# Rustenburg Herald's BOYS

22 MAY 2023

No no, Bergsig Academy in Rustenburg hasn't turned into a culinary or hospitality institution. At Bergsig however, learners always have a few extra tricks up their sleeves. In this week's edition of Rustenburg Herald, Bergsig Academy's two recently "crowned" ambassadors, Zandre Schoeman (Mr Bergsig 2023 - left) and Nola Kruger (Miss Bergsig 2023 - right) ) demonstrate that they also have a knack for cooking/baking or whatever takes your fancy. Nola's younger sibling (Mienke - centre) was the couple's eager assistant and performed faultlessly as videographer. Don't miss this week's edition of Rustenburg Herald and in particular, the cooking page.

# Timbati goes Grease

As previously, the 3 June market will be a double market. From 09:00 to 14:00 the market will offer family fun with stalls, food, beverages and music and from 14:00 to 20:00 it will be time for a free family movie in the veld when the evergreen “Grease” will be on “big screen” - the movie will start at exactly 18:00 or as soon as it gets dark. Make sure you are happy and settled by then. Bring your blankets, chairs, perhaps your favourite pet (to help you to keep warm) and all the kids and come experience an unforgettable movie with Timbati’s regulars. Please note that no cooler boxes or food or beverages from outside will be allowed in the market area - Timbati calls on our patrons to support the food and beverage stalls. Make a note of Saturday, 3 June and come and enjoy a day of fun in the sun with Rustenburg’s Timbati community!

The advertisement features a large yellow triangle at the top. Below it, the text "SA CARPORTS RUSTENBURG" is displayed in a bold, black, sans-serif font. Underneath this, the text "3 YEAR WARRANTY ON WORKMANSHIP" is written in a smaller, white, sans-serif font. The main services offered, "NEW & REPAIRS", "SHADENET CARPORTS", and "STEEL CARPORTS", are listed in a large, bold, yellow, sans-serif font. Below the text, there are three photographs showing different types of carports: a modern structure with a blue frame and glass panels, a traditional structure with a grey metal frame and a dark grey canopy, and a structure with a red roof and a black metal fence. At the bottom, the contact information "082 452 4220" and "SACARPORTSRTB@GMAIL.COM" is provided in a bold, white, sans-serif font. Below the contact information, there are two more photographs: one showing a red canopy carport and another showing a white canopy carport. The entire advertisement is set against a black background.

# Provincial crime prevention

**BONUS - RUSTENBURG -** As part of dealing with criminality and bringing down the levels of crime, the High Density Crime Prevention and Combating Operations conducted between 18 and 20 May resulted in the arrest of 167 suspects for various offences.

According to Brigadier Sabata Mokgwabone, provincial police spokesperson, the suspects were arrested in various parts of the province for offences such as burglary, driving under the influence of alcohol, illegal possession of firearms, illegal possession of ammunition and many others. In a case in Mmakau, outside Brits, an intelligence driven operation by the

Trio Task Team, ended up in a residence in Newtown Section where a 28-year-old man was found. During the search, a 9mm firearm and ammunition were found hidden in a room. Thus, he was arrested and was expected to appear before the Brits Magistrates' Court on Monday (22 May) facing charges of possession of an unlicensed firearm and ammunition. In

another arrest in Kanana near Orkney, a 22-year-old Ethiopian national, who is also a tuck shop owner, was arrested for the illegal possession of ammunition. The suspect was arrested after members of the Klerksdorp Tactical Response Team (TRT) followed up on information regarding illegal possession of ammunition. The suspect was ultimately arrested after 15 rounds of ammunition were found in his shop. He is expected to appear in

the Orkney Magistrates' Court.

The operations also led to issuing of fines for Second-Hand Goods Act contraventions. In addition, the police confiscated a variety of drugs, illegal cigarettes and two vehicles, among others. The Provincial Police Commissioner, Lieutenant General Sello Kwenja commended all members in the province for their commitment towards ensuring that communities are and feel safe.

## Woolworths recalls vienna products

**BONUS - RUSTENBURG -** Woolworths is recalling a number of vienna products.

“Woolworths prides itself on exceptionally high standards, and we go to great lengths, with very strict protocols within a rigorous food safety management process, to ensure all food we produce, package and sell is the quality our customers expect. Food safety is critically important to us, and the wellbeing of our customers is our first priority. We, along with our suppliers, proactively manage and prevent contamination of food, and through routine quality control tests we discovered a fault in a production line, which resulted in cross-contamination of milk protein between Chicken Viennas and Chicken & Cheese Viennas,” the retailer said in a statement.

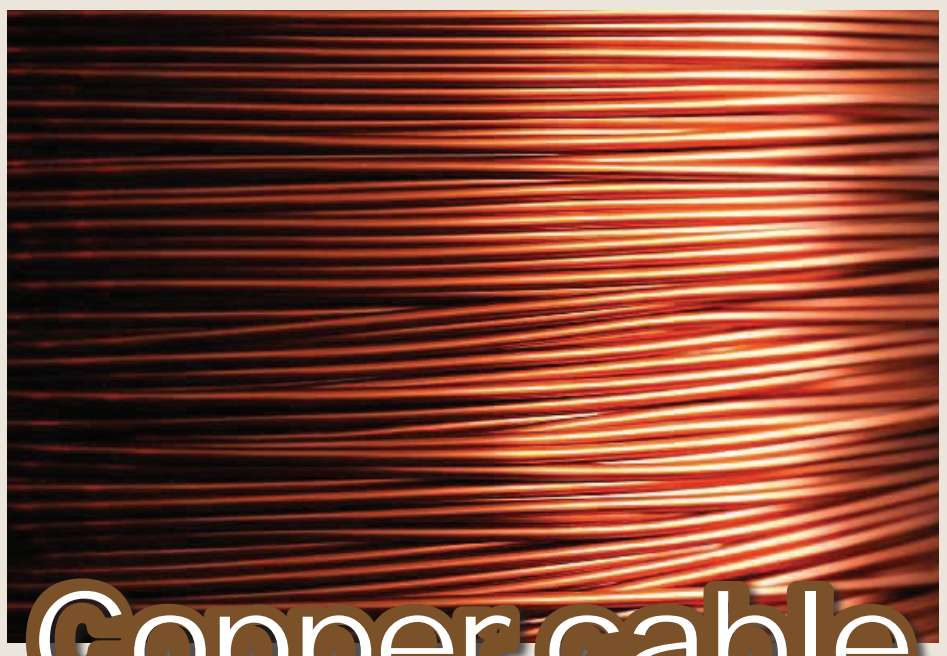

They are recalling Woolworths Smoked Chicken Viennas, Cocktail Chicken Viennas and Halaal Smoked Chicken Viennas with the sell by date 27 May 2023 with immediate effect. “While the cheese may not be obvious through taste or visible in the product, we are removing all the products from our shelves. Customers who have an allergy to cow’s

milk may experience an adverse reaction to even trace amounts of milk protein. The Chicken Viennas do not have allergy warning labelling,” the retailer added.

The Chicken Viennas with the sell by date 27 May 2023 are produced in four variants, outlined below, and are sold in two countries; South Africa and Botswana.

Woolworths  
CHICKEN VIENNAS:  
SMOKED CHICKEN VIENNA  
1 Kg (6009195431174)  
SMOKED CHICKEN VIENNA  
500 g (6009195431181)  
COCKTAIL CHICKEN VIENNA  
375 g (6009214259499)  
HALAAL CHICKEN VIENNA 500 g

Customers who have purchased the product, should return the product to their local store for a full refund. For more information, please contact the Woolworths customer service centre on 0860 022 002 or visit [woolworths.co.za](http://woolworths.co.za)

## Copper cable syndicate convicted

**BONUS - RUSTENBURG –** Five people believed to be members of a copper cable syndicate was sentenced last week.

Ernisto Siquque, Alfred Makamu, Edson Mbiza, Msindisi Mbeki and Elvis Mathabela were convicted before the Tlhabane Magistrate’s court on Wednesday (17 May).

According to Captain Tlangelani Rikhotso, spokesperson for the Directorate for Priority Crime Investigation (Hawks), on 21 July 2022 the syndicate was found underground at Impala Platinum mine by members of Bidvest Protea Coin, with copper cable wrapped around their bodies. They were arrested by the Hawks’ Serious Organised Crime Investigation and charged with tempering with essential infrastructure, theft of copper cable, trespassing and contravention of the

immigration act.

Last week they were each sentenced to five years direct imprisonment. Four accused - except for Mbeki - were additionally sentenced to twelve months imprisonment for contravention of the immigration act.

They were further all declared unfit to possess firearms.

The Provincial Head for the Directorate for Priority Crime Investigation- Major General Patrick Mbotho lauded the work of all role players, including the National Prosecuting Authority for ensuring that those who damage the country’s essential infrastructure, face the full might of the law.

## Invitation to council meeting

**BONUS - RUSTENBURG -** The public is invited to an ordinary council meeting of the Rustenburg Local Municipality this Wednesday (30 May) The meeting will start at 10:00 and will be held at the Rustenburg Civic Centre. Please note: The meeting will also be streamed live on RLM’s Facebook page for public viewing.

# BEWARE: Generators can be deadly

**BONUS - RUSTENBURG - With Eskom increasing loadshedding constantly, many households, as well as businesses are relying on generators to keep the lights on.**

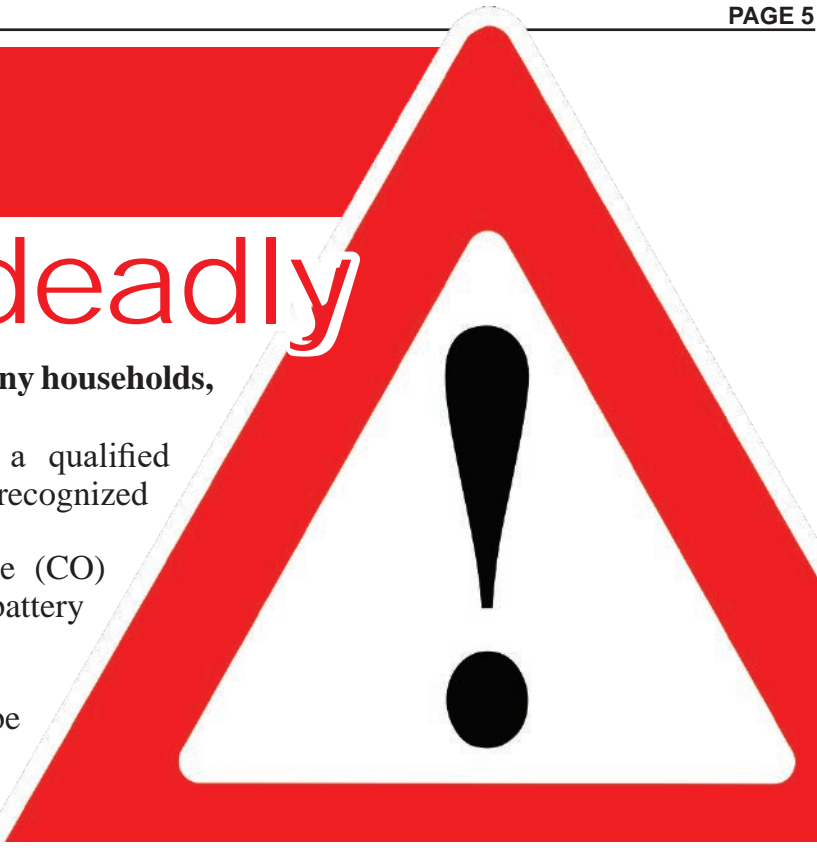

It's very important that safety measures should be a top priority as generators are the cause of injuries, as well as fatalities. Research indicates that 67% of generator-related fatalities occurred when a generator was placed in the living area of the home. 26% of fatalities occurred when a generator was used inside an attached garage or work shed.

Research also found that the majority - around 80% - of Carbon Monoxide (CO) deaths were associated with generators.

### TIPS FOR THE PROPER INSTALLATION AND USE OF GENERATORS:

- Never operate a generator **INSIDE** your home or in other enclosed or partially-enclosed spaces, including garages.
- A generator is a temporary power source and should never be used as a permanent solution.
- Never connect generators directly to household wiring without first installing a transfer switch. This prevents backfeeding which could be deadly.
- Make sure your generator is properly grounded and used with a Ground Fault Circuit Interrupter (GFCI).
- Use only extension cords that have a three-pronged plug and are rated for the intended load.

- Your generator should be installed by a qualified electrician and bear the mark of a nationally recognized testing laboratory (SABS).
- Install battery-operated Carbon Monoxide (CO) alarms or plug-in CO alarms with a battery backup.
- Do not overload the generator.
- It is recommended that generators be positioned **at least 6 metres** from doors, windows, and vents to prevent Carbon Monoxide from entering the premises.

## 10 YEARS OF CREATING SHARED VALUE IN COMMUNITIES

This year Sibanye-Stillwater celebrates a milestone of significant growth, diversification, and shared value for all stakeholders, including communities. 2023 marks its 10<sup>th</sup> anniversary, celebrating a journey that has seen the Group grow into a multinational mining and metals processing Group with a diverse portfolio of projects and investments across five continents. This decade-long journey represents impactful value creation not exclusively for investors but also for all other stakeholders.

### EDUCATION

Our contribution to education facilitates access to teaching and contributes to skills development to enable the youth to unleash their potential and contribute meaningfully to society. Our interventions include:

- |                                |                    |
|--------------------------------|--------------------|
| • Construction of schools      | • Teacher Training |
| • Maths and Science Programme  | • Portable skills  |
| • Wi-Fi in schools             | • School kitchens  |
| • Sports kits for sports teams | • Bursaries        |

### HEALTH AND WELLBEING

Our commitment to health and wellbeing goes beyond the workplace and we continue to work with the government and local stakeholders to contribute to quality health care through:

- Construction of clinics
- Provision of ambulances and mobile clinics

### ENABLING SOCIETY

We have been collaborating with the government on critical infrastructure such as roads, water infrastructure, street lighting, and waste management.

We have also contributed to skills development aimed at growing the local economies through the development of small-scale and medium enterprises. Our intention to integrate local suppliers into our value chain is premised on our quest for meaningful inclusion.

We have supported micro businesses which include backyard gardens, piggeries, sewing and honey

production. We are now working with stakeholders to develop alternative economic streams that will exist alongside mining and can continue long after the end of life of our mining operations.

We believe that mining can continue to add value and as a Group we recognise the role that we all need to play in creating and sharing value for the benefit of all stakeholders and the communities in which we operate.

**BONUS - RUSTENBURG** - Last year's inaugural United Rugby Championship final saw the Stormers and the Bulls doing battle for the title.

This year the Stormers once again made it to the final, but this time around they will have to face the Irish lads from Munster.

The match, in Cape Town, will kick off at 18:30 on Saturday (27 May).

The tickets for the game sold out in less than three hours and Saturday will see the 55 000 fan capacity stadium filled to the rafters.

Stormers head coach John Dobson says his team is “fired up” to make full use of their home-ground advantage.

The Stormers beat Connacht to earn their place in the final - and the right to host the decider at the DHL Stadium.

Dobson predicted that Saturday's match will be a physical, tough game.

“But having thousands of blue jerseys and Stormers flags waving in the crowd, definitely puts that little bit extra in the tank to go out and get Cape Town smiling for one last time this season!” Dobson said.
