Gold for Rustie Old Boy

is part of the University of Pretoria's swimming club and is trained by Rocco Meiring. Pieter didn't have a great start in the race and at first he was trailing New Zealand's Andrew Jeffcoat. But Pieter tenaciously clawed his way into the lead at the turn. He finally beat Englishman Brodie Williams (silver), who really gave his all in the last few metres, as well as the Australian Bradley Woodward (bronze) with a winning time of 53,78 seconds. In 2021, Pieter, then only 16-years-old, made South African swimming history by becoming the youngest male swimmer to qualify to compete at the Olympic Games.

Enter now our Happily Hitched-competition

BONUS - RUSTENBURG - We want to give you R10 000.

The only prerequisite is that you got married between the beginning of 2020 and the end of June 2022.

You can be the lucky winner if your photo is chosen by our readers as our Happily Hitched competition's winning photo later this year.

Any couple who got married since 1 January 2020, or on or before 30 June 2022 may enter the competition. You must still be married to be eligible for the prize. A single entry costs R66-00 (VAT incl), but you can enter as many times as you like - each one at R66.

You can enter your photo for only ONE of the Northwest Newspaper Group's publications. They are: Rustenburg Herald, Brits Pos, Mahikeng Mail, Noordwester, Klerksdorp Record, Stellalander and Gembok. But you must reside, work or got married within the physical distribution area of the newspaper where you enter. Entries for the Happily Hitched competition close on 31 August 2022.

To enter, or for more information go to our website at <http://www.northwestnewspapers.co.za/>

Learn basic birding skills

BONUS - RUSTENBURG - Birding, or bird watching, is one of the fastest growing hobbies worldwide – and it is easy to see why. You just need to go outside in a garden or park and look around. No matter where you are you should see birds.

Bird watchers have developed some techniques that make it possible to find more birds than if you just step out and look around. Identifying birds is at the very heart of bird watching. Each bird encountered is like a little puzzle or mystery to solve.

On Saturday 20 August 2022, BirdLife Rustenburg will be presenting a practical course called Eye Language. The main objective is to improve the basic birding skills of everyone who would like to become a better birder. This course will start you on the road to becoming a competent birder by showing you how to make accurate observation and descriptions of the birds you see.

The course will be presented at venue close to Rustenburg. The course is free for BirdLife Rustenburg members, but non-members are more than welcome – non-members pay R50. Please contact one of the following people to book your space and for more information: Shaun McGillewie by 083 702 1462, Estie van der Merwe by 074 603 0976, Gerda Welman by 082 927 1330.

The course is all about improving your birding skills. Do not worry if you cannot identify any birds – that will come.

Consumers get very little relief at pumps

BONUS - RUSTENBURG - Motorists are not in for much relief at fuel pumps in August. The Department of Minerals and Energy has announced a decrease in all grades of fuel starting from Wednesday (3 August).

The department also announced a reduction in the price of illuminating paraffin. But the gas price will increase - the maximum retail price for gas will increase by 57 cents.

Both grades of petrol will decrease by a mere R1.32.

Diesel 0.05% Sulphur will cost 88 cents

less, while the price of 0.005% Sulphur will decrease by 91 cents.

Wholesale illuminating paraffin will cost R1.44 less with the retail price going down by at least R1.92. The department said one of the main factors for the reduction is the decrease in the price of Brent crude oil.

Suspected illegal miner arrested

BONUS - RUSTENBURG - A 38-year-old suspect was arrested at Tweelaagte farm by Hawks' Serious Organised Crime Investigation on Thursday (28 July) for alleged illegal mining.

According to Captain Tlangelani Rikhotso Hawks spokesperson, police officials were following up on information received from community members regarding illegal mining activities reportedly taking place at the site.

Upon arrival at the site, they found an excavator which has been seized for further investigation. The arrested suspect was found driving around the said site.

He was expected to make his first appearance before the Mogwase Magistrate's Court on Monday (1 August).

#TeamHilux Rally-Raid Bronkhorstspurt to present competitors with enjoyable route and action-packed viewing for spectators

With a seven week hiatus since the gruelling TGRSA 1000 Desert Race at Upington in

Eben Basson and Leander Pienaar. (Image: Andre Schoeman)

There will be a total of three neutralisation sections the in the loop of which two will be a kilometre in distance and one will be five kilometres. The results of loop one will again determine the starting positions for the first of the two 160km loops on Saturday morning. On Saturday morning, 20 August loop two will start at 08:00 from the Soetdoring

The #TeamHilux Rally-Raid Bronkhorstspuit promises to be as enjoyable for the competitors as it will be for the supporting spectators.

Rutanang leaders inaugurated

Principal Pila also took time to express his gratitude to the special sub-committee led by Mr Rapula Kedige for the strategic system and approach used to identify this talent that has been subverted and suppressed by Covid-19 since 2019 March. The committee was able

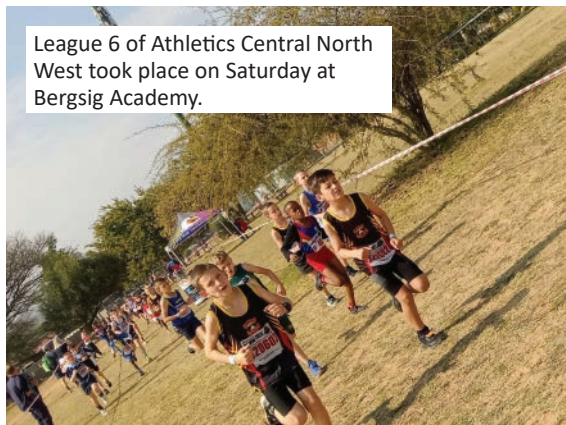

to come with very critical approach which finally gave birth to a progressive set of 30 leaders, said Principal Pila. The ever supportive and positive SGB team also made it easy for us to eventually come up with this list of young leaders. Parents and community stakeholders are also informed and invited to start registering 2023 Grade R learners since this process is open. The admin office will be open for this from 08:00 – 14:00 and all the forms returning will automatically guarantee admission to our 2023 Grade R class.
