# Rustenburg Herald's Bonus

24 JULY 2023

Well, at least for most part of this week, that is. Wednesday will take a little dip in temperature again, according to the Weather Service, but the rest of the week will put the people in Rustenburg in pre-spring mode with lovely days without the nasty bite of the cold we've been experiencing the last two weeks. Lexi Aggenbag, Marcel Volschenk and Charlieboy Volschenk are looking forward to get out in the sun.

# When doves cry...

**BONUS -RUSTENBURG** - Ag, it's just a dove. It's just kids looking for a bit of adventure. Boys will be boys.

What do you want, huh? Boys playing dolls?

Many Children - and adults - in Rustenburg have no qualms about killing animals. They are seen as lesser beings, things for entertainment. And things to offer up for the thrill of taking a life.

In this week's Rustenburg Herald, Christa Mynhardt of the 'We Care' wildlife rehabilitation centre will write more on this topic.

## How is a woman supposed to cope?

**BONUS - RUSTENBURG - It's hard enough being an adult, let alone a functional one.**

Leigh-Anne feels like neither. A white woman from Cape Town's Southern Suburbs, she's gradually unravelling as wife, mother, sister, daughter and office manager. The story opens in winter with Leigh-Anne lost at midnight on Rondebosch Common. Three losses are preying on her. First, there's her relationship with her ageing dad, who seems to be hiding a secret. Secondly, Leigh-Anne's desire for Samuel, her thin and distracted psychiatrist husband, has run dry, and she can't help thinking about her colleague Omar at NGO Phambili - Omar with the hairy wrists and warm jacket. The third area of loss is through a perceived betrayal of her activist best friend, Gwendal, whose increasing battiness alienates her teenage daughter. How is a woman supposed to cope? With chocolate and wine, of course, and by making plenty of lists... Leigh-Anne's children, Tom and Jamie, pipe up from the sidelines. They are oblivious as their mother grows fatter and drunker, her clandestine bingeing a backdrop to their lives. Leigh-Anne seeks refuge by ordering her world into threes and multiples of threes, which are presented as lists. Her lists corral her worries and failures but can't fix them. Looming large is the loss of a national dream, evident in the poverty all around them. In her search for answers, she will have to betray everyone she loves - only then can she truly come out of hiding. 'How to Hide Inside a Three' is Jane van der Riet's first novel. She grew up in Cape Town and joined the anti-apartheid struggle as a student. She has worked at the Social Change Assistance Trust, the Trauma Centre for Survivors of Violence and Torture, and as a student counsellor at the University of Cape Town. Jane still lives in Cape Town, where she practises as a psychotherapist. 'How to Hide Inside a Three' is published by Penguin Random House South Africa and will be available in shops and online from August.

## In die sterre geskryf?

deur Christelle van Rooyen-Wessels

**BONUS - RUSTENBURG - Dis nie altyd maklik om 'n tiener te beïndruk nie - vra maar vir enige ma wat al een van dié wesens groot moes kry.**

Alles is 'lame', al was dit gister nog heeltemal aanvaarbaar. Niks wat jy voorstel - wat jy voor jou siel weet sal interessant wees - prikkel hul belangstelling nie. Jy voel gelukkig as jy bloot met 'n oë-rol tot orde geroep is.

Maar boeke, het ek ontdek, kan jou die sleutel tot die kluis van 'n tiener se hart gee. Die regte boek - op die regte tyd, by gesê - kan die oorsaak wees dat jou tiener vir een oomblik vergeet dat hy/sy onder geen omstandighede in jou teenwoordigheid sal glimlag nie. Louis Pretorius se 'Kompleks' kan daardie boek vir jou wees.

Louis Pretorius is 'n bekende en bekroonde regisseur met verskeie suksesvolle TV-reekse soos "Die Boekklub",

"Fynskrif" en "Fraksie" agter sy naam.

'Kompleks', die roman, is 'n verwerking van die TV-reeks met dieselfde titel wat op Showmax te sien is.

Kortliks gaan die storie oor Sean.

Hy was nog altyd gefassineer deur die heelal en alles daarin. Hy lê gereeld in die aande in sy bed en dink aan al die mense wat voor hom op aarde was. Hoe almal gepoog het om die heelal te verstaan: waar ons vandaan kom en waarheen ons op pad is. Die probleem is, jy weet nie wat gebeur met jou in die ander heelalle nie en die kans om hulle ooit te sien is skraal. Of nul. Sean hou duim vas vir 'n inter-meer-al-ruimtewurm, maar al wat nou bestaan is hierdie heelal en hierdie realiteit. Om die waarheid te sê, hy dink hy het beland in een van die heelalle van 'n Sean wat beslis 'n fabrieksfout was.

Maar hy ontmoet vir Mika en meteens is niks meer soos dit was nie. Altans, nie in hierdie heelal nie ...

'Komplek' is in die kol vir jong volwassenes en bevat temas waarmee hulle in besonder baie sal identifiseer.

**Die boek is nou beskikbaar en word deur Lapa uitgegee.**
