Rustenburg 1st and 2nd in North West province!

Photo above: Safiyyah Wadee of Zinniaville Secondary School and Lars Penzhorn of Hoërskool Rustenburg are the pride of the North West Province after they have finished in 1st and 2nd position respectively in the Matric examination of 2022. The national results were officially released last week. Safiyyah finished in 1st position among quantile 4 schools as well as all other schools in the province while Lars (see photograph right) finished in 2nd position among all quantile 4 schools in the province. Safiyyah plans to study medicine and to become a doctor. This photograph of the extremely proud Wadee family was taken at the provincial prize-giving function in Mahikeng on Friday. Pictured from left are Safwaan Wadee (brother), Sumayyah Wadee (sister), Safiyyah Wadee (Top Achiever), Ms Farzana Suliman (Principal of Zinniaville Secondary School), Safiyyah's mother Mrs Tasneem Wadee and her father, Mr Yusuf Wadee.

Photo right: Lars Penzhorn of Hoërskool Rustenburg finished in second position among all quantile 4 schools in North West in the 2022 Matric examinations and has quite a story to tell since his family's arrival in Rustenburg in 2006. Lars was born in the small central European country Luxembourg (right next to Germany) and lived with his family in Germany for two years before the family decided to emigrate to South Africa. Lars was a learner at a German school in Johannesburg and the Deutsche Schule Kroondal before he became a learner at Hoërskool Rustenburg where he completed his secondary education with no less than nine distinctions. Lars obtained distinctions in Afrikaans, English, German, Maths, Life Orientation, Physical Sciences, Information Technology, Accounting and Alpha Maths. Lars hopes to work for Elon Musk at Tesla or for a Formula 1 racing team one day. Photographed with Lars here are his proud parents - Mr and Ms Niels and Marion Penzhorn.
