Koketso Bogopane – a model of entrepreneurial spirit

Impala Rustenburg takes immense pride in its commitment to empowering women in its mine communities by providing them with substantial support through its ESD (Enterprise and Supplier Development) programme and a variety of business opportunities.

One remarkable entrepreneur who has benefitted from Impala's initiatives is Koketso Bogopane from Phokeng, Rustenburg. Her local, women-led business exemplifies the transformative impact of Impala's initiatives.

Who is Koketso Bogopane?

I am a driven entrepreneur, and hold diplomas in Business Management, Entrepreneurship, and Project Management, along with a BCom Marketing Management degree. Through continuous learning I have honed my skills and gained valuable insights, shaping me into a well-rounded and ambitious businesswoman.

Tell us about your company

Matlafatso Investments is a 100% black female-owned tier-one company specialising in general plumbing maintenance and installations. Our success as a preferred supplier at Impala Rustenburg has driven us to expand into building construction, engineering, and consulting. This expansion led to the formation of Avenir-Matlafatso, a new partnership making significant strides in these industries.

“The support and contribution from Impala's ESD programme have been crucial in shaping me into a confident and successful businesswoman.”

- Koketso Bogopane -

What are your aspirations as a young women-led SMME in Rustenburg?

My hope and inspiration lie in the pursuit of growth; growth that not only benefits myself but also has a positive impact on society. I strongly believe in the power of diversity and inclusivity and aim to champion these values. I am hoping to grow our business, thereby creating job opportunities for talented individuals in our community.

How has Impala's ESD programme contributed to your business development?

Beyond classroom education, the programme provided skills, market access, and continuous support. During the Covid-19 pandemic, having Impala as a client sustained us and enabled steady growth. The Economic Inclusion Centre, designed to support start-ups like ours, has also been instrumental with its state-of-the-art facilities and invaluable support to local entrepreneurs.

For more information about Impala Rustenburg's ESD programme, SMMEs can enquire at the Economic Inclusion Centre (EIC) on 014 569 7666 or eic.rustenburg@implats.co.za.

Laat die silwermaan jou bekoor

As tiener was ek versot op Wille Martin se boeke.

Oukaapse verhale van pragtige, weerbarstige vroue en heldhaftige, aantreklike manne.

Ek was ook gek oor Karl Kielblock se Lafras Cuyper-boeke: Die dapper, jong, onnutsige knaap wat avonture gehad het wat jou

laat naels kou het, maar jou ook hardop kon laat lag het vir sy mannewales om die Britte die loef af te steek.

Dié dat Frenette van Wyk se nuutste Romanza, 'Silwerspoor van die maan', my oog getrek het. Die verhaal speel af in die Kaap de Goede Hoop en vertel van Zara Greyvenstein en die dilemma waarin sy

haar bevind. Sy het drome van die wêreld sien en om haar hart te verloor op 'n man wat waardig van haar liefde is. Maar die lewe het ander planne.

Die mooi Zara moet haar eie wense en begeertes eenkant toe skuif, want haar pa is in groot moeilikheid. Die enigste uitweg is dat Zara moet trou met 'n man wat haar pa uit die knyp kan kry; Maar dié man is op soek is na 'n 'deugsame en onderdanige' vrou – en dit is Zara beslis nie.

Daar is iemand wat haar hart vinniger laat klop – maar dié is heel waarskynlik 'n seerower! Wat wag vir Zara as sy sou durf om die silwerspoor van die maan te volg?

'Silwerspoor van die maan' is Frenette van Wyk se vyfde Romanza en word uitgegee deur LAPA Uitgewers.

Across universes

Lauren Beukes' 'The Shining Girls' took readers by storm when it came out a couple of years ago.

The sensational success of the novel saw it translated into 26 languages.

It made such an impact, that it was turned into a television series.

Now Lauren is back with another offering, 'Bridge'. Have you ever wondered if this reality is the only reality? Have you ever imagined another version of yourself?

In Bridge you can dive into these

possibilities – if you dare.

In infinite parallel universes, there's a version of you who already has everything you've ever wanted. But 24-year-old drop-out Bridge is paralysed, by all the other lives she could have lived, the choices she could have made, and now, whoever she's supposed to be in the wake of her mother's premature death.

They always had a complicated relationship. Jo was the teenage runaway turned maverick neuroscientist who threw

everything away chasing after an impossibility – a mysterious artefact – the dreamworm – that allows you to switch between realities. And now she's dead and any chance of reconciliation with her is gone. But is Jo really gone ... or only in this universe? When Bridge and her best friend Dom stumble on the dreamworm, which does indeed open the doors to other worlds, otherselves, she becomes convinced her mom is lost out there. But the dreamworm is more dangerous than she can imagine, and she's not the only one hunting across time and space.

Page-turning and ambitious, 'Bridge' is a dazzlingly inventive speculative thriller with an unforgettable cast of characters, and the work of a powerful, skilled novelist that knows her stuff.

'Bridge' is published by Penguin Random House. Visit their website for more information regarding this book, as well as Lauren's other novels.

Brauhaus se jaarlikse motorskou brul dié naweek

BONUS – RUSTENBURG - Die Jaarlikse Motorskou van die Goue Oues Motorklub vind op Saterdag, 26 Augustus, by Brauhaus Afrika plaas op die R24 net anderkant Olifantsnekdam.

Hoewel daar gereeld verskeie motorskoue in die omgewing plaasvind, het die Brauhaus Motorskou met die Goue Oues Veteraanmotorklub nie sy gelyke in terme van verskeidenheid nie.

Letterlik die hele spektrum word gedek – van klassieke motors tot gunstelingveterane, sogenaamde Rat Rods, Street Rods, Muscle Cars en statiese enjins.

Nuwe toevoegings vanjaar is die Volvoklub van SA; die Vespaklub van SA; die Pretoria Ou Motorklub en verskeie ander klubs van die omliggende omgewing.

Die pas afgelope nasionale Thunder Tour kom vanjaar weer met 20 supermotors en die enjinmanne met hul statiese enjins het reeds bevestig dat hulle hul yster-spielgoed kom vertoon.

Daar gaan vir die hele dag vermaak wees met talle kunstenaars wat optree en natuurlik is daar die egte Duitse gasvryheid van Brauhaus Afrika met hul heerlike kos en bier waarna uitgesien kan word.

Vir diegene wat hoop om ook ietsie anders as motors te sien, is daar baie stalletjies met allerlei artikels waarby besoekers kan aandoen, so moet asseblief nie die vroue by die huis los nie – bring hulle saam sodat hulle die dag saam met die “petrol heads” kan geniet.

Kom geniet die dag saam met Brauhaus Afrika en kom ontmoet ou en nuwe vriende.

Soos altyd gaan 'n groot gedeelte van die opbrengs uit dié motorskou vir kosprojekte en voedingskemas by Rustenburgse laerskole. Jou ondersteuning van die motorskou beteken dus baie vir mense wat minder bevoorreg is. Vir meer besonderhede, kontak JJ by 079 934 7952 of Philip by 083 236 8140 – sien julle almal daar!

Power performance by the top drivers at Parys 400

BONUS – RUSTENBURG - The Parys 400, Round 4 of the 2023 South African Rally-Raid Championship, took place in the area to the south of the Free State town on Friday August 18.

The first race in a double-header weekend saw the cream rise to the top, despite dry and dusty conditions that hampered visibility, especially early in the day.

In Class T1+, it was the NWM Ford Castrol Team's Gareth Woolridge who arrived at the Designated Service Park (DSP) as the championship leader. As the man with a target on his back, Woolridge and co-driver, Boyd Dreyer, were under pressure to perform from the get-go. During the main race, Lategan/Cummings fully capitalised on their road position, and showed the competition a clean pair of heels despite opening the road. They hardly put a foot wrong all day, and despite losing three minutes at a tricky water crossing, recorded an otherwise clean run to seal a valuable win on Round 4, bringing their championship back on track.
