was admitted to Critical Care and Dr Manda and the hospital team did more than humanly possible and fought for his patient's life like never seen before, ignoring every obstacle or interference. He was totally focused on his patient's health.

Long and emotionally tiring weeks followed for all who care for Willem. After weeks of deep sedation and

on a ventilator and prayers, Willem was on the road to recovery.

Dr Manda also jumped in and guided Willem through the physiological and emotional challenges after being under sedation for so long – a lifeless body admitted at Mediclinic Brits without hope only weeks before.

In the fight for Willem's life and the aftercare until today (Monday), Dr Manda proved to be heaven-sent.

It was with the Lord's grace that Willem's path crossed with that of Dr Manda and the Mediclinic Brits hospital team.

Thank you Dr Manda.

Willem Pelser and Rentia Oberholzer.

Premier Maape's North West Service Delivery App non-existent

BRITS POS – BRITS - The North West Service Delivery App announced by Premier Bushy Maape during his 2023 State of the Province Address (SOPA) in February this year, is evidently built on an inaccessible server and the security certificate has expired.

This was revealed in reply to a DA written question submitted to Premier Maape enquiring on the status and roll-out of the service delivery application.

"In his response on the progress of the implementation of the Service Delivery App, he demonstrated his absolute lack of understanding of its function," says Gavin Edwards - DA Caucus Chief Whip North West Legislature. "Rather than providing the location of where the Service Delivery App could be accessed by the public, Premier Maape made available an irrelevant URL directing users to an inaccessible server".

Edwards further stated that the DA North West Councillors attend to thousands of service delivery complaints every day by facilitating these complaints through to municipal switchboards on behalf of residents, but calls are frequently left unanswered, and where a ticket has been issued, the response time to resolve the issue could take forever. This Service Delivery App could improve the effective coordination and response times to service delivery needs.

"Typical of ANC North West Premiers, who always over promise and under deliver, Premier Maape made a bold promise to the people of North West in his SOPA speech that his government would introduce a mobile App that would enable residents to report and track service delivery queries, but the reality is that the ANC lacks the capacity and political will to deliver on its promises," concludes Edward, ' and the DA in North West will continue to serve residents and assist them in resolving their service delivery queries as best we can".

TLU SA

Kommentaar teen konsepregulasies oor waterlisensies oorweldigend negatief

BRITS POS – BRITS - Meer as 2 000 mense het in die twee dae voordat kommentaar oor die omstreden voorgestelde konsepregulasies vir die toekenning van waterlisensies gesluit het, deur TLU SA se platforms hulle afkeer hieroor geopper.

TLU SA het self amptelike kommentaar ingedien.

Die departement van waterwese en sanitasie (DWS) het op 19 Mei voorgestelde konsepregulasies vir die toekenning van waterlisensies in die Staatskoerant gepubliseer. Een van die vereistes is dat die lisensies vir landbou en bosbou toegeken moet word aan entiteite wat tussen 25% en 75% swart aandeelhouing het.

“Ons wil elke persoon wat hieroor kommentaar gelewer het bedank,” sê Bennie van Zyl hoofbestuurder van TLU SA. “Die instroom van afkerende kommentaar bevestig dat die departement en regering se kortsigtige planne tot nadeel van voedselvoorsiening sal wees. Ons is dankbaar dat verbruikers die korrekte procedures gevog het om inspraak te lewer oor iets wat ons almal sal beïnvloed. Dit is die enigste manier hoe ons gaan bydra om die regering se ideologiese planne te kortwiek.”

In die amptelike kommentaar het TLU SA kommer uitgespreek oor die konsepregulasies en verskeie

implikasies van die implementering daarvan uitgewys.

- Die veranderinge druis in teen ‘n persoon se grondwetlike reg om te besluit waar en hoe hulle besigheid doen.
- Die gebruik van water is van kardinale belang om voedsel te produseer.
- Komersiële boere produseer voedsel vir ongeveer 70% van verstedelikte Suid-Afrikaners.
- Die dekmantel van werkvoorsiening is ‘n leuen wat net ‘n bitter klein persentasie mense tot ‘n mate kan bevoordeel.
- Markkragte het altyd die finale sê in die sukses van die ekonomie. ‘n Sterk ekonomiese kan slegs volhoubaar bestaan indien ekonomiese beginsels bo ‘n ideologiese aanslag gevog word. “TLU SA verwelk die konsepregulasies,” sê Van Zyl. “Dit is duidelik oorhaastig en met ‘n spesifieke ideologie in gedagte saamgestel. Dit hou geen voordeel vir Suid-Afrika in nie.”

Persoon uit wrak bevry

Een persoon is Saterdagaand, 22 Julie ernstig in ‘n enkelvoertuigongeluk op die N4-hoofweg naby die R511 Brits-afrif beseer. Die paramedici van Hartbeespoort Emergency Medical Service (HEMS) het met hul aankoms op die toneel een persoon binne die voertuig gevind.

Die span van HEMS se Station 21 (brandweer) het die persoon met reddingskake uit die voertuig geny. Die persoon is op die toneel behandel, maar die aard van sy besering was baie ernstig en hy is per noodhelikopter na ‘n hospitaal in Johannesburg vir spesialisbehandeling afgevoer. Daar was geen ander beserings nie en die oorsaak van die ongeluk is onbekend.

In die sterre geskryf? JOU vermaak in 'n Nentedorp

deur Christelle van Rooyen-Wessels

RUSTENBURG HERALD - RUSTENBURG - Dis nie altyd maklik om 'n tiener te beïndruk nie - vra maar vir enige ma wat al een van dié wesens groot moes kry. Alles is 'lame', al was dit gister nog heeltemal aanvaarbaar. Niks wat jy voorstel - wat jy voor jou siel weet sal interessant wees - prikkel hul belangstelling nie. Jy voel gelukkig as jy bloot met 'n oë-rol tot orde geroep is. Maar boeke, het ek ontdek, kan jou die sleutel tot die kluis van 'n tieners se hart gee. Die regte boek - op die regte tyd, by gesê - kan die oorsaak wees dat jou tiener vir een oomblik vergeet dat hy/sy onder geen omstandighede in jou teenwoordigheid sal glimlag nie. Louis Pretorius se 'Kompleks' kan daardie boek vir jou wees. Louis Pretorius is 'n bekende en bekroonde regisseur met verskeie suksesvolle TV-reeks soos "Die Boekklub", "Fynskrif" en "Fraksie" agter sy naam. 'Kompleks', die roman, is 'n verwerking van die TV-reeks met dieselfde titel wat op Showmax te sien is. Kortlik gaan die storie oor Sean. Hy was nog altyd gefassineer deur die heelal en alles daarin. Hy lê gereeld in die aande in sy bed en dink aan al die mense wat voor hom op aarde was. Hoe almal gepoog het om die heelal te verstaan: waar ons vandaan kom en waarheen ons op pad is. Die probleem is, jy weet nie wat gebeur met jou in die ander heelalle nie en die kans om hulle ooit te sien is skraal. Of nul. Sean hou duim vas vir 'n inter-meer-al-ruimtewurm, maar al wat nou bestaan is hierdie heelal en hierdie realiteit. Om die waarheid te sê, hy dink hy het beland in een van die heelalle van 'n Sean wat beslis 'n fabrieksfout was. Maar hy ontmoet vir Mika en meteens is nik meer soos dit was nie. Altans, nie in hierdie heelal nie ... 'Kompleks' is in die kol vir jong volwassenes en bevat temas waarmee hulle in besonder baie sal identifiseer. Die boek is nou beskikbaar en word deur Lapa uitgegee.

How is a woman supposed to cope?

by Christelle van Rooyen-Wessels

RUSTENBURG HERALD - RUSTENBURG - It's hard enough being an adult, let alone a functional one.

Leigh-Anne feels like neither. A white woman from Cape Town's Southern Suburbs, she's gradually unravelling as wife, mother, sister, daughter and office manager. The story opens in winter with Leigh-Anne lost at midnight on Rondebosch Common. Three losses are preying on her. First, there's her relationship with her ageing dad, who seems to be hiding a secret. Secondly, Leigh-Anne's desire for Samuel, her thin and distracted psychiatrist husband, has run dry, and she can't help thinking about her colleague Omar at NGO Phambili - Omar with the hairy wrists and warm jacket.

The third area of loss is through a perceived betrayal of her activist best friend, Gwendal, whose increasing battiness alienates her teenage daughter.

How is a woman supposed to cope? With chocolate and wine, of course, and by making plenty of lists...

Leigh-Anne's children, Tom and Jamie, pipe up from the sidelines. They are oblivious as their mother grows fatter and drunker, her clandestine bingeing a backdrop to their lives. Leigh-Anne seeks refuge by ordering her world into threes and multiples of threes, which are presented as lists. Her lists corral her worries and failures but can't fix them. Looming large is the loss of a national dream, evident in the poverty all around them. In her search for answers, she will have to betray everyone she loves - only then can she truly come out of hiding.

'How to Hide Inside a Three' is Jane van der Riet's first novel. She grew up in Cape Town and joined the anti-apartheid struggle as a student. She has worked at the Social Change Assistance Trust, the Trauma Centre for Survivors of Violence and Torture, and as a student counsellor at the University of Cape Town. Jane still lives in Cape Town, where she practises as a psychotherapist. 'How to Hide Inside a Three' is published by Penguin Random House South Africa and will be available in shops and online from August.

Varsity Football back with a bang

The hottest university football tournament is back with a bang with the 2023 Varsity Football tournament set to kick-off on 27 July.

Fans can once again look forward to an action-packed competition that not only entertains and excites but is also a stepping stone to greatness in the most-watched sport on the planet.

Since the first tournament in 2013, Varsity Football has gone from strength to strength with the clear message to players that it is all about chasing their dreams, reaching their full potential and leaving it all on the field.

Lisa Roux, head of Varsity Sports, says the endless possibilities that come with playing in the tournament and the impact it has had on the players' lives, have been phenomenal.

"Varsity Football is where future football stars are born and where they showcase their skills."

It's where the field of dreams becomes a reality and where lives are transformed. This season, Varsity Football will once again be more than just another tournament, it will be a cultural phenomenon and one that you can't afford to miss out on. We're talking about the vibe, the people, and the endless opportunities that define Varsity Football."

This year, UJ, TUT, NWU, VUT, UFS, CUT, UFH and UWC will take each other on over seven rounds between 27 July and 7 September. The semi-finals against the top four teams are scheduled for 14

September, while the final will be contested on 28 September. All matches take place on Thursdays with featured games broadcast live on SuperSport.

The 2023 Varsity Football Women's tournament will take place between 11 and 19 August. UFH, UKZN, UP, Wits, UJ, UWC, DUT and TUT are vying for top honours.

TUT beat UJ 2-1 in last year's men's final and will undoubtedly be out to claim an unprecedented fourth Varsity Football title. The Pretoria-based team were the champions in 2016 and 2018 and also made it to the final in 2015, 2017 and 2019.

Apart from the football action, fans can also look forward to the #IyacheSAFAN challenge at games and on social media, as well as some great exciting promotions from main sponsor FNB. Suzuki and new sponsor Cashbuild have also thrown their weight behind the foremost university football competition in South Africa.
