REMINDER

Planned water interruptions

BONUS - RUSTENBURG - Magalies Water hereby reminds all bulk consumers on the Bospoort to Rustenburg bulk water pipeline of a planned 60-hour shutdown.

According to David Magae, Spokesperson of Magalies Water, the shutdown will commence on the day beginning the 23rd of August at midnight and be concluded on the 25th August at midday.

Consumers are advised that due to the technical nature of the work in the 60-hour period within which the installation of the new pipeline will be taking place there will be no water pumping activity into the bulk water pipeline. Consequently, after the work has been completed the system requires up to 12 hours to be fully recharged in order for consumers to have access to water from the affected bulk water pipeline into the local reticulation networks.

Due to the prolonged period, wherein customers will not have water access through the affected bulk water pipeline, water tankering services will be deployed to all affected areas for the period of the shutdown.

Magalies Water apologizes for the inconvenience that this may cause. all consumers are requested to use water sparingly during this period in order to prevent prolonged water supply interruptions. For more information customers can contact the Magalies Water Call Centre on 0860 000 720.

BONUS - RUSTENBURG - The North west Provincial Legislature's Portfolio Committee on Health and Social Development extends its heartfelt condolences to the Families, friends, learners and teacher at the Vyfhoek school in Potchefstroom on the tragic death of 5 Learners on Thursday afternoon. Committee Chairperson Gavin Edwards said the committee extends its gratitude to all the private emergency medical and rescue services who together with the Provincial EMRS responded to the multi casualty incident. "All services worked tirelessly to stabilise the injured learners who were transported to the Potchefstroom hospital. #TeamHilux Rally-Raid in Bronkhorstspuit

BONUS - RUSTENBURG - The weekend of 19 and 20 August, saw the running of the inaugural #TeamHilux Rally Raid in the area surrounding the Gauteng town of Bronkhorstspuit.

While portions of the route had been used during previous events, the name of the race was all-new – but the rally-raid proved as challenging as ever. A high attrition rate played havoc with the Special Vehicle crews, though the cream again rose to the top as former champions Tim Howes and Gary Campbell (Timdrew Property BAT Spec 4) took the category win. Two tough race loops of 160km each marked the second day of the #TeamHilux Rally-Raid in Bronkhorstspuit, as chilly weather gripped Southern Africa. Next up for the SA Rally-Raid Championship is the double-header at Nampo, which takes place on 30 September and 1 October 2022, in the area surrounding the Free State town of Bothaville. This will represent rounds four and five of the 2022 SARRC, with a final double-header in Parys bringing the season to a climax later in the year.
