The "evergreen" sunflower as it is commonly known has been cultivated for generations in South Africa and large parts of the world. The sunflower (*Helianthus annuus*) is an annual herb with a rough hairy stem 1 – 4.5 metres high and broad, coarsely toothed, rough leaves 7.5 – 30 cm long arranged in spirals. The common sunflower is valuable from an economic as well as from an ornamental point of view and has many uses. The leaves are used as fodder, the flowers yield a yellow dye, and the seeds contain oil and are used for food. The sweet yellow oil obtained by compression of the seeds is considered equal to olive or almond oil for table use. Sunflower oil cake is used for stock and poultry feeding. The oil is also used in soap and paints and as a lubricant. The seeds may be eaten dried, roasted, or ground into nut butter and are common in birdseed mixes. This delightful field of sunflowers was photographed in Kroondal just outside Rustenburg over the weekend. (Photograph: Waldie Volschenk).

SPCA municipal funding: where is the money?

BONUS - RUSTENBURG - A municipality is obliged by law to provide pound facilities for animals within their municipal area.

In Rustenburg, like in most other cities and towns, these services are provided by the SPCA. The Rustenburg SPCA, however, has not received their allocation for months now, making it extremely difficult to do their work. If the community of the city did not support the SPCA with donations and animal food, their doors would have been closed months ago. Rustenburg Herald has requested the Rustenburg Municipality to provide the community with details why the funding is being withheld. We hope to report back on this issue in this week's Rustenburg Herald.

Mom, dad arrested over baby's broken arm

BONUS - RUSTENBURG - The parents of a nine-month-old baby was arrested last week. According to local police liaison officer, Capt Elsabé Augostides, a hospital alerted the Child, Family and Sexual Offensive unit after the baby was treated at the hospital for a broken arm.

In another, unrelated case, a 23-year-old man is in custody after allegations of sexual misconduct with children. It is alleged that the man molested a 3-year-old and 4-year-old respectively and that he repeatedly sodomised an older boy. For more on these stories, see this week's Rustenburg Herald.

Beware of attacks at cemeteries

BONUS - RUSTENBURG - In the times we are living in, there is danger in almost everything and the danger often lurks where you least expect it.

Pensioners and the aged are often victims of attacks or robbery in broad daylight. It is worrisome that attacks on people visiting the graves of their loved ones have become common - especially at around dusk or when people are not accompanied by others. Beware of unscrupulous people - do not visit any of the Rustenburg cemeteries at around sunset of especially if you are not accompanied by friends or family members. A notable increase in these type of attacks have been reported to the police in Rustenburg lately.

Rapist handed life sentence

BONUS - RUSTENBURG - The Provincial Commissioner of North West, Lieutenant General Sello Kwenia, welcomed the maximum sentence secured by the Mogwase Family Violence, Child Protection and Sexual Offences (FCS) Unit.

According to col Adèle Myburgh a 49-year-old male accused visited the family of an eight-year-old victim on Sunday (5 February 2017) in Lethabong. He left and took the victim with him at about 11:30 and raped her in dense bushes, close to a local primary school. The victim reported the incident to her mother who immediately contacted the police. The accused was arrested one day after the incident and appeared before the Rustenburg Magistrates' Court on Tuesday (7 February 2017). He was untimely found guilty of rape and sentenced on Wednesday (31 March 2021), to life imprisonment.

Alleged murder suspects in court

BONUS - RUSTENBURG - Three men, aged 24, 27 and 31 were expected to appear in court on Monday (12 April) after they were arrested on Thursday (8 April), in Shamburg Informal Settlement.

According to information received from provincial police spokesperson, Col Adèle Myburgh, on Wednesday (7 April), just after midnight on a small holding in Remhoogte, Hartbeespoortdam, the body of a security officer, Samuel Maposa (41) was discovered by colleagues in a ditch approximately 50 meters away from a store room in the farm yard. His lifeless body was found with multiple facial and head injuries, with hands and feet tied up.

Preliminary investigations revealed that two storage doors were forced open and some agricultural chemicals with an estimated value of R30 000 were missing. Cases of murder and house robbery were registered.

Consequently, information was received on Thursday (8 April), about individuals selling agricultural chemicals in Shamburg informal settlement.

Acting on the information received, Hartbeespoortdam Crime Prevention Unit members arrested the first suspect at 01:30 in his house in Shamburg. Similarly, the second suspect was found and arrested at the same location at his house. The third suspect was arrested at his place in Tornado Section, Bapong near Brits.

The police seized suspected stolen property, a Toyota Hilux bakkie that is suspected to have been utilised during the commission of the crimes, as well as blood stained clothes.

Only 18 days left for objections to Valuation Roll

BONUS - RUSTENBURG - From this edition of the Bonus, Rustenburg property owners have exactly 18 days to thoroughly consider the new valuation of their property on the Rustenburg Municipality's 2021 Valuation Roll and to object thereto at the offices of the municipality. Property owners should note that the significance of the Valuation Roll is that this information is crucial in the formulation of property owners' assessment rates payable in terms of their monthly municipal accounts at the end of every month.

For most owners of property in the Rustenburg area of jurisdiction, it is no news by now that the value of hundreds if not thousands of properties have been adjusted quite dramatically. Property owners, estate agents and principals have agreed unanimously that by far the most of these new valuations were

in stark contrast to the prizes of property as reflected by the local property market over the past six to eight years. It is imperative for the public, especially those who do not agree with the proposed new valuation and

who wish to object, that objections must be related to a specific property and not against the new Valuation Roll as such. Since recently we have established that property owners do not necessarily need an alternative valuation by a registered and independent evaluator to proceed to lodge an objection. As a rule of thumb, the market value as reflected by the property market is quite a fair and trustworthy indication of a specific property's value.

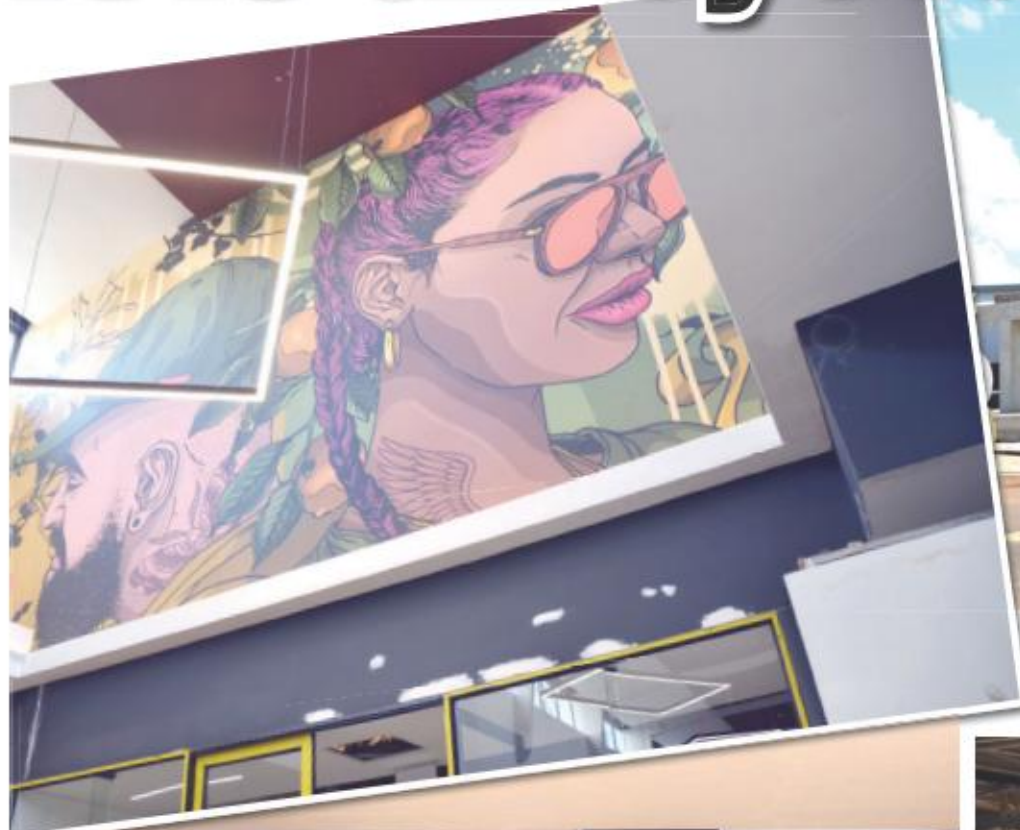

Copies of the Valuation Roll are available on the website www.rustenburg.gov.za and/or

at the following venues: Municipal libraries situated at Boitekong, Karlien Park, Marikana and Rustenburg; Municipal Regional Community Centers situated at Boitekong, Lethabong, Monnakato, Marikana, Phatsima, Tlhabane and Ikageng; Tribal offices at Phokeng.

As has been announced by the Rustenburg Municipality, the deadline for objections is 30 April 2021.

The implementation of the new Valuation will take effect on 1 July 2021.

It is all systems go...

More records tumble on final day of Twizza ASA 16-20 age group champs

BONUS - RUSTENBURG - Two more records fell on Saturday, bringing a thrilling close to the Twizza ASA Age Category (u16-u20) Championships at Dal Josaphat Stadium in Paarl, bringing it to 5 new records overall.

In the morning session on the fourth and final day of competition, Janise Nell completely demolished the national mark in the u18 girls 10 000m walk, completing the race in 49:42:48 to slice nearly seven minutes off the previous South African best of 56:22.67 which was set by Liza Jacobs in Bellville in April 2002.

Nell then later competed in the u20 race in search of the qualifying time for this year's u20 World Championships. She took second place behind Athletics Central North West teammate Marissa Swanepoel who won gold in 48:33.52, missing the national u20 record by less than three seconds.

Later in the day, Zonica Lindeque broke the SA u18 girls' shot put record, producing a massive 18.18m heave to better the previous mark of 17.52m set by Lezaan Jordaan in Germiston in April 2012.

Meanwhile, Mine de Klerk won the u20 women's discus throw final (51.22m), bagging her second gold medal after setting a new national record (17.25m) to win the shot put earlier in the week.

Among other highlights, John Adesola charged to victory in the u20 men's 110m hurdles final in 13.54 (just 0.05 outside the national record).

Nikolai van Huysteen took gold in the u20 men's pole vault final after clearing the bar at 5.35m, while Jason Tito landed at 7.86m to win gold in the U20 men's long jump event. Pieter-Juan Vorstman won the U20 men's hammer throw final with a best effort of 69.04m and Marione Fourie earned gold in the U20 women's 100m hurdles final in 13.47.

In the u18 age group, Brian Raats sailed over the bar at 2.15m to win the boys' high jump final, while Armand Willemsse landed his javelin at 73.08m to secure gold and Aletta Janse van Vuuren won the girls' hammer throw title with a best attempt of 58.91m.

In the u16 division Temoso Masikane won gold in the boys' long jump with a 6.99m leap, while Miguel Correia do Ribeiro took the boys' shot put title with a 19.34m effort and Kaili Botje stormed over the line in 24.43 to win the girls' 200m final. Leandri de Wet secured victory in the girls' discus throw with a 46.07m heave.

In closing the national championships curtain, Athletics Gauteng North won the 4x400m relay races in the u20 women (3:48.64), u18 boys (3:18.64) and U18 girls (3:47.69) divisions. They were prevented from making a clean sweep by Central Gauteng Athletics' winning the u20 men's 4x400m relay in 3:10.12.
