# Validity of visas extended

**BONUS - RUSTENBURG** - Home Affairs Minister, Dr Aaron Motsoaledi has extended the validity period of legally issued visas or asylum permits, which expired during the lockdown period, to 31 December 2021.

In a statement issued on Thursday (30 November), Home Affairs announced that the Minister has also approved the resumption of Identity Document (ID) and passport application.

Direction communicating these amendments, in line with the National State of Disaster Regulations, were gazetted on Tuesday (28 September).

The extension however does not apply to people who entered the country from 15 March

2021.

The normal validity period of visas of people admitted into the country from 15 March applies.

"Holders of such visas are permitted to remain in the country under the conditions of their visas until the expiry of their applicable extension.

Those wishing to be repatriated to their countries within this period can depart without being declared undesirable persons," said the department.

## Invitation to Virtual Special Meeting of Council

**BONUS - RUSTENBURG** - Notice is hereby given to members of the public in terms of Section 19 of the Local Government: Municipal Systems Act 2000 as amended, about the Virtual Special Council meeting that is scheduled as follows:

- Time: 10:00
- Date: 05 October 2021

Oversight report on the annual report 2019/2020 will be tabled at the meeting.

Please note that due to Covid-19 lockdown regulations, viewing of the meeting by the public will be facilitated through live streaming on Facebook.

## Forensic mortuary closed with immediate effect

**BONUS - RUSTENBURG** - North West Health Department MEC Madoda Sambatha took a decision on Thursday night (30 September) to close the Phokeng Mortuary with effect from Friday (1 October).

The Phokeng Forensic Mortuary that is situated in Phokeng Police Station provides forensic pathology services to Rustenburg Sub District, Kgetleng Sub District and Moses Kotane Sub District.

The facility, according to North West Department of Health, has been faced with numerous infrastructure challenges, including water, electrical, building and fixed equipment breakages.

This has severely affected the functionality of the forensic services in the unit.

Following assessment of the facility done on 30 September 2021, the honourable MEC for health has directed that the facility is temporarily closed with immediate effect for maintenance.

Forensic services are rerouted to the Brits Forensic mortuary and all costs of transport will be borne by the Department of Health.

Any administrative or operational enquiries can be directed to Facility manager on 014 566 2708 or 0648788264.

## Stop signs absent in Zinniaville

These photographs were sent to the Rustenburg Herald by a concerned resident. It can be seen that majority of the roads in Zinniaville are without stop signs, no markings and are full of potholes. This situation has been like this for months according to information received. Read this week's edition of the Rustenburg Herald as we launch an investigation as to when the municipality plans to prioritise affected roads.

## One dead, 20 injured on the R24

**BONUS - RUSTENBURG -** One man was killed and twenty others injured on Friday morning (1 October), when the taxi they were travelling in rolled on the R24 between Rustenburg and Magaliesburg.

According to a statement from ER24 paramedics and other services arrived at 09:19 to find a wrecked taxi lying on its side in the middle of the road. Several passengers from the vehicle were seen walking around. Local authorities began to close off the road while medics tended to the patients.

On assessment, medics found that one man had already succumbed to multiple injuries while at least twenty others had sustained minor to serious injuries.

The patients were treated, and the seriously injured were provided with pain-relief medication before being transported to Rustenburg hospitals for further care. Local authorities were on the scene for further investigations.

## Mining industry reaches milestone with vaccinations

**BONUS - RUSTENBURG -** The Minerals Council South Africa is pleased to advise that the mining workplace vaccination programme reached a major milestone this week, with more than 200,000 employees and contractors either fully or partially vaccinated.

This major industry initiative has been driven by mining CEOs in the interest of saving lives and livelihoods. Roger Baxter, Minerals Council CEO notes that the industry started preparing for a vaccine roll-out in February this year, using its extensive in-house infrastructure and resources.

"To date, 52 workplace sites have been registered under the Department of Health's workplace vaccination programme, with many more outreach and temporary facilities operating. Additionally, companies that have fewer than 4,000 employees have teamed up with private companies and provincial departments of health to offer on-mine vaccination, while others have been served by a number of larger companies that have availed their facilities." As of Wednesday, 22 September, a total of 203,007 mining employees and contractors have been immunised – around 45% of our workforce – with 49% now fully vaccinated. Roger Baxter drew specific attention to the leadership role played by organised labour - the

Association of Construction and Mineworkers Union (AMCU), the National Union of Mineworkers (NUM), Solidarity and UASA - in advocating for vaccinations amongst employees and supporting the company-based roll out programmes. "Union leadership has played a highly constructive role, with many union leaders visiting vaccination sites, getting vaccinated, and also sharing their personal experiences of Covid-19 and vaccinations.

"This has truly been a massive mining industry effort, with unprecedented levels of co-operation between companies, with the Minerals Council, with national and regional departments of health, with the Department of Minerals Resources and Energy and the Chief Inspector of Mines, with business entities such as B4SA, and of course our mining unions. Not only has the industry established vaccination sites under strict guidelines, it has also embarked on extensive education and communication campaigns both amongst employees and community members.

**THIS ONE DAY SPECIAL PRAYER WITH PROF. BADAWI FIXED MY FAMILY & FINANCIAL PREDICAMENTS**

My name is Steven brother of Sifiso, he told me about Prof. Badawi how he made him rich. I was working as a security, earning a small salary after speaking to Prof. Badawi. I choose the rats to put money in my house. I was shocked to see 5 million in my house the following morning and I paid him 10% of the money, and I told my sister and relatives about Prof. Badawi for job well done and now she is using the magic wallet that gives her R200 000 everyday and paid him R30 000 every week. If you want to change your life and be successful in your life, contact Prof. Badawi. He can change our life and I recommended and success for Prof. Badawi and he can help you get rich quickly and to be your own boss. Call Prof. Badawi or you can visit him in his office.

**FIND PROF. BADAWI IN TOWN**

### The search for SA’s best athletics school kicks off at Twizza Super School Series Regional Qualifier #1

**BONUS - RUSTENBURG** - The Twizza Super School Series Regional Qualifier #1 inspired nail-biting Track & Field action at the Ruimsig Athletics Stadium (Roodepoort) on Wednesday 29 September 2021 with a strong contingent SA schools toeing the line ready to contend for the coveted title of SA’s best athletics school!

Launched in 2019, the Twizza Super School Series has very quickly become a highlight on the schools’ athletics calendar and has one clear goal in mind – to crown SA’s best athletics school! There can be only one winner! The winning school will take home bragging rights for one year! There was no shortage of competition at the Ruimsig Athletics Stadium with teams going the extra mile to secure points for their schools. Precious Molepo from Prestige College ran a new PB in the Girls u/17 200m in a time of 24.14 seconds. Naledi Makgatha from Vorentoe High School took gold in the Girls u/17 3000m race in a time of 09:54.37. Rolandt Grosskopf from Menlopark High School secured a double victory in the Boys u/15 100m and 200m races.

The action was unfortunately cut short late afternoon due to severe weather conditions. Showing true sportsmanship all participating schools agreed that instead of winners being announced, unofficial results would apply based on the ranking list. The Twizza Super School Series Regional Qualifier #2 will take place at the Green Point Athletics Stadium on Saturday 23 October. Once completed the Regional Qualifier #1 and Regional Qualifier #2 results will be tallied, with the overall Top 40 Boys Teams and Top 40 Girls Teams advancing to the Twizza Super School Series National Final that will take place at the Ruimsig Athletics Stadium (Roodepoort) on Saturday 19 February.

Precious Molepo (Prestige College) by Tobias Ginsberg.

Matsidiso Makgato by Tobias Ginsberg.

### Trethewey/Roets unstoppable in the Free State and bag fifth consecutive win

Lance Trethewey and navigator Adriaan Roets. (Image: Nadia Jordaan)

**BONUS - RUSTENBURG** - Wet, windy with rain storms or dry and dusty, fast racing or navigating twisty and rocky terrain – bring it on and Lance Trethewey and navigator Adriaan Roets finish on top. The team from Wartburg in KwaZulu-Natal and the 2019 champions proved again what they are made of by claiming their fifth consecutive victory of the season by winning the Special Vehicle Category at the fifth round of the South African National Cross Country Series (SACCS), the 4x4 Mega World 400 on Saturday, 2 October at Nampo Park in the Bothaville area in the Free State.

This was the second victory of the weekend for the King Price Xtreme Team in their BAT Venom and their consistent participation and results put them in a very favourable position for the overall and Class A championship titles, as they did in 2019. The team posted the fastest time after the short 15km Pirelli Qualifying Sprint that determined the starting grid for the main race consisting of a 180km loop that teams had to complete twice to be deemed finishers. The weather played along and an all-new route awaited teams in dry and dusty conditions as opposed to the wet weather of the previous day. It was, however, not all plain sailing and the rocky

sections had to be navigated carefully. The team picked up a puncture during the first loop, but were unstoppable and won in a time of 04:50:37. They were well clear of their team-mates, second-placed Boela Botes/Jay Pretorius (Porter) who overcame fuel issues during the first loop to claim their second runner-up result of the weekend and bag a healthy amount of points towards the championships. Teams now have four weeks to prepare for the sixth and penultimate round of the season when they will take on the Vryburg 400 on 29 and 30 October in the North West province.

"Union leadership has played a highly constructive role, with many union leaders visiting vaccination sites, getting vaccinated, and also sharing their personal experiences of Covid-19 and vaccinations.

"This has truly been a massive mining industry effort, with unprecedented levels of co-operation between companies, with the Minerals Council, with national and regional departments of health, with the Department of Minerals Resources and Energy and the Chief Inspector of Mines, with business entities such as B4SA, and of course our mining unions. Not only has the industry established vaccination sites under strict guidelines, it has also embarked on extensive education and communication campaigns both amongst employees and community members.

**THIS ONE DAY SPECIAL PRAYER WITH PROF. BADAWI FIXED MY FAMILY & FINANCIAL PREDICAMENTS**

My name is Steven brother of Sifiso, he told me about Prof. Badawi how he made him rich. I was working as a security, earning a small salary after speaking to Prof. Badawi. I choose the rats to put money in my house. I was shocked to see 5 million in my house the following morning and I paid him 10% of the money, and I told my sister and relatives about Prof. Badawi for job well done and now she is using the magic wallet that gives her R200 000 everyday and paid him R30 000 every week. If you want to change your life and be successful in your life, contact Prof. Badawi. He can change our life and I recommended and success for Prof. Badawi and he can help you get rich quickly and to be your own boss. Call Prof. Badawi or you can visit him in his office.

### The search for SA’s best athletics school kicks off at Twizza Super School Series Regional Qualifier #1

**BONUS - RUSTENBURG** - The Twizza Super School Series Regional Qualifier #1 inspired nail-biting Track & Field action at the Ruimsig Athletics Stadium (Roodepoort) on Wednesday 29 September 2021 with a strong contingent SA schools toeing the line ready to contend for the coveted title of SA’s best athletics school!

Launched in 2019, the Twizza Super School Series has very quickly become a highlight on the schools’ athletics calendar and has one clear goal in mind – to crown SA’s best athletics school! There can be only one winner! The winning school will take home bragging rights for one year! There was no shortage of competition at the Ruimsig Athletics Stadium with teams going the extra mile to secure points for their schools. Precious Molepo from Prestige College ran a new PB in the Girls u/17 200m in a time of 24.14 seconds. Naledi Makgatha from Vorentoe High School took gold in the Girls u/17 3000m race in a time of 09:54.37. Rolandt Grosskopf from Menlopark High School secured a double victory in the Boys u/15 100m and 200m races.

The action was unfortunately cut short late afternoon due to severe weather conditions. Showing true sportsmanship all participating schools agreed that instead of winners being announced, unofficial results would apply based on the ranking list. The Twizza Super School Series Regional Qualifier #2 will take place at the Green Point Athletics Stadium on Saturday 23 October. Once completed the Regional Qualifier #1 and Regional Qualifier #2 results will be tallied, with the overall Top 40 Boys Teams and Top 40 Girls Teams advancing to the Twizza Super School Series National Final that will take place at the Ruimsig Athletics Stadium (Roodepoort) on Saturday 19 February.

Precious Molepo (Prestige College) by Tobias Ginsberg.

### Trethewey/Roets unstoppable in the Free State and bag fifth consecutive win

**BONUS - RUSTENBURG** - Wet, windy with rain storms or dry and dusty, fast racing or navigating twisty and rocky terrain – bring it on and Lance Trethewey and navigator Adriaan Roets finish on top. The team from Wartburg in KwaZulu-Natal and the 2019 champions proved again what they are made of by claiming their fifth consecutive victory of the season by winning the Special Vehicle Category at the fifth round of the South African National Cross Country Series (SACCS), the 4x4 Mega World 400 on Saturday, 2 October at Nampo Park in the Bothaville area in the Free State.

This was the second victory of the weekend for the King Price Xtreme Team in their BAT Venom and their consistent participation and results put them in a very favourable position for the overall and Class A championship titles, as they did in 2019. The team posted the fastest time after the short 15km Pirelli Qualifying Sprint that determined the starting grid for the main race consisting of a 180km loop that teams had to complete twice to be deemed finishers. The weather played along and an all-new route awaited teams in dry and dusty conditions as opposed to the wet weather of the previous day. It was, however, not all plain sailing and the rocky

sections had to be navigated carefully. The team picked up a puncture during the first loop, but were unstoppable and won in a time of 04:50:37. They were well clear of their team-mates, second-placed Boela Botes/Jay Pretorius (Porter) who overcame fuel issues during the first loop to claim their second runner-up result of the weekend and bag a healthy amount of points towards the championships. Teams now have four weeks to prepare for the sixth and penultimate round of the season when they will take on the Vryburg 400 on 29 and 30 October in the North West province.
