Wonderbaba Cindy word 40

Op 30 Augustus 1983 is Sidney en Christina Stevens van Vryburg se wonderbaba, Cindy gebore. Met haar geboorte het sy 12 tone en vingertjies wat aanmekeer gegroei was, gehad en is deur 'n plaaslike dokter na die Rooikruis Hospitaal in die Kaap vir operasies gestuur. Christina vertel dat hulle destyds deur 'n baie moeilike tyd gegaan het, maar dat hulle na 40 jaar dankbaar is vir hulle dogter se goeie gesondheid en genade. Cindy het onlangs haar 40ste verjaarsdag saam met ouers Sidney en Christina, geliefde familie, twee broers, suster en vriende gevier. (Foto: verskaf)

New libraries handed over to rural areas

STELLALANDER-VRYBURG: As part of one of her department's mandate to promote the culture of reading, writing and learning, MEC for Arts, Culture, Sports and Recreation (ACSR) Kenetswe Mosenogi handed over two new libraries on Wednesday, 13 September to communities of Kagisano Molopo Local Municipality at Dr Ruth Segomotsi Mompoti community library at Raditshane secondary school in Tlapeng and Southey Community Library in Kagisano Molopo Local Municipality.

The two Libraries are equipped with books, toy library equipment for visually impaired readers, including WIFI for swift access to internet to assist users and students doing research as well as necessary electronic security systems. The libraries are designed to meet the various information needs of community from toddlers to adults who require sitting and studying. The library service is made possible by the partnership between the North West Department of Arts, Culture, Sports and Recreation (ACSR), National Department of Sport, Arts and Culture (DSAC) together with Local Municipalities. Raditshane Secondary is the school that Dr Ruth Segomotsi Mompoti once attended and they were gracious enough to allocate a site for the Department to erect a modular library for the community to use. The Department encourages a culture of reading and writing in our communities as a lasting legacy in the formally disadvantaged communities. Furthermore, the Department in partnership with Ruth Segomotsi Mompoti Foundation will host the annual pilgrimage on 14 September in remembrance of the late stalwart icon Mama Ruth by visiting her gravesite and laying wreaths as it is her birth date.

Kerkreünie dié naweek

STELLALANDER-VRYBURG: Dié naweek - 22 en 23 September - hou die ou Wes-Transvaaldistrik van die AGS van SA hulle reünie by Vryburg AGS Lighuis.

Die ou distrik het bestaan uit gemeentes van Vryburg, Mahikeng, Klerksdorp, Potchefstroom, Parys, Bloemhof, Kroonstad, Hartswater en Schweizer-Reneke wat met kerkeewording in 1994 streke geword het.

Tydens die reünie gaan mense van oral byeenkom om hul stories te vertel van bykans 40 jaar gelede en waar hul tans is. Die program skop af met 'n samesyn die Vrydagaand waar daar om die kampvuur gekuier gaan word terwyl staaltjies vertel word.

Die Saterdag gaan hulle in die strate van Vryburg evangeliseer met 'n geskiedkundige sangfees wat die aand gehou word.

Verskeie jeugkore gaan die aand met liedere van 1980 tot 1994 by AGS Lighuis in Vryburg optree.

Die Sondagoggend is die hoogtepunt met die erediens wat gepaardgaan met lofsang, aanbidding en Woordbediening. Die verering van al die kerk se vorige leiers en jeugaksie lede van 1980 to 1994 gaan ook geskied.

Hernu jou lisensie betyds

STELLALANDER-VRYBURG: Met meer as 'n miljoen motorlisensies wat hierdie maand sal verval, herinner die Padverkeersbestuurskorporasie (RTMC) motorvoertuigeienaars om proaktiewe stappe te neem om lisensies te hernu en boetes te vermy.

Die RTMC stuur 'n e-pos en SMS-aanmanings uit aan eienaars wie se motorlisensies elke maand verval. Voertuigeienaars word aangemoedig om hul e-pos en telefoon kontakbesonderhede by online.natis.gov.za op te dateer om die aanmanings te ontvang. "Eienaars kan op dieselfde webtuiste hernu en hul motorvoertuig lisensies word binne drie tot vyf dae afgelewer. "Talle verlengings aan die motorvoertuiglisensie vervaldatum wat tydens die Covid 19 tydperk toegestaan is, het gelei tot 'n aantal hoogtepunt hernuwings wat binne die maande Augustus, September, Oktober, November en Desember val. Gevolglik verval altesaam 1 049 412 motorlisensies in September en moet teen die einde van die maand hernu word. "Daar is egter 'n 21-dae grasietydperk na die vervaldatum om te hernu sonder bykomende koste. Daarna sal agterstallige skuld en boetes vir laat hernuwing gehef word," het Simon Zwane gesê: Hoofkommunikasiebeampte. Om voertuigeienaars te help, stuur die RTMC e-posherinnerings met MVL1-vorms uit. Om toue en tydmors te vermy, kan eienaars die vorm aanlyn voltooi en die nodige betaling in die gerief van hul huise maak. 'n Nuwe motorvoertuiglisensie sal dan per koerier gestuur word binne drie tot vyf dae. Om voordeel te trek uit hierdie gerieflike en koste-effektiewe metode van hernuwing word voertuigeienaars aangemoedig om hul profiele op online.natis.gov.za in vyf maklike stappe teregistreer. Diegene wat reeds geregistreer het kan aanmeld en die hernuwing in minder as 10 minute finaliseer.

Herwinningsbesigheid verwoes in brand

STELLALANDER-VRYBURG: 'n Brand wat Maandag, 18 September omtreks 11:00 by 'n herwinningsbesigheid in Vryburg Industriële-gebied begin het, het dit in puin gelaat.

Die besigheid van Christo Kraft in Meulstraat, bestaan reeds 25 jaar. Nou is sewe werknemers werkloos nadat die onderneming heeltemal afgebrand het. Die brand het glo begin nadat 'n vuur wat op die sypaadjie gemaak is, na die gebou gespring het. Twee drukmasjiene ter waarde van miljoene rande is deur die brand verwoes, asook al die herwinbare materiaal wat op die erf gestoor was. Die brand het tot na middernag gewoed en die volgende oggend weer opgevlam. Christo vertel dat die gebou platgeval het en dat alles binne die gebou uitgebrand. Volgens Christo was die brandweer vinnig op die toneel en bedank die brandweer almal wat behulpsaam was met water en drinkgoed en privaat persone met vuurvegters wat probeer het om die vuur te blus. Christo bedank ook die persone wat 'n TLB gestuur om die herwinbare materiaal oop te stoot om nat te spuit.

Accused linked to six cases abandons bail

STELLALANDER-VRYBURG: Deflin Julies Visser (21) who was successfully linked with six cases of burglaries and robberies, abandoned bail application when he made a second appearance before the Vryburg Magistrates' Court on Friday, 15 September.

The accused's court appearance emanates from his arrest on Monday, 11 September during a crime intelligence driven operation. According to reports, the police conducted an operation after receiving information about the accused's whereabouts. Although the accused ran away upon spotting the police vehicle, he was eventually arrested next to the railway line in Huhudi near Vryburg. Subsequent to preliminary investigation, Visser was linked with six other cases through forensic leads, DNA and fingerprints. The cases include business robberies and residential burglary that were reported at Vryburg police station between November 2020 and August 2023. Visser made his first court appearance on Wednesday, 13 September. Investigations into the matter, including the tracking of Visser's accomplices are underway. The Provincial Police Commissioner, Lieutenant General Sello Kwna, applauded the entire team members who were involved in the operation for a job well done.

Rape offender sentenced to life

STELLALANDER-SANNIESHOF: The Atamelang Regional Court sentenced Fana Jonas Selomogo (38), to life imprisonment for rape.

The court further ordered that his name be registered in the sexual offender's register. His conviction emanates from an incident that occurred on 16 November 2013 at Sannieshof, wherein a 24-year-old female was accosted by the accused while walking home from a nearby tavern, accompanied by her friend. The accused subsequently grabbed her by her hand and dragged her away from her friend, who also tried effortlessly to rescue her but was overpowered by the accused. She thereafter ran home to seek help. When she came back with her brother, the accused and the girl had already left. The accused managed to drag the complainant to his shack while assaulting her, and repeatedly raped her. The next morning, she managed to flee and reported the incident to her aunt. The matter was subsequently reported to the police who later effected an arrest. The accused who pleaded not guilty to the charge was granted bail however absconded until he was rearrested on 21 Feb 2017, and remained in custody until the completion of the trial. In aggravation of sentence, the state prosecutor, Advocate Edward Manicus, urged the court not to deviate from the prescribed minimum sentence of life imprisonment, as there were no compelling circumstances to do so. Magistrate Stefan Du Toit agreed with the state and remarked that rape is a very serious offence that causes permanent scars on the victims and that the courts have a responsibility to send a strong message to wannabe offenders. The Director of Public Prosecutions in the North West, Dr Rachel Makhari, lauded the prosecutor, investigating officer and other role players in bringing the perpetrator to book.

AGRICULTURE / LANDBOU NEWS NUUS

22 September is World Rhino Day

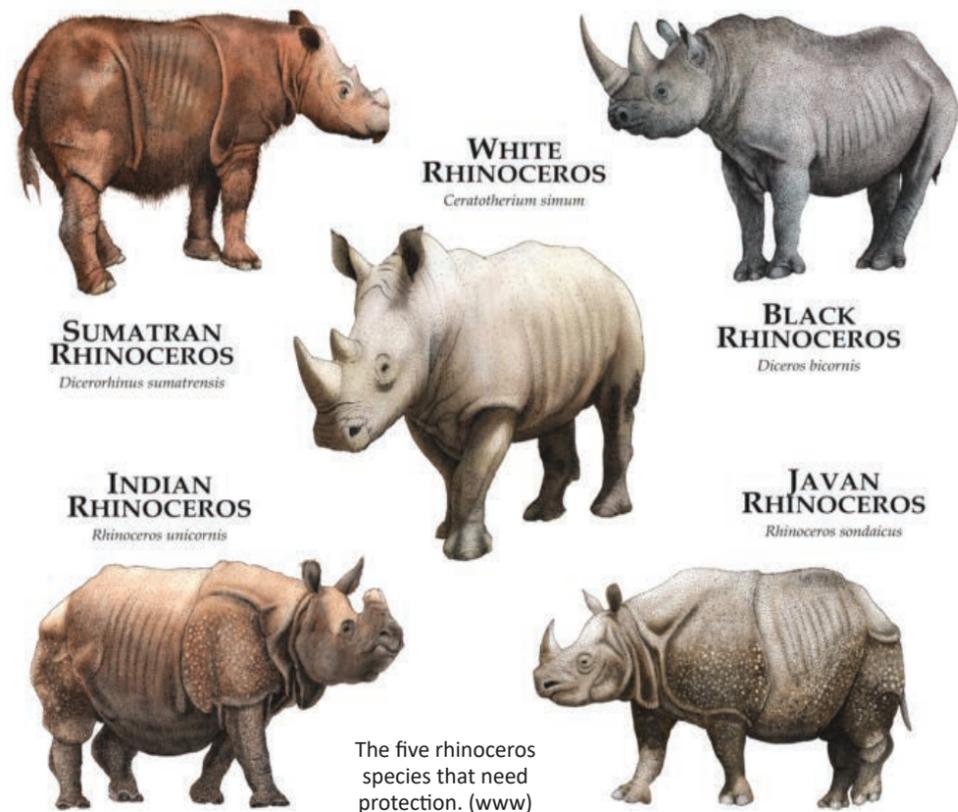

STELLALANDER-VRYBURG: World Rhino Day was first celebrated on September 22, 2011, but was first announced by World Wildlife South Africa, in 2010. It took the joint effort of Lisa Jane Campbell of Chishakwe Ranch in Zimbabwe and Rhishja Cota to pull this feat off in 2011.

This week's Weather forecast

	00-12	12-00	Max/Min Temperature	Precipitation mm	Max/Min Winds
Wed. 20 Sep.			29°/10°		3/3
Thur. 21 Sep.			31°/9°		3/1
Fri. 22 Sep.			33°/12°		3/1
Sat. 23 Sep.			33°/14°		8/2
Sun. 24 Sep.			32°/19°	2.4	8/2
Mon. 25 Sep.			25°/13°		8/3

With the increasing rates of poaching of rhinoceros species, it was imperative to call together cause-related organizations, wildlife conservation centers, N.G.O.s, zoos, and concerned individuals to seek effective ways to stop rhino poaching and possibly preserve endangered species. Rhinos are large mammals belonging to the rhinocerotidae family. They have no natural predators except humans. Rhino species worldwide are threatened and are on the brink of extinction, with more than 7 000 rhinos lost due to poaching between 2008 and 2017 in South Africa, which is home to over 70% of the world's rhino population. In 2011, the African black rhino species were declared extinct. Every day, approximately three rhinos are killed and poached for their horns. Poachers use tranquilizers to disable the rhinos and inhumanely cut off their horns. The rhinos are then left to bleed to death. Anti-poaching efforts have been frustrated, as most poachers are armed with sophisticated weapons and blinded with greed to see the pain inflicted on the poor creatures. World Rhino Day is the perfect opportunity for all to stand against the trade of rhino horns and preserve these incredibly magnificent creatures. Over the years, rhinos have been hunted by poachers for their horns and blood, which is used in traditional Asian medicine and believed to contain a cure for cancer, fever, convulsions, and increased male virility. Rhinos are also poached for their perceived value in the exotic markets of Vietnam

ENDANGERED RHINOCEROS OF THE WORLD

How many rhinos are left?

There are only about 27,000 rhinos left in the wild, according to the World Wide Fund for Nature. Rhinos are notoriously aggressive, especially if you go too close to them. But the reason for their aggression, mostly, is that they're just shy and want to be left alone, to wander in peace. White rhinos, black rhinos, and Sumatran rhinos have two horns, but Javan rhinos have one.

5 Fascinating facts about rhinos:

- Rhinos are partially blind and can barely see objects 98 feet away from them.
- Rhinos' horns are made of keratin, not bones.
- Rhinos are herbivores; they only feed on grass.
- Relative to their size, rhinos have small brains.
- Rhinos are fast on land and can make swift turns in small places.

Why World Rhino Day is important:

- It keeps the five alive. At the core of World Rhino Day is the goal to keep the last five species alive. Three of those species, the black, Javan, and Sumatran rhino are still critically endangered.
- It educates. World Rhino Day is an excellent excuse for you to learn about these wonderful creatures. The holiday provides you with the interest and motivation you need to learn about rhinos.
- It raises funds to support anti-poaching. The celebration helps raise funds to support efforts to prevent rhino poaching. The anti-poaching teams in South Africa are especially helped by these donations.

Pangolin found in boot of vehicle

STELLALANDER-SETLAGOLE: Kabelo Jantjies (58) appeared before the Atamelang Magistrate's Court on Monday, 18 September facing a charge of possession of endangered species.

Jantjies was arrested by members of Mahikeng Serious Organised Crime Investigation Unit, following a tip-off from a community member. Information led the team to a house in Setlagole, where a search was conducted leading to the discovery of a pangolin inside the boot of a vehicle. Jantjies was subsequently apprehended and charged with possession of endangered species. He appeared in court and his case was postponed to 20 September for a formal bail application. The Provincial Head for the Directorate for Priority Crime Investigation, Major General Patrick Mbotho, has welcomed the arrest and expressed appreciation on the information received, which led to the apprehension of the suspect.

AfriForum besoek Vryburg VLV

STELLALANDER-VRYBURG: De Clerq Matthee het op 13 September met Vryburg VLV gesels oor werksaamhede van AfriForum, 'n waghond vir burgerregte wat landswyd reeds 295 000 lede het.

Matthee noem dat hulle missie is om 'n geloofwaardige organisasie vir Afrikaner-belange te wees en om vreedsaam met ander gemeenskappe te leef. In Vryburg fokus AfriForum op plaaslike regering en vergader elke twee maande met die munisipale bestuurder om sake van belang te bespreek. Volgens Matthee fokus AfriForum op die volgende aspekte: Gemeenskapsveiligheid - Vryburg buurtwag was die eerste in die land en beskik oor 'n protospaan vir spesiale operasies, brandspan en gebruik 'n hommeltuig in operasies. 'n Opgeleide paramedikus is beskikbaar tydens operasies. Gesondheid - Die dorp se bloudruppel (kraanwater) en groendruppelstatus (riool) word gereeld gemonitor. Gemeenskapsake - Donasies vir veevoer om boere by te staan na die verwoestende veldbrande. Kultuur en toerisme - Die konsentasiekampkerkhof in Hartbeesweg word gereeld skoongemaak, asook leë erwe word gereeld skoongemaak om misdaad en brande te voorkom. Manda Schoon het ook gedemonstreer hoe happies maklik en vinnig versier kan word met eetbare blomme soos kappertjies en gesiggies. Voorskote was ook deel van die tak se kompetisies.

Edu-Build top graduate in country from Vryburg

STELLALANDER-VRYBURG: Edu-Build Institute WC, EC & NW is a private training institution that specialising in early childhood development (ECD) training.

Started in 2017, they most often cater for under-privileged communities. Their campuses are hosted at schools within the communities, rather than a centralised setting, which present students with less cost. To date, they have graduated thousands of students in the ECD NQF Level 4 FET Certificate course and the ECD NQF Level 5 Diploma course. The Edu-Build operation in the North

West Province started in July 2021 with a Level 4 class in Mahikeng. In 2022 they also opened a campus in Vryburg at Vryburg Primary School. Edu-Build also have campuses in Rustenburg/Phokeng (Keledi High School), Potchefstroom (Potchefstroom Secondary School) and Zeerust (Zeerust High School). They are known as a second chance institution, and really bent over backwards to give their students the best opportunities available. Mosebetsi Joseph Motsamai (41) from Vryburg, was one of the graduates of the first class in Vryburg that graduated on 2 September, qualifying as an early childhood development practitioner. He is currently working as a

security guard. He was chosen as the top student from among all the graduates of our 20 campuses (including distance learning) across the Western Cape, Eastern Cape and North West Province. Motsamai's work for the last year was always immaculate and he always achieved high marks. His portfolio of evidence (POE) was of such high standard that even the Executive Principal, Chantelle Pick, was totally in awe of his sterling work. He passed both semester exams with flying colours. His facilitator also only have high praise for Motsamai, recalling him as one student who would always assist others in finalising their work. What makes his achievement even more outstanding, is the fact that he would work night shift on a Friday night as a security guard, and still be very alert and attentive in class on a Saturday morning. Joseph plans to further his education through Edu-Build and obtain his level 5. According to Pick, Motsamai will be used as a poster

boy for Edu-Build to demonstrate a core value of the institution; that the human spirit seeks constant improvement, even against the biggest odds. For more information on Edu-Build, or our courses, please visit our website on www.edubuildwc.co.za or call the office on 010 109 6169.

Die Boemelaar

deur Jan de Villiers – 1977

Ons het van die teerpad afgedraai en onder 'n boom by betonbankies stilgehou vir middagete. Terwyl die vrou en kinders die kosmandjie uitpak, maak ek bietjie litte los. So dertig tree weg sien ek twee vuil skoene onder 'n bos uitsteek. Sou die man dood wees? Ek stap nader en tik met die skoene teen sy heup. Die bolyf kom orent en hy kyk my verleë aan. "Verskoon my, ek het gedink," maar ek maak nie die sin klaar nie en hurk by hom. "Waarheen is jy op pad," probeer ek 'n geselsie aanknoop. Hy antwoord nie dadelik nie. "Jammer ons het nie plek vir 'n muis nie, anders.." Skielik kom daar effense lewe in die stofbedekte klere. "Kus se kant toe dit word te koud daar bo," sê hy soos een wat moeg is. Ek sien 'n leë half-bottel eenkant lê. Hy was in die regte stemming, want dit was nie lank voo ek hom aan die praat het. Hy was op universiteit - later getroud met een kind. Sy beste vriend het tussenbeide gekom en hy het sy hartseer met brandewyn begin afsluk. Sy het hom later verlaat en ook die kind gekry, want die hof wou nie sy storie glo nie. "Werk jy nie, waarvan lewe jy," wou ek weet. Hy kyk my byna verontwaardig aan. "Wie sal my werk gee soos ek is en soos ek lyk?" Nee meneer, ek woon in parke en langs die grootpad, doen so ietsie hier, ietsie daar. Ek vra so min van die lewe. "Ja jong ten spyte van alles is elkeen tog op stuk van sake self verantwoordelik vir die toestand waarin hy is. Maak ons nie elkeen sy eie bed nie?" Hy kyk my nie in die oë nie. "Miskien kan Meneer reg wees, maar ek het ook geleer dat as jy met 'n knuppel onder 'n klomp mense

inspring, jy 'n paar gaan raakslaan, maar dat jy nie almal sal bykom nie. Ek was een van daardie paar en dit was te seer en ek kan nie terugdraai nie." "Is dit nie 'n baie eensame lewe, so sonder mense en sonder geselskap nie?" Hy kyk by my verby in die verte. "Eensaam ja, maar die eensaamheid wat diep in die hart vasgroeï, sodat die pyn later amper lekker word. Meneer sal nie verstaan nie, amper soos iemand wat huil van blydskap. Bedags gesels ek met die voëltjies en akkedisse en snags lê ek onder die sterre en luister na die naggeluide." Hy bly 'n rukkie stil. "Ek verwag niemand om my te glo nie, maar so voel ek soms naby die Skepper," sê hy gevoelvol. "Hoe kan jy nog van die Skepper praat as jy so 'n lewe voer," waag ek dit. Hy lyk effens verleë, maar dan haal hy 'n verslete bundeltjie uit sy baadjie se binnesak. Tagore, lees ek die skrywe se naam op die voorblad. Hy blaai daarin en wys dan waar ek moet lees. 'From the solemn gloom of the temple, children run out to sit in the dust, God watches them play and forgets the priest.' Hy kyk my aan met die oë van 'n kind. Ek staan op sonder om verder 'n woord te sê en toe ek terugstap motor toe, is ek skielik nie meer honger nie. Ek neem wat oorgebly het in die kosmandjie na sy lêplek. "Hier is vir jou kos, iets vir die pad, sê ek." Ek het ook iets vir die pad, dink ek by myself, sonder om dit hardop te sê. +*Red: Jan de Villiers, voormalige skoolhoof van Laerskool Vryburg het 'n bundel kortverhale geskryf, wat sy dogter, Suzanne van der Walt en familie eers na sy dood ontdek het.

Taung Hotel School stakeholders updated on key development

STELLALANDER-TAUNG: The Taung Hotel School held its Stakeholder Engagement Session on Thursday, 24 August at its home soil, with a view to bring all its strategic stakeholders under one roof, to bring them up to speed with key developments at the institute.

The secondary purpose was to create a platform to showcase the value of government's decision taken to invest in bringing Tourism and Hospitality Training to a rural village, Taung. Government took a decision to take up the offer to purchase the hotel property, then owned by

the Peermont Group. Subsequent to this valuable acquisition, a decision was taken to turn the hotel property into a hotel school, with the view of increasing the footprints of hotel schools in the North West Province. The vision was to establish hotel schools in all the districts of the North West

Province, with Taung Hotel School becoming the second such hotel school to be established in the Dr Ruth Segomotsi Mompati District. Subsequently, the then provincial Department of Tourism embarked on a massive infrastructure upgrade and development project of the acquired hotel property which commenced in 2015, in order to meet the requirements and standards of a fully-fledged hotel school campus. The project commenced with the upgrade staff residences and the development of the state-of-the-art facilities, these being the student residences and recreation hall, mass catering kitchen, kitchens for students practicals, students lecture rooms, student laundry, storage, etc. As things stand, the upgrades and developments are at a very advanced stage, and 90 percent complete. Most, if not all necessary equipment such as stoves, kitchen sinks, fridges, washing machines were on site, with some fitted and others awaiting fitment. The facilities are disability friendly and accessible. The stakeholder session was a resounding success, graced by cream of the crop representatives from CATHSSETA, Sun City Resort, Peermont Group, Siyanda Platinum Mine, Gold One Mine, National Department of Tourism, Department of Agriculture and Land Reform, Dr Ruth Segomotsi Mompati Municipality, B a t l h a p i n g - b a g a - P h u d u h u c w a n a, the Quality Council for Trade and Occupations (QCTO), South African Chefs Association (SACA), South African Culinary and Hospitality Educators Forum (SACHEF) and the lead department and project manager, Department of Economic Development, Environment, Conservation and Tourism (DEDECT), media, among others. It is worth noting that the stakeholders in their own right, have made priceless contributions towards the lives of the Taung Hotel School students by way of sponsorships and bursaries, which today are evident from the quality of jobs some of the students have secured both locally and abroad. Already, some of the stakeholders will be enrolling a number of students In her delivery of the keynote address, the Chief Executive officer of the North West Parks and Tourism Board, Thami Matshego, expressed her appreciation for the opportunity afforded to her to be part of the occasion during the Women's Month. She added,

"Most women who make changes in the world, are not women who speak a lot. Much has been said so far. Being three months in the leadership of the North West Parks and Tourism Board, I lead from behind to communicate the heartbeat of the organisation and I pledge to move this institution, the Taung Hotel School, from good to excellent. "We are a very driven organisation with team work and team spirit, who walk side by side with our valued stakeholders. All treasured inputs made by stakeholders during this formal engagement have been noted because we believe that they will enrich our endeavours and vision for the institute, moving forward." "The Tourism and Hospitality industry suffered a negative impact during the entire COVID 19 Pandemic. Now we are seeing a steady and healthy recovery of the industry. Your heeding the call to attend and engage with us is highly appreciated", she concluded. The Rector of Hotel Schools, Thapelo Nchabeleng, sealed the CEO, words by also appreciating the presence of a broad spectrum of relevant stakeholders who attended the session, at short notice. "We do not take the event lightly. The engagement session has assisted with putting faces to names. We hope to build on what we have achieved today", he said. On this glorious occasion, a special guest in attendance was 25 year old, Rebone Skhosana from Mmamutla Village; a former Taung Hotel School graduate, who together with other students were funded by the Dr Ruth Segomotsi Mompati Municipality. Her testimony demonstrated that she entered the Tourism and Hospitality space not knowing what she wanted to do". I had people believing in me coming from Mmamutla High School. I became the President of the Student Representative Council (SRC). I began my career in Accommodation Services, but today I stand here as the Operations Manager where I am employed in Johannesburg. I challenged myself to set the bar higher and used the skills acquired to the highest degree". The testimony is proof that the caliber of Hotel Schools graduates, positions them favourably to be absorbed in the tourism and hospitality job market, locally and internationally. The formal session was followed by the walk-about of the facilities. It is anticipated that these state-of-the-art facilities would be officially launched in the very near future.

Boshoek polisiestatie vervalde

STELLALANDER-BOSHOEK: Boshoek Polisiestatie, ongeveer 50km van Tosca in die Noordwes, is in 'n vervalde toestand. Dié polisiestatie is in die geboue van 'n destydse grenspos.

Die portefeuljekomitee oor gemeenskapsveiligheid en vervoerbestuur, openbare werke en paaie het sedertdien kommer uitgespreek oor die toestand van die gebou. Die komitee en bestuur het aangedui dat die SAPD al verskeie kere by Openbare Werke betrokke was en nie bygestaan is met die instandhouding van daardie geboue nie. Die waarnemende voorsitter van die komitee, Freddy Sonakile, het gesê hulle het met die SAPD se bestuur in die Dr Ruth Segomotsi Mompati-distrik, Provinsiale Burgerlike Sekretariaat, asook die stasiebestuur vergader na aanleiding van die toesigbesoek wat by die polisiestatie afgelê is. Hy het gesê die komitee is meer bekommerd oor die vervalde toestand van die polisiekasernes by die stasie. "Die polisiestatie is in 'n baie slegte toestand. Die SAPD het 'n paar jaar gelede gesê daar was skakeling met die Kagisano-Molopo Munisipaliteit, waardeur 'n versoek gerig is dat hulle die polisiestatie van die grens na Tosca skuif. Daar is dit nader aan die mense en daar is 'n ou munisipale gebou wat nie benut word nie. Dié samesprekings het egter in duie gestort," het hy gesê. Sonakile het die bestuur versoek om alle kommunikasie met Openbare Werke te verskaf oor instandhoudingsversoeke wat geïgnoreer is. Hy het openbare werke verder gekritiseer omdat hy sy mandaat van die instandhouding van staatsgeboue versuim het.

Die werk slaap, moet aanspreeklik gehou word". Die komitee sal na verwagting met die Coghstakomitee in gesprek tree om onderhandelinge tussen die Kagisano-Molopo Munisipaliteit en SAPD te laat herleef oor die verskuiwing van die stasie na waar dit nader aan die mense sal wees.

Bankvas agter die Bokke

Die Springbokspan, die verdedigende Wêreldkampioene het op gepaste wyse die Wêreldbeker 2023 begin deur die span van Skotland op Sondag 10 September met 18-3 in die Groep B-wedstryd in Marseille te klop. Die Bokke het Sondag 17 September verder stof in die oë van Roemenië in Bordeaux geskop en met 'n 76-0 loesing. Suid-Afrika vat die nommer een span in die wêreld, Ierland aan in Parys op Saterdag, 23 September. Beide spanne is die gunsteling in die groep om na die kwartfinale deur te dring. Dié wedstryd kan dus 'n groot implikasie hê op beide spanne wat nog in hulle finale wedstryde in die groep moet speel.
