our best game everyday

by operational excellence

# "Where are the police?" **DA** wants to know

BONUS - RUSTENBURG - The Democratic Alliance (DA) in the province has issued a statement condemning the murder of a Rustenburg high school learner and the stabbing of another at the Rustenburg taxi rank recently.

According to Winston Rabotapi, DANW Spokesperson on Education, the party conducted an oversight inspection at the Rustenburg Taxi Rank where the 18-year-old learner was stabbed on Friday (2 June).

"We found the transport hub overcrowded with no security or police presence - which place all commuters, including learners making use of taxi transport, at risk of falling victim to criminal activity," Rabotabi said.

He added that commuters at the taxi rank indicated to the oversight visitors that robbery and violent crime are normal at the taxi rank.

"It is a shame that everyone knows where the crime hotspots are, including the police, but no resources are made available to prevent crime through visible policing," he said.

He said that the DANW will urge the Department of Community Safety and Transport to deploy learner safety patrollers to the taxi rank and the schools in and around Rustenburg until the situation has been normalised.

The DA, Rabotabi said, will also write to the North West Provincial Police Commissioner, Lieutenant General SJ Kwena to urgently improve measures the SAPS have in place to improve visibility at high crime areas such as taxi ranks, commercial districts, and visible policing surrounding schools, to prevent crime.

"Schools are supposed to be safe spaces where learning takes place. Both the Department of Education and Community Safety should make sure that schools are safe from criminal activity. Crime and violence have no place in our schools," he concluded.

# **Double life imprisonment for** rape, murder of elderly woman

BONUS -RUSTENBURG - A man found guilty of the 2020 rape and murder of an elderly woman, was given a double life sentence last week.

West Division, sitting at the Mogwase to Nkgweng as the perpetrator. Regional Court, sentenced Thapelo Abram near Mogwase.

On 24 February 2020, Nkgweng entered the home of the woman, who was staying by herself, through a window. He then raped her, strangled her to death and then fled.

The woman's body was discovered by her gardener and her daughter.

Thorough investigation by the police linked the accused through fingerprints and he was arrested on 13 April 2020. He was charged with murder and rape, and he pleaded not guilty to both counts. The matter was subsequently provisionally struck off the roll in October 2021, pending the outcome of the DNA results. It was however reinstated is brought to book.

The High Court of South Africa, North later in the year and the DNA results pointed

In aggravation of the sentence, the Nkgweng (40) for the rape and murder of state prosecutor, Adv Nangomso Goloda an 82-year-old woman, at Tweelagte village, argued that Nkgweng's actions against an elderly who he knew stayed by herself were inhumane and savage. He urged the court not to deviate from the prescribed minimum sentence of life imprisonment. Judge André Peterson agreed with the state and imposed two life terms on each count and further declared Nkgweng unfit to possess a firearm.

> The Director of Public Prosecutions in the North West, Dr Rachel Makhari as well as the Provincial Commissioner, Lieutenant Sello Kwena lauded Adv Goloda, the investigating officer, Sergeant Dirang Mogorosi, and other role players for ensuring that the perpetrator

# Man jailed for killing girlfriend

BONUS - RUSTENBURG - A man who stabbed his girlfriend to death, was given a life imprisonment term.

In the early hours of the morning of 30 June 2022, Kamogelo Molorwe (25) got into an argument with his 34-year-old girlfriend Busisiwe Jaki. Molorwe took a knife and stabbed Busisiwe, a teacher in her rented room in Unit 4, Mogwase. She died on the scene and Molorwe was traced and arrested later that same day. He has been in custody since his arrest after bail was successfully opposed. Molorwe was found guilty on 5 June 2023, after pleading

The State Prosecutor, Advocate Jessica Molefe, argued that the accused grossly deprived the children of the deceased of their right to have a mother. The actions of the accused were devoid of mercy such that his actions against the deceased were perpetuated whilst a 4-year-old was present in the house. Such a child still harbours vivid memories of the mother whose life was cut short at the hands of the accused.

Provincial Commissioner of North West, Lieutenant General Sello Kwena and Dr Rachel Makhari, Director for Public Prosecution, applauded the Investigating Officer, Sergeant Masego Kgake of the Mogwase Detectives. They also had high praise for the Prosecutor, Advocate Jessica Molefe.

Investigating Officer, **Sergeant Masego Kgake of the Mogwase Detectives.** (Photo: SAPS)

**Axe murderer** sentenced

BONUS - RUSTENBURG - The Northwest High Court sitting in Mogwase sentenced a man who killed his girlfriend with an axe to life imprisonment.

Darius Mmebe (43) attacked his girlfriend and her sister in July 2022. He killed his girlfriend, and seriously injured her sister in an attempt to kill her too.

On Friday (9 June) Mmebe was also sentenced to 15 years imprisonment for attempted murder. He also received two more sentenced - one for 12 years imprisonment and one for seven years imprisonment. According to local police spokesperson, Sgt Ofentse Mokgadi, the court ordered that the sentences should not run concurrently. He was also declared unfit to ever possess a firearm again.

The investigating officer, Sgt Molly Mphela and a team of investigators should be commended for their dedication and commitment to ensure that justice is done.

# Bakwena committed to socio-economic development

BONUS - RUSTENBURG - Bakwena, the toll concessionaire, is committed to supporting the socio-economic development of the country.

world-class infrastructure on the renewed purpose and the will to live. Bakwena N1N4 route, but it also I believe my community lacks proper strives to have a positive, sustainable, role models and inspiring figures for and meaningful impact on the lives the kids. With my teaching degree, I of people in vulnerable communities can contribute to addressing some of along this route. In line with this commitment, Bakwena introduces Patrick Netshiungani, a remarkable truly changed my life for the better, individual who has embarked on and without it, I might have remained a transformative journey with the homeless indefinitely." company, starting from high school and progressing to university. Hailing from Hammanskraal, a disadvantaged within the Tshwane township Metropolitan Municipality, Patrick comes from a community grappling with multiple challenges such as HIV, unemployment, crime, drugs, and teenage pregnancy.

Through Bakwena' s Ultimate Challenges project, which focuses on providing life and study skills in schools, Patrick found the support he needed to overcome his hardships and successfully complete his high school This accomplishment education. enabled him to enrol at UNISA, pursuing a Bachelor of Law (LLB) degree. However, driven by his passion for education and inspired by the impact of the Ultimate Challenges project, Patrick made a bold decision to switch his field of study to a Bachelor of Education at the University of Pretoria.

Reflecting on his journey, Patrick says, "When I received assistance from Ultimate Challenges and Bakwena, I was at a breaking point. I had lost hope the difficulties I faced. "Through their generation.

Not only does Bakwena provide interventions and support, I found a the challenges faced by my community. The sponsorship from Bakwena has

> Patrick's commitment to education has been unwavering. He has successfully completed both his Bachelor's and Honours degrees in Education and is currently pursuing a Master's of Social Science degree, specialising in History. Expressing his gratitude, Patrick extended his heartfelt thanks to Bakwena, saying, "I am deeply grateful to Bakwena for everything they have done for me and for transforming my life. I often reminisce about the time when I was a homeless street kid and how my life turned around after getting involved in Bakwena' s Corporate Social Investment initiative, the Ultimate Challenges project. Bakwena and its partners are making significant strides in assisting and guiding learners to stay on the right path."

Bakwena remains dedicated to uplifting vulnerable communities and empowering individuals like Patrick Netshiungani.

Through initiatives like the Ultimate Challenges project, Bakwena continues to foster positive change, inspire hope, that someday I would be able to escape and create a brighter future for the next

# 267 suspects arrested during Shanela

BONUS - RUSTENBURG - Operation Shanela is proving to be successful with high density operations in full swing throughout the North West Province.

Thursday (8 June) and Sunday morning (11 June) 267 suspects were arrested in before the Brits Magistrates' Court on connection with a variety of crimes Monday (12 June). such as robbery, murder, rape, illegal possession of firearms and ammunition, possession and dealing in drugs, illegal dealing in liquor, assault common, assault with intent to do grievous bodily harm (GBH) and others.

In one of the operations in Mmakau on 9 June, three suspects - two women and a man - were arrested at a plot in the area of Zilkaatsnek for the possession of unlicensed firearms and ammunition. The accused were arrested during a multidisciplinary and crime intelligence driven operation following the execution of a search warrant. During the search at the accused's place, the team discovered two firearms, a pistol and .22 revolver with different types of ammunition.

The accused were expected to appear

Shanela also resulted in the confiscation of the following items:

- \* 221 ammunition
- \* Variety of drugs
- \* Two firearms
- \* One truck and trailer
- \* Liquor
- \* Counterfeit goods

Furthermore, 714 persons and 274 vehicles were searched while four unlicensed liquor premises were closed down.

The Provincial Police Commissioner, Lieutenant General Sello Kwena expressed his gratitude to all the members including those of other law enforcement agencies and government departments for their participation in the high density operations to reduce the levels of crime.

### Vulnerable Vultures - Why we need to get the lead out of ammunition - BirdLife Rustenburg

BONUS - RUSTENBURG - Poisoning, including secondary lead poisoning, is the single most important cause of vulture mortalities in Africa. White-backed Vulture chicks are being poisoned by lead ammunition fragments embedded in the meat fed to them by their parents.

Bone samples revealed that 12% of White-

backed Vultures and 9% of Cape Vultures suffered from some level of lead poisoning upon their deaths. Linda van den Heever, Species Conservation Manager at BirdLife South Africa, has conducted extensive research on the unusually high levels of lead poisoning in South Africa's vulture species. Linda is also responsible for the implementation of Vulture Safe Zones. She engages with farmers, game ranch managers and hunters to highlight the hazards lead poisoning poses, not only to vultures and other wildlife, but also to humans themselves. Please join BirdLife Rustenburg on Monday, 19 June, for an update by Linda on BirdLife South Africa's most recent research findings on this issue. The presentation takes place at the Methodist Church on the corner of Brink and Schuurman Streets at 18:30. All members and non-members are welcome - non-members pay R30 per person. Feel free to contact Charles Foot (073 452 3874) should you wish to learn more about Birdlife Rustenburg and would like to attend the

**Comrades Marathon on Sunday.** 

Comrades marathon.

Dijana who hails from Lonely Park village in Mahikeng has

been running from an early age. He is employed as a security

guard at the Mahikeng Campus of the North West University

and took leave to amplify his preparations for the 2023

long distance road running. "We congratulate Tete Dijana for putting the North West province on

the map once more by winning the Comrades Marathon and breaking the down-run record. The province is super proud of his remarkable talent and achievements" remarked Premier Maape. Premier Maape has also congratulated Adele Broodryk for finishing second in the women's race. The mother of two who is also a lecturer at the North West University, Potchefstroom Campus was competing for the second time in the Comrades Marathon. Last year she obtained third

Premier Maape has described Tete Dijana as a paragon of

BONUS - RUSTENBURG - Banyana Banyana inspire a lot more confidence in South African soccer lovers Shamase, Nomvula Kgoale than their male counterparts.

month - 20 July - coach Desiree Ellis has announced 36 players for her preliminary squad. New Zealand/Australia will be the hosts of soccer showpiece. Ellis' Top 36 will now do their best to be included in the final team heading for Down Under. Ellis, who has previously spoken about her joy at having such a vast pool of players to choose from, labelled the selection of this tentative squad as one the toughest she's had to make as a Noko Matlou, Bongeka Banyana Banyana coach. Banyana Banyana made their debut Gamede, Lebogang in the competition in the 2019 showpiece which was hosted by France. They qualified for this edition by reaching the semifinals Mhlongo, Tiisetso of the Women's Africa Cup of Nations (Wafcon) last year.

They sweetened their second successive World Cup qualification by winning their maiden Wafcon title.

In pursuit of their first-ever point at the World Cup — after losing all their group games in France — Ellis and her charges find themselves in a challenging group. The South Africans are in Group G and will come up against Sweden, ranked third in the world. Italy and Argentina - both in the top 30 - are the other Amogelang Motau, group rivals. Claiming points will not be a breeze.

The final squad selections are scheduled to be announced at Smidt, Thubelihle

North West a "big" name after

Sunday's Comrades Marathon

RUSTENBURG HERALD - MAHIKENG - North West Premier, Kaobitsa Bushy Maape has congratulated Tete Dijana for successfully defending his Comrades Marathon Championship and setting a new Down Run Record during the annual

CONTRIBUTIONS FOR AREAS INCLUDING CUCKOO AVE (COUNCIL RES. 93 - 30 JULY 2002) 40 VA/m quivalent Sewerage Pipeline Date Water all inclusive Treatment Stormwater Roads evotional, agricultural rsery, scrap yard or R 7 685/trips 47% CP R 7 170/Eq Erf R 2 240/Eq.Erf 01 January 2023 R 1 995/m<sup>3</sup> R 1 086/Eq.Erf MAXIMUM DEMAND (IN KVA) CALCULATION NOTES Seneral note: General field: The higher of the value calculated at secondary transformation level by: 1) The Developer's appointed Professional Electrical Trips are calculated as follows a. Normal residential stand:b. Cluster housing: 1.5 trips per normal household The value as determined by the applicable formula below according to the development's zoning WATER BASIC The RLM may advise the customer where it is deemed necessary for the customer to increase its notified maximum demand. Maximum demand may only be lowered by lowering town planning rights Tariffs Tariffs Where town planning rights cannot be lowered and a Proposed 2024/2025 leveloper insists on a maximum demand lower than gures calculated according to 2.1.1 then the developer hall register a servitude of constraint in the title deed of ne property concerned. A maximum demand shall be calculated for each legal property, or notarially tied property. In the case of new township or a mixed-use development a consolidated maximum demand may be calculated in terms of item 2.07 for the entire development. Residential 4,70% Residential 105,52 110,48 325,75 115,67 388,06 266,22 acant Residential development 118,34 1 420,03 Per Unit 123,90 1 486,77 107,95 4,70 113,02 4,70% As determined according to Formula in par 4.2.2 of NRS 034-1:2001, as amended from time from time to time. INDUSTRIAL Parameters a, b and c are determined as per table 3a of NRS 034-1:2001 as amended from time to time, for 435,95 acant 109,16 119,66 of NRS 034-1-2001 as amended from time to time, for standard ADMD values. Parameters for a and b for a given circuit breaker size c shall be otherwise determined in terms of the formulae set out in NRS 034-1-2001, as amended from time to time. Commercial, Governmental and other non-domestic loads, excluding industrial loads: 4,709 4.709 4,70% 4,70% 102,6 4.70 1 350.57 Agricultural 4.70% 4.709 4.70% 4,709 1 420,03 4,70% 4,70 BUSINESS 486,77 107,95 113,02 118,34 1 420,03 123,90 4,70% Maximum demand (in kVA) = ADMD (in kVA/m² from Table 1) x FAR x Stand area (in m²) /acant 4,70% 4,70% 4,70% Where FAR is the Floor to Area Ratio, i.e. the area of total building floor area divided by total stand area. The total building floor area shall be deemed to include all lettable CHURCH 4,70% 1 283,62 4,70% 4,70% 4,70% 97.58 4,70% 4,70% reas, including common building areas. 4,709 4,709 4,70% ight Industrial: 4,70% 4,70% 4,70% flaximum demand (in kVA) = ADMD (in kVA/m² from Table ) x FAR x Stand area (in m²) 4.70 MUNICIPALITY 4.70% leavy Industrial: As determined by the developer's consulting engineer Professional Electrical Engineer) WATER TARIFFS pecial loads: Special loads are deemed to be loads associated with pecial zoning such as storage garages, cemeteries, The higher of the value calculated at secondary ansformation level by: . 13.8 kVA (equivalent to 60 A single phase) the developer's appointed Professinal Electrical Wixed-use loads: Tariff Any combination of the above, with diversity factors pplied or composite load curves summated to determine the annual coincident maximum demand of the saturated development (i.e. for the full development when all oroperties have been developed). Diversification factors shall be applied at secondary transformation level. 2.8 Phased developments To phase developments, any combination of the above, subject thereto that Council has approved such phased development and the payment of contributions in respect of each phase. DOMESTIC (Prepaid and Convertional meters) TOTAL Consumption 0KL to 12KL 20,9449 onsumption 13KL to 25K 22,152 18,577 NGINEERING CONTRIBUTIONS Consumption 26KL to 40Kl 9,2% 9,2% Increase with ESTIMATED forecast of 4.4% CPI as per MFMA old Circular 108 from National Treasury 33.584 Consumption 41KL to 60Kl 25.7914 28,164 negree in contributions shall be calculated by multiplying the determined demand in kVA by the rate per kVA stated or the appropriate point of connection below: 34,891 38,101 Consumption above 60K Domestic consumers with no meter 9.2% 107.5373 9.2% 117.430 9.2% 128.2343 98,4774 Minimum charge per household per month For High voltage connections 88 kV For a connection directly to the 88 kV busbars of a primary intake-substation: 0.000 0.000 AGRICULTURAL DOMESTIC 0,000 In addition, the developer pays for the dedicated infrastructure, being a full 88 kV feeder bay inclusive of busbar isolator, circuit breaker, CTs and VTs, line isolator, metering requirements, jumpers, clamps, protection relays and the 88 kV line. 4,60 171,54 3,90 178,23 4,50 186,25 4,40% 194,45 per kV Consumption 0KL to 12K 21.8910 9.29 23.904 26,104 onsumption 13KL to 25K 29,1076 28,6498 Consumption 26KL to 40K 26,6553 31,785 34,709 onsumption 41KL to 60k 37,174 For medium voltage connections (11 & 33 kV) from the Consumption above 60K 28,5484 31,1749 34.0430 ırban network INDUSTRIAL TOTA For a connection directly to thee 33 kV busbars of a 0.000 0.000 0.000 561,04 4,40% 585,72 perkV 494,00 4,60 516,72 3,90 536,88 4,50 Consumption OKL to 60Kl n addition, the developer pays fot the dedicated nfrastructure, being a 33 kV feeder bay inclusive of circuit oreaker, CTs and VTs, metering requirements, protection elays and 33 kV cable. onsumption 61KL to 100k 28,4849 31.10 Consumption 101KL to 150k 37,08 Consumption 151KL+ 33,9608 40,4970 44.22 For a connection directly to the 11 kV busbars of a ubstation: 0,00 4,60 2 966,46 3,90 3 082,15 2 836,00 4,50 3 220,84 4,40% 3 362,5 In addition, the developer pays for the dedicated infrastructure, being an 11 kV feeder bay inclusive of circuit breaker, CTs and VTs, metering requirements, protection relays and 11 kV cable. #### Industrial effluent monitoring

The following formula will apply for industrial effluent charges covering the conveyance, and treatment of industrial effluent.

Ti = C x x [0,3 + 0,35 Kc + 0,25 Kn + 0,1 Kp]

Where: charge due in R/month

total cost of the sewerage undertaking of Rustenburg Local Municipality covering both treatment and conveyance and must include fixed, semi fixed and variable charges (R/ C

Qi sewage flow from the industry in m3/month

sum of design capacities of all the waste water treatment works of the Rustenburg Local Municipality in m3/month

Kc =

CODI

Where: CODi = industry sewage COD CODt = target COD as published in **Schedule A** in the Bylaws in mg/t

The ratio(Kc) is the larger of 1 or the actual ratio

Kn =

TKNi = the industry TKN Where:

TKNI = title flidusty FKN TKNt = target TKN as published in **Schedule A** in the Bylaws in mg/t The ratio(Kn) is the larger of 1 or the actual ratio

Kp =

Pi = Phosphate of industry in mg/l Where:

Pt = target Phosphate as published in **Schedule A** in these Bylaws in mg/t

The ratio(Kp) is the larger of 1 or the actual ratio.

of the sewage) and also deals with the conveyance costs.

The above formula is only applicable for the treatment of compliant effluent. If any constituent (heavy metals, any toxic substances etc.) exceeds the approved values, the municipality may introduce any of the (b) following steps:

Refuse to accept the effluent

Impose a fine on

Insist on pre-treatment by the industry to render the effluent compliant prior to discharge to the municipal system.

(c) Fines for contravening the allowable limits of constituents in industrial effluents.

The municipality sells treated sewage effluent to the mines as process water. There is stringent quality criteria associated with this and the mines may refuse to accept sub-standard effluent. In this case the (d) municipality must provide them with potable water at no incremental cost. The one major concern is fats and oils in the effluent as that impact negatively on the mines processes.

The municipality will thus, in particular, enforce the fat and oil standards rigorously.

The fines will be implemented as follows:

First written warning. No fine Second contravention R10 000.00 fine regardless of quantity or quality

Subsequent contraventions: Spot fines of the larger of R 10 000 or a flow related minimum fine of

R5 per m3 or as per written approval Refuse to accept

the effluent

# 'n Kolhou vir Gekombineerde Gholfdag

RUSTENBURG HERALD - RUSTENBURG - Die Gekombineerde Gholfdag wat bestaan die dag te verleen. Geluk aan die wenpaar uit lede van Rustenburg Rapportryers en Vryburgers het vir die eerste keer in bykans 40 jaar van die unieke dag, die kompetisie suksesvol verplaas na Mooinooi se bane.

Dames wat gehelp het om die Gekombineerde Gholfdag suksesvol aan te bied; Annemarie Roux,

Die Blou- en Rooi-spanne het weer teen mekaar meegeding en elk was mooi toegerus met bypassende sonbrille en sokkies om kleur aan die dag te verskaf. Hoewel die aantal spelers vanjaar minder was as dié van verlede jaar weens die kleiner speeloppervlakte, was die deelnemers dit

eens dat die dag puik aangebied is en dat dit 'n aangename dag in 'n gesellige atmosfeer

Danksy getroue borge is die speelveld gedek gewees met 'n verskeidenheid "natputjies" waar droeë kele en honger mae hervul kon word om meer opwinding aan

bestaande uit Wilco Louwrens en Christo Vermaak gevolg deur Fanta en Junior Ueckermann met Louis Venter en Danny Rautenbach in die derde plek.

Hartlik dank aan al die borge wat die dag suksesvol gemaak het asook elke speler en die bestuur van Mooinooi-gholfbaan wat die projek ondersteun het. Volgende jaar maak ns weer so!

Die wenners van die Gekombineerde Gholfdag, Wilco Lourens en Christo Vermaak ontvang hul prys van seremoniemeester, Stefan Kruger

Gekombineerde Gholfdag spankapteine van die Blou- en Rooi-spanne, Jaco Bosman en Gert Henning.

Rustenburg @

SE OF WATE

Fees are also applicable to all Council. Provincial and National Departments except the Office of the Mayor. Office of the Premier and office of the President The fees do not apply to grass, veld and rubbish fires on vacant Erf / Erven within the Rustenburg Local Municipality area.

Persons registered on the Council's Indigents Register will be exempted from paying costs for fire and rescue services.

Members of registered Fire Protection Associations established in terms of the National Veld and Forest Act, 1998 (Act 101 of 1998) will be exempted from paying any fees for fire services Informal residences i.e. a residence that does not receive any municipal services i.r.o electricity, water, waste removal and waterbome sewerage will be exempted from paying fees for fire services with regard to house fires

#### Tariffs for making available fire and rescue equipment and rendering a standby service and events

For all standby services at events a full tariff for all the vehicles on standby, will be issued for the total of hours on standby 2. All special services will receive full accounts

- The Municipality may withdraw such equipment at any time should the Municipality need it elsewhere. . The time is calculated from arrival to departure
- 2. Utilisation cost includes cost of personnel and equipment 3. A single tariff per vehicle per hour is charged.

The tariff for material used is cost plus a surcharge of 15%. Provided that in respect of material for which the Municipality has determined a tariff, that tariff shall apply in accordance with Section 14 (urgent cases) Fire Brigade Services (Act 99 of 1977)

Renting out of equipment outside the jurisdiction area of the Municipality The tariffs as set out in this Annexure plus a surcharge of 50%.

#### C. ADJUSTMENT IN FEES PAYABLE TO THE SERVICE AS CONTEMPLATED IN CLAUSES A AND B OF THIS ANNEXURE

The Service must ensure that all fees referred to in clauses A and B of this Annexure are adjusted to keep trend with inflation according to the Consumer Price Index (CPI)

#### GENERAL DIRECTIVES FOR THE PAYMENT OF THE ABOVE FEES

- 1. All certificates of registration, certificates of fitness and/or spraying permits will be valid for twelve (12) calendar months. A written application for the renewal of the certificate or permit must reach the Service at least one calendar month prior to the expiry thereof.
- 2. When application is made for registration, the appropriate application form, correctly completed in full, must be accompanied by the prescribed fees.
- 3. All the appropriate application forms are available from the Service and must be completed in full and, where applicable, be duly signed.
  4. If, for whatever reason, the Service rejects an application for any certificate of registration, certificate of fitness or any permit, the applicant must, within 14 days (excluding weekends and public holidays) of the date of
- rejection, take corrective steps to ensure that the document in question is issued at no additional cost, failing which the applicant must pay the prescribed fees again.
  5. (a) The tariff for premises that are liable to registration in respect of paragraph 1(2) or (3), or a combination of them, will be a single fee of R700,00, irrespective of the combination of items:
- Provided that such combination applies to one premises and is under the same control.

  (b) If there are different divisions and/or affiliates within a business and/or company situated on the same premises but each division and/or affiliate is managed separately, each division and/or affiliate is liable to registration separately. are navable in advance, ii. All fees are also applicable to Cour
- 6. All relevant application forms are available at the Emergency Services Department (Fire Brigade Services) and must be completed in full and where applicable, signed properly.
- 7. If certificates and/or spray/transport permits are refused, the applicant must take remedial steps within 14 days in order for the re-inspection to be free of charge and to ensure the issuing of the relevant registration certificate or permit. Failing this, the prescribed tariffs will again be payable in full.

Restoration of lapsed certificate (each year certificate has not been renewed) R700, 00 (including VAT) plus current year registration fee
