Big Bull stel Ouplaaswors bekend

Baie mense spog daarmee dat hul lekker wors kan maak - meeste van dié mense is verkeerd. Maar Buks Pieterse van Big Bull Biltong Lifestyle Square/Boshoek is 'n man uit die Kalahari en van vleis weet hy. Die gehalte van sy biltong, vleis en wors is reeds baie bekend in die stad en nou verwelkom hy 'n splinternuwe wors-variasie in die Big Bull-stal - Ouplaaswors. Dié lekker wors is so na aan perfek is wat dèmmet aan 'n vloekwoord is, met ander woorde, baie naby! Om die nuwe produk te loods, het Big Bull hul klante gevra om die nuwelings te doop. Debby Marx was die vrou wat met die naam 'Ouplaaswors' vorendag gekom het en daarvoor het sy R500 gewen. Haar prys is deur Jacqueline Harmse oorhandig.

Fake news alert from JST hospital

Woman gives birth to a monkey-like baby in Welverdiendt

phumzilemazoleni Sep 19 2020 10:20 PM

BONUS - RUSTENBURG - Job Shimankana Tabane Hospital has noted with serious concern a false story that has been circulating on Whatsapp and online news feeds.

The false story under the headline: "A WOMAN GIVES BIRTH TO MONKEY LIKE- BABY IN WELVERDIENDT" (Source: phumzilemazoleni via Opera News).

The false story claims that she gave birth at Job Shimankana Tabane Hospital. The hospital takes these false allegations seriously, hence want to set the record straight.

"No woman has ever delivered a baby like it is reported in this false story. Publishing fake news like this, violates and disrespect the rights of women and children. It is unethical to report falsehood to the public as it leads to panic and discomfort to the public at large," said the hospitals spokesperson, Kagiso Mbaiwa.

He further said the author of this untruthful story could have verified the allegations with the hospital as per the journalism ethics, and these lies could have been averted.

The public is advised to treat this article as FAKE NEWS.

Registering Authority and DLTC systems offline

BONUS - RUSTENBURG - Residents are hereby advised that services offered at all of the Rustenburg's Driving License Testing Centres are currently suspended due to a disconnection to the central system (eNatis).

This according to a statement issued by the municipality, includes processing applications and renewals for both driving licenses and motor vehicle licenses. Road Traffic Management Corporations (RTMC) technicians have been called to investigate the nature of the problem and an update will be communicated in due course.

"Given the Covid-19 regulations and health precautions, we advise residents to take note of the subsequent delay in providing services as we resolve to the technical challenge. As such, we advise those who had intended to visit our office to do so later in the week," said the statement issued on Monday (21 September).

Thou shalt not...

The sale of alcohol for off-site consumption is now allowed Monday to Friday from 09:00-17:00. On-site consumption is permitted, as long as there is

strict adherence to the curfew.

And from 1 October international travel to and from specified countries will be allowed again.

But you will not be allowed to:

Rustenburg Wildlife Society sadly closing down

Makanyane volunteers at work in the park.

BONUS - RUSTENBURG - "After many years of activity in Rustenburg the Wildlife Society is sadly closing down.

This decision has not been an easy one, and much deliberation took place behind the scenes.

The distribution of the funds we had available was decided on by looking at the various projects different volunteer organisations were busy with (including the costs involved) and at the end of the day we feel the beneficiaries of these funds are well deserved recipients.

The presentation to the 3 Pilanesberg beneficiaries Makanyane Volunteers, Friends of Pilanesberg and Pilanesberg Wildlife Trust took place at a small function at Pilanesberg Centre on Saturday 19 September.

A 4th beneficiary, Jochen Voges was the youngest member of the Wildlife Society and a R10000 donation was made towards his studies. The committee of the Wildlife Society would like to thank all its members for their support over the years".

DHL Stormers proudly back DHL's "shoe drive" in support of FNB Run Your City Series Charities

BONUS - RUSTENBURG - DHL has announced a very exciting campaign that encourages FNB Run Your City Series (RYCS) Heritage Day Virtual Run (taking place on Thursday 24 September 2020) entrants to donate their 'pre-loved' shoes to the event's various charities, and the DHL Stormers are excited to play their part. "Each entry into the Virtual Run received their Race Packs in a DHL box,"

DHL Stormers Siya Kolisi, Herschel Jantjies and Steven Kitshoff.

says Collinicos.

"The box is perfectly sized to take a pair of their 'pre-loved' (that are no longer being used) running shoes. DHL is asking runners to donate these shoes to someone in need. Simply drop your DHL box packed with a pair of your pre-loved running shoes at any DHL outlet before 5 October 2020 and DHL will deliver them to charities associated with the race. Don't forget to tag @DHLAfrica on social media when you're boxing your shoes. Include #DHLDelivers for additional spot prizes!"

DHL Stormers captain Siya Kolisi said that the team is proud to support such a worthy initiative. "It is fantastic to see our title sponsors DHL backing such a good cause which encourages people to be active through the Run Your City Series (RYCS) Heritage Day Virtual Run, while also providing for those less fortunate through the Shoe Drive," he said.

Green initiative kick-started by Impala

Impala Rustenburg launched an inspiring Go-Green initiative this month with the planting of 100 indigenous trees around its tailing dam facility. The company also hosted its first spring run on Saturday (5 September) to raise awareness in the community about its ongoing Go-Green initiative. Impala Chief Executive Mark Munroe says the initiative was led by the company's general managers who each planted a hardy karee, white stinkwood or weeping boer-bean tree at the facility. It received wide support from employees who took up the opportunity to sponsor some of the trees. "The tree planting is an excellent project," says Munroe. "It has invigorated our team to continue our efforts to reduce Impala's carbon print and build a sustainable environment."

New Total Agri 400 produced new winners, lots of action and shining stars in the dusty Free State

BONUS - RUSTENBURG - The Total Agri 400, the third round of the South African National Cross Country Series (SACCS) that took place this past weekend, 18 and 19 September from NAMPO Park in the Bothaville area, not only saw Henk Lategan/Brett Cummings (Toyota Gazoo Racing Hilux) scoring their third overall victory of the season, but this action-packed new event also produced some new class and category winners while there were performances that shone brightly through the dust in the Free State.

The 40km Pirelli Qualifying Race on Friday saw a number of teams being penalised and resulted in them dropping way down the starting order. It was, however, Lategan/Cummings who claimed pole position and opened the road on the 178km loop on Saturday morning only to encounter two closed gates. They also wrong slotted and lost their position in the front of the field, but they were compensated for the time lost opening the gates and claimed the overall as well as the FIA Class victory.

The Total Agri 400 was a challenging and testing, but an enjoyable event for all and competitors will now start preparing for the final two events of the season that will take place on the weekend of 23 and 24 October in Parys.
