## Mark staan sterk in die wind

**Klerksdorp Midweek,**  
**Klerksdorp** - Die Pick n Pay Mark het die afgelopen naweek plaasgevind en daar is behoorlik gesnuffel, gekoop en gesmul.

## This week's load-shedding

**Klerksdorp Midweek, Klerksdorp** - Stage 2 and stage 4 load-shedding will be implemented this week.

Eskom said in a statement on Sunday July 30 that stage 2 load-shedding will be implemented during the day (05:00 until 16:00) with stage 4 in the evenings (16:00 until 05:00).

This pattern will be implemented daily until further notice. Eskom will publish another update should any significant changes occur.

Breakdowns have reduced to 15 798MW of generating capacity while the generating capacity out of service for planned maintenance is 3 099MW.

Over the past 24 hours, a generating unit each at Grootvlei, Kendal, Kriel, Majuba and Medupi power

stations was returned to service.

The delay in returning to service a generating unit at Kendal and two generating units at Tutuka power stations is contributing to the current capacity constraints.

Eskom teams are working tirelessly to return these generating units to service.

"We appeal to the members of the public to assist in reducing demand by switching off non-essential appliances. We would like to thank those who do heed the call to use electricity sparingly and efficiently, including switching off geysers and pool pumps from **17:00 to 21:00**, as this lowers demand and helps in alleviating the pressure on the power system and contributes to lower stages of load-shedding."

## OUTLANDER

# Outlander is back

Outlander, the historical drama based on Diana Gabaldon's ongoing book series, is back for a seventh series. It will debut on M-Net at 22:00 on Tuesday August 8.

Scotland will again be the home as the Frasers and MacKenzies try to make a home against the backdrop of the Revolutionary War. This season promises more adventure, time travel and emotional peril than any season before.

Series 6 was based on *A Breath of Snow and Ashes*, and series 7 will follow its original material *An Echo in the Bone*. Those who read the series know that Jamie and Claire must draw battle lines as the time-traveling couple keeps one foot in America and one foot in Scotland.

Meanwhile, their daughter Brianna (Sophie Skelton) and her husband Roger (Richard Rankin) return to the twentieth century in Lallybroch,

but they get their own visitor from the past, William Buckleigh MacKenzie (Graham McTavish), the secret son of Dougal MacKenzie and Geillis Duncan and also Roger's ancestor who attempted to hang him.

As Jamie and Claire's saga continues through the Revolutionary War, they will cross paths with historical figures like Benjamin Franklin and Benedict Arnold.

A familiar character will rejoin the ranks. Charles Vandervaart is playing the role of William Ransom, who is Jamie's secret son. Remember him from series 4? Though just a child then, a now adult William finds himself in Wilmington joining the British Army to extinguish conflict in the American colonies.

When William's mother Geneva Dunsany and his supposed father, Ludovic Ransom, died, Lord John Grey (David Berry) and his wife Isobel, who was Geneva's sister, took him in. He's completely unaware of his true bloodline, which adds another layer of drama. On the surface, William is a charismatic aristocrat but with an underlying streak of his inherited Highlander fire.

## OPVOEDING

# My kleuter byt! Hoe moet ek dit hantereer?

### Klerksdorp Midweek, Klerksdorp -

Die vroeë kinderontwikkelingspesialis en eienaar van Oasis Club Learning, Yolandi van den Heever-Breytenbach, het Afrikaans.com se kleuterkurrikulum help ontwikkel op die leerhulpblad.

Sy gee raad oor wat ouers te doen staan as hulle kleuter byt.

#### As jou kind byt, wys dit op iets wat fout is by die huis?

□ As ouer wil mens dadelik die vinger na jouself wys en die blaam vierkantig op jou eie skouers laai. Dit is egter nie nodig nie, want glo dit of nie, dit is normaal en dikwels die kleuter se manier van kommunikeer. Nietemin, 'n mens kan dit ook nie net aanhou ignoreer nie en daarom is dit nodig om die saak reg te benader en te hantereer.

□ Mens hoor soveel verskillende opinies en oplossings vir hierdie probleem, na wie luister ek?

□ Daar is deesdae kenners vir elke ding. Dit kan nuwe (en gesoute) ouers oorweldig. Jy hoef nie altyd almal se raad in jou huis toe te pas nie. Oorweeg die volgende en besluit dan wat om te probeer, wat om gedeeltelik toe te pas en wat om liefs te ignoreer:

□ Stem die raad ooreen met my eie oortuigings rondom kinders grootmaak.

□ Stem die raad ooreen met wat ek van my kleuter weet en wat ek weet in my huis werk.

□ Wie is die persoon wat die raad gee? (Hoe lyk hulle eie agtergrond en benadering tot kinders?)

#### Wat is moontlike oorsake van byt in kleuters en peuters?

□ Frustrasie

□ Die kleuter wil kommunikeer, maar taalvaardighede is nog nie bemeester nie. Dit veroorsaak frustrasie.

□ Te min lyflike aktiwiteite - veral waar verwag word dat kleuters heeldag agter boekies moet stilsit. Maak seker jou kleuter is besig genoeg!

□ Skeep die omgewing.

□ Verandering in omstandighede - ons het dikwels soveel grasier vir volwassenes, maar vergeet dat ons kleuters en peuters ook geregtig is op 'n afdag.

□ Verkenning van nuwe dinge - soos speelgoed.

□ Tande kry. Dit is fisiologiese ontwikkeling en het niks met emosionele oorsake uit te waai nie.

□ Opgewondenheid.

□ Sensoriese oorstimsulasie. Te veel lawaai, te veel skermtyd, te lank in die kar, draai te lank op die telefoon (mamma). Onthou dat temporaliteit nog nie ontwikkel is nie.

#### Moontlike strategieë wat toegepas kan word

□ Trek die kleuter se aandag af.

□ Probeer raaksien watter situasies die kind laat oorgaan tot byt en bestuur dit voor die tyd. Beperk die vier uur lange inkopietog totdat jou man jou kleuter kan oppas.

□ Maak seker daar is voorsiening gemaak vir fisiologiese behoeftes. Bv 'n tandering en pynstropie vir seer tandvleise.

□ Tree ferm op wanneer so 'n incident plaasvind. Moet asseblief nie lag of iets dergelik nie. Dis dalk die eerste maal snaaks as jou kleuter jou byt soos 'n piranha. Dis nie die 10e maal steeds snaaks nie.

□ Pas op om straf uit te deel, maar aanvaar ook dat jou kleuter nie die Engel Gabriël is nie. Dit is belangrik dat ouers nie slegs die beste van hulle bloedjies glo en so keer dat hulle kinders kan groei nie.

□ Werk SAAM met die skooltjie en jufrou. Hulle is darem in die meeste gevalle nie daarop uit om op jou tweearige te pik nie. Wanneer die ouers en die skool in dieselfde span is, kan dit NET voordelig wees vir die kind.

□ Beperk aktiwiteite wat kan lei tot frustrasie - veral oormatige skermtyd wat tot frustrasie kan lei. Die kleuter is gemaak om te klim, klouter en aktief deel te neem aan die wêreld. Om vasgenael voor 'n skerm te sit, is 'n baie onnatuurlike ding vir ons klein maats.

□ Neem jou kleuter se gemoedstemming in ag en toon begrip daarvoor. Dis egter nie nodig dat jou kleuter die huis regeer nie.

□ Kleuters het beperkte moraliteit en reageer nog nie uit 'n verstaan (begrip) van goed en sleg nie. Die kleuter hou egter van die beloning wat gepaard gaan met "goeie" gedrag. Moet dus nie van jou kleuter verwag om uit hulle eie te weet dat byt verkeerd is nie.

□ Indien jy as ouer vermoed dat die bytery 'n ander oorsaak het, en geen strategie werk nie, kan 'n arbeidsterapeut of speltherapeut se hulp ingeroep word.

□ As jy nog soortgelyke artikels wil lees of net wil gaan loer na die magdom gratis leerhulpsonne op Afrikaans.com.

## LEGAL CORNER

# How to stop someone on social media

**Klerksdorp Midweek, Klerksdorp** - As people's lives move increasingly online, more and more will be subjected to the distress and damage of online attacks. Whether they are aimed at hurting you personally or at harming your businesses, they can take a substantial toll both materially and psychologically.

What can you do if you (or your business) falls victim? The good news is that in appropriate cases our courts will come to your rescue robustly and with speed, as evidenced by a recent High Court decision.

*Law firm Meyer, Van Sittert and Kropman has the answer...*

They write: As a victim of any defamation you have a choice of legal weapons available to you. A claim for damages can be highly effective but it is, as the Court put it, a backward-looking remedy essentially suitable for redressing past defamation. Where on the other hand you are being subjected to, or fear being subjected to, ongoing defamatory attacks, ask your lawyer about applying urgently for an interdict. As in the case we discuss below, it can provide powerful, quick and effective protection. You could also try laying a criminal charge of *crimen injuria* (criminal impairment of another's dignity) but perhaps don't hold your breath on that one. A property developer's reputation vindicated, and an extortion attempt punished

• A company undertaking a large property development employed a roofing

contractor which, after a fall out, started publishing defamatory statements about the developer on a local WhatsApp group and Facebook.

• Amongst other things the posts accused the developer of acting unlawfully for financial gain, creating a potentially life-threatening situation, dishonesty, not carrying out necessary remedial actions, defrauding the Municipality, exploiting elderly clients, selling un-inspected and potentially dangerous homes, not following proper safety standards – the list goes on.

• The Court found no truth at all in any of these allegations and rejected for lack of proof the roofing contractor's defence of "truth and the public benefit".

• Particularly damningly perhaps, it held that the contractor had tried to extort payment of its outstanding invoices in return for its silence.

• The Court accordingly interdicted the contractor from continuing with the defamatory posts (online or otherwise), directed it to publish a copy of the court order on the online channels in question, and ordered it to pay legal costs on the punitive attorney and client scale.

The end result, which is a vindication of the developer's position and an expensive lesson in the law for the roofing contractor, will give much heart to other victims of this sort of harassment. Bottom line for victims - don't take social media defamation lying down!
