Stad se boekfees lok topkrywers

Klerksdorp Midweek, Klerksdorp
- Die aap is uit die mou en die kat is uit die sak. Klerksdorp se jaarlikse boekfees spog met 'n nuwe baadjie.

Na drie uiters suksesvolle boekfeeste wat sedert 2020 by Shack to Sanctuary aangebied is, skuif die boekfees vanjaar na 'n nuwe bestemming, want die fees bars uit sy nate. Verdant Kwekery in Ianstraat is 'n gewilde bymekaar-kom-plek met genoeg plek om te kuier, luister, lees, eet en drink.

Die Klerksdorp Boekefees word op 3 en 4 November gehou. Vanjaar kuier skrywers soos Marita van der Vyver, Dana Snyman, Madelein Rust en Leon van Nierop saam om oor hul jongste topverkopers te gesels. Buiten vir al die stories en gesels, kan besoekers uitsien

na 'n heerlike dag onder die koeltebome by Verdant met kosstalletjies, 'n kontantkroeg, en 'n wynlandgoed of twee stalletjies.

Die beste van alles is dat toegang tot die boekfees gratis is, behalwe vir die ete Vrydagaand waar Dana Snyman sy nuwe boek *Die Binneland In* bekendstel. Slegs 60 kaartjies is beskikbaar en moet vooraf bespreek en betaal word.

Die Saterdag het 'n vol program wat tot 17:00 sal duur waarna 'n aandmerk met ligte musiek die boekfees sal afsluit. Hou die pers dop vir meer info.

Dana Snyman se nuwe bundel kortverhalde, *Die Binneland In*, word by die Klerksdorpse Boekefees bekendgestel.

NUUT OP DIE RAK

Laaste Kans

deur Marita van der Vyver (Tafelberg)

'n Groep vriende kom die eerste keer in 25 jaar bymekaar om Adriaan se verjaardag te vier. Een vir een maak die gaste hul opwagting by Adriaan en Yvette se strandhuis aan die Weskus. Sommige bring hul kinders en die uitbundige gelag van kleinkinders saam. Sedert hulle mekaar laas gesien het, moes party van lewensmaats en drome afskeid neem; ander het nuwe liefde en betekenis gevind.

En dan is daar Yvette wat haarself nie sover kan kry om vir almal van háár reis te vertel nie. Laaste kans is 'n roman oor vriendskap wat die tyd deurstaan het. Marita van der Vyver skryf met haar kenmerkende insig en humor oor ontheemde mense, die komplekse verhouding tussen ouer en kind, en die eise wat die tyd aan menswees stel.

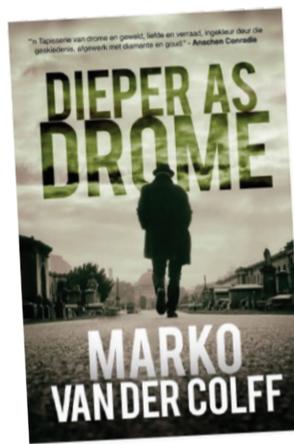

Dieper as Drome

deur Marko van der Colff (Boekdiva Uitgewers)

Marcus Moore, half-Iers, roep sy armoedige ouerhuis in Skotland vaarwel toe ná 'n gewelddadige voorval. Sy oë is vol blink klippies en hy klim op 'n skip na Suid-Afrika. Sy droombestemming is die diggings in Kimberley en later die woelige Goudstad. Hy is nie alleen nie: die myne wemel van dromers. Hy leer legendariese fortuinsoekers, swendelaars en selfgemaakte magnate soos Barney Barnato, ken. Hy skuur ook skouers met historiese figure soos Olive Schreiner, Cecil John Rhodes en Paul Kruger. Dieper as drome handel oor 'n fassinerende tyd in ons geskiedenis en die verhoog is

wyd - dit wemel van aksie en drama. Oor alles val die skadu van die Empaaiër. Daar is ook 'n tydlose liefdesverhaal aan die hart van hierdie roman. Dit is goed nagevorsde, lekkerleesfiksie in die tradisie van Lerina Erasmus en Wilbur Smith, oor 'n tyd toe edelstene dieper as drome gelê het.

City monitors prepaid meters

Klerksdorp Midweek, Klerksdorp - Consumers that tamper with electricity and water meters can expect huge fines if they are caught.

As part of the Matlosana Municipality's Operation Patala to encourage consumers to pay for municipal services, the municipality is investigating households for tampered meters. "We've noticed some households not purchasing electricity but using high-consuming equipment at peak hours. We are urging residents to speak up about neighbours bypassing pre-paid meters as this makes them suffer electricity interruptions that can be avoided,"

said Ntswaki Makgetha, municipal spokesperson. The municipality pleads with consumers to pay their municipal accounts and is advising residents who are in arrears to visit municipal offices and make payment arrangements.

"Consumers are urged to work with the municipality by reporting and refusing to form part of petty crimes at the expense of the community. Should the municipality find that a household is tampering with electricity and water meters, they will immediately disconnect the entire tampered system."

SANBS needs your blood

Klerksdorp Midweek, Klerksdorp - SANBS is going all out to collect blood before the October school holiday.

They will have a blood donor clinic on September 21 at the Laerskool Goudkop Family Week.

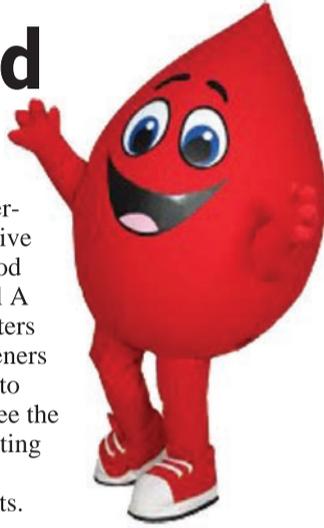

The primary school will be having a family week where they will be raising funds for PA Theron Primary in Stilfontein.

SANBS will also be part of the stakeholders assisting Goudkop to reach their goal by inviting donors to come and

donate blood on the day, with a target of 150 units to reach.

On Saturday September 30, Overvaal Stereo will be broadcasting live from the donor centre at Flamwood Walk. SANBS will be doing "Jail A Bird", whereby one of the presenters will be "jailed" and the radio listeners would then be the ones that need to present at the Donor Centre, to free the jailed presenter as a form of donating blood.

The target for the day is 200 units.

Don't miss the Tshiamiso Trust in Orkney

Klerksdorp Midweek, Orkney

The Tshiamiso Trust is inviting all claimants in and around Orkney who have been waiting for Benefit Medical Examinations (BME) to contact them for a booking. The Trust is unable to get hold of some mineworkers as they are not contactable on the numbers initially provided when lodging their claims.

Mineworkers who meet the criteria below but have not yet lodged a claim with the Trust should make contact urgently to see if they are eligible to lodge so that they can be assisted: **If an ex-mineworker or mineworker has:**

- Done risk work at a gold mine between March 12 1965 and December 10 2019 AND

- Has been diagnosed with silicosis OR

- Has permanent lung damage from work-related TB that he/she contracted while working at a qualifying mine or within a year of leaving the mine.

People who have not lodged a claim at TEBA must do so as soon as possible before September 29.

If an ex-mineworker in your family meets the criteria but has passed away, you may be eligible to lodge a claim on their behalf.

The Tshiamiso Trust would like to remind claimants of the following:

- To claim is FREE. You do not need to pay anyone to help you to submit a claim.

- ONLY the Trust can process claims and will know if a claimant is due compensation.

- The claims process takes time and you will need to be patient. If anyone says that they can help you speed up the process, it is most likely a scam.

- There are strict requirements for eligibility and medical certification.

Contact the Tshiamiso Trust on the toll-free number 080 1000 240 as soon as possible.

Embracing Heart Health: September's Vital Mission to Raise Awareness and Save Lives

As September unfolds, so does an important focus on heart health, with the National Department of Health in South Africa designating it as Heart Awareness Month. This initiative aims to illuminate the significance of heart health and cardiovascular disease prevention.

Understanding the signs of cardiovascular and heart disease is paramount. Common symptoms include chest pain, shortness of breath, palpitations, and dizziness. Heart Awareness Month encourages individuals to be vigilant about their health and consult a medical professional if they experience any concerning symptoms. In our South African context, risk factors contributing to heart disease are multifaceted. These include hypertension, high cholesterol, obesity, diabetes, smoking, and a sedentary lifestyle. According to Heart and Stroke Foundation cardiovascular disease remains a leading cause of death in South Africa. With an estimated 225 cardiovascular deaths per day, the urgency to address heart health becomes evident.

Heart Awareness Month serves as a platform to advocate for individuals to embrace heart-healthy lifestyles. Encourage regular exercise, balanced diets, quitting smoking, stress management, and regular health screenings. Together, we can reduce the impact of heart disease in South Africa and pave the way for healthier, happier lives. In the spirit of Heart Awareness Month, let's unite in spreading knowledge, fostering prevention, and safeguarding heart health.

Skuif reg vir Taktiek

Van Afrikaans se snaaksste komediante en akteurs is van Maandag 2 Oktober om 20:00 te sien in 'n splinternuwe komediereeks op kykNET op DStv. *Taktiek* spog met, onder andere, Bennie Fourie, Schalk Bezuidenhout, Marion Holm, Mandri Sutherland en Keeno-Lee Hector in die rolverdeling. *Taktiek* is vervaardig deur Nagvlug Films wat ook vir die trefreerreeks *Hotel* ver-

antwoordelik was. *Hotel* het deur die jare verskeie

SAFTA-toekennings gewen en is vanjaar vir 'n merkwaar-

dige dertien toekennings benoem.

Iewers in Suid-Afrika is daar 'n dorpie genaamd Schusterton. En soos enige ander dorpie in die land, het Schusterton 'n sekuriteitsmaatskappy wat na die veiligheid van die inwoners omsien. Daar is net twee probleme. Eerstens is Schusterton die veiligste dorpie in die land waar daar min tot niks aangaan nie. Tweedens is die grootbaas tronk toe gestuur vir allerlei ongerymdhede en is die sekuriteitsmaatskappy, *Taktiek*, nou in die hande van sy dogter.

"Die idee het gekom van 'n behoefte om 'n *cop show* te maak," sê Bennie Fourie, wat nie net die rol van Goose speel nie, maar ook een van die skrywers en regisseurs is. "In Suid-Afrika is daar egter reëls en regulasies oor hoe die polisie weergegee word en die naaste wat ons toe kon kom, is 'n sekuriteitsmaatskappy, maar hierdie een is die veiligste dorpie in die land. Dit het ons baie ruimte gegee om te speel."

Dieselfde span skrywers wat vir *Hotel* verantwoordelik was, het ook *Taktiek* geskryf. "Saam met my was Ryan Metcalfe, wat al die pad van Australië help skryf het, Beer Adriaanse, ook die mede-regisseur van *Taktiek*, en Stiaan Smith, wat gehelp het met die konsep en ook een episode geskryf het. Ons het sowat 'n jaar aan die reeks geskryf, en ons het so 'n noue band dat dit regtig lekker was."

Hoekom Schusterton?

"Toe ons op die naam van ons fik-

tiewe dorpie moes besluit, het ons gedink om so 'n klein huldeblyk aan Leon Schuster te bring omdat hy vir almal van ons 'n komedie-held was toe ons jonk was," verduidelik Bennie.

Wie is wie in die reeks? Bennie is Goose. Sy familie het na Nieu-Seeland geëmigreer, maar hy het gebly om die land veiliger te maak sodat hulle kan terugkom. Hy is bang vir niks nie, behalwe vir emosie.

Schalk Bezuidenhout is Attie, en Mandri Sutherland is sy tweeling-suster, Mignon. Attie doen IT by *Taktiek*, maar het drome om 'n sekuriteitsweg te word, en Mignon hanteer al die oproepe. As sy dit net 'n bietjie vinniger kon doen ...

Deon Lotz is Jorrie, die skelm sake-man wat tjoeke toe gestuur word, en Marion Holm is Karen, sy eksvrou met 'n onbetaamlike liefde vir geld. Hulle dogter is Lise, gespeel deur Leché Joubert, wat deur haar skatryk verloofde Arend (Ludwig Binge) verlaat word omdat hy nie kans sien vir haar familie se skandes nie.

Keeno-Lee Hector is Willy Brown, Goose se beste vriend en ook 'n sekuriteitsweg. Hy is verlief op Bronwyn (Melissa de Vries) wat by die plaaslike kroeg werk. James Borthwick is te sien as Venter, 'n knorrige oorlogsveteraan wat al lankal moes aftree, maar as sekuriteitsweg werk om die pot aan die kook te hou.

Ander spelers wat in gasrolle te sien is, sluit in Donnalee Roberts, Leandie du Randt, Devonecia Swartz, Antoinette Kellermann en André Weideman.

Keep Sesotho alive

Klerksdorp Midweek, Klerksdorp - Two

local authors were invited by the Head of African languages at the University of NW Vanderbijlpark campus, to share their aspirations in preserving of the African language Sesotho.

Alexis Majoro, a highly informed teacher who has done research on the origin of Sesotho language, was given a chance to share his thoughts about mind decolonization while preserving and protecting our African language.

According to his research, Sesotho was first written in the late 1800 after the arrival of French missionaries. He further informed his audience that in progressive countries, children are taught in their mother tongue, as the language of teaching and learning in schools.

Puseletso Meshack Mapane shared broadly with his experience of writing different genres in Sesotho. He explained

possibilities of protecting and preserving languages by mere reading, talking and writing.

He wrote and published two novels, *Thootse ya Makholokoe* and *Mejametalana* where Sesotho tradition and customs are practiced and kept.

He went at length by explaining the importance of fairytales that were told to children. He has written and published one of the

kind titled *Dishonor tsar no-no Mogul*. He explained how those stories contributed to norms and values till today.

He further encouraged all budding writers to continue to write in African languages as the way to preserve and to protect them.

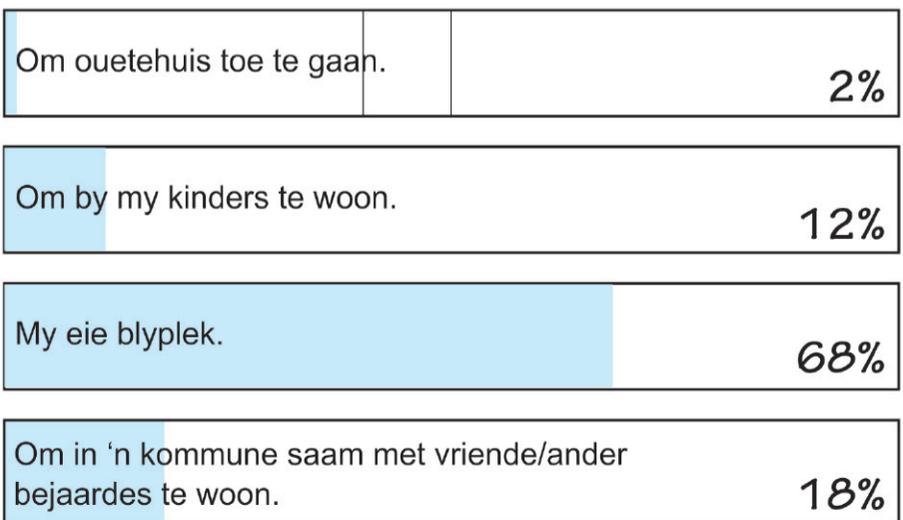

'Our languages reflect who we are, where we come from, and where we are going,' he said.

Let's preserve and protect African languages as part of our heritage.

NUUS VAN AARDKLOP

Drie van die bestes op verhoog

Klerksdorp Midweek, Potchefstroom - Daar is min dae oor voor Aardklop en 'n topverkoper is die konsert van Drie van die bestes.

Dit is 'n samekoms van drie kunstenaars, met drie uiteenlopende stemme en drie persoonlikhede – in een produksie op die verhoog.

As solokunstenaars is elkeen in 'n klas van sy eie en elkeen 'n ster in eie reg: Germandt Geldenhuys, bekend as akteur en vir sy kragtige tenoorstem, Mathys Roets met die rustige, fluweelstem en Danie Niehaus as bekroonde en veelsydige kunstenaar en liedjieskrywer.

Ondanks elkeen se uiteenlopende musiekstyl, van pop tot ballades en ligte klassieke musiek, is dit veral hul a cappella-sang en samesang wat hulle 'n gedugte kombinasie maak. Saam sorg hulle vir 'n ongelooflike musikale reis.

Mathys Roets vertel hoekom hy dink hierdie resepsie so goed werk: "Ek dink dis die eerlikheid. Ons speel net waarvan ons hou. Ons probeer nie iets aan die gehoor verkoop wat

ons dink populêr sal wees nie. Ons kan iets eenvoudig soos Bobbejaan klim die berg in stemme doen of ou universiteitstreffers sing en die gehoor reageer elke keer. Die uniekheid in kombinasie van stemme en hoe ons mekaar kan volg op die verhoog, is wat die produksie laat werk."

Germandt Geldenhuys is die nuutste lid van dié ensemble en is baie opgewonde oor die geleentheid om saam met Mathys Roets en Danie Niehaus te kan werk:

"Dit was een van die grootste seëninge wat oor my pad gekom het. Ons drie maak so lekker musiek saam op die verhoog, maar kom ook baie goed oor die weg van die verhoog af. Ek leer só baie by hulle - Danie en Mathys het dekades se ervaring in die musiekbedryf en op verhoog, maar op die ouend van die dag is ons net drie "like-minded" mense wat saam musiek maak."

Die vertonings vind in die Totiussaal plaas op 4 Oktober (19:30) en 5 Oktober (13:00). Die kaartjies kos R200, R180 (Aardklop Hartsvriende, Pensioenarisse). Kry jou kaartjies by www.ticketpros.co.za.

LEGAL CORNER

New law for trusts and tax

Klerksdorp Midweek, Klerksdorp - With tax return season in full swing, trustees should note additional requirements for filing tax returns with the South African Revenue Services

With the Anti-Money Laundering and Combating Terrorism Financing Amendment Act coming into full effect on April 1 this year, SARS has updated its online income tax return system to enable them to intensify the verification of information submitted during tax return season.

Trustees should note that a trust is regarded as a person in terms of the Income Tax Act and that it is the trustee's responsibility to ensure that the trust, whether active or dormant, is registered for income tax purposes.

With the updates to the income tax return system, SARS implemented a Beneficial Ownership Declaration that now requires that the beneficial ownership information of all trustees, named beneficiaries and anyone who may gain financially from the Trust be reported. This information will be verified by SARS.

The question that may arise is how SARS will be able to verify this information. The answer is simple, SARS is one of the authorized entities and has access to the Master's portal which enables SARS to verify the beneficial ownership information of all relevant trustees and named beneficiaries. It is, therefore, vitally important that the beneficial ownership information submitted to the Mas-

ter matches the information disclosed to SARS.

The income tax return system now requires that supporting documentation for the trust tax returns must be uploaded. This information includes the trust deed, letters of authority, the minutes of the meetings and the resolutions reached by the trustees as well as the annual financial statements of the trust.

SARS will provide an annual notice to all trusts to lodge and submit their returns within the specified timeframe stipulated. This means that all trustees of the Trust must comply with the notice and it may not suffice to merely rely on the accountant or auditor to ensure that the Trust is compliant in all respects.

SARS places the responsibility squarely on all trustees to ensure that the trust's returns have been submitted and that the beneficial ownership information has been correctly uploaded and disclosed, whether or not, an accountant or auditor was involved.

With the clock on tax returns for trusts running it is vital that all relevant parties to whom the Amendment Act applies ensure that the Trusts are compliant with the SARS and the Master.

If you feel uncertain about how to address these new requirements of the Amendment Act, contact a fiduciary specialist or your accountant to ensure you comply with these new SARS filing requirements.
